Chapter 11

Case No. 17-31795

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGIES
AND SPECIFIC DISCLOSURES REGARDING THE DEBTOR'S SCHEDULES
OF ASSETS AND LIABILITIES AND STATEMENT OF FINANCIAL AFFAIRS**

The Schedules of Assets and Liabilities (collectively, the "Schedules") and the Statement of Financial Affairs, both filed by Bestwall LLC (the "Debtor") in the United States Bankruptcy Court for the Western District of North Carolina, Charlotte Division (the "Bankruptcy Court"): (a) were prepared pursuant to section 521 of title 11 of the United States Code (the "Bankruptcy Code") and Rule 1007 of the Federal Rules of Bankruptcy Procedure by the Debtor's management, and, subject to management's direction, with the assistance of the Debtor's professionals and personnel of the Debtor's non-debtor affiliate, Georgia-Pacific LLC, a Delaware limited liability company ("New GP"), pursuant to a services agreement between the Debtor and New GP; and (b) are unaudited.

These Global Notes and Statement of Limitations, Methodologies and Specific Disclosures Regarding the Debtor's Schedules of Assets and Liabilities and Statement of Financial Affairs (the "Global Notes") were prepared in conjunction with, are incorporated by reference in, and constitute an integral part of, the Debtor's Schedules and Statement of Financial Affairs. Any party reviewing the Schedules and the Statement of Financial Affairs should refer to, consider and consult the Global Notes in connection with such review. Further, the Debtor reserves the right to amend or supplement these Global Notes as it determines is necessary or appropriate.

The Schedules and the Statement of Financial Affairs reflect the Debtor's reasonable best efforts to disclose its assets, liabilities and other required information. The Schedules and the Statement of Financial Affairs do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles ("GAAP"), nor are they intended to fully reconcile to any financial statements otherwise prepared and/or distributed by the Debtor. Additionally, the Schedules and the Statement of Financial Affairs contain unaudited information that is subject to further review and potential adjustment.

¹ The last four digits of the Debtor's taxpayer identification number are 5815. The Debtor's address is 100 Peachtree Street, N.W., Atlanta, Georgia 30303.

In preparing the Schedules and the Statement of Financial Affairs, the Debtor relied upon information derived from its books and records that was available at the time of such preparation. Although those members of the Debtor's management responsible for the preparation of the Schedules and the Statement of Financial Affairs have made a reasonable effort to ensure that these materials are accurate and complete based on information known to them at the time of preparation and after reasonable inquiries, inadvertent errors or omissions may exist and/or the subsequent receipt of information may result in material changes in financial and other data contained in the Schedules and the Statement of Financial Affairs that may warrant amendment thereof in the future. Moreover, because the Schedules and the Statement of Financial Affairs contain unaudited information that is subject to further review and potential adjustment, there is no assurance that the Schedules and the Statement of Financial Affairs are complete or accurate in all respects. Accordingly, the Debtor reserves all of its rights to amend, supplement or otherwise modify the Schedules and the Statement of Financial Affairs from time to time as the Debtor deems necessary and appropriate. Notwithstanding the foregoing, the Debtor makes no affirmative representation that it will revise, amend or otherwise update the Schedules or the Statement of Financial Affairs.

The Debtor and its agents, attorneys, professionals and affiliates (including New GP) do not guarantee or warrant the accuracy or completeness of the data that is provided herein and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating or delivering the information contained herein. The Debtor and its agents, attorneys, professionals and affiliates (including New GP) expressly do not undertake any obligation to update, modify, revise or recategorize the information provided herein, or to notify any third party should the information be updated, modified, revised or recategorized. In no event shall the Debtor or its agents, attorneys, professionals or affiliates (including New GP) be liable to any third party for any direct, indirect, incidental, consequential or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtor or damages to business reputation, lost business or lost profits), whether foreseeable or not and however caused, even if the Debtor or its agents, attorneys, professionals and affiliates (including New GP) are advised of the possibility of such damages.

Michele Wortmann, Chief Financial Officer of the Debtor, has signed the Schedules and the Statement of Financial Affairs. Ms. Wortmann is an authorized signatory for the Debtor. In reviewing and signing the Schedules and the Statement of Financial Affairs, Ms. Wortmann has relied upon the efforts, statements and representations of various personnel employed by the Debtor and its advisors and personnel of its affiliates (including New GP) providing services to the Debtor. Ms. Wortmann has not (and could not have) personally verified the accuracy of each statement and representation contained in the Schedules and the Statement of Financial Affairs, including statements and representations concerning amounts owed to creditors, classification of such amounts and creditor addresses.

Global Notes and Overview of Methodology

1. **Global Notes Control.** In the event that information provided in the Schedules and the Statement of Financial Affairs differs from the Global Notes, the Global Notes shall control.

