II. DESIGNATION AND TREATMENT OF UNCLASSIFIED CLAIMS

A. Designation

Unclassified Claims consist of the following:

1. Administrative Expense Claims: Allowed Administrative Expense Claims as defined above; and
2. Priority Tax Claims: Allowed Claims entitled to priority pursuant to Bankruptcy Code Section 507(a)(8).

B. Treatment

1. Administrative Expense Claims: Except to the extent that the Holder has agreed to different and/or less favorable treatment of such Claim, each Holder of an Allowed Administrative Expense Claim shall be paid in Cash the Allowed amount of such Claim on the later of (i) the Effective Date, or (ii) the entry of a Final Order approving such Claim; provided, however, that Administrative Expense Claims that represent expenses, debts, or liabilities incurred by the Debtor in the ordinary course of business from and after the Petition Date shall be assumed and paid in the order and course of the administration of the Debtor's affairs in accordance with the terms and conditions of any agreements relating thereto.

The Administrative Expense Claims will be paid proportionally by all three estates – the WDC Bankruptcy Case, Fansteel Bankruptcy Case, and WDMA Bankruptcy Case.

2. Priority Tax Claims: Except to the extent that the holder of a particular Allowed Priority Tax Claim has agreed to a different and/or less favorable treatment of its Claim, such holder will receive on account of such Claim either: (i) in the case of an Allowed Secured Priority Tax Claim, payment in Cash by the Reorganized Debtor the allowed amount of such Secured Priority Tax Claim on the later of the Effective Date or the date such Claim becomes an Allowed Claim; or (ii) the holder of such a Claim will receive on account of such Claim regular installment payments in Cash, of a value, as of the Effective Date of the Plan, equal to the allowed amount of such Claim. In the event the holder of such a Claim will receive deferred Cash payments, such Claim holder shall receive equal monthly installments of principal and interest beginning on the first day of the month following the Effective Date and amortized over a period equal to but not exceeding five (5) years after the Petition Date, with such equal monthly installments based on the allowed amount of such Claim with interest thereon calculated pursuant to Bankruptcy Code § 511. The treatment proposed for Priority Tax Claims as outlined above also applies to any claims that are secured by perfected tax liens. Secured tax creditors shall retain their liens until the claims are paid in full.

III. CLASSIFICATION AND TREATMENT OF IMPAIRED AND UNIMPAIRED CLASSES AND INTERESTS

Classes 1 and 8 are Unimpaired under the Plan. Classes 2-7, and 9-17 are Impaired under the Plan.

The following is a description of all Classes of Claims and Interests other than the Unclassified Claims, and their treatment under the Plan.

A. Class 1 – Allowed Priority Non-Tax Claims

1. Classification: Class 1 consists of Allowed Priority Non-Tax Claims accrued and owing as of the Petition Date and entitled to priority pursuant to Bankruptcy Code Sections 507(a)(1), (4), (5), (6) or (7). The Debtor is informed and believes that there are two Section 507(a)(4) Class 1 Claims, that of IAM National Pension Fund, the Operating Engineers Local #234 Fringe Benefits Fund and GMP and Employers Pension Plan. Class 1 is Impaired.

2. Treatment: Except to the extent that the Holder of an Allowed Class 1 Claim has agreed to different and/or less favorable treatment of such Claim, each Holder of an Allowed Class 1 Claim shall be paid in Cash the Allowed amount of such Claim on the later of (i) the Effective Date or (ii) the entry of a Final Order approving such Claim.

B. Class 2 – Allowed Secured Claim of TCTM Financial FS LLC

1. Classification: Class 2 consists of the Allowed Secured Claim of TCTM Financial FS LLC (“TCTM”), which includes obligations owing both before and after the Petition Date by the Debtor to TCTM. TCTM filed a Proof of Claim asserting a secured claim in the amount of \$30,569,860.12 as of the Petition Date, based on certain promissory notes and security agreements referenced and itemized in its Proof of Claim, identified as Claim No. 53 of the Court’s Claim Register in this Case. The promissory notes and security agreements were assigned to TCTM from Fifth Third Bank on or about September 1, 2016, as described in TCTM’s Proof of Claim.

The Debtor does not dispute the TCTM Proof of Claim, except for one issue: the Debtor disputes the full amount claimed for “Other Unpaid Fees”. TCTM claims \$357,530.02 for “Other Unpaid Fees” on its Proof of Claim. After review of additional documentation and information provided by Fifth Third Bank concerning this amount, the Debtor asserts that at least \$292,364 of that \$357,530.02 was included in the “Revolver Balance” on the Proof of Claim. As such, the Debtor believes the Proof of Claim is overstated by \$292,364 (the “Disputed Unpaid Other Fees”), plus a credit for an amount of interest the Debtor asserts it has been paying interest twice on that amount (the “Interest Credit”). TCTM has agreed to withdraw the disputed portion in the amount of \$292,364 from its Claim.

TCTM has included on its Proof of Claim a line item of \$500,000 for the “Multi-Card” program on account of its credit backup to Fifth Third Bank which administered the Multi-Card program the Debtor Fansteel used. Subsequent to the Petition Date, the Debtor Fansteel’s Multi-Card program with Fifth Third Bank was terminated and the Debtor Fansteel paid all outstanding amounts then due to Fifth Third Bank. The Debtor here is further informed that upon termination of the Debtor Fansteel’s use of the Multi-Card program, TCTM was released of its credit backup obligation to Fifth Third Bank and \$500,000 of TCTM’s security for the credit backup was released by Fifth Third Bank to TCTM. The Debtor here therefore asserts it should be entitled to a reduction or other credit from TCTM for \$500,000 from its Proof of Claim (“Multi-Card Credit”).

There is currently pending a motion by the Debtor Fansteel, proposing to sell its American Sintered Technologies (“AST”) division, and TCTM will be receiving net sale proceeds and additional funds in connection with that sale on account of its security interests on those assets. The Debtor herein asserts that it will be entitled to a credit for the net sale proceeds and additional funds (the “AST Credit”).

The Debtor is informed TCTM has and will continue to assert that its claim is subject to supplemental amounts for pre- and post-petition attorney fees and other reimbursable expenses provided for under its promissory notes and security documents. TCTM also asserts that it is

entitled to the payment of additional interest accrued pursuant to the terms of its promissory notes and loan documents given the default status of the notes. The Class 2 Claim is Impaired.

2. Treatment: On the Effective Date, the Holder of the Class 2 Claim will be paid in full on account of its Allowed Pre-Petition Claim, in Cash, less the credits for the Disputed Unpaid Other Fees, the Interest Credit, the AST Credit and the Multi-Card Credit in the amount of \$500,000.

TCTM's Allowed Secured Claim will further be adjusted pending resolution of TCTM's request for payment of professional fees under Bankruptcy Code Section 506. The Debtor will pay the full amount asserted by TCTM for professional fees into a separate escrow account until allowance and payment of TCTM's professional fees is authorized by either stipulation or Court order (the "Post-Confirmation Attorney Fee Reserve").

The Class 2 Claim shall be paid from a combination of the New Senior Secured Credit Facility, and the New Value Equity Investment Cash, in addition to the credits referenced above and the Letters of Credit. On the Effective Date, the Class 2 Claim Holder shall release all liens, claims and encumbrances on all the assets of the Fansteel, Wellman Dynamics Corporation ("WDC"), and Wellman Dynamics Machinery & Assembly Inc. ("WDMA") cases.

C. Class 3 - Allowed Secured Claim of Fifth Third Bank

1. Classification: Class 3 consists of the Allowed Secured Claim of Fifth Third Bank, which includes obligations owing both before and after the Petition Date by the Debtor to Fifth Third Bank. Without limiting the foregoing, such Claim includes amounts allowed under Bankruptcy Code Section 506(b). The Reorganized Debtor will not object to the Allowed Secured Claim of Fifth Third Bank. The Debtor estimates that as of the Effective Date, the amount owed to Fifth Third Bank will be approximately \$1,587,532.74. The Class 3 Claim is Impaired.

2. Treatment: Fifth Third Bank's responsibility for providing the Letters of Credit will be cancelled on the Effective Date and TCTM's credit backing of the Letters of Credit will be released and shall be a credit against TCTM's Claim in Class 2. The Debtor's New Senior Secured Credit Facility will provide replacement Letters of Credit.

D. Class 4 – Allowed Secured Claim of William F. Bieber dba ATEK

1. Classification: Class 4 consists of the Allowed Secured Claim of William F. Bieber dba ATEK ("Bieber"). The Reorganized Debtor does not dispute the Allowed Secured Claim of Bieber. The debt owed to Bieber is a result of commissions that were agreed to, but never paid, as part of the asset purchase agreement with Progress Casting. The amount owed to Bieber is approximately \$6,549,998.12. The Class 4 Claim is Impaired.

2. Treatment: The Holder of the Class 4 Claim shall be paid 100% of the Allowed amount of such Claim and paid in full in Cash within five (5) years of the Effective Date. The payment obligation on account of the Class 4 Claim shall be evidenced by a five year promissory note, which shall have a 15-year amortization, accruing interest at 6% per annum, and be interest-only payments for the first year, with added principal payments of \$50,000 each on or

before July 15, 2017 and December 15, 2017. The note will be amortized on a graduated payment schedule. Upon confirmation, the judgment lien shall be released and replaced with the mortgage. Such mortgage will be junior and subordinate to the New Senior Secured Credit Facility.

To the extent Bankruptcy Code Section 1111(b)(2) is applicable, the parties are deemed to have made such election.

E. Class 5 – Allowed Secured Claim of Cedar Valley Bank & Trust

1. Classification: Class 5 consists of the Allowed Secured Claim of Cedar Valley Bank & Trust (“Cedar Valley”), on account of that certain Energy Efficiency Loan. The Debtor does not dispute Cedar Valley’s Proof of Claim, which is assigned Claim No. 6 on the Court’s Claim Register. The Debtor owes the Class 5 Claim Holder \$284,334.61 as of the Petition Date, with 42 payments remaining on the loan. The Class 5 Claim is Impaired.

2. Treatment: On the Effective Date, the interest rate on the Energy Efficiency Loan will be modified and reduced from 7.0% to 4.75%. Beginning on the Effective Date, the Reorganized Debtor will pay the Class 5 Claim in full in payments of interest only in the amount of \$1133.19 for the first four quarters and principal and interest in the amount of \$7,411.93 with balloon payment of \$93,747.25 on October 1, 2020. The Class 5 Claim holder will retain its lien until Class 5 Claim is paid in full.

F. Class 6 - Allowed Secured Claim of Gardenia Ventures, LLC

1. Classification: Class 6 consists of the Allowed Secured Claim of Gardenia Ventures, LLC (“Gardenia”), which includes money owed for property taxes, interest, and fees as a result of a tax sale on June 15, 2015. The Debtors estimate that as of the Effective Date, the amount owed to Gardenia will be approximately \$244,984.00. The Class 6 Claim is Impaired.

2. Treatment: On the Effective Date, the Holder of the Class 6 Claim will be paid in full in Cash.

G. Class 7 - Allowed Secured Claim of MCH Systems, LLC

1. Classification: Class 7 consists of the Allowed Secured Claim of MCH Systems, LLC (“MCH”). MCH provided the Debtor with building repairs and maintenance and holds a mechanics lien against the Debtor’s Creston real estate. The Debtor estimates that as of the Effective Date, the amount owed to MCH will be approximately \$4,274.65. The Class 7 Claim is Impaired.

2. Treatment: On the Effective Date, the Holder of the Class 7 Claim will be paid in full in Cash.

H. Class 8 – Disputed and Disallowed Secured Claims and Judgment Liens against Real Estate

1. Classification: Class 8 consists of the Disputed and Disallowed Secured Claims and Judgment Liens Against Real Estate. The Class 8 Claims are Unimpaired. The Debtor believes the following Creditors were paid in full pre-petition and therefore disputes the following Claims:

Claim Holder	Paid in Full Pre-Petition

Westwind Logistics, LLC	Yes
Overhead Door Company	Yes
Dunn and Company	Yes
Air Mach, Inc.	Yes

2. Treatment: The Allowed amount of the Class 10 Claim shall be assumed by the Reorganized Debtor as of the Effective Date. The Debtor and Reorganized Debtor will continue to make regular payments during the period after the Petition Date and prior to the Effective Date, and after the Effective Date. Any unpaid sums due for pre- and post-petition charges and payments shall be paid in full, in Cash, on or before the Effective Date, unless the Class 10 Claim Holder agrees to different and/or less favorable treatment. The Class 10 Claim shall be treated in accordance with all the terms and conditions of all previously executed documents respecting the Class 10 Claim, and the legal, equitable or contractual rights to which the Class 10

Claim Holder is entitled shall not be altered, except as expressly modified herein. The estimated cure amount is \$5,387.28.

K. Class 11 - Allowed Secured Lease Claim of Vision Financial Group, Inc.

1. Classification: Class 11 consists of the Allowed Secured Lease Claim of Vision Financial Group, Inc. (“Vision”) for the lease of a Hyundai Wheel Loader (the “Vision Lease”). The Debtor does not dispute the Vision Financial Group Proof of Claim, which is assigned Claim No. 56 on the Court’s Claim Register. The Class 11 Claim is Impaired.

2. Treatment: The Allowed amount of the Class 11 Claim shall be assumed by the Reorganized Debtor as of the Effective Date. The Debtor and Reorganized Debtor will continue to make regular payments during the period after the Petition Date and prior to the Effective Date, and after the Effective Date. Any unpaid sums due for pre- and post-petition charges and payments shall be paid in full, in cash, on or before the Effective date, unless the Class 11 Claim Holder agrees to different and/or less favorable treatment. The Class 11 Claim shall be treated in accordance with all the terms and conditions of all previously executed documents respecting the Class 11 Claim, and the legal, equitable or contractual rights to which the Class 11 Claim Holder is entitled shall not be altered, except as expressly modified herein. The estimated cure amount is \$3,261.00.

L. Class 12 – Allowed Unsecured Administrative Convenience Class Claims

1. Classification: Class 12 is an Administrative Convenience Class pursuant to Bankruptcy Code Section 1122(b). Class 12 consists of each Unsecured Claim against the Debtor that is not otherwise entitled to priority, that is not otherwise classified in this Plan, and that meets either of the following two requirements: (i) the Holder of such Claim asserts Unsecured Claims in the aggregate against the Debtor of \$7,500.00 or less; or (ii) if the Unsecured Claims of a Creditor exceed \$7,500.00, the Holder of such Claims irrevocably elects to limit the total of all Unsecured Claims held by such Holder against the Debtor to no more than \$7,500.00. The Debtor believes that as of the Petition Date, there are approximately Two Hundred and Nineteen (219) Class 12 Claim totaling approximately \$405,461 (without regard to any Holders of Class 13 Claims that may elect Class 12 treatment). The list of Class 12 claims is attached hereto as Exhibit “A” and incorporated by reference herein. Class 12 is Impaired.

2. Treatment: Except to the extent that a Holder of a particular Class 12 Claim agrees to different and/or less favorable treatment of its Claim, each Holder of an Allowed Class 12 Claim shall receive, in exchange for and in full satisfaction of such Claim, a Cash payment equal to 75% of the Allowed amount of such Claim, without interest, within Thirty (30) days of the Effective Date. Any Creditor asserting Unsecured Claims totaling more than \$7,500.00 in amount that wishes to elect Class 12 treatment of its Unsecured Claim must make such election on the ballot accompanying this Plan.

M. Class 13 - Allowed General Unsecured Claims

1. Classification: Class 13 consists of all Allowed General Unsecured Claims that are: (i) against the Debtor and not otherwise entitled to priority; (ii) are not held by an insider of the Debtor, as that term is defined in the Bankruptcy Code, and (iii) not otherwise classified

above. There are approximately Sixty Seven (67) Claims in Class 13, and the total amount of such Claims is approximately \$6,398,440. The list of Class 13 Claims is attached hereto as Exhibit "B" and incorporated by reference herein. Class 13 is Impaired.

2. Treatment: Each holder of a Class 13 Claim shall receive, in exchange for and in full satisfaction of such Claim, a Dividend, in Cash, in deferred quarterly payments, with the first payment being on the Effective Date, and subsequent payments within Ninety (90) days thereafter, for a period not to exceed Five (5) years from and after the Effective Date. The quarterly dividend shall be divided Pro-Rata among all Class 13 Claim Holders based on the amount of their respective Allowed General Unsecured Claims. The Debtor estimates that the minimum total amount of such dividends to be paid on all Allowed Class 13 Claims shall be equal to 100% of such Claims, plus interest at 3.0% per annum, as and from the Effective Date. The Class 13 Claims will be paid through the Debtor WDC's Bankruptcy Estate and not by the Fansteel Bankruptcy Estate or the WDMA Bankruptcy Estate.

It is estimated that the unsecured creditors will receive full repayment from the Collateral Trust. Class 13 Claim Holders may elect one of two options. For the first option, the Class 13 Claim Holders may elect to receive one hundred percent (100%) of their Allowed Claim within five (5) years plus annual amortized interest of 3% as follows: (a) the first four (4) quarters (Quarters 1-4) shall receive a payment of interest only and the first payment shall be made within thirty (30) days from the Effective Date; (b) the next fifteen (15) quarters (Quarters 5-19) shall receive a payment of principal and interest and payment shall be made in advance within ten (10) days from the first day of each quarterly payment; and (c) the one final payment (Quarter 20) of accrued interest and principal is due as a full settlement no later than the end of the final amortization day. These payments are discretionary in only one instance – the New Senior Secured Credit Facility may require a minimum EBITDA in excess of fixed charge obligations. The Debtor anticipates a minimum of 1.1 ratio, which means that the Debtor needs 10% more cash flow than what it is obligated to pay to the bank, before the Debtor can make other debt payments. The Debtor's projections indicate that it will always exceed the minimum fixed charge coverage ratio and therefore the Debtor anticipates payments will not need to be discretionary and will be made as scheduled.

The second option for Holders of Class 13 Claims is to elect to receive thirty percent (30%) of their Allowed Claim paid in full on the Effective Date in complete satisfaction of their Allowed Claim. If Holders of Allowed Class 13 Claims wish to elect to receive payment of Thirty Percent (30%) of their Claim in full satisfaction of said Claim, they must clearly select such option on their Ballot and timely submit same by the Ballot Deadline.

Pursuant to Bankruptcy Code § 1111(a), a Proof of Claim is deemed filed under Bankruptcy Code § 501 for any Claim that appears in the Debtor's schedules, except for Claims that the Debtor specifically scheduled as disputed, contingent and/or unliquidated. In the case where the Debtor duly scheduled Claims as either disputed, contingent and/or unliquidated, and no Proof of Claim was timely filed by such Claim holder, such scheduled debt shall not be deemed a Claim, and shall not participate in this Plan or receive any dividend on account of such scheduled debt under Class 13 treatment.

The Reorganized Debtor shall be entitled and authorized to immediately pre-pay all the Class 13 Claim Holders in an amount equal to 100% of their respective Allowed Class 13 Claims, with interest, at the Debtor's sole discretion, and any such pre-payment shall be in full and complete satisfaction of its obligations under the Plan, and be a discharge of its obligations to pay any further dividend to Allowed Class 13 Claim holders.

