It is not anticipated that holders of Class E Claims will receive any distributions under this Plan. ***EXCEPT AS PROVIDED PURSUANT TO SEPARATE ORDER OR AGREEMENT, CERTAIN HOLDERS OF CLASS E CLAIMS SHALL BE SUBJECT TO RELEASES AND INJUNCTIONS PRECLUDING PURSUIT OF ANY CLAIM, INCLUDING CLASS E CLAIMS, AGAINST CERTAIN PARTIES IN ACCORDANCE WITH SECTIONS 10.05 AND 10.06 HEREOF.***

Equity Holders shall (i) retain, albeit without any rights of control over the Debtor, the Post-Effective Date Debtor, the Estate, or any of their officers or directors, including the Post-Confirmation Officer, or any other rights generally afforded to Interests, their respective Interests in the Debtor to the extent they are entitled to retain such interests under the Shareholder Settlement Agreement, but (ii) shall receive no distributions under this Plan on account of the same.

**ARTICLE V.

AND THE NECC TORT TRUST**

5.01 *Settlement and Compromise.* To the extent any Settlement Agreements have not been previously approved by the Bankruptcy Court, the entry of the Confirmation Order shall constitute approval of such Settlement Agreements by the Bankruptcy Court and the Bankruptcy Court's finding that, as required under the applicable provisions of the Bankruptcy Code and Bankruptcy Rules, the Settlement Agreements are in the best interest of the Debtor, the Estate and all holders of Claims in the Chapter 11 Case, are fair, equitable and reasonable, and have been entered into in good faith by all parties thereto. Upon the occurrence of the conditions to effectiveness set forth in each of the Settlement Agreements, the Settlement Agreements shall be binding and enforceable against the parties to the Settlement Agreements in accordance with their terms. To the extent not previously approved by the Bankruptcy Court, copies of the Settlement Agreements (without signature pages) will be included in the Plan Supplement, and the provisions thereof are incorporated into this Plan, as if the same were fully set forth herein.

5.04 *Purpose of Tort Trust.* The Tort Trust shall be established for the sole purpose of implementing this Plan on behalf of, and for the benefit of, Tort Trust Beneficiaries and holders of Allowed Class E Claims, and to serve as a mechanism for liquidating, converting to Cash and distributing the Tort Trust Assets for the benefit of Tort Trust Beneficiaries and holders of Allowed Class E Claims, with no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary to, and consistent with, the liquidating purposes of the Tort Trust. The Tort Trust is organized and established as a trust pursuant to which the Tort Trustee, subject to the terms and conditions contained in the Tort Trust Agreement and in this Plan, is to hold the Tort Trust Assets and dispose of the same in accordance with the Tort Trust Agreement and this Plan in accordance with Treasury Regulation section 301.7701-4(d).

5.05 *Assets of the Tort Trust.* The Tort Trust shall consist of (i) the Initial Tort Trust Assets, which the Estate Representative shall deliver, transfer or cause to be delivered or transferred, as applicable, to the Tort Trust, (ii) the Additional Tort Trust Assets, which,

following the Confirmation Date and as soon after receipt as is reasonably practicable, the Estate Representative shall deliver or cause to be delivered to the Tort Trust, and (iii) any additional assets disbursed to the Tort Trust from the Shareholder Settlement QSF Account or the Shareholder Settlement Non-QSF Accounts.

5.06 Governance of the Tort Trust. The Tort Trust will be administered by the Tort Trustee. Subsequent appointments of Tort Trustee(s) shall be made in accordance with the provisions of the Tort Trust Agreement and this Plan. Decisions with respect to all matters shall be made by the Tort Trustee, subject to the terms of the Tort Trust Agreement. The Tort Trust Agreement shall govern the removal of any Tort Trustee and appointment of any successor Tort Trustee. The Tort Trust Agreement specifies that the Tort Trustee shall be a resident of the United States.

5.07 Role of the Tort Trustee. In furtherance of, and consistent with the purpose of, the Tort Trust and this Plan, the Tort Trustee shall, subject to the terms of this Plan and the Tort Trust Agreement, (i) have the power and authority to hold, manage, sell and distribute the Tort Trust Assets as set forth herein and in the Tort Trust Agreement, (ii) have the power and authority to hold, manage, sell and distribute Cash or non-Cash Tort Trust Assets obtained through the exercise of its power and authority, (iii) have the power and authority to investigate, assert, prosecute and resolve, in the names of the Debtor and/or the name of the Tort Trust, the Estate Causes of Action in its sole and absolute discretion and (iv) have the power and authority to perform such other functions as are provided in this Plan or Tort Trust Agreement. Subject to the provisions of the Tort Trust Agreement, in all circumstances, the Tort Trustee shall act in furtherance of the purpose of the Tort Trust, and shall use commercially reasonable efforts to dispose of the Tort Trust Assets and to make timely distributions and not unduly prolong the duration of the Tort Trust.

5.08 Investments. Investments of all assets, including monies, held in the Tort Trust shall be administered, subject to the limitations and provisions set forth in this Section 5.08, in view of the manner in which individuals of ordinary prudence, discretion and judgment would act in the management of their own affairs, and with the understanding that it is intended that distributions from the Tort Trust to Tort Trust Beneficiaries, which will have the effect of liquidating and terminating the Tort Trust, will commence immediately upon or soon after the Effective Date of the Plan and will be completed soon thereafter. The Tort Trustee shall invest and reinvest the principal and income of the Tort Trust and keep the funds of the Tort Trust invested in interest-bearing accounts at an approved depository institution to be selected from the United States Trustee's List of Authorized Depositories for Bankruptcy Cases filed in Region One, dated July 26, 2013. Each account shall be treated as a single fund without distinction between principal and income. For purposes of this paragraph, "interest-bearing account" may include a money fund whose objectives are current income consistent with liquidity and low risk, the maintenance of a portfolio of high quality, short-term money market instruments, and maintenance of a constant \$1.00 net asset value per share, to the extent the Tort Trustee determines that such fund is consistent with provisions for investment set forth in IRS Revenue Procedure 94-45 or any successor guidance issued by the IRS. All investments shall be made so as to at all times provide sufficient liquidity to meet the anticipated cash needs of the Tort Trust

as set forth herein. In investing, reinvesting, exchanging, selling and managing the Tort Trust accounts, the Tort Trustee shall discharge its duties with respect to said accounts solely in the interest of the accomplishment of the purposes and objectives of the Tort Trust. Notwithstanding the foregoing, the Tort Trustee shall make continuing efforts to make timely distributions and not unduly prolong the duration of the Trust, consistent with the limitations set forth in IRS Revenue Procedure 94-45 or any applicable successor authority.

