INTRODUCTION

The Debtors (together with their non-Debtor affiliates, the “Company”) are a leading wholesale distributor, designer, manufacturer, retailer, and marketer of aftermarket parts, apparel, and accessories for the powersports industry. The powersports industry is a subset of the broader motorsports industry and consists of vehicles such as motorcycles, all-terrain vehicles, “side-by-sides” or utility terrain vehicles, and snowmobiles, among others. The Company achieves substantial efficiencies and competitive advantages by maintaining a diversified, vertically-integrated platform of brands, distributors, and retailers.

As of the Petition Date, the principal amount of the Debtors’ consolidated funded debt obligations (the “Prepetition Debt Obligations”) totaled approximately \$440 million, comprised of: (a) approximately \$65 million of obligations under a revolving ABL Facility (the “ABL Facility”); (b) approximately \$290 million of obligations under a First Lien Term Loan (the “First Lien Term Loan”); and (c) approximately \$85 million of obligations under a Second Lien Term Loan (the “Second Lien Term Loan”). For the year ended December 31, 2016, the Debtors reported approximately \$700 million of total revenue.

The Company’s business has recently come under significant pressure from macroeconomic forces beyond its control. The U.S. powersports aftermarket, contrary to the Debtors’ predictions, contracted in the post-business combination years, with the market declining approximately 2% in 2015, 6% in 2016, and 8% in 2017. The impact on the Company’s sales as a result of the market decline was significant, with projected 2017 sales being approximately 20% lower than 2014 sales. While operational efforts were taken in an effort to streamline the Company and accommodate the hostile market, the Company suffered a significant loss in earnings, as well as the liquidity to fund both its operations and its debt service obligations.

Because the current market and operating conditions and attendant liquidity challenges have made servicing the Company’s debt obligations unsustainable, the Company and its advisors engaged with certain holders of the Prepetition Debt Obligations regarding various restructuring alternatives—both out-of-court and in-court—to strengthen the Company’s balance sheet and create a sustainable capital structure to meet the Company’s future needs.

After extensive negotiations, the Company and holders of more than approximately 90 percent of the First Lien Term Loan reached an agreement on the terms of a consensual, balance-sheet restructuring to be implemented through a chapter 11 plan of reorganization—namely, the Plan—that significantly deleverages the Company, provides liquidity through two Exit Facilities, and minimizes the time and expense associated with the restructuring. In exchange for the compromises contained in the Plan, holders of Class 3 First Lien Term Loan Claims will each receive their pro rata share of 100% of the New Common Units (subject to dilution by the New Warrants and the Management Incentive Plan).

The Company believes that its core strengths, the durability of its business model, including the experience of its executive management team, and its ability to pursue growth opportunities, will allow it to implement the balance-sheet restructuring contemplated by the

Restructuring Support Agreement, attached hereto as **Exhibit E**, and the Plan and better position it for long-term viability as a reorganized Entity.

ARTICLE I

THE PLAN

1.1 **Discharge of Claims and Interests**

The Plan provides for the reorganization of the Debtors as a going concern and will reduce long-term debt and annual interest payments, resulting in a stronger, de-levered balance sheet for the Debtors. Specifically, the Plan provides for the discharge of Claims and Interests through, among other things: (a) the issuance of New Common Units to holders of Class 3 First Lien Term Loan Claims; (b) the payment in full in Cash of certain Claims, including Administrative Claims, Fee Claims, and DIP ABL Claims; (c) the exchange of DIP Term Facility Claims for the Exit Term Loan Credit Facility; and (d) the cancellation and extinguishment of certain Claims and Interests, including Second Lien Term Loan Claims, General Unsecured Claims, and Holdings Interests.

Although proposed jointly for administrative purposes, the Plan constitutes a separate Plan for each Debtor for the resolution of outstanding Claims against and Interests in each Debtor pursuant to the Bankruptcy Code. Each Debtor is a proponent of the Plan within the meaning of section 1129 of the Bankruptcy Code. The classifications of Claims and Interests set forth in Article III of the Plan shall be deemed to apply separately with respect to each Plan proposed by each Debtor, as applicable. The Plan does not contemplate substantive consolidation of any of the Debtors.

