Case No. 8:19-CV-499-JVS-KES

**PRELIMINARY LIQUIDATION
PLAN OF ROBERT MOSIER,
COURT-APPOINTED RECEIVER**

[No hearing required]

Pursuant to Section XIII of the *Order Appointing Receiver* (the "Receiver Order"), Robert P. Mosier, the Court-appointed receiver (the "Receiver"), submits the following Preliminary Liquidation Plan to apprise the Court of the progress made thus far, the issues that need to be resolved to continue to make progress, and the anticipated next steps.

I. SCOPE OF THE RECEIVERSHIP ESTATE

Pursuant to the Receivership Order, the Receiver was authorized and directed to take control of the assets of Kent R.E. Whitney, David Parrish,

The Church for the Healthy Self aka CHS Trust ("CHS Trust"), and CHS Asset Management, Inc. (together, the "Receivership Defendants"), as well as of their affiliates. In March 2018, iCare Financial Solutions, Inc. ("iCare"), an entity owned by Ngoc Ha Nguyen ("Ha Nguyen"), notified its investors that it was merging with CHS Trust. It appears from the Receiver's review of the books and records that this merger was implemented, and there were significant transfers between CHS Trust, iCare, and Ha Nguyen based on the evidence. The Receiver believes that iCare and Ha Nguyen should be considered to be affiliates of CHS Trust. He also believes that an account belonging to a restaurant believed to be owned by Ha Nguyen should be determined to be within the scope of the Receivership Estate because it received a significant amount of funds indirectly from CHS Trust. Indeed, the preliminary injunction entered by the Court included in its scope bank accounts belonging to iCare and Ha Nguyen. However, in order to avoid any ambiguity, the Receiver believes that Ha Nguyen and iCare should be explicitly made part of the Receivership Estate. If the Securities and Exchange Commission does not seek this relief in the near future, then the Receiver intends to file either a motion to expand the scope of the Receivership Estate or a petition for further instruction from the Court.

The Receiver has also traced some funds into an account in the name of 2DC Partners, LLC dba CHS Asset Mgt or CHS and is in the process of obtaining turnover of the funds, though the balance that was frozen is believed to be less than \$1,500.

II. PERSONAL PROPERTY

As set forth in the prior status reports, after the Receiver's appointment on March 14, 2019, he and/or his agents along with representatives of the SEC and the FBI went to addresses associated with the Receivership

1 Defendants to change the locks and gain control over those locations and to
2 take control of assets and books and records. Specifically, the Receiver
3 went to residences at 118 Garnet Avenue, Newport Beach, CA and 1000
4 San Joaquin Plaza #6309, Newport Beach CA, and to the following office
5 locations: (1) the CHS Trust office at 14082 Magnolia St., Westminster, CA
6 92683; (2) a former CHS Trust office on Bolsa Avenue in Westminster, CA;
7 (3) a CHS Trust address at 141 West Jackson Blvd., Suite 400, Chicago, IL
8 60604; (4) an office address for iCare located at 2114 Senter Rd., Suite 12,
9 San Jose, CA 95112; and (5) the Church for the Healthy Self address at
10 3131 McKinney Avenue, Suite 600, Dallas, Texas 75204. The Receiver had
11 the locks changed at the residences and at the CHS Trust office on
12 Magnolia Avenue in Westminster, although the Receiver has since returned
13 possession of the Magnolia Avenue location to the landlord.

14 At the residential properties, the Receiver took possession of various
15 personal property, including jewelry, clothing, computers, sports equipment,
16 and three cell phones. The Receiver located \$53,037 in cash and deposited
17 that cash. At the office locations, the Receiver took possession of office
18 equipment, books and records, and computer records. He had the
19 computers imaged and reviewed, and the books and records are in the
20 process of being reviewed for information that may assist the Receiver with
21 the identification and location of assets for the Receivership estates.

22 Because the Receiver Order authorized the Receiver to liquidate
23 personal property in the manner that the Receiver believed was most
24 beneficial to the Receivership Estate, the Receiver retained Tranzon Asset
25 Strategies ("Tranzon") to conduct an online auction of the personal property,
26 including a Bentley automobile, that was seized at the residential and office
27 locations. The auction was conducted in late April and generated
28 \$54,194.94 for the benefit of the Receivership Estate after the payment of

1 costs associated with the sale. A copy of the report of the auction is
2 attached as Exhibit "1."