All Allowed Class 13 Claims shall be deemed assigned to the Collateral Trust; in exchange, each Holder of an Allowed Class 13 Claim shall receive a Pro Rata beneficiary's interest in the Collateral Trust, such Pro Rata interest to be based on the Allowed amount of each Class 13 Claim. The payment obligation on account of the Class 13 Claims shall be evidenced by the Class 13 Promissory Note payable to the Collateral Trust and executed by the Reorganized Debtor, who shall be liable for payment of the Class 13 Promissory Note.

The initial principal amount of the Class 13 Promissory Note shall be equal to (i) the total of all Class 13 Claims against the Debtor, except such Class 13 Claims as have been disallowed or otherwise fixed in a lesser amount by a Final Order of the Bankruptcy Court entered before the Effective Date. The principal amount of the Class 13 Promissory Note shall be adjusted (the "Adjusted Principal Amount") to reflect (a) any Class 13 Claims that are increased, reduced, or disallowed by a Final Order of the Bankruptcy Court entered after the Effective Date, and (b) any Class 13 Claims the Holders of which elected to have their Class 13 Claims treated in accordance with Class 12 Claims. Likewise, the principal balance of the Class 13 Promissory Note shall be adjusted to reflect principal payments made pursuant to this Plan.

The Class 13 Promissory Note shall provide for interest at the rate of three percent (3.0%) per annum, and shall be paid in quarterly installments (the "Class 13 Quarterly Payments") as follows: (i) the first quarterly payment due date shall be made on the Effective Date, and (ii) each successive quarterly payment due date shall be exactly three months after the immediately preceding payment due date (each, a "Class 13 Quarterly Payment Date").

To the extent any Class 13 Quarterly Payment Date falls on a day that is not a Business Day, the payment to be made on such date shall be made on the next Business Day. The Class 13 Promissory Note may be prepaid without penalty. The Reorganized Debtor shall receive credit for any payments that are excess payments due to adjustments in the principal amount of the Class 13 Promissory Note, with any such credits being applied against the next due Class 13 Quarterly Payment.

The Reorganized Debtor shall satisfy its payment obligations under the Class 13 Promissory Note by making payments directly to holders of Allowed Class 13 Claims, each Claimant to receive a Pro Rata portion of the payment then due under the Class 13 Promissory Note based on the amount of such Claimant's Allowed Claim.

The Reorganized Debtor shall create a Contested Claims Reserve consisting of one hundred percent (100%) of the principal amount of (i) any Class 13 Claims that are, as of the Effective Date, Contested Claims; and (ii) Claims that become Contested Claims by the filing of an objection to such Claims. If a Contested Class 13 Claim becomes Allowed, the Holder of such Class 13 Claim shall be entitled to catch-up distributions from the Contested Claims Reserve beginning on the next Class 13 Quarterly Payment Date; provided, however, that if the

Contested Class 13 Claim becomes Allowed after all Class 13 Quarterly Payments have been made, the Holder of such Class 13 Claim shall be entitled to a single catch-up distribution within ten (10) days of entry of a Final Order allowing the Class 13 Claim to be paid in full. If a Contested Class 13 Claim is disallowed (in part or in whole), an amount of the Contested Claims Reserve equal to the disallowed amount shall be released to the Reorganized Debtor.

Any Holder of a Class 13 Claim that elects Class 12 treatment pursuant to the provisions set forth below shall be deemed to have irrevocably waived any Class 13 Claim that such Holder otherwise may have.

3. Security: To secure the Reorganized Debtor's obligations under the Class 13 Promissory Note, the Reorganized Debtor shall grant the Collateral Trust Security Interest to the Collateral Trust. The Collateral Trust Security Interest shall be a first priority security interest subordinate only to (a) the security interest held by the New Senior Secured Credit Facility; and (b) any purchase-money security interests in leased tangible personal property assets.

The Collateral Trust Security Interest is valid, perfected, enforceable and effective as of the Effective Date, in all of the Debtor's assets and interests except real estate, without any further action by the Collateral Trust and/or the Collateral Trustee and without the necessity of the execution, filing or recordation of any financing statements, security agreements or other documents. Notwithstanding the foregoing, the Collateral Trust and/or the Collateral Trustee shall be authorized, but not required, to file or record financing statements, trademark filings, notices of lien or similar instruments in any jurisdiction, or take any other action in order to validate and perfect such liens and security interests. The Collateral Trust Security Interest shall continue and remain perfected in any collateral that is the subject of any unauthorized transfer of property by the Debtor and/or Reorganized Debtor.

The Collateral Trust shall execute documentation reasonably necessary to effectuate any subordination of security interests authorized by this Plan, the Subordination Agreement, or ordered by the Bankruptcy Court.

4. Default: An event of default shall occur if the Reorganized Debtor (a) fails to make any regular payment under the Class 13 Promissory Note when such payment is due; (b) fails to remit the proceeds of any of the Collateral Trust's collateral as required by this Plan and as set forth in the Collateral Trust Agreement and the Class 13 Promissory Note; (c) subordinates the Collateral Trust Security Interest in an amount exceeding \$40,000,000 without the express written consent of the Collateral Trustee; or (d) sells, disposes of or otherwise compromises the collateral securing the Collateral Trust Security Interest outside the ordinary course of business without the express written consent of the Collateral Trustee. The Collateral Trustee is permitted, in his sole discretion, and subject to any restrictions in the Collateral Trust Agreement, to exercise default remedies in the event one of the above defaults is committed, pursuant to this Plan, the Collateral Trust Agreement or the Class 13 Promissory Note.

N. Class 14 – Allowed Claims Filed by the Pension Benefit Guaranty Corporation Relating to the Wellman Dynamics Corporation Salaried Employees Retirement Plan

Class 14 consists of the Allowed Claims filed by the Pension Benefit Guaranty Corporation (“PBGC”) relating to the Wellman Dynamics Corporation Salaried Employees Retirement Plan.

WDC sponsors and maintains a defined benefit pension plan known as the Wellman Dynamics Corporation Salaried Employees’ Retirement Plan (the “Pension Plan”). The Pension Plan is covered by Title IV of the Employee Retirement Income Security Act of 1974, as amended 29 U.S.C. §§ 1301-1461 (2012, Supp. II 2014) (“ERISA”).

The PBGC is the wholly-owned United States government corporation and agency of the United States created under Title IV of ERISA to administer the federal pension insurance programs and enforce compliance with the provisions of Title IV. PBGC guarantees the payment of certain pension benefits upon termination of a pension plan covered by Title IV.

WDC and all members of its controlled group are obligated to pay the contributions necessary to satisfy the minimum funding standards under sections 412 and 430 of the Internal Revenue Code (“IRC”) and sections 302 and 303 of ERISA. 26 U.S.C. § 412(c)(11), 29 U.S.C. § 1082(c)(11).

The Pension Plan may be terminated only if the statutory requirements of either ERISA section 4041, 29 U.S.C. § 1341 or ERISA section 4042, 29 U.S.C. § 1342, are met. In the event of a termination of the Pension Plan, WDC and all members of its controlled group are jointly and severally liable for the unfunded benefit liabilities of the Pension Plan. *See* 29 U.S.C. § 1362(a). WDC and all members of its controlled group are also jointly and severally liable to PBGC for all unpaid premium obligations owed by WDC on account of the Pension Plan. *See* 29 U.S.C. § 1307.

Class 14 is partially secured by a 2009 mortgage on certain assets of Intercast.

The Debtors have decided to continue and maintain the Pension Plan. They will fund the Pension Plan in accordance with the minimum funding standards under the Internal Revenue Code and ERISA, pay all required PBGC insurance premiums, and continue to administer and operate the Pension Plan in accordance with the terms of the Pension Plan and provisions of ERISA. Since the Pension Plan will remain ongoing when the Debtors’ reorganization plan becomes effective, the PBGC’s contingent Proof of Claim No. 65 will be deemed withdrawn.

The Class 14 Claim is Impaired.

No provision contained herein, the Plan of Reorganization, the Order Confirming the Plan of Reorganization, or section 1141 of the Bankruptcy Code, shall be construed as discharging, releasing or relieving any party, in any capacity, from any liability with respect to the Pension Plan under any law, government policy or regulatory provision. PBGC and the Pension Plan shall not be enjoined or precluded from enforcing such liability or responsibility

against any party as a result of any of provisions for satisfaction, release, injunction, exculpation, and discharge of claims in the Plan of Reorganization, Confirmation Order, Bankruptcy Code, or any other document filed in any of the Debtors' bankruptcy cases.

Should WDC fail to make any of the Class 14 claims payments, WDMA and, or, Fansteel shall pay the balance owed.

1. Class 14a – Contingent Unfunded Benefit Liabilities Claim, payable to PBGC

PBGC filed an estimated contingent claim in the Debtors' jointly administered bankruptcy cases against each Debtor, jointly and severally, for unfunded benefit liabilities owed upon Pension Plan termination in the approximate amount of \$5,538,828. The Class 14a Claim is contingent upon termination of the Pension Plan pursuant to 29 U.S.C. §§ 1341-1342. If the Pension Plan is terminated as of the Effective Date and the Effective Date occurs, the Class 14a Claim shall be paid in full to PBGC. If the Pension Plan is not terminated as of the Effective Date, the Class 14a Claim shall be deemed withdrawn and the PBGC shall receive no dividend under the Plan for the Class 14a Claim.

2. Class 14b – Minimum Funding Contributions Claim, payable to the Pension Plan

PBGC filed, on behalf of the Pension Plan, estimated claims of \$565,695 for minimum funding contributions owed to the Pension Plan. \$16,578 of the Class 14b Claim is asserted against WDC and all members of its controlled group as a whole. This portion of the claim is entitled to administrative expense priority under Bankruptcy Code Section 507(a)(2) and shall be paid on the Effective Date.

\$26,904 of the Class 14b Claim is asserted as priority against the plan sponsor only, and entitled to priority under Bankruptcy Code Section 507(a)(5). This portion of the claim shall be treated as a priority non-tax claim under Class 1 and shall receive, in exchange for and in full satisfaction of such Claim, a Dividend, in Cash, in deferred quarterly payments, with the first payment being on the Effective Date, and subsequent payments within Ninety (90) days thereafter, for a period not to exceed three (3) years from and after the Effective Date.

The remainder of the Class 14b Claim shall be treated as a general unsecured claim under Class 13. All Class 14b Claim payments shall be made to the Pension Plan.

3. Class 14c – Statutory Premiums Claim, payable to PBGC

PBGC filed estimated, secured claims of \$99,736.89 for statutory premiums owed to PBGC. If the Pension Plan terminates in a distress termination pursuant to 29 U.S.C. §§ 1341(c)(2)(B)(ii) or (iii), or in an involuntary termination under 29 U.S.C. § 1342, before the Effective Date, statutory termination premiums may also arise. *See* 29 U.S.C. § 1306(a)(7).

The Class 14c Claim shall be treated as an Allowed Secured Claim and shall receive, in exchange for and in full satisfaction of such Claim, a Dividend, in Cash, in deferred quarterly payments, with the first payment being on the Effective Date, and subsequent payments within Ninety (90) days thereafter, for a period not to exceed Five (5) years from and after the Effective

Date. The Debtor estimates that the minimum total amount of such dividends to be paid on the Allowed Class 14c Claim shall be equal to 100% of such Claim, plus interest at 3.0% per annum, as and from the Effective Date.

All Class 14c Claim payments shall be made to PBGC.

4. Class 14d – Settlement Agreement Claim, payable to the Pension Plan

PBGC filed a claim for \$791,670 against Fansteel, Inc. (“Fansteel”) and WDC based on the provisions of a September 8, 2015 settlement agreement. This secured interest carries through the Effective Date and will remain in place until satisfied.

The Class 14d Claim shall be treated as an Allowed Secured Claim and shall receive, in exchange for and in full satisfaction of such Claim, a Dividend, in Cash, in deferred quarterly payments, with the first payment being on the Effective Date, and subsequent payments within Ninety (90) days thereafter, for a period not to exceed Five (5) years from and after the Effective Date. In accordance with the terms of the settlement agreement, all Class 14d payments shall be made to the Pension Plan. The Debtor estimates that the minimum total amount of such dividends to be paid on the Allowed Class 14c Claim shall be equal to 100% of such Claim, plus interest at 3.0% per annum, as and from the Effective Date.

O. Class 15 – Allowed Unsecured Claim of Iowa State Savings Bank (Creston Decommissioning Trust)

1. Classification: The Debtor is the Grantor, and Iowa State Savings Bank is the Trustee, of that certain Wellman Dynamics Industrial Monofils Financial Assurance Trust Dated November 5, 2008, (the “Decommissioning Trust”), related to the Debtor’s Creston, Iowa site. Iowa State Savings Bank has not filed a Proof of Claim as of the filing of this Plan. The Class 15 Claim is Impaired.

It is the position of the United States, on behalf of the Environmental Protection Agency (“EPA”), that WDC is liable to the United States to comply with Resource Conservation and Recovery Act (“RCRA”) and applicable regulations to perform an Administrative Order on Consent (“AOC”), Docket No. RCRA-07-2003-0167, which requires WDC to perform a RCRA Facility Investigation (“RFI”) and a Corrective Measures Study (“CMS”) related to the facility owned and operated by WDC in Creston, Iowa (the “Wellman Facility”). The purpose of the RFI is to determine the nature and extent of releases of hazardous waste or hazardous constituents from regulated Solid Waste Management Units (“SWMUs”) and other areas of concern at the WDC Facility and to gather necessary data to support the CMS, if required. Based on the results of the RFI, the EPA will determine whether a CMS must be performed to develop, evaluate and recommend the corrective action alternative(s) to be taken at the WDC Facility.

Under Fansteel’s 2003 Reorganization Plan, WDC was required to maintain an irrevocable standby letter of credit, in the face amount of \$60,790, naming EPA as beneficiary, for purposes of establishing and maintaining RCRA financial assurance for the closure and post-

closure of the Waste Acid Dump Pit (also known as SWMU #11) in accordance with the requirements of 40 C.F.R. § 265, Subpart H.

As required by the AOC, WDC submitted to EPA a RFI Work Plan in September 2005. The RFI Work Plan was approved by EPA in September 2006. A Facility Field Investigation was commenced by WDC in October 2006. In March 2009, WDC submitted to EPA an addendum to the RFI Work Plan recommending additional rounds of soil and groundwater sampling and analysis. On November 24, 2015, EPA approved off-site groundwater monitoring well locations for collection for additional groundwater data to determine the extent of groundwater contamination which has, or may have, resulted from releases of hazardous waste or hazardous constituents from regulated units, SWMUs and other areas of concern at the WDC Facility.

It is the position of the United States that WDC is obligated to complete the RFI, including the installation of groundwater monitoring wells beyond the WDC Facility property boundary to the extent it is feasible and, if necessary, perform a CMS in compliance with C.F.R. §§ 265.143 and 265.142(b).

2. Treatment: The Debtor will assume and affirm its obligations under the Decommissioning Trust. The Allowed amount of the Class 15 Claim shall be assumed by the Reorganized Debtor as of the Effective Date. The Debtor and Reorganized Debtor will continue to make regular payments during the period after the Petition Date and prior to the Effective Date, and after the Effective Date. Any unpaid sums due for pre- and post-petition charges and payments shall be paid in full, in Cash, on or before the Effective Date, unless the Class Claim Holder agrees to different and/or less favorable treatment. The Class 15 Claim shall be treated in accordance with all the terms and conditions of all previously executed documents respecting the Class 15 Claim, and the legal, equitable or contractual rights to which the Class 15 Claim Holder is entitled shall not be altered, except as expressly modified herein.

P. Class 16 –Subordinated Unsecured Claims of Insiders

1. Classification: Class 16 consists of all Allowed Subordinated Unsecured Claims held by an Insider of the Debtor against the Debtor. The Debtor believes that there is no Person who can be deemed an Insider that has a Claim or Claims against the Debtor; however, to the extent that any such Insider may have a Claim against the Debtor, the Claim shall not be classified and treated as Secured but shall be classified and treated under this Class 16. The Class 11 Claims are Impaired.

2. Treatment: The holder of a Class 16 Claim shall receive nothing under the Plan, unless the Debtor provides a 100% dividend to all holders of Allowed Claims in Classes 1 through 15 inclusive. Notwithstanding the foregoing payment provisions, in the event (1) the Debtor pays a 100% dividend plus interest to all Class 13 Claim holders; (2) should there be holders of Class 16 Claims; and (3) the Debtor has the ability to pay a dividend to the holders of Class 16 Claims, such dividend shall be subordinated to Claims of Classes 1 through 15 under the Plan such that no payment shall be made on account of any Class 16 Claims unless and until: (1) the Allowed Claims of Class 13 have been paid in full; and (2) the Debtor is current with respect to its payment obligations to holders of Allowed Claims in Classes 1 through 15.

Subordination of Insider Claims is not required under the Bankruptcy Code; however, the Plan's subordination of such Claims reflects the Debtor's belief that the Claims of other Creditors of the Debtor generally should be paid before the Debtor pays Insiders.

Q. Class 17 – Equity Interests

Class 17 consists of the Equity Interests in the corporate Debtor represented by all of the issued and outstanding shares in the Debtor, as of the Petition Date. The shares of the corporate Debtor are owned by Fansteel. All Class 17 Equity Interests shall be cancelled as of the Effective Date. All of the Equity Interests in the Reorganized Debtor shall be held by 510 Ocean Drive Debt Acquisition, LLC ("510 Ocean Drive"). Class 17 is Impaired.

R. Reservation of Rights on Classification Disputes

In the event any Creditor challenges its classification under the Plan, the Debtor reserves the right to seek Court determination of the appropriate classification. Such determination shall not be a condition precedent to confirmation of the Plan and may be effected through the Claims Objection process. Should the Creditor prevail in its classification challenge, such Creditor shall be treated under the Plan as if such Creditor were classified as so determined. In addition, the classification of Claims in specific classes is not an admission of the ultimate validity, enforceability, perfection, or liability of such Claims and the Debtor expressly reserve all rights with respect to any objections to or other litigation on such Claims.

IV. MEANS FOR IMPLEMENTATION OF THE PLAN

A. General Overview

After confirmation of the Debtor's Plan, the Reorganized Debtor will continue the same general business activities the Debtor was engaged in both pre- and post-petition, primarily that of operating a sand casting foundry producing some of the largest and most complex magnesium alloy and aluminum alloy castings in the world, primarily servicing the defense and aerospace industries, with the Reorganized Debtor maintaining its existing business form. The Reorganized Debtor will remain current on all of its post-Confirmation Date obligations while using profits, retained earnings, liquid estate property, and the proceeds from business operations to treat and retire Creditors' Claims as described above and as they may arise in the future.

The principal vehicle for implementation of the Plan shall be retirement of the TCTM Credit Facility, with it being replaced by a New Senior Secured Credit Facility, secured by the assets of Fansteel, WDC and WDMA. Additionally, the Debtor's exit financing strategy will include New Value Equity Investment Cash for the benefit of all three bankruptcy estates.

Any Unclassified Claims or Classified Claims that are not Allowed as of the Effective Date, but become Allowed Claims pursuant to a Final Order after the Effective Date, shall be promptly paid after the Effective Date and after they have become Allowed Claims by Final Order of the Court as set forth in this Plan.