1.2 **New Capital Structure**

On the Effective Date, the Debtors will effectuate the Plan by: (a) issuing the New Common Units; (b) entering into the Exit Revolving Credit Facility and the Exit Term Loan Credit Facility (collectively, the “Exit Facilities”); (c) issuing the New Warrants; and (d) entering into all related documents to which the Reorganized Debtors are contemplated to be a party on the Effective Date. All such documents shall become effective in accordance with their terms and the Plan.

(a) **Issuance and Distribution of the New Common Units**

All existing Interests in Velocity Holdings shall be cancelled as of the Effective Date, and Reorganized Pooling shall issue the New Common Units pursuant to the Plan. The issuance of the New Common Units (including Interests reserved under the Management Incentive Plan and the New Warrants), shall be authorized without the need for any further corporate or limited liability company action and without any further action by the holders of Claims or Interests or the Debtors or the Reorganized Debtors, as applicable. The New Organizational Documents shall authorize the issuance and distribution on the Effective Date of the New Common Units to the Disbursing Agent for the benefit of Entities entitled to receive the New Common Units on the

Effective Date pursuant to the Plan. All of the New Common Units issued under the Plan shall be duly authorized and validly issued. The holders of Allowed First Lien Term Loan Claims that will receive New Common Units shall be required, as a condition to receiving their distribution, to execute the New Operating Agreement before receiving their respective distributions of New Common Units under the Plan. The New Operating Agreement shall be adopted on the Effective Date and shall be deemed to be valid, binding and enforceable in accordance with its terms, and each holder of New Common Units shall be bound thereby. Each distribution and issuance of the New Common Units under the Plan shall be governed by the terms and conditions set forth in the Plan applicable to such distribution or issuance and by the terms and conditions of the instruments evidencing or relating to such distribution or issuance, which terms and conditions shall bind each Entity receiving such distribution or issuance.

On the Effective Date, none of the New Common Units will be registered under the Securities Act or listed on a national securities exchange, the Reorganized Debtors will not be reporting companies under the Exchange Act, the Reorganized Debtors shall not be required to and will not file reports with the Securities and Exchange Commission or any other entity or party, and the Reorganized Debtors shall not be required to file monthly operating reports with the Bankruptcy Court after the Effective Date. In order to prevent the Reorganized Debtors from becoming subject to the reporting requirements of the Exchange Act, except in connection with a public offering, the New Organizational Documents may impose certain trading restrictions, and the New Common Units may be subject to certain transfer and/or other restrictions pursuant to the New Organizational Documents designed to maintain the Reorganized Debtors as private, non-reporting companies.

(b) **New Warrants**

The terms of the New Warrants shall be substantially similar in all respects with those provided in the Restructuring Support Agreement. For the avoidance of doubt, each Exit Term Loan Lender shall receive New Warrants to acquire an aggregate number of New Common Units equal to (after giving effect to the full exercise of the New Warrants) 0.0008% of the total number of New Common Units that are issued and outstanding on the Effective Date (immediately after giving effect to the consummation of the Plan), per \$1,000 in principal amount of Exit Term Loans. The New Warrants issued under the Plan shall be exercisable at an exercise price of \$0.01 per share. The New Warrants shall be exercisable at any time and from time to time prior to the expiration thereof. The New Warrants shall expire on the earlier to occur of (a) the ten (10) year anniversary of the Effective Date and (b) the consummation of a liquidity event (to be defined in the New Warrant Documents).

(c) **Management Incentive Plan**

Within ninety (90) days after the Effective Date, the New Board, acting in accordance with the New Organizational Documents, shall adopt the Management Incentive Plan, that provides for the issuance of options and/or other equity or equity-based awards (“Awards”) to certain employees of the Reorganized Debtors or any of their respective Subsidiaries. The form of the Awards (i.e., stock options, restricted stock, appreciation rights, etc.), the employee participants in the Management Incentive Plan, the allocations of the Awards to such

participants, and the terms and conditions of the Awards shall be determined by the New Board; provided, that, no Specified Stockholder, and no employee of a Specified Stockholder, shall be eligible for receipt of an Award under the Management Incentive Plan.

