

The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States, nor are they intended to be fully reconciled with the financial statements of each Debtor (whether publicly filed or otherwise). Additionally, the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment, and reflect the Debtors' reasonable efforts to report the assets and liabilities of each Debtor on an unconsolidated basis.

In preparing the Schedules and Statements, the Debtors relied upon information derived from their books and records that was available at the time of such preparation. Although the Debtors have made reasonable efforts to ensure the accuracy and completeness of such financial information, inadvertent errors or omissions, as well as the discovery of conflicting, revised, or subsequent information, may cause a material change to the Schedules and Statements.

The Debtors and their officers, employees, agents, attorneys, and financial advisors do not guarantee or warrant the accuracy or completeness of the data that is provided in the Schedules and Statements and shall not be liable for any loss or injury arising out of or caused in whole or in part by any act or omission, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained in the Schedules and Statements. Except as expressly required by the Bankruptcy Code, the Debtors and their officers, employees, agents, attorneys, and financial advisors expressly do not undertake any obligation to update, modify, revise or re-categorize the information provided in the Schedules and Statements or to notify any third party should the information be updated, modified, revised, or re-categorized.

The Schedules and Statements have been signed by an authorized representative of each Debtor. In reviewing and signing the Schedules and Statements, this representative relied upon the efforts, statements, and representations of the Debtors' other personnel and professionals. The representative has not (and could not have) personally verified the accuracy of each such statement and representation, including, for example, statements and representations concerning amounts owed to creditors and their addresses. **Neither the Schedules and Statements, nor the Global Notes, should be relied upon by any persons for information relating to current or future financial conditions, events, or performance of the Debtors.**

### Global Notes and Overview of Methodology

1. **Reservation of Rights.** Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, inadvertent errors or omissions may exist. The Debtors reserve all rights to amend or supplement the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate (including, without limitation, (a) the right to amend the Schedules and Statements with respect to a claim ("Claim") description, designation, or Debtor against which the Claim is asserted; (b) dispute or otherwise assert offsets or defenses to any Claim reflected in the Schedules and Statements as to amount, liability, priority, status, or classification; (c) subsequently designate any Claim as "disputed," "contingent," or "unliquidated;" and/or (d) object to the extent, validity, enforceability, priority, or avoidability of any Claim). Any failure to designate a Claim in the Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtors that such Claim or amount is not "disputed," "contingent," or

“unliquidated.” Listing a Claim does not constitute an admission of liability by the Debtor against which the Claim is listed or against any of the Debtors. Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to the Debtors’ chapter 11 cases, including, without limitation, issues involving Claims, substantive consolidation, defenses, equitable subordination, recharacterization, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph. The actual value for any asset or liability may be different than what is reflected in the Debtors’ books and records or the Schedules and Statements, and the Debtors reserve the right to have the Bankruptcy Court determine such value.

2. **Confidential Information.** There may be instances in the Schedules and Statements where the Debtors deemed it necessary and appropriate to redact from the public record information such as names, addresses or amounts. Typically, the Debtors have used this approach because of (a) an agreement between the particular Debtor and a third party, (b) concerns of confidentiality, or (c) concerns for the privacy of an individual. The addresses of current and former employees, including directors and officers, have been removed from entries listed on certain of the Schedules and Statements, where applicable. The Debtors will mail any required notice or other documents to the address listed in their books and records for such parties. In addition, the Debtors may be parties to executory contracts with confidentiality provisions and, where applicable, such confidential information has not been included in the Schedules and Statements.
3. **Description of Cases and “As Of” Information Date.** On May 23, 2018 (the “Petition Date”), each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors continue to operate their business and manage their properties as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. The Debtors’ chapter 11 cases are being jointly administered pursuant to Bankruptcy Rule 1015(b). The Debtors’ assets and liabilities are reported as of the Petition Date.
4. **Net Book Value of Assets.** It would be prohibitively expensive, unduly burdensome, and an inefficient use of estate assets for the Debtors to obtain current market valuations for each of their assets. Accordingly, unless otherwise indicated, the Schedules and Statements reflect the net book value of the Debtors’ assets as of the Petition Date. Furthermore, as applicable, assets that have fully depreciated or were expensed for accounting purposes may not be reflected in the Schedules and Statements as they have no net book value. The Debtors reserve their right to amend or adjust the value of each asset or liability set forth in the Schedules and Statements.