B. Fansteel Debt Converted to Equity in Wellman Dynamics

Fansteel's inter-company debt of \$32,106,036 owed to WDC shall be converted into WDC's 100% equity ownership of Fansteel. All prior equity interests in Fansteel shall be cancelled on the Effective Date.

C. Fansteel Debt to 510 Ocean Drive Converted to Equity in Wellman Dynamics

\$4,000,000 of the Fansteel Class 3 Claim of 510 Ocean Drive shall be converted into a corresponding amount of Equity in Reorganized WDC. The remaining debt of Fansteel owed to the Fansteel Class 3 Claim Holder shall be subordinated.

D. New Senior Secured Credit Facility

The Debtor shall receive a corresponding share of the New Senior Secured Credit Facility to facilitate meeting its payment obligations under the Plan on the Effective Date. The Debtors have identified The Huntington National Bank ("Huntington Bank") to provide its New Senior Secured Credit Facility. Huntington Bank will provide the Debtors with \$30,000,000 in exit financing and for working capital and other general corporate purposes including letters of credit on or before the Effective Date. The Debtor maintains that the February 23, 2017 Proposal Letter from Huntington Bank (the "Proposal Letter") and Preliminary Term Sheet (the "Term Sheet") reflect a bona fide offer already approved by Huntington Bank's loan committee and includes the signature of Mr. Larry Swinney, Huntington Bank's Senior Vice President. The Proposal Letter contemplates payment by the Debtors of an initial deposit of \$60,000.00 to conduct a credit and due diligence investigation of the Debtors. The Debtors will provide such initial deposit upon execution of the Proposal Letter, but no later than March 3, 2017, as contemplated by the Proposal Letter. The Debtors anticipate that a fully-executed commitment letter from Huntington Bank will be provided prior to the Confirmation Date.

The Term Sheet requires, in addition to the New Value Equity Investment Cash from 510 Ocean Drive, an additional \$5 million infusion of cash collateral to secure the New Senior Secured Credit Facility. The Debtor anticipates that this additional \$5 million of cash collateral will be provided by 510 Ocean Drive. The Term Sheet further includes a provision for Huntington Bank to recapture 25% of the Debtors' excess cash flow to pay down the real estate loans.

The Term Sheet also incorporates the following fees:

- 1) Letter of Credit Fees equivalent to the revolving credit interest rate for LIBOR Rate loans plus Huntington Bank's issuance fees;
- 2) Upfront Fees equal to 1% of the aggregate proposed credit facility, which will be due and payable at closing, unless Huntington Bank issues a commitment letter prior to closing, in which case, 50% of the Upfront Fees will be due upon the issuance of the commitment letter with the remainder due at closing;

- 3) Unused Facility Fee accruing on the revolving credit facility at .375% per annum on the daily average unused portion of the revolving credit facility, payable monthly in arrears and on the maturity date;
- 4) Collateral Management and Collateral Evaluation Fee equal to \$9,750 per calendar month; and

Prepayment Fee of 3% of the aggregate commitment if prepaid within one year from the closing date; 1.5% of the aggregate commitment if prepaid in year two and .75% in year three and 0% thereafter; there is no Prepayment Fee if the Debtors refinance during this period with Huntington Bank.

E. New Value Equity Investment Cash

The Debtor shall receive a corresponding share of the New Value Equity Investment Cash to facilitate meeting its payment obligations under the Plan on the Effective Date.

510 Ocean Drive has executed an Acknowledgment and Agreement to provide the New Value Equity Investment Cash. The Acknowledgment and Agreement provides an acknowledgment by 510 Ocean Drive of its intent and ability to materially support the Plan, including the Bankruptcy Rule 3020(a) Plan provision for a Special Deposit Account prior to confirmation. It further provides that 510 Ocean Drive consents to provide the New Value Equity Investment Cash in an amount no less than \$7 million, subject to Huntington Bank's issued commitment to loan the Debtor \$30 million, and an absence of material adverse change in the finances and business of the Debtor in the 30 days preceding the funding date.

510 Ocean Drive is an entity in which Leonard Levie ("Levie") and Brian Cassady used to purchase a debt obligation from the PBGC from the Debtors' first bankruptcy in 2003. The PBGC had a lien against all of the property, plant, and equipment of Intercast. The debt note had a face value that was in excess of the property, plant, and equipment at Intercast. When the debt note that was purchased by 510 Ocean Drive became due, Fansteel was unable to pay it. As forbearance for the owners of the note not foreclosing the debt on Intercast, 510 Ocean Drive asked for improved security and at that time, a lien was placed against the property in Creston, Iowa recorded on April 7, 2014. On September 8, 2015, 510 Ocean Drive subordinated its security interest in all assets of all three Debtors to Fifth Third Bank including a collateral assignment of 510 Ocean Drive's mortgage interest on the Creston property recorded on September 21, 2015. Shortly after 510 Ocean Drive perfected its lien on the Creston property, William Bieber domesticated his lien interest on the Creston property. WDC granted to Fifth Third Bank a mortgage on the Creston property on September 8, 2015, that was recorded on September 21, 2015, the same day as the recording of the subordination agreement and the collateral assignment of mortgage executed by 510 Ocean Drive in favor of Fifth Third Bank. On September 1, 2016, Fifth Third Bank assigned all of its security interests in and liens on the assets of the Debtors, including the Creston property, to TCTM.

The Debtors maintain that 510 Ocean Drive is a secured creditor of the Debtors, holding a secured claim in the amount of \$6,153,485.23 as of September 13, 2016, with interest accruing at the rate of 8% per annum; and that the debt obligation owed by the Debtors to 510 Ocean Drive

is secured by personal property of all three Debtors and a mortgage on certain real estate owned by WDC in Creston, Iowa, subject to the subordination in favor of Fifth Third Bank, now TCTM, described in the paragraph above. The Committee disputes these assertions by the Debtors.

The Plan provides for \$4,000,000 of 510 Ocean Drive's secured claim to be cancelled and converted into equity in Reorganized Debtor WDC. WDC will hold the equity in Reorganized Debtor Fansteel. The remaining portion of 510 Ocean Drive's secured claim, in the approximate amount of \$2,139,713.83, will continue accruing interest at 8% and will be subordinated to the New Senior Secured Credit Facility, Bieber, and the interests of the Collateral Trust and no payments will be made until all of the other Classes are satisfied. Further, Levie's equity interest in Fansteel will be cancelled as of the Effective Date without any payment. The equity of Fansteel is currently owned by Levie, personally and through various trusts by Levie, holding a super-majority. The remaining equity of Fansteel is currently owned by Brian Cassady and unidentified shareholders totaling less than 8% of the total shares outstanding.

In partial consideration of 510 Ocean Drive's agreement to provide no less than \$7,000,000 in New Value Equity Investment Cash to the Reorganized Debtors and agreement to cancellation and subordination of its secured claim and cancellation of its existing equity interests, the Plan provides for a transfer to 510 Ocean Drive of all of the Debtors' rights and interests in certain causes of action against TerraMar Capital and its officers, directors and affiliates related to or in connection with the Non-Disclosure Agreement executed by Fansteel and TerraMar Capital pre-petition, as described in Section "O" below. This assignment of the causes of action against TerraMar to 510 Ocean Drive is beneficial to 510 Ocean Drive as it believes that its members have been harmed by TerraMar. TCTM's position is that neither the Debtors, nor their successors and assigns, are entitled to bring any such causes of action against TerraMar Capital and its officers, directors and affiliates, including TCTM, by virtue of the proposed Order After Hearing Approving Debtor's First Amended Motion for Order Authorizing Final Use of Cash Collateral and Providing Post-Petition Liens (Docket Item No. 238) and the Court's Order dated November 4, 2016 (Docket Item No. 251). The Debtor disagrees with TCTM's position and has filed a Motion for Clarification as to Paragraph 19 of the Cash Collateral Order or in the Alternative Reformation of Paragraph 19 in the Fansteel Bankruptcy Case (Docket No. 609).

Prior to the Confirmation Date, 510 Ocean Drive shall deposit the New Value Equity Investment Cash into a Special Deposit Account pursuant to the Bankruptcy Rule 3020(a) Plan provision to enable all three Reorganized Debtors to make those Distributions required under each respective Plan.

After the organizational restructuring, 510 Ocean Drive will be the majority shareholder of Reorganized Debtor WDC and Levie will be the majority member of 510 Ocean Drive.

F. Satisfaction of Class 2 TCTM Allowed Secured Claim

The TCTM Allowed Secured Claim shall be paid in full on the Effective Date, pursuant to the treatment provided for Class 2 under the Plan. Upon satisfaction of the TCTM Allowed

Secured Claim pursuant to the treatment accorded such Class 2 Claim, all of TCTM's liens, claims and encumbrances shall be released and satisfied.

G. Satisfaction of Class 3 Fifth Third Bank Allowed Secured Claim

Fifth Third Bank's responsibility for providing the Letters of Credit will be cancelled on the Effective Date and TCTM's credit backing of the Letters of Credit will be released and shall be a credit against TCTM's Claim in Class 2. The Debtor's New Senior Secured Credit Facility will provide replacement Letters of Credit.

H. Satisfaction of Class 4 William F. Bieber dba ATEK Allowed Secured Claim

The Bieber Allowed Secured Claim shall be paid within five (5) years of the Effective Date, pursuant to the treatment provided for Class 4 under the Plan. Upon satisfaction of the Bieber Allowed Secured Claim pursuant to the treatment accorded such Class 4 Claim, Bieber shall execute releases of security and assignments of contracts as set forth in the Plan.

I. Reorganization of the Debtor's Business Operations

The Debtor has made and is making changes to its business operations that have resulted and will result in substantially more efficient business operations and lower overhead costs. Such changes have caused and will cause reductions in operating expenses, and the Debtor believes that such changes will increase cash flow in the long term. The business projections accompanying the Disclosure Statement and/or this Plan are based on the Debtor's reorganized business operations and further detail the Reorganized Debtor's means for implementation of the Plan.

As discussed in Section "B" above, Fansteel will become a subsidiary of WDC upon the conversion of its inter-company debt owed to WDC into equity. A reasoned analysis of the cause of the company's bankruptcy in 2003 and the current bankruptcy case is that the company performance was not sufficient to meet the financial and funding obligations of FMRI. With Fansteel as the parent company, it previously relied upon its subsidiaries, including WDC, if it had insufficient funds to meet its costs of operation or to meet its obligations to FMRI, which is why there is inter-company debt owed by Fansteel to WDC.

To prevent this risk of Fansteel obtaining money from its subsidiaries to meet its obligations, the Debtors are reorganizing the business organizational structure with a debt to equity conversion of inter-company debt owed by Fansteel to WDC and moving WDC to the top of the organizational structure, with WDC as the consolidating parent entity. FMRI will remain a wholly-owned subsidiary of Fansteel and FMRI funding will be provided from a subset of Fansteel EBITDA and not from WDC. With this structure, future WDC earnings will not leave WDC for the benefit of subsidiary entities relative to FMRI and the continuing environmental cleanup costs to Fansteel.

As such, this distances FMRI from where the money is being generated through WDC and limits FMRI to payment from Fansteel's EBITDA. Therefore, there is no risk to WDC and rather a reduction of risk instead. The whole reorganization concept is being done to eliminate

the risk that earnings are drawn from WDC for environmental obligations of Fansteel or otherwise at a rate that would risk another bankruptcy. The Debtors maintain that the benefit of reorganizing the business organizational structure to have WDC on top as the consolidating parent entity is that earnings can stay with WDC, which will benefit from badly needed capital investment that will improve product quality and company profitability.

The potential tax implications of this reorganized business organizational structure are explained in the Tax Analysis below.

The Plans provide for the reorganization of WDMA as part of the reorganization of the Debtors' business operations, even though WDMA has in the past had a negative cash flow. WDMA has under-performed from a lack of attention from the parent company. WDMA holds a substantial portion of TCTM collateral and the Debtors do not intend to sell WDMA until after performance has been improved, a track record of profitability has been established, and the Debtors locate a strategic buyer. Once performance has improved and a track record for profitability has been established, the Debtor believes it is reasonable to assume that a strategic buyer will pay at least the book value of the business, which is approximately \$1.5 million in accounts receivable, \$4.5 million in inventory, and \$1 million in machinery at an orderly liquidation value. It is not feasible to sell WDMA presently as there is too much debt owed to TCTM. The Debtor believes that WDMA has the potential to be high-performing. The Debtor believes it does not need more capital investment, it merely needs management attention. Therefore, the Debtor intends to use the collateral in WDMA as collateral for the New Senior Secured Credit Facility loan to pay off the amount owed to TCTM.

J. Collateral Trust

Prior to the Effective Date, the Class 13 Promissory Note, and the Collateral Trust Agreement shall be (a) executed and delivered to the Collateral Trust, and (b) recorded or filed as deemed necessary to perfect liens. The Collateral Trustee shall have the powers set forth in the Collateral Trust Agreement and shall hold and administer the Class 13 Promissory Note and the Collateral Trust Security Interest for the benefit of Holders of the Class 13 Claims. The Collateral Trust, through the actions of the Collateral Trustee, shall have the power to (i) execute all appropriate documents and to take legal action on behalf of the Holders of the Class 13 Claims, including actions to enforce the Reorganized Debtor's obligations under the Class 13 Promissory Note, (ii) to distribute proceeds from any liquidation of collateral on a Pro Rata basis to the Holders of the Class 12 Claims based upon the unpaid Allowed Amount of each such Holder's Claim, and (iii) exercise default remedies in accordance with the Plan and any document related to the Plan, including without limitation, the Class 13 Promissory Note. The Collateral Trustee shall take actions in accordance with the Collateral Trust Agreement, and the Collateral Trust, through the actions of the Collateral Trustee, shall have the power to execute all appropriate documents and to take legal action on behalf of the Collateral Trust, including actions to enforce the Reorganized Debtor's obligations under the Class 13 Promissory Note and to distribute proceeds from any liquidation of collateral on a Pro Rata basis to Holders of Allowed Class 13 Claims based upon the unpaid Allowed Amount of each such Holders' Claims.

The Reorganized Debtor shall pay reasonable administrative costs incurred by the Collateral Trustee in taking action(s) on behalf of the Holders of the Class 13 Claims, and shall

provide the Collateral Trustee with initial capital of \$5,000.00 (the “Capital Reserve”). The Capital Reserve may be increased in a reasonable amount upon request by the Collateral Trustee made to the Reorganized Debtor. In the event of a dispute regarding payment of administrative costs incurred by the Collateral Trust or regarding the amount of the Capital Reserve, the dispute shall be resolved by the Bankruptcy Court after notice and a hearing.

K. Compliance with Projections

The Reorganized Debtor shall operate its business in material compliance with: (i) the cash expenditures set forth in the projections attached to the Debtor’s Court-approved Disclosure Statement; and/or (ii) updates to such projections, which updates shall be implemented as described below. The Reorganized Debtor shall be deemed to be in material compliance with the projections or the updates thereto so long as it neither makes nor suffers a change in its business as presented in the projections (or in the updates thereto) so as to materially increase the risk to Class 13 Creditors hereunder. The Debtor’s projections of future income and expense in support of feasibility of the Plan are attached hereto as Exhibit “C” and incorporated by reference herein.

L. Use of Excess Cash.

Subject to the foregoing provisions of this Article, and except as otherwise provided by this Plan, any excess Cash in the possession of the Reorganized Debtor will be held in accordance with the Plan and may be used by the Reorganized Debtor in the ordinary course of its business or, in the Reorganized Debtor’s discretion, may be used to pre-pay future installments to Holders of Allowed Class 13 Claims.

M. Prepayments.

Any prepayment(s) made under this Plan to any Creditor(s) shall satisfy the obligation(s) to make such payment(s) on the date(s) such payment(s) would otherwise be due, shall constitute full performance hereunder to the extent of any such prepayment(s), and may be made without penalty unless otherwise stated herein.

N. Sale, Refinance or Other Disposition of Property

Subject to the Plan’s provisions, the Reorganized Debtor shall be authorized to refinance its assets to pay and/or otherwise satisfy in full any and all Allowed Secured or Unsecured Claims, and to enable it to make Plan payments or to enable it to obtain sufficient capital to operate its business. Such authorization extends to, among other property of the Reorganized Debtor, property securing the Reorganized Debtor’s obligations to Holders of Claims in Class 13 (subject to the limitations set forth in this Plan and in the Collateral Trust Agreement and the Class 13 Promissory Note). The Plan generally provides that if the Reorganized Debtor sells or refinances assets that secure its obligations to claimants in Class 13, outside the ordinary course of business, without the express written consent of the Collateral Trustee, then the net proceeds from such sale or refinance will be distributed to such Claim Holders in accordance with the priority of their respective liens, and such liens thereupon shall be released, subject to those subordination provisions incorporated in the Collateral Trust Agreement. Notwithstanding the above, the Reorganized Debtor shall be authorized to borrow money and incur debt in the future with a future senior secured lender, which may provide for the subordination of the Collateral

Trust Security Interests in an amount not to exceed \$40,000,000.00 to the security interests of the future senior secured lender, to enable it to obtain sufficient capital to operate its business, without distributing the proceeds from such refinance to Holders of Claims in Class 13.

O. Assignment of Causes of Action

In partial consideration for the New Value Equity Investment Cash, to the extent the Debtor has any actual, potential, contingent, unliquidated and/or disputed claims, Causes of Action and/or Choses in Action, against any party that may be liable to the Debtor, or its parent, or any of its affiliates, related to or in connection with that certain Non-Disclosure Agreement executed by and between the Debtor, its parent, and/or any of its affiliates, with TerraMar Capital or its officers, directors, agents, employees, legal or financial advisors, accountants, financing sources or other professionals, said claims, Causes of Action and/or Choses in Action shall be transferred and assigned to 510 Ocean Drive Debt Acquisition, LLC, as of the Effective Date.

TCTM's position is that neither the Debtors, nor their successors and assigns, are entitled to bring any such causes of action against TerraMar Capital and its officers, directors, agents, employees, legal or financial advisors, accountants, financing sources or other professionals and affiliates, including TCTM, by virtue of the proposed Order After Hearing Approving Debtor's First Amended Motion for Order Authorizing Final Use of Cash Collateral and Providing Post-Petition Liens (Docket Item No. 238) and the Court's Order dated November 4, 2016 (Docket Item No. 251). The Debtor disagrees with TCTM's position and has filed a Motion for Clarification as to Paragraph 19 of the Cash Collateral Order or in the Alternative Reformation of Paragraph 19 in the Fansteel Bankruptcy Case (Docket No. 609).

P. Avoidance Actions

Since the Plan will be providing for a 100% dividend on all allowed unsecured claims from the New Senior Secured Credit Facility, the New Value Equity Investment Cash and future earnings and profits, the Debtor does not believe it will be necessary to pursue Avoidance Actions. The Committee believes there are claims for avoidance of the 510 Ocean Drive liens and reserves its right to bring such claims and other actions under Chapter 5 of the Code and which are otherwise available.

Q. Conditions Precedent to Confirmation

Among other conditions set forth in the Plan, the Collateral Trust Agreement, the Class 13 Promissory Note, and the Subordination Agreement are all completed and approved as to form and content by the Debtor, the Official Committee and the Collateral Trustee at least seven (7) days before the Confirmation Hearing.

