5. The procedures for the solicitation and tabulation of votes on the Plan are set forth in the *Order (I) Approving the Adequacy of the Disclosure Statement, (II) Approving the Solicitation and Notice Procedures with Respect to Confirmation of the Debtors’ Proposed*

³ There were no holders of Subordinated Securities Claims as of the Voting Record Date.

Second Amended Joint Plan of Reorganization, (III) Approving the Forms of Ballots and Notices in Connection therewith, (IV) Approving the Rights Offering Procedures and Related Materials, (V) Scheduling Certain Dates with Respect Thereto, and (VI) Granting Related Relief [Docket No. 720] (the “**Disclosure Statement Order**”). DRC was instructed to solicit, review, determine the validity of, and tabulate Ballots submitted to vote for the acceptance or rejection of the Plan by the holders of Claims in the Voting Classes in accordance with the Disclosure Statement Order.

6. On or around November 11, 2016, DRC posted links on the Debtors’ restructuring website maintained by DRC at <http://www.donlinrecano.com/cjenergy> to provide parties with access to, among other documents, copies of the Plan, the *Disclosure Statement Relating to the Second Amended Joint Chapter 11 Plan of Reorganization of CJ Holding Co., et al., Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. 684], the Disclosure Statement Order, and the Amended Confirmation Hearing Notice.

7. In accordance with the Disclosure Statement Order, on November 11, 2016, DRC caused Solicitation Packages to be distributed to holders of Claims and Interests in the Voting Classes as of the Voting Record Date. DRC filed the *Affidavit of Donlin, Recano and Company, Inc. Regarding Service of Solicitation Packages with Respect to Disclosure Statement Relating to the Second Amended Joint Plan of Reorganization of CJ Holding Co., Et Al., Pursuant to Chapter 11 of the Bankruptcy Code* (the “**Affidavit of Service**”) dated November 16, 2016 [Docket No. 793], the Amended and Supplemental *Affidavit of Donlin, Recano and Company, Inc. Regarding Service of Solicitation Packages with Respect to Disclosure Statement Relating to the Second Amended Joint Plan of Reorganization of CJ Holding Co., Et Al., Pursuant to Chapter 11 of the Bankruptcy Code* dated November 22, 2016 [Docket No. 828],

and the Second Supplemental *Affidavit of Donlin, Recano and Company, Inc. Regarding Service of Solicitation Packages with Respect to Disclosure Statement Relating to the Second Amended Joint Plan of Reorganization of CJ Holding Co., Et Al., Pursuant to Chapter 11 of the Bankruptcy Code* dated November 30, 2016 [Docket No.951]

8. Pursuant to Agreed Order [Docket No. 838], on the 1st day of December 2016, DRC acting under my supervision caused to serve the Solicitation Package via FedEx to Baker Receivables Solutions LLC, Zukowski Bresenhan LLP, 1177 West Loop South #1100, Houston, TX 77027.

II. General Tabulation Process

9. As specified in the Disclosure Statement Order, November 8, 2016 (the “**Voting Record Date**”) was established as the record date for determining the holders of Claims and Interests in the Voting Classes who would be entitled to vote to accept or reject the Plan.

10. Pursuant to the Disclosure Statement Order, DRC relied on the following information to identify and solicit holders of Claims and Interests in the Voting Classes: (a) the *Schedules of Assets and Liabilities* filed with the Court by the Debtors on September 2, 2016 [Docket Nos. 312-40]; (b) the claims information DRC obtained from the Court website and the unofficial claims register maintained by DRC as of November 8, 2016; (c) claims information pertaining to the Debtors’ chapter 11 case as reflected in DRC’s internal database to which this information was loaded; (d) a lender list for holders of Secured Lender Claims provided by Cortland, Administrative Agent; and (e) a common stock position report provided by Depository Trust Clearing Corporation. Using this information, and with guidance from the Debtors and their advisors, DRC created a voting database reflecting the name, address, voting amount, and

classification of Claims and Interests in the Voting Classes. Using this voting database, DRC generated Ballots for holders of Claims and Interests entitled to vote to accept or reject the Plan.

