SOUTHERN DISTRICT OF NEW YORK**

In re:

THE BIG APPLE CIRCUS, LTD.

Debtor.

Chapter 11

Case No. 16-13297 (SHL)

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS,
METHODOLOGY AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES
OF ASSETS AND LIABILITIES AND STATEMENT OF FINANCIAL AFFAIRS**

On November 20, 2016 (the “**Petition Date**”), The Big Apple Circus, Ltd, the above-captioned debtor and debtor in possession (the “**Debtor**”) filed a voluntary petition for relief under chapter 11 of title 11 of United States Code (the “**Bankruptcy Code**”) with the United States Bankruptcy Court for the Southern District of New York (the “**Bankruptcy Court**”). The Debtor is currently operating its business as a debtor in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

The Debtor, with the assistance of its advisors, has prepared its Schedules of Assets and Liabilities (the “**Schedules**”) and Statement of Financial Affairs (the “**SOFA**”) pursuant to section 521 of the Bankruptcy Code and rule 1007 of the Federal Rules of Bankruptcy Procedure. These Global Notes and Statement of Limitations, Methodology and Disclaimer Regarding the Debtor’s Schedules of Assets and Liabilities and Statement of Financial Affairs (the “**Global Notes**”) pertain to all of the Schedules and the SOFA. While the Debtor’s management has made reasonable efforts to ensure that the Schedules and the SOFA are accurate and complete based on information that was available to them at the time of preparation, subsequent information or discovery may result in material changes to the Schedules and the SOFA, and inadvertent errors or omissions may exist in the Schedules and the SOFA. Moreover, the Schedules and the SOFA contain unaudited information that is subject to further review and potential adjustment. Nothing contained in the Schedules or the SOFA shall constitute a waiver of any of the Debtor’s rights or an admission with respect to the Debtor’s chapter 11 case including, without limitation, any issues involving objections to claims, equitable subordination, assumption or rejection of contracts or leases, or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other applicable laws to recover assets or avoid transfers. These Global Notes are incorporated by reference in, and comprise an integral part of, the Schedules and the SOFA, and should be referred to and reviewed in connection with any review of the Schedules and the SOFA. These Global Notes are in addition to any specific notes contained in the Schedules or the SOFA.

These Schedules and the SOFA and these Global Notes should not be relied upon by any persons for information relating to current or future financial conditions, events or performance of the Debtor.

Amendment. While reasonable efforts were made to file complete and accurate Schedules and a complete and accurate SOFA, inadvertent errors or omissions may exist. The Debtor thus reserves the right to amend and/or supplement its Schedules and the SOFA from time to time as may be necessary or appropriate.

Dates. All asset and liability information, except where otherwise noted, is provided as of the Petition Date.

Basis of Presentation. The Schedules and the SOFA do not purport to represent financial information or data prepared in accordance with U.S. Generally Accepted Accounting Principles. The Schedules and the SOFA are unaudited and reflect the Debtor's reasonable efforts to report certain financial information. Unless otherwise noted, each asset is shown on the basis of the book value of the asset in the Debtor's accounting books and records, rather than the current market values of such interest in property. The Debtor reserves all rights with respect to the values, amounts and characterizations of the assets and liabilities listed in its Schedules and the SOFA.

Causes of Action and Contingent Assets. The Debtor believes that it may possess certain claims and causes of action against various parties, including contingent claims in the form of various avoidance actions it could commence under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws. The Debtor, despite commercially reasonable efforts, may not have identified or set forth all of its causes of action (filed or potential) against third parties as assets in the Schedules and the SOFA. The Debtor reserves all of its rights with respect to any claims and causes of action, including avoidance actions, it may have and nothing contained in these Global Notes or the Schedules and the SOFA shall be deemed a waiver of any such claims, avoidance actions or causes of action or in any way prejudice or impair the assertion of such claims.

Totals. All totals that are included in the Schedules and the SOFA represent totals of all of the known amounts included on the Schedules and the SOFA, including disputed or contingent amounts. To the extent that there are unknown or undetermined amounts, the actual total may be different than the listed total, at times materially.

Excluded Assets and Liabilities and Effect of "First Day" Orders on Scheduled Claim Amounts. The Debtor has excluded certain categories of assets and liabilities from the Schedules and the SOFA, such as customer relationships, accrued liabilities, and assets with a net book value of zero. Other immaterial assets and liabilities may also have been excluded. Furthermore, the Bankruptcy Court has entered orders in the Debtor's chapter 11 case that authorize the Debtor to honor and/or pay certain prepetition claims. Consequently, certain prepetition fixed, liquidated and undisputed priority, general unsecured, or secured claims may have been paid under this authority. The Debtor reserves the right to amend the Schedules and the SOFA to reflect payments made pursuant to such authority.