R. Condition Precedent to Consummation of the Plan

1. Deposit of New Value Equity Investment Cash: In lieu of application of Bankruptcy Rule 3020(a), on the Effective Date, 510 Ocean Drive shall deposit the New Value Equity Investment Cash with the Reorganized Debtor WDC to enable all three Reorganized

Debtors to make those Distributions required under each respective Plan. The Cash deposited shall be kept in a special account established for the exclusive purpose of making those Distributions required under all three respective Plans.

2. Execution of Ancillary Plan Documents by All Signatories: To the extent any of the three Debtors, Reorganized Debtors, the Collateral Trustee, or the New Senior Secured Credit Facility are parties to a document that is a condition precedent to confirmation of any of the three Plans, including without limitation the Collateral Trust Agreement, the Class 10 Promissory Note, and the Subordination Agreement, they shall all be prepared to execute and exchange the same at or upon the closing on the Effective Date.

S. Effect of Confirmation

1. Discharge and Release of Claims

Upon the Effective Date of the Plan, except as otherwise set forth in the Plan or in the Confirmation Order, the Debtor shall receive the broadest discharge possible under Bankruptcy Code Section 1141(d)(1), limited as applicable by the provisions of Bankruptcy Code Section 1141(d)(6). More particularly, and subject to the preceding sentence, Confirmation of the Plan shall discharge the Debtor from any Claim or debt that arose before the Confirmation Date and any debt of a kind specified in Bankruptcy Code Sections 502(g), (h) or (i), whether or not (i) a Proof of Claim based on such debt is filed or deemed filed under Bankruptcy Code Section 501, (ii) such Claim is allowed under Bankruptcy Code Section 502, or (iii) the holder of such Claim has accepted the Plan.

Pursuant to Bankruptcy Code Section 524, the discharge (i) voids any judgment at any time obtained to the extent that such judgment is a determination of the personal or corporate liability of the Debtor with respect to any debt discharged under Bankruptcy Code Section 1141, whether or not discharge of such debt is waived, and (ii) operates as an injunction against the commencement or continuation of an action, employment of process, or an act to collect, recover or offset any such debt as a personal liability of the Debtor, whether or not discharge of such debt is waived.

Notwithstanding the foregoing, confirmation of the Plan will not discharge the Reorganized Debtor (a) from any debt of a kind specified in Bankruptcy Code Sections 523(a)(2)(A) or (2)(B) that is owed to a domestic governmental unit; (b) from a debt for a tax or customs duty with respect to which the Reorganized Debtor made a fraudulent return, or (c) willfully attempted in any manner to evade or to defeat such tax or such customs duty; or (d) from its obligations under the Plan, Confirmation Order or documents executed or entered into in relation to the Plan or Confirmation Order.

2. Injunction

Except as otherwise expressly provided for in this Plan or the Confirmation Order, all persons who have held, hold, or may hold Claims against the Debtor, are permanently enjoined (a) from commencing or continuing in any manner any action or other proceeding of any kind with respect to any such Claim against the Debtor and the Reorganized Debtor; (b) from the enforcement, attachment, collection or recovery by any manner or means of any judgment,

award, decree or order against the Debtor and the Reorganized Debtor, and its property; (c) from creating, perfecting, or enforcing any encumbrance of any kind against the Debtor and the Reorganized Debtor, or its property with respect to such Claim, and (d) from asserting any setoff, right of subrogation, or recoupment of any kind against any obligation due the Debtor, or its property with respect to any such Claim; provided, however, that such injunction shall not enjoin the Collateral Trustee (or the beneficiaries of the Collateral Trust) from exercising their respective rights and remedies under the Plan, Collateral Trust Agreement, the Collateral Trust Security Interest or the Class 13 Promissory Note, as applicable.

3. Exoneration and Reliance

Provided that the respective affiliates, officers, directors, shareholders, members, partners, representatives, attorneys, financial advisors, and agents of the Debtor, and the Official Committee act in good faith, they shall not be liable to any claimant, Interest Holder, or other party with respect to any action, forbearance from action, decision, or exercise of discretion taken during the period from the Petition Date to the Effective Date in connection with: (a) the operation of the Debtor; (b) the proposal or implementation of any of the transactions provided for, or contemplated in this Plan; or (c) the administration of this Plan or the assets and property to be distributed pursuant to this Plan, other than for willful misconduct or gross negligence. The Debtor, and the Official Committee and their respective affiliates, officers, directors, shareholders, members, partners, representatives, attorneys, financial advisors, and agents may rely upon the opinions of counsel, certified public accountants and other experts or professionals employed by the Debtor, and such reliance shall conclusively establish good faith. In any action, suit or proceeding by any Creditor or other party in interest contesting any action by, or non-action of, the Debtor, or its respective affiliates, officers, directors, shareholders, members, partners, representatives, attorneys, financial advisors, and agents as not being in good faith, the reasonable attorneys' fees and costs of the prevailing party shall be paid by the losing party.

4. Binding Effect

The provisions of the Plan, the Confirmation Order and any associated findings of fact or conclusions of law shall bind the Debtor, any entity acquiring property under the Plan and any Creditor of the Debtor, whether or not the Claim of such Creditor is Impaired under the Plan and whether or not such Creditor has accepted the Plan.

5. Vesting of Property

Confirmation of the Plan vests all of the property of the Debtor's Estate, including Causes of Action, in the Reorganized Debtor.

As of the Effective Date, the assets of the Debtor dealt with under the Plan shall be free and clear from any and all Claims or the Holders of Claims, except as specifically provided otherwise in the Plan or the Confirmation Order. On the Confirmation Date, the Reorganized Debtor shall be entitled to operate and conduct its affairs without further order of the Court and to use, acquire and distribute any of its property free of any restrictions of the Bankruptcy Code or the Court, except as specifically provided otherwise in the Plan or Confirmation Order. The terms of the Plan shall supersede the terms of all prior orders entered by the Court in the

Bankruptcy Case and the terms of all prior stipulations and other agreements entered into by the Debtor with other parties in interest, except as specifically recognized in the Plan or the Confirmation Order.

T. Payment of Allowed Claims

On the Effective Date, the Reorganized Debtor as Disbursing Agent shall make all Distributions called for or provided for under the Plan, to all Creditors with Allowed Unclassified and Classified Claims. To the extent Creditors with Allowed Claims have not provided the Reorganized Debtor with a social security number or other tax identification number, the Reorganized Debtor shall withhold such Distribution until so provided by such Claim Holder. The Distributions shall be made by the Reorganized Debtor as the Disbursing Agent. Any Unclassified Claims or Classified Claims that are not Allowed as of the Effective Date, but become Allowed Claims pursuant to a Final Order after the Effective Date, shall be promptly paid after the Effective Date and after they have become Allowed Claims by Final Order of the Court, as set forth in this Plan.

U. Post Confirmation Compensation of Professional Persons

Compensation for services rendered by a Professional Person after the Confirmation Date for reimbursement of expenses incurred in connection therewith need not be approved by the Court. Professional Persons may invoice the Reorganized Debtor directly, and the Reorganized Debtor may pay said invoices directly; provided, however, that in the event of a dispute between the Reorganized Debtor and the Professional Person regarding such compensation or reimbursement, the Professional Person may submit an application to the court for review of the request to compensation and reimbursement, and the Court retains jurisdiction to hear and approve such application and compel payment thereon. Such post confirmation compensation for services rendered and reimbursement of expenses shall be considered an ordinary course of business expense pursuant to this Plan.

V. All Section 1129(a)(4) Payments Subject to Court Review

As required by Bankruptcy Code Section 1129(a)(4), all payments made or to be made by the Debtor or Reorganized Debtor for services or for costs and expenses in connection with the Bankruptcy Case, or in connection with the Plan and incident to the Bankruptcy Case, are subject to approval of this Court as reasonable. To the extent that any such payment is not subject to the procedures and provisions of Bankruptcy Code Sections 326-330, then such Court approval shall be deemed to have been given through entry of the Confirmation Order unless, within 90 days of such payment or request for such payment, the Court, the United States Trustee, the party making the payment or the party receiving the payment challenges or seeks approval of the reasonableness of such payment; no other parties or entities shall have standing to make such a challenge or application for approval. Nothing in this provision shall affect the duties, obligations and responsibilities of any entity under Bankruptcy Code Sections 326-330.

W. Default.

1. Events of Default.

The following shall be events of default under the Plan:

- a) The failure to make a Distribution on account of an Allowed Claim under the Plan; provided, however, that no default shall be deemed to have occurred if such missed payment is made within thirty (30) days of the date of the missed payment.
- b) Provided no agreement exists to extend or modify the terms of any agreement between the Reorganized Debtor and third party vendors or Creditors, failure of the Reorganized Debtor to pay any post-confirmation expenses, including but not limited to, taxes, salaries, payments to lien holders, or any third person to whom the Reorganized Debtor becomes obligated in the ordinary course of its business.
- c) The Reorganized Debtor's failure to perform any provision of the Plan resulting in nonmonetary defaults under the Plan; provided, however, that no nonmonetary default shall be deemed to have occurred if such default is cured within forty-five (45) days after written notice of such nonmonetary default has been provided to the Reorganized Debtor and its General Reorganization Counsel. All such notices hereunder shall be made both by facsimile and U.S. Mail, first class postage prepaid. Notice shall be deemed complete when transmission of the facsimile is completed.

2. Cure of Prior Defaults

As of the Confirmation Date, any defaults by the Debtor under any non-bankruptcy law or agreement, shall be deemed cured, and notice of default or sale recorded by any creditor prior to the Confirmation Date shall be deemed null, void and have no further force or effect.

X. Assumption and/or Rejection of Unexpired Leases and Executory Contracts

1. Assumptions

Pursuant to Bankruptcy Code Section 365 and Bankruptcy Rule 6006, the Debtor shall, and upon confirmation of the Plan, hereby does assume all executory contracts and unexpired leases to which the Debtor may be party, as identified on Exhibit "D" to this Plan ("Assumed Contracts/Leases"). The Debtor has identified on Exhibit "D" the cure amounts as of the filing of this Plan that the Debtor believes must be paid to cure all defaults under the Assumed Contracts/Leases (in each case a "Cure Amount"). The Debtor believes there are no non-monetary defaults (other than the filing of the Bankruptcy Case) which will need to be cured. The Debtor's assumption of the obligations and responsibilities of the Assumed Contracts/Leases on Exhibit "D" shall constitute adequate assurance of future performance in accordance with Bankruptcy Code Section 365(f)(2)(B). The Confirmation Order shall constitute an Order approving the assumption of the Assumed Contracts/Leases.

In addition to the executory contracts and unexpired leases between the Debtor and any of its creditors, as listed on Exhibit “D”, all executory contracts, including purchase orders, between the Debtor and all of its customers shall also be assumed and fulfilled.

Any party seeking (i) to object to the Cure Amount as determined by Debtor or otherwise assert that any other amounts, defaults, conditions or pecuniary losses must be cured or satisfied under any of the Assumed Contracts/Leases in order for such contract or lease to be assumed or (ii) to object to the assumption of any Assumed Contract/Lease on any other basis, must file a written objection to this Plan (an “Assumption Objection”) setting forth the cure amount the objector asserts to be due, the specific types and dates of the alleged defaults, pecuniary losses and conditions to assumption and the support therefor, and the basis for the Objection. Moreover, any party filing an Assumption Objection with respect to any unliquidated damages claims or adjustments for percentage rent, real estate taxes, common area maintenance or similar adjustable charges (the “Unliquidated Charges”) must provide in such Assumption Objection a good faith estimate (if possible) of the amount of such Unliquidated Charges and a description of the factors used in calculating such charges (in all cases with appropriate documentation in support thereof). All Assumption Objections must be filed and served by the deadline established by the Bankruptcy Court for objections to the Plan.

Unless an Assumption Objection is timely filed and served, all parties shall (i) be forever barred from asserting any cure or other amounts with respect to the Assumed Contract/Lease, except as set forth on Exhibit “D”, and the Debtor shall be entitled to rely on the absence of any cure amount requiring payment; (ii) be deemed to have consented to the assumption of the Assumed Contract/Lease; and (iii) be forever barred and estopped from asserting or claiming against Debtor that any additional amounts are due or other defaults exist, that any conditions to assumption remain to be satisfied under such Assumed Contract/Lease or that there is any objection or defense to the assumption of such Assumed Contract/Lease.

2. Rejections

On the Confirmation Date, all executory contracts and/or unexpired leases not specifically assumed in this Plan will be rejected, as of the Effective Date. The Confirmation Order shall constitute an Order approving the rejection of any such executory contract or unexpired leases. Any party to an executory contract or unexpired lease proposed to be rejected and under this Plan may object to the rejection of such contract or lease, which objection to the Plan shall be filed and served within the deadline for objecting to the confirmation of the Plan.

THE BAR DATE FOR FILING A PROOF OF CLAIM BASED ON A CLAIM ARISING FROM THE REJECTION OF AN EXECUTORY CONTRACT OR UNEXPIRED LEASE(collectively, “Rejection Damages Claims”) IS NO LATER THAN THIRTY (30) DAYS AFTER THE CONFIRMATION DATE. Any Claim based on the rejection of an executory contract or unexpired lease will be barred if the Proof of Claim is not timely filed, unless the Court later orders otherwise. Holders of Rejection Damages Claims will be deemed Class 13 Creditors.

3. Reservation of Rights

The Debtor and Reorganized Debtor reserve the right to file applications or motions for the assumption or rejection of any executory contract or unexpired lease at any time prior to the Confirmation Date, and to prosecute any such application to entry of a Final Order any time thereafter. In the event that the Court enters a Final Order denying rejection of an executory contract or unexpired lease, such Final Order shall be deemed to be an assumption by the Debtor of such executory contract or unexpired lease.

4. Proof of Claim

Each entity that is a party to an executory contract or unexpired lease that is rejected pursuant to this Plan, and only such entity, shall be entitled to file, not later than thirty (30) days after the Confirmation Date, a Rejection Damages Claim from the rejection of the contract or lease to which such entity is a party.

Y. Objections to Claims and Interests

The Debtor or the Reorganized Debtor shall file any objections to Claims (collectively, "Claims Objections") on or before the Claims Objection Date, unless the Court, upon request, extends such period. Such extension may be granted without notice to the affected Claimant. Objection may include a request for subordination pursuant to Bankruptcy Code Section 510. Filing, service and prosecution of such Objections shall be subject to and in accordance with the Bankruptcy Code and Bankruptcy Rules.

Z. Resolution of Disputes

Disputes regarding the validity or amount of Claims shall be resolved pursuant to the procedures established by the Court, the Plan, the Bankruptcy Code, the Bankruptcy Rules and other applicable law, and such resolution shall not be a condition precedent to confirmation or consummation of the Plan.

AA. Settlement

The Debtor or the Reorganized Debtor may compromise, liquidate or otherwise settle any undetermined, contested or objected to Claim or Cause of Action pursuant to Bankruptcy Rule 9019.

BB. Allowed Amount of Claims and Interests

No holder of an Allowed Claim shall receive a Distribution in excess of the amount allowed, either by the Court or as provided herein, with respect to such Allowed Claim.

CC. Unclaimed Funds

Any Distribution by check to any holder of an Allowed Claim, if unclaimed or uncashed by the payee thereof, within ninety (90) days after issuance and delivery by first class mail, shall be distributed pro-rata to such other Creditors entitled to receive a Distribution under this Plan.

All liabilities and obligations of the Reorganized Debtor to such payee and any holders of such check shall thereupon cease. Any check distributed to a holder of an Allowed Claim shall bear a legend that the check shall be void if not cashed or presented for payment within 90 days of the date of issuance.

DD. Modification/Amendment of Plan

1. Amendments Prior to Confirmation

The Debtor may propose any number of amendments to or modifications of the Plan, or may rescind and withdraw the Plan in its entirety (with or without substitution of a replacement plan), at any time prior to confirmation. If the Debtor revokes or withdraws the Plan or if Confirmation or the Effective Date does not occur, then the Plan shall be deemed null and void, and in any such event, nothing contained herein shall be deemed to constitute an admission, omission or a waiver or release of any Claims by or against the Debtor or any other person or to prejudice in any manner the rights of the Debtor or any other person in any further proceedings involving the Debtor.

2. Amendments after Confirmation

The Plan may be modified by the Debtor or Reorganized Debtor at any time after the Confirmation Date, provided that such modification meets the requirements of the Bankruptcy Code and is not inconsistent with the provisions of the Plan. The Debtor and the Reorganized Debtor may, with the approval of the Court, and so long as it does not materially or adversely affect the interests of Creditors, remedy any defect or omission, or reconcile any inconsistencies in the Plan, or in the Confirmation Order, in such manner as may be necessary to carry out the purposes and intent of the Plan.

3. Effect on Claims and Interests

A Creditor or Interest Holder that has previously accepted or rejected this Plan shall be deemed to have accepted or rejected, as the case may be, this Plan, as modified, unless, within the time fixed by the Court, such Creditor or Interest Holder elects in writing to change his/her/its previous acceptance or rejection.

EE. Post-Confirmation Status Reports and Final Decree

The Reorganized Debtor shall comply fully with all provisions of the Bankruptcy Code, Bankruptcy Rules and Guidelines of the Office of the United States Trustee, and in connection therewith, shall file with the Court a status report within 120 days of the entry of the Confirmation Order, and every quarter thereafter, describing the Reorganized Debtor's progress towards consummation of the Plan. FF. Termination of the Official Committee

On the Effective Date, the Official Committee shall dissolve and the members of the Committee shall be released and discharged from all rights and duties arising from or related to the Bankruptcy Case. On the Effective Date, all Claims or Causes of Action, if any, of the Debtor or Reorganized Debtor against any member of the Official Committee, and any officer, director, employee, or agent of an Official Committee member shall be compromised, settled, and released in consideration of the terms of this Plan. As of the date hereof, the Debtor is not aware of any such claims.

6. To hear and determine any and all actions initiated by the Debtor or the Reorganized Debtor to collect, realize upon, reduce to judgment or otherwise liquidate any Causes of Action of the Debtor or the Reorganized Debtor;
7. To determine any and all applications, motions, adversary proceedings and contested or litigated matters whether pending before the Court on the Confirmation Date or filed or instituted after the Confirmation Date including, without limitation, proceedings under the Bankruptcy Code or other applicable law seeking to avoid and recover any transfer of an interest of the Debtor and property or obligations incurred by the Debtor, or to exercise any rights pursuant to Bankruptcy Code Sections 544-550;

8. To modify the Plan or the Disclosure Statement or remedy any defect or omission or reconcile any inconsistency in the order of the Court including the Confirmation Order, the Plan or the Disclosure Statement in such manner as may be necessary to carry out the purposes and effects of the Plan;

9. To determine disputes regarding title of the property claimed to be property of the Debtor whether as Debtor or Debtor in Possession;

15. To enter a final decree closing the Bankruptcy Case;

16. To enter and implement such orders as may be appropriate of the event of the Confirmation Order is for any reason stayed, reversed, revoked or vacated; and

17. To determine such other matters as may arise in connection with the Plan, the Disclosure Statement or the Confirmation Order.

If the Court abstains from exercising, or declines to exercise jurisdiction, or is otherwise without jurisdiction over any matter arising out of the Bankruptcy Case, this post-confirmation jurisdiction section shall have no effect upon and shall not control, prohibit or limit the exercise of jurisdiction by any other court having competent jurisdiction with respect to such matter.