2. **Reservation of Rights.** The Debtor reserves all rights to amend, supplement or otherwise modify the Schedules and the Statement of Financial Affairs from time to time, in all respects, at any time as may be necessary or appropriate as determined by the Debtor, including, without limitation, the rights to (a) amend the Schedules and the Statement of Financial Affairs with respect to claim descriptions or designations; (b) dispute or assert a right of setoff or other defenses to any claim reflected in the Schedules or the Statement of Financial Affairs as to amount, liability, priority, status or classification; (c) subsequently designate any claim as "disputed," "contingent" or "unliquidated;" and/or (d) object to the extent, validity, enforceability, priority or avoidability of any claim. Any failure to designate a claim in the Schedules or the Statement of Financial Affairs as "contingent," "unliquidated" or "disputed" does not constitute an admission by the Debtor that such claim is not "contingent," "unliquidated" or "disputed." Notwithstanding the foregoing, the Debtor shall not be required to update the Schedules and the Statement of Financial Affairs except as may be required by applicable law.

Listing a claim does not constitute an admission of liability by the Debtor. Further, nothing contained in the Schedules or the Statement of Financial Affairs shall constitute a waiver of rights with respect to the Debtor's chapter 11 case, including, without limitation, any right involving claims (including allowance, disallowance, liquidation or estimation thereof), defenses, equitable subordination, causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers or the treatment of agreements as executory, nonexecutory, valid or invalid contracts.

Any specific reservation of rights contained in the Global Notes does not limit in any respect the general reservation of rights contained in this section.

3. **Description of the Bankruptcy Case and the "As Of" Information Date.** On November 2, 2017 (the "Petition Date"), the Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtor's case is captioned In re Bestwall LLC, Case No. 17-31795. The Debtor currently is operating its business and is in possession of its property as debtor-in-possession under sections 1107 and 1108 of the Bankruptcy Code.

Except as otherwise noted, all asset and liability information is as of the Petition Date. Further, the Schedules and the Statement of Financial Affairs reflect, as appropriate, information from the date of formation of the Debtor on July 31, 2017 (the "Formation Date") through the Petition Date. For the avoidance of doubt, the Schedules and the Statement of Financial Affairs do not reflect information from prior to the Formation Date, such as information relating to the Debtor's predecessor entity, Georgia-Pacific LLC, a Delaware limited liability company ("Old GP"), which ceased to exist when the Debtor was formed on the Formation Date. Additional information about the transactions on the Formation Date by which Old GP ceased to exist and the Debtor and New GP were formed can be found in

the *Declaration of Tyler L. Woolson in Support of First Day Pleadings* (Docket No. 2) (the "First Day Declaration") filed on the Petition Date.

4. Amendments and Recharacterization. Notwithstanding the Debtor's commercially reasonable efforts to properly characterize, classify, categorize, designate or include certain claims, assets, executory contracts, unexpired leases and other items reported in the Schedules and the Statement of Financial Affairs, the Debtor nevertheless may have improperly characterized, classified, categorized, designated, included or omitted certain items. Accordingly, the Debtor reserves all of its rights to recharacterize, reclassify, recategorize, redesignate, add or delete items reported in the Schedules and the Statement of Financial Affairs at a later time as is necessary or appropriate in its discretion as additional information becomes available, including, without limitation, whether contracts or leases listed herein were deemed executory or unexpired as of the Petition Date and remain executory and unexpired postpetition. Disclosure of information in one or more Schedules, in the Statement of Financial Affairs or in one or more exhibits or attachments to the Schedules or the Statement of Financial Affairs, even if incorrectly placed, shall be deemed to be disclosed in the correct portion of the Schedules, the Statement of Financial Affairs or any exhibit or attachment thereto.

5. Estimates and Assumptions. The preparation of the Schedules and the Statement of Financial Affairs requires the Debtor to make certain estimates and assumptions that affect the reported values of assets and liabilities, the disclosures of contingent assets and liabilities and other matters. Actual results could differ (perhaps materially) from those estimates included in, or underlying the information in, the Schedules and the Statement of Financial Affairs. In addition, and without limiting any other qualification or limitation herein, certain estimates of value used herein that were provided by third parties are not to be relied upon by other parties for any purpose.

6. Unknown Amounts. The value of certain of the scheduled assets and liabilities is unknown and unliquidated at this time. In such cases, the amounts are listed as "Undetermined," "Unknown" or "Unliquidated." Amounts that are Undetermined, Unknown or Unliquidated may be material. Accordingly, the Schedules and the Statement of Financial Affairs may not accurately reflect the aggregate amount of the Debtor's assets and liabilities.

7. Excluded Assets and Liabilities. The Debtor has excluded certain assets and liabilities that appear in its books and records from the Schedules and the Statement of Financial Affairs, including, without limitation, any potential future rights of the Debtor under the Divisional Merger Support Agreement with New GP. The Debtor also has not attempted to anticipate rejection damage claims of counterparties to executory contracts and unexpired leases that may arise out of future contract or lease rejections, and such potential claims are not reflected in the Schedules and the Statement of Financial Affairs. In addition, certain immaterial assets and liabilities may have been excluded.

