**GLOBAL NOTES AND STATEMENT OF LIMITATIONS,
METHODOLOGY AND DISCLAIMER REGARDING THE DEBTOR'S
SCHEDULES OF ASSETS AND LIABILITIES AND
STATEMENTS OF FINANCIAL AFFAIRS**

Alpha Entertainment LLC (the “**Debtor**”) is filing its Schedules of Assets and Liabilities (the “**Schedules**”) and Statements of Financial Affairs (the “**Statements**” and, together with the Schedules, the “**Schedules and Statements**”) in the United States Bankruptcy Court for the District of Delaware (the “**Court**”). The Debtor, which was assisted by its professional advisors, prepared the Schedules and Statements in accordance with section 521 of title 11 of the United States Code, 11 U.S.C. §§ 101 *et seq.* (the “**Bankruptcy Code**”), and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”).

These *Global Notes and Statement of Limitations, Methodology and Disclaimer Regarding the Schedules of Assets and Liabilities and Statements of Financial Affairs* (collectively, the “**Global Notes**”) pertain to, are incorporated by reference in, and comprise an integral part of, the Schedules and Statements. These Global Notes should be referred to, and reviewed in connection with, any review of the Schedules and Statements.²

The Schedules and Statements have been prepared based on information provided by the Debtor’s management and are unaudited and subject to potential adjustment. In preparing the Schedules and Statements, the Debtor relied on financial data derived from its books and records that was available at the time of preparation. The Debtor has used commercially reasonable efforts to ensure the accuracy and completeness of such financial information; however, subsequent information or discovery may result in material changes to the Schedules and/or the Statements, and inadvertent errors, omissions or inaccuracies may exist. The Debtor and its estate reserve all rights to amend or supplement the Schedules and Statements.

¹ The last four digits of the Debtor’s federal tax identification number are 7778. The Debtor’s mailing address is 1266 East Main St., Stamford, CT 06902.

² These Global Notes are in addition to any specific notes that may be contained in the Schedules and Statements. The fact that the Debtor has prepared a general note herein with respect to any of the Schedules and Statements, and not to others, should not be interpreted as a decision by the Debtor to exclude the applicability of such general note to any of the other Schedules or Statements, as appropriate.

Reservation of Rights. Nothing contained in the Schedules and Statements, or these Global Notes, shall constitute a waiver of any of the Debtor's rights or an admission with respect to its chapter 11 case, including, but not limited to, any issues involving objections to claims, setoff or recoupment, equitable subordination, defenses, characterization or re-characterization of contracts, leases and claims, assumption or rejection of contracts and leases and/or causes of action arising under the Bankruptcy Code or any other applicable laws to recover assets or avoid transfers.

Description of the Case and "as of" Information Date. On April 13, 2020 (the "***Petition Date***"), the Debtor filed a voluntary petition for relief with the Court under chapter 11 of the Bankruptcy Code. The Debtor is operating its business as a debtor in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. All financial information of the Debtor in the Schedules and Statements and these Global Notes is provided as of the Petition Date unless otherwise indicated herein or in the Schedules and Statements.

Basis of Presentation. The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles ("***GAAP***"), nor are they intended to fully reconcile to any financial statements prepared by the Debtor.

Recharacterization. Notwithstanding the Debtor's reasonable efforts to properly characterize, classify, categorize, or designate certain claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements, the Debtor may nevertheless seek to recharacterize, reclassify, recategorize, redesignate, add, or delete items included in the Schedules and Statements, and the Debtor and its estate reserve all rights in this regard.

Accounts Payable and Disbursement Systems. The Debtor maintains a centralized cash management system (the "***Cash Management System***") to collect, concentrate, and disburse funds generated from its operations. A more complete description of the Debtor's Cash Management System is set forth in the *Debtor's Motion for Entry of Interim and Final Orders (I) Authorizing Continued Use of Cash Management System; (II) Authorizing Use of Prepetition Bank Accounts and Certain Payment Methods; (III) Suspending the Requirements of 11 U.S.C. § 345(b) on an Interim Basis; and (IV) Granting Related Relief* [Docket No. 4] (the "***Cash Management Motion***"), which was filed on the Petition Date.