HH. Bar Date for Administrative Expense Claims

All Non-Governmental Administrative Expense Claimants, including Professional Persons, shall file motions for allowance of their Administrative Expense Claims not later than 30 days after the Confirmation Date or such Administrative Expense Claims shall be disallowed and forever barred.

Any Creditor or party in interest having any Claim or Cause of Action against the Debtor, or against any Professional Persons relating to any actions or inactions in regard to the Bankruptcy Case, must pursue such Claim or Cause of Action by the commencement of an adversary proceeding within 30 days after Confirmation of the Plan, or such Claim or Cause of

Action shall be forever barred and released. Nothing in this Section shall be construed to affect the Bar Date for filing pre-petition Claims against the Debtor.

The Office of the United States Trustee shall not be obligated to file any Proof of Claim for either pre-confirmation or post-confirmation fees owed by the Debtor for and on account of the U.S. Trustee Quarterly Fees.

II. Retirement Benefits

The Debtor provides retirement benefits to its employees. Pursuant to Bankruptcy Code Section 1129(a)(13), after the Effective Date, and pursuant to this Plan, the Reorganized Debtor will provide, and continue to provide, for the continuation of retiree benefits to its employees, as that term is defined under Bankruptcy Code Section 1114, at the level established per Bankruptcy Code Section 1114, and for the period of time that the Debtor and the Reorganized Debtor have obligated themselves to provide such benefits.

II. DESIGNATION AND TREATMENT OF UNCLASSIFIED CLAIMS

A. Designation

Unclassified Claims consist of the following:

1. Administrative Expense Claims: Allowed Administrative Expense Claims as defined above; and
2. Priority Tax Claims: Allowed Claims entitled to priority pursuant to Bankruptcy Code Section 507(a)(8).

B. Treatment

1. Administrative Expense Claims: Except to the extent that the Holder has agreed to different and/or less favorable treatment of such Claim, each Holder of an Allowed Administrative Expense Claim shall be paid in Cash the Allowed amount of such Claim on the

later of (i) the Effective Date, or (ii) the entry of a Final Order approving such Claim; provided, however, that Administrative Expense Claims that represent expenses, debts, or liabilities incurred by the Debtor in the ordinary course of business from and after the Petition Date shall be assumed and paid in the order and course of the administration of the Debtor's affairs in accordance with the terms and conditions of any agreements relating thereto.

The Administrative Expense Claims will be paid proportionally by all three estates – the WDC Bankruptcy Case, Fansteel Bankruptcy Case, and WDMA Bankruptcy Case.

2. Priority Tax Claims: Except to the extent that the holder of a particular Allowed Priority Tax Claim has agreed to a different and/or less favorable treatment of its Claim, such holder will receive on account of such Claim either: (i) in the case of an Allowed Secured Priority Tax Claim, payment in Cash by the Reorganized Debtor the allowed amount of such Secured Priority Tax Claim on the later of the Effective Date or the date such Claim becomes an Allowed Claim; or (ii) the holder of such a Claim will receive on account of such Claim regular installment payments in Cash, of a value, as of the Effective Date of the Plan, equal to the allowed amount of such Claim. In the event the holder of such a Claim will receive deferred Cash payments, such Claim holder shall receive equal monthly installments of principal and interest beginning on the first day of the month following the Effective Date and amortized over a period equal to but not exceeding five (5) years after the Petition Date, with such equal monthly installments based on the allowed amount of such Claim with interest thereon calculated pursuant to Bankruptcy Code § 511. The treatment proposed for Priority Tax Claims as outlined above also applies to any claims that are secured by perfected tax liens. Secured tax creditors shall retain their liens until the claims are paid in full.

III. CLASSIFICATION AND TREATMENT OF IMPAIRED AND UNIMPAIRED CLASSES AND INTERESTS

Classes 1 and 8 are Unimpaired under the Plan. Classes 2-7, and 9-17 are Impaired under the Plan.

The following is a description of all Classes of Claims and Interests other than the Unclassified Claims, and their treatment under the Plan.

A. Class 1 – Allowed Priority Non-Tax Claims

1. Classification: Class 1 consists of Allowed Priority Non-Tax Claims accrued and owing as of the Petition Date and entitled to priority pursuant to Bankruptcy Code Sections 507(a)(1), (4), (5), (6) or (7). The Debtor is informed and believes that there are two Section 507(a)(4) Class 1 Claims, that of IAM National Pension Fund, the Operating Engineers Local #234 Fringe Benefits Fund and GMP and Employers Pension Plan. Class 1 is Impaired.

2. Treatment: Except to the extent that the Holder of an Allowed Class 1 Claim has agreed to different and/or less favorable treatment of such Claim, each Holder of an Allowed Class 1 Claim shall be paid in Cash the Allowed amount of such Claim on the later of (i) the Effective Date or (ii) the entry of a Final Order approving such Claim.

B. Class 2 – Allowed Secured Claim of TCTM Financial FS LLC

1. Classification: Class 2 consists of the Allowed Secured Claim of TCTM Financial FS LLC (“TCTM”), which includes obligations owing both before and after the Petition Date by the Debtor to TCTM. TCTM filed a Proof of Claim asserting a secured claim in the amount of \$30,569,860.12 as of the Petition Date, based on certain promissory notes and security agreements referenced and itemized in its Proof of Claim, identified as Claim No. 53 of the Court’s Claim Register in this Case. The promissory notes and security agreements were assigned to TCTM from Fifth Third Bank on or about September 1, 2016, as described in TCTM’s Proof of Claim.

The Debtor does not dispute the TCTM Proof of Claim, except for one issue: the Debtor disputes the full amount claimed for “Other Unpaid Fees”. TCTM claims \$357,530.02 for “Other Unpaid Fees” on its Proof of Claim. After review of additional documentation and information provided by Fifth Third Bank concerning this amount, the Debtor asserts that at least \$292,364 of that \$357,530.02 was included in the “Revolver Balance” on the Proof of Claim. As such, the Debtor believes the Proof of Claim is overstated by \$292,364 (the “Disputed Unpaid Other Fees”), plus a credit for an amount of interest the Debtor asserts it has been paying interest twice on that amount (the “Interest Credit”). TCTM has agreed to withdraw the disputed portion in the amount of \$292,364 from its Claim.

TCTM has included on its Proof of Claim a line item of \$500,000 for the “Multi-Card” program on account of its credit backup to Fifth Third Bank which administered the Multi-Card program the Debtor Fansteel used. Subsequent to the Petition Date, the Debtor Fansteel’s Multi-Card program with Fifth Third Bank was terminated and the Debtor Fansteel paid all outstanding amounts then due to Fifth Third Bank. The Debtor here is further informed that upon termination of the Debtor Fansteel’s use of the Multi-Card program, TCTM was released of its credit backup obligation to Fifth Third Bank and \$500,000 of TCTM’s security for the credit backup was released by Fifth Third Bank to TCTM. The Debtor here therefore asserts it should be entitled to a reduction or other credit from TCTM for \$500,000 from its Proof of Claim (“Multi-Card Credit”).

There is currently pending a motion by the Debtor Fansteel, proposing to sell its American Sintered Technologies (“AST”) division, and TCTM will be receiving net sale proceeds and additional funds in connection with that sale on account of its security interests on those assets. The Debtor herein asserts that it will be entitled to a credit for the net sale proceeds and additional funds (the “AST Credit”).

The Debtor is informed TCTM has and will continue to assert that its claim is subject to supplemental amounts for pre- and post-petition attorney fees and other reimbursable expenses provided for under its promissory notes and security documents. TCTM also asserts that it is entitled to the payment of additional interest accrued pursuant to the terms of its promissory notes and loan documents given the default status of the notes. The Class 2 Claim is Impaired.

2. Treatment: On the Effective Date, the Holder of the Class 2 Claim will be paid in full on account of its Allowed Pre-Petition Claim, in Cash, less the credits for the Disputed

Unpaid Other Fees, the Interest Credit, the AST Credit and the Multi-Card Credit in the amount of \$500,000.

TCTM's Allowed Secured Claim will further be adjusted pending resolution of TCTM's request for payment of professional fees under Bankruptcy Code Section 506. The Debtor will pay the full amount asserted by TCTM for professional fees into a separate escrow account until allowance and payment of TCTM's professional fees is authorized by either stipulation or Court order (the "Post-Confirmation Attorney Fee Reserve").

The Class 2 Claim shall be paid from a combination of the New Senior Secured Credit Facility, and the New Value Equity Investment Cash, in addition to the credits referenced above and the Letters of Credit ~~Credit~~. On the Effective Date, the Class 2 Claim Holder shall release all liens, claims and encumbrances on all the assets of the Fansteel, [Wellman Dynamics Corporation](#) ("WDC;"), and [Wellman Dynamics Machinery & Assembly Inc.](#) ("WDMA") cases.

C. Class 3 - Allowed Secured Claim of Fifth Third Bank

1. Classification: Class 3 consists of the Allowed Secured Claim of Fifth Third Bank, which includes obligations owing both before and after the Petition Date by the Debtor to Fifth Third Bank. Without limiting the foregoing, such Claim includes amounts allowed under Bankruptcy Code Section 506(b). The Reorganized Debtor will not object to the Allowed Secured Claim of Fifth Third Bank. The Debtor estimates that as of the Effective Date, the amount owed to Fifth Third Bank will be approximately \$1,587,532.74. The Class 3 Claim is Impaired.

2. Treatment: Fifth Third Bank's responsibility for providing the Letters of Credit will be cancelled on the Effective Date and TCTM's credit backing of the Letters of Credit will be released and shall be a credit against TCTM's Claim in Class 2. The Debtor's New Senior Secured Credit Facility will provide replacement Letters of Credit.

D. Class 4 – Allowed Secured Claim of William F. Bieber dba ATEK

1. Classification: Class 4 consists of the Allowed Secured Claim of William F. Bieber dba ATEK ("Bieber"). The Reorganized Debtor does not dispute the Allowed Secured Claim of Bieber. The debt owed to Bieber is a result of commissions that were agreed to, but never paid, as part of the asset purchase agreement with Progress Casting. The amount owed to Bieber is approximately \$6,549,998.12. The Class 4 Claim is Impaired.

2. Treatment: The Holder of the Class 4 Claim shall be paid 100% of the Allowed amount of such Claim and paid in full in Cash within five (5) years of the Effective Date. The payment obligation on account of the Class 4 Claim shall be evidenced by a five year promissory note, which shall have a 15-year amortization, accruing interest at 6% per annum, and be interest-only payments for the first year, with added principal payments of \$50,000 each on or before July 15, 2017 and December 15, 2017. The note will be amortized on a graduated payment schedule. Upon confirmation, the judgment lien shall be released and replaced with the mortgage. Such mortgage will be junior and subordinate to the New Senior Secured Credit Facility.

To the extent Bankruptcy Code Section 1111(b)(2) is applicable, the parties are deemed to have made such election.

E. Class 5 – Allowed Secured Claim of Cedar Valley Bank & Trust

1. Classification: Class 5 consists of the Allowed Secured Claim of Cedar Valley Bank & Trust (“Cedar Valley”), on account of that certain Energy Efficiency Loan. The Debtor does not dispute Cedar Valley’s Proof of Claim, which is assigned Claim No. 6 on the Court’s Claim Register. The Debtor owes the Class 5 Claim Holder \$284,334.61 as of the Petition Date, with 42 payments remaining on the loan. The Class 5 Claim is Impaired.

2. Treatment: On the Effective Date, the interest rate on the Energy Efficiency Loan will be modified and reduced from 7.0% to 4.75%. Beginning on the Effective Date, the Reorganized Debtor will pay the Class 5 Claim in full in payments of interest only in the amount of \$1133.19 for the first four quarters and principal and interest in the amount of \$7,411.93 with balloon payment of \$93,747.25 on October 1, 2020. The Class 5 Claim holder will retain its lien until Class 5 Claim is paid in full.

F. Class 6 - Allowed Secured Claim of Gardenia Ventures, LLC

1. Classification: Class 6 consists of the Allowed Secured Claim of Gardenia Ventures, LLC (“Gardenia”), which includes money owed for property taxes, interest, and fees as a result of a tax sale on June 15, 2015. The Debtors estimate that as of the Effective Date, the amount owed to Gardenia will be approximately \$244,984.00. The Class 6 Claim is Impaired.

2. Treatment: On the Effective Date, the Holder of the Class 6 Claim will be paid in full in Cash.

G. Class 7 - Allowed Secured Claim of MCH Systems, LLC

1. Classification: Class 7 consists of the Allowed Secured Claim of MCH Systems, LLC (“MCH”). The Debtor estimates that as of the Effective Date, the amount owed to MCH will be approximately \$4,274.65. The Class 7 Claim is Impaired.

2. Treatment: On the Effective Date, the Holder of the Class 7 Claim will be paid in full in Cash.

H. Class 8 – Disputed and Disallowed Secured Claims and Judgment Liens against Real Estate

The Class 10 Claim shall be treated in accordance with all the terms and conditions of all previously executed documents respecting the Class 10 Claim, and the legal, equitable or contractual rights to which the Class 10 Claim Holder is entitled shall not be altered, except as expressly modified herein. K. Class 11 - Allowed Secured Lease Claim of Vision Financial Group, Inc.

The estimated cure amount is \$3,261.00.

L. Class 12 – Allowed Unsecured Administrative Convenience Class Claims

1. Classification: Class 12 is an Administrative Convenience Class pursuant to Bankruptcy Code Section 1122(b). Class 12 consists of each Unsecured Claim against the Debtor that is not otherwise entitled to priority, that is not otherwise classified in this Plan, and that meets either of the following two requirements: (i) the Holder of such Claim asserts Unsecured Claims in the aggregate against the Debtor of \$7,500.00 or less; or (ii) if the Unsecured Claims of a Creditor exceed \$7,500.00, the Holder of such Claims irrevocably elects to limit the total of all Unsecured Claims held by such Holder against the Debtor to no more than \$7,500.00. The Debtor believes that as of the Petition Date, there are approximately Two Hundred and Nineteen (219) Class 12 Claim totaling approximately \$405,461 (without regard to any Holders of Class 13 Claims that may elect Class 12 treatment). The list of Class 12 claims is attached hereto as Exhibit “A” and incorporated by reference herein. Class 12 is Impaired.

2. Treatment: Except to the extent that a Holder of a particular Class 12 Claim agrees to different and/or less favorable treatment of its Claim, each Holder of an Allowed Class 12 Claim shall receive, in exchange for and in full satisfaction of such Claim, a Cash payment equal to 75% of the Allowed amount of such Claim, without interest, within Thirty (30) days of the Effective Date. Any Creditor asserting Unsecured Claims totaling more than \$7,500.00 in amount that wishes to elect Class 12 treatment of its Unsecured Claim must make such election on the ballot accompanying this Plan.

M. Class 13 - Allowed General Unsecured Claims

1. Classification: Class 13 consists of all Allowed General Unsecured Claims that are: (i) against the Debtor and not otherwise entitled to priority; (ii) are not held by an insider of the Debtor, as that term is defined in the Bankruptcy Code, and (iii) not otherwise classified above. ~~The Creditors whose Claims are included in Class 13 are primarily trade Creditors who continue to do business with the Debtor, and whose Claims amount to less than the dollar volume (on a yearly basis) of their ongoing business with the Debtor. There are~~ There are approximately Sixty Seven (67) Claims in Class 13, and the total amount of such Claims is approximately \$6,398,440. The list of Class 13 Claims is attached hereto as Exhibit “B” and incorporated by reference herein. Class 13 is Impaired.

2. Treatment: Each holder of a Class 13 Claim shall receive, in exchange for and in full satisfaction of such Claim, a Dividend, in Cash, in deferred quarterly payments, with the first

payment being on the Effective Date, and subsequent payments within Ninety (90) days thereafter, for a period not to exceed Five (5) years from and after the Effective Date. The quarterly dividend shall be divided Pro-Rata among all Class 13 Claim Holders based on the amount of their respective Allowed General Unsecured Claims. The Debtor estimates that the minimum total amount of such dividends to be paid on all Allowed Class 13 Claims shall be equal to 100% of such Claims, plus interest at 3.0% per annum, as and from the Effective Date. The Class 13 Claims will be paid through the Debtor WDC's Bankruptcy Estate and not by the Fansteel Bankruptcy Estate or the WDMA Bankruptcy Estate.

Holdings of Allowed Class 13 Claims may elect to receive Thirty Percent (30%) of their Allowed Claim paid in Cash on the Effective Date in complete satisfaction of their Allowed Claim. It is estimated that the unsecured creditors will receive full repayment from the Collateral Trust. Class 13 Claim Holders may elect one of two options. For the first option, the Class 13 Claim Holders may elect to receive one hundred percent (100%) of their Allowed Claim within five (5) years plus annual amortized interest of 3% as follows: (a) the first four (4) quarters (Quarters 1-4) shall receive a payment of interest only and the first payment shall be made within thirty (30) days from the Effective Date; (b) the next fifteen (15) quarters (Quarters 5-19) shall receive a payment of principal and interest and payment shall be made in advance within ten (10) days from the first day of each quarterly payment; and (c) the one final payment (Quarter 20) of accrued interest and principal is due as a full settlement no later than the end of the final amortization day. These payments are discretionary in only one instance – the New Senior Secured Credit Facility may require a minimum EBITDA in excess of fixed charge obligations. The Debtor anticipates a minimum of 1.1 ratio, which means that the Debtor needs 10% more cash flow than what it is obligated to pay to the bank, before the Debtor can make other debt payments. The Debtor's projections indicate that it will always exceed the minimum fixed charge coverage ratio and therefore the Debtor anticipates payments will not need to be discretionary and will be made as scheduled.

The second option for Holders of Class 13 Claims is to elect to receive thirty percent (30%) of their Allowed Claim paid in full on the Effective Date in complete satisfaction of their Allowed Claim. If Holders of Allowed Class 13 Claims wish to elect to receive payment of Thirty Percent (30%) of their Claim in full satisfaction of said Claim, they must clearly select such option on their Ballot and timely submit same by the Ballot Deadline.

Pursuant to Bankruptcy Code § 1111(a), a Proof of Claim is deemed filed under Bankruptcy Code § 501 for any Claim that appears in the Debtor's schedules, except for Claims that the Debtor specifically scheduled as disputed, contingent and/or unliquidated. In the case where the Debtor duly scheduled Claims as either disputed, contingent and/or unliquidated, and no Proof of Claim was timely filed by such Claim holder, such scheduled debt shall not be deemed a Claim, and shall not participate in this Plan or receive any dividend on account of such scheduled debt under Class 13 treatment.

The Reorganized Debtor shall be entitled and authorized to immediately pre-pay all the Class 13 Claim Holders in an amount equal to 100% of their respective Allowed Class 13 Claims, with interest, at the Debtor's sole discretion, and any such pre-payment shall be in full and complete satisfaction of its obligations under the Plan, and be a discharge of its obligations to pay any further dividend to Allowed Class 13 Claim holders.

All Allowed Class 13 Claims shall be deemed assigned to the Collateral Trust; in exchange, each Holder of an Allowed Class 13 Claim shall receive a Pro Rata beneficiary's interest in the Collateral Trust, such Pro Rata interest to be based on the Allowed amount of each Class 13 Claim. The payment obligation on account of the Class 13 Claims shall be evidenced by the Class 13 Promissory Note payable to the Collateral Trust and executed by the Reorganized Debtor, who shall be liable for payment of the Class 13 Promissory Note.