5.09 Fees, Costs and Expenses of the Tort Trust.

(i) The Tort Trust shall pay all reasonable fees, costs and expenses of the Tort Trust that are (a) incurred in connection with the administration of the Tort Trust, the protection, preservation, liquidation and distribution of Tort Trust Assets, and the costs of investigating, prosecuting, resolving and/or settling any Claims of Tort Trust Beneficiaries and holders of Allowed Class E Claims (including but not limited to Disputed Claims or any Disputed Ownership Fund under Section 5.12 of this Plan), any tax liability imposed on the Tort Trust rather than on the Disputed Claims Reserve, Disputed Ownership Fund, or the Expense Fund, if any, and any fees, costs and expense of any and all professionals retained by the Tort Trustee and persons to be compensated from the Claims Resolution Facility and the Provider Claims Resolution Facilities), (b) obligations or other liabilities incurred or assumed by the Tort Trust (including but not limited to any Reserves established by the Tort Trust) (c) reasonably necessary to meet contingent liabilities and to maintain the value of the Tort Trust Assets during liquidation, and (d) reasonably necessary to satisfy any other obligations of the Tort Trust set forth in this Plan, the Confirmation Order or the Tort Trust Documents.

(ii) The Tort Trustee shall be entitled to reasonable compensation in an amount consistent with that of similar functionaries in similar types of proceedings, and shall be reimbursed for his or her reasonable expenses, including travel expenses, reasonably required and incurred in the performance of his or her duties, in each case subject to the terms and provisions of this Plan and the Tort Trust Documents.

(iii) Subject to the terms and provisions of this Plan and the Tort Trust Documents, the Tort Trustee may retain and reasonably compensate counsel and other professionals on such ordinary and customary and commercially reasonable terms as the Tort Trust deems appropriate, without Bankruptcy Court approval.

(iv) The Tort Trustee may retain such law firms or attorneys, experts, advisors, consultants, investigators, appraisers, auctioneers, corporate management services, or other persons or professional firms as the Tort Trustee determines, in his or her sole discretion, are necessary, desirable or appropriate to aid in the performance of his or her duties, without the need for further order or notice. The Tort Trustee may pay or appropriate funds necessary to pay the professionals for services rendered and expenses incurred after the Effective Date without any need for filing fee applications under the Bankruptcy Code or approval of any court. The Tort Trustee may retain any professional who represented the Official Committee or the Chapter 11 Trustee in the Chapter 11 Case.

5.10 Distribution of the Tort Trust Assets. The Tort Trustee shall distribute the proceeds of the Tort Trust Assets in accordance with this Plan, the Confirmation Order, the Tort

Trust Documents and the Claims Resolution Facility Procedures. In connection with such distributions, and except as provided below in this Section 5.10, the Tort Trust shall be responsible for all reimbursement and reporting obligations imposed by the Medicare Act for the repayment of any claim related conditional payments made under Medicare Part A, B, C and D (“Conditional Payment”) or any state's Medicaid or Workers Compensation statute. Before disbursing any Tort Trust Assets to any Tort Trust Beneficiary, the Tort Trustee may enter into a global resolution with the Centers for Medicare and Medicaid Services (“CMS”) to reimburse all Medicare Part A, B, C and D liens that are subject to repayment for Conditional Payments made pursuant to 42 USC 1395y(b) and the accompanying Medicare Part C and Part D statutes and Medicare reporting obligations pursuant to 42 USC 1395y(b)(8).

Pursuant to 42 USC 1395y(b)(8), defined Responsible Reporting Entities (“RREs”) must report claims to CMS in the manner and time specified by the statute. If a global resolution with CMS cannot be reached, the Tort Trustee is authorized to enter into a separate agreement with each RRE to report on their behalf and if a separate agreement with an RRE is not reached, the Tort Trustee shall provide all of the information required for proper reporting under 42 USC 1395y(b)(8) to the appropriate RRE(s) or their authorized agent before disbursing any funds to any Tort Trust Beneficiary. If a global resolution is not reached and the Tort Trustee does not enter into an agency agreement with the appropriate RRE(s) before disbursing any funds to any Tort Trust Beneficiary (i) the Tort Trustee will collect the Tort Trust Beneficiary's first name, last name, date of birth, gender, social security number and any other information required for proper reporting of the claim to CMS pursuant to 42 USC 1395y(b)(8) and the Medicare Mandatory Insurer Reporting User Guide; and (ii) the Tort Trustee will provide all of the information required for reporting to the RREs within five (5) days of any Final Determination (as that term is used in the Claims Resolution Facility Procedures) of any claim.

In addition, if a global resolution with CMS cannot be reached, before disbursing any funds to any Tort Trust Beneficiary, (i) the Tort Trustee shall determine, or retain an appropriately qualified firm to determine whether any Conditional Payment has been made to or on behalf of the Tort Trust Beneficiary to whom a distribution of Tort Trust Assets will be made, and if any Conditional Payment has been made to or on behalf of such a Tort Trust Beneficiary, the Tort Trustee shall, within the time period called for by the Medicare Act, (a) reimburse the Medicare Trust fund, the appropriate Medicare plan or their authorized contractor for the appropriate amount and (b) submit the required information for the Tort Trust Beneficiary to the appropriate agency of the United States government; and (ii) the Tort Trustee shall otherwise comply with any requirements (including, but not limited to, any reporting or payment requirements) of any other federal or state governmental health insurance program and any state's Medicaid or Workers Compensation statute. Prior to the Tort Trustee reimbursing any Medicare Part A, B, C and D plan requiring repayment the Tort Trustee shall provide notice of the existence of any Conditional Payment(s) and/or other lien(s) to the Tort Trust Beneficiary and, if applicable, his or her attorney. The Tort Trust Beneficiary and/or his or her attorney may elect to negotiate the amount of the alleged conditional payments within 120 days of notice from the Tort Trustee, or prior to any deadline imposed by the Medicare Part A, B, C and D for reimbursement, whichever is sooner. If the Tort Trust Beneficiary or his or her attorney elect not to negotiate the alleged lien amounts, or the other lien(s) are not resolved within the time periods specified, with the Tort Trust Beneficiary's consent, the Tort Trustee may utilize the firm with experience in resolving liens to satisfy the Tort Trust Beneficiary's obligations represented by

the Conditional Payment(s) and/or other lien(s). Upon receiving confirmation of the final Medicare Part A, B, C and D amount requiring repayment, the Tort Trustee will reimburse the appropriate Medicare Part A, B, C and D plan or their authorized contractor. Any payments made to resolve such obligations of the Tort Trust Beneficiary, together with the fees paid to the lien resolution firm, shall be deducted from the Tort Trust Beneficiary's distribution of Tort Trust Assets prior to disbursement of the balance to the Tort Trust Beneficiary or his or her counsel.

The Trustee, the Post-Effective Date Debtor and the Post-Confirmation Officer shall have no responsibility or liability for (i) the creation, existence, operation or administration of the Tort Trust; (ii) any acts or omissions of the Tort Trustee in administering the Tort Trust; (iii) any reimbursement and reporting obligations under the Medicare Act or any state's Medicaid or Workers Compensation statute; or (iv) any payment or non-payment of Claims. The Tort Trust shall indemnify and hold harmless the Trustee, the Post-Effective Date Debtor and the Post-Confirmation Officer from any and all claims, losses, causes of action, demands, liabilities, expenses, fees, including, but not limited to, attorneys' fees, and costs of any kind arising from or relating to (i) the creation, existence, operation or administration of the Tort Trust; (ii) any acts or omissions of the Tort Trustee in administering the Tort Trust; (iii) any reimbursement or reporting obligations under the Medicare Act or any state's Medicaid or Workers Compensation statute or (iv) any payment or non-payment by the Tort Trust to any Tort Trust Beneficiary. Prior to making any Tort Trust Distribution, the Tort Trust shall retain sufficient funds to meet the fees, costs and expenses of the Tort Trust.

