**III. BACKGROUND**

On the Petition Date, the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code initiating these Chapter 11 Cases. Following the Petition Date, the Debtors remained in possession of their assets and management of their businesses as Debtors in Possession under sections 1107 and 1108 of the Bankruptcy Code.

**A. Overview of the Debtors' Business**

**1. Description of the Debtors' Operations**

Rupari Holding Corp. is a privately-held company that was headquartered in South Holland, Illinois. As of the Petition Date, Rupari Food Services, Inc. was a leading

culinary supplier of uncooked and ready-to-eat sauced and unsauces ribs, barbeque pork, and BBQ chicken.

Prior to consummation of the 363 Sale, the Company offered a full line of meats under the Rupari brand name. Rupari Food primarily marketed and sold its products to retail customers under the Tony Roma's® brand name. Other customers include private label customers and food service customers including US Foods and Sysco. Rupari Food also marketed and sold its products under the Butcher's Prime® brand name.

## **2. The Debtors' Organizational Structure**

Rupari Holding owns 100% of Rupari Food. Rupari Food has no subsidiaries. Rupari Holding is a wholly owned subsidiary of non-Debtor RFG Holdings, LLLP ("Parent"). RFG Holdings GP, LLC is the general partner of Parent, but holds no direct or indirect ownership interest in either of the Debtors. The equity interests in each of the Debtors are privately held.

### **B. The Debtors' Prepetition Capital Structure**

As of April 8, 2017, the Debtors estimated that they had an aggregate total of approximately \$80.2 million in total assets on a book basis. A majority of the Debtors' tangible assets related to the Debtors' meat manufacturing and vast cooked-product production capability such as large-scale fixed assets such as flavor injectors, meat smokers, temperature maintenance and infrastructure, and packaging machines housed at the Debtors' former manufacturing facility in South Holland, Illinois.

As of the Petition Date, Rupari Food had approximately \$83 million in liabilities on a book basis and Rupari Holding had approximately \$245,593,591.32 in liabilities on a book basis. As is described in greater detail below, as of the Petition Date, the principal amount of the Debtors' debt obligations (the "Prepetition Debt Obligations") totaled approximately \$169.2 million. The structure of the Prepetition Debt Obligations features two distinct lots, within which there are further tiers discussed in further detail below. The Prepetition Secured Debt Obligations comprises: (a) obligations under the Prepetition Senior Secured Credit Facility; (b) obligations under the Subordinated Notes; and (c) other secured claims incurred during routine business transactions. The rest of the Debtors' obligations include unsecured mezzanine debt and trade claims, discussed more fully below.

On July 1, 2011, Rupari Food, as borrower, entered into the Prepetition Senior Secured Credit Facility. The Prepetition Senior Secured Credit Facility provided for a term loan in an aggregate loan commitment amount of \$32,500,000 (the "Term Loan") and a revolving loan in an aggregate loan commitment amount of \$35,000,000 (the "Revolving Loan"). As of the Petition Date, no amounts were outstanding under the Term Loan and approximately \$23,700,000 remained outstanding with respect to the Revolving Loan under the Prepetition Senior Secured Credit Facility as of the Closing Date. This amount includes accrued interest through the Closing Date. The Prepetition Senior Secured Credit Facility matured on July 1,

2017 and was collateralized by substantially all the Debtors' assets.<sup>2</sup> Additionally, the Prepetition Senior Secured Credit Facility was paid from the proceeds of the 363 Sale on the Closing Date and any remaining amounts thereunder constitute deficiency claims.

In addition, on September 8, 2016, and thereafter, Rupari Food issued the Subordinated Notes in favor of Rupari Bridge Co., an affiliate of WPP, which mature on June 30, 2019. The Subordinated Notes are secured by substantially all of Rupari Holding's assets, second in position to the Prepetition Senior Secured Credit Facility per the Subordination Agreement. The initial principal amount of the Secured Notes was \$26 million. On September 9, 2016, a UCC-1 financing statement on account of the liens granted under the Subordinated Notes was filed in the Delaware Secretary of State's Office with respect to Rupari Holding. No UCC-1 financing statement was filed with respect to Rupari Food. As of March 31, 2017, the total amounts outstanding under the Secured Notes was \$34,964,000.

In the ordinary course of business, the Debtors routinely transacted business with a number of third-party contractors and vendors who may be able to assert liens against the Debtors and their property if the Debtors fail to pay for the goods delivered or services rendered. These parties performed various services for the Debtors, including manufacturing and repairing equipment and component parts necessary for the Debtors' former manufacturing activities, as well as formerly gathering, processing, and transporting the Debtors' goods.

Starting in 2011, Rupari Holding issued a series of individual Unsecured Notes to WPP Group, Rupari Bridge, Rupari Investments LLC, Robert Mintz, and Stemin Holdings Ltd.. The Unsecured Notes currently accrue PIK interest at a rate equal to the statutory federal minimum rate and mature in 2018 or 2019, depending on the particular Unsecured Note. As of March 31, 2017, approximately \$92,159,859.20 was due in connection with the Unsecured Notes.

As of the Petition Date, the Debtors estimate that approximately \$4,100,000 was due and owing to Holders of prepetition trade claims, of which the Debtors estimate that approximately \$718,036 was on account of goods delivered in the twenty-day period prior to the Petition Date and, thus, may be entitled to administrative expense priority under section 503(b)(9) of the Bankruptcy Code.

### **C. Events Precipitating the Chapter 11 Filing**

Established in 1978, Rupari's business evolved into a leading manufacturer of high quality, pre-cooked and sauced meats with a focus on pork ribs and other barbeque products. The transformation from a trader to a manufacturer of cooked products accelerated in 2007 once Rupari Food secured a long-term license to market its products under the Tony Roma's® brand name ("Roma"), discussed more fully below. Rupari Food has the right to sell and distribute Roma-branded products (the "Roma Products") exclusively in certain defined territories and entered into the License Agreement. In 2011, WPP Group bought the business and, since then, invested significant amounts to implement this transformation through significant capital investment in, among other things, Rupari Food's production facilities,

marketing and distribution channels, packaging, expert personnel, and other areas. During this time, Rupari Food invested substantially in promoting the Tony Roma's® brand, which came to represent about 60% of Rupari Food's total net sales as of the Petition Date. In 2016 alone, Rupari Food invested over \$8 million in marketing and advertising, product and packaging innovation, and other improvements to grow the Tony Roma's® brand in retail.

Rupari Food began to encounter substantial headwinds shortly after WPP Group's investment in the business. In 2011, an increase in Chinese purchases of pork from the U.S. drove up the price of pork ribs substantially, impacting Rupari's margins in 2011 and 2012. However, Rupari encountered its greatest challenge starting in 2014, when a pork epidemic decimated the U.S. hog population. As a result of the virus, the cost of pork ribs sky-rocketed to all-time highs and remained there for more than two years. During this time, WPP Group injected additional liquidity into Rupari Food, recruited new management, and supported new management's efforts to reposition the business.

Specific issues unrelated to its everyday operations further exacerbated Rupari Food's challenges. Prior to WPP Group's investment, Rupari Food was involved in two lawsuits.

The first, captioned *Danish Crown AMBA v. Rupari Food Services, Inc.*, 3:10-CV-04603 (D. N.J. 2010) (the "Danish Crown Litigation"), was initiated by Danish Crown AMBA ("Danish Crown") on September 8, 2010 against Rupari Food. Through the Danish Crown Litigation, Danish Crown alleged breach of contract claims with respect to certain shipments of ribs during 2009. Rupari Food filed a counterclaim against Danish Crown alleging quality control issues and a resulting loss of customers. On March 16, 2016, the United States District Court for the District of New Jersey entered a judgment order (the "Judgment Order"), in which a verdict was rendered in favor of Danish Crown in the amount of \$2,123,145.63.

On November 22, 2016, Danish Crown and Rupari Food reached a confidential release and settlement agreement (the "Danish Crown Settlement Agreement"), in which the parties agreed to a payment plan to satisfy the debt under the Judgment Order. On January 13, 2017, Rupari Food made the first installment payment of \$500,000 to Danish Crown. The Danish Crown Settlement Agreement required Rupari Food to seek indemnification from Robert Mintz and the former Rupari Food shareholders.

The second litigation, which is pending in the U.S. Court of International Trade, and captioned *United States v. Rupari Food Services, Inc., and William Vincent Stillwell, a/k/a "Rick" Stillwell*, Case No. 1:11-cv-00203-GSK (the "Crawfish Litigation"). Through the Crawfish Litigation, the United States Department of Justice (the "DOJ") alleges that Rupari Food is responsible for a fine attributable to Rupari Food's alleged importation of crawfish in 1998 from Thailand when Rupari Food allegedly had knowledge that the crawfish was actually sourced from China. On the Petition Date, the Crawfish Litigation was stayed by the filing of these Chapter 11 Cases, although the DOJ filed papers with the U.S. Court of International Trade asserting that the automatic stay does not apply to the DOJ, because it is exercising its police powers. On August 10, 2017, the U.S. Court of International Trade ruled that the automatic stay did not apply to the Crawfish Litigation.

Additionally, despite the substantial increase in sales and other product improvements management achieved, Rupari Food continued to struggle with liquidity issues in 2016 due to high prices for raw materials, aggressive promotional activity by vertically-integrated competitors, and the cumulative impact of the legacy issues Rupari Food had encountered. To address the liquidity constraints, the Debtors undertook a number of cost-saving and restructuring actions to address the rapid changes in the competitive economic environment and manage their cost structure including a number of reductions in workforce, marketing expenditures, and inventory to improve working capital.