The initial principal amount of the Class 13 Promissory Note shall be equal to (i) the total of all Class 13 Claims against the Debtor, except such Class 13 Claims as have been disallowed or otherwise fixed in a lesser amount by a Final Order of the Bankruptcy Court entered before the Effective Date, ~~or (ii) such lesser amount as the Bankruptcy Court may designate as a result of a proceeding to estimate Claims pursuant to Bankruptcy Code Section 502(c).~~ The principal amount of the Class 13 Promissory Note shall be adjusted (the "Adjusted Principal Amount") to reflect (a) any Class 13 Claims that are increased, reduced, or disallowed by a Final Order of the Bankruptcy Court entered after the Effective Date, and (b) any Class 13 Claims the Holders of which elected to have their Class 13 Claims treated in accordance with Class 12 Claims. Likewise, the principal balance of the Class 13 Promissory Note shall be adjusted to reflect principal payments made pursuant to this Plan.

The Class 13 Promissory Note shall provide for interest at the rate of three percent (3.0%) per annum, and shall be paid in quarterly installments (the "Class 13 Quarterly Payments") as follows: (i) the first quarterly payment due date shall be made on the Effective Date, and (ii) each successive quarterly payment due date shall be exactly three months after the immediately preceding payment due date (each, a "Class 13 Quarterly Payment Date").

To the extent any Class 13 Quarterly Payment Date falls on a day that is not a Business Day, the payment to be made on such date shall be made on the next Business Day. The Class 13 Promissory Note may be prepaid without penalty. The Reorganized Debtor shall receive credit for any payments that are excess payments due to adjustments in the principal amount of the Class 13 Promissory Note, with any such credits being applied against the next due Class 13 Quarterly Payment.

The Reorganized Debtor shall satisfy its payment obligations under the Class 13 Promissory Note by making payments directly to holders of Allowed Class 13 Claims, each Claimant to receive a Pro Rata portion of the payment then due under the Class 13 Promissory Note based on the amount of such Claimant's Allowed Claim.

The Reorganized Debtor shall create a Contested Claims Reserve consisting of one hundred percent (100%) of the principal amount of (i) any Class 13 Claims that are, as of the Effective Date, Contested Claims; and (ii) Claims that become Contested Claims by the filing of an objection to such Claims. If a Contested Class 13 Claim becomes Allowed, the Holder of such Class 13 Claim shall be entitled to catch-up distributions from the Contested Claims Reserve beginning on the next Class 13 Quarterly Payment Date; provided, however, that if the Contested Class 13 Claim becomes Allowed after all Class 13 Quarterly Payments have been made, the Holder of such Class 13 Claim shall be entitled to a single catch-up distribution within ten (10) days of entry of a Final Order allowing the Class 13 Claim to be paid in full. If a

Contested Class 13 Claim is disallowed (in part or in whole), an amount of the Contested Claims Reserve equal to the disallowed amount shall be released to the Reorganized Debtor.

~~To the extent that the principal amount of the Class 13 Promissory Note and the Contested Claim Reserve are insufficient to pay all Allowed Class 13 Claims, the Reorganized Debtor shall continue to be responsible for paying all Allowed Class 13 Claims.~~

Any Holder of a Class 13 Claim that elects Class 12 treatment pursuant to the provisions set forth below shall be deemed to have irrevocably waived any Class 13 Claim that such Holder otherwise may have.

3. Security: To secure the Reorganized Debtor's obligations under the Class 13 Promissory Note, the Reorganized Debtor shall grant the Collateral Trust Security Interest to the Collateral Trust. The Collateral Trust Security Interest shall be a first priority security interest subordinate only to (a) the security interest held by the New Senior Secured Credit Facility; and (b) any purchase-money security interests in leased tangible personal property assets.

The Collateral Trust Security Interest is valid, perfected, enforceable and effective as of the Effective Date, in all of the Debtor's assets and interests except real estate, without any further action by the Collateral Trust and/or the Collateral Trustee and without the necessity of the execution, filing or recordation of any financing statements, security agreements or other documents. Notwithstanding the foregoing, the Collateral Trust and/or the Collateral Trustee shall be authorized, but not required, to file or record financing statements, trademark filings, notices of lien or similar instruments in any jurisdiction, or take any other action in order to validate and perfect such liens and security interests. The Collateral Trust Security Interest shall continue and remain perfected in any collateral that is the subject of any unauthorized transfer of property by the Debtor and/or Reorganized Debtor.

The Collateral Trust shall execute documentation reasonably necessary to effectuate any subordination of security interests authorized by this Plan, the Subordination Agreement, or ordered by the Bankruptcy Court.

4. Default: An event of default shall occur if the Reorganized Debtor (a) fails to make any regular payment under the Class 13 Promissory Note when such payment is due; (b) fails to remit the proceeds of any of the Collateral Trust's collateral as required by this Plan and as set forth in the Collateral Trust Agreement and the Class 13 Promissory Note; (c) subordinates the Collateral Trust Security Interest in an amount exceeding \$40,000,000 without the express written consent of the Collateral Trustee; or (d) sells, disposes of or otherwise compromises the collateral securing the Collateral Trust Security Interest outside the ordinary course of business without the express written consent of the Collateral Trustee. The Collateral Trustee is permitted, in his sole discretion, and subject to any restrictions in the Collateral Trust Agreement, to exercise default remedies in the event one of the above defaults is committed, pursuant to this Plan, the Collateral Trust Agreement or the Class 13 Promissory Note.

N. Class 14 – Allowed Claims Filed by the Pension Benefit Guaranty Corporation Relating to the Wellman Dynamics Corporation Salaried Employees Retirement Plan

Class 14 consists of the Allowed Claims filed by the Pension Benefit Guaranty Corporation (“PBGC”) relating to the Wellman Dynamics Corporation Salaried Employees Retirement Plan.

WDC sponsors and maintains a defined benefit pension plan known as the Wellman Dynamics Corporation Salaried Employees’ Retirement Plan (the “Pension Plan”). The Pension Plan is covered by Title IV of the Employee Retirement Income Security Act of 1974, as amended 29 U.S.C. §§ 1301-1461 (2012, Supp. II 2014) (“ERISA”).

The PBGC is the wholly-owned United States government corporation and agency of the United States created under Title IV of ERISA to administer the federal pension insurance programs and enforce compliance with the provisions of Title IV. PBGC guarantees the payment of certain pension benefits upon termination of a pension plan covered by Title IV.

WDC and all members of its controlled group are obligated to pay the contributions necessary to satisfy the minimum funding standards under sections 412 and 430 of the Internal Revenue Code (“IRC”) and sections 302 and 303 of ERISA. 26 U.S.C. § 412(c)(11), 29 U.S.C. § 1082(c)(11).

The Pension Plan may be terminated only if the statutory requirements of either ERISA section 4041, 29 U.S.C. § 1341 or ERISA section 4042, 29 U.S.C. § 1342, are met. In the event of a termination of the Pension Plan, WDC and all members of its controlled group are jointly and severally liable for the unfunded benefit liabilities of the Pension Plan. *See* 29 U.S.C. § 1362(a). WDC and all members of its controlled group are also jointly and severally liable to PBGC for all unpaid premium obligations owed by WDC on account of the Pension Plan. *See* 29 U.S.C. § 1307.

Class 14 is partially secured by a 2009 mortgage on certain assets of Intercast.

The Debtors have decided to continue and maintain the Pension Plan. They will fund the Pension Plan in accordance with the minimum funding standards under the Internal Revenue Code and ERISA, pay all required PBGC insurance premiums, and continue to administer and operate the Pension Plan in accordance with the terms of the Pension Plan and provisions of ERISA. ~~If~~Since the Pension Plan ~~remains~~will remain ongoing when the Debtors’ reorganization plan becomes effective, the ~~Debtors anticipate the claims (or portions thereof)~~PBGC’s contingent on Pension Plan termination that were filed by PBGC in the Debtors’ bankruptcy casesProof of Claim No. 65 will be deemed withdrawn ~~or rendered moot~~.

The Class 14 Claim is Impaired.

No provision contained herein, the Plan of Reorganization, the Order Confirming the Plan of Reorganization, or section 1141 of the Bankruptcy Code, shall be construed as discharging, releasing or relieving any party, in any capacity, from any liability with respect to

the Pension Plan under any law, government policy or regulatory provision. PBGC and the Pension Plan shall not be enjoined or precluded from enforcing such liability or responsibility against any party as a result of any of provisions for satisfaction, release, injunction, exculpation, and discharge of claims in the Plan of Reorganization, Confirmation Order, Bankruptcy Code, or any other document filed in any of the Debtors' bankruptcy cases.

Should WDC fail to make any of the Class 14 claims payments, ~~WMDA~~WDMA and, or, Fansteel shall pay the balance owed.

1. Class 14a – Contingent Unfunded Benefit Liabilities Claim, payable to PBGC

PBGC filed an estimated contingent claim in the Debtors' jointly administered bankruptcy cases against each Debtor, jointly and severally, for unfunded benefit liabilities owed upon Pension Plan termination in the approximate amount of \$5,538,828. The Class 14a Claim is contingent upon termination of the Pension Plan pursuant to 29 U.S.C. §§ 1341-1342. If the Pension Plan is terminated as of the Effective Date and the Effective Date occurs, the Class 14a Claim shall be paid in full to PBGC. If the Pension Plan is not terminated as of the Effective Date, the Class 14a Claim shall be deemed withdrawn and the PBGC shall receive no dividend under the Plan for the Class 14a Claim.

2. Class 14b – Minimum Funding Contributions Claim, payable to the Pension Plan

PBGC filed, on behalf of the Pension Plan, estimated claims of \$565,695 for minimum funding contributions owed to the Pension Plan. \$16,578 of the Class 14b Claim is asserted against WDC and all members of its controlled group as a whole. This portion of the claim is entitled to administrative expense priority under Bankruptcy Code Section 507(a)(2) and shall be paid on the Effective Date.

\$26,904 of the Class 14b Claim is asserted as priority against the plan sponsor only, and entitled to priority under Bankruptcy Code Section 507(a)(5). This portion of the claim shall be treated as a priority non-tax claim under Class 1 and shall receive, in exchange for and in full satisfaction of such Claim, a Dividend, in Cash, in deferred quarterly payments, with the first payment being on the Effective Date, and subsequent payments within Ninety (90) days thereafter, for a period not to exceed three (3) years from and after the Effective Date.

The remainder of the Class 14b Claim shall be treated as a general unsecured claim under Class 13. All Class 14b Claim payments shall be made to the Pension Plan.

3. Class 14c – Statutory Premiums Claim, payable to PBGC

PBGC filed estimated, secured claims of \$99,736.89 for statutory premiums owed to PBGC. If the Pension Plan terminates in a distress termination pursuant to 29 U.S.C. §§ 1341(c)(2)(B)(ii) or (iii), or in an involuntary termination under 29 U.S.C. § 1342, before the Effective Date, statutory termination premiums may also arise. *See* 29 U.S.C. § 1306(a)(7).

The Class 14c Claim shall be treated as an Allowed Secured Claim and shall receive, in exchange for and in full satisfaction of such Claim, a Dividend, in Cash, in deferred quarterly payments, with the first payment being on the Effective Date, and subsequent payments within Ninety (90) days thereafter, for a period not to exceed Five (5) years from and after the Effective Date. The Debtor estimates that the minimum total amount of such dividends to be paid on the Allowed Class 14c Claim shall be equal to 100% of such Claim, plus interest at 3.0% per annum, as and from the Effective Date.

All Class 14c Claim payments shall be made to PBGC.

4. Class 14d – Settlement Agreement Claim, payable to the Pension Plan

PBGC filed a claim for \$791,670 against Fansteel, Inc. (“Fansteel”) and WDC based on the provisions of a September 8, 2015 settlement agreement. This secured interest carries through the Effective Date and will remain in place until satisfied.

The Class 14d Claim shall be treated as an Allowed Secured Claim and shall receive, in exchange for and in full satisfaction of such Claim, a Dividend, in Cash, in deferred quarterly payments, with the first payment being on the Effective Date, and subsequent payments within Ninety (90) days thereafter, for a period not to exceed Five (5) years from and after the Effective Date. In accordance with the terms of the settlement agreement, all Class 14d payments shall be made to the Pension Plan. The Debtor estimates that the minimum total amount of such dividends to be paid on the Allowed Class 14c Claim shall be equal to 100% of such Claim, plus interest at 3.0% per annum, as and from the Effective Date.

O. Class 15 – Allowed Unsecured Claim of Iowa State Savings Bank (Creston Decommissioning Trust)

1. Classification: The Debtor is the Grantor, and Iowa State Savings Bank is the Trustee, of that certain Wellman Dynamics Industrial Monofils Financial Assurance Trust Dated November 5, 2008, (the “Decommissioning Trust”), related to the Debtor’s Creston, Iowa site. Iowa State Savings Bank has not filed a Proof of Claim as of the filing of this Plan. The Class 15 Claim is Impaired.

It is the position of the United States, on behalf of the Environmental Protection Agency (“EPA”), that WDC is liable to the United States to comply with Resource Conservation and Recovery Act (“RCRA”) and applicable regulations to perform an Administrative Order on Consent (“AOC”), Docket No. RCRA-07-2003-0167, which requires WDC to perform a RCRA Facility Investigation (“RFI”) and a Corrective Measures Study (“CMS”) related to the facility owned and operated by WDC in Creston, Iowa (the “Wellman Facility”). The purpose of the RFI is to determine the nature and extent of releases of hazardous waste or hazardous constituents from regulated Solid Waste Management Units (“SWMUs”) and other areas of concern at the WDC Facility and to gather necessary data to support the CMS, if required. Based on the results of the RFI, the EPA will determine whether a CMS must be performed to develop, evaluate and recommend the corrective action alternative(s) to be taken at the WDC Facility.

Under Fansteel's 2003 Reorganization Plan, WDC was required to maintain an irrevocable standby letter of credit, in the face amount of \$60,790, naming EPA as beneficiary, for purposes of establishing and maintaining RCRA financial assurance for the closure and post-closure of the Waste Acid Dump Pit (also known as SWMU #11) in accordance with the requirements of 40 C.F.R. § 265, Subpart H.

As required by the AOC, WDC submitted to EPA a RFI Work Plan in September 2005. The RFI Work Plan was approved by EPA in September 2006. A Facility Field Investigation was commenced by WDC in October 2006. In March 2009, WDC submitted to EPA an addendum to the RFI Work Plan recommending addition rounds of soil and groundwater sampling and analysis. On November 24, 2015, EPA approved off-site groundwater monitoring well locations for collection for additional groundwater data to determine the extent of groundwater contamination which has, or may have, resulted from releases of hazardous waste or hazardous constituents from regulated units, SWMUs and other areas of concern at the WDC Facility.

It is the position of the United States that WDC is obligated to complete the RFI, including the installation of groundwater monitoring wells beyond the WDC Facility property boundary to the extent it is feasible and, if necessary, perform a CMS in compliance with C.F.R. §§ 265.143 and 265.142(b).

2. Treatment: The Debtor will assume and affirm its obligations under the Decommissioning Trust. The Allowed amount of the Class 15 Claim shall be assumed by the Reorganized Debtor as of the Effective Date. The Debtor and Reorganized Debtor will continue to make regular payments during the period after the Petition Date and prior to the Effective Date, and after the Effective Date. Any unpaid sums due for pre- and post-petition charges and payments shall be paid in full, in Cash, on or before the Effective Date, unless the Class Claim Holder agrees to different and/or less favorable treatment. The Class 15 Claim shall be treated in accordance with all the terms and conditions of all previously executed documents respecting the Class 15 Claim, and the legal, equitable or contractual rights to which the Class 15 Claim Holder is entitled shall not be altered, except as expressly modified herein.

P. Class 16 –Subordinated Unsecured Claims of Insiders

1. Classification: Class 16 consists of all Allowed Subordinated Unsecured Claims held by an Insider of the Debtor against the Debtor. The Debtor believes that there is no Person who can be deemed an Insider that has a Claim or Claims against the Debtor; however, to the extent that any such Insider may have a Claim against the Debtor, the Claim shall not be classified and treated as Secured but shall be classified and treated under this Class 16. The Class 11 Claims are Impaired.

2. Treatment: The holder of a Class 16 Claim shall receive nothing under the Plan, unless the Debtor provides a 100% dividend to all holders of Allowed Claims in Classes 1 through 15 inclusive. Notwithstanding the foregoing payment provisions, in the event (1) the Debtor pays a 100% dividend plus interest to all Class 13 Claim holders; (2) should there be holders of Class 16 Claims; and (3) the Debtor has the ability to pay a dividend to the holders of Class 16 Claims, such dividend shall be subordinated to Claims of Classes 1 through 15 under

the Plan such that no payment shall be made on account of any Class 16 Claims unless and until: (1) the Allowed Claims of Class 13 have been paid in full; and (2) the Debtor is current with respect to its payment obligations to holders of Allowed Claims in Classes 1 through 15.

Subordination of Insider Claims is not required under the Bankruptcy Code; however, the Plan's subordination of such Claims reflects the Debtor's belief that the Claims of other Creditors of the Debtor generally should be paid before the Debtor pays Insiders.

Q. Class 17 – Equity Interests

Class 17 consists of the Equity Interests in the corporate Debtor represented by all of the issued and outstanding shares in the Debtor, as of the Petition Date. The shares of the corporate Debtor are owned by Fansteel. All Class 17 Equity Interests shall be cancelled as of the Effective Date. All of the Equity Interests in the Reorganized Debtor shall be held by 510 Ocean Drive Debt Acquisition, LLC ("510 Ocean Drive"). Class 17 is Impaired.

R. Reservation of Rights on Classification Disputes

In the event any Creditor challenges its classification under the Plan, the Debtor reserves the right to seek Court determination of the appropriate classification. Such determination shall not be a condition precedent to confirmation of the Plan and may be effected through the Claims Objection process. Should the Creditor prevail in its classification challenge, such Creditor shall be treated under the Plan as if such Creditor were classified as so determined. In addition, the classification of Claims in specific classes is not an admission of the ultimate validity, enforceability, perfection, or liability of such Claims and the Debtor expressly reserve all rights with respect to any objections to or other litigation on such Claims.

IV. MEANS FOR IMPLEMENTATION OF THE PLAN

A. General Overview

After confirmation of the Debtor's Plan, the Reorganized Debtor will continue the same general business activities the Debtor was engaged in both pre- and post-petition, primarily that of operating a sand casting foundry producing some of the largest and most complex magnesium alloy and aluminum alloy castings in the world, primarily servicing the defense and aerospace industries, with the Reorganized Debtor maintaining its existing business form. The Reorganized Debtor will remain current on all of its post-Confirmation Date obligations while using profits, retained earnings, liquid estate property, and the proceeds from business operations to treat and retire Creditors' Claims as described above and as they may arise in the future.

The principal vehicle for implementation of the Plan shall be retirement of the TCTM Credit Facility, with it being replaced by a New Senior Secured Credit Facility, secured by the assets of Fansteel, WDC and WDMA. Additionally, the Debtor's exit financing strategy will include New Value Equity Investment Cash for the benefit of all three bankruptcy estates.