The Debtor and its non-debtor direct and indirect subsidiaries, GP Industrial Plasters LLC ("GP Plasters") and Industrial Plasters Canada ULC ("Plasters Canada"), are parties to that certain Second Amended and Restated Cash Pooling Agreement, dated as of November 1, 2017 (the "Cash Pooling Agreement"). The Cash Pooling Agreement provides for the pooling of funds belonging to GP Plasters, Plasters Canada and the Debtor through

the transfer of certain of GP Plasters' and Plasters Canada's cash into the Debtor's bank accounts and the transfer of such cash back to GP Plasters and Plasters Canada in the ordinary course of business. The Bankruptcy Court has approved such cash management practices by an order entered on November 8, 2017 (Docket No. 66) (the "Cash Management Order"). Consistent with the Cash Pooling Agreement and the Cash Management Order, GP Plasters' and Plasters Canada's cash held in the Debtor's bank accounts is not property of the bankruptcy estate. As a result, the Debtor has not listed as an asset non-estate funds held on behalf of its non-debtor affiliates in accordance with the Cash Pooling Agreement and the Cash Management Order. The Debtor similarly has not listed as a liability its offsetting obligation to transfer such funds back to non-debtor affiliates pursuant to the Cash Pooling Agreement.

The Debtor (a) has a contractual obligation to indemnify its non-debtor affiliate, New GP, in the event that New GP is held liable for any of the Debtor's asbestos-related liabilities and (b) likely has common-law obligations to indemnify New GP and other non-debtor affiliates if they are held liable for such liabilities. On November 8, 2017, the Bankruptcy Court entered the *Temporary Restraining Order* (Adversary Proceeding No. 17-3105, Adv. Pro. Docket No. 18) (the "TRO") temporarily enjoining the assertion of any claims against New GP and other non-debtor affiliates identified therein by reference (collectively, the "Protected Parties") relating to the Debtor's asbestos-related liabilities, to the extent that the automatic stay imposed by section 362 of the Bankruptcy Code does not already apply to such actions. The Debtor is seeking a preliminary injunction to enjoin the assertion of any claims against the Protected Parties relating to the Debtor's asbestos-related liabilities, or to find that the automatic stay already applies to such actions. On December 7, 2017, the Court entered an order (Adv. Pro Docket No. 30) (the "Agreed Injunction Order"), in a form agreed upon by the Debtor and the Official Committee of Asbestos Claimants, granting a preliminary injunction on the same terms as the TRO pending a hearing on the Debtor's preliminary injunction request (the "Preliminary Injunction Hearing"). The preliminary injunction under the Agreed Injunction Order currently runs through March 26, 2018, and the Preliminary Injunction Hearing currently is scheduled for March 22, 2018, but could be further adjourned. For all of these reasons, indemnification obligations relating to asbestos-related claims asserted against non-debtor affiliates have not been listed in the Schedules and the Statement of Financial Affairs. Additional detail regarding excluded liabilities is included in the notes to Schedule A/B and Schedule E/F.

8. Liabilities. The Debtor has sought to allocate liabilities between the prepetition and postpetition periods based on the information available and the research conducted in conjunction with the preparation of the Schedules and the Statement of Financial Affairs. As additional information becomes available and further research is conducted, the allocation of certain liabilities between prepetition and postpetition periods may change. Further, the liabilities listed on the Schedules do not reflect any claims under section 503(b)(9) of the Bankruptcy Code (if applicable). The Debtor reserves all of its rights to dispute or challenge the validity, amount or priority of any claims (including any claims under section 503(b)(9) of the Bankruptcy Code, if any are asserted) or the characterization of the structure of any transaction or any document or instrument related to any creditor's claim.

9. Intellectual Property Rights. Any exclusion of intellectual property rights from the Schedules or the Statement of Financial Affairs shall not be construed as an admission that

such intellectual property rights have been abandoned, terminated, assigned, expired by their terms or otherwise transferred pursuant to a sale, acquisition or other transaction.

10. Asset Values. It would be prohibitively expensive, unduly burdensome and time-consuming to obtain current market valuations of the Debtor's assets and interests. Accordingly, to the extent any asset value is listed herein, and unless otherwise noted therein, the Schedules and the Statement of Financial Affairs reflect approximate net book values, rather than current market values. Except as otherwise noted, all asset values and claim values provided herein reflect the Debtor's data as of close of business on November 1, 2017.

11. Currency. All amounts are reflected in U.S. dollars.

12. Causes of Action. The Debtor reserves all of its rights with respect to any cause of action (including avoidance actions), controversy, right of setoff, cross claim, counterclaim or recoupment and any claim, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on or after the Petition Date, in contract or in tort, in law or in equity or pursuant to any other theory of law (collectively, the "Causes of Action") the Debtor may have, and neither these Global Notes nor the Schedules nor the Statement of Financial Affairs shall be deemed a waiver of any claims or Causes of Action or in any way to prejudice or impair the assertion of such claims or Causes of Action.

13. Insiders. Where the Schedules and the Statement of Financial Affairs require information regarding insiders and/or officers and directors, included therein are (a) each of the Debtor's (i) directors (or persons in similar positions) and (ii) seconded employees that are, or were during the relevant period, officers (or persons in control); and (b) certain affiliates of the Debtor. The listing of a party as an insider is not intended to be, nor should it be construed as, a legal characterization of such party as an insider and does not act as an admission of any fact, claim, right or defense, and all such facts, claims, rights and defenses are hereby expressly reserved. Persons and entities listed as "insiders" (including any affiliates of the Debtor) have been included for informational purposes only, and such individuals and entities should not be deemed to be "insiders" for other purposes.