However, in early 2017, it appeared that Debtors' efforts to preserve liquidity were falling short. Furthermore, the Debtors was unable to obtain additional incremental liquidity from WPP Group or the Prepetition Senior Secured Lenders to fund Rupari's projected needs through 2017. Accordingly, in February 2017, Rupari retained Kinetic Advisors LLC to commence a strategic alternatives process to seek additional investment including through the sale of the company to a third party. At the time of the chapter 11 filing, it was contemplated that the License Agreement would be included in the sale of the Debtors' businesses. However, Roma asserted that the License Agreement had been terminated prior to the Petition Date in accordance with its terms. This position became the subject of litigation between the parties during the Chapter 11 Cases until the Roma Settlement Agreement was entered into by the parties.

The Chapter 11 Cases were then commenced on the Petition Date—*i.e.*, April 10, 2017.

## **2. Appointment of Creditors' Committee**

On April 20, 2017, the U.S. Trustee appointed the Creditors' Committee consisting of the following three (3) members: (a) GC Metrics; (b) Danish Crown USA, Inc.; and (c) Packaging Corporation of America. Packaging Corporation of America subsequently withdrew its position as a member of the Creditors' Committee.

## **3. Employment of Professionals and Advisors**

On May 8, 2017, the Bankruptcy Court entered an order [Docket No. 148] authorizing the Debtors to retain DLA Piper LLP (US) as general bankruptcy counsel to the Debtors effective as of the Petition Date. Additionally, on May 9, 2017, the Bankruptcy Court entered an order [Docket No. 151] authorizing the Debtors to retain Kinetic Advisors LLC as financial advisor to the Debtors effective as of the Petition Date. The Bankruptcy Court also entered orders approving Donlin Recano as the Court-appointed claims and noticing agent [Docket No. 39] and the administrative agent to the Debtors [Docket No. 147], both effective as of the Petition Date.

On May 18, 2017, the Bankruptcy Court entered orders [Docket Nos. 178 and 179] authorizing the Creditors' Committee to retain the following professionals effective as of April 10, 2017: (i) Lowenstein Sandler LLP as counsel to the Creditors' Committee; (ii) Whiteford, Taylor & Preston, LLP as Delaware counsel to the Creditors' Committee; and (ii) CohnReznick LLP as financial advisor to the Creditors' Committee.

On September 11, 2017, the Bankruptcy Court entered an interim order [Docket No. 466] authorizing the appointment of Michael Goodman and the Debtors' Chief Restructuring Officer and Chief Financial Officer, and on October 5, 2017, the Bankruptcy Court entered a final order approving the retention [Docket No. 513].

On September 6, 2017, the Bankruptcy Court entered an interim order [Docket No. 459], and on October 5, 2017, the Bankruptcy Court entered a second interim order [Docket NO. 514], authorizing the retention of Acumen Recovery Services, LLC to provide preference action recovery and analysis services. On October 31, 2017, the Court entered a final order authorizing the retention of Acumen Recovery Services, LLC [Docket No. 562].

## **4. Schedules, Section 341(a) Meeting of Creditors, and Bar Dates**

On May 10, 2017, the Debtors Filed their Schedules. On May 17, 2017, the U.S. Trustee conducted the meeting of creditors in these Chapter 11 Cases under section 341(a) of the Bankruptcy Code. On June 5, 2017, the Debtors amended their Schedules.

On May 22, 2017, the Bankruptcy Court entered an order [Docket No. 191] establishing (a) July 28, 2017 at 4:00 p.m. (prevailing Eastern Time) as the General Bar Date,

and (b) October 9, 2017 at 4:00 p.m. (prevailing Eastern Time) as the Governmental Unit Bar Date.

On July 5, 2017, the Bankruptcy Court entered an Order fixing August 3, 2017, at 4:00 p.m. (prevailing Eastern Time) as the deadline for Holders of Administrative Expense Claims (but excluding Compensation and Reimbursement Claims and Statutory Fees) incurred during the period covered by the Initial Administrative Expense Claim Ba Date to File a request for payment of such Administrative Expense Claim.

## **5. Postpetition Financing and Cash Collateral Orders**

On the Petition Date, the Debtors also Filed the Cash Collateral Motion. On April 12, 2017, the Bankruptcy Court entered the Interim Cash Collateral Order, among other things, authorizing the Debtors to use cash collateral on an interim basis in accordance with the 13-week forecasted budget.

The Prepetition Senior Secured Lenders, the Debtors, and, following its formation, the Creditors' Committee, and each of their respective advisors, engaged in extensive, arms'-length, good faith negotiations regarding, among other things, the Debtors' request for financing. Ultimately, and as discussed in more detail below, the parties negotiated and agreed to the terms of a proposed final order on the Cash Collateral Motion, which was submitted to the Bankruptcy Court and entered on May 12, 2017 (*i.e.*, the Final Cash Collateral Order). Under the Final Cash Collateral Order, the Debtors were authorized to continue the use of cash collateral on a final basis.

Without the funds provided under the Final Cash Collateral Order, the Debtors would not have had sufficient available sources of working capital and financing to, among other things, continue operating in the Chapter 11 Cases and effectuate the orderly 363 Sale of their Assets. Thus, entry of the Interim Cash Collateral Order and the Final Cash Collateral Order were necessary to preserve, maintain, and enhance the value of the Debtors' Assets for the benefit of the Estates.

## **6. Sale of Substantially All of the Debtors' Assets**

### **a. Marketing Process and Bidding Procedures Order**

Prior to the Petition Date, and due to the Debtors' liquidity constraints, the Debtors, after consultation with their advisors, determined it was necessary to pursue a sale or restructuring transaction with one or more potential purchasers or other financial or strategic partners. Accordingly, the Debtors, with the assistance of their advisors, Kinetic Advisors LLC, conducted a marketing process to explore a broad range of strategic financing and sale options for the Debtors and their Assets. Despite the marketing efforts over an approximate year-long period prior to the Petition Date, no valid offers were submitted for an out-of-court sale transaction involving the Debtors' assets.

The Debtors negotiated and entered into a stalking horse asset purchase agreement with CBQ, LLC as the Purchaser. On April 11, 2017, the Debtors Filed the 363 Sale Motion seeking, among other things, entry of the Bid Procedures Order approving (i)(a) bid

procedures, (b) stalking horse protections, (c) procedures related to the assumption and assignment of certain executory contracts and unexpired leases, (d) the form and manner of notice thereof, and (ii)(a) approving and authorizing sale of substantially all of the Debtor's assets to a successful bidder free and clear of all liens, claims, encumbrances, and other interests, (b) approving assumption and assignment of certain executory contracts and unexpired leases related thereto, and (c) granting related relief.

On April 27, 2017, after extensive negotiations among the Debtors, CBQ, and the Creditors' Committee, the Bankruptcy Court entered the Bid Procedures Order, which, among other things, established a bid deadline of May 24, 2017 (which was subsequently extended by the Debtors and the Creditors' Committee to May 25, 2017) scheduled an auction for May 31, 2017, and scheduled a hearing to consider the sale of the Debtors' assets for June 6, 2017. The 363 Sale initially contemplated the assumption and assignment or sale of the License Agreement. Roma objected to the inclusion of the License Agreement in the 363 Sale and the Debtors removed the License Agreement as an asset from the 363 Sale.

Following the Petition Date, the Debtors and their advisors continued their marketing efforts, and Kinetic Advisors LLC contacted more than 57 potential investors (36 strategic buyers and 21 financial buyers) —including those identified by the Creditors' Committee—to advise them of the proposed sale process in the Chapter 11 Cases, provide additional marketing materials, and determine if any possessed any interest in pursuing a sale transaction with the Debtors.

b. 363 Sale Order and Sale of Assets to the Purchaser

Notwithstanding the marketing efforts described above, and in light of the exclusion of the License Agreement from the 363 Sale, which represented sixty percent (60%) of the Debtors' annual revenues, no qualified bid (other than the stalking horse bid of the Purchaser) was submitted on or before the bid deadline. Accordingly, the Debtors cancelled the auction and the Purchaser was named the successful bidder, and on June 7, 2017, the Bankruptcy Court entered the 363 Sale Order authorizing and approving, among other things, the 363 Sale Agreement and the sale and transfer of the Acquired Assets to the Purchaser in accordance therewith. The 363 Sale was consummated on June 14, 2017 -- *i.e.*, the Closing Date.

c. Net Working Capital Adjustment Settlement

Under the 363 Agreement, the Debtors and CBQ, LLC were to evaluate and agree upon the proper amount of the Net Working Capital adjustment by a date certain, which date was extended by agreement of the parties. The Debtors and CBQ, LLC reached a resolution regarding the amount of the Net Working Capital Dispute, which is reflected in the stipulation entered into between the parties, and which is the subject of a 9019 motion seeking approval of the Net Working Capital Adjustment Settlement. The parties have agreed, for the reasons set forth in the motion to approve the Net Working Capital Adjustment Settlement, that the appropriate Net Working Capital amount should be \$1.0 million, which is the amount currently held in the post-363 Sale Net Working Capital adjustment escrow. The Court entered an Order approving the Net Working Capital Adjustment Settlement on October 30, 2017 [Docket No. 550].

## **7. The Roma Litigation and the Roma Settlement Agreement**

### **a. Background of the Roma Litigation**

In 2007, Roma entered into the exclusive License Agreement with Rupari Food to launch a line of Tony Roma branded meat products to retailers in the United States. The effort has been successful. In fact, Rupari Food exceeded specifically negotiated sales thresholds during each of the first two terms of the agreement, and the parties were in the License Agreement's second renewal period (which runs from July 1, 2015 to June 30, 2020) as of the Petition Date. Notwithstanding this success, Roma sought to terminate the License Agreement in 2016. In December 2016, Roma conducted a royalty audit, after which it alleged that Rupari underpaid royalties and sold outside of the designated territory and channel. On March 27, 2017, Roma issued a notice putatively terminating the License Agreement. The Debtors disagreed with Roma's position.

On the Petition Date, Rupari Food initiated the First Adversary Proceeding by filing a complaint against Roma seeking a declaratory judgment that Roma improperly terminated the License Agreement, and as such, the purported termination was void, and/or that the License Agreement was not terminated prior to the Petition Date. Rupari sought to have the First Adversary Proceeding proceed on an expedited schedule, which Roma opposed.