Any Unclassified Claims or Classified Claims that are not Allowed as of the Effective Date, but become Allowed Claims pursuant to a Final Order after the Effective Date, shall be

promptly paid after the Effective Date and after they have become Allowed Claims by Final Order of the Court as set forth in this Plan.

B. Fansteel Debt Converted to Equity in Wellman Dynamics

Fansteel's inter-company debt of \$32,106,036 owed to WDC shall be converted into WDC's 100% equity ownership of Fansteel. All prior equity interests in Fansteel shall be cancelled on the Effective Date.

C. Fansteel Debt to 510 Ocean Drive Converted to Equity in Wellman Dynamics

\$4,000,000 of the Fansteel Class 3 Claim of 510 Ocean Drive Claim in Fansteel shall be converted into a corresponding amount of Equity in Reorganized WDC. The remaining debt of Fansteel owed to the Fansteel Class 3 Claim Holder shall be subordinated.

D. New Senior Secured Credit Facility

The Debtor shall receive a corresponding share of the New Senior Secured Credit Facility to facilitate meeting its payment obligations under the Plan on the Effective Date.

The Debtors have identified The Huntington National Bank ("Huntington Bank") to provide its New Senior Secured Credit Facility. Huntington Bank will provide the Debtors with \$30,000,000 in exit financing and for working capital and other general corporate purposes including letters of credit on or before the Effective Date. The Debtor maintains that the February 15²³, 2017 ABL Proposed Structure Proposal Letter from Huntington Bank (the "Proposal Letter") and Preliminary Term Sheet Digest (the "Term Sheet") reflects reflect a bona fide offer already approved by Huntington Bank's loan committee and the Term Sheet will be memorialized in a commitment letter the week includes the signature of February 20, 2017 which will include signatures of the Debtor and bank representatives and Mr. Larry Swinney, Huntington Bank's Senior Vice President. The Proposal Letter contemplates payment by the Debtors of an initial payment deposit of \$60,000.00 to begin conduct a credit and due diligence investigation of the Debtors. The Debtors will provide such initial deposit upon execution of the Proposal Letter, but no later than March 3, 2017, as contemplated by the Proposal Letter. The Debtors anticipate that a fully-executed commitment letter from Huntington Bank will be provided prior to the Confirmation Date.

The Term Sheet requires, in addition to the New Value Equity Investment Cash from 510 Ocean Drive, an additional \$5 million infusion of cash collateral to secure the New Senior Secured Credit Facility. The Debtor anticipates that this additional \$5 million of cash collateral will be provided by 510 Ocean Drive. The Term Sheet further includes a provision for Huntington Bank to recapture 25% of the Debtors' excess cash flow to pay down the real estate loans.

The Term Sheet also incorporates the following fees:

- 1) Letter of Credit Fees equivalent to the revolving credit interest rate for LIBOR Rate loans plus Huntington Bank's issuance fees;
- 2) Upfront Fees equal to 1% of the aggregate proposed credit facility, which will be due and payable at closing, unless Huntington Bank issues a commitment letter prior to closing, in which case, 50% of the Upfront Fees will be due upon the issuance of the commitment letter with the remainder due at closing;
- 3) Unused Facility Fee accruing on the revolving credit facility at .375% per annum on the daily average unused portion of the revolving credit facility, payable monthly in arrears and on the maturity date;
- 4) Collateral Management and Collateral Evaluation Fee equal to \$9,750 per calendar month; and

Prepayment Fee of 3% of the aggregate commitment if prepaid within one year from the closing date; 1.5% of the aggregate commitment if prepaid in year two and .75% in year three and 0% thereafter; there is no Prepayment Fee if the Debtors refinance during this period with Huntington Bank.

E. New Value Equity Investment Cash

The Debtor shall receive a corresponding share of the New Value Equity Investment Cash to facilitate meeting its payment obligations under the Plan on the Effective Date.

~~510 Ocean Drive has committed to providing the New Value Equity Investment Cash.~~

510 Ocean Drive has executed an Acknowledgment and Agreement to provide the New Value Equity Investment Cash. The Acknowledgment and Agreement provides an acknowledgment by 510 Ocean Drive of its intent and ability to materially support the Plan, including the Bankruptcy Rule 3020(a) Plan provision for a Special Deposit Account prior to confirmation. It further provides that 510 Ocean Drive consents to provide the New Value Equity Investment Cash in an amount no less than \$7 million, subject to Huntington Bank's issued commitment to loan the Debtor \$30 million, and an absence of material adverse change in the finances and business of the Debtor in the 30 days preceding the funding date.

510 Ocean Drive is an entity in which Leonard Levie ("Levie") and Brian Cassady used to purchase a debt obligation from the PBGC from the Debtors' first bankruptcy in 2003. The PBGC had a lien against all of the property, plant, and equipment of Intercast. The debt note had a face value that was in excess of the property, plant, and equipment at Intercast. When the debt note that was purchased by 510 Ocean Drive became due, Fansteel was unable to pay it. As forbearance for the owners of the note not foreclosing the debt on Intercast, 510 Ocean Drive asked for improved security and at that time, a lien was placed against the property in Creston, Iowa. ~~Because recorded on April 7, 2014. On September 8, 2015, 510 Ocean Drive subordinated its security interest in all assets of all three Debtors to Fifth Third Bank did not perfect its lien including a collateral assignment of 510 Ocean Drive's mortgage interest on the Creston property, 510 Ocean Drive became the first and senior secured lien holder on the Creston property, recorded on September 21, 2015.~~ Shortly after 510 Ocean Drive perfected its lien on the Creston property, William ~~Beiber~~Bieber domesticated his lien interest on the Creston property. WDC

granted to Fifth Third Bank a mortgage on the Creston property on September 8, 2015, that was recorded on September 21, 2015, the same day as the recording of the subordination agreement and the collateral assignment of mortgage executed by 510 Ocean Drive in favor of Fifth Third Bank. On September 1, 2016, Fifth Third Bank assigned all of its security interests in and became the second secured lien holder on liens on the assets of the Debtors, including the Creston property, followed by Fifth Third Bank's interest to TCTM.

The Debtors maintain that 510 Ocean Drive is a secured creditor of the Debtors, holding a secured claim in the amount of \$6,153,485.23 as of September 13, 2016, with interest accruing at the rate of 8% per annum. The; and that the debt obligation owed by the Debtors to 510 Ocean Drive is secured by personal property of all three Debtors and a mortgage on certain real estate owned by WDC in Creston, Iowa, subject to the subordination in favor of Fifth Third Bank, now TCTM, described in the paragraph above. The Committee disputes these assertions by the Debtors.

The Plan provides for \$4,000,000 of 510 Ocean Drive's secured claim to be cancelled and converted into equity in Reorganized Debtor WDC. WDC will hold the equity in Reorganized Debtor Fansteel. The remaining portion of 510 Ocean Drive's secured claim, in the approximate amount of \$2,139,713.83, will continue accruing interest at 8% and will be subordinated to the New Senior Secured Credit Facility, Bieber, and the interests of the Collateral Trust and no payments will be made until all of the other Classes are satisfied. Further, Levie's equity interest in Fansteel will be cancelled as of the Effective Date without any payment. The equity of Fansteel is currently owned by Levie, personally and through various trusts by Levie, holding a super-majority. The remaining equity of Fansteel is currently owned by Brian Cassady and unidentified shareholders totaling less than 8% of the total shares outstanding.

In partial consideration of 510 Ocean Drive's commitment agreement to provide no less than \$7,000,000 in new cash New Value Equity Investment Cash to the Reorganized Debtors and agreement to cancellation and subordination of its secured claim and cancellation of its existing equity interests, the Plan provides for a transfer to 510 Ocean Drive of all of the Debtors' rights and interests in certain causes of action against TerraMar Capital and its officers, directors and affiliates related to or in connection with the Non-Disclosure Agreement executed by Fansteel and TerraMar Capital pre-petition, as described in Section "O" below. This assignment of the causes of action against TerraMar to 510 Ocean Drive is beneficial to 510 Ocean Drive as it believes that its members have been harmed by TerraMar and Josh Phillips. TCTM's position is that neither the Debtors, nor their successors and assigns, are entitled to bring any such causes of action against TerraMar Capital and its officers, directors and affiliates, including TCTM, by virtue of the proposed Order After Hearing Approving Debtor's First Amended Motion for Order Authorizing Final Use of Cash Collateral and Providing Post-Petition Liens (Docket Item No. 238) and the Court's Order dated November 4, 2016 (Docket Item No. 251). The Debtor disagrees with TCTM's position and has filed a Motion for Clarification as to Paragraph 19 of the Cash Collateral Order or in the Alternative Reformation of Paragraph 19 in the Fansteel Bankruptcy Case (Docket No. 609).

On
Prior to the Effective Confirmation Date, 510 Ocean Drive shall deposit the New Value Equity Investment Cash with into a Special Deposit Account pursuant to the Reorganized Debtor

~~WDC Bankruptcy Rule 3020(a) Plan provision~~ to enable all three Reorganized Debtors to make those Distributions required under each respective Plan. ~~The Cash deposited shall be kept in a special account established for the exclusive purpose of making those Distributions required under all three respective Plans.~~

After the organizational restructuring, 510 Ocean Drive will be the majority shareholder of Reorganized Debtor WDC and Levie will be the majority member of 510 Ocean Drive.

F. Satisfaction of Class 2 TCTM Allowed Secured Claim

The TCTM Allowed Secured Claim shall be paid in full on the Effective Date, pursuant to the treatment provided for Class 2 under the Plan. Upon satisfaction of the TCTM Allowed Secured Claim pursuant to the treatment accorded such Class 2 Claim, all of TCTM's liens, claims and encumbrances shall be released and satisfied.

G. Satisfaction of Class 3 Fifth Third Bank Allowed Secured Claim

Fifth Third Bank's responsibility for providing the Letters of Credit will be cancelled on the Effective Date and TCTM's credit backing of the Letters of Credit will be released and shall be a credit against TCTM's Claim in Class 2. The Debtor's New Senior Secured Credit Facility will provide replacement Letters of Credit.

H. Satisfaction of Class 4 William F. Bieber dba ATEK Allowed Secured Claim

The Bieber Allowed Secured Claim shall be paid within five (5) years of the Effective Date, pursuant to the treatment provided for Class 4 under the Plan. Upon satisfaction of the Bieber Allowed Secured Claim pursuant to the treatment accorded such Class 4 Claim, Bieber shall execute releases of security and assignments of contracts as set forth in the Plan.

I. Reorganization of the Debtor's Business Operations

The Debtor has made and is making changes to its business operations that have resulted and will result in substantially more efficient business operations and lower overhead costs. Such changes have caused and will cause reductions in operating expenses, and the Debtor believes that such changes will increase cash flow in the long term. The business projections accompanying the Disclosure Statement and/or this Plan are based on the Debtor's reorganized business operations and further detail the Reorganized Debtor's means for implementation of the Plan.

As discussed in Section "B" above, Fansteel will become a subsidiary of WDC upon the conversion of its inter-company debt owed to WDC into equity. A reasoned analysis of the cause of the company's bankruptcy in 2003 and the current bankruptcy case is that the company performance was not sufficient to meet the financial and funding obligations of FMRI. ~~As such~~ With Fansteel as the parent company, it previously relied upon its subsidiaries, including WDC, if it had insufficient funds to meet its costs of operation or to meet its obligations to FMRI, which is why there is inter-company debt owed by Fansteel to WDC.

To prevent this risk of Fansteel obtaining money from its subsidiaries to meet its obligations, the Debtors are reorganizing the business organizational structure with a debt to equity conversion of inter-company debt owed by Fansteel to WDC and moving WDC to the top of the organizational structure, with WDC as the consolidating parent entity. FMRI will ~~become~~ remain a wholly-owned subsidiary of Fansteel and FMRI funding will be provided from a subset of Fansteel EBITDA ~~and not from WDC~~. With this structure, future WDC earnings will not ~~be required or compelled to~~ leave WDC for the benefit of subsidiary entities relative to FMRI and the continuing environmental cleanup costs to Fansteel.

~~With WDC as the consolidating entity, it has no obligation to fund its subsidiaries. If it did fund its subsidiaries, though, the organizational structure provides that WDC would fund Fansteel and then Fansteel would fund FMRI.~~ As such, this distances FMRI from where the money is being generated through WDC and limits FMRI to a diet of payment from Fansteel's EBITDA. Therefore, there is no risk to WDC and rather a reduction of risk instead. The whole reorganization concept is being done to reduce/eliminate the risk that earnings are drawn from WDC for environmental obligations of Fansteel or otherwise at a rate that would risk another bankruptcy. The Debtors maintain that the benefit of reorganizing the business organizational structure to have WDC on top as the consolidating parent entity is that earnings can stay with WDC, which will benefit from badly needed capital investment that will improve product quality and company profitability.

The potential tax implications of this reorganized business organizational structure are explained in the Tax Analysis below.

The Plans provide for the reorganization of WDMA as part of the reorganization of the Debtors' business operations, even though WDMA has in the past had a negative cash flow. WDMA has under-performed from a lack of attention from the parent company. WDMA holds a substantial portion of TCTM collateral and the Debtors do not intend to sell WDMA until after performance has been improved, a track record of profitability has been established, and the Debtors locate a strategic buyer. Once performance has improved and a track record for profitability has been established, the Debtor believes it is reasonable to assume that a strategic buyer will pay at least the book value of the business, which is approximately \$1.5 million in accounts receivable, \$4.5 million in inventory, and \$1 million in machinery at an orderly liquidation value. It is not feasible to sell WDMA presently as there is too much debt owed to TCTM. The Debtor believes that WDMA has the potential to be high-performing. ~~#~~The Debtor believes it does not need more capital investment, it merely needs management attention. Therefore, the Debtor intends to use the collateral in WDMA as collateral for the New Senior Secured Credit Facility loan to pay off the amount owed to TCTM.

J. Collateral Trust

Prior to the Effective Date, the Class 13 Promissory Note, and the Collateral Trust Agreement shall be (a) executed and delivered to the Collateral Trust, and (b) recorded or filed as deemed necessary to perfect liens. The Collateral Trustee shall have the powers set forth in the Collateral Trust Agreement and shall hold and administer the Class 13 Promissory Note and the Collateral Trust Security Interest for the benefit of Holders of the Class 13 Claims. The Collateral Trust, through the actions of the Collateral Trustee, shall have the power to (i) execute

all appropriate documents and to take legal action on behalf of the Holders of the Class 13 Claims, including actions to enforce the Reorganized Debtor's obligations under the Class 13 Promissory Note, (ii) to distribute proceeds from any liquidation of collateral on a Pro Rata basis to the Holders of the Class 12 Claims based upon the unpaid Allowed Amount of each such Holder's Claim, and (iii) exercise default remedies in accordance with the Plan and any document related to the Plan, including without limitation, the Class 13 Promissory Note. The Collateral Trustee shall take actions in accordance with the Collateral Trust Agreement, and the Collateral Trust, through the actions of the Collateral Trustee, shall have the power to execute all appropriate documents and to take legal action on behalf of the Collateral Trust, including actions to enforce the Reorganized Debtor's obligations under the Class 13 Promissory Note and to distribute proceeds from any liquidation of collateral on a Pro Rata basis to Holders of Allowed Class 13 Claims based upon the unpaid Allowed Amount of each such Holders' Claims.

The Reorganized Debtor shall pay reasonable administrative costs incurred by the Collateral Trustee in taking action(s) on behalf of the Holders of the Class 13 Claims, and shall provide the Collateral Trustee with initial capital of \$5,000.00 (the "Capital Reserve"). The Capital Reserve may be increased in a reasonable amount upon request by the Collateral Trustee made to the Reorganized Debtor. In the event of a dispute regarding payment of administrative costs incurred by the Collateral Trust or regarding the amount of the Capital Reserve, the dispute shall be resolved by the Bankruptcy Court after notice and a hearing.

~~It is estimated that the unsecured creditors will receive full repayment from the Collateral Trust. The payments from the Collateral Trust are based on a five-year repayment term of 100% of the debt plus 3% per annum of interest. The Debtor will furnish a detailed amortization schedule, which shows that the first four quarterly payments are interest only followed by quarterly payments based on a straight line amortization. The last payment is a balloon payment to pay the balance of principal plus interest. These payments are discretionary in only one instance—the New Senior Secured Credit Facility may require a minimum EBITDA in excess of fixed charge obligations. The Debtor anticipates a minimum of 1.2 ratio, which means that the Debtor needs 20% more cash flow than what it is obligated to pay to the bank, before the Debtor can make other debt payments. The Debtor's projections indicate that it will always exceed the minimum fixed charge coverage ratio and therefore the Debtor anticipates payments will not need to be discretionary and will be made as scheduled.~~

K. Compliance with Projections

The Reorganized Debtor shall operate its business in material compliance with: (i) the cash expenditures set forth in the projections attached to the Debtor's Court-approved Disclosure Statement; and/or (ii) updates to such projections, which updates shall be implemented as described below. The Reorganized Debtor shall be deemed to be in material compliance with the projections or the updates thereto so long as it neither makes nor suffers a change in its business as presented in the projections (or in the updates thereto) so as to materially increase the risk to Class 13 Creditors hereunder. The Debtor's projections of future income and expense in support of feasibility of the Plan are attached hereto as Exhibit "C" and incorporated by reference herein.

L. Use of Excess Cash.

Subject to the foregoing provisions of this Article, and except as otherwise provided by this Plan, any excess Cash in the possession of the Reorganized Debtor will be held in accordance with the Plan and may be used by the Reorganized Debtor in the ordinary course of its business or, in the Reorganized Debtor's discretion, may be used to pre-pay future installments to Holders of Allowed Class 13 Claims.

M. Prepayments.

Any prepayment(s) made under this Plan to any Creditor(s) shall satisfy the obligation(s) to make such payment(s) on the date(s) such payment(s) would otherwise be due, shall constitute full performance hereunder to the extent of any such prepayment(s), and may be made without penalty unless otherwise stated herein.

N. Sale, Refinance or Other Disposition of Property

Subject to the Plan's provisions, the Reorganized Debtor shall be authorized to refinance its assets to pay and/or otherwise satisfy in full any and all Allowed Secured or Unsecured Claims, and to enable it to make Plan payments or to enable it to obtain sufficient capital to operate its business. Such authorization extends to, among other property of the Reorganized Debtor, property securing the Reorganized Debtor's obligations to Holders of Claims in Class 13 (subject to the limitations set forth in this Plan and in the Collateral Trust Agreement and the Class 13 Promissory Note). The Plan generally provides that if the Reorganized Debtor sells or refinances assets that secure its obligations to claimants in Class 13, outside the ordinary course of business, without the express written consent of the Collateral Trustee, then the net proceeds from such sale or refinance will be distributed to such Claim Holders in accordance with the priority of their respective liens, and such liens thereupon shall be released, subject to those subordination provisions incorporated in the Collateral Trust Agreement. Notwithstanding the above, the Reorganized Debtor shall be authorized to borrow money and incur debt in the future with a future senior secured lender, which may provide for the subordination of the Collateral Trust Security Interests in an amount not to exceed \$40,000,000.00 to the security interests of the future senior secured lender, to enable it to obtain sufficient capital to operate its business, without distributing the proceeds from such refinance to Holders of Claims in Class 13.

