The Reorganized Debtor shall enter into a 10 year lease with Wein Air, LA, LLC on a triple net basis for \$38,000 per month for the Real Estate purchased by Wein Air LA, LLC, as referenced above.

In connection with the proposed sale of the Real Estate set forth above, the holder of the MidSouth Bank claim, if it is a party other than the Guarantors, shall possess whatever rights they have pursuant to 11 USC 363(k) to the extent the Court allows such holder to "credit bid."

7.2 Causes of Action. Except as provided in the Plan, as of the Effective Date, pursuant to Section 1123(b)(3)(B) of the Bankruptcy Code, any and all Causes of Action accruing to the Debtors and Debtors in Possession, including, without limitation, actions under Sections 544, 545, 547, 548, 549, 550, 551, and 553 of the Bankruptcy Code, shall remain assets of the Debtors, including actions against the potential defendants set forth in Exhibit E.

In addition, the Debtors will retain and may pursue, without limitation, any and all causes of action and/or claims against Roy Hill - CETA, Brennan Vinet, Mike Holmes, Kendall Allen, Chad Bergeron, Jason Alleman, Crimson Gulf, LLC, Ervin Cable, NX Utilities, BHP Billiton, Conoco Phillips, Petroquest Energy, Inc., Offshore Inland Marine & Oilfield Services Companies, Inc., Northstar Offshore Group, LLC, Rooster Energy, LLC, and other parties who owe accounts receivable to the Debtors, as well as, without limitation, MidSouth Bank, Energy Services Note Acquisition, LLC, and The Stone Street Group, Inc., and/or those acting in concert with them, for breach of the non-disclosure agreement between the Debtors and The Stone Street Group, Inc., breach of fiduciary duty, failure to abide by good faith and fair dealing, unfair trade practices, contesting the validity of any pre-petition security interests, security devices, or mortgages acquired by Energy Services Note Acquisition, LLC, including the validity of the

transfers, and other causes of action.

In the event the insiders of the Debtor acquire the MidSouth Bank Claim and such claim is contributed to equity, any claims against the insiders by the Debtor will be released. If the MidSouth Bank Claim is not acquired, then independent counsel will evaluate any potential claims against the insiders. Independent Counsel will be identified by the Debtors in a Plan supplement filed 10 days prior to the Confirmation Hearing in consultation with the Unsecured Creditors' Committee.

- 7.3 Discharge of Debtors. The Debtors will receive a discharge of all debts upon confirmation.

MISCELLANEOUS PROVISIONS

- 9.1 Effectuating Documents and Further Transactions. The Debtors are authorized to execute, deliver, file or record such contracts, instruments, releases, indentures and other agreements or documents and take such actions as may be reasonably necessary or appropriate to effectuate, implement and consummate the Plan without any further evidence of the terms and conditions of the Plan and any notes or securities issued pursuant to the Plan, or any action of the Debtors or their managers to authorize such; the acting manager of the Debtors will be heretofore and without any further need of court orders or board actions, deemed to be authorized to execute any of the aforesaid documents or agreements or to take any of the aforementioned steps to confirm, implement and consummate the Plan of Reorganization. The Plan will be binding upon and inure to the benefit of the Debtors, claimants, Equity Interests and their respective successors and assigns, including, without limitation, the purchaser; and the court may issue such orders in aid of consummation of the Plan under Sections 105 and 1142, and particularly orders to require existing lienholders against the property to erase their liens and/or encumbrances as inscriptions against the property of the Debtors in the mortgage records of any parish or with the Secretary of State of the State of Louisiana.
- 9.2 <u>Exculpation</u>. None of the Debtors, nor any of their respective members, managers, officers, directors, employees, advisors or agents shall have or incur any liability to any holder of a Claim or Equity Interest for any act or omission in connection with, related to, or arising out of,

the Chapter 11 Cases, the pursuit of confirmation of the Plan, the consummation of the Plan or the administration of the Plan or the property to be distributed under the Plan except for fraud, willful misconduct, or gross negligence, and, in all respects, the Debtors, and their respective members, managers, officers, directors, employees, advisors and agents shall be entitled to rely upon the advice of counsel with respect to their duties and responsibilities under the Plan.