5.11 *Resolving Liens Other than Imposed by the Medicare Act and States' Medicaid and Worker Compensation Statutes.* Before disbursing any Tort Trust Assets to a Tort Trust Beneficiary, the Tort Trustee shall ensure that other liens that the Tort Trustee has received notice of have been resolved or have been otherwise satisfied. To that end, the Tort Trustee shall provide notice of the existence of any such lien(s) to the Tort Trust Beneficiary and, if applicable, his or her attorney, and it shall be the Tort Trust Beneficiary's (or his or her attorney's) responsibility to resolve such lien(s) against the Tort Trust Beneficiary's anticipated distribution of Tort Trust Assets within 120 days of notice from the Tort Trustee. If the lien has not been settled or otherwise resolved within this 120-day time period, with the Tort Trust Beneficiary's consent, the Tort Trustee may retain a firm with experience in resolving liens to satisfy the Tort Trust's Beneficiary's obligations as represented by the lien(s). Any payments made to resolve such lien(s), together with the fees paid to the lien resolution firm, shall be deducted from the Tort Trust Beneficiary's distribution of Tort Trust Assets prior to disbursement of the balance.

5.12 *Time of Tort Trust Distributions.* Subject to the Claims Resolution Facility Procedures and the Provider Claims Resolution Facility Procedures, the Tort Trustee shall have the sole and absolute discretion to determine the timing of distributions of the proceeds of the Tort Trust in the most efficient and cost-effective manner possible; *provided, however*, that the Tort Trustee's discretion shall be exercised in a manner consistent with the express requirements of this Plan and the requirements of taxation as a grantor trust under applicable IRS guidelines, rulings or other controlling authorities.

5.13 *Tax Treatment of Tort Trust.*

(i) **Tort Trust Assets Treated as Owned by Certain Creditors.** For all United States federal income tax purposes, all parties (including the Post-Confirmation Officer, the Estate Representative, the Tort Trustee, the Resident Tort Trustee, the Settlement Administrator(s), Tort Trust Beneficiaries and holders of Allowed Class E Claims) shall treat the transfer of the Tort Trust Assets to the Tort Trust as (a) a transfer of the Tort Trust Assets (subject to any obligations related to those assets) directly to the Tort Trust Beneficiaries and holders of Allowed Class E Claims, followed by (b) the transfer by such Tort Trust Beneficiaries and holders of Allowed Class E Claims of such Tort Trust Assets (other than the Tort Trust Assets allocable to a Contested Claims Reserve or a Disputed Ownership Fund, each as described in Section 5.13(v) hereof) to the Tort Trust in exchange for beneficial interests in the Tort Trust. Accordingly, the Tort Trust Beneficiaries and holders of Allowed Class E Claims shall be treated for federal income tax purposes (and, to the extent permitted, for state and local income tax purposes) as the grantors and owners of their respective shares of the Tort Trust Assets (other than the Tort Trust Assets allocable to an Expense Fund, if any, Contested Claims Reserve or a Disputed Ownership Fund as described in Section 5.13(v) hereof).

(ii) **Exemption from Transfer Taxes.** Pursuant to section 1146(a) of the Bankruptcy Code, the making or assignment of any lease or sublease, or the making or delivery of any instrument of transfer from the Estate, the Post-Effective Date Debtor or the Post-Confirmation Officer to the Tort Trust or any other Person or any government, governmental agency or any subdivision, department or other instrumentality thereof, pursuant to this Plan, shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, stamp act, real estate transfer tax, mortgage recording tax or other similar tax or governmental assessment and the Confirmation Order shall direct the appropriate state or local governmental officials or agents to forego the collection of any such tax or governmental assessment and to accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax or governmental assessment. Without limiting the foregoing, any issuance, transfer or exchange of a security or any making or delivery of an instrument of transfer pursuant to this Plan shall be exempt from the imposition and payment of any and all transfer taxes (including but not limited to any and all stamp taxes or similar taxes and any interest, penalties and addition to the tax that may be required to be paid in connection with the consummation of this Plan) pursuant to sections 1146(a), 505(a), 106 and 1141 of the Bankruptcy Code.

(iii) **Tax Reporting.**

(1) The Tort Trustee shall serve as the “Qualified Settlement Fund Administrator” of the Shareholder Settlement QSF Account and in such capacity shall have the exclusive responsibility and obligation to file all required tax returns and to otherwise administer all funds from or deposited into a “Qualified Settlement Fund” for the benefit of Tort Trust Beneficiaries.

(2) The Tort Trustee shall file returns for the Tort Trust as a grantor trust pursuant to Treasury Regulation section 1.671-4(a) and in accordance with this Section 5.13(iii). The Tort Trustee shall also annually send to each record holder of a beneficial interest a separate statement setting forth the holder’s share of items of income, gain, loss, deduction or credit and shall instruct all such holders to report such items on their federal income tax returns

or to forward the appropriate information to the beneficial holders with instructions to report such items on their federal income tax returns. The Tort Trustee shall also file (or cause to be filed) any other statements, returns or disclosures relating to the Tort Trust that are required by any Governmental Unit.

(3) Tort Trust taxable income or loss shall be allocated pro rata based on the total of Allowed and Disputed Claims of the Tort Trust Beneficiaries at the end of the taxable year. Tort Trust taxable income or loss allocated to Disputed Claims shall be allocated to the Contested Claims Reserve or Disputed Ownership Fund (each as described in Section 5.13(v) hereof) (whichever applies), and reported to taxing authorities appropriately, as described further herein.

(4) As soon as possible after the Effective Date, the Tort Trustee shall make a good faith valuation of the Tort Trust Assets. Such valuation shall be made available from time to time, to the extent relevant, and used consistently by all parties (including the Estate Representative, the Official Committee, the Tort Trustee, the Tort Trust Beneficiaries and holders of Allowed Class E Claims) for all state and federal income tax purposes. The Tort Trust also shall file (or cause to be filed) any other statements, returns or disclosures relating to the Tort Trust that are required by any governmental unit.

(5) The Tort Trustee may request an expedited determination of taxes of the Tort Trust under Section 505 of the Bankruptcy Code for all returns filed for, or on behalf of, the Tort Trust for all taxable periods through the termination of the Tort Trust.

(iv) **Withholding of Taxes and Reporting Related to Tort Trust Operations.** The Tort Trustee shall comply with all withholding and reporting requirements imposed by any federal, state, local or foreign taxing authority, and all distributions made by the Tort Trust shall be subject to any such withholding and reporting requirements. The Tort Trustee shall be authorized to take any and all actions that may be necessary or appropriate to comply with any such withholding, payment, and reporting requirements. All amounts properly withheld from distributions to a Tort Trust Beneficiary or holder of an Allowed Class E Claim as required by applicable law and paid over to the applicable taxing authority for the account of such Claimant shall be treated as part of the distributions to such Tort Trust Beneficiary or holder of an Allowed Class E Claim. To the extent that the operation of the Tort Trust or the liquidation of the Tort Trust Assets creates a tax liability imposed on the Tort Trust, including the Contested Claims Reserve described in Section 5.12(v) hereof, the Tort Trust shall timely pay such tax liability and any such payment shall be considered a cost and expense of the operation of the Tort Trust payable without Bankruptcy Court order. Any federal, state or local withholding taxes or other amounts required to be withheld under applicable law shall be deducted from distributions hereunder. All Tort Trust Beneficiaries and holders of Allowed Class E Claims shall be required to provide any information necessary to effect the withholding of such taxes.

