Statement of Financial Affairs

Global Notes

The following Statement of Financial Affairs ("Statement" or "SOFA") has been prepared by the Debtor's management and is unaudited. While management of the Debtor has made every reasonable effort to ensure that the Statement is accurate and complete based upon information that was available at the time of preparation, the subsequent receipt of information may result in material changes in the data contained in the Statement and inadvertent errors or omissions may exist. To the extent the Debtor discovers additional information that may differ materially from the information set forth in the Statement, the Debtor may amend, supplement or otherwise modify the Statement to reflect such changes. Accordingly, the Debtor reserves all rights to amend, supplement or otherwise modify the Statement as it deems necessary or appropriate. These Global Notes are incorporated by reference in, and comprise an integral part, of the Statement and should be referred to in connection with any review.

Reservation of Rights. Nothing contained in the Statement or these Global Notes shall constitute a waiver of any of the Debtor's rights or an admission with respect to Debtor's chapter 11 case, including, but not limited to, any issues involving objections to claims, equitable subordination, defenses, characterization or re-characterization of contracts, assumption or rejection of contracts under the provisions of Chapter 3 of the Bankruptcy Code and/or causes of action arising under the provisions of Chapter 5 of the Bankruptcy Code or any other relevant applicable laws to recover assets or avoid transfers.

Basis of Presentation. The Debtor relied on its books and records and its cash management and reconciliation process, as well as other related sources of information. The Statement is unaudited and reflects the Debtor's best effort to report certain financial information. While, when applicable, this Statement was reconciled to the financial statements per the Debtor's accounting systems, the company neither purports to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States ("GAAP"), nor is the Statement intended to fully reconcile to the financial statements.

Reporting Date. Unless otherwise noted on specific responses, the Statement reflects the Debtor's books and records as of the close of business on April 30, 2018, which coincides with the timing of the Debtor's normal accounting period close. May 1, 2018 is considered the first day of the post-petition period.

Current Values. The assets and liabilities of the Debtor are shown on the basis of the book value of the asset or liability in the Debtor's accounting books and records. Unless otherwise noted, the carrying values on the Debtor's books, rather than the current market values, of the Debtor's interests in property is reflected in the Statement.

It would be prohibitively expensive and unduly burdensome to obtain current market valuations of the Debtor's property interests.

The claims of individual creditors are listed as the amounts entered on the Debtor's books and records and may not reflect credits, allowances or other adjustments due from such creditors to the Debtor. The Debtor reserves all of its rights respecting such credits, allowances and other adjustments.

Confidentiality. There may be instances within the Statement where certain information was left blank or redacted due to the nature of an agreement between the Debtor and a third party, concerns about the confidential or commercially sensitive nature of certain information, or concerns for the privacy of an individual. The omissions or redactions will be limited to only what is necessary to protect the Debtor or a third party and will provide interested parties with sufficient information to discern the nature of the listing. The Debtor will provide copies of all redacted information to the Office of the U. S. Trustee or the advisors to the unsecured creditors' committee upon their request.

Accuracy. Although every effort has been made to file a complete and accurate Statement, inadvertent errors or omissions may exist. The Debtor reserves all rights to amend and/or supplement the Statement as is necessary or appropriate. The financial information disclosed herein was not prepared in accordance with federal or state securities laws or other applicable non-bankruptcy law or in lieu of complying with any periodic reporting requirements hereunder. Persons or entities trading in or otherwise purchasing, selling or transferring claims against or equity interests in the Debtor should evaluate this financial information in light of the purposes for which it was prepared. The Debtor is not liable for and undertakes no responsibility to indicate variations between any information and reports prepared for securities law disclosure purposes or for any evaluations of the Debtor based on this financial information or any other information.

Currency. Unless otherwise noted, all amounts are reflected in U.S. Dollars.

SOFA 3. The information provided shall not constitute a waiver of any of the Debtor's rights or an admission that the recipients of such payments or other transfers were "creditors" or that amounts paid or otherwise transferred were due and owing.

To the extent that any insider payments within 90 days are reported in SOFA 4, they are excluded from SOFA 3.

For items paid via check, the date of payment/transfer listed is the date the check was generated by the Company. For items that directly post to the Company's line of credit, the date of payment/transfer listed is the date the item was posted to the line of credit (this note is also applicable to SOFA 4). As of the petition date, there were 37 outstanding checks totaling approximately \$48,000. These checks were cancelled, characterized as prepetition status and prepetition balances were reflected accordingly.

SOFA 4. Solely for purposes of this Statement, the Debtor defines "insiders" to include the following: (a) members of the board of directors; (b) current and former officers of the Company as appointed by board resolution; (c) equity holders and/or their affiliates; (d) Debtor's affiliates; and (e) relatives of any of the foregoing (to the extent known by Debtor). Entities listed as "insiders" have been included for informational purposes and their inclusion shall not constitute an admission that those entities are insiders for purposes of section 101(31) of the Bankruptcy Code.

Payroll related payment detail to individual employees that is contained herein is based on gross payment amount.

SOFA 16. AcuSport runs personal credit checks when personal guarantees are being considered. These records are maintained as scanned documents within its customer credit files. The Debtor's policy is to store this information in the company's scanned document files, which are only accessible by necessary personnel.

SOFA 20. From time to time, there may be inventory that is held at outside 3rd party entities which provide painting, coating, or other modifications as requested by customers. The details of this inventory over the past 1-year period has not been disclosed for purposes of this SOFA. Additional information regarding Debtor-owned inventory held at 3rd party locations is disclosed in the Schedules of Assets and Liabilities.

SOFA 26d. In connection with the Debtor's 2017/2018 initiatives to seek a potential financial restructuring and/or sale, the Debtor has provided financial statements to numerous parties under non-disclosure agreements ("NDAs"). Due to the confidentiality requirements of the non-disclosure agreements, such parties are not listed in response to this question.

Additionally, the Debtor provides financial statements to numerous key suppliers in conjunction with customer credit procedures.

SOFA 27. The Company does not take full physical inventory counts, but rather has a daily cycle counting program. The Company has a dedicated cycle count team that has extensive experience in counting and reconciling inventory. The specific procedure is available upon request and has proven to be a highly accurate process to determine physical inventory counts based on order fulfillment data and audit procedures.

SOFA 30. The Debtor has included a comprehensive response to SOFA 30 within the information disclosed in SOFA 4.