The License Agreement was included in the assets to be sold to the stalking horse bidder or such other bidder submitting a higher or better bid for the Debtors' assets. On April 20, 2017, Roma objected to the inclusion of the License Agreement in the assets being offered for sale. On May 1, 2017, Rupari voluntarily dismissed the First Adversary Proceeding, because (a) Roma opposed proceeding on an expedited schedule in the First Adversary Proceeding, and the Debtors had no choice but to move forward with a Sale closing in June as the Debtors' access to Cash Collateral expired in late June, (b) with the hope of engaging in discussions with Roma, the stalking horse bidder, and any other qualified bidders regarding a possible assumption and assignment of the License Agreement.

However, it appears that during this same period, Roma was looking to replace Rupari and began negotiating a new licensing agreement with Ruprecht. Ten (10) days after Rupari dismissed the First Adversary Proceeding, Roma and Ruprecht announced a new "breakthrough agreement" that grants the same rights to Ruprecht as Rupari possessed under the License Agreement. Within a day, Rupari notified the Roma and Ruprecht of their violation of the automatic stay and demanded they take corrective action. Roma and Ruprecht refused and the Debtors initiated the Second Adversary Proceeding shortly thereafter.

Due to Rupari's severe financial distress, Rupari conducted an expedited Sale. The pendency of the notice of termination of the License Agreement, an agreement pursuant to which Rupari generated over 60% of its revenue, and the inability of Rupari to assume and assign the License made Rupari's assets less attractive to purchasers and may have limited both the number of bidders and the purchase price that Rupari could realize for its assets.

Rupari initiated the Second Adversary Proceeding against Roma and Ruprecht on May 16, 2017, asserting, among other things, an entitlement to damages caused by Roma's

termination of the License Agreement. Both Roma and Ruprecht dispute Rupari's allegation that their conduct caused any damages. Under the Roma Settlement Agreement, if approved, the Debtors will dismiss the Second Adversary Proceeding with prejudice and the First Adversary Proceeding will be deemed to be dismissed with prejudice. In addition, Rupari and Roma will release each other for any claims.

b. The Roma Settlement Agreement

On October 11, 2017, the Debtors, Roma, and Ruprecht entered into the Roma Settlement Agreement, which provides, in exchange for certain releases, the following in summary: (i) the Debtors agree to hold \$391,000 (the "Roma Royalty Reserve") in escrow (the "TR Escrow," free and clear of any claims, liens, and encumbrances; (ii) within three (3) Business Days after entry of an order approving this Settlement Agreement (the "Settlement Order"), the Debtors shall pay the amount of \$391,000 (the "Post-Petition Royalty Settlement Amount") to Roma free and clear of any claims, liens, and encumbrances; (iii) upon payment of the Post-Petition Royalty Settlement Amount, Roma and Ruprecht (as applicable) shall withdraw with prejudice all pending objections and motions against the Debtors and Roma will acknowledge payment in full of the Roma Administrative Claim and satisfaction of the Roma Pre-Petition Claim, and Ruprecht will acknowledge satisfaction in full of the Ruprecht Administrative Claim and shall not seek any payment thereof from the Debtors or the Debtors' estates; (iv) immediately upon entry of the Settlement Order, Rupari Food shall dismiss the Second Adversary Proceeding with prejudice and the First Adversary Proceeding shall be deemed to have been dismissed with prejudice; and (v) Roma and Ruprecht agree not to oppose any Plan; *provided* that the terms of the Plan are not inconsistent with the Roma Settlement Agreement and do not in any way affect any of the rights or obligations of Roma and Ruprecht, except as provided by the Roma Settlement Agreement. On October 12, 2017, the Debtors filed a motion seeking approval of the Roma Settlement Agreement under Bankruptcy Rule 9019. On October 30, 2017, the Court entered an Order approving the Roma Settlement Agreement [Docket No. 551]. On October 30, 2017, in accordance with the terms of the Roma Settlement Agreement, Rupari Food dismissed the Second Adversary Proceeding with prejudice.

8. **Avoidance Action Settlement Procedures**

On September 15, 2017, the Debtors filed a motion seeking to implement settlement procedures in connection with the resolution of Avoidance Actions. The Debtors believe that the retention of Acumen, coupled with the establishment of these settlement procedures, will help streamline the process of achieving recoveries on account of the Avoidance Actions, to the benefit of the Debtors' creditors and stakeholders. On October 11, 2017, the Bankruptcy Court entered an interim order approving the settlement authority portion of these procedures [Docket No. 526]. On October 31, 2017, the Court entered a final order approving the procedures [Docket No. 561].

## **IV. CONFIRMATION AND VOTING**

### **A. Confirmation Procedures**

#### **1. Plan Confirmation Hearing**

The Bankruptcy Code, Bankruptcy Rules, and Local Rules require the Bankruptcy Court, after appropriate notice, to hold a hearing on confirmation of this Combined Plan and Disclosure Statement. On [November 2], 2017, the Bankruptcy Court entered an order scheduling the Plan Confirmation Hearing for December 14, 2017 at 1:30 p.m. (prevailing Eastern Time), to consider, among other things, final approval of this Combined Plan and Disclosure Statement under section 1125 of the Bankruptcy Code and confirmation of this Combined Plan and Disclosure Statement under section 1129 of the Bankruptcy Code. Notice of the Plan Confirmation Hearing will be provided to all known Creditors, Interest Holders, and other parties in interest. The Plan Confirmation Hearing may be adjourned from time to time by the Bankruptcy Court or the Debtors without further notice except for an announcement of the adjourned date made at the Plan Confirmation Hearing or any subsequent adjourned Plan Confirmation Hearing.

Any objection to confirmation of this Combined Plan and Disclosure Statement must be in writing, must conform to the Bankruptcy Rules, must set forth the name of the objector, the nature and amount of Claims or Interests held or asserted by the objector against the Debtors, the basis for the objection and the specific grounds of the objection, and must be Filed with the Bankruptcy Court, with a copy to chambers, together with proof of service thereof, and served upon the following parties so as to be received no later than December 7, 2017 at 4:00 p.m. (ET): (i) counsel to the Debtors, DLA Piper LLP (US), 444 West Lake Street, Suite 900, Chicago, Illinois 60606 (Attn: Richard A. Chesley, Esq. and John K. Lyons, Esq.) and DLA Piper LLP (US), 1201 North Market Street, Suite 2100, Wilmington, Delaware 19801 (Attn: R. Craig Martin, Esq. and Maris J. Kandestin, Esq.); (ii) counsel to the Creditors' Committee, Lowenstein Sandler LLP, 1251 Avenue of the Americas, New York, NY 10020 (Attn: Jeffrey Cohen, Esq. and Wojciech Jung, Esq.); (iii) the Office of the United States Trustee, J. Caleb Boggs Federal Building, 844 King Street, Suite 2207, Lockbox 35, Wilmington, Delaware 19801 (Attn: David L. Buchbinder, Esq. and Brya Keilson, Esq.); and (iv) such other parties as the Bankruptcy Court may order.

Bankruptcy Rule 9014 governs objections to confirmation of this Combined Plan and Disclosure Statement. **UNLESS AN OBJECTION TO CONFIRMATION OF THIS COMBINED PLAN AND DISCLOSURE STATEMENT IS TIMELY SERVED UPON THE PARTIES LISTED ABOVE AND FILED WITH THE BANKRUPTCY COURT, IT MAY NOT BE CONSIDERED BY THE BANKRUPTCY COURT IN DETERMINING WHETHER TO CONFIRM THIS COMBINED PLAN AND DISCLOSURE STATEMENT.**

#### **2. Requirements for Confirmation**

The Bankruptcy Court will confirm this Plan only if it meets all the applicable requirements of section 1129 of the Bankruptcy Code. Among the requirements for confirmation

in these Chapter 11 Cases is that this Plan be (i) accepted by all impaired Classes of Claims and Interests or, if rejected by an impaired Class, that this Plan “does not discriminate unfairly” against and is “fair and equitable” with respect to such Class; and (ii) feasible. The Bankruptcy Court must also find, among other things, that:

- a. this Plan has classified Claims and Interests in a permissible manner;
- b. this Plan complies with the technical requirements of chapter 11 of the Bankruptcy Code; and
- c. this Plan has been proposed in good faith.

### **3. Best Interests of Creditors Test**

The Bankruptcy Code requires that, with respect to an impaired class of claims or interests, each holder of an impaired claim or interest in such class either (i) accept the plan or (ii) receive or retain under the plan property of a value, as of the effective date of the plan, that is not less than the amount (value) such holder would receive or retain if the debtor was liquidated under chapter 7 of the Bankruptcy Code on the effective date.

The costs of a chapter 7 liquidation would necessarily include fees payable to a trustee in bankruptcy, as well as fees likely to be payable to attorneys, advisors, and other professionals that such a chapter 7 trustee may engage to carry out its duties under the Bankruptcy Code. Other costs of liquidating the Debtors’ Estates would include the expenses incurred during the bankruptcy cases and allowed by the Bankruptcy Court in the chapter 7 cases. The foregoing types of claims, costs, expenses, and fees that may arise in a chapter 7 liquidation case would be paid in full before payments would be made towards chapter 11 administrative, priority, and unsecured claims. Without the benefit of settlements and resolutions reached in these cases, any recoveries for Holders of Allowed General Unsecured Claims in a chapter 7 liquidation would be significantly diluted.

Accordingly, the Debtors believe that in a chapter 7 liquidation, Holders of Claims and Interests would receive less than such Holders would receive under this Combined Plan and Disclosure Statement. There can be no assurance, however, as to values that would actually be realized in a chapter 7 liquidation, nor can there be any assurance that a Bankruptcy Court would accept the Debtors’ conclusions or concur with such assumptions in making its determinations under section 1129(a)(7) of the Bankruptcy Code.