(v) **Reporting Related to Contested Claims Reserve.** Notwithstanding any other provision of the Tort Trust Agreement to the contrary, subject to definitive guidance from the Internal Revenue Service or a court of competent jurisdiction to the contrary, the Tort Trustee may treat any Tort Trust Asset allocable to, or retained on account of, a "Contested Claims Reserve" as held by one or more discrete entities for federal, and state and local, income tax

purposes, subject to an allocable share of all expenses and obligations of the Tort Trust, on account of such contested Claims. The Tort Trustee may, in the his sole discretion, file a tax election to treat any Contested Claims Reserve as a "Disputed Ownership Fund" within the meaning of Treasury Regulation Section 1.468B-9 for United States federal income tax purposes rather than to tax such reserve as a part of the Tort Trust. All Tort Trust Beneficiaries, all holders of Allowed Class E Claims, and all holders of Contested Claims, shall be bound by such income tax treatment.

(vi) **Qualified Settlement Fund Matters.** To the maximum extent permitted by law, all Tort Trust Assets transferred to the Tort Trust from a qualified settlement fund, including without limitation any and all qualified settlement funds established under the Shareholder Escrow and Control Agreement, shall be treated for all purposes as amounts distributed to claimants for which the fund was established in accordance with Treasury Regulation Section 1.468B-4, and shall be reported as excludable from gross income to the extent permitted under section 104(a)(2) of the Tax Code. In no event shall amounts transferred to the Tort Trust under the Shareholder Escrow and Control Agreement be treated as deemed distributions to the transferors to any qualified settlement fund established under the Shareholder Escrow and Control Agreement.

5.14 Resolution of the Claims of Minors In Accordance With the Tort Trust.

(i) In connection with any Tort Claims in which the holder is a minor, the Tort Trustee shall notify the parent, guardian, guardian ad litem, adult spouse, next friend, or other representative of the minor of the proposed distribution to such minor. Such parent, guardian, guardian ad litem, adult spouse, next friend, or other representative of the minor shall move for approval of the allocation within ninety (90) days of his or her notification by the Tort Trustee of the proposed distribution.

(ii) In the event that the parent, guardian, guardian ad litem, adult spouse, next friend, or other representative of the minor does not so move for approval of the allocation within ninety (90) days of his or her notification by the Tort Trustee of the proposed distribution, the Tort Trustee shall submit the proposed distribution to the holder to the District Court for approval in accordance with Section 140C1/2 of Chapter 231 of the Massachusetts General Laws and request that the District Court hold a hearing on the petition, and the petitioner and the Tort Claim holder may attend any such hearing. The Tort Trustee shall request the District Court to determine whether the proposed distribution is in the Tort Claim holder's best interests and, if the proposed distribution is approved, that determination shall be embodied in an order which shall have the effect of a judgment. Upon approval of the proposed distribution to such holder of a Tort Claim, the Tort Trustee shall request the District Court to authorize payment to the counsel of the minor, if any, of fees and disbursements to be paid from the distribution and further shall order that the remainder of the distribution be distributed in a manner that will best protect the interest of the minor.

5.15 Access to Claims Information. Upon request made to the Estate Representative on or after the Effective Date by the Tort Trustee, the Settlement Administrator(s) or the Special Master, the Estate Representative shall deliver to the Tort Trustee, the Tort Trustee, the Settlement Administrator(s) or the Special Master, as applicable, on an un-redacted basis, the

relevant Patient Lists and all proofs of claim and supporting documentation (including the PITWD Addenda) for purposes of effectuating the Tort Trust and distributions to holders of Allowed Class D Claims or Allowed Class E Claims. The Confirmation Order shall include all findings and orders necessary to permit or facilitate such delivery and access, including with respect to the confidentiality of the Patient Lists and the PITWD Addenda, subject to any further orders of the Bankruptcy Court.

5.16 *Distribution of Surplus.* The Tort Trustee shall make all payments required to be paid to holders of Allowed Class D Claims or Allowed Class E Claims under this Plan, in accordance with the terms and conditions of the Tort Trust Agreement, the Claims Resolution Facility Procedures and the Provider Claims Resolution Facility Procedures. If, and only if, the Tort Trustee has made distributions to Tort Trust Beneficiaries sufficient to satisfy in full the Claims of each and every Tort Trust Beneficiary (as determined by the Tort Trustee, subject to the MDL Court's review of such determination), then the Tort Trustee shall distribute to the holders of Allowed Class E Claims their Pro Rata Share of the remaining Cash, if any, of the Tort Trust.

5.17 *Payments to Post-Effective Date Debtor.* The Post-Confirmation Officer may from time to time request that monies be transferred to the Post-Effective Date Debtor from the Tort Trust for use and distribution as he deems appropriate in accordance with this Plan, and the Tort Trustee shall promptly comply with any and all such request(s).

ARTICLE VI. MEANS FOR IMPLEMENTATION AND EXECUTION OF THIS PLAN

6.01 *Management of the Post-Effective Date Debtor.*

(i) **Post-Confirmation Officer.** On the Effective Date, (a) the authority, power and incumbency of the persons then acting as directors and officers of the Debtor, and that of the Chapter 11 Trustee, shall be terminated, (b) such directors, officers and the Chapter 11 Trustee shall be deemed to have been discharged pursuant to Bankruptcy Code section 350(a) and (c) Paul D. Moore, Esq. shall be appointed as the sole officer and director of NECC to serve in accordance with the certificate of incorporation and the bylaws of NECC, as such may be amended to carry out the provisions of this Plan. The Tort Trustee shall indemnify and hold harmless the Post-Confirmation Officer for any losses incurred in his or her capacity as such, except to the extent such losses were the result of the Post-Confirmation Officer's willful misconduct.

(iv) **Successor.** In the event the Post-Confirmation Officer dies, is terminated or resigns for any reason, the Bankruptcy Court shall designate a successor on motion of any party in interest.

6.02 Duties and Powers of the Post-Confirmation Officer. The Post-Confirmation Officer shall have the power and authority to implement and administer this Plan, including:

(i) **Claims.** The Post-Confirmation Officer may object to, compromise or settle any or all Claims (with the exception of Class D Claims) against the Debtor or the Estate.

The Post-Confirmation Officer shall have the responsibility of storing and maintaining the Debtor's books and records only until such time as he deems, in his sole discretion and subject to the *Agreed Order Granting Relief from Preservation Order to Permit Chapter 11 Trustee to Sell or Otherwise Dispose of Remaining NECC Property* [MDL Docket No. 1538], such books and records may be abandoned or destroyed, and the Post-Confirmation Officer shall have no liability to any party on account of such abandonment or destruction; *provided, however*, that the Post-Confirmation Officer shall neither abandon nor destroy any such books or records a Shareholder or his or her counsel reasonably requests to be maintained pursuant to the Shareholder Settlement Agreement. The Post-Confirmation Officer shall retain the right to access and copy any records provided to the Tort Trustee. For purposes of this section, books and records include computer generated or computer maintained books and records and computer data, as well as electronically generated or maintained books and records or data, together with books and records of the Debtor maintained by or in possession of third parties and all of the claims and rights of the Debtor in and to their books and records, wherever located.