Insiders. For purposes of the Schedules and Statements, the Debtor defines "insiders" pursuant to section 101(31) of the Bankruptcy Code as (a) current or former directors, officers or persons in control of the Debtor, (b) relatives of current or former directors, officers, or persons in control of the Debtor, (c) a partnership in which the Debtor is a general partner or (d) an affiliate of a Debtor. Except as otherwise disclosed herein or in the Statements, payments to insiders listed in (a) through (d) above are set forth on Statement 4. Persons listed as "insiders" have been included for informational purposes only, and such listing is not intended to be, nor should it be construed as, a legal characterization of such person as an insider, and does not act as an admission of any fact, claim, right or defense, and all such rights, claims, and defenses with respect thereto are hereby expressly reserved. Further, the Debtor and its estate do not take any position with respect to: (a) such person's influence over the control of the Debtor; (b) the management responsibilities or functions of such individual; (c) the decision-making or corporate authority of such individual; or (d) whether such individual could successfully argue

that he or she is not an “insider” under applicable law, including, without limitation, the federal securities laws, or with respect to any theories of liability or for any other purpose.

Summary of Significant Reporting Policies. The following is a summary of certain significant reporting policies:

- a. **Current Market Value—Net Book Value.** In many instances, current market valuations are neither maintained by, nor readily available to, the Debtor. It would be prohibitively expensive and unduly burdensome to obtain current market valuations of the Debtor’s property interests that are not maintained or readily available. Accordingly, unless otherwise indicated herein or in the Schedules and Statements, the Schedules and Statements reflect the net book values, rather than current market values, of the Debtor’s assets as of the Petition Date (unless another date is indicated herein or in the Schedules and Statements) and may not reflect the net realizable value.
- b. **First Day Orders.** Pursuant to various “first day” orders and any supplements or amendments to such orders entered by the Court (each, a “**First Day Order**,” and collectively, the “**First Day Orders**”), the Debtor and its estate are authorized to pay certain pre-petition claims, including, without limitation, certain claims related to employee wages, benefits, and reimbursements, and claims for taxes and fees. Except to the extent that these parties have claims in excess of the authority granted to the Debtor under the First Day Orders, in certain instances, the Debtor may have not included certain claims of this nature in the Schedules and Statements.
- c. **Setoffs.** To the extent the Debtor has incurred or effectuated any ordinary course setoffs with third parties (including, without limitation, customers and vendors) prior to the Petition Date, or are subject to the occurrence of, or maintain the right to effectuate, ordinary course setoffs on account of activities occurring prior to the Petition Date, such setoffs are excluded from the Schedules and Statements. The Debtor and its estate reserve all of their rights with respect to any such setoffs.
- d. **Credits and Adjustments.** Claims of creditors are listed in the amounts entered on the Debtor’s books and records and may not reflect credits, allowances or other adjustments due from such creditors to the Debtor. The Debtor and its estate reserve all of their rights with regard to such credits, allowances and other adjustments, including, without limitation, the right to assert claims objections, setoffs and recoupments with respect to the same.
- e. **Accounts Receivable.** The accounts receivable information listed on Schedule B includes both billed and unbilled receivables, and is net of allowance for doubtful accounts.
- f. **Leases.** In the ordinary course of business, the Debtor may lease certain real property, fixtures and equipment from certain third-party lessors for use in the operation of its business. Nothing in the Schedules and Statements is, or shall be

construed as, an admission as to the determination of the legal status of any lease (including, without limitation, whether any lease is a true lease or a financing arrangement, and whether such lease is unexpired), and the Debtor and its estate reserve all rights with respect to such issues.

- g. **Executory Contracts and Unexpired Leases.** The Debtor has not set forth executory contracts and unexpired leases as assets in the Schedules and Statements, even though these contracts and leases may have some value to the Debtor's estate. Rather, the Debtor's executory contracts and unexpired leases have been set forth solely on Schedule G. The Debtor's rejection of executory contracts and unexpired leases may result in the assertion of rejection damages claims; however, the Schedules and Statements do not reflect any claims for rejection damages. The Debtor and its estate reserve any and all rights with respect to the assertion of any such claims.

Unknown or Undetermined Amounts. Where a description of an amount is left blank or listed as "unknown" or "undetermined," such response is not intended to reflect upon the materiality of such amount.

Liabilities. At the time of the filing of the Schedules and Statements, the Debtor is continuing to reconcile certain accounts payable liabilities. The Debtor has sought to allocate liabilities between the prepetition and post-petition periods based on the information available at the time of the filing of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and post-petition periods may change. Accordingly, the Debtor and its estate reserve all rights to amend, supplement, or otherwise modify the Schedules and Statements as necessary or appropriate.

The liabilities listed on the Schedules do not reflect any analysis of any claims under section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtor and its estate reserve all rights to dispute or challenge the validity of any claims asserted under section 503(b)(9) of the Bankruptcy Code, or the characterization of the structure of any transaction, document or instrument related to any such claim.

