Chapter 11

Case No. 20-11033 (KBO)

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND
DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS**

The Schedules of Assets and Liabilities (collectively with attachments, the “Schedules”) and the Statement of Financial Affairs (collectively with attachments, the “Statements,” and together with the Schedules, the “Schedules and Statements”) filed by the above-captioned debtor and debtor in possession (the “Debtor”) in the above-captioned chapter 11 case (the “Chapter 11 Case”) were prepared by the Debtor, with the assistance of its professional advisors, pursuant to section 521 of title 11 of the United States Code (the “Bankruptcy Code”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”).

These Global Notes and Statement of Limitations, Methodologies, and Disclaimers Regarding the Debtor’s Schedules and Statements (the “Global Notes”) are incorporated by reference in, and comprise an integral part of, the Debtor’s Schedules and Statements, and should be referred to and considered in connection with any review of the Schedules and Statements. These Global Notes are in addition to any specific notes that may be contained in each of the Schedules or Statements. The fact that the Debtor has prepared a general note herein with respect to any of the Schedules and Statements and not to others should not be interpreted as a decision by the Debtor to exclude the applicability of such general note to the Debtor’s remaining Schedules and Statements, as appropriate.

The Schedules and Statements have been prepared based on information provided by the Debtor’s Chief Restructuring Officer (the “CRO”) and his additional personnel, its independent contractors, and its professional advisors, and are unaudited and subject to potential adjustment. However, to date, neither the CRO nor his personnel, contractors and advisors have had any material access to any financial statements that were audited or reviewed by any outside accountant or accounting firm, nor any tax returns. Moreover, despite having been able to receive limited assistance from a former junior financial staff person and an outside accountant, the Debtor has to date been unsuccessful in its efforts to employ or retain any former senior financial officers of the Debtor. Thus, the CRO and his personnel, contractors and advisors have had little help in their review of the information found in the Debtor’s SAP software to date. Finally, based upon its review to date (which is still ongoing), the Debtor believes that there may

¹ The last four digits of the Debtor's federal tax identification number are 9109. The Debtor’s mailing address is Klausner Lumber One LLC, P.O. Box 878 Middleburg, VA 20118.

be material misclassifications under GAAP of both assets and liabilities as recorded in its SAP records. In preparing the following Schedules and Statements, the Debtor relied on financial data derived from its books and records that was available at the time of preparation.

Reservation of Rights. The Debtor has used commercially reasonable efforts to ensure the accuracy and completeness of such information and data; however, subsequent information, data or discovery may result in material changes to the Schedules and Statements and inadvertent errors, omissions or inaccuracies may exist, as noted above. The Debtor and its estate reserve all rights to amend or supplement the Schedules and Statements as may be necessary and appropriate. Nothing contained in the Schedules and Statements or these Global Notes shall constitute a waiver of any rights of the Debtor and its estate or an admission with respect to the Debtor's chapter 11 case, including, but not limited to, any issues involving objections to claims, setoff or recoupment, equitable subordination or recharacterization of debt, defenses, characterization or re-characterization of contracts, leases and claims, assumption or rejection of contracts and leases and/or causes of action arising under the Bankruptcy Code or any other applicable laws.

Description of the Case and "As of" Information Date. On April 30, 2020 (the "Petition Date"), the Debtor filed a voluntary petition for relief with the Court under chapter 11 of the Bankruptcy Code to continue the process of winding down its business affairs and to conduct a sale process for substantially all of its assets pursuant to section 363 of the Bankruptcy Code. Pursuant to sections 1107(a) and 1108 of the Bankruptcy Code, the Debtor is continuing to manage its financial affairs as a debtor in possession. Unless otherwise specifically indicated herein or in the Schedules and Statements, all financial information for the Debtor in the Schedules and Statements and these Global Notes is provided as of the Petition Date or as close thereto as reasonably practicable under the circumstances.

Basis of Presentation. The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles ("GAAP"), nor are they intended to fully reconcile to any financial statements prepared by the Debtor.

