### 5. <u>Cure Objections.</u>

- Cure Objection Deadline. Any Counterparty to a Forward Contract that wishes to a) object to the proposed assumption, assignment, and sale of the Forward Contract, the subject of which objection is the Debtor's proposed Cure Costs to cure any outstanding monetary defaults then existing under such contract (each, a "Cure Objection") shall file with the Court and serve its Cure Objection on (i) the attorneys for the Debtor, Riker Danzig Scherer Hyland & Perretti, LLP, Headquarters Plaza, One Speedwell Avenue, Morristown, NJ 07962 (Attn: Joseph L. Any Cure Objection must state, with specificity, the legal and factual bases thereof, including any appropriate documentation in support thereof. Replies, if any, to Cure Objections shall be filed by June 23, 2017 at 5:00 p.m. (prevailing Eastern Time).
- b) Resolution of Cure Objections. The Bidding Procedures Order requires that the Debtor and a Counterparty that has filed a Cure Objection first confer in good faith to attempt to resolve the Cure Objection without Court intervention. If the parties are unable to consensually resolve the Cure Objection prior to the commencement of the Sale Hearing, the amount to be paid or reserved with respect to such objection shall be determined by the Court at the Sale Hearing. The Court shall make all necessary determinations relating to the applicable Cure Costs and Cure Objection at a hearing scheduled pursuant to the following paragraph.<sup>3</sup>
- Adjournment of Cure Objections. If a timely Cure Objection cannot otherwise be resolved by the parties, such objection shall be heard at the Sale Hearing; provided that, a Cure Objection (and only a Cure Objection) may, at the Debtor's discretion, after consulting with the Consultation Parties and the Winning Bidder, be adjourned (an "Adjourned Cure Objection") to a subsequent hearing. An Adjourned Cure Objection may be resolved after the closing date of the applicable Proposed Sale, provided that, the Debtor maintain a cash reserve equal to the Cure Costs the objecting Counterparty believes is required to cure the asserted monetary default under the applicable Forward Contract. Upon resolution of an Adjourned Cure Objection and the payment of the applicable Cure Costs, if any, the applicable Forward Contract that was the subject of such Adjourned Cure Objection shall be

<sup>&</sup>lt;sup>3</sup> All other Sale Objections to the proposed assumption and assignment of the Debtor's right, title, and interest in, to, and under a Forward Contract, if it is ultimately designated as a contract to be assumed or assigned by a Winning Bidder, will be heard at the Sale Hearing.

- deemed assumed and assigned to the Winning Bidder, as of the closing date of the applicable Proposed Sale.
- Failure to File Timely Cure Objection. If a Counterparty fails to timely file with the Court and serve on the Objection Recipients a Cure Objection, the Counterparty shall be deemed to have consented to the assumption, assignment, and sale of the Forward Contract (unless such Counterparty has timely filed an Adequate Assurance Objection (as hereinafter defined) with respect to the Forward Contract) to the applicable Winning Bidder and shall be forever barred from asserting any objection with regard to such assumption, assignment, and sale. Further, in the event no objections are timely filed and served, the Cure Costs set forth in the Assumption and Assignment Notice shall be controlling and will be the only amount necessary to cure outstanding defaults under the Forward Contract under Bankruptcy Code section 365(b), notwithstanding anything to the contrary in any Forward Contract, or any other document, and the Counterparty to the Forward Contract shall be deemed to have consented to the Cure Costs and shall be forever barred from asserting any other claims related to such Forward Contract against the Debtors or any Winning Bidder(s), or the property of any of them.

### 6. Adequate Assurance.

- Adequate Assurance Information. The Debtor shall provide, with respect to FCStone and each Qualified Party, such information, as is reasonably requested by a Counterparty, to demonstrate that FCStone or such other Qualified Party is able to fulfill all obligations in connection with satisfying adequate assurance of future performance under any Forward Contract ("Adequate Assurance Information"). The Debtor shall: (a) within 24 hours of receipt of an Offer from a Potential Bidder (other than FCStone) and (b) with respect to FCStone, by no later than twenty (20) days before the Sale Hearing, or by June 8, 2017 at 4:00 p.m. (the later of (a) and (b), the "Adequate Assurance Deadline"), provide a copy of the Adequate Assurance Information to those Counterparties (or their counsel) who have (x) submitted a written request (e-mail to Debtor's counsel is acceptable) for Adequate Assurance Information and (y) confirmed in writing to the Debtor's counsel (e-mail is acceptable) their agreement to keep such Adequate Assurance Information strictly confidential and use it solely for the purpose of evaluating whether a Potential Bidder, including FCStone, has provided adequate assurance of future performance under the applicable Forward Contracts.
- b) Adequate Assurance Objection Deadline. Any Counterparty to a Forward Contract that wishes to object to the proposed assumption, assignment, and sale of the Forward Contract (including but not limited to any assertion that a Forward Contract is terminated), the subject of which objection is a Winning Bidder's proposed form of adequate assurance of future performance with respect to such contract (each, an "Adequate Assurance Objection") shall file with the Court and serve on the Objection Recipients an Adequate Assurance Objection, which must state, with specificity, the legal and factual bases thereof, including submitting any appropriate