(vi) **Agreements.** The Post-Confirmation Officer may enter into any agreement or execute any document which he deems to be required by or consistent with this Plan or necessary or appropriate to its implementation and perform all of obligations of the Post-Effective Date Debtor.

(vii) **Investment Power.** Management of all assets and investments of the Post-Effective Date Debtor's Cash shall be administered, subject to the limitations and provisions set forth herein, in view of the manner in which individuals of ordinary prudence, discretion and judgment would act in the management of their own affairs. The Post-Confirmation Officer shall invest and reinvest the Post-Effective Date Debtor's Cash and keep the Post-Effective Date Debtor's Cash invested in interest-bearing accounts at an approved depository institution to be selected from the United States Trustee's List of Authorized Depositories for Bankruptcy Cases filed in Region One, dated July 26, 2013. Each account shall be treated as a single fund without distinction between principal and income. For purposes of this paragraph, "interest-bearing account" includes a money fund whose objectives are current income consistent with liquidity and low risk, the maintenance of a portfolio of high quality, short-term money market instruments and maintenance of a constant \$1.00 net asset value per share. All investments shall be made so as to at all times provide sufficient liquidity to meet the anticipated cash needs of the Post-Effective Date Debtor as set forth herein.

(viii) **Tax Obligations.** The Post-Confirmation Officer shall (a) endeavor to complete and file the Debtor's or the Post-Effective Date Debtor's, as applicable, federal and state tax returns, (b) request, if necessary, an expedited determination of any unpaid tax liability of the Debtor under Bankruptcy Code section 505 for all taxable periods of the Debtor ending after the Petition Date as determined under applicable tax laws and (c) represent the interest and account of the Debtor, its Estate or the Post-Effective Date Debtor, as applicable, before any taxing authority in all matters including, without limitation, any action, suit, proceeding or audit, in all respects consistently with the Shareholder Settlement Agreement and the Shareholder Escrow and Control Agreement.

(ix) **Reporting Duties.** The Post-Confirmation Officer shall be responsible for filing informational returns on behalf of the Debtor or the Post-Effective Date Debtor, as applicable, and any other statements, returns or disclosures relating to the Debtor or the Post-Effective Date Debtor, as applicable, that are required by any governmental unit or applicable law.

(x) **Reasonable Fees and Expenses.** The Post-Confirmation Officer may incur and pay and satisfy any reasonable and necessary fees and expenses in connection with the performance of his duties under this Plan without the need for further order or notice.

6.03 *Other Actions.* The Post-Confirmation Officer may take all other actions not inconsistent with the provisions of this Plan which the Post-Confirmation Officer deems reasonably necessary or desirable with respect to administering this Plan.

6.04 *Expense Fund.* On or after the Confirmation Date, if he deems advisable in his sole discretion, the Estate Representative shall transfer the Expense Fund Amount to the Expense Fund Administrator. The Expense Fund, and earnings thereon, may be used for, *inter alia*, payment of Allowed Class C Claims, Allowed Administrative Claims, Allowed Priority Tax Claims, Allowed Priority Non-Tax Claims, the post-confirmation fees and expenses, including applicable income taxes, of the Estate Representative, fees and expenses, including applicable income taxes, of the Expense Fund, and such other fees or expenses of the Debtor and the Estate as determined by the Estate Representative on or before the date he transfers the Expense Fund Amount to the Expense Fund Administrator. The allocation and disbursement of the Expense Fund shall be made in accordance with such determination. To the extent that a portion of the Expense Fund is not disbursed, or otherwise held in reserve to fund the costs and expenses described herein, in the sole judgment of the Expense Fund Administrator, such portion shall be transferred to the Tort Trust, and shall be subject to the terms thereof. In no event shall any amount transferred to the Expense Fund revert to the Debtor or the Estate Representative. The Debtor or the Estate Representative shall have no rights in the Expense Fund except as determined by the Expense Fund Administrator in accordance with this Section 6.04. For all applicable income tax purposes, the Expense Fund Administrator shall file income tax returns for the Expense Fund as a complex trust or other tax entity as determined by the Expense Fund Administrator, and the Expense Fund shall be subject to and shall pay tax on its taxable income, if any.

6.05 *Distributions Under this Plan.*

(i) **Disbursing Agent.** All distributions under this Plan to holders of Allowed Class A, B and C Claims shall be made in accordance with the terms of this Plan by the Post-Confirmation Officer or the Expense Fund Administrator, as applicable. Distributions to holders of Allowed Class D and E Claims shall be made by the Tort Trustee in accordance with the terms and provisions of the Plan and the Tort Trust Documents.

(ii) **Effective Date Payments.** On the Effective Date, or as soon thereafter as reasonably practicable, the Post-Confirmation Officer shall remit, to each holder of an Allowed Class A, B or C Claim (as of the Distribution Record Date) the distribution provided for such Claim under this Plan.

(iii) **Distribution of Cash.** At the option of the Post-Confirmation Officer or the Tort Trustee, as the case may be, any Cash payment to be made hereunder may be by check or wire transfer.

(iv) **Currency.** Where a Claim has been denominated in foreign currency on a proof of claim, the Allowed amount of such Claim shall be calculated in currency of the United States of America based upon the conversion rate in place as of the Petition Date and in accordance with section 502(b) of the Bankruptcy Code.

(v) **Retention of Cash.** In making the distributions under this Plan to holders of Allowed Claims in Class A, B or C, the Post-Confirmation Officer shall at all times, and subject to Section 6.04 hereof, and taking into account the Cash, if any, available in the Expense Fund for the purposes set forth in Section 6.04 hereof, retain sufficient Cash as he determines in his sole discretion is reasonably necessary to (a) satisfy all Allowed or Disputed Administrative Expense Claims, Priority Tax Claims and Priority Non-Tax Claims, (b) meet the reasonably necessary administrative expenses of the Post-Effective Date Debtor, including the fees of the Post-Confirmation Officer and (c) satisfy all Disputed Claims (except Disputed Tort Claims).

(vi) **Distribution of Shareholder Settlement Non-QSF Monies.** The Estate Representative shall direct the distribution of the Shareholder Settlement Non-QSF Monies, if any, as he determines appropriate in his sole discretion pursuant to this Plan, including, without limitation, for transfer to the Estate and/or for the satisfaction of Administrative Expense Claims.

(vii) **Interim Distributions.** The Post-Confirmation Officer may, but shall not be required to, make interim distributions on account of Allowed Administrative Expense Claims, Allowed Priority Tax Claims, Allowed Priority Non-Tax Claims and wind down costs and expenses. For the avoidance of doubt, the Post-Confirmation Officer shall make no interim distributions to holders of Class D or E Claims, but instead all such interim distributions, if any, shall be made by the Tort Trustee in accordance with the Tort Trust Documents.