(d) **Exit Facilities**

On the Effective Date, the Reorganized Debtors shall enter into the Exit Facilities to provide the necessary liquidity for the Reorganized Debtors, the terms of which will be set forth in the Exit Facility Documents, without the need for any further corporate action and without further action by the holders of Claims or Interests. Confirmation of the Plan shall be deemed approval of the Exit Facilities and the Exit Facility Documents, if applicable, and all transactions contemplated thereby, including, without limitation, any supplemental or additional syndication of the Exit Facilities, and all actions to be taken, undertakings to be made, and obligations to be incurred by the Reorganized Debtors in connection therewith, including the payment of all fees, indemnities, and expenses provided for therein, and authorization of the Reorganized Debtors to enter into and execute the Exit Facility Documents and such other documents as may be required to effectuate the treatment afforded by the Exit Facilities, if applicable.

1.3 **Classified Claims and Interests**

(a) **Classified Claims and Interests Summary**

The Plan establishes a comprehensive classification of Claims and Interests. The table below summarizes the classification, treatment, and projected recoveries of the Claims and Interests, by Class, under the Plan.

(b) **Subordinated Claims**

The allowance, classification, and treatment of all Allowed Claims and Allowed Interests and the respective distributions and treatments under the Plan take into account and conform to the relative priority and rights of the Claims and Interests in each Class in connection with any contractual, legal, and equitable subordination rights relating thereto, whether arising under general principles of equitable subordination, section 510(b) of the Bankruptcy Code, or otherwise. Pursuant to section 510 of the Bankruptcy Code, the Reorganized Debtors reserve the right to re-classify any Allowed Claim or Allowed Interest in accordance with any contractual, legal, or equitable subordination relating thereto.

(c) **Confirmation Pursuant to Section 1129(b) of the Bankruptcy Code**

The Debtors shall seek Confirmation of the Plan pursuant to section 1129(b) of the Bankruptcy Code with respect to any rejecting Class of Claims or Interests. The Debtors, with the consent of the Requisite Consenting Term Lenders, reserve the right to modify the Plan in accordance with Section 12.5 of the Plan to the extent, if any, that Confirmation pursuant to section 1129(b) of the Bankruptcy Code requires modification of the Plan, including by modifying the treatment applicable to a Class of Claims or Interests to render such Class of Claims or Interests Unimpaired to the extent permitted by the Bankruptcy Code and the Bankruptcy Rules.

1.4 Liquidation Analysis

The Debtors believe that the Plan provides the same or a greater recovery for holders of Allowed Claims and Allowed Interests as would be achieved in a liquidation under chapter 7 of the Bankruptcy Code. This belief is based on a number of considerations, including: (a) the absence of a robust market for the sale of the Debtors' assets and services in which such assets and services could be marketed and sold; and (b) the additional Administrative Claims generated by conversion to a chapter 7 case and any related costs in connection with a chapter 7 liquidation.

The Debtors, with the assistance of AP Services LLC ("AlixPartners"), have prepared an unaudited liquidation analysis, which is attached hereto as **Exhibit C** (the "Liquidation Analysis"), to assist holders of Claims and Interests in evaluating the Plan. The Liquidation Analysis compares the projected recoveries that would result from the liquidation of the Debtors in a hypothetical case under chapter 7 of the Bankruptcy Code with the estimated distributions to holders of Allowed Claims and Allowed Interests under the Plan. The Liquidation Analysis is based on the value of the Debtors' assets and liabilities as of a certain date and incorporates various estimates and assumptions, including a hypothetical conversion to a chapter 7 liquidation as of a certain date. Further, the Liquidation Analysis is subject to potentially material changes, including with respect to economic and business conditions and legal rulings. Therefore, the actual liquidation value of the Debtors could vary materially from the estimate provided in the Liquidation Analysis.