14. Summary of Significant Reporting Policies and Practices. The following conventions were utilized by the Debtor in preparation of the Schedules and the Statement of Financial Affairs:

- (a) Undetermined Amounts. The description of an amount as "unknown," "unliquidated" or "undetermined" is not intended to reflect upon the materiality of such amount.
- (b) Totals. All totals that are included in the Schedules and the Statement of Financial Affairs represent totals of all known amounts only. To the extent there are unknown or undetermined amounts, the actual total may be different from the listed total, and such difference could be material.

- (c) Book Value of Liabilities. Unless otherwise noted therein, the Schedules and the Statement of Financial Affairs reflect the carrying value of the liabilities as listed in the Debtor's books and records.
- (d) Disputed, Contingent and/or Unliquidated Claims. Failure to designate a claim on any of the Schedules or the Statement of Financial Affairs as disputed, contingent and/or unliquidated does not constitute an admission that such claim is not subject to objection. The Debtor reserves the right to dispute, or assert offsets or defenses to, any claim reflected on the Schedules or the Statement of Financial Affairs on any and all available grounds, including the right to dispute the amount, liability, priority, validity, classification or status of any claim.

Specific Disclosures with Respect to the Debtor's Schedules

Schedules Summary. Given, among other things, the uncertainty surrounding the collectability and valuation of certain assets and the valuation and nature of certain liabilities, the Schedules should not be relied upon nor do they constitute an admission regarding the financial status of the Debtor.

Schedule A/B, Part 1/Question 3. *Checking, savings, money market, or financial brokerage accounts.* Prior to the Petition Date, the Debtor issued certain payments by check that initially were identified by Bank of America, N.A. (the "Bank") as having cleared the Debtor's bank accounts prior to the Petition Date, but later were determined not to have cleared the banking system prior to the commencement of the Debtor's bankruptcy case and were reversed by the Bank following the Petition Date (collectively, the "Reversed Checks"). Schedule A/B, Part 1/Question 3 reflects the values of the Debtor's bank accounts as of the Petition Date taking into account the ultimate treatment of the Reversed Checks. As such, the cash value of the Reversed Checks is included in the bank account balances as of the Petition Date even if the Bank's records at that time did not reflect these amounts.

As further described above, the values of the Debtor's bank accounts do not reflect non-estate funds held on behalf of non-debtor affiliates GP Plasters and Plasters Canada pursuant to the Cash Pooling Agreement and the Cash Management Order.

Following the Petition Date, the Debtor invested (a) the entire \$15 million principal balance of its bank account ending in 3199 (the "Segregation Account") and (b) \$2.5 million of the balance of its bank account ending in 1858 (the "Concentration Account") solely in investment vehicles utilizing instruments backed by the full faith and credit of the United States, as provided in the Cash Management Order. Because such investments occurred after the Petition Date, Schedule A/B, Part 1/Question 3 does not reflect those investments.

Schedule A/B, Part 2/Question 8. *Prepayments, including prepayments on executory contracts, leases, insurance, taxes and rent.* Prior to the Petition Date, the Debtor paid retainers ("Retainers") and estimated fee and expense payments ("Estimated Payments") to certain professional firms. Certain of the professional firms applied outstanding actual and estimated fees as of November 1, 2017 to their respective Retainers prior to the filing of

the Debtor's chapter 11 case, or accepted Estimated Payments on account of actual and estimated fees and expenses through November 1, 2017 subject to future reconciliation. The amount of the listed Retainers reflects the remaining Retainer balance, or any identified excess Estimated Payment, of as the Petition Date based on information available at that time. Note, however, that in most cases the professionals were continuing to reconcile their Retainer draws and Estimated Payments against actual incurred fees and expenses as of the Petition Date, and that reconciliation work is ongoing. As such, the amounts listed in response to Schedule A/B, Part 2/Question 8 and in the Debtor's books and records do not necessarily reflect the total amount of remaining Retainers or excess Estimated Payments as of the Petition Date, and these amounts are subject to change upon the professionals' completion of their reconciliation efforts.

Schedule A/B, Part 4/Question 15. Non-publicly traded stock and interests in incorporated and unincorporated businesses, including an LLC, partnership or joint venture. The Debtor owns equity interests in certain direct and indirect subsidiaries. Schedule A/B, Part 4/Question 15 lists the value of the Debtor's direct subsidiary, GP Plasters, as of the Petition Date, which includes the value of GP Plasters' wholly-owned subsidiaries. The estimated fair value of such assets may materially differ from their actual fair market values. For purposes of these Schedules, the Debtor has listed as the value of GP Plasters the unaudited estimated fair value of GP Plasters and its wholly-owned subsidiaries as of July 31, 2017 (i.e., the Formation Date), as determined by the Debtor's management and an external valuation firm utilizing both market and income approaches, as adjusted by the amount of cash on hand. Certain financial data used for the income approach was provided by GP Plasters' management. For certain assets, the book value was used as an estimate of fair value.

The value of GP Plasters listed herein is greater than the value of GP Plasters as of the Formation Date, as identified in the Periodic Report Regarding Value, Operations and Profitability of Entities in Which the Estate of Bestwall LLC Holds a Substantial or Controlling Interest (Docket No. 116) (the "Periodic Report") filed by the Debtor on November 28, 2017. That difference reflects an increase in the amount of cash on hand as of November 1, 2017 as compared to July 31, 2017.