- 9.3 <u>Payment of Statutory Fees Due the United States Trustee</u>. All fees due and payable pursuant to 28 U. S. C. Section 1930(a)(6) shall be paid in full prior to the Effective Date.
- 9.4 <u>Severability</u>. In the event that the Bankruptcy Court determines, prior to the Confirmation Date, that any provision in the Plan is invalid, void or unenforceable, such provision shall be invalid, void or unenforceable with respect to the holder or holders of such Claims or Equity Interests as to which the provision is determined to be invalid, void or unenforceable. The invalidity, voidness or unenforceability of any such provision shall in no way limit or affect the enforceability and operative effect of any other provision of the Plan.
- 9.5 Revocation or Withdrawal of the Plan. The Debtors reserve the right to revoke or withdraw the Plan prior to the Confirmation Date. If the Debtors revoke or withdraw the Plan prior to the Confirmation Date, then the Plan shall be deemed null and void. In such event, nothing contained herein shall constitute or be deemed a waiver or release of any claims by or against the Debtors or any other person or to prejudice in any manner the rights of the Debtors or any person in any further proceedings involving the Debtors.
- 9.6 <u>Binding Effect</u>. The Plan shall be binding upon and inure to the benefit of the Debtors, the holders of Claims and Equity Interests, and their respective successors and assigns, including, without limitation, the purchaser.
- 9.7 <u>Notices</u>. All notices, requests and demands to or upon the Debtors to be effective shall be in writing and, unless otherwise expressly provided herein, shall be deemed to have been duly given or made when actually delivered or, in the case of notice by facsimile transmission or email, when received and telephonically confirmed, with a copy by mail, addressed as follows:

- 9.9 <u>Final Allowance.</u> Notwithstanding anything contained above, all distributions to Classes under this Plan will only be made after the creditors in said Classes have their Claims fully fixed and allowed by the court and after a final list of creditors for each Class is submitted to the court and approved by the Court. However, objections on claims in one Class will not preclude distribution to creditors in other Classes where no disputes exist regarding Claims in the other Classes.
- 9.10 Conditions Precedent to Effective Date. The Effective Date will not occur and this Plan will not become Effective unless and until a) the Real Estate is sold to Wein Air LA, LLC, free and clear of liens and claims, b) the lease set forth in this Plan between Wein Air LA, LLC, and the Reorganized Debtor has been executed, c) the Confirmation Order has become a Final Order, and d) the Equity Holders have demonstrated they possess the ability to fund the capital contribution set forth in this Plan. The conditions precedent of this Plan may be waived in whole or in part by the Exit Funding Entity.
- 9.11 Consummation. After the first plan payments and the confirmation order becomes a Final Order, the Plan shall be deemed fully consummated, and this case shall be closed. Until substantial consummation occurs, the Debtors may move for and be granted modifications of this Plan. Once full consummation is accomplished, an appropriate Order will be entered closing the case, and such Order closing the case shall be deemed a final decree and shall include, in addition to the normal injunctive language, an Order that any term or provision of any Debtors or security agreement between the Debtors and any of his creditors will be null and void to the extent that such clause provides that the filing of bankruptcy, reorganization, or any other solvency proceeding operates as a default under such agreement, or similar language. Creditors shall be enjoined from institution or continuing any legal action to enforce such terms or provisions, since they will be declared null and void. Further, all creditors shall be enjoined from instituting or continuing any legal action or liens against the property of the estate, unless an Order is entered by this Court declaring a default in payments under the Plan. Further, the Order closing this estate shall provide that all jurisdiction of this Court will terminate, except such jurisdiction as is otherwise provided herein above, or except and unless the Debtors require reopening of this case to enforce any injunctions contained in the Order closing this case (or any similar beneficial Orders).