### **4. Feasibility**

Under section 1129(a)(11) of the Bankruptcy Code, a debtor must demonstrate that a bankruptcy court’s confirmation of a plan is not likely to be followed by the liquidation or need for further financial reorganization of the debtor under the plan, unless such liquidation or reorganization is proposed under the plan. Under this Combined Plan and Disclosure Statement, the Debtors’ remaining post-363 Sale Assets are being transferred to the Liquidating Trust to be liquidated and distributed to the Liquidating Trust’s Beneficiaries. Therefore, as this is a liquidating Plan, the Bankruptcy Court’s confirmation of this Combined Plan and Disclosure Statement will not be followed by liquidation or the need for any further reorganization.

## 5. **Classification of Claims and Interests**

Section 1122 of the Bankruptcy Code requires this Combined Plan and Disclosure Statement to place a Claim or Interest in a particular Class only if such Claim or Interest is substantially similar to the other Claims or Interests in such Class. The Debtors believe that this Combined Plan and Disclosure Statement's classification scheme places substantially similar Claims or Interests in the same Class and thus meets the requirements of section 1122 of the Bankruptcy Code.

## 6. **Impaired Claims or Interests**

Under section 1126 of the Bankruptcy Code, only the Holders of Claims in Classes "Impaired" by this Combined Plan and Disclosure Statement and receiving a Distribution under this Combined Plan and Disclosure Statement may vote on this Combined Plan and Disclosure Statement. Under section 1124 of the Bankruptcy Code, a Class of Claims may be "Impaired" if this Combined Plan and Disclosure Statement alters the legal, equitable, or contractual rights of the Holders of such Claims or Interests treated in such Class. The Holders of Claims not Impaired by this Combined Plan and Disclosure Statement are deemed to accept this Combined Plan and Disclosure Statement and do not have the right to vote on this Combined Plan and Disclosure Statement. The Holders of Claims or Interests in any Class that will not receive any Distribution or retain any property under this Combined Plan and Disclosure Statement are deemed to reject this Combined Plan and Disclosure Statement and do not have the right to vote.

## 7. **Eligibility to Vote on this Combined Plan and Disclosure Statement**

Unless otherwise ordered by the Bankruptcy Court, only Holders of Allowed Claims in Classes 3A and 3B may vote on this Combined Plan and Disclosure Statement. In order to vote on this Combined Plan and Disclosure Statement, you must hold an Allowed Claim in Class 3A or Class 3B or be the Holder of a Claim that has been temporarily Allowed for voting purposes only under Bankruptcy Rule 3018(a).

## 8. **Procedure/Voting Deadlines**

In order for your Ballot to count, you must (1) properly complete, date, and execute the Ballot and (2) deliver the Ballot to the Balloting Agent by either (a) regular mail to the Balloting Agent at the following address: Donlin, Recano & Company, Inc., re: Rupari Holding Corp., *et al.*, P.O. In addition, the Compromising Professionals agree to the Fee Cap on payments to be received on account of total fees equal to 90% of aggregate fees allowed in during the chapter 11 cases. The Compromising Professionals estimate that the Fee Cap will reduce aggregate professional fees by approximately \$300,000. The Parties to the Term Sheet have agreed not to object to fee applications filed by the Compromising Professionals, including all interim and final fee applications.

Professional fees and expenses incurred prior to June 15, 2017 will be paid from the Professional Fee Carveout Reserve account in the amount of \$1.8 million established in accordance with the “carve out” provisions of the Final Cash Collateral Order. The Liquidating Trustee may incur any reasonable and necessary expenses in liquidating and converting the Liquidating Trust Assets to Cash. The Liquidating Trust is the successor to the Debtors, their Estate, and their books and records. **F. Federal Income Tax Treatment of the Liquidating Trust for the Liquidating Trust Assets**

For federal income tax purposes, it is intended that the Liquidating Trust be classified as a liquidating trust under section 301.7701-4 of the Treasury regulations and that the trust be owned by its Beneficiaries. Accordingly, for federal income tax purposes, it is intended that the beneficiaries be treated as if they had received a distribution from the Estates of an undivided interest in the Liquidating Trust Assets (to the extent of the value of their respective share in the applicable assets) and then contributed such interests to the Liquidating Trust, and the Liquidating Trust's Beneficiaries will be treated as the grantors and owners thereof.

The Liquidating Trust shall be responsible for filing all federal, state, and local tax returns for the Debtors and the Liquidating Trust. The Liquidating Trust shall comply with all withholding and reporting requirements imposed by any federal, state, or local taxing authority, and all distributions made by the Liquidating Trust shall be subject to any such withholding and reporting requirements. The Liquidating Trustee shall be authorized to take any and all actions that may be necessary or appropriate to comply with such withholding and reporting requirements including, without limitation, requiring that, as a condition to the receipt of a Distribution, the Holder of an Allowed Claim complete the appropriate IRS Form W-8 or IRS Form W-9, as applicable to each Holder. Any property to be distributed by the Liquidating Trust shall, pending the implementation of such arrangements, be treated as an undeliverable Distribution to be held by the Liquidating Trustee, as the case may be, until such time as the Liquidating Trustee is satisfied with the Holder's arrangements for any withholding tax obligations.

The Liquidating Trustee shall be discharged and the Liquidating Trust shall be terminated, at such time as (i) all Disputed Claims have been resolved, (ii) all of the Liquidating Trust Assets have been liquidated, (iii) all duties and obligations of the Liquidating Trustee under the Liquidating Trust Agreement have been fulfilled, (iv) all Distributions required to be made by the Liquidating Trust under this Combined Plan and Disclosure Statement and the Liquidating Trust Agreement have been made, and (v) the Chapter 11 Cases have been closed; *provided, however*, that in no event shall the Liquidating Trust be dissolved later than five (5) years from the Effective Date unless the Bankruptcy Court, upon motion within the six-month period prior to the fifth anniversary (or the end of any extension period approved by the Bankruptcy Court), determines that a fixed period extension (not to exceed one (1) year, together with any prior extensions, without a favorable letter ruling from the Internal Revenue Service that any further extension would not adversely affect the status of the Liquidating Trust as a

liquidating trust for federal income tax purposes) is necessary to facilitate or complete the recovery and liquidation of the Liquidating Trust Assets.

#### **H. Limitation of Liability of the Liquidating Trustee**

The Liquidating Trust shall indemnify the Liquidating Trustee and its professionals against any losses, liabilities, expenses (including attorneys' fees and disbursements), damages, taxes, suits, or claims that the Liquidating Trustee or its professionals may incur or sustain by reason of being or having been a Liquidating Trustee or professionals of the Liquidating Trustee for performing any functions incidental to such service; *provided, however*, the foregoing shall not relieve the Liquidating Trustee or its professionals from liability for bad faith, willful misconduct, reckless disregard of duty, criminal conduct, gross negligence, fraud, or self-dealing, or, in the case of an attorney professional and, as required under Rule 1.8(h)(1) of the Delaware Lawyers' Rules of Professional Conduct, malpractice.

### **IX. ADDITIONAL MEANS FOR IMPLEMENTATION**

#### **A. No Substantive Consolidation**

The Plan does not provide for the substantive consolidation of the Estates of Rupari Food and Rupari Holding. Each Estate will be separately administered in accordance with the terms of the Plan.

#### **B. The Settlement and Plan Term Sheet**

This Plan is, in large part, premised on the settlement reached in the Plan Term Sheet, which in turn, is embodied in this Plan. The Debtors, through their advisors, and at the direction of the Independent Director and Chief Restructuring Officer/Chief Financial Officer entered into negotiations with WPP, the Creditors' Committee, and Danish Crown prior to the filing of this Combined Plan and Disclosure Statement.

Each of the conditions to the Effective Date may be waived, in whole or in part, by the Debtors with the consent of the Creditors' Committee and, where applicable, WPP, without notice or an Order of the Bankruptcy Court.

**XIV. RETENTION OF JURISDICTION**

Notwithstanding the entry of the Plan Confirmation Order and the occurrence of the Effective Date, following the Effective Date, the Bankruptcy Court shall retain jurisdiction over all matters arising in, arising under, and related to the Chapter 11 Cases as is legally permissible, including, without limitation, such jurisdiction as is necessary to ensure that the interests and purposes of this Combined Plan and Disclosure Statement and the Liquidating Trust Agreement are carried out. The Bankruptcy Court shall retain jurisdiction over all matters arising in, arising under, and related to the Chapter 11 Cases, this Combined Plan and Disclosure Statement, and the Liquidating Trust Agreement for, among other things, the following purposes:

1. To hear and determine any objections to Claims and to address any issues relating to Disputed Claims;

13. To approve, as may be necessary or appropriate, any Claims settlement entered into or offset exercised by the Liquidating Trust;

the Liquidating Trust Agreement, or any contract, instrument, release, indenture or other agreement or document created or implemented in connection with this Combined Plan and Disclosure Statement or the Liquidating Trust Agreement;

16. To enforce, interpret, and determine any disputes arising in connection with any stipulations, orders, judgments, injunctions, exculpations, and rulings entered in connection with the Chapter 11 Cases (whether or not the Chapter 11 Cases have been closed), including, without limitation, the 363 Sale Order;

## **XV. MISCELLANEOUS PROVISIONS**

### **A. Amendment or Modification of this Combined Plan and Disclosure Statement**

This Combined Plan and Disclosure Statement or any exhibits hereto may be amended, modified, or supplemented by the Plan Proponents in the manner provided for by section 1127 of the Bankruptcy Code or as otherwise permitted by law without additional disclosure under section 1125 of the Bankruptcy Code. In addition, after the Plan Confirmation Date, the Debtors or Liquidating Trustee, as applicable, may institute proceedings in the Bankruptcy Court to remedy any defect or omission or reconcile any inconsistencies in this Combined Plan and Disclosure Statement or the Plan Confirmation Order with respect to such matters as may be necessary to carry out the purposes and effects of this Combined Plan and Disclosure Statement. The Debtors may make appropriate technical adjustments and modifications to this Combined Plan and Disclosure Statement prior to the Effective Date without further order or approval of the Bankruptcy Court.