Schedule A/B, Part 9/Question 55. *Any building, other improved real estate, or land which the Debtor owns or in which the Debtor has an interest.* Any property in which the Debtor owns a leasehold interest, but not an ownership interest, has been listed with an undetermined net book value and current value.

Schedule A/B, Part 10/Question 61. *Internet domain names and websites.* The Debtor has listed the purchase price for the value of internet domain names and websites owned by the Debtor.

Schedule A/B, Part 10/Question 67. *Personally identifying information of customers.* The Debtor does not operate a business that provides goods or services to customers and therefore does not collect or retain personally identifying information of customers, as defined in 11 U.S.C. § 101(41A).

Schedule A/B, Part 11/Question 71. *Notes receivable.* The Debtor and New GP are parties to that certain Second Amended and Restated Funding Agreement, dated as of

November 1, 2017 (as amended from time to time, the "Funding Agreement"). Although the Debtor has access to funding under the Funding Agreement, it is neither a note payable nor a note receivable. A description of the Funding Agreement is contained in the First Day Declaration, and a copy of the Funding Agreement is attached thereto as Annex 2. The Funding Agreement is listed as "other property of any kind not already listed" in Schedule A/B, Part 11/Question 77.

Schedule A/B, Part 11/Question 72. *Tax refunds and unused net operating losses (NOLs).* The Debtor is treated as a disregarded entity for federal income tax purposes. As such, the Debtor does not owe or pay federal income taxes and its federal income tax filings are part of a consolidated tax return filed by its ultimate parent company, Koch Industries, Inc. For the same reason, any federal tax refunds or net operating losses are not assets of the Debtor and are not listed in the answer to Schedule A/B, Part 11/Question 72. No other refunds for the 2017 tax year or otherwise have been identified nor are anticipated. As such, the Debtor has included no amounts with respect to refunds or net operating losses in the Schedules.

Schedule A/B, Part 11/Question 73. *Interests in insurance policies or annuities.* The Debtor has an interest in certain insurance policies; however, the applicable insurers of those policies are in liquidation proceedings and the Debtor's rights under those policies have given rise to claims asserted in these liquidation proceedings. The Debtor's interests in these claims have been listed in Schedule A/B, Part 11/Question 74 (for a disputed claim subject to a pending legal proceeding) and Schedule A/B, Part 11/Question 77 (for an undisputed, liquidated claim).

The Debtor has made a diligent attempt to ensure that all policies in which it has an interest, or claims related to such policies, are listed in the Schedules. Any inadvertent failure to list an insurance policy is not an admission by the Debtor with respect to coverage pursuant to such policy. The Debtor reserves its rights to amend these Schedules to add any omitted insurance policies that may be identified in the future.

Schedule A/B, Part 11/Question 74. *Causes of action against third parties (whether or not a law suit has been filed).* In certain jurisdictions, crossclaims between parties to legal actions are deemed to automatically arise under applicable nonbankruptcy law even if not specifically initiated by any party. It would be unduly burdensome for the Debtor to identify all such deemed crossclaims individually. Moreover, unless pursued, such information could be misleading. The Debtor, therefore, has not listed such claims that automatically are deemed to arise under applicable nonbankruptcy law in Schedule A/B, Part 11/Question 74, but has listed available information relating to crossclaims actually pursued by the Debtor or its predecessor in court filings. Certain of the causes of action listed in Schedule A/B, Part 11/Question 74 may have been resolved by the Debtor prior to the Petition Date.

The Debtor has an interest in an insurance policy issued by Ambassador Insurance Company ("Ambassador"), which is in a liquidation proceeding. The Debtor is pursuing a claim in Ambassador's liquidation proceeding, which claim currently is disputed and subject to litigation. The Debtor's action to recover on its claim against Ambassador is listed in Schedule A/B, Part 11/Question 74.

Schedule A/B, Part 11/Question 77. *Other property of any kind not already listed.* As described above and in the First Day Declaration, the Funding Agreement provides the Debtor with access to certain funding in an as-yet undetermined amount. Therefore, the value of the Funding Agreement has been listed in Schedule A/B, Part 11/Question 77 as "undetermined."

The Debtor has an interest in an insurance policy issued by Midland Insurance Company ("Midland"). Midland is in a liquidation proceeding, and the Debtor has a claim in that proceeding, the value of which is undetermined.

Schedule D. *Creditors who have claims secured by property.* The Debtor has not included on Schedule D parties that may believe their claims are secured through setoff rights, deposits posted by or on behalf of the Debtor or inchoate statutory lien rights.

Schedule E/F. *Creditors who have unsecured claims.* Certain of the claims of state and local taxing authorities set forth in Part 1 of Schedule E/F ultimately may be deemed, in whole or in part, to be secured claims pursuant to state or local laws. The Debtor reserves its right to dispute or challenge whether claims owing to various taxing authorities are secured or entitled to priority. The listing of any claim on Schedule E/F does not constitute an admission that such claim is entitled to priority pursuant to section 507 of the Bankruptcy Code.