Recharacterization. Notwithstanding the Debtor's attempts to properly characterize, classify, categorize, or designate certain claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements, the Debtor may nevertheless seek to recharacterize, reclassify, recategorize, redesignate, add, or delete items included in the Schedules and Statements, and the Debtor and its estate reserve all rights in this regard.

Insiders. For purposes of the Schedules and Statements, the Debtor defines "insiders" pursuant to section 101(31) of the Bankruptcy Code as: (a) current or former directors, officers or persons in control of the Debtor as of the Petition Date; (b) relatives of current or former directors, officers, or persons in control of the Debtor as of the Petition Date; (c) any partnership in which the Debtor is a general partner as of the Petition Date; or (d) any affiliate of the Debtor as of the Petition Date. Except as otherwise disclosed herein or in the Statements, payments to insiders listed in (a) through (d) above are set forth on Statement 4. Persons listed as "insiders" have been included for informational purposes only, and such listing is not intended to be, nor should it be construed as, a legal characterization of such person as an insider, nor does it serve as an

admission of any fact, claim, right or defense, and all such claims, rights, and defenses with respect thereto are hereby expressly reserved. Further, the Debtor and its estate do not take any position with respect to: (a) any such person's influence over the control of the Debtor; (b) the management responsibilities or functions of any such person; (c) the decision-making or corporate authority of any such person; or (d) whether any such person could successfully argue that he is not an "insider" under applicable law, including, without limitation, the federal securities laws, or with respect to any theories of liability or for any other purpose.

Summary of Significant Reporting Policies. The following is a summary of certain significant reporting policies:

a. Current Market Value – Net Book Value. It would be prohibitively expensive, unduly burdensome, and an inefficient use of estate resources for the Debtor to obtain current market valuations for all estate assets. Accordingly, unless otherwise indicated herein or in the Schedules and Statements, the Schedules and Statements reflect the net book values (which may include a fully-depreciated book value of \$0.00), rather than current market values, of the Debtor's assets as of the Petition Date (unless another date is indicated herein or in the Schedules and Statements), and may not reflect the net realizable value. Additionally, in many instances, the current market value is simply "unknown" or "undetermined" and is reflected as such in the Schedules and Statements.

b. Setoffs. To the extent the Debtor has incurred or effectuated any ordinary course setoffs with third parties (including, without limitation, customers and vendors) prior to the Petition Date, or are subject to the occurrence of, or maintain the right to effectuate, ordinary course setoffs on account of activities that occurred prior to the Petition Date, such setoffs may be excluded from the Schedules and Statements. The Debtor and its estate reserve all rights with respect to any such setoffs.

c. Credits and Adjustments. Claims of creditors are listed in the amounts found on the Debtor's books and records, and may not reflect certain payments made by or on behalf of the Debtor to such creditors or certain credits, allowances or other adjustments due from such creditors to the Debtor. The Debtor and its estate reserve all rights with regard to any such credits, allowances and other adjustments, including, without limitation, the right to assert claims, objections, setoffs and recoupments with respect to the same.

d. Nature of Leases. In the ordinary course of business, the Debtor leases certain real property, fixtures, and equipment from certain third-party lessors for use in the operation and maintenance of its business, and may lease certain products to third-party lessees. Nothing in the Schedules and Statements is, or shall be construed as, an admission as to the determination of the legal status of any lease (including, without limitation, whether any lease is a true lease or a financing arrangement, and whether such lease is unexpired), and the Debtor and its estate reserve all rights with respect to such issues.

e. Value of Executory Contracts and Unexpired Leases. The Debtor has not set forth executory contracts and unexpired leases as assets in the Schedules and Statements, even though these contracts and leases may have some value to the Debtor's estate. Rather, executory contracts and unexpired leases have been set forth solely on Schedule G. The Debtor's rejection of executory contracts and unexpired leases may result in the assertion of rejection damages claims against the Debtor and its estate; however, the

Schedules and Statements do not reflect any claims for rejection damages. The Debtor and its estate reserve all rights with respect to the assertion of any such claims.