### **B. Severability**

This Combined Plan and Disclosure Statement is not severable. Nevertheless, if, prior to the entry of the Plan Confirmation Order, any term or provision of this Combined Plan and Disclosure Statement is held by the Bankruptcy Court to be invalid, void, or unenforceable, the Bankruptcy Court, at the request of the Debtors, shall have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void, or unenforceable, and such term or provision shall then be applicable as altered or interpreted. Notwithstanding any such holding, alteration, or interpretation, the remainder of the terms and

provisions of this Combined Plan and Disclosure Statement will remain in full force and effect and will in no way be affected, impaired, or invalidated by such holding, alteration, or interpretation. The Plan Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of this Combined Plan and Disclosure Statement, as it may have been altered or interpreted in accordance with the foregoing, is valid and enforceable under its terms.

**C. Revocation or Withdrawal of this Combined Plan and Disclosure Statement**

The Plan Proponents reserve the right to revoke or withdraw this Combined Plan and Disclosure Statement before the Plan Confirmation Date. If the Plan Proponents revoke or withdraw this Combined Plan and Disclosure Statement before the Plan Confirmation Date, then this Combined Plan and Disclosure Statement shall be deemed null and void. In such event, nothing contained herein shall constitute or be deemed a waiver or release of any Claims by or against the Debtors or the Liquidating Trustee or to prejudice in any manner the rights of the Debtors or the Liquidating Trustee in any further proceedings involving the Debtors.

**D. Binding Effect**

This Combined Plan and Disclosure Statement shall be binding upon and inure to the benefit of the Debtors, the Holders of Claims, and the Holders of Interests, and their respective successors and assigns.

**E. Notices**

All notices to or requests of the Plan Proponents or Liquidating Trustee by parties in interest in connection with this Combined Plan and Disclosure Statement shall be in writing and delivered either by (a) certified mail, return receipt requested, postage prepaid, (b) hand delivery, or (c) overnight delivery, all charges prepaid, and shall be deemed to have been given when received by:

**F. Governing Law**

Except to the extent the Bankruptcy Code, Bankruptcy Rules, or other federal law is applicable, or to the extent an exhibit to this Combined Plan and Disclosure Statement provides otherwise, the rights and obligations arising under this Combined Plan and Disclosure Statement shall be governed by, and construed and enforced in accordance with, the laws of the State of Delaware, without giving effect to the principles of conflicts of law of such jurisdiction.

**G. Withholding and Reporting Requirements**

In connection with the Consummation of this Combined Plan and Disclosure Statement, the Debtors and the Liquidating Trustee shall comply with all withholding and reporting requirements imposed by any federal, state, or local taxing authority and all Distributions hereunder shall be subject to any such withholding and reporting requirements. All Beneficiaries, as a condition to receiving any Distribution, shall provide the Liquidating Trustee with a completed and executed Form W-9.

**H. Headings**

Headings are used in this Combined Plan and Disclosure Statement for convenience and reference only, and shall not constitute a part of this Combined Plan and Disclosure Statement for any other purpose.

**I. Exhibits/Schedules**

The Plan Documents are an integral part of this Combined Plan and Disclosure Statement, and are hereby incorporated by reference and made a part thereof.

**J. Filing of Additional Documents**

On or before substantial Consummation of this Combined Plan and Disclosure Statement, the Debtors or Liquidating Trustee, as applicable, shall File such agreements and other documents as may be necessary or appropriate to effectuate and further evidence the terms and conditions of this Combined Plan and Disclosure Statement; provided that the Plan Supplement shall be Filed on or before November 20, 2017.

**K. No Admissions**

Notwithstanding anything herein to the contrary, nothing contained in this Combined Plan and Disclosure Statement shall be deemed as an admission by any Entity with respect to any matter set forth herein.

**L. Successors and Assigns**

The rights, benefits, and obligations of any Person or Entity named or referred to in this Combined Plan and Disclosure Statement shall be binding on, and shall inure to the benefit of any heir, executor, administrator, successor, or assign of such Person or Entity.

**M. Reservation of Rights**

Except as expressly set forth herein, this Combined Plan and Disclosure Statement shall have no force or effect unless the Bankruptcy Court shall enter the Plan Confirmation Order. None of the Filing of this Combined Plan and Disclosure Statement, any statement or provision contained herein, or the taking of any action by the Debtors with respect to this Combined Plan and Disclosure Statement shall be or shall be deemed to be an admission or waiver of any rights or Causes of Action of the Debtors, Holders of Claims, or Interest before the Effective Date.

**N. Inconsistency**

In the event of any inconsistency among this Combined Plan and Disclosure Statement, the Liquidating Trust Agreement, or any other instrument or document created or executed under this Combined Plan and Disclosure Statement, the provisions of this Combined Plan and Disclosure Statement shall govern; provided that in the event of any inconsistency among this Combined Plan and Disclosure Statement and the Plan Confirmation Order, the provisions of the Plan Confirmation Order shall govern.

**O. Confirmation in the Event one Plan Does Not Pass**

In the event that Rupari Holding or Rupari Food does not receive the requisite number of votes in amount or numerosity from an impaired voting class, the Debtors request that

the Bankruptcy Court approve the treatment of and Distribution to the different Classes under the Plan on a Debtor-by Debtor basis.

**P. Dissolution of the Debtors**

Immediately following the distribution of all of the Debtors' and the Estates' property under the terms of this Combined Plan and Disclosure Statement, on the Effective Date, the Debtors' members, directors, managers, and officers and any remaining employees shall be deemed to have resigned and upon termination of the Liquidating Trustee or the wind down of the Liquidating Trust the Debtors shall be deemed dissolved for all purposes and of no further legal existence under any applicable state or federal law, without the need to take any further action or file any plan of dissolution, notice, or application with the Secretary of State of the Delaware or any other authority.

**Q. Dissolution of the Creditors' Committee**

Upon the occurrence of the Effective Date, the Creditors' Committee shall dissolve automatically, whereupon its members, professionals, and agents shall be released from any duties and responsibilities in the Chapter 11 Cases and under the Bankruptcy Code, except with respect to (i) obligations arising under confidentiality agreements, which shall remain in full force and effect, (ii) prosecuting applications for payment of fees and reimbursement of expenses of Professionals or attending to any other issues related to applications for payment of fees and reimbursement of expenses of Professionals, (iii) any motions or motions for other actions seeking enforcement of implementation of the provisions of this Combined Plan and Disclosure Statement, and (iv) prosecuting or participating in any appeal of the Plan Confirmation Order or any request for reconsideration thereof.

**XVI. RISKS AND OTHER CONSIDERATIONS**

**A. Bankruptcy Considerations**

Although the Plan Proponents believe that this Combined Plan and Disclosure Statement will satisfy all requirements necessary for confirmation by the Bankruptcy Court, there can be no assurance that the Bankruptcy Court will confirm this Combined Plan and Disclosure Statement as proposed. Moreover, there can be no assurance that modifications of this Combined Plan and Disclosure Statement will not be required for confirmation or that such modifications would not necessitate the re-solicitation of votes.

In addition, the occurrence of the Effective Date is conditioned on the satisfaction (or waiver) of the conditions precedent specified herein, and there can be no assurance that such conditions will be satisfied or waived. In the event such conditions precedent have not been satisfied or waived (to the extent possible hereunder) within ninety (90) days after the Plan Confirmation Date, which period may be extended by the Plan Proponents, then the Plan Confirmation Order may be vacated, no Distributions will be made under this Combined Plan and Disclosure Statement, and the Debtors and all Holders of Claims and Interests will be restored to the *status quo ante* as of the day immediately preceding the Plan Confirmation Date as though the Plan Confirmation Date had never occurred.

Section 1122 of the Bankruptcy Code provides that a plan may place a claim or an equity interest in a particular class only if such claim or equity interest is substantially similar to the other claims or equity interests in such class. The Plan Proponents believe that the classification of Claims and Interests under the Plan complies with the requirements set forth in the Bankruptcy Code because each Class of Claims and Interests encompass Claims or Interests, as applicable, that are substantially similar to the other Claims and Interests in each such Class. Nevertheless, there can be no assurance that the Bankruptcy Court will reach the same conclusion.

While the Plan Proponents believe that there are sufficient Liquidating Trust Assets to make Distributions to Liquidating Trust Beneficiaries, there can be no assurance that the Liquidating Trust Assets will be sufficient to pay all Liquidating Trust Operating Expenses or make Distributions to the Liquidating Trust Beneficiaries.

**B. No Duty to Update Disclosures**

The Plan Proponents have no duty to update the information contained in this Combined Plan and Disclosure Statement as of the date hereof, unless otherwise specified herein, or unless the Plan Proponents are required to do so under an Order of the Bankruptcy Court. Delivery of this Combined Plan and Disclosure Statement after the date hereof does not imply that the information contained herein has remained unchanged.

**C. Alternatives to Confirmation and Consummation of the Plan**

**1. Alternate Plan**

If this Combined Plan and Disclosure Statement is not confirmed, the Debtors or any other party in interest (if, under section 1121 of the Bankruptcy Code, the Debtors have not Filed a plan within the time period prescribed under the Bankruptcy Code) could attempt to formulate and propose a different plan. Such a plan likely would result in additional costs, including, among other things, additional professional fees or potential asserted substantial contribution claims, all of which would likely constitute Administrative Expense Claims (subject to allowance). The Plan Proponents believe that this Combined Plan and Disclosure Statement, which is the result of extensive negotiations provides for an orderly and efficient liquidation of the Debtors' remaining assets and enables creditors to realize the best return under the circumstances.