O. Assignment of Causes of Action

In partial consideration for the New Value Equity Investment Cash, to the extent the Debtor has any actual, potential, contingent, unliquidated and/or disputed claims, Causes of Action and/or Choses in Action, against any party that may be liable to the Debtor, or its parent, or any of its affiliates, related to or in connection with that certain Non-Disclosure Agreement executed by and between the Debtor, its parent, and/or any of its affiliates, with TerraMar Capital or its officers, directors, agents, employees, legal or financial advisors, accountants, financing sources or other professionals, said claims, Causes of Action and/or Choses in Action shall be transferred and assigned to 510 Ocean Drive Debt Acquisition, LLC, as of the Effective Date.

TCTM's position is that neither the Debtors, nor their successors and assigns, are entitled to bring any such causes of action against TerraMar Capital and its officers, directors, agents, employees, legal or financial advisors, accountants, financing sources or other professionals and affiliates, including TCTM, by virtue of the proposed Order After Hearing Approving Debtor's First Amended Motion for Order Authorizing Final Use of Cash Collateral and Providing Post-Petition Liens (Docket Item No. 238) and the Court's Order dated November 4, 2016 (Docket Item No. 251). The Debtor disagrees with TCTM's position and has filed a Motion for Clarification as to Paragraph 19 of the Cash Collateral Order or in the Alternative Reformation of Paragraph 19 in the Fansteel Bankruptcy Case (Docket No. 609).

P. Avoidance Actions

Since the ~~plan~~Plan will be providing for a 100% dividend on all allowed unsecured claims from the New Senior Secured Credit Facility, the New Value Equity Investment Cash and future earnings and profits, the ~~debtor~~Debtor does not believe it will be necessary to pursue Avoidance Actions. The Committee believes there are claims for avoidance of the 510 Ocean Drive liens and reserves its right to bring such claims and other actions under Chapter 5 of the Code and which are otherwise available.

Q. Conditions Precedent to Confirmation

TheAmong other conditions set forth in the Plan, the Collateral Trust Agreement, the Class 13 Promissory Note, and the Subordination Agreement are all completed and approved as to form and content by the Debtor, the Official Committee and the Collateral Trustee at least seven (7) days before the Confirmation Hearing.

R. Condition Precedent to Consummation of the Plan

1. Deposit of New Value Equity Investment Cash: In lieu of application of Bankruptcy Rule 3020(a), on the Effective Date, 510 Ocean Drive shall deposit the New Value Equity Investment Cash with the Reorganized Debtor WDC to enable all three Reorganized Debtors to make those Distributions required under each respective Plan. The Cash deposited shall be kept in a special account established for the exclusive purpose of making those Distributions required under all three respective Plans.

2. Execution of Ancillary Plan Documents by All Signatories: To the extent any of the three Debtors, Reorganized Debtors, ~~or~~the Collateral Trustee, or the New Senior Secured Credit Facility are parties to a document that is a condition precedent to confirmation of any of the three Plans, including without limitation the Collateral Trust Agreement, the Class ~~13~~10 Promissory Note, and the Subordination Agreement, they shall all be prepared to execute and exchange the same ~~upon receipt of the New Value Equity Investment Cash, said payment and exchange of executed documents among the parties shall occur simultaneously~~ at or upon the closing on the Effective Date.

S. Effect of Confirmation

1. Discharge and Release of Claims

Upon the Effective Date of the Plan, except as otherwise set forth in the Plan or in the Confirmation Order, the Debtor shall receive the broadest discharge possible under Bankruptcy Code Section 1141(d)(1), limited as applicable by the provisions of Bankruptcy Code Section 1141(d)(6). More particularly, and subject to the preceding sentence, Confirmation of the Plan shall discharge the Debtor from any Claim or debt that arose before the Confirmation Date and any debt of a kind specified in Bankruptcy Code Sections 502(g), (h) or (i), whether or not (i) a Proof of Claim based on such debt is filed or deemed filed under Bankruptcy Code Section 501, (ii) such Claim is allowed under Bankruptcy Code Section 502, or (iii) the holder of such Claim has accepted the Plan.

Pursuant to Bankruptcy Code Section 524, the discharge (i) voids any judgment at any time obtained to the extent that such judgment is a determination of the personal or corporate liability of the Debtor with respect to any debt discharged under Bankruptcy Code Section 1141, whether or not discharge of such debt is waived, and (ii) operates as an injunction against the commencement or continuation of an action, employment of process, or an act to collect, recover or offset any such debt as a personal liability of the Debtor, whether or not discharge of such debt is waived.

Notwithstanding the foregoing, confirmation of the Plan will not discharge the Reorganized Debtor (a) from any debt of a kind specified in Bankruptcy Code Sections 523(a)(2)(A) or (2)(B) that is owed to a domestic governmental unit; (b) from a debt for a tax or customs duty with respect to which the Reorganized Debtor made a fraudulent return, or (c) willfully attempted in any manner to evade or to defeat such tax or such customs duty; or (d) from its obligations under the Plan, Confirmation Order or documents executed or entered into in relation to the Plan or Confirmation Order.

2. Injunction

Except as otherwise expressly provided for in this Plan or the Confirmation Order, all persons who have held, hold, or may hold Claims against the Debtor, are permanently enjoined (a) from commencing or continuing in any manner any action or other proceeding of any kind with respect to any such Claim against the Debtor and the Reorganized Debtor; (b) from the enforcement, attachment, collection or recovery by any manner or means of any judgment, award, decree or order against the Debtor and the Reorganized Debtor, and its property; (c) from creating, perfecting, or enforcing any encumbrance of any kind against the Debtor and the Reorganized Debtor, or its property with respect to such Claim, and (d) from asserting any setoff, right of subrogation, or recoupment of any kind against any obligation due the Debtor, or its property with respect to any such Claim; provided, however, that such injunction shall not enjoin the Collateral Trustee (or the beneficiaries of the Collateral Trust) from exercising their respective rights and remedies under the Plan, Collateral Trust Agreement, the Collateral Trust Security Interest or the Class 13 Promissory Note, as applicable.

3. Exoneration and Reliance

Provided that the respective affiliates, officers, directors, shareholders, members, partners, representatives, attorneys, financial advisors, and agents of the Debtor, and the Official Committee act in good faith, they shall not be liable to any claimant, Interest Holder, or other

party with respect to any action, forbearance from action, decision, or exercise of discretion taken during the period from the Petition Date to the Effective Date in connection with: (a) the operation of the Debtor; (b) the proposal or implementation of any of the transactions provided for, or contemplated in this Plan; or (c) the administration of this Plan or the assets and property to be distributed pursuant to this Plan, other than for willful misconduct or gross negligence. The Debtor, and the Official Committee and their respective affiliates, officers, directors, shareholders, members, partners, representatives, attorneys, financial advisors, and agents may rely upon the opinions of counsel, certified public accountants and other experts or professionals employed by the Debtor, and such reliance shall conclusively establish good faith. In any action, suit or proceeding by any Creditor or other party in interest contesting any action by, or non-action of, the Debtor, or its respective affiliates, officers, directors, shareholders, members, partners, representatives, attorneys, financial advisors, and agents as not being in good faith, the reasonable attorneys' fees and costs of the prevailing party shall be paid by the losing party.

4. Binding Effect

The provisions of the Plan, the Confirmation Order and any associated findings of fact or conclusions of law shall bind the Debtor, any entity acquiring property under the Plan and any Creditor of the Debtor, whether or not the Claim of such Creditor is Impaired under the Plan and whether or not such Creditor has accepted the Plan.

5. Vesting of Property

Confirmation of the Plan vests all of the property of the Debtor's Estate, including Causes of Action, in the Reorganized Debtor.

As of the Effective Date, the assets of the Debtor dealt with under the Plan shall be free and clear from any and all Claims or the Holders of Claims, except as specifically provided otherwise in the Plan or the Confirmation Order. On the Confirmation Date, the Reorganized Debtor shall be entitled to operate and conduct its affairs without further order of the Court and to use, acquire and distribute any of its property free of any restrictions of the Bankruptcy Code or the Court, except as specifically provided otherwise in the Plan or Confirmation Order. The terms of the Plan shall supersede the terms of all prior orders entered by the Court in the Bankruptcy Case and the terms of all prior stipulations and other agreements entered into by the Debtor with other parties in interest, except as specifically recognized in the Plan or the Confirmation Order.

T. Payment of Allowed Claims

On the Effective Date, the Reorganized Debtor as Disbursing Agent shall make all Distributions called for or provided for under the Plan, to all Creditors with Allowed Unclassified and Classified Claims. To the extent Creditors with Allowed Claims have not provided the Reorganized Debtor with a social security number or other tax identification number, the Reorganized Debtor shall withhold such Distribution until so provided by such Claim Holder. The Distributions shall be made by the Reorganized Debtor as the Disbursing Agent. Any Unclassified Claims or Classified Claims that are not Allowed as of the Effective Date, but become Allowed Claims pursuant to a Final Order after the Effective Date, shall be

promptly paid after the Effective Date and after they have become Allowed Claims by Final Order of the Court, as set forth in this Plan.

U. Post Confirmation Compensation of Professional Persons

Compensation for services rendered by a Professional Person after the Confirmation Date for reimbursement of expenses incurred in connection therewith need not be approved by the Court. Professional Persons may invoice the Reorganized Debtor directly, and the Reorganized Debtor may pay said invoices directly; provided, however, that in the event of a dispute between the Reorganized Debtor and the Professional Person regarding such compensation or reimbursement, the Professional Person may submit an application to the court for review of the request to compensation and reimbursement, and the Court retains jurisdiction to hear and approve such application and compel payment thereon. Such post confirmation compensation for services rendered and reimbursement of expenses shall be considered an ordinary course of business expense pursuant to this Plan.

V. All Section 1129(a)(4) Payments Subject to Court Review

As required by Bankruptcy Code Section 1129(a)(4), all payments made or to be made by the Debtor or Reorganized Debtor for services or for costs and expenses in connection with the Bankruptcy Case, or in connection with the Plan and incident to the Bankruptcy Case, are subject to approval of this Court as reasonable. To the extent that any such payment is not subject to the procedures and provisions of Bankruptcy Code Sections 326-330, then such Court approval shall be deemed to have been given through entry of the Confirmation Order unless, within 90 days of such payment or request for such payment, the Court, the United States Trustee, the party making the payment or the party receiving the payment challenges or seeks approval of the reasonableness of such payment; no other parties or entities shall have standing to make such a challenge or application for approval. Nothing in this provision shall affect the duties, obligations and responsibilities of any entity under Bankruptcy Code Sections 326-330.

W. Default.

1. Events of Default.

The following shall be events of default under the Plan:

a) The failure to make a Distribution on account of an Allowed Claim under the Plan; provided, however, that no default shall be deemed to have occurred if such missed payment is made within thirty (30) days of the date of the missed payment.

b) Provided no agreement exists to extend or modify the terms of any agreement between the Reorganized Debtor and third party vendors or Creditors, failure of the Reorganized Debtor to pay any post-confirmation expenses, including but not limited to, taxes, salaries, payments to lien holders, or any third person to whom the Reorganized Debtor becomes obligated in the ordinary course of its business.

c) The Reorganized Debtor's failure to perform any provision of the Plan resulting in nonmonetary defaults under the Plan; provided, however, that no nonmonetary default shall be deemed to have occurred if such default is cured within forty-five (45) days after written notice of such nonmonetary default has been provided to the Reorganized Debtor and its General Reorganization Counsel. All such notices hereunder shall be made both by facsimile and U.S. Mail, first class postage prepaid. Notice shall be deemed complete when transmission of the facsimile is completed.

2. Cure of Prior Defaults

As of the Confirmation Date, any defaults by the Debtor under any non-bankruptcy law or agreement, shall be deemed cured, and notice of default or sale recorded by any creditor prior to the Confirmation Date shall be deemed null, void and have no further force or effect.

X. Assumption and/or Rejection of Unexpired Leases and Executory Contracts

1. Assumptions

Pursuant to Bankruptcy Code Section 365 and Bankruptcy Rule 6006, the Debtor shall, and upon confirmation of the Plan, hereby does assume all executory contracts and unexpired leases to which the Debtor may be party, as identified on Exhibit "D" to this Plan ("Assumed Contracts/Leases"). The Debtor has identified on Exhibit "D" the cure amounts as of the filing of this Plan that the Debtor believes must be paid to cure all defaults under the Assumed Contracts/Leases (in each case a "Cure Amount"). The Debtor believes there are no non-monetary defaults (other than the filing of the Bankruptcy Case) which will need to be cured. The Debtor's assumption of the obligations and responsibilities of the Assumed Contracts/Leases on Exhibit "D" shall constitute adequate assurance of future performance in accordance with Bankruptcy Code Section 365(f)(2)(B). The Confirmation Order shall constitute an Order approving the assumption of the Assumed Contracts/Leases.

In addition to the executory contracts and unexpired leases between the Debtor and any of its creditors, as listed on Exhibit "D", all executory contracts, including purchase orders, between the Debtor and all of its customers shall also be assumed and fulfilled.

Any party seeking (i) to object to the Cure Amount as determined by Debtor or otherwise assert that any other amounts, defaults, conditions or pecuniary losses must be cured or satisfied under any of the Assumed Contracts/Leases in order for such contract or lease to be assumed or (ii) to object to the assumption of any Assumed Contract/Lease on any other basis, must file a written objection to this Plan (an "Assumption Objection") setting forth the cure amount the objector asserts to be due, the specific types and dates of the alleged defaults, pecuniary losses and conditions to assumption and the support therefor, and the basis for the Objection. Moreover, any party filing an Assumption Objection with respect to any unliquidated damages claims or adjustments for percentage rent, real estate taxes, common area maintenance or similar adjustable charges (the "Unliquidated Charges") must provide in such Assumption Objection a good faith estimate (if possible) of the amount of such Unliquidated Charges and a description of the factors used in calculating such charges (in all cases with appropriate documentation in

support thereof). All Assumption Objections must be filed and served by the deadline established by the Bankruptcy Court for objections to the Plan.

Unless an Assumption Objection is timely filed and served, all parties shall (i) be forever barred from asserting any cure or other amounts with respect to the Assumed Contract/Lease, except as set forth on Exhibit "D", and the Debtor shall be entitled to rely on the absence of any cure amount requiring payment; (ii) be deemed to have consented to the assumption of the Assumed Contract/Lease; and (iii) be forever barred and estopped from asserting or claiming against Debtor that any additional amounts are due or other defaults exist, that any conditions to assumption remain to be satisfied under such Assumed Contract/Lease or that there is any objection or defense to the assumption of such Assumed Contract/Lease.

2. Rejections

On the Confirmation Date, all executory contracts and/or unexpired leases not specifically assumed in this Plan will be rejected, as of the Effective Date. The Confirmation Order shall constitute an Order approving the rejection of any such executory contract or unexpired leases. Any party to an executory contract or unexpired lease proposed to be rejected and under this Plan may object to the rejection of such contract or lease, which objection to the Plan shall be filed and served within the deadline for objecting to the confirmation of the Plan.

THE BAR DATE FOR FILING A PROOF OF CLAIM BASED ON A CLAIM ARISING FROM THE REJECTION OF AN EXECUTORY CONTRACT OR UNEXPIRED LEASE(collectively, "Rejection Damages Claims") IS NO LATER THAN THIRTY (30) DAYS AFTER THE CONFIRMATION DATE. Any Claim based on the rejection of an executory contract or unexpired lease will be barred if the Proof of Claim is not timely filed, unless the Court later orders otherwise. Holders of Rejection Damages Claims will be deemed Class 13 Creditors.

3. Reservation of Rights

The Debtor and Reorganized Debtor reserve the right to file applications or motions for the assumption or rejection of any executory contract or unexpired lease at any time prior to the Confirmation Date, and to prosecute any such application to entry of a Final Order any time thereafter. In the event that the Court enters a Final Order denying rejection of an executory contract or unexpired lease, such Final Order shall be deemed to be an assumption by the Debtor of such executory contract or unexpired lease.

4. Proof of Claim

Each entity that is a party to an executory contract or unexpired lease that is rejected pursuant to this Plan, and only such entity, shall be entitled to file, not later than thirty (30) days after the Confirmation Date, a Rejection Damages Claim from the rejection of the contract or lease to which such entity is a party.

Y. Objections to Claims and Interests

The Debtor or the Reorganized Debtor shall file any objections to Claims (collectively, "Claims Objections") on or before the Claims Objection Date, unless the Court, upon request, extends such period. Such extension may be granted without notice to the affected Claimant. Objection may include a request for subordination pursuant to Bankruptcy Code Section 510. Filing, service and prosecution of such Objections shall be subject to and in accordance with the Bankruptcy Code and Bankruptcy Rules.

Z. Resolution of Disputes

BB. Allowed Amount of Claims and Interests

No holder of an Allowed Claim shall receive a Distribution in excess of the amount allowed, either by the Court or as provided herein, with respect to such Allowed Claim.

CC. Unclaimed Funds

Any Distribution by check to any holder of an Allowed Claim, if unclaimed or uncashed by the payee thereof, within ninety (90) days after issuance and delivery by first class mail, shall be distributed pro-rata to such other Creditors entitled to receive a Distribution under this Plan. All liabilities and obligations of the Reorganized Debtor to such payee and any holders of such check shall thereupon cease. Any check distributed to a holder of an Allowed Claim shall bear a legend that the check shall be void if not cashed or presented for payment within 90 days of the date of issuance.

The Debtor may propose any number of amendments to or modifications of the Plan, or may rescind and withdraw the Plan in its entirety (with or without substitution of a replacement plan), at any time prior to confirmation. If the Debtor revokes or withdraws the Plan or if Confirmation or the Effective Date does not occur, then the Plan shall be deemed null and void, and in any such event, nothing contained herein shall be deemed to constitute an admission, omission or a waiver or release of any Claims by or against the Debtor or any other person or to

prejudice in any manner the rights of the Debtor or any other person in any further proceedings involving the Debtor.

2. Amendments after Confirmation

The Plan may be modified by the Debtor or Reorganized Debtor at any time after the Confirmation Date, provided that such modification meets the requirements of the Bankruptcy Code and is not inconsistent with the provisions of the Plan. The Debtor and the Reorganized Debtor may, with the approval of the Court, and so long as it does not materially or adversely affect the interests of Creditors, remedy any defect or omission, or reconcile any inconsistencies in the Plan, or in the Confirmation Order, in such manner as may be necessary to carry out the purposes and intent of the Plan.

3. Effect on Claims and Interests

The Reorganized Debtor shall comply fully with all provisions of the Bankruptcy Code, Bankruptcy Rules and Guidelines of the Office of the United States Trustee, and in connection therewith, shall file with the Court a status report within 120 days of the entry of the Confirmation Order, and every quarter thereafter, describing the Reorganized Debtor's progress towards consummation of the Plan. FF. Termination of the Official Committee

On the Effective Date, the Official Committee shall dissolve and the members of the Committee shall be released and discharged from all rights and duties arising from or related to the Bankruptcy Case. On the Effective Date, all Claims or Causes of Action, if any, of the Debtor or Reorganized Debtor against any member of the Official Committee, and any officer, director, employee, or agent of an Official Committee member shall be compromised, settled, and released in consideration of the terms of this Plan.