Causes of Action. Despite having undertaken commercially reasonable efforts to identify all assets, the Debtor may not have listed all of the estate's causes of action or potential causes of action against third parties as assets in the Schedules and Statements. The Debtor reserves all of its and the estate's rights with respect to any Claims or causes of action (including avoidance actions), controversy, right of setoff, crossclaim, counterclaim, or recoupment and any claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertible directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other theory of law (collectively, "Causes of Action") the estate may have, and neither the Global Notes nor the Schedules and Statements shall be deemed a waiver of any Claims or Causes of Action or in any way prejudice or impair the assertion of such Claims or Causes of Action.

Unknown or Undetermined Amounts. Where a description of an amount is left blank or listed as "unknown" or "undetermined," such response is not intended to reflect upon the materiality of such amount.

Liabilities. The Debtor has sought to allocate liabilities between the prepetition and postpetition periods based on the information available at the time of filing the Schedules and Statements. If additional information becomes available including through further research, the allocation of liabilities between the prepetition and post-petition periods may change. Accordingly, the Debtor and its estate reserve all rights to amend, supplement, or otherwise modify the Schedules and Statements as is necessary or appropriate.

Estimates. The Debtor was required to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and reported revenue and expenses. The Debtor and its estate reserve all rights to amend the reported amounts of assets, liabilities, revenue, and expenses to reflect changes in those estimates and assumptions.

Classifications. Listing a claim (a) on Schedule D as "secured," (b) on Schedule E/F as "unsecured priority," or "unsecured non-priority," or (c) listing a contract or lease on Schedule G as "executory" or "unexpired," does not constitute an admission by the Debtor and its estate of the legal rights of any claimant, or a waiver of the rights of the Debtor and its estate to recharacterize or reclassify any claim or contract.

Claims Description. The Debtor and its estate reserve all rights to dispute, and to assert any offsets or defenses to, any claim reflected on the applicable Schedule on any grounds, including, without limitation, amount, liability, validity, priority or classification, and to subsequently designate any claim as "disputed," "contingent" or "unliquidated."

Specific Notes for the Schedules. The following are notes for specific Schedules:

a. Schedule A/B – Assets – Real and Personal Property. Funds and accounts are listed as of the Petition Date, and the Debtor has not accounted for any post-petition funding, account opening or closing, or other post-petition relief on Schedule A/B.

As set forth above, the current market value of inventory identified in Schedule A/B, Part 5 is at net book value or, in many instances, simply “unknown” or “undetermined.” The Debtor does not believe that a recent prepetition inventory was conducted, and the value of the Debtor’s interest in such inventory as of the Petition Date is therefore not ascertainable.

Schedule A/B, Part 9 identifies the Debtor’s real property interests as of the Petition Date, regardless of whether such interests are pursuant to a written lease agreement. The Debtor does not appear to have always carried real property improvements (owned or leased) on its balance sheet. The Debtor and its estate reserve all rights it may have under applicable law in connection with its asserted real property interests.

The Debtor’s failure to list any rights or interests in real property on Schedule A/B should not be construed as a waiver of any such rights that may exist, whether known or unknown at this time. The Debtor may have listed certain assets as real property when such assets are in fact personal property, or the Debtor may have listed certain assets as personal property when such assets are in fact real property. The Debtor reserves all of its rights to re-categorize or re-characterize such asset holdings to the extent the Debtor determines that such holdings were listed incorrectly.

Schedule A/B, Part 10 identifies the Debtor’s interests in intangibles or intellectual property. Exclusion or inclusion of any intangibles or intellectual property shall not be construed as an admission that such intellectual property rights have or have not been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction.

As set forth above, despite its commercially reasonable efforts to identify all known assets, the Debtor may not have listed all of its respective Causes of Action in Schedule A/B, Part 11, Item 74, including, but not limited to, Causes of Action arising under the Bankruptcy Code, Causes of Action against insiders or affiliates, or any other applicable laws (including, but not limited to, intellectual property laws). The Debtor reserves all of its and its estate’s rights with respect to any Causes of Action that the estate may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such claims, causes of action, or avoidance actions or in any way prejudice or impair the assertion of such claims.