**Recharacterization.** Notwithstanding the Debtors’ reasonable efforts to properly characterize, classify, categorize, or designate certain Claims, assets, executory contracts, unexpired leases,, postemployment benefits, and other items reported in the Schedules and Statements, the Debtors may, nevertheless, have improperly characterized, classified, categorized, designated, or omitted certain items. Accordingly, the Debtors reserve all of their rights to recharacterize, reclassify, recategorize, re-designate, add, or delete items reported in the Schedules and Statements at a

later time as is necessary or appropriate as additional information becomes available. Specifically, as the Debtors do not maintain their books and records on a legal entity basis, despite efforts to list the applicable asset or liability on the schedules of Debtors Spirit Lodge and San Cristobal, it may ultimately be determined that assets or liabilities of these entities may be listed on the schedules of TRS Behavioral Care, Inc. or vice versa.

5. **Real Property and Personal Property-Leased.** In the ordinary course of their business, the Debtors lease real property, and lease various articles of personal property from certain third-party lessors. The Debtors have made reasonable efforts to list all such leases in the Schedules and Statements. However, nothing in the Schedules or Statements is or shall be construed as an admission or determination as to the legal status of any lease (including whether to assume and assign or reject such lease or whether it is a true lease or a financing arrangement), and the Debtors reserve all of their rights with respect to all such issues.
6. **Excluded Assets and Liabilities.** The Debtors have sought to allocate assets and liabilities between the prepetition and post-petition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and post-petition periods may change.

The liabilities listed on the Schedules do not reflect any analysis of Claims under section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtors reserve all of their rights to dispute or challenge the validity of any asserted Claims under section 503(b)(9) of the Bankruptcy Code or the characterization of the structure of any such transaction or any document or instrument related to any creditor's Claim.

In certain instances, immaterial assets not included in the Debtors' books and records may have been excluded.

The Bankruptcy Court has authorized the Debtors to pay, in their discretion in the ordinary course of business, certain prepetition Claims on a post-petition basis. These schedules reflect such claims without reduction for post-petition payments on such claims. However, to the extent a claim has already been paid with respect to a pre-petition claim, future disbursements on account of such claim will take into account and will be reduced by any post-petition payments already made with respect to such claim.

7. **Insiders.** The parties identified as "insiders" have been included for informational purposes only. The Debtors do not take any position with respect to: (a) such person's influence over the control of the Debtors; (b) the management responsibilities or functions of such individual; (c) the decision-making or corporate authority of such individual; or (d) whether such individual could successfully argue that he or she is not an "insider" under applicable law, including, without limitation, the federal securities laws or with respect to any theories of liability or for any other purpose. Further, the inclusion of a party as an "insider" is not an acknowledgement or concession that such party is an "insider" for purposes of section 101(31) of the Bankruptcy Code.

8. **Intellectual Property Rights.** The exclusion of any intellectual property shall not be construed as an admission that such intellectual property rights have been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction. Accordingly, the Debtors reserve all of their rights with respect to the legal status of any and all such intellectual property rights.
9. **Executory Contracts and Unexpired Leases.** Although the Debtors have made diligent attempts to attribute executory contracts and unexpired leases to the counterparties to such agreements, in certain instances, the Debtors may have inadvertently failed to do so. Accordingly, the Debtors reserve all of their rights with respect to the legal status of any and all such contracts and leases.

Moreover, the Debtors have not set forth executory contracts and unexpired leases as assets in the Schedules and Statements, even though these contracts and leases may have some value to the Debtors' estates.

10. **Materialman's/Mechanic's Liens.** The assets listed in the Schedules and Statements are presented without consideration of any materialman's, or mechanic's liens.
11. **Classifications.** Listing a Claim, contract or lease on (a) Schedule D as "secured," (b) Schedule E/F, Part 1 as "priority unsecured," (c) Schedule E/F, Part 2 as "Non-priority unsecured," or (d) Schedule G as "executory" or "unexpired," does not constitute an admission by the Debtors of the legal rights of the claimant, or a waiver of the Debtors' rights to recharacterize or reclassify such Claims or contracts or leases or to setoff against such Claims.
12. **Causes of Action.** Despite their reasonable efforts to identify all known assets, the Debtors may not have listed all of their causes of action or potential causes of action against third parties (collectively, "Causes of Action") as assets in the Schedules and Statements, including, without limitation, causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. The Debtors reserve all of their rights with respect to any: (a) cause of action (including avoidance actions), (b) controversy, (c) right of setoff, (d) cross-claim, (e) counterclaim, (d) recoupment, and (e) any Claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law, or in equity, or pursuant to any other theory of law they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any Claims or Causes of Action or in any way prejudice or impair the assertion of such Claims or Causes of Action.
13. **Intercompany Accounts and Claims.** In the ordinary course of business, the Debtors engage in routine business relationships with non-Debtor affiliates (the "Intercompany Transactions") resulting in intercompany receivables and payables, which are described more