Due to their volume, the claims identified on Part 2 of Schedule E/F have been listed in a separate attachment thereto (the "Schedule E/F Attachment").

Parties who have asserted asbestos-related claims involving the Debtor (collectively, the "Asbestos Claimants") are listed on Part 2 of Schedule E/F as holders of nonpriority unsecured claims. The Asbestos Claimants have been listed on Schedule E/F with respect to any unsecured claim they may have or assert against the Debtor. The Asbestos Claimants have been identified based on information from a database (the "PACE Database") of all asbestos-related litigation and asserted legal claims involving the Debtor as of December 15, 2017 that was created and is maintained by PACE Claims Services LLC ("PACE"). By an order entered on November 8, 2017 (Docket No. 67), the Bankruptcy Court has authorized service on the Asbestos Claimants in care of their counsel. Therefore, the addresses listed for the Asbestos Claimants in Schedule E/F are the addresses of their identified counsel, if any. Where counsel to Asbestos Claimants maintain offices at more than one address, it would be unduly burdensome to identify the particular office location associated with each Asbestos Claimant. Therefore, in such cases, a single office location has been listed for each law firm representing Asbestos Claimants. A list of all known office locations for each identified law firm, including those with more than one office location, is appended to the Schedule E/F Attachment.

The PACE Database reflects certain claims asserted by Asbestos Claimants for whom (a) counsel has not been identified or (b) the identified counsel has informed the Debtor that such counsel no longer represents the applicable Asbestos Claimant, without identifying new counsel. Generally, the claims for which this is the case have been asserted in lawsuits that have been dormant for an extended period of time, sometimes for 10 or more years. To attempt to identify current counsel, the Debtor made inquiries of its defense counsel in these matters and

defense counsel, if necessary, have reviewed the dockets of dormant cases to the extent available. Where counsel to Asbestos Claimants were identified from these inquiries, they are listed in Schedule E/F. In other cases, reasonable inquiry did not identify any current counsel. Further, the Debtor lacks address information for the Asbestos Claimants or sufficient information to reasonably determine the address of individual Asbestos Claimants in these matters, particularly with respect to matters that have been dormant for extended periods. It would be unduly burdensome and expensive for the Debtor to investigate the current personal address of each such Asbestos Claimant, and the Debtor believes that any such investigation is unlikely to identify accurate current address information in any event. Therefore, where the Debtor has not received a notice of substitution of counsel or identified current counsel through the inquiries described above, and has not been notified of the applicable Asbestos Claimant's address, the Debtor has listed the address of such Asbestos Claimants as "unknown."

Co-defendants in asbestos-related litigation (collectively, the "Asbestos Co-Defendants") have been identified in Schedule H as potential codebtors based on information from a database of all co-defendants in all asbestos-related litigation pending against the Debtor created and maintained by PACE. See note to Schedule H for additional information regarding the Asbestos Co-Defendants. Given the volume of information on Schedule H, the Asbestos Co-Defendants have not been listed again in Schedule E/F, but each Asbestos Co-Defendant identified in Schedule H is hereby deemed to be listed in Schedule E/F, Part 2/Question 3 as having a nonpriority claim (a) in an undetermined amount, (b) that is contingent, unliquidated and disputed and not subject to offset and (c) that was incurred on an undetermined date.

In addition, the Debtor has listed the following parties on Schedule E/F: (a) parties that may hold or assert indemnification claims against the Debtor; (b) all ordinary course professionals of the Debtor; and (c) in Schedule E/F Part 3, certain parties in interest and parties whose counsel have filed a Notice of Appearance in the Debtor's chapter 11 case, and who are not otherwise listed in the Schedules or the Statement of Financial Affairs. Identification of any of the foregoing parties on Schedule E/F (including the deemed inclusion of the Asbestos Co-Defendants) is not intended, and shall not be deemed, to constitute an admission of any claim of, or obligation of the Debtor to, such parties.

The listing by the Debtor of any account between the Debtor and a non-debtor affiliate is a statement of what appears in the Debtor's books and records and does not reflect any admission or conclusion of the Debtor regarding the allowance, classification, character, validity or priority of such account. Any intercompany accounts remain subject to further review by the Debtor.

Schedule E/F does not include certain deferred charges, deferred liabilities, accruals or general reserves. Such amounts may be reflected on the Debtor's books and records as required in accordance with GAAP. Accruals are general estimates of liability and may not represent specific claims as of the Petition Date.

Schedule G. *Executory contracts and unexpired leases.* Although the Debtor's existing books and records have been relied upon to identify and schedule executory contracts and unexpired leases, and diligent efforts have been made to ensure the accuracy of Schedule G, inadvertent errors, omissions or over-inclusions may have occurred. Certain contracts and leases

identified on Schedule G were entered into before the Formation Date and show Old GP as the original counterparty. Each of these contracts or leases was allocated to the Debtor upon its formation.

Schedule G lists certain amended and restated agreements with affiliates of the Debtor. These agreements originally were entered into and effective on the Formation Date, July 31, 2017, or another prepetition date and were amended and restated over time, as necessary and appropriate, including most recently on November 1, 2017, to reflect certain corporate name changes and other updates to the agreements.