1.5 Valuation Analysis

AlixPartners, at the request of the Debtors, has performed an analysis, a summary of which is attached hereto as **Exhibit D**, of the estimated implied value of the Debtors on a hypothetical enterprise valuation on a going-concern basis as of the Effective Date (the "Valuation Analysis"). The Summary of the Valuation Analysis, including the procedures followed, assumptions made, qualifications, and limitations on review undertaken described therein, should be read in conjunction with Article VII of this Disclosure Statement, entitled "Certain Factors To Be Considered." The Valuation Analysis is based on data and information as of December 31, 2017. AlixPartners makes no representations as to changes to such data and information that may have occurred since the date of the Valuation Analysis.

1.6 Financial Information and Projections

In connection with the planning and development of the Plan, the Debtors, with the assistance of their advisors, prepared projections for the fiscal years 2018, 2019, and 2020, including management’s assumptions related thereto, which are attached hereto as **Exhibit B**, to present the anticipated impact of the Plan. For purposes of the financial projections, the Debtors have assumed an Effective Date of March 30, 2018. The projections assume that the Plan will be implemented in accordance with its stated terms. The Debtors are unaware of any circumstances as of the date of this Disclosure Statement that would require the re-forecasting of the projections due to a material change in the Debtors’ prospects.

The projections are based on forecasts of key economic variables and may be significantly impacted by, among other factors, changes in the competitive environment, regulatory changes, and/or a variety of other factors, including the factors listed in this Disclosure Statement. Accordingly, the estimates and assumptions underlying the projections are inherently uncertain and are subject to significant business, economic, and competitive uncertainties. Therefore, such projections, estimates, and assumptions are not necessarily indicative of current values or future performance, which may be significantly less or more favorable than set forth herein. The projections should be read in conjunction with the assumptions, qualifications, and explanations set forth in this Disclosure Statement and other financial information.

ARTICLE II

VOTING PROCEDURES AND REQUIREMENTS

2.1 Classes Entitled to Vote on the Plan

The following Class is entitled to vote to accept or reject the Plan (the “Voting Class”):

<u>Class</u>	<u>Claim or Interest</u>	<u>Status</u>
3	First Lien Term Loan Claims	Impaired

If your Claim or Interest is not included in the Voting Class, you are not entitled to vote and you have not received a Solicitation Package, including a ballot setting forth detailed voting instructions. If your Claim is included in the Voting Class, you should read your ballot and carefully follow the instructions included in the ballot. Please use only the ballot that accompanies this Disclosure Statement or the ballot that the Debtors, or the Solicitation Agent on behalf of the Debtors, otherwise provided to you.

2.2 Votes Required for Acceptance by a Class

Acceptance by a class of claims requires an affirmative vote of more than one-half in number of the total allowed claims that have voted and an affirmative vote of at least two-thirds in dollar amount of the total allowed claims that have voted.

2.3 Certain Factors to Be Considered Prior to Voting

There are a variety of factors that all holders of Claims entitled to vote on the Plan should consider prior to voting to accept or reject the Plan. These factors may impact recoveries under the Plan and include:

- unless otherwise specifically indicated, the financial information contained in this Disclosure Statement has not been audited and is based on an analysis of data available at the time of the preparation of the Plan and this Disclosure Statement;
- although the Debtors believe that the Plan complies with all applicable provisions of the Bankruptcy Code, the Debtors can neither assure such compliance nor that the Bankruptcy Court will confirm the Plan;
- the Debtors may request Confirmation without the acceptance of all Impaired Classes in accordance with section 1129(b) of the Bankruptcy Code; and
- any delays of either Confirmation or Consummation could result in, among other things, increased Administrative Claims and Professional Claims.

While these factors could affect distributions available to holders of Allowed Claims under the Plan, the occurrence or impact of such factors will not necessarily affect the validity of the vote of the Voting Class or necessarily require a re-solicitation of the votes of holders of Claims in the Voting Class.