(viii) **Final Distributions.** As soon as reasonably practicable after the resolution of all Disputed Non-Tort Claims, the Post-Confirmation Officer shall (i) to the extent not previously paid, pay all Allowed Administrative Expense Claims, Allowed Priority Tax Claims, Allowed Priority Non-Tax Claims and wind down costs and expenses; and (ii) to the extent the Post-Effective Date Debtor has remaining Cash after the payments made in accordance with (i) above, distribute such remaining Cash to the Tort Trust. For the avoidance of doubt, the Post-Confirmation Officer shall make no final distributions to holders of Class D or E Claims, but instead all such final distributions, if any, shall be made in accordance with the Tort Trust Agreement and Claims Resolution Facility Procedures.

6.06 *Disallowance of Multi-Claimant Proofs of Claim.* In accordance with paragraph 10 of the Bar Date Order, Claims evidenced by (i) “Multi-Claimant PITWD Claims” (*i.e.*, by proofs of claim joining or on behalf of two (2) or more claimants) submitted without the prior approval of the Bankruptcy Court, or (ii) by proofs of claim purporting to be on behalf of a class of claimants shall be and are hereby disallowed to the extent not previously disallowed; *provided, however*, that proofs of claim joining or on behalf of two (2) claimants, one of whose sole Claim is a Class D Consortium Claim, shall not be disallowed pursuant to this Section 6.06.

6.07 *Procedures for Treating Disputed Claims.*

(i) **Estimation of Claims.** The Post-Confirmation Officer may at any time request that the Bankruptcy Court estimate any Claim in Class A, B or C pursuant to section 502(c) of the Bankruptcy Code. The Tort Trustee may at any time request that the Bankruptcy Court estimate any Claim in Class D or Class E pursuant to section 502(c) of the Bankruptcy Code. In the event that the Bankruptcy Court estimates any Disputed Claim in Classes A, B, C, D or E, the amount so estimated shall constitute either the Allowed amount of such Claim or a maximum limitation on such Claim, as determined by the Bankruptcy Court. If the estimated amount constitutes a maximum limitation on the amount of such Claim, the Post-Confirmation Officer or the Tort Trustee, as applicable, may pursue supplementary proceedings to object to the allowance of such Claim. All of the aforementioned objection, estimation and resolution procedures are intended to be cumulative and not exclusive of one another. Claims in Classes A, B, C, D or E may be estimated and subsequently disallowed, reduced, compromised, settled, withdrawn or resolved by any mechanism approved by the Bankruptcy Court.

(ii) **Resolution of Disputed Claims.**

(1) To the extent that a Disputed Claim in Classes A, B, C or E is not Allowed or becomes an Allowed Claim in an amount less than the amount of the Disputed Claim set forth in the proof of claim, or as previously estimated by the Bankruptcy Court, the excess of the amount of Cash that would have been distributed to the holder of the Disputed Claim in Classes A, B, C or E if the Claim had been Allowed in full over the amount of Cash actually distributed on account of such Disputed Claim shall be available Cash.

(2) Holders of Disputed Claims in Classes A, B, C or E shall not be entitled to interest if such Disputed Claim becomes an Allowed Claim except to the extent such holder is entitled to interest pursuant to federal or state law.

6.08 Closing of the Chapter 11 Case. When all Disputed Non-Tort Claims have become Allowed Claims or have been disallowed by Final Order, the Tort Trustee and/or the Post-Confirmation Officer may, if he or she so elects in his or her sole discretion, seek authority from the Bankruptcy Court to close the Chapter 11 Case in accordance with the Bankruptcy Code and the Bankruptcy Rules.

6.09 Cancellation of Existing Agreements. Except for purposes of evidencing a right to distributions under this Plan or otherwise provided hereunder, on the Effective Date all of the agreements and other documents, *except for and other than the Tort Trust Documents, the Settlement Agreements and insurance policies issued to, or insurance agreements entered into by the Debtor prior to the Petition Date (including, without limitation, any policies covering directors' or officers' conduct)*, evidencing the Claims or rights of any holder of a Claim against the Debtor, including any notes evidencing such Claims, shall be deemed cancelled.

6.10 Continued Corporate Existence. The Post-Effective Date Debtor shall continue to exist after the Effective Date, with all powers of a corporation under the laws of the Commonwealth of Massachusetts except for shareholder management. The Post-Effective Date Debtor's certificate of incorporation and bylaws shall be deemed amended to include a provision prohibiting the issuance of non-voting equity securities, thereby satisfying the requirements of Bankruptcy Code section 1123(a)(6). The Post-Confirmation Officer, as the sole officer and

director of the Post-Effective Date Debtor, shall perform each of the actions provided for under this Plan without any requirement of further action by or consent or vote of the Shareholders. At the discretion of the Post-Confirmation Officer, the Post-Effective Date Debtor shall be authorized, only following the completion of all disbursements to holders of Allowed Claims in Classes A, B and C, other transfers and other actions required under this Plan, including without limitation, the sale, monetization or liquidation of the assets, including, but not limited to, any assets transferred to the Estate in accordance with the Settlement Agreements and any assets to which the Estate Representative is entitled to sell for the benefit of the Estate in accordance with the Settlement Agreements, or to file certificates of cancellation or dissolution. The filing of such certificates of cancellation or dissolution shall be deemed authorized and approved in all respects without further action under applicable law, regulation, order or rule, including, without express or implied limitation, any action by the Shareholders. After the Effective Date, the Shareholders shall have no power or authority with respect to the management, operation or other functions of the Post-Effective Date Debtor.

6.11 *Effectuating Documents and Further Transactions.* Upon the Effective Date, the Estate Representative is authorized and directed to execute, deliver, file or record such contracts, releases and other agreements or documents and take such actions as he may deem to be necessary or appropriate to effectuate and further evidence the terms and conditions of this Plan.

ARTICLE VII. PROVISIONS GOVERNING DISTRIBUTIONS

7.01 *Distribution Record Date.* (i) As of the close of business on the Distribution Record Date, the claim ledgers for each of the Classes of Claims or Equity Interests shall be deemed closed, and there shall be no further changes in the record holders of any of the Claims or Equity Interests; (ii) the Debtor, the Chapter 11 Trustee, the Post-Confirmation Officer and the Tort Trustee, as the case may be, shall have no obligation to recognize any transfer of Claims or Equity Interests entered on the docket of the Bankruptcy Court on or after the Distribution Record Date; and (iii) the Debtor, the Chapter 11 Trustee, the Post-Confirmation Officer and the Tort Trustee, as the case may be, shall be entitled to recognize and deal for all purposes hereunder only with those record holders stated on the claim and/or their attorneys as of the close of business on the Distribution Record Date, to the extent applicable.