The identification of a contract, agreement or lease in Schedule G does not constitute an admission that such contract, agreement or lease is an executory contract or unexpired lease or that such contract, agreement or lease was effective as of the Petition Date or is valid or enforceable. The Debtor reserves all of its rights with respect to the contracts, agreements and leases identified in Schedule G, including, without limitation, the Debtor's rights to dispute the validity, status or enforceability of any contracts, agreements or leases and to amend or supplement Schedule G as necessary.

Certain of the items reflected on Schedule G may contain renewal options, purchase options, rights of first refusal and other miscellaneous rights. Such rights, powers, duties and obligations are not separately set forth on Schedule G. The Debtor hereby expressly reserves the right to assert that, or challenge whether, any item listed on Schedule G is an executory contract or unexpired lease within the meaning of section 365 of the Bankruptcy Code. In addition, the Debtor reserves all of its rights, claims and causes of action with respect to claims associated with any contracts and agreements listed on the Schedules, including Schedule G, including its right to dispute or challenge the characterization or the structure of any transaction, document or instrument (including any intercompany agreement).

Certain agreements, including corporate constituent documents and confidentiality agreements, have not been listed on Schedule G. The Debtor reserves all rights with respect to such agreements. Omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. The Debtor's rights under the Bankruptcy Code with respect to any such omitted contracts or agreements are not impaired by the omission.

Because the Funding Agreement requires New GP to provide certain funding to the Debtor without any corresponding repayment obligation by the Debtor, the Funding Agreement has not been listed on Schedule G. The Debtor nevertheless reserves all rights with respect to the Funding Agreement.

Certain of the contracts and agreements listed on Schedule G may consist of several parts that may not be listed on Schedule G or that may be listed as a single entry. Unless otherwise specified in Schedule G, each executory contract or unexpired lease identified therein shall include all exhibits, schedules, riders, statements of work, modifications, declarations, amendments, supplements, attachments, restatements or other agreements made directly or indirectly by any agreement, instrument or other document that in any manner affects such

executory contract or unexpired lease, without respect to whether such agreement, instrument or other document is listed therein.

In some cases, the same counterparty appears multiple times in Schedule G. This multiple listing is intended to reflect distinct agreements between the Debtor and such counterparty.

Schedule H. Codebtors. Listing a possible co-obligor on Schedule H does not, is not intended to and shall not be deemed to constitute an admission that such party is liable on any obligation of the Debtor. The Debtor and all parties listed in Schedule H each reserve all rights to challenge whether any party listed therein has any liability as a co-obligor. The rights, claims and causes of action of the Debtor, any co-obligor and all listed parties with respect to the matters referenced on Schedule H are hereby reserved and fully preserved.

Due to their volume, the parties identified on Schedule H have been listed in a separate attachment thereto.

The Debtor has listed Asbestos Co-Defendants on Schedule H based on (a) information provided by PACE regarding co-defendants in asbestos-related litigation pending against the Debtor and (b) information available from other sources. Whether an Asbestos Co-Defendant may be liable for asbestos-related liabilities of the Debtor as a co-debtor depends on, among other things, the specific facts of a particular potential claim and applicable nonbankruptcy law. It would be unduly burdensome and expensive to seek to identify which Asbestos Co-Defendants may be co-obligors on any particular liability. In any event, any such exercise would necessarily be incomplete and potentially misleading because information needed to make a complete assessment would require access to information that is not available, including information about future litigation outcomes that cannot be predicted. In addition, it would be unduly burdensome to identify the applicable case number, plaintiff or plaintiffs, court and court address for each Asbestos Co-Defendant's potential claim.

Prior to the Petition Date, the Debtor did not maintain records in the ordinary course identifying the addresses of Asbestos Co-Defendants. Nonetheless, the Debtor has made an effort to identify the addresses of Asbestos Co-Defendants where possible prior to filing the Schedules and the Statement of Financial Affairs. The Debtor reserves the right to supplement the name and address information of the Asbestos Co-Defendants listed in Schedule H as additional names and/or addresses of potential Asbestos Co-Defendants are identified.

Despite the obligation of New GP to provide certain funding to the Debtor pursuant to the Funding Agreement, New GP has not been identified as a codebtor on any liabilities of the Debtor and therefore has not been listed on Schedule H. Further, because parties entitled to indemnification by the Debtor are not codebtors on account of such indemnification rights, such parties have not been listed on Schedule H.

Specific Disclosures with Respect to the Debtor's Statement of Financial Affairs

Part 1/Question 1. Gross revenue from business. Revenues relating to the Debtor's leasing of certain real property are listed in the Statement of Financial Affairs ("SOFA") Part 1/Question 1. All other revenues received by the Debtor are represented in SOFA

Part 1/Question 2 regarding "Non-Business Revenue." During the applicable period, the Debtor did not receive any revenue on account of its ownership of GP Plasters and its subsidiaries.

Part 1/Question 2. *Non-business revenue.* The Debtor has received certain revenue on account of services provided to its non-debtor affiliates, Georgia-Pacific Gypsum LLC and GP Industrial Plasters LLC, as reflected in SOFA Part 1/Question 2. In addition, the Debtor has received \$9,930.00 in income (the "New GP Services Income") from New GP on account of services provided under a services agreement between the Debtor, as provider, and New GP, as recipient. Because the New GP Services Income was set off against the Debtor's payment obligations to New GP under other intercompany agreements, the New GP Services Income is listed with a \$0.00 value. Similarly, payments made to New GP on account of intercompany agreements reflect such setoff. See the note to SOFA Part 2/Question 4.