**2. Chapter 7 Liquidation**

If a plan under chapter 11 of the Bankruptcy Code is not confirmed by the Bankruptcy Court, the Chapter 11 Cases may be converted to liquidation cases under chapter 7 of the Bankruptcy Code in which a trustee would be elected or appointed, under applicable provisions of chapter 7 of the Bankruptcy Code, to liquidate the assets of the Debtors for distribution in accordance with the priorities established by the Bankruptcy Code. The Plan Proponents believe that such a liquidation would result in smaller distributions being made to the Debtors' creditors than those provided for in this Combined Plan and Disclosure Statement because (a) the likelihood that other assets of the Debtors would have to be sold or otherwise

disposed of in a less orderly fashion, (b) additional administrative expenses attendant to the appointment of a trustee and the trustee's employment of attorneys and other professionals and, (c) additional expenses and Claims, some of which would be entitled to priority, that would be generated during the liquidation. See Liquidation Analysis, attached to this Plan as **Exhibit B**.

## **D. Certain Federal Tax Consequences**

### **1. General**

The following discussion summarizes certain material U.S. federal income tax consequences to Holders of Claims entitled to vote on this Combined Plan and Disclosure Statement. This discussion is based on current provisions of the IRC, applicable Treasury Regulations, judicial authority and current administrative rulings and pronouncements of the IRS. There can be no assurance that the IRS will not take a contrary view, no ruling from the IRS has been or will be sought nor will any counsel provide a legal opinion as to any of the expected tax consequences set forth below.

Legislative, judicial, or administrative changes or interpretations may be forthcoming that could alter or modify the statements and conclusions set forth herein. Any such changes or interpretations may or may not be retroactive and could affect the tax consequences to the Holders of Claims, the Liquidating Trust, or the Debtors. It cannot be predicted at this time whether any tax legislation will be enacted or, if enacted, whether any tax law changes contained therein would affect the tax consequences described herein.

The following summary is for general information only. The tax treatment of a Holder may vary depending upon such Holder's particular situation. This summary does not address all of the tax consequences that may be relevant to a Holder, including any alternative minimum tax consequences and does not address the tax consequences to a Holder that has made an agreement to resolve its claim in a manner not explicitly provided for in this Combined Plan and Disclosure Statement. This summary also does not address the U.S. federal income tax consequences to persons not entitled to vote on this Combined Plan and Disclosure Statement or Holders subject to special treatment under the U.S. federal income tax laws, such as brokers or dealers in securities or currencies, certain securities traders, tax-exempt entities, financial institutions, insurance companies, foreign persons, partnerships and other pass-through entities, Holders that have a "functional currency" other than the United States dollar and Holders that have acquired Claims in connection with the performance of services. The following summary assumes that the Claims are held by Holders as "capital assets" within the meaning of section 1221 of the IRC and that all Claims denominated as indebtedness are properly treated as debt for U.S. federal income tax purposes.

The tax treatment of Holders and the character, amount, and timing of income, gain, or loss recognized as a consequence of this Combined Plan and Disclosure Statement and the distributions provided for hereby may vary, depending upon, among other things: (i) whether the Claim (or portion thereof) constitutes a Claim for principal or interest; (ii) the type of consideration received by the Holder in exchange for the Claim and whether the Holder receives Distributions hereunder in more than one taxable year; (iii) whether the Holder is a citizen or resident of the United States for tax purposes, is otherwise subject to U.S. federal income tax on

a net basis, or falls into any special class of taxpayers, such as those that are excluded from this discussion as noted above; (iv) the manner in which the Holder acquired the Claim; (v) the length of time that the Claim has been held; (vi) whether the Claim was acquired at a discount; (vii) whether the Holder has taken a bad debt deduction with respect to the Claim (or any portion thereof) in the current or prior years; (viii) whether the Holder has previously included in income accrued but unpaid interest with respect to the Claim; (ix) the method of tax accounting of the Holder; (x) whether the Claim is an installment obligation for U.S. federal income tax purposes; and (xi) whether the “market discount” rules are applicable to the Holder. Therefore, each Holder should consult its tax advisor for information that may be relevant to its particular situation and circumstances, and the particular tax consequences to such Holder of the transactions contemplated by this Combined Plan and Disclosure Statement.

**The following discussion is intended only as a summary of certain U.S. federal tax consequences of this Combined Plan and Disclosure Statement and is not a substitute for careful tax planning with a tax professional. The following discussion is for information purposes only and is not tax advice. The tax consequences are in many cases uncertain and may vary depending on a Holder’s particular circumstances. Accordingly, each Holder is strongly urged to consult its tax advisor regarding the U.S. federal, state, local, and applicable non-U.S. income and other tax consequences of this Combined Plan and Disclosure Statement.**

## **2. U.S. Federal Income Tax Consequences to the Debtors**

If there is a discharge of a debt obligation by a debtor (or, in the case of indebtedness with multiple obligors, indebtedness that is allocable to such debtor) for an amount less than the adjusted issue price (in most cases, the amount the debtor received on incurring the obligation, with certain adjustments), such discharge generally would give rise to cancellation of debt income, which must be included in the debtor’s income (or, in the case of a debtor that is treated as a disregarded entity for U.S. federal income tax purposes, in the income of its owner). However, the Debtors should be able to utilize a special tax provision that excludes from income debts discharged in a chapter 11 case. Notably, the Debtors may not recognize income as a result of the discharge of debt under this Combined Plan and Disclosure Statement because section 108 of the IRC provides that taxpayers in bankruptcy cases do not recognize income from discharge of indebtedness. A taxpayer is, however, required to reduce its “tax attributes” by the amount of the debt discharged. Tax attributes are reduced in the following order: (i) net operating losses for the taxable year of the discharge, and any net operating loss carryover to such taxable year; (ii) general business credits; (iii) minimum tax credits, (iv) capital loss carryovers; (v) the basis of the property of the taxpayer; (vi) passive activity loss and credit carryovers; and (vii) foreign tax credit carryovers.

## **3. U.S. Federal Income Tax Treatment With Respect to the Liquidating Trust**

It is intended that the Liquidating Trust will be treated as a “grantor trust” for U.S. federal income tax purposes. In general, a grantor trust is not a separate taxable entity. The IRS, in Revenue Procedure 94-45, 1994-2 C.B. 684, set forth the general criteria for obtaining an advanced ruling as to the grantor trust status of a liquidating trust under a chapter 11 plan. The Debtors are not requesting a private letter ruling regarding the status of the Liquidating Trust as a

grantor trust. Consistent with the requirements of Revenue Procedure 94-45, however, the Liquidating Trust Agreement will require all relevant parties to treat, for federal income tax purposes, the transfer of the Debtors' assets to the Liquidating Trust as (i) a transfer of such assets to the beneficiaries of the Liquidating Trusts (to the extent of the value of their respective interests in the applicable Liquidating Trust Assets) followed by (ii) a transfer of such assets by such Beneficiaries to the Liquidating Trusts (to the extent of the value of their respective interests in the applicable Liquidating Trust Assets), with the Beneficiaries of the Liquidating Trust being treated as the grantors and owners of the Liquidating Trust. Each Beneficiary of the applicable Liquidating Trust will generally recognize gain (or loss) in its taxable year that includes the Effective Date in an amount equal to the difference between the amount realized in respect of its Claim and its adjusted tax basis in such Claim. The amount realized for this purpose should generally equal the amount of Cash and the fair market value of any other assets received or deemed received for U.S. federal income tax purposes under this Combined Plan and Disclosure Statement in respect of such Holder's Claim. A Holder that is deemed to receive for U.S. federal income tax purposes a non-Cash asset under this Combined Plan and Disclosure Statement in respect of its Claim should generally have a tax basis in such asset in an amount equal to the fair market value of such asset on the date of its deemed receipt.

Beneficiaries of the Liquidating Trust should value the assets of the Liquidating Trust consistently with the values determined by the Liquidating Trustee for all U.S. federal, state, and local income tax purposes. As soon as possible after the Effective Date, the Liquidating Trustee shall make a good faith valuation of the assets transferred to the Liquidating Trust.

Consistent with the treatment of the Liquidating Trust as grantor trusts, each Holder should report on its U.S. federal income tax return its allocable share of the Liquidating Trust's income. Therefore, a Holder may incur a U.S. federal income tax liability with respect to its allocable share of the income of the Liquidating Trust whether or not the Liquidating Trust has made any Distributions to such Holder. The character of items of income, gain, deduction, and credit to any Holder and the ability of such Holder to benefit from any deduction or losses will depend on the particular situation of such Holder.

In general, a distribution of underlying assets from the Liquidating Trust to a Beneficiary thereof may not be taxable to such Holder because such Holders are already regarded for U.S. federal income tax purposes as owning such assets. Holders are urged to consult their tax advisors regarding the appropriate U.S. federal income tax treatment of Distributions from the Liquidating Trust.

The Liquidating Trustee will file with the IRS tax returns for the Liquidating Trust as a grantor trust under Treasury Regulation Section 1.671-4(a) and will also send to each Holder a separate statement setting forth such Holder's share of items of Liquidating Trust income, gain, loss, deduction, or credit. Each such Holder will be required to report such items on its U.S. federal income tax return.

The discussion above assumes that the Liquidating Trust will be respected as a grantor trust for U.S. federal income tax purposes. If the IRS were to successfully challenge such classification, the U.S. federal income tax consequences to the Liquidating Trust and the

beneficiaries of the Liquidating Trust could differ materially from those discussed herein (including the potential for an entity level tax to be imposed on all income of the Liquidating Trust).

#### **4. U.S. Federal Income Tax Treatment With Respect to Holders of Allowed Claims that are Beneficiaries of the Liquidating Trust**

Holders of Allowed Claims as of the Effective Date that are beneficiaries of the Liquidating Trust should be treated as receiving from the Debtors their respective shares of the applicable assets of the Liquidating Trust in satisfaction of their Allowed Claims, and simultaneously transferring such assets to the Liquidating Trust. Accordingly, a Holder of such Claim should generally recognize gain or loss in an amount equal to the amount deemed realized on the Effective Date (as described above) less its adjusted tax basis of its Claim. Additionally, such Holders should generally recognize their allocable share of income, gain, loss and deductions recognized by the Liquidating Trust on an annual basis.