The Debtor has made commercially reasonable efforts to reflect known claims against affiliates in Schedule A/B, Part 11, Item 77; however, individual intercompany accounts receivable are not listed and known claims against affiliates may be listed in an aggregated fashion.

b. Schedule D – Creditors Who Have Claims Secured by Property. The Debtor has not included on Schedule D all parties that may believe their claims are secured through setoff rights, deposits posted by, or on behalf of, the Debtor, inchoate statutory lien rights, or real property lessors, utility companies or other parties that may hold security interests. The amounts listed on Schedule D may not reflect any accrued interest, fees, costs, and other charges that such creditor may be entitled to receive.

c. Schedule E/F – Creditors Who Have Unsecured Claims.

Part 1. The listing of any claim on Schedule E/F does not constitute an admission by the Debtor that such claim is entitled to priority treatment under section 507 of the Bankruptcy Code. The Debtor reserves all of its rights to dispute the amount and the priority status of any claim on any basis at any time. All claims listed on the Debtor's Schedule E/F, Part 1 are claims arising from tax, wage, or wage-related obligations to which the Debtor may potentially be liable. Certain such claims, however, may be subject to ongoing audits and the Debtor is otherwise unable to determine with certainty the amount of many, if not all, of the remaining claims listed on Schedule E/F. Accordingly, the Debtor has listed all such claims as unknown in amount, pending final resolution of ongoing audits or other outstanding issues.

Part 2. Certain creditors listed on Part 2 of Schedule E/F may owe amounts to the Debtor; accordingly, the Debtor and its estate may have valid setoff and recoupment rights with respect to such amounts. Also, the amounts listed on Part 2 of Schedule E/F reflect known prepetition claims as of the Petition Date. Such amounts do not reflect any rights of setoff or recoupment that may be asserted by any creditors listed on Part 2 of Schedule E/F, and the Debtor and its estate reserve all rights to challenge any setoff and recoupment rights that may be asserted against them. The Debtor and its estate reserve all rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be perfected by a creditor listed on Part 2 of Schedule E/F. Notwithstanding the incompleteness of its records as described above, the Debtor has used commercially reasonable efforts to include all known creditors on Part 2 of Schedule E/F. The amounts listed for liabilities on Schedule E/F may be exclusive of certain contingent and unliquidated amounts. Third parties should not anticipate that the relationship of aggregate asset values and aggregate liabilities set forth in the Schedules will reflect their ultimate recoveries in this chapter 11 case. Actual assets and liabilities may deviate from the amounts shown in the Schedules due to various events that occur throughout the duration of the chapter 11 case.

d. Schedule G – Executory Contracts and Unexpired Leases. Although commercially reasonable efforts have been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases, inadvertent errors, omissions, or over-inclusion may have occurred in preparing Schedule G. Omission of a contract, lease or other agreement from Schedule G does not constitute an admission that such omitted contract, lease or agreement is not an executory contract or unexpired lease. Schedule G may be amended at any time to add any omitted executory contracts, unexpired leases and other agreements to which the Debtor is a party, including, without limitation, to add any executory contracts, unexpired leases and other agreements that the Debtor did not list on Schedule G at this time. Likewise, the listing of an agreement on Schedule G does not constitute an admission that such agreement is an executory contract or unexpired lease, or that such agreement was in effect or unexpired on the Petition Date or is valid or enforceable. The agreements listed on Schedule G may have expired, or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters and other documents, instruments and agreements that may not be listed on Schedule G.

Additionally, the Debtor was covered by certain insurance programs. Although the related insurance policies may not be listed in Schedule G, the Debtor and its estate reserve all rights in connection therewith.

All rights, claims, and causes of action of the Debtor and its estate with respect to the agreements listed on Schedule G are hereby reserved and preserved. The Debtor and its estate hereby reserve all rights to: (a) dispute the validity, status, or enforceability of any agreements set forth on Schedule G; (b) dispute or challenge the characterization of the structure of any transaction, document or instrument related to a creditor's claim, including, but not limited to, the agreements listed on Schedule G; and (c) amend or supplement Schedule G, as necessary.

Schedule G does not include rejection damage claims of the counterparties to the executory contracts and unexpired leases, to the extent such damage claims exist, that have been or may be rejected.