For a further discussion of risk factors, please refer to Article VII, entitled “Certain Factors to Be Considered,” of this Disclosure Statement.

2.4 Classes Not Entitled To Vote on the Plan

Under the Bankruptcy Code, holders of claims and interests are not entitled to vote if their contractual rights are unimpaired by the proposed plan or if they will receive no property under the plan. Accordingly, the following Classes of Claims and Interests are not entitled to vote to accept or reject the Plan:

Class	Claim or Interest	Status	Voting Rights
1	Other Priority Claims	Unimpaired	Deemed to Accept
2	Other Secured Claims	Unimpaired	Deemed to Accept
4	Second Lien Term Claims	Impaired	Deemed to Reject
5	General Unsecured Claims	Impaired	Deemed to Reject
6	Section 510(b) Claims	Impaired	Deemed to Reject
7	Holdings Interests	Impaired	Deemed to Reject
8	Other Debtor Interests	Unimpaired	Deemed to Accept

2.5 Solicitation Procedures

THE DISCUSSION OF THE SOLICITATION PROCEDURES SET FORTH IN THIS DISCLOSURE STATEMENT IS ONLY A SUMMARY.

PLEASE REFER TO THE DISCLOSURE STATEMENT ORDER FOR A MORE COMPREHENSIVE DESCRIPTION OF THE SOLICITATION AND VOTING PROCESS. IN THE EVENT OF ANY INCONSISTENCY BETWEEN THE DESCRIPTION IN THIS DISCLOSURE STATEMENT AND THE DISCLOSURE STATEMENT ORDER, THE DISCLOSURE STATEMENT ORDER CONTROLS.

(a) **Solicitation Agent**

The Debtors have retained Donlin, Recano and Company, Inc. to act, among other things, as the Solicitation Agent in connection with the solicitation of votes to accept or reject the Plan.

(b) **Solicitation Package**

The following materials constitute the solicitation package (the “Solicitation Package”) distributed to holders of Claims in the Voting Class:

- the Debtors’ cover letter in support of the Plan;
- a ballot and associated voting instructions, together with a pre-addressed, postage pre-paid return envelope;
- the Disclosure Statement Order (without exhibits except the Solicitation and Voting Procedures);
- the notice of the Confirmation Hearing; and

- this Disclosure Statement and all exhibits hereto, including the Plan and all exhibits thereto.

(c) **Distribution of the Solicitation Package and Plan Supplement**

The Debtors will mail, or cause to be mailed, the Solicitation Package to all holders of Claims in the Voting Class within seven (7) days after entry of the Disclosure Statement Order by the Bankruptcy Court. The Solicitation Package will provide the Plan, the Disclosure Statement, and the Disclosure Statement Order (without exhibits except the Solicitation and Voting Procedures) in electronic format (i.e., CD-ROM or flash drive format), and all other contents of the Solicitation Package, including Ballots, will be provided in paper format.

The Debtors also will serve, or cause to be served, all of the materials in the Solicitation Package (*excluding* a ballot) on the U.S. Trustee.

No later than seven (7) days before the Voting Deadline, the Debtors intend to file the Plan Supplement. If the Plan Supplement is updated or otherwise modified, such modified or updated documents will be made available on the Debtors' restructuring website.

2.6 Voting Procedures

February 14, 2018 (the "Voting Record Date") was the date used for determining which holders of Claims are entitled to vote to accept or reject the Plan and receive the Solicitation Package in accordance with the solicitation procedures. Except as otherwise set forth herein, the Voting Record Date and all of the Debtors' solicitation and voting procedures shall apply to all of the Debtors' claimholders, interest holders, and other parties in interest.

In order for the holder of a Claim in the Voting Class to have such holder's ballot counted as a vote to accept or reject the Plan, such holder's ballot must be properly completed, executed, and delivered as per the instructions on the ballot, so that such holder's ballot is actually received by the Solicitation Agent **on or before the Voting Deadline, i.e. March 21, 2018 at 4:00 p.m. prevailing Eastern Time.**

BALLOTS ARE ONLY BEING SOLICITED FROM HOLDERS OF CLASS 3 CLAIMS AS OF THE VOTING RECORD DATE. IF A BALLOT IS RECEIVED AFTER THE VOTING DEADLINE, IT WILL NOT BE COUNTED UNLESS THE DEBTORS DETERMINE OTHERWISE.