Because a Holder's ultimate share of the assets of the Liquidating Trust based on its Allowed Claim will not be determinable on the Effective Date due to, among other things, the existence of Disputed Claims and the value of the assets at the time of actual receipt not being ascertainable on the Effective Date, such Holder should recognize additional or offsetting gain or loss if, and to the extent that, the aggregate amount of Cash and fair market value of the assets of the Liquidating Trust ultimately received by such Holder is greater than or less than the amount used in initially determining gain or loss in accordance with the procedures described in the preceding paragraph. It is unclear when a Holder of an Allowed Claim that is a Beneficiary of the Liquidating Trust should recognize, as an additional amount received for purposes of computing gain or loss, an amount attributable to the disallowance of a Disputed Claim.

The character of any gain or loss as capital gain or loss or ordinary income or loss and, in the case of capital gain or loss, as short-term or long-term, will depend on a number of factors, including: (i) the nature and origin of the Claim; (ii) the tax status of the Holder of the Claim; (iii) whether the Claim has been held for more than one year; (iv) the extent to which the Holder previously claimed a loss or bad debt deduction with respect to the Claim; and (v) whether the Claim was acquired at a market discount. A Holder that purchased its Claim from a prior Holder at a market discount may be subject to the market discount rules of the IRC. Under those rules (subject to a *de minimis* exception), assuming that such Holder has made no election to accrue the market discount and include it in income on a current basis, any gain recognized on the exchange of such Claim generally would be characterized as ordinary income to the extent of the accrued market discount on such Claim as of the date of the exchange.

It is possible that the Service may assert that any loss should not be recognizable until the Liquidating Trustee makes their final distributions of the assets of the Liquidating Trust. Holders should consult their tax advisors regarding the possibility that the recognition of gain or loss may be deferred until the final distribution of the assets of the Liquidating Trust.

Although not free from doubt, Holders of Disputed Claims should not recognize any gain or loss on the date that the assets of the Debtors are transferred to the Liquidating Trust, but should recognize gain or loss in an amount equal to: (i) the amount of Cash and the fair

market value of any other property actually distributed to such Holder less (ii) the adjusted tax basis of its Claim. It is possible, however, that such Holders may be required to recognize the fair market value of such Holder's allocable share of the Liquidating Trust's assets, as an amount received for purposes of computing gain or loss, either on the Effective Date or the date such Holder's Claim becomes an Allowed Claim.

Holders of Allowed Claims will be treated as receiving a payment of interest (includible in income in accordance with the Holder's method of accounting for tax purposes) to the extent that any Cash or other property received (or deemed received) under this Combined Plan and Disclosure Statement is attributable to accrued but unpaid interest, if any, on such Allowed Claims. The extent to which the receipt of Cash or other property should be attributable to accrued but unpaid interest is unclear. The Debtors and the Liquidating Trust intend to take the position that such Cash or property distributed under this Combined Plan and Disclosure Statement will first be allocable to the principal amount of an Allowed Claim and then, to the extent necessary, to any accrued but unpaid interest thereon. Each Holder should consult its tax advisor regarding the determination of the amount of consideration received under this Combined Plan and Disclosure Statement that is attributable to interest (if any). A Holder generally will be entitled to recognize a loss to the extent any accrued interest was previously included in its gross income and is not paid in full.

**Plan Term Sheet**

*In re Rupari Holding Corp., et al.*

***PRINCIPAL TERMS OF A CONSENSUAL JOINT PLAN OF LIQUIDATION***

This document (the “Plan Term Sheet”) is a summary of certain material terms of a proposed combined disclosure statement and joint chapter 11 plan (together, the “Plan”) for the debtors Rupari Holding Corp. and Rupari Food Services, Inc. (the “Debtors”) in cases jointly administered under Case No. 17-10793 (KJC) that would be acceptable to the Parties (as defined below). This Plan Term Sheet contains substantially all of the material terms of the Plan, but it does not contain all the terms, conditions, and other provisions of the Plan. The transactions contemplated by this Plan Term Sheet are subject to additional terms and conditions to be set forth in definitive documents, including a plan, a related disclosure statement and plan confirmation order (the “Definitive Documents”), all of which shall be in form and substance satisfactory to the Debtors, the Official Committee of Unsecured Creditors appointed in these cases (the “Committee”), Wind Point Partners and its affiliated funds and entities, including Rupari Bridge Company (“WPP”), Danish Crown AMBA in its individual capacity as creditor of the Debtors and recipient of a prepetition transfer (“Danish Crown”), and the professionals currently retained by the Debtors and the Committee (collectively, the “Professionals” and together with the Debtors, the Committee, WPP, and Danish Crown, the “Parties”).

This Plan Term Sheet is proffered in the nature of a settlement proposal and is, therefore, entitled to protection from any use or disclosure to any party or person pursuant to Federal Rule of Evidence 408 and any other rule of similar import, except as otherwise agreed by the Parties. Except as otherwise expressly provided herein, nothing herein, nor the transmittal hereof, shall, or shall be deemed to, impose or create any obligation on any Party to further negotiate, accept or otherwise be obligated or liable in connection with, any of the terms, conditions or transactions contemplated hereunder. This Plan Term Sheet and the information contained herein are strictly confidential. This Plan Term Sheet does not constitute (nor shall it be construed as) an offer or solicitation of votes for or against any chapter 11 plan, and is being presented for discussion and settlement purposes only. It is understood that a solicitation of votes in respect of the Plan, if any, will be made only in compliance with bankruptcy, and other applicable laws.

Nothing herein shall be deemed to be an admission or evidence of any fact, and this Plan Term Sheet shall not be introduced as evidence for any purpose, including in litigation among the Parties. Other than the Parties and holders of allowed claims against the Debtors’ estates, there are no third party beneficiaries, express or implied, of this Plan Term Sheet. Except as otherwise expressly provided in this Plan Term Sheet, nothing herein is intended to, or does, in any manner waive, limit, impair or restrict the ability of any Party to protect and preserve any of its respective rights, remedies and interests, including, without limitation, its respective claims against the other or any third party or its ability to participate in any proceeding.

Notwithstanding the foregoing, if this Plan Term Sheet is executed by all of the Parties hereto, upon the last Party to execute this Plan Term Sheet, it shall constitute a binding agreement among the Parties, subject to Bankruptcy Court approval of the Plan. Subject to approval of the Plan, all rights of the Parties are reserved, including, but not limited to, any and all defenses and rights related to or arising from any transactions by and between the Parties. The transaction contemplated under this Term Sheet and the obligations of the Parties arising hereunder is conditioned upon Bankruptcy Court approval of the Plan.

The Plan contemplated under this Plan Term Sheet shall (1) fully resolve and settle all claims and issues between the Parties, (2) provide that administrative expenses are paid and limit future administrative claims by a prompt exit from chapter 11, (3) provide a meaningful distribution (projected to be in excess of 8% of the aggregate Allowed Amount of such claims) to general unsecured creditors of Debtors, and (4) implement a path for prompt emergence from chapter 11 under a plan of liquidation with distributions to creditors by year end. If accepted by the Parties set forth below, the Debtors will incorporate such terms into the Plan to be filed with the Bankruptcy Court and will seek to emerge from chapter 11 by December 31, 2017.

<b>CLASSIFICATION AND TREATMENT</b>	
<b>General Administrative Expense Claims</b>	<p>In full and complete satisfaction of their claims, payment on the later of (i) the Effective Date of the Plan (as defined below), (ii) the date such General Administrative Expense Claim becomes an Allowed Claim by final order of the Bankruptcy Court, and (iii) the date such General Administrative Expense Claim comes due in the ordinary course of business, with such General Administrative Expense Claims being paid in full allowed amount in cash (as determined by agreement, settlement, or final order of the Bankruptcy Court), or such other treatment as may be agreed upon by a holder of any such allowed General Administrative Expense Claim, the Debtors and the Committee (prior to the Effective Date) and the Liquidating Trustee (after the Effective Date).</p> <p>Allowed General Administrative Expense Claims (exclusive of pre-June 15th administrative claims that will be paid from reserves established under the sale order and cash collateral order) are projected to be approximately \$300,000.</p>
<b>Professional Fee Administrative Expense Claims</b>	<p>In full and complete satisfaction of their claims, payment on the later of (i) the Effective Date of the Plan (as defined below), and (ii) the date such Professional Fee Administrative Expense Claim becomes an Allowed Claim by a final order of the Bankruptcy Court, to be paid in</p>

In addition, the Professionals agree to a cap on payments to be received on account of total fees equal to 90% of aggregate fees billed during the chapter 11 cases (the “Fee Cap”) The Professionals estimate that the Fee Cap will reduce aggregate professional fees by approximately \$300,000. The Parties agree not to object to fee applications filed by the Professionals, including all interim and final fee applications.</p> <p>Allowed Professional Fee Administrative Expense Claims, net of the reductions arising from implementation of the Fee Cap, are estimated to be approximately \$2.7 million, \$1.8 million has already been reserved for under the “carve out” provisions of the <i>Final Order Pursuant to 11 U.S.C. §§ 105, 361, 362, 363 and 507 (I) Authorizing the Use of Cash Collateral, (II) Granting Adequate Protection to Prepetition Secured Parties, and (III) Granting Related Relief</i> [D.I. 167]) through consummation of the Plan no later than December 31, 2017.</p>
<b>Priority Tax Claims</b>	<p>In full and complete satisfaction of their claims against the Debtors, payment in full in cash on the Effective Date of the allowed amount of such claim (as determined by agreement, settlement, or order of the Bankruptcy Court), or such other treatment as may be agreed upon by any such holder of a Priority Tax Claim, the Debtors and the Committee (prior to the Effective Date) and the Liquidating Trustee (after the Effective Date).</p> <p>Allowed Priority Tax Claims are projected to be approximately \$50,000.00 on the Effective Date.</p>
<b>Class 1: Miscellaneous Secured Claims</b>	<p>In full and complete satisfaction of an allowed Miscellaneous Secured Claim against the Debtors, each holder of an allowed Class 1 Miscellaneous Secured Claim shall receive, either (a) such other treatment as may be agreed upon by any such holder of a Miscellaneous Secured Claim, the Debtors and the Committee (prior to the Effective Date) and the Liquidating Trustee (after the Effective Date), or (b) at the Debtors’ option, in consultation with the Committee: (i) payment in full in cash of the allowed amount of such Miscellaneous Secured Claim (as determined by settlement or order of the Bankruptcy Court), or (ii) treatment consistent with the provisions</p>