Specific Notes for the Statements. The following are notes for specific items in the Statements:

a. Statements 1 and 2. For financial reporting purposes, the Debtor was consolidated with other related entities for its financial statements and its gross revenue was determined on a consolidated basis in the ordinary course of business. Unlike the consolidated financial statements, the Statements reflect the business and non-business revenue of the Debtor on an unconsolidated basis except where otherwise indicated. Accordingly, the totals listed in the Statements may differ, at times materially, from the consolidated financial reports prepared by the Debtor for financial reporting purposes or otherwise.

b. Statement 3. Statement 3 includes any disbursement or other transfer made by the Debtor within 90 days prior to filing, except for those made to insiders, which are reflected on Statements 4 and 30. The amounts listed in Statement 3 may reflect disbursements at check level detail; thus, to the extent a disbursement was made to pay for multiple invoices, only one entry may be listed on Statement 3.

c. Statement 4. Statement 4 includes Debtor's transactions with affiliates, as well as other transfers to insiders as applicable. With respect to any individuals, the amounts listed reflect the universe of payments and transfers to such individuals including for compensation, bonus (if any), expense reimbursement, relocation reimbursement, and/or severance. However, upon information and belief, employees who were insiders were paid by an affiliate of the Debtor, which is the reason why no payments to such insiders are reflected here.

d. Statement 6. The Debtor may have routinely incurred setoffs and net payments in the ordinary course of business. Such setoffs and nettings may have occurred due to a variety of transactions or disputes including, but not limited to, intercompany transactions, counterparty settlements, pricing discrepancies, rebates, returns, warranties, refunds, negotiations, or disputes between Debtor and its customers regarding regulatory or governmental imposition costs incurred by Debtor, and other disputes between the Debtor and its customers or suppliers. Therefore, these ordinary course setoffs may not have been independently accounted for, and as such, would be excluded from Statement 6. In addition, some amounts listed on the Schedules and Statements may have been affected by setoffs or nettings by third parties of which the Debtor is not yet aware. The Debtor reserves all of its and its estate's rights to challenge any setoff and/or recoupment rights that may be asserted.

e. Statement 7. The Debtor and its estate reserve all rights, claims, and defenses with respect to all listed lawsuits and administrative proceedings (or potential lawsuits

and administrative proceedings). The listing of any such lawsuits and proceedings shall not constitute an admission by the Debtor and its estate of any liabilities. Information provided in Statement 7 includes only those legal disputes and administrative proceedings that are formally recognized by an administrative, judicial, or other adjudicative forum. In the Debtor's attempt to provide full disclosure, to the extent a legal dispute or administrative proceeding is not formally recognized by an administrative, judicial, or other adjudicative forum due to certain procedural conditions that counterparties have yet to satisfy, the Debtor has identified such matters on Schedule F. While the Debtor believes that it was diligent in its efforts, it is possible that certain suits and proceedings may have been inadvertently left off of the Debtor's response to Statement Question 7. Accordingly, the Debtor reserves all of its rights to amend or supplement its response to Statement Question 7.

f. Statement 21. In the ordinary course of business, the Debtor's property may contain various equipment and items owned by others. Additionally, the Debtor utilized leased property in the ordinary course of business. Therefore, the Debtor may hold property subject to leases listed on the Debtor's Schedule G.

g. Statement 26 and 26d. As all of Debtors' employees were terminated pre-petition, and many have returned to their home countries in Europe, individuals who once possessed responsive information are no longer employed by the Debtor. Nonetheless, the Debtor has made reasonable commercially efforts to identify and provide the requested information as completely as possible. The Debtor reserves all of its rights to, but is not required to, supplement or amend this response if additional information becomes available.

The Debtor has provided financial statements in the ordinary course of its businesses to numerous financial institutions, creditors, and other parties within two years immediately before the Petition Date. In addition, the Debtor has provided financial reports to the Debtor's professionals. Considering the number of such recipients and the possibility that such information may have been shared with parties without the Debtor's knowledge or consent or subject to confidentiality agreements, the Debtor has not disclosed any parties that may have received such financial statements for the purposes of Statement 26d. To assemble the extensive list of recipients would be unduly burdensome.

Global Notes Control. In the event that the Schedules and Statements differ from the Global Notes, the Global Notes shall control.