fully in the Debtors' "first-day" cash management motion [*see* Docket No. 16]. Intercompany payables and receivables among the Debtors and its non-Debtor affiliates are reported on a net basis and at book value in Schedule AB77 and Schedule F, as applicable. Intercompany transfers between the Debtors and non-Debtor affiliates are set forth on Statement 4. The listing of any amounts with respect to such receivables and payables is not and shall not be construed as an admission of the characterization of such balances as debt, equity or otherwise. Furthermore, the listing of these amounts is not necessarily indicative of the ultimate recovery, if any, on any intercompany asset account or the impairment or Claim status of any intercompany liability account. Intercompany payables and receivables also may be subject to set off, recoupment, and netting not reflected in the Schedules and Statements. The Debtors reserve all rights to later change the characterization, classification, categorization or designation of intercompany accounts reported in the Schedules and Statements.

**14. Summary of Significant Reporting Policies.** The following is a summary of significant reporting policies:

- a. Undetermined Amounts. The description of an amount as "unknown," "TBD," "undetermined," or similar indication is not intended to reflect upon the materiality of such amount.
- b. Totals. All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total.
- c. Liens. The value of assets listed in the Schedules and Statements are presented without consideration of any liens that may attach (or have attached) to such property and equipment.

**15. Currency.** All amounts are reflected in U.S. dollars.

**16. Net Operating Losses ("NOLs").** The value of the NOLs scheduled by the Debtors is unknown as it depends on the amount and timing of future taxable income against which the NOLs may be applied, on the form any restructuring may take, as well as on the application of various tax rules limiting the use of the NOLs.

### **Specific Disclosures with Respect to the Schedules**

#### **Schedule A/B.**

**Schedule A/B, Part 1, Question 3.** Cash values held in financial accounts are listed on Schedule A/B, Part 1, Question 3, as of the Petition Date.

**Schedule A/B, Part 3, Questions 11a, 11b.** The Debtors have included estimates in their response to question 11a and 11b in certain instances where accounts receivable aging information by legal entity was not readily available.

**Schedule A/B, Part 4, Question 15.** The value of ownership interests in subsidiaries have been listed in Schedule A/B, Part 4, Question 15, as undetermined.

**Schedule A/B, Part 5, Question 22.** The Debtors expense supplies as incurred including the cost of certain books of de minimis value that are sold in the bookstore at its Ranch location.

**Schedule A/B, Part 11, Questions 39, 41.** The Debtors do not separately track furniture from equipment. Therefore furniture, as applicable, is listed in response to Question 41 (equipment).

**Schedule A/B, Part 11, Questions 74-75.** The Debtors' failure to list any contingent and/or unliquidated Claim or Cause of Action held by the Debtors in response to this question shall not constitute a waiver, release, relinquishment, or forfeiture of such Claim or Cause of Action.

**Schedule D.** The Debtors may not have included on Schedule D all parties that may believe their Claims are secured through setoff rights, mechanic's liens, or other lien rights. Filings under the Uniform Commercial Code are reflected on Schedule D.

**Schedule E/F, Part 1.** The listing of any Claim on Schedule E/F does not constitute an admission by the Debtors that such Claim is entitled to priority treatment under section 507 of the Bankruptcy Code. The Debtors reserve their right to dispute the priority status of any Claim on any basis.

**Schedule E/F, Part 2.** In the ordinary course of business, the Debtors receive requests for refunds or return of overpayments. These refunds are not separately listed on the Debtors' schedules but are more fully described in the Motion of Debtors for Entry of an Order Authorizing the Debtors to (i) Maintain, Administer, and Modify Client Refund Programs and Practice, and (ii) Honor Obligations related thereto [Docket No. 82].