Intellectual Property Rights. Exclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated or otherwise expired by their terms or have been assigned or otherwise transferred pursuant to a sale, acquisition or other transaction. Conversely, inclusion of certain intellectual

property shall not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated or otherwise expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition or other transaction. Accordingly, the Debtor reserves all of its rights with respect to the legal status of any and all such intellectual property rights.

Current Values. It would be prohibitively expensive, unduly burdensome and an inefficient use of estate assets for the Debtor to obtain current market valuations of all of its assets. Accordingly, unless otherwise indicated, the assets and liabilities of the Debtor are listed on the basis of the book value of the asset or liability in the Debtor's accounting books and records, and the Schedules and the SOFA reflect the carrying value, rather than the current market value, of the Debtor's assets and liabilities. For this reason, amounts ultimately realized may vary from net book value and such variance may be material. Exceptions to this include operating cash, which is presented as bank balances as of the Petition Date. Certain other assets are listed as "Unknown" amounts because the net book values may materially differ from fair market value. Thus, the amounts shown for liabilities exclude items identified as "Unknown" and the Debtor's ultimate liabilities may differ materially from those stated in the Schedules and the SOFA. Furthermore, the description of an amount as "Unknown" is not intended to reflect upon the materiality of such amount.

Claims Descriptions. Any failure to designate a claim on the Debtor's Schedules and the SOFA as "disputed," "contingent" or "unliquidated" does not constitute an admission by the Debtor that such amount is not "disputed," "contingent" or "unliquidated." Listing a claim does not constitute an admission of liability by the Debtor. The Debtor reserves the right to dispute any claims reflected on its Schedules or the SOFA on any grounds, including to assert an offset or any defense to any claim reflected on the Schedules and/or the SOFA with respect to, but not limited to, amount, liability or classification, or to otherwise subsequently designate such claims as "disputed," "contingent" or "unliquidated." The Debtor reserves the right to amend these Schedules and the SOFA accordingly.

Classifications. Listing a claim on (i) Schedule D as "secured" or (ii) Schedule E/F as "priority" or "unsecured nonpriority," or listing a contract on Schedule G as "executory" or "unexpired," does not constitute an admission by the Debtor of the legal rights of the claimant, or a waiver of the Debtor's right to recharacterize or reclassify such claim or contract. In particular, the Debtor reserves the right to amend the Schedules and the SOFA to recharacterize or reclassify any such contract or claim.

Currency. All amounts shown in the Schedules and the SOFA are in U.S. Dollars.

Insiders. The Debtor has included in the SOFA all payments made during the one year period preceding the Petition Date to any individual deemed an "insider," as that term is defined in section 101(31) of the Bankruptcy Code. Persons listed as "insiders" have been included for informational purposes only. The Debtor does not take any position with respect to (a) such person's influence over the control of the Debtor, (b) the management responsibilities or functions of such individual, (c) the decision-making or corporate authority of such individual or (d) whether such individual could successfully argue that he or she is not an "insider" under applicable law.

Recharacterization. The Debtor has made reasonable efforts to characterize, classify, categorize or designate the claims, assets, executory contracts, unexpired leases and other items reported in the Schedules and the SOFA correctly. However, the Debtor may have improperly characterized, classified, categorized or designated certain items. Thus, the Debtor reserves its rights to recharacterize, reclassify, recategorize or redesignate items reported in the Schedules and the SOFA at a later time as necessary or appropriate as additional information becomes available, including, but not limited to, whether contracts listed herein were executory as of the Petition Date or remain executory postpetition.

Schedule A/B - Real and Personal Property.

Part 1, question 3. Bank account balances are reflective of the opening book balances as of the Petition Date, which may differ from the bank balances due to common reconciling items. Certain funds listed on Schedule A/B are subject to donor restrictions, and may only be used in accordance with the terms of their respective gift instruments.

Part 4. Investment information is provided by the Debtor as of November 30, 2016.

Schedule D - Creditors Who Have Claims Secured by Property. The Debtors reserve the right to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D. The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens.

Schedule E/F - Creditors Who Have Unsecured Claims.

Priority Unsecured Claims. The listing of any claim on Schedule E/F, Parts 1 and 4 does not constitute an admission by the Debtor that such claim is entitled to priority treatment under section 507 of the Bankruptcy Code. The Debtor reserves its rights to dispute or challenge whether such claims are entitled to priority.