Estimates. To timely close its books and records the Debtor was required to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and reported revenue and expenses. The Debtor and its estate reserve all rights to amend the reported amounts of assets, liabilities, revenue and expenses to reflect changes in those estimates and assumptions.

Classifications. Listing a claim (a) on Schedule D as "secured," (b) on Schedule E as "unsecured priority," or (c) on Schedule F as "unsecured non-priority," or listing a contract or lease on Schedule G as "executory" or "unexpired," does not constitute an admission by the Debtor or its estate of the legal rights of any claimant, or a waiver of the rights of the Debtor or its estate to recharacterize or reclassify any claim or contract.

Claims Description. Any failure to designate a claim on the Schedules as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtor and its estate that

such amount is not “disputed,” “contingent” or “unliquidated.” The Debtor and its estate reserve all rights to dispute, or to assert any offsets or defenses to, any claim reflected on the Schedules on any grounds, including, without limitation, amount, liability, validity, priority or classification, or to otherwise subsequently designate any claim as “disputed,” “contingent” or “unliquidated.” Listing a claim on the Schedules does not constitute an admission of liability by the Debtor and its estate, and the Debtor and its estate reserve all rights to amend the Schedules.

Guaranties and Other Secondary Liability Claims. Guaranties and other secondary liability claims (collectively, the “*Guaranties*”) with respect to the Debtor’s contracts and leases may not be included on Schedule H; however, certain Guaranties embedded in the Debtor’s executory contracts, unexpired leases, secured financings, debt instruments and similar agreements may exist. Therefore, the Debtor and its estate reserve all rights to amend the Schedules to the extent additional Guaranties are identified.

NOTES FOR SCHEDULES

Schedule A/B— Assets – Real and Personal Property. Despite its commercially reasonable efforts to identify all known assets, the Debtor may not have listed all of its respective causes of action or potential causes of action against third parties as assets in the Schedules and Statements, including, but not limited to, causes of action arising under the Bankruptcy Code or any other applicable laws to recover assets or avoid transfers. The Debtor and its estate reserve all rights with respect to any claims and causes of action that they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such claims and causes of action, or in any way prejudice, impair or otherwise affect the assertion of such claims and causes of action.

Patents, trademarks, and other intellectual property is listed on Schedule B, Part 10 as an unknown or undetermined amount on account of the fact that the fair market value of such ownership is dependent on numerous variables and factors and may differ significantly from the net book value.

Any leasehold improvements and equipment identified on Schedule B, Part 8 are listed net of any depreciation.

As applicable, ownership interests in businesses, partnerships, and joint ventures (including any subsidiaries) have been listed in Schedule B, Part 4, at net book value. The fair market value of such ownership is dependent on numerous variables and factors and may differ significantly from the listed net book value.

Schedule D—Creditors Holding Secured Claims. Except as otherwise agreed pursuant to a stipulation, agreed order, or general order entered by the Court that is or becomes final, the Debtor and its estate reserve all rights to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a creditor listed on Schedule D. Moreover, although the Debtor may have scheduled claims of creditors as secured claims for informational purposes, no current valuation of the Debtor’s assets in which such creditors may have a lien has been undertaken. Except as otherwise agreed pursuant to a stipulation, agreed order, or general order entered by the Court that is or becomes final, the

Debtor and its estate reserve all rights to dispute or challenge the secured nature of any such claim or the characterization of the structure of any transaction, document or instrument related to any such claim. The descriptions provided in Schedule D are intended only to be a summary.

The Debtor has not included on Schedule D all parties that may believe their claims are secured through setoff rights, deposits posted by, or on behalf of, the Debtor, inchoate statutory lien rights, or real property lessors, utility companies and other parties that may hold security deposits.

By listing a party on Schedule D based on a UCC-1 filing, the Debtor and its estate are not conceding that such party actually holds a perfected, unavoidable security interest in the asset that is the subject of such filing, and reserve all rights as set forth in these Global Notes.

Certain of the amounts listed for parties on Schedule D may not be reflective of any accrued and unpaid interest, prepayment premiums, and other similar fees or expenses to which such parties may be entitled.

Schedule E—Creditors Holding Unsecured Priority Claims. The Debtor has not listed on Schedule E certain tax and priority employee wage and benefit claims for which the Debtor has been granted authority (but not direction) to pay pursuant to a First Day Order. The Debtor believes that such claims have been, or will be, satisfied in the ordinary course of business during the chapter 11 case pursuant to the authority granted in the relevant First Day Orders. The Debtor and its estate reserve all rights to dispute or challenge whether creditors listed on Schedule E are entitled to priority claims.