**Schedule E/F, Part 2.** The Debtors have used reasonable efforts to report all general unsecured Claims against the Debtors on Schedule E/F, based upon the Debtors' books and records as of the Petition Date.

Although reasonable efforts have been made to identify the date each Claim on Schedule E/F was incurred or arose, the Debtors cannot guarantee the information is entirely inclusive and inadvertent errors or omissions, as well as the discovery of conflicting, revised, or subsequent information, may arise which may uncover claims hereto unscheduled.

**Schedule G.** Although reasonable efforts have been made to ensure the accuracy of each contract or other agreement listed on Schedule G, inadvertent errors may have occurred. Certain

information, such as the contact information of the counterparty, may not be included where such information could not be obtained using the Debtors' reasonable efforts.

Listing a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease that was in effect on the Petition Date or is valid or enforceable. The Debtors hereby reserve all of their rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth on Schedule G and to amend or supplement Schedule G as necessary. Certain of the contracts and leases listed on Schedule G may contain certain renewal options, guarantees of payment, indemnifications, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties, and obligations are not set forth separately on Schedule G. Certain confidentiality and non-disclosure agreements may not be listed on Schedule G. The Debtors reserve all of their rights with respect to such agreements.

Certain of the contracts and other agreements listed on Schedule G may consist of several parts, including purchase orders, amendments, restatements, waivers, letters, and other documents that may not be listed on Schedule G or that may be listed as a single entry. In some cases, the same supplier or provider appears multiple times on Schedule G. This multiple listing may reflect distinct agreements between the applicable Debtor and such supplier or provider, or may reflect a series of related agreements.

The Debtors reserve all of their rights, Claims and Causes of Action with respect to the contracts and other agreements listed on Schedule G, including the right to dispute or challenge the characterization of any transaction or any document or instrument related to a creditor's Claim or its relationship with the Debtors.

Omission of a contract or other agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. The Debtors' rights under the Bankruptcy Code with respect to any such omitted agreements are not impaired by the omission. Schedule G may be amended at any time to add any omitted contract or other agreement.

The listing of any contract or other agreement on Schedule G does not constitute an admission by the Debtors as to the validity of such contract or agreement or that such agreement is an executory contract or unexpired lease. The Debtors reserve all of their rights to dispute the effectiveness of any such contract or agreement listed on Schedule G or to amend Schedule G at any time to remove any contract or agreement.

The Debtors enter into executory contracts with patients which contracts are not listed on Schedule G for protection of patient confidentiality. These contracts are typically short-term the Debtors expect that most of their pre-petition patient contracts have expired on their own terms.

**Schedule H.** In the ordinary course of their business, the Debtors may be involved in pending or threatened litigation or Claims. These matters may involve multiple plaintiffs, claimants, and defendants, some or all of whom may assert cross-Claims and counter-Claims against other parties, and some of which may be co-obligors with, contributors to, or indemnitors of, the Debtors. Because all such Claims are contingent, disputed, or unliquidated, such Claims have

not been set forth individually on Schedule H. Litigation matters can be found on each Debtor's Schedule A/B, Part 11 and Statement, Part 3, as applicable.

**Specific Disclosures with Respect to the Statements**

**Part 3, Question 7.** The Debtors have used reasonable efforts to report all legal actions, proceedings, investigations, arbitrations, mediations, and audits by federal or state agencies in which the Debtors were involved in any capacity within one year before the Petition Date.

**Part 6, Question 11.** Payments made on behalf of all Debtors appear in response to Question 11 for EBH Holding Company, Inc.

**Part 12, Questions 22-24.** The Debtors have made best efforts to respond with respect to environmental notices, however, the Debtors do not separately track such notices and therefore responsive notices, in particular those older than 2 years prior to the petition date may have been inadvertently omitted.

**Part 13, Questions 28.** For purposes of this response, the Debtors have included shareholders holding interests in excess of 5%.

**Part 13, Questions 31.** Certain of the Debtors may have been part of a tax consolidation group prior to acquisition by the Debtors.

Also identify the form and line number to which the additional information applies. If an additional sheet is attached, include the amounts from the attachment in the total for the pertinent part.

For Part 1 through Part 11, list each asset under the appropriate category or attach separate supporting schedules, such as a fixed asset schedule or depreciation schedule, that gives the details for each asset in a particular category. List each asset only once. In valuing the debtor's interest, do not deduct the value of secured claims. See the instructions to understand the terms used in this form.