Nonpriority Unsecured Claims. Schedule E/F, Parts 2 and 4 do not include certain deferred charges, deferred liabilities, or general reserves. Such amounts are general estimates of liabilities based upon the Debtor's books and records and do not represent specific claims as of the Petition Date.

The claims listed in Schedule E/F arose or were incurred on various dates. In certain instances, the date on which a claim arose is an open issue of fact. While commercially reasonable efforts have been made, determining the date upon which each claim in Schedule E/F was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Debtor does not list a date for each claim listed on Schedule E/F. Schedule E/F contains information regarding potential, pending and closed litigation involving the Debtor.

The descriptions provided in Schedule E/F are intended only to be a summary. Nothing in the Global Notes or the Schedules and the SOFA shall be deemed to be a modification or interpretation of the terms of such agreements. The claims of individual creditors for, among other things, merchandise, goods, services or taxes are listed at the amounts listed on the

Debtor's books and records and may not reflect credits or allowances due from such creditor. The Debtor reserves all of its rights respecting such credits or allowances. The dollar amounts listed may be exclusive of contingent and unliquidated amounts. The Debtor expressly incorporates by reference into Schedule E/F all parties to pending and potential pending litigation listed in the Debtor's SOFA as contingent, unliquidated and disputed claims to the extent not already listed on Schedule E/F.

Schedule G - Executory Contracts and Unexpired Leases. While commercially reasonable efforts have been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases, inadvertent errors, omissions, or over-inclusions may have occurred. The Debtor reserves all of its rights to dispute the validity, status or enforceability of any contracts, agreements or leases set forth in Schedule G and to amend or supplement such Schedule as necessary.

The contracts, agreements and leases listed on Schedule G may have expired or may have been modified, amended and supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters and other documents, instruments and agreements which may not be listed herein. Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal and other miscellaneous rights that are embedded in the Debtor's agreements. Such rights, powers, duties and obligations are not set forth on Schedule G.

Listing a contract, agreement or lease on Schedule G does not constitute an admission that such contract, agreement or lease is an executory contract or unexpired lease or that such contract, agreement or lease was in effect on the Petition Date or is valid or enforceable. Conversely, the omission of a contract, agreement or lease from Schedule G is not intended and shall not be construed as an admission that such omitted contract, agreement or lease is not an executory contract or unexpired lease. The Debtor's rights under the Bankruptcy Code with respect to its contracts, agreements or leases shall not be construed as and are not impaired by the omission or inclusion on Schedule G. The Debtor reserves all of its rights, claims and causes of action with respect to the contracts and agreements listed on Schedule G, including the right to dispute or challenge the characterization or the structure of any transaction, or any document or instrument (including, without limitation, any intercompany agreement) related to a creditor's claim.

In the ordinary course of business, the Debtor may have entered into confidentiality agreements, non-disclosure agreements, non-compete agreements and non-access agreements, which, to the extent that such agreements constitute executory contracts, are not listed individually on Schedule G.

SOFA 1. The income stated in the Debtor's response to SOFA 1 reflects gross operating support and revenue.

SOFA 26(d). The Debtor provided financial statements in the ordinary course of business to certain donor foundations.

Global Notes Control. In the event the Schedules and the SOFA differ from the foregoing Global Notes, the Global Notes shall control.

Promptly advise us of any material change in your investment objectives or financial situation.

Important Information if you are a Margin Customer (not available for certain retirement accounts)

If you have margin privileges, you may borrow money from us in exchange for pledging assets in your accounts as collateral for any outstanding margin loan. The amount you may borrow is based on the

value of the eligible securities in your margin accounts. If a security has eligible shares, the number of shares pledged as collateral will be indicated below the position.

Margin Interest Charges

We calculate interest charges on margin loans as follows: (1) multiply the applicable margin interest rate by the daily close of business net settled debit balance, and (2) divide by 360 (days). Margin interest accrues daily throughout the month and is added to your debit balance at month-end. The month-end interest charge is the sum of the daily accrued interest calculations for the month. We add the accrued interest to your debit balance and start a new calculation each time the applicable interest rate changes and at the close of every statement month. For interest rate information, log into your Morgan Stanley account at morganstanley.com/online. Select your account with a Margin agreement and click Interest Rates for more information.

Information regarding Special Memorandum Account

If you have a Margin Account, this is a combined statement of your Margin Account and Special Memorandum Account maintained for you under Section 220.5 of Regulation T Issued by the Board of Governors of the Federal Reserve System. Important Information About Auction Rate Securities

For certain Auction Rate Securities there is no or limited liquidity. Therefore, the price(s) for these Auction Rate Securities are indicated by N/A (not available). There can be no assurance that a successful auction will occur or that a secondary market exists or will develop for a particular security.