11. Ballots returned by mail, hand delivery, or overnight delivery were received by personnel of DRC at its office in Brooklyn, New York. Ballots received by DRC were processed in accordance with the Disclosure Statement Order. Upon receiving Ballots, DRC took the following actions:

- a. The envelopes containing the Ballots were opened, and the contents were removed and stamped with the date and time received. Each Ballot was then scanned into DRC's system and sequentially numbered (the "**Sequence Number**");
- b. The E-mails with the Ballots attached were opened, and a copy of the Ballot and the E-mail were printed in hard copy. Each Ballot was then scanned into DRC's system with the Sequence Number; and
- c. DRC then entered into a computer database all pertinent information from each of the Ballots, including among other things, the date and time the Ballot was received, the Sequence Number, the voting dollar or interest amount, whether the creditor submitting the Ballot elected to be in Class 6 from Class 5, or to be in Class 5 from Class 6, and whether the creditor submitting the Ballot voted to accept or reject the Plan.

12. In order for a Ballot to be counted as valid, the Ballot must have been properly completed in accordance with the Disclosure Statement Order and executed by the relevant holder, or such holder's authorized representative, and must have been actually received by DRC by 4:00 p.m. (prevailing Central Time) on December 9, 2016 (the "**Voting Deadline**"). All Ballots were to be delivered to DRC as follows: (a) if by hand delivery or overnight courier, to Donlin, Recano & Company, Inc., Re: CJ Holding Co., et al., Attn: Voting Department, 6201 15th Avenue, Brooklyn, New York 11219; (b) if by regular mail, to Donlin, Recano & Company,

Inc., Re: CJ Holding Co., Attn: Voting Department, P.O. Box 192016, Blythebourne Station, Brooklyn, New York 11219 or (c) by E-mail, to CJEnergyVote@DonlinRecano.com.

13. All validly executed Ballots cast by holders of Claims and Interests in the Voting Classes received by DRC on or before the Voting Deadline were tabulated as outlined in the Disclosure Statement Order.

14. DRC is in possession of the Ballots received by it, and copies of the same are available for review during DRC's normal business hours at 6201 15th Avenue, Brooklyn, New York 11219.

III. Master Ballot Voting Procedures

15. The following additional procedures were used in tabulating the votes of Class 9 Interests in C&J Energy from Master Ballots:

- a. The Voting Record Date was used as the record date for determining the identity of beneficial holders (the "**Beneficial Holders**") of the Interests in C&J Energy eligible to vote on the Plan, and the Interests amounts at which they were entitled to vote.
- b. As further described in the DRC's Affidavits of Service dated November 16, 2016 [Docket No. 793], DRC caused the appropriate number of sets of Solicitation Packages to be delivered to each nominee holder or its agent (the "**Nominee Holders**") of the Interests in C&J Energy as of the Voting Record Date. Each Nominee Holder caused to be mailed a Solicitation Package to each of its Beneficial Holders for whom it held Interests in C&J Energy as of the Voting Record Date.
- c. Any Ballot received by DRC which purported to vote a Beneficial Holder's Interests and which was neither (i) a Master Ballot nor (ii) validated by the applicable Nominee Holder thereof in a manner consistent with the Disclosure Statement Order, was excluded from the Final Tabulation Results (defined below).
- d. Votes cast by Beneficial Holders through Nominee Holders were applied to the positions held by such Nominee Holders in each of the Voting Classes as of the Voting Record Date, and as evidenced by the Security Position Report generated by the Depository Trust Company. Votes submitted by Nominee Holders, whether pursuant

to a Master Ballot or pre-validated Beneficial Ballot, were not counted in excess of the amount of Interests held by such Nominee Holder under the same CUSIP number as of the Voting Record Date.

- e. For purposes of tabulating votes, each voting Beneficial Holder was deemed to have voted the principal amount of its Interests in C&J Energy, and the Final Tabulation Results do not reflect any further adjustment to the voting amounts reported on Master Ballots or pre-validated Ballots. The Voting Results

16. The results of the aforesaid tabulation of properly executed Ballots received on or before the Voting Deadline are set forth below and in the report annexed hereto as **Exhibit A** (the “Final Tabulation Results”).