ANY BALLOT THAT IS PROPERLY EXECUTED BY THE HOLDER OF A CLAIM BUT THAT DOES NOT CLEARLY INDICATE AN ACCEPTANCE OR A REJECTION OF THE PLAN OR ANY BALLOT THAT INDICATES BOTH AN ACCEPTANCE AND A REJECTION OF THE PLAN WILL NOT BE COUNTED FOR PURPOSES OF ACCEPTING OR REJECTING THE PLAN.

EACH HOLDER OF A CLAIM MUST VOTE ALL OF ITS CLAIMS WITHIN A PARTICULAR CLASS EITHER TO ACCEPT OR REJECT THE PLAN AND MAY NOT

SPLIT SUCH VOTES. BY SIGNING AND RETURNING A BALLOT, EACH HOLDER OF A CLAIM WILL CERTIFY TO THE BANKRUPTCY COURT AND THE DEBTORS THAT NO OTHER BALLOTS WITH RESPECT TO SUCH CLASS OF CLAIMS HAVE BEEN CAST OR, IF ANY OTHER BALLOTS HAVE BEEN CAST WITH RESPECT TO SUCH CLASS OF CLAIMS, SUCH OTHER BALLOTS INDICATED THE SAME VOTE TO ACCEPT OR REJECT THE PLAN. IF A HOLDER CASTS MULTIPLE BALLOTS WITH RESPECT TO THE SAME CLASS OF CLAIMS AND THOSE BALLOTS ARE IN CONFLICT WITH EACH OTHER, THE LAST PROPERLY EXECUTED BALLOT TIMELY RECEIVED WILL BE DEEMED TO REFLECT THAT HOLDER'S INTENT AND WILL SUPERSEDE AND REVOKE ANY PRIOR RECEIVED BALLOT.

IT IS IMPORTANT THAT THE HOLDER OF A CLAIM IN THE VOTING CLASS FOLLOW THE SPECIFIC INSTRUCTIONS PROVIDED ON SUCH HOLDER'S BALLOT AND THE ACCOMPANYING INSTRUCTIONS.

ARTICLE III

BUSINESS DESCRIPTION

3.1 Corporate Overview and Organizational Structure

The Company is a leading wholesale distributor, designer, manufacturer, retailer, and marketer of aftermarket parts, apparel, and accessories for the powersports industry. The powersports industry is a subset of the broader motorsports industry and consists of vehicles such as motorcycles, all-terrain vehicles, "side-by-sides" or utility terrain vehicles, and snowmobiles, among others.

The Company developed through organic growth and a series of strategic acquisitions. Most recently, in March 2014, Motorsports Aftermarket Group, Inc. ("MAG") and Tucker Rocky Corporation, Inc. ("Tucker Rocky") entered into a definitive agreement to pursue a business combination. The merger of MAG and Tucker Rocky was expected to create a leading vertically-integrated platform in the aftermarket powersports industry with a diversified group of product offerings through both owned and distributed brands. Prior to the merger, Tucker Rocky, a leader in wholesale distribution of aftermarket parts, apparel, and accessories for the powersports industry, was fully owned by LDI, Ltd. ("LDI"), while MAG, a leading independent designer, manufacturer, retailer, and marketer of branded aftermarket powersports parts and accessories, was a portfolio company of Leonard Green & Partners ("Leonard Green"). LDI and Leonard Green continue to own the majority of the equity in Holdings, the ultimate parent of all of the Debtors, subsequent to the merger, and the Company is able to leverage these relationships to obtain favorable economic terms under certain key contracts.

The Company achieves substantial efficiencies and competitive advantages by maintaining a diversified, vertically-integrated platform of brands, distributors, and retailers. The Debtors achieve these synergies through the integrated operation of three separate business divisions.