Part 2/Question 3. *Certain payments or transfers to creditors within 90 days before filing this case.* In SOFA Part 2/Question 3, disbursements made on account of multiple invoices may be reflected as a single payment. Additionally, payments shown in SOFA Part 2/Question 3 do not include (a) payments to professionals related to the Debtor's chapter 11 case, which are listed separately in SOFA Part 6/Question 11; or (b) payments made for the benefit of an insider, which are listed separately in SOFA Part 2/Question 4. In addition, the amount of certain settlement payments are subject to confidentiality restrictions and are not disclosed. These payments are identified by the phrase "confidential settlement amount."

Part 2/Question 4. *Payments or other transfers of property made within 1 year before filing this case that benefited any insider.* Where mutuality exists between intercompany parties (receivable and payable to and from the same legal entities), the information presented is on a net basis. As described above, the information presented reflects payments and transfers of property since the Formation Date. See also global note 13.

Part 3/Question 7. *Legal actions, administrative proceedings, court actions, executions, attachments, or governmental audits.* The Debtor's records regarding actions and other proceedings initiated against it are organized by reference to the individual claimants involved. Actions initiated by multiple plaintiffs or claimants therefore may appear multiple times within the Debtor's records. The Debtor has made reasonable efforts to remove duplicate entries for each matter listed in SOFA Part 3/Question 7. Nonetheless, certain matters may have been inadvertently listed more than once. The matters listed in SOFA Part 3/Question 7 do not include actions or proceedings commenced against the Debtor after the Petition Date in violation of the automatic stay. Due to their volume, the matters identified in SOFA Part 3/Question 7 have been listed on a separate attachment (the "Statement of Financial Affairs Part 3/Question 7 Attachment").

Part 6/Question 11. *Payments related to bankruptcy made within 1 year before the filing of this case.* Payments made by the Debtor to attorneys and other professionals since the Formation Date are listed in SOFA Part 6/Question 11. Such information includes payments on account of Retainers for which there are some remaining balances as of the Petition Date. See note to Schedule A/B, Part 2/Question 8 for additional information regarding payment of professional retainers.

Certain professionals provided both bankruptcy-related and non-bankruptcy related services. For completeness, the figures presented in SOFA Part 6/Question 11 include all payments made by or on behalf of the Debtor to professionals advising the Debtor with respect to bankruptcy-related issues, and therefore include certain amounts related to professional advice for non-bankruptcy matters. The Debtor did not attempt to delineate in SOFA Part 6/Question 11 the payments to such professionals related only to advice on bankruptcy issues or to separately account for invoices for non-bankruptcy services, which in some cases would require additional analysis.

Part 6/Question 13. *Transfers not already listed on this statement made by the Debtor within 2 years before the filing of this case.* Reasonable efforts have been made to identify any transfers of property outside of the ordinary course of business since the Formation Date. No such transfers were identified.

Part 9/Question 16. *Personally identifiable information of customers.* See note to Schedule A/B, Part 10/Question 67.

Part 10/Question 20. *Off-premises storage of property.* In addition to the off-premises storage of the Debtor's property, the Debtor has listed the off-premises storage of certain physical and electronic data by third parties in SOFA Part 10/Question 20. Certain third parties also have arranged for off-premises storage on behalf of the Debtor. In addition, the Debtor retains approximately 35 law firms in the ordinary course of business as defense counsel in asbestos-related matters and several consultants on asbestos-related matters (collectively, the "Asbestos-Related Counsel and Consultants"). The Asbestos-Related Counsel and Consultants have been identified on Schedule E/F and Schedule G. Some of the Asbestos-Related Counsel and Consultants store physical and electronic documents and other information relating to asbestos-related claims on behalf of the Debtor in the ordinary course of their business. Such storage has not been separately identified in SOFA Part 10/Question 20.

Part 11/Question 21. *Property held for another.* As described above, the Debtor holds certain cash assets on behalf of non-debtor affiliates GP Plasters and Plasters Canada pursuant to the Cash Pooling Agreement and the Cash Management Order. These amounts include, as applicable, an estimate of one day of accrued interest for November 1, 2017. The estimated interest amount is 1/30th of the total amount of interest accrued in November 2017.

Part 13/Question 25. *Other businesses in which the Debtor has or has had an interest.* The Debtor owns a 100% interest in GP Plasters, which develops, manufactures, sells and distributes gypsum plaster products. GP Plasters, in turn, owns 100% ownership interests in (a) Blue Rapids Railway Company LLC and (b) Plasters Canada. Blue Rapids Railway Company LLC operates a short line railway associated with GP Plasters' Blue Rapids, Kansas facility. Plasters Canada holds certain assets that are located in Canada for the benefit of GP Plasters' plaster business.

Part 13/Question 30. *Payments, distributions, or withdrawals credited or given to insiders.* See the response to SOFA Part 2/Question 4 for this information.