documentation in support thereof, by (i) no later than June 21, 2017 at 4:00 p.m. if such Adequate Assurance Objection relates to FCStone or (ii) no later than June 26, 2017 at 4:00 p.m. with respect to such Qualified Bidder other than FCStone. Replies, if any to Adequate Assurance Objections to FCStone shall be filed by June 23, 2017 at 5:00 p.m. Replies, if any, to Adequate Assurance Objections to a Qualified Bidder other than FCStone shall be filed by June 27, 2017 at 4:00 p.m.

- c) Resolution of Adequate Assurance Objections. The Bidding Procedures Order requires that the Debtor and a Counterparty that has filed an Adequate Assurance Objection first confer in good faith to attempt to resolve the Adequate Assurance Objection without Court intervention. If the parties are unable to consensually resolve the Adequate Assurance Objection prior to the commencement of the Sale Hearing, such objection and all issues of adequate assurance of future performance by the applicable Winning Bidder shall be determined by the Court at the Sale Hearing.
- d) Failure to File Timely Adequate Assurance Objection. If a Counterparty fails to timely file with the Court and serve on the Objection Recipients an Adequate Assurance Objection, the Counterparty shall be deemed to have consented to the assumption, assignment, and sale of the Forward Contract (unless the Counterparty has filed a timely Cure Objection with respect to the Forward Contract) to the applicable Winning Bidder and shall be forever barred from asserting any objection with regard to such assumption, assignment, and sale. Further, in the event no objections are filed and served, the applicable Winning Bidder shall be deemed to have provided adequate assurance of future performance with respect to the applicable Forward Contract in accordance with section 365(f)(2)(B) of the Bankruptcy Code, notwithstanding anything to the contrary in the Forward Contract, or any other document.
- 7. Sale Objections by Counterparties.
- a) <u>Sale Objection Deadline</u>. Any Counterparty to a Forward Contract that wishes to file a Sale Objection (other than a Cure Objection or an Adequate Assurance Objection) to the proposed assumption, assignment and sale of the Forward Contract shall file with the Court and serve on the Objection Recipients its Sale Objection, which must state, with specificity, the legal and factual bases thereof, including any appropriate documentation in support thereof, by no later than the Sale Objection Deadline of **June 21, 2017 at 4:00 p.m.** (**prevailing Eastern Time**). Replies, if any, to Sale Objections shall be filed by **June 23, 2017 at 5:00 p.m.** (**prevailing Eastern Time**).
- b) <u>Failure of Counterparties to File Timely Sale Objection</u>. If a Counterparty fails to timely file with the Court and serve on the Objection Recipients a Sale Objection, the Counterparty shall be deemed to have consented to the assumption, assignment, and sale of the Forward Contract (unless the Counterparty has filed a timely Cure Objection or Adequate Assurance Objection with respect to the Forward Contract) to the applicable Winning Bidder and shall be forever barred from asserting any objection with regard to such assumption, assignment, and sale.

- 8. The inclusion of a Forward Contract or Cure Costs on the Proposed Assumed Contracts Notice shall not constitute or be deemed a determination or admission by the Debtor, the Winning Bidder(s), or any other party in interest that such contract or other document is an executory contract or an unexpired lease within the meaning of the Bankruptcy Code or that the stated Cure Costs are due (all rights with respect thereto being expressly reserved). The Debtor reserves all of its rights, claims, and causes of action with respect to each Forward Contract or other document listed on the Proposed Assumed Contracts Notice. The Presumed Assumed Contracts Notice shall be without prejudice to each Winning Bidder's rights, if any, under the applicable asset purchase agreement, to subsequently exclude any Forward Contracts from the assumption or assignment prior to the closing of an applicable Proposed Sale.
- 9. The Debtor's assumption and/or assignment of a Forward Contract is subject to approval by the Bankruptcy Court and consummation of the Proposed Sale. Absent consummation of the Proposed Sale and entry of a Sale Order approving the assumption and assignment of the Designed Contracts, the Forward Contracts shall be deemed neither assumed nor assigned, and shall in all respects be subject to subsequent assumption or rejection by the Debtor.
- 10. Copies of the Motion, the Bidding Procedures Order, and the Bidding Procedures may be obtained free of charge at the website dedicated to the Debtor's chapter 11 case maintained by its claims and noticing agent and administrative advisor, Donlin Recano (donlinrecano.com/Clients/tcg/Index).