The “Brands” division designs, manufactures, sources, and markets finished goods and apparel under a variety of brand names that are market leaders in multiple business segments. The Brands division manufactures its high ticket, larger technical items and sources smaller components, relying on on-site product design and engineering and a non-unionized workforce to achieve key competitive advantages. The Brands division sells its branded products to OEM’s, retailers and distributors, including to Tucker Rocky, in the Company’s own Distribution division. Some of the key brands in the Brands division include Kuryakyn, a market leader in chrome parts, electronics, luggage, exhaust, performance parts and windscreens for cruisers; Vance & Hines, the market leader in V-Twin exhaust parts and accessories; Mustang, the market leader in hand-crafted seats for cruiser motorcycles; Performance Machine, the market leader for high-end custom motorcycle wheels, brakes, and related accessories; and Progressive Suspension, the market leader in cruiser and touring suspension.

The “Distribution” division purchases branded products and distributes them to a network of over 10,000 dealers for retail sale. The Distribution division is the second largest U.S. wholesale distributor of aftermarket parts, apparel, and accessories in the powersports industry and the leading distributor in the “Metric” motorcycle segment, with approximately 20 percent market share.

The Company’s dealer network includes franchise dealers (such as Harley Davidson), traditional retail dealers, independent dealers (typically service shops), and e-commerce dealers. The Distribution division offers these dealers over 100,000 “SKUs” from a portfolio of more than 600 brands. The offerings include goods purchased from the Company’s own Brands division, goods purchased from third parties and repackaged by Tucker Rocky as “private label” brands, and third-party brands with strong brand equity. The third-party brands tend to be leaders in their respective market segments, such as Dunlop (tires), Bridgestone/Firestone (tires), Arai (helmets), Cobra (exhausts and accessories), and Yuasa (batteries). Brands from the Company’s Brands division are responsible for approximately 20% of the Distribution division’s sales, Tucker Rocky private label brands are responsible for approximately 10% of such sales, and third-party brands are responsible for the balance of such sales.

The Distribution division leverages six, geographically-diverse supply distribution centers, including a dedicated supply distribution center in Louisville, Kentucky that exclusively serves the Company’s “Retail” division, to quickly ship products and inventory to its customers throughout the U.S., including one-day shipping to approximately two-thirds of the U.S.

The “Retail” division purchases branded finished goods from key distributors, including Tucker Rocky, who offer broad product lines in the motorcycle aftermarket segment. The Company builds demand for these products through online marketing, search engine optimization, and brand equity and then sells them directly to consumers at one of its three physical retail store locations or through its online retail websites, including J&P Cycles (www.jpccycles.com). J&P Cycles is a leading online retailer in the powersports industry and the world’s largest parts and accessories retailer for Harley Davidson and other cruising motorcycles through catalog, online, and physical locations. The Retail division relies heavily on paid advertising on third-party search websites, such as Google, to drive traffic to both its online

websites and its retail locations.

In sum, the Company effectively operates as a “one-stop-shop” for its customers, and customers confidently use its services because of the quality and breadth of the brands, parts, accessories and apparel it provides.

3.5 The Debtors' Prepetition Funded Debt Obligations

As of the Petition Date, the Debtors' Prepetition Debt Obligations totaled approximately \$440 million, comprised of: (a) approximately \$65 million of obligations under the ABL Facility; (b) approximately \$290 million of obligations under the First Lien Term Loan; and (c) approximately \$85 million of obligations under the Second Lien Term Loan.

(a) ABL Facility

On May 14, 2014, the Debtors entered into that certain Credit Agreement by and among the Debtors, as borrowers and guarantors, General Electric Capital Corporation ("GECC"), as administrative agent, and the lenders from time to time party thereto (the "ABL Lenders"), which, as of the Petition Date, provided for a revolving credit facility of up to \$110 million, and letter of credit facilities which provided necessary liquidity and working capital for general corporate matters (the "ABL Facility").