3 The Receiver also took possession of a Mercedes and a BMW. Both
4 are in Tranzon's possession now and will be liquidated shortly. There are
5 five other cars believed to be under Mr. Whitney's control, but the cars are
6 older makes believed to be in the possession of third parties and do not
7 appear to be worth the cost that would be incurred locating them, taking
8 possession of them, and then selling them.

9 There are a number of items that were confiscated by the Receiver
10 when he visited the various locations referenced above that did not sell in
11 Tranzon's auction and where the cost to sell the items is expected to exceed
12 any benefit generated. These items range from clothing to a fake Rolex
13 watch. As authorized by the *Order Granting Motion of Receiver, Robert P.*
14 *Mosier, for Order in Aid of Receivership* (the "Abandonment Order"), the
15 Receiver intends to give notice to either Mr. Whitney or Mr. Parrish,
16 depending on which home the items were confiscated from, that they have
17 five days to retrieve the property and, if they fail to make arrangements to
18 retrieve the items, the Receiver will donate the useful items to Goodwill and
19 dispose of the rest. At least one third party with clothing that was removed
20 from one of the residences and that was not sold by Tranzon has retrieved
21 her items from storage and there may be one or two more third parties who
22 also retrieve clothing items. The small amount of personal property at the
23 Westminster office that was not sold as part of the auction was abandoned
24 to the landlord when the premises were returned to it.

25 The Receiver has also identified some partnership units that Church
26 for the Healthy Self holds in a publicly traded limited partnership and expects
27 to retain a broker to assist in their liquidation. The units are expected to be
28 worth approximately \$10,000.

1 **III. BANK ACCOUNTS**

2 **A. Funds Recovered by the Receiver**

3 Upon his appointment, both the Receiver and the SEC sent letters to
 4 all financial institutions believed to be holding accounts for the Receivership
 5 Defendants to give them notice of the asset freeze. This included accounts
 6 in the name of iCare, Ha Nguyen, and Crawfish Lovers and Cajun Seafood,
 7 a restaurant that is believed to be owned by Ms. Nguyen and which received
 8 funds traceable to CHS Trust. Accounts in the name of these three entities
 9 are referred to as the "iCare Accounts." The Receiver has instructed
 10 financial institutions holding funds in the name of the Receivership
 11 Defendants to turn over the funds in their possession and has collected
 12 approximately \$231,680 thus far. The Receiver has an additional
 13 \$742,527.84 in funds in the iCare Accounts frozen, but has not yet taken
 14 possession of the funds pending further instruction from the Court. The
 15 Receiver expects that the scope of the Receivership Estate will be expanded
 16 to explicitly include iCare and Ha Nguyen and the account belonging to the
 17 restaurant. That expansion will either be on motion of the Securities and
 18 Exchange Commission or the Receiver.

19 **B. Funds Seized by the Federal Bureau of Investigation Prior to** 20 **the Receiver's Appointment**

21 Prior to the commencement of this action by the Securities and
 22 Exchange Commission, the Federal Bureau of Investigation obtained
 23 criminal seizure warrants over funds in accounts belonging to CHS Trust
 24 and CHS Asset Management, Inc., seizing approximately \$4.4 million.
 25 Initially, the Receiver was informed by the FBI that the funds were expected
 26 to be turned over to and administered as part of the Receivership Estate.
 27 However, the U.S. Attorney's Office recently informed counsel for the
 28 Receiver that it does not intend to do that and instead intends to internally

1 administer the funds through its own remission process. The Receiver
 2 believes that it would be more efficient for these funds to be administered as
 3 part of the Receivership Estate because there is a formal claims process
 4 that is judicially supervised. It is presently unclear how this issue will be
 5 resolved.

6 7 **IV. REAL PROPERTY**

8 The Receiver is analyzing the benefit of administering a rental property
 9 owned by Mr. Parrish located at 45 East 23rd St., Chicago, IL. If the property
 10 is worth more than the mortgage and any other liens against it, then the
 11 Receiver will comply with 28 U.S.C. § 2001 and seek a further Court order.
 12 If the cost to administer it would exceed the benefit, then the Receiver will
 13 abandon it in accordance with the Abandonment Order.