	<p>of section 1129(a)(9) of the Bankruptcy Code.</p> <p>Holders of claims in Class 1 are unimpaired and therefore not entitled to vote to accept or reject the Plan.</p> <p>Allowed Miscellaneous Secured Claims are projected to be approximately \$0.00 on the Effective Date.</p>

The Plan will provide that WPP will waive its right to any Class 3 distribution on account of their Class 3 claims, until all Allowed Class 3 Claims are paid in full in cash.</p>
<b>Class 4: Intercompany Claims</b>	<p>Each of the Debtors shall agree that any and all Intercompany Claims between the Debtors will be canceled on the Effective Date and the Debtors shall not receive any recovery, subject to tax considerations minimizing the Debtors' tax liabilities. Danish Crown shall have an allowed Class 3B Claim in the amount of \$2,463,312.07. Rupari Bridge Company shall have an Allowed Class 3A Claim in the amount of at least \$35,605,000 and an Allowed Class 3B Claim in the amount of at least \$35,605,000, but shall agree in the Plan to waive any right to distribution on account of such claims in Class 3A and Class 3B until all Allowed Class 3A Claims or Class 3B Claims, as applicable, are paid in full in cash. The Liquidating Trustee shall be appointed by the Committee after prior consultation with the Debtors.
<b>Compromise and Settlement</b>	The Plan shall contain customary provisions for the compromise and settlement of claims stating that, notwithstanding anything in the Plan to the contrary, the allowance, classification and treatment of allowed claims and equity interests and their respective distributions take into account the relative priority and rights of such claims and interests in connection with any contractual and legal rights relating thereto.
<b>Injunction</b>	<p>The Plan will contain standard injunction provisions with language substantially to the effect of the following:</p> <p>From and after the Effective Date, and except for the obligations created hereunder and under the Plan, all entities are permanently enjoined from commencing or continuing in any manner against the Reorganized Debtor, any suit, action, or other proceeding, on account of or respecting any claim, demand, liability, obligation, debt, right, cause of action, interest, or remedy released or to be released pursuant to the Plan or the Confirmation Order.</p>

<b>Executory Contracts</b>	All executory contracts and unexpired leases not previously rejected shall be deemed rejected by the Plan, unless otherwise provided therein.
<b>Claims and Causes of Action</b>	<p>The Preference Actions and D&amp;O Claims, and any other claims and causes of action held by the Debtors and their estates not released under the Plan (collectively, the “<u>Causes of Action</u>”), shall be transferred on the Effective Date to the Liquidation Trust. The Liquidation Trustee shall, in its sole and absolute discretion, pursue, or not pursue, settle or compromise such claims and causes of action; provided, however, the Liquidation Trustee shall limit its recovery for D&amp;O Claims at \$4,000,000 and will agree to try to first pursue recovery for such D&amp;O Claims from available insurance proceeds. If the Liquidation Trustee decides, in its sole and absolute discretion, to pursue, settle or compromise any D&amp;O Claims, the Liquidation Trustee agrees to consult, on a periodic basis, with WPP regarding the prosecution of such D&amp;O Claims; provided, however, that the Liquidation Trustee shall have no obligation to disclose to WPP any information or communications protected by the attorney-client, or any other, privilege or protection. Expenses of litigation of the Causes of Action shall be borne by the Liquidation Trust.</p> <p>D&amp;O Claims consist of claims and causes of action held by the Debtors and their estates against their former officers and directors including Jack Kelly, Robert Kopriva, Micah Valine and Jim Taylor, in their capacities as the Debtors’ former officers and/or directors, as applicable, including those claims that are not currently asserted in, but could be asserted against them, in all instances related to or impacting the subject matter set forth in that certain letter from the Committee to the Debtors dated August 25, 2017, including claims based upon any additional ground (the “<u>D&amp;O Claims</u>”).</p> <p>Notwithstanding anything to the contrary in the preceding sentence or otherwise in this Term Sheet, the Debtors, the Committee and the Liquidating Trust shall not pursue any Causes of Action against the WPP Released Parties.</p> <p>The Causes of Action, including the D&amp;O Claims, and the Debtors’ right to proceeds from the Debtors’ director and officer insurance shall be transferred to the Liquidating Trust on the Effective Date, free and clear of any liens, claims, or encumbrances, including but not limited to those of the pre and post-petition lenders and the pre and post-petition lenders shall not share in any distribution from the Liquidating Trust on account of their claims.</p> <p>The Plan shall include a standard exculpation provision that shall</p>

	<p>exculpate the estates' fiduciaries from any liability or claims in connection with the Debtors' restructuring efforts post-petition.</p> <p>For the avoidance of doubt, all assets of the Liquidating Trust and proceeds thereof shall be free and clear of any liens, encumbrances, or claims, administrative or otherwise, including but not limited to those of the pre and post-petition lenders of the Debtors.</p> <p>The Parties further agree to exercise reasonable efforts to procure a waiver from Antares with respect to any right to receive a distribution or payment of any kind on account of any unsecured deficiency claim arising or related to Antares' pre or post-petition credit facilities.</p> <p>Liquidation proceeds, if any, shall be distributed as follows: (1) first, to satisfy Allowed Professional Fee Expense Claims and Allowed Administrative Expense Claims, (2) second to reimburse the Litigation Trust for litigation costs, including attorneys' and expert witness fees and expenses; and (3) the Holders of Allowed Class 3 Claims.</p>

#### OTHER PLAN PROVISIONS

<b>Plan Proponents</b>	<p>The Plan shall provide that the Debtors and the Committee are the sole proponents of the Plan and the Plan may not be amended or modified without the prior written consent of the other Parties to the extent such amendment or modification constitutes a material alteration of the terms hereof or the Plan with respect to that Party.</p> <p>The Parties shall publicly support the Plan.</p>
<b>Other Plan Provisions</b>	<p>No claimant shall be entitled to receive any distribution on its claim that is deemed a Disputed Claim under the Plan or to the extent that any party in interest has objected or may object to such claim on or prior to any deadlines provided for under the Plan, and the Debtors and Liquidation Trustee, as the case may be, retain all rights of offset and/or recoupment of any kind whatsoever with regards to any claimant and may exercise that right as against any claim of the claimant without further order of the Court. No distributions shall be made with respect to any claims until such claims are Allowed Claims. No creditor shall be entitled to post-petition interest on account of its claim.</p> <p>The Confirmation Order shall include findings that the Parties acted in good faith in the negotiation and development of the Plan. The</p>

	<p>Confirmation Order shall be in form and substance reasonably acceptable to the Parties. The Parties shall cooperate in good faith in prosecuting approval of the Disclosure Statement and confirmation of the Plan and shall, to the extent practicable and if approved by the Bankruptcy Court, seek to pursue approval of the Disclosure Statement and confirmation of the Plan at a joint hearing.</p> <p>The Plan and all related documentation shall reflect the terms and conditions of this Plan Term Sheet to the Parties' mutual satisfaction and shall contain such other terms and conditions as such Parties mutually agree. The Parties hereto shall negotiate in good faith with respect to the definitive documentation. The Debtors and the Committee shall undertake to draft the Plan and related documents and shall provide WPP with a reasonable opportunity to review and comment on such drafts in advance of filing. Any such documents that affect WPP, shall be in form and substance acceptable to WPP.</p> <p>The distributions on and treatment of claims and interests contemplated herein shall become effective and binding only upon the confirmation and Effective Date of a Plan under chapter 11 of the Bankruptcy Code.</p> <p>Subject to the approval of the Plan, each Party agrees to support an extension of exclusivity until the Plan is filed and the Effective Date occurs.</p>
<b>Effective Date</b>	<p>The effective date of the Plan (the "<u>Effective Date</u>") shall be conditioned upon (i) entry of the order confirming the Plan (the "<u>Confirmation Order</u>") in form and substance reasonably acceptable to the Parties, and (ii) such other customary or appropriate conditions to effectiveness as shall be mutually agreed by the Parties. The Effective Date shall be no earlier than three (3) business days after entry of the Confirmation Order and no later than December 31, 2017.</p>
<b>Jurisdiction for Contractual Disputes</b>	<p>The Bankruptcy Court shall retain jurisdiction over the Plan and related documents and enforcement of the Confirmation Order; provided, however, that the Reorganized Debtor and the Liquidating Trust may commence any action or proceeding in pursuit of the Causes of Action, and may seek to enforce the Plan and Confirmation Order in any court of competent jurisdiction, including the Bankruptcy Court.</p>

**Note:** This Liquidation Analysis reflects estimates of the proceeds that might be realized through the liquidation of the Debtors in accordance with Chapter 11 and Chapter 7 of the Bankruptcy Code. This analysis is primarily based on projections of the Debtors' assets and liabilities as of November 2, 2017, unless specified otherwise, as estimated by management in conjunction with the Debtors' advisors. The Liquidation Analysis is based upon a number of estimates and assumptions that, although developed by and considered reasonable by the management of the Debtors in conjunction with the Debtors' advisors, are inherently subject to significant economic, business, governmental, regulatory, and competitive uncertainties as well as other contingencies beyond the control of the Debtors or their management. The Liquidation Analysis is also based on assumptions with regard to liquidation decisions that are subject to change. Accordingly, there can be no assurance that the values reflected in this Liquidation Analysis would be realized if the Debtors were, in fact, to undergo such a liquidation, and actual results could vary materially and adversely from those contained herein.