7.02 *Delivery of Distributions and Undeliverable Distributions.* Subject to Bankruptcy Rule 9010 and the provisions of Section 6.05 hereof, all distributions to any holder of an Allowed Claim in Class A, B or C shall be made at the address of such holder as set forth on the Schedules filed with the Bankruptcy Court or on the books and records of the Debtor unless the Chapter 11 Trustee and/or the Post-Confirmation Officer has been notified in writing of a change of address, including, without limitation, by the filing of a proof of claim by such holder that contains an address for such holder different from the address reflected on such Schedules for such holder. In the event that any distribution to any holder of an Allowed Claim in Class A, B or C is returned as undeliverable, no further distributions to such holder shall be made unless and until the Chapter 11 Trustee and/or the Post-Confirmation Officer is notified of such holder's then-current address, at which time all missed distributions shall be made to such holder, without interest. All demands for undeliverable distributions shall be made on or before

ninety (90) days after the date such undeliverable distribution was initially made. Thereafter, in accordance with section 347(b) of the Bankruptcy Code, the amount represented by such undeliverable distribution shall irrevocably revert to the Debtor, and any Claim in respect of such undeliverable distribution shall be discharged and forever barred from assertion against the Debtor and its property. **No distribution shall be made to any Claimant in Class A, B or C and the Claimant's Claim shall be disallowed without further order of the Bankruptcy Court, if such Claimant has not delivered a signed form W-9 to the Post-Confirmation Officer within sixty (60) days of the Effective Date.**

7.03 De Minimus Distributions. The Post-Confirmation Officer shall not be required to, but may in his sole and absolute discretion, make distributions to any holder of an Allowed Claim in Class A, B, or C of Cash in an amount less than twenty-five (25) dollars. When distributions do not reach the \$25.00 payment threshold, such payment that would have been made will be reserved for the benefit of such claimant until subsequent distribution(s), if any, exceed the threshold on a cumulative basis.

7.04 Transactions on Business Days. If the Effective Date or any other date on which a transaction may occur under this Plan shall occur on a day that is not a Business Day, the transactions contemplated by this Plan to occur on such day shall instead occur on the next succeeding Business Day but shall be deemed to have been completed as of the required date.

7.05 Allocation of Plan Distribution Between Principal and Interest. All distributions in respect of any Allowed Claim shall be allocated first to the principal amount of such Allowed Claim, as determined for federal income tax purposes, and thereafter, to the remaining portion of such Claim comprising interest, if any (but solely to the extent that interest is an allowable portion of such Allowed Claim).

7.06 Withholding and Reporting Requirements. The Post-Confirmation Officer shall comply with all applicable withholding and reporting requirements imposed by any federal, state, local or foreign tax authority but only with respect to Classes A, B or C, and all distributions under this Plan to Class A, B or C shall be subject to any such withholding and reporting requirements. The Tort Trustee shall comply with all applicable withholding and reporting requirements imposed by any federal, state, local or foreign tax authority but only with respect to Classes D or E, and all distributions under this Plan or the Tort Trust Documents to holders of Allowed Class D or Allowed Class E Claims shall be subject to any such withholding and reporting requirements. Notwithstanding the above, each holder of an Allowed Claim that is to receive a distribution under this Plan shall have the sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed by any governmental unit, including income, withholding and other tax obligations, on account of such distribution, and under no circumstances shall the Chapter 11 Trustee or the Post-Confirmation Officer have or incur any liability with respect to the satisfaction and payment of any such tax obligations, or the non-payment or failure by any such holder to satisfy any such tax obligation.

ARTICLE VIII.
EXECUTORY CONTRACTS AND UNEXPIRED LEASES

8.01 *Executory Contracts and Unexpired Leases.* On the Effective Date, all executory contracts and unexpired leases to which the Debtor is or may be deemed a party, except for and other than the Tort Trust Documents, the Settlement Agreements (including the insurance policy rights assigned to the Debtor pursuant thereto) and insurance policies issued to, or insurance agreements entered into by, the Debtor prior to the Petition Date (including, without limitation, any policies covering directors' or officers' conduct), shall be deemed rejected as of the Effective Date, without the need for any further action by the Post-Confirmation Officer except for an executory contract or unexpired lease that (i) has been assumed or rejected pursuant to Final Order of the Bankruptcy Court entered prior to the Effective Date or (ii) is the subject of a separate motion to assume or reject filed under section 365 of the Bankruptcy Code by the Debtor prior to the Effective Date.

8.02 *Insurance Policies and Agreements.* Except as set forth in the Settlement Agreements or the Confirmation Order, insurance policies issued to, or insurance agreements entered into by, the Debtor prior to the Petition Date (including, without limitation, any policies covering directors' or officers' conduct) shall continue in effect after the Effective Date. To the extent that such insurance policies or agreements (including, without limitation, any policies covering directors' or officers' conduct) are considered to be executory contracts, then, notwithstanding anything to the contrary herein, this Plan shall constitute a motion to assume or ratify such insurance policies and agreements, and, subject to the occurrence of the Effective Date, the entry of the Confirmation Order shall constitute approval of such assumption pursuant to section 365(a) of the Bankruptcy Code and a finding that each such assumption is in the best interests of the Debtor and its Estate. Unless otherwise determined by the Bankruptcy Court pursuant to a Final Order or agreed to by the parties thereto prior to the Effective Date, no payments shall be required to cure any defaults of the Debtor existing as of the Confirmation Date with respect to each such insurance policy or agreement. To the extent that the Bankruptcy Court determines otherwise as to any such insurance policy or agreement, the Plan Proponents reserve the right to seek the rejection of such insurance policy or agreement or other available relief.

8.03 *Approval of Rejection of Executory Contracts and Unexpired Leases.* Entry of the Confirmation Order shall constitute the approval, pursuant to section 365(a) of the Bankruptcy Code, of the rejection of the executory contracts and unexpired leases rejected as of the Effective Date pursuant to this Plan.

8.04 *Rejection Claims.* In the event that the rejection of an executory contract or unexpired lease by the Debtor pursuant to this Plan results in damages to the other party or parties to such contract or lease, a Claim for such damages, if not heretofore evidenced by a filed proof of claim, shall be forever barred and shall not be enforceable against the Debtor, or any property to be distributed under this Plan unless a proof of claim is filed with the Bankruptcy Court and served upon the Post-Confirmation Officer on or before the date that is thirty (30) days after the Confirmation Date.

8.05 *Rejection Claims of Officers and Directors of the Debtor.* Notwithstanding section 8.04 of this Plan, in consideration for the releases and injunctions provided in this Plan and the Settlement Agreements, (i) all contracts or agreements between the Debtor and the former and current officers or directors of the Debtor, with the exception of the Settlement Agreements, are deemed rejected as of the Effective Date, without the need for any further action by the Post-Confirmation Officer and (ii) the claims of such former and current officers or directors of the Debtor, if any, resulting from such rejection are hereby deemed waived.

ARTICLE IX. EFFECTIVENESS OF THIS PLAN

9.01 *Conditions to Confirmation.* This Plan shall not be confirmed unless the Confirmation Order (i) is in a form and substance satisfactory to the Chapter 11 Trustee and the Official Committee and is otherwise consistent and in accord with the Settlement Agreements, (ii) is in a form acceptable to the Shareholders as to the matters relating to the Shareholder Settlement Agreement, and (iii) approves and implements, among other things, (a) the Settlement Agreements, to the extent any of the Settlement Agreements have not otherwise or previously been approved by the Bankruptcy Court, and (b) the releases and injunctions set forth in sections 10.05 and 10.06 of this Plan. The foregoing conditions to confirmation of this Plan are material and non-waivable.