Structured Investments Risks and Considerations

Structured Investments (Structured Products) are complex products and may be subject to special risks. Investors should consider the concentration risk of owning the related security and their total exposure to any underlying asset. Structured Investments, which may appear in various statement product categories and are identified on the Position Description Details line as "Asset Class: Struct Inv," may not perform in a manner consistent with the statement product category where they appear and therefore may not satisfy portfolio asset allocation needs for that category. For information on the risks and conflicts of interest related to Structured Investments generally, log in to Morgan Stanley Online and go to www.morganstanley.com/structuredproductsrisksandconflicts.

Security Measures

This statement features several embedded security elements to safeguard its authenticity. One is a unique security mark—a blue rectangle printed in heat-sensitive ink on the back of every page. When

exposed to warmth, the blue rectangle will disappear, and then reappear.

SIPC Protection

We are a member of Securities Investor Protection Corporation (SIPC), which protects securities of its customers up to \$500,000 (including \$250,000 for claims for cash). An explanatory brochure is available upon request or at www.sipc.org. Losses due to market fluctuation are not protected by SIPC and assets not held with us may not be covered by SIPC protection. To obtain information about SIPC, including an explanatory SIPC brochure, contact SIPC at 1-202-371-8300 or visit www.sipc.org.

Transaction Dates and Conditions

Upon written request, we will furnish the date and time of a transaction and the name of the other party to a transaction. We and/or our affiliates may accept benefits that constitute payment for order flow. Details regarding these benefits and the source and amount of any other remuneration received or to be received by us in connection with any transaction will be furnished upon written request.

Equity Research Ratings Definitions and Global Investment Manager Analysis Status

Some equity securities may have research ratings from Morgan Stanley & Co. LLC or Morningstar, Inc. Research ratings are the research providers' opinions and not representations or guarantees of performance. For more information about each research provider's rating system, see the Research Ratings on your most recent June or December statement (or your first statement if you have not received a statement for those months), go to www.morganstanley.com/online or refer to the research provider's research report. Research reports contain more complete information concerning the analyst's views and you should read the entire research report and not infer its contents from the rating alone. If your account contains an advisory component or is an advisory account, a GIMA status will apply.

Credit Ratings from Moody's Investors Service and Standard & Poor's
The credit rating from Moody's Investors Service and Standard & Poor's may be shown for certain securities. All credit ratings represent the opinions of the provider and are not representations or guarantees of performance. Your Financial Advisor will be pleased to provide you with further information or assistance in interpreting these credit ratings.

HOLDINGS

This section reflects positions purchased/sold on a trade date basis. "Market Value" and "Unrealized Gain/(Loss)" may not reflect the value that could be obtained in the market. Fixed Income securities are sorted by maturity or pre-refunding date, and alphabetically within date. Estimated Annual Income a) is calculated on a pre-tax basis, b) does not include any reduction for applicable non-US withholding taxes, c) may include return of principal or capital gains which could overstate such estimates, and d) for securities that have a defined maturity date within the next 12 months, is reflected only through maturity date. Actual income or yield may be lower or higher than the estimates. Current yield reflects the income generated by an investment, and does not reflect changes in its price. Structured Investments, identified on the Position Description Details line as "Asset Class: Struct Inv," may appear in various statement product categories. When displayed, the accrued interest, annual income and current yield for those with a contingent income feature (e.g., Range Accrual Notes or Contingent Income Notes) are estimates and assume specified accrual conditions are met during the relevant period and payment in full of all contingent interest. For Floating Rate Securities, the accrued interest, annual income and current yield are estimates based on the current floating coupon rate and may not reflect historic rates within the accrual period.

CASH, BANK DEPOSIT PROGRAM AND MONEY MARKET FUNDS

Cash, Bank Deposit Program, and Money Market Funds are generally displayed on a settlement date basis. You have the right to instruct us to liquidate your bank deposit balance(s) or shares of any money market fund balance(s) at any time and have the proceeds of such liquidation remitted to you. Estimated Annual Income, Accrued Interest, and APY% will only be displayed for fully settled positions.

Certain money market funds classified as government funds and retail funds seek (although they cannot guarantee) to maintain a share price of \$1.00, therefore the dollar amounts listed equal the number of shares. Additional information concerning these transactions is available upon request. For more information about the pricing of Money Market Funds, please see the Expanded Disclosures. The money market funds reflected above include the balances in your automatic sweep feature, if any, and may include other money market funds that have been purchased in your account.