Schedule F—Creditors Holding Unsecured Non-Priority Claims. Certain creditors listed on Schedule F may owe amounts to the Debtor; as such, the Debtor and its estate may have valid setoff and recoupment rights with respect to such amounts, which rights are not reflected on Schedule F. Also, the amounts listed on Schedule F reflect known prepetition claims as of Petition Date. Such amounts do not reflect any rights of setoff or recoupment that may be asserted by any creditors listed on Schedule F, and the Debtor and its estate reserve all rights to challenge any setoff and recoupment rights that may be asserted against them. The Debtor and its estate reserve all rights to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be perfected by a creditor listed on Schedule F.

As noted above, certain claims listed on Schedule F may be entitled to priority under section 503(b)(9) of the Bankruptcy Code, and the Debtor and its estate reserve all rights with respect to any such claims.

The Debtor has used commercially reasonable efforts to include all creditors on Schedule F; however, the Debtor believes that there are instances in which vendors have yet to provide proper invoices for prepetition goods or services. While the Debtor maintains general accruals to account for these liabilities in accordance with GAAP, these amounts are estimates and not tracked on a vendor by vendor basis, and as such may not have been included on Schedule F.

The Debtor may have listed on Schedule F certain (but not all) unsecured non-priority employee wage or benefit claims for which the Debtor has been granted authority (but not direction) to pay

pursuant to a First Day Order. The Debtor believes that such claims have been, or will be, satisfied in the ordinary course of business during the chapter 11 case pursuant to the authority granted in the relevant First Day Orders. The Debtor and its estate reserve their rights to dispute or challenge whether creditors listed on Schedule F are entitled to priority claims.

Schedule G—Executory Contracts and Unexpired Leases. Although commercially reasonable efforts have been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases, inadvertent errors, omissions or over-inclusion may have occurred in preparing Schedule G. In the ordinary course of business, the Debtor enters into various agreements with its customers and vendors. The Debtor may have entered into various other types of agreements in the ordinary course of its business, such as indemnity agreements, supplemental agreements, letter agreements, and confidentiality agreements that may not be set forth in Schedule G. Omission of a contract, lease or other agreement from Schedule G does not constitute an admission that such omitted contract, lease or agreement is not an executory contract or unexpired lease. Schedule G may be amended at any time to add any omitted executory contracts, unexpired leases and other agreements to which the Debtor is a party, including, without limitation, to add any executory contracts, unexpired leases and other agreements that the Debtor, due to the voluminous number of such contracts, leases and agreements, was unable to list on Schedule G at this time. Likewise, the listing of an agreement on Schedule G does not constitute an admission that such agreement is an executory contract or unexpired lease, or that such agreement was in effect or unexpired on the Petition Date, or is valid or enforceable. The agreements listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters and other documents, instruments and agreements that may not be listed on Schedule G.

Any and all rights, claims and causes of action of the Debtor and its estate with respect to the agreements listed on Schedule G are hereby reserved and preserved. The Debtor and its estate hereby reserve all of their rights to: (a) dispute the validity, status, or enforceability of any agreements set forth on Schedule G; (b) dispute or challenge the characterization of the structure of any transaction, document or instrument related to a creditor's claim, including, but not limited to, the agreements listed on Schedule G; and (c) amend or supplement Schedule G, as necessary, including, without limitation, to modify which Debtor entity is a counterparty to the agreement.

NOTES FOR STATEMENTS

Statement 3. Statement 3 includes any disbursement or other transfer made by the Debtor, except for those made to insiders, employees, and bankruptcy professionals. The amounts listed in Statement 3 reflect that Debtor's disbursements netted against any check level detail; thus, to the extent a disbursement was made to pay for multiple invoices, only one entry has been listed on Statement 3.

Statement 7. The Debtor and its estate reserve all rights, claims and defenses with respect to any and all listed lawsuits and administrative proceedings (or potential lawsuits and administrative proceedings). The listing of any such suits and proceedings shall not constitute an admission by the Debtor and its estate of any liabilities or that the actions or proceedings were

correctly filed against the Debtor. The Debtor and its estate reserve all rights to assert that the Debtor is not an appropriate party to such actions or proceedings. The Debtor may not have included on Statement 7 certain parties that may have asserted informal workers' compensation claims or similar claims that were resolved or otherwise addressed without formal litigation or an administrative hearing or similar proceeding having been commenced.

Statement 26(d). From time to time, the Debtor provided financial statements in the ordinary course of business to certain parties for business, statutory, credit, financing and other reasons. Recipients have included regulatory agencies, financial institutions, investment banks, vendors, landlords, debtholders and their legal and financial advisors. Due to the confidentiality requirements of related non-disclosure agreements, and the number of parties that have received such statements, such parties are not listed in response to this question.