14 The Receiver has determined that Mr. Whitney holds title to two pieces
 15 of raw land: one in the Santa Clarita area of California and the other in
 16 Mississippi. The purchase price that he caused to be paid for these parcels
 17 is minimal, and the Receiver believes that it is unlikely that the parcels will
 18 be worth enough to be administered, but he is still collecting information
 19 before making a final determination. If the Receiver decides not to
 20 administer these parcels, then he will abandon them in a manner consistent
 21 with the Abandonment Order.

22 In addition, there is at least one property that appears to have been
 23 conveyed to CHS Trust by a defrauded investor who did not intend to
 24 permanently convey title to CHS Trust. If the Receiver is able to determine
 25 that the grantor was deceived, because real estate is identifiable and
 26 because of the equities, he would intend to seek an order of this Court
 27 authorizing him to quitclaim the property(ies) back to the grantor. The
 28 Receiver is so far aware of one property where title was actually transferred

1 and a second where it does not appear that the deed was recorded,
2 although it was signed.

4 **V. POTENTIAL LITIGATION CLAIMS**

5 Because the receivership has only been pending since March 14,
6 2019, the Receiver is in the process of analyzing potential claims against
7 various parties. At a minimum, he anticipates that he will seek recovery of
8 sums investors received in excess of the principal amount of their
9 investment and of certain fraudulent transfers made by the Receivership
10 Defendants, including the payment of commissions on money brought in.
11 He anticipates retaining a law firm as litigation counsel to pursue these
12 claims on a contingency fee basis. The Receiver is also analyzing whether
13 any financial institutions have liability for the fraud that occurred here and, if
14 it is determined that such claims have merit, the Receiver may jointly
15 prosecute such actions with the investors, again using contingent-fee
16 counsel. As directed by the Receiver Order, the Receiver will seek Court
17 approval before commencing any such actions.

18 The Receiver is also evaluating whether it is in the best interest of the
19 Receivership Estate to seek civil contempt charges against Mr. Whitney and
20 Mr. Parrish and certain third parties who received notice of the Receiver
21 Order but failed to comply with the accounting and cooperation requirements
22 of the Receiver Order.

24 **VI. CLAIM PROCESS**

25 As explained in the Receiver's status reports, one of the bigger
26 challenges has been the compilation of a list of the investors because Mr.
27 Whitney has not cooperated at all and Mr. Parrish has not materially
28 cooperated. In addition, the Receiver has been unable to get in contact with

SMILEY WANG-EKVALL, LLP

Costa Mesa, California 92626

1 several of the key employees who managed or had access to the database
 2 of investors and is not certain the information he was able to access was
 3 entirely accurate. However, after reviewing statements and cross-
 4 referencing them with the lists of investors he was able to access, the
 5 Receiver has thus far compiled a list of 442 investors who purportedly own
 6 541 accounts. This list is not yet complete and verification is ongoing.

7 The Receiver is in the process of completing his calculations of each
 8 investor's "net investment," which is the amount that they actually invested,
 9 less any distributions made to them or on their behalf and not including any
 10 interest income. Once that is complete and once the Court has clarified that
 11 iCare is explicitly a part of the Receivership Estate, the Receiver intends to
 12 seek Court approval of his proposed claim procedure under which the
 13 Receiver will send a letter to each investor notifying them how the Receiver
 14 has calculated their claim and what the amount of their net investment is
 15 based on the books and records. If the investor disagrees, the Receiver
 16 proposes that they have an opportunity to submit a claim form to the
 17 Receiver, together with supporting documentation. If the Receiver agrees
 18 with the claim, then no further action will be necessary. If the Receiver
 19 disagrees, then he will seek an order of the Court resolving the issue. The
 20 Receiver believes that investors should have sixty days to return their claim
 21 form and documentation to the Receiver and that if they fail to submit a
 22 timely claim, they should be barred from doing so. This is necessary to
 23 enable the Receiver to administer the Receivership Estate timely. As part of
 24 this process, the Receiver also intends to seek a Court order giving the
 25 defrauded investors priority in distributions over other creditors of the
