The hearing on the Motion to Set Bar Date for Filing Proofs of Claim (the “Motion”) filed by the Debtors on April 20, 2018, was held on May 1, 2018. Considering the Motion, and the arguments and evidence presented by counsel,

IT IS ORDERED that the Motion is granted.

IT IS FURTHER ORDERED that June 30, 2018, is hereby set as the bar date for filing proofs of claim.

¹ The Debtors in these Chapter 11 cases are Quality Construction & Production, LLC (18-50303), Quality Production Management, LLC (18-50304), Traco Production Services, Inc. (18-50305), and Quality Acquisition Company, LLC (18-50306).

IT IS FURTHER ORDERED that claimants are required to submit a written proof of claim that substantially corresponds to Official Form 10 of the Federal Rules of Bankruptcy Procedure. The claimants are further required to file the proof of claim in the specific bankruptcy case(s) of the Debtor(s) against whom the claimants assert a claim.

IT IS FURTHER ORDERED that if a holder of a prepetition claim fails to file a timely and properly executed proof of claim, the claimant should be forever barred, estopped, and permanently enjoined from asserting such claim, whether directly or indirectly against the particular Debtor and its successors, assigns and/or respective property, and such claim shall not be counted for purposes of voting and distribution in these cases.

IT IS FURTHER ORDERED that the Debtors, through their noticing agent, shall provide a notice of bar date, along with a proof of claim form, to all parties listed on the consolidated mailing matrix in this case.