9.02 *Date of Effective Date.* The Effective Date shall occur on the later of: (i) the first Business Day following (14) days after the Confirmation Date, provided that a court of competent jurisdiction has not entered a stay of the Confirmation Order as of such date (in which instance, the Effective Date will not occur until such stay is dissolved); and (ii) the first Business Day on which all other conditions to the Effective Date have been satisfied or waived.

9.03 *Satisfaction of Conditions.* Any actions required to be taken on the Effective Date shall take place and shall be deemed to have occurred simultaneously, and no such action shall be deemed to have occurred prior to the taking of any other such action.

9.04 *Occurrence of Effective Date.* The Plan Proponents shall cause the Effective Date to occur as soon as is practicable.

9.05 *Substantial Consummation Upon Effective Date.* On the Effective Date, this Plan will be deemed to be substantially consummated under the applicable sections of the Bankruptcy Code.

ARTICLE X. EFFECT OF CONFIRMATION

10.01 *Vesting of Assets.*

(i) As of the Effective Date, the property of the Estate shall vest in the Post-Effective Date Debtor or such other Entity as provided in this Plan.

(ii) From and after the Effective Date, the Post-Confirmation Officer or Tort Trustee, as the case may be, may dispose of, or cause to be disposed of, the assets of the Post-

Effective Date Debtor and the Tort Trust, respectively, free of any restrictions of the Bankruptcy Code, but in accordance with the provisions, as the case may be, of this Plan and the Tort Trust Documents.

(iii) As of the Effective Date, all assets of the Post-Effective Date Debtor and the Tort Trust shall be free and clear of all Claims, except as otherwise provided in this Plan or the Confirmation Order.

10.02 Binding Effect. Except as otherwise provided in section 1141(d)(3) of the Bankruptcy Code, on and after the Effective Date, the provisions of this Plan shall bind any holder of a Claim against, or Equity Interest in, the Debtor and its respective successors and assigns, whether or not the Claim or Equity Interest of such holder is Impaired under this Plan, whether or not such Claim or Equity Interest has been filed or asserted against the Debtor and whether or not such holder has accepted this Plan.

10.03 Exculpations and Limitation of Liability. As of the Effective Date, none of (i) the Chapter 11 Trustee, (ii) the Official Committee or (iii) the members, representatives, accountants, financial advisors, consultants and attorneys of the Entities described in (i) and (ii) of this paragraph shall have or incur any liability to any person for any act taken or omission in connection with or related to the Chapter 11 Case, including but not limited to (i) formulating, preparing, disseminating, implementing, confirming, consummating or administering this Plan (including soliciting acceptances or rejections thereof), (ii) the Disclosure Statement or any contract, release or other agreement or document entered into or any action taken or omitted to be taken in connection with this Plan or the Disclosure Statement, or (iii) any distributions made pursuant to this Plan, except for any acts determined by Final Order to have constituted willful misconduct, bad faith or gross negligence.

10.04 Preservation and Non-Waiver of Estate Defenses and Objections and Related Rights Reserved for the Debtor, its Successors in Interest, Creditors and Parties in Interest.

(i) **No Limitation on Defenses, Set-Off or Right to Subordination as to Claims Against the Estate.** Nothing in this Plan (other than the provisions of sections 10.03 and 10.05 hereof) the Confirmation Order or the Settlement Agreements shall alter, enhance, waive, release or otherwise impair or preclude any of the Estate's defenses, rights to set-off and/or rights to compel subordination as to any Claim or Administrative Expense Claim of any type asserted against the Estate, as otherwise allowed by law, including the right to assert as a defense, set-off or subordination, any claim that would ordinarily or otherwise have to be asserted in or brought by a cross-claim, cross-complaint or separate action.

(ii) **No Limitation on Right to Object to Claims or Administrative Expense Claims.**

(1) Nothing in this Plan (other than the provisions of Sections 10.03 and 10.05 hereof) the Confirmation Order or the Settlement Agreements shall alter, enhance, waive, release or otherwise impair or preclude the right and ability of (a) the Estate Representative and all his or her successors in interest to object to any Class A, B, C or E Claim or Administrative Expense Claim, (b) the Tort Trustee and all his or her successors in interest to

object to any Class E Claim, or (c) the Official Committee or any other Creditor or party in interest to object to any Class A, B, C or E Claim or Administrative Expense Claim (collectively, the "Permitted Objections"). The Permitted Objections may include, as part of any objection to any Class A, B, C or E Claim or Administrative Expense Claim, a prayer for denial or disallowance of the Class A, B, C or E Claim or Administrative Expense Claim, reduction in amount by off-set, disgorgement of amounts previously paid and/or equitable subordination, as otherwise allowed by law, on any ground that could have been brought by way of lawsuit, adversary proceeding or contested matter but for (a) the releases contained in the Settlement Agreements, (b) the exculpation contained in section 10.03 of this Plan (c) the releases and injunctions contained in sections 10.05 and 10.06 of this Plan, (d) the covenant not to sue contained in section 10.08 of this Plan or (e) the Confirmation Order. In addition, the makers of the Permitted Objections may utilize whatever remedies and procedural vehicles are otherwise available under the law, including, if necessary, an adversary proceeding, provided that the makers of the Permitted Objections, consistent with the covenant not to sue contained in section 10.07 of this Plan, shall not seek any affirmative recovery or relief beyond denial, disallowance, disgorgement of amounts previously paid, reduction or subordination of the Class A, B, C or E Claim or Administrative Expense Claim at issue. Objections to Class E Claims shall be heard and determined by the Bankruptcy Court.

(2) Nothing in this Plan (other than the provisions of sections 10.03 and 10.05 hereof) the Confirmation Order or the Settlement Agreements shall alter, enhance, waive, release or otherwise impair or preclude the right and ability of the Chapter 11 Trustee or other Estate Representative, and all his or her successors in interest, to object to any Claim (including any Class D Claim) either for the purpose of determining the holder of such Claim's eligibility to vote on this Plan or the amount of such Claim. For the avoidance of doubt, with respect to a Class D Claim, such objection(s), if any, shall not include a prayer for denial or disallowance of the subject Class D Claim.

10.05 Releases.

(i) **Settlement Agreement Releases Supplemented; No Impact on Rights to Object.** The following releases shall be in addition to and are intended to supplement any releases included in the Settlement Agreements as between the parties to such Settlement Agreements. Except as expressly set forth in the Settlement Agreements, nothing in this Plan or the releases set forth herein shall affect any rights of the Chapter 11 Trustee, the Post-Confirmation Officer, any Estate Representative(s) or the Official Committee to object to the allowance, amount, priority or secured status of the claims of any party receiving a release under this Plan as provided in sections 502, 503, 506, 507, 509 or 510 of the Bankruptcy Code, including with respect to any right of setoff or recoupment.

(ii) **Releases by the Debtor and Estate Representative(s).** *Except as set forth in section 10.05(i) of this Plan, and subject in all respects to the provisions of section 10.04 of this Plan, on the Effective Date, the Debtor, the Chapter 11 Trustee, the Estate Representative(s) and the Estate shall unconditionally release, and hereby are deemed to forever unconditionally release, the Shareholder and Affiliate Released Parties, the Other Contributing Parties, including, without limitation, GDC, the Individual GDC Insureds and Preferred Mutual, and the Tort Claimants from any and all Claims, debts, obligations,*