The ABL Facility was secured by first liens on substantially all of the Debtors' personal property, equity holdings and intellectual property rights, subject to the Prepetition Intercreditor Agreement. The ABL Facility accrued interest: (a) for base rate loans, at a flexible rate calculated by reference to the higher of the Federal Funds Rate, the Prime Rate as quoted by the Wall Street Journal, or the Eurocurrency Rate multiplied by the Statutory Reserve Rate plus 1.00%, plus an additional margin which varies based on the excess availability of the credit facility; and (b) for Eurocurrency loans, at a flexible rate calculated by reference to the Eurocurrency Rate multiplied by the Statutory Reserve Rate, payable quarterly.

The ABL Facility matures on May 14, 2019. As of November 15, 2017, the amount drawn, including through the opening of letters of credit, on the ABL Facility amounted to approximately \$65.5 million, with another \$15.6 million remaining in excess availability, which was reduced by a \$15 million block on availability.

As discussed in Article V.1 herein, the ABL Facility was refinanced in full by the DIP ABL Facility.

(b) **First Lien Term Loan**

On May 14, 2014, the Debtors entered into that certain First Lien Credit Agreement by and among the Debtors, as borrowers and guarantors, Credit Suisse A.G. (“Credit Suisse”), as administrative agent, and the lenders from time to time party thereto (the “First Lien Lenders”), pursuant to which the Company incurred approximately \$295 million of initial principal indebtedness (the “First Lien Term Loan”). The First Lien Term Loan accrues interest at a rate calculated by reference to the higher of (a) for base rate loans, at a flexible rate calculated by reference to the higher of (i) the Federal Funds Rate plus 0.50%, (ii) the Prime Rate as set by Credit Suisse, (iii) the Adjusted Eurocurrency Rate for an interest period of 1M beginning on such day plus 1.00%, and (iv) 2.00% per annum; and (b) for Eurocurrency loans, at a flexible rate calculated by reference to the Eurocurrency Rate (to be no less than 1.00% per annum) multiplied by the Statutory Reserve Rate. The First Lien Term Loan matures on May 14, 2021. The First Lien Term Loan is secured by first liens on substantially all of the Debtors’ personal property, equity holdings, and intellectual property rights, subject to the Prepetition Intercreditor Agreement.

(c) **Second Lien Term Loan**

On May 14, 2014, the Debtors entered into that certain Second Lien Credit Agreement by and among the Debtors, as borrowers and guarantors, Credit Suisse A.G. (“Credit Suisse”), as administrative agent, and the lenders from time to time party thereto (the “Second Lien Lenders”), pursuant to which the Company incurred approximately \$85 million of initial principal indebtedness (the “Second Lien Term Loan”). The Second Lien Term Loan accrues interest at the same rate as the First Lien Term Loan. The Second Lien Term Loan matures on May 14, 2022. The Second Lien Term Loan is secured by second liens on substantially all of the Debtors’ personal property, equity holdings, and intellectual property rights, subject to the Prepetition Intercreditor Agreement.

3.6 Directors and Officers

The Debtors’ executive management team includes eight individuals who have substantial industry experience. As of the date of this Disclosure Statement, the Debtors’ officers include: (a) Andrew E. Graves, Chief Executive Officer of Motorsport Aftermarket Group; (b) Antonio Vacchiano, Chief Financial Officer of Motorsport Aftermarket Group; (c) Eric N. Cagle, President of Tucker Rocky (Distribution Group); (d) Zach Parham, President of Retail; (e) Holger Mohr, President of Accessories; (f) Robert Ketchum, General Manager of

Apparel; (g) Christopher Robert Lindstrom, President of Off Road; and (h) Brent R. Daldo, President of Performance Products.

As of the Petition Date, the Debtors' executive management led a team of more than 1,800 employees. Many of those employees are hourly employees, providing the Debtors with significant operational flexibility that enables the Debtors to scale their workforce up and down to meet demand. The Debtors' employees are not represented by a union.

It is anticipated that the Debtors' senior officers as of the Petition Date shall continue to occupy such roles until and upon the Effective Date. In accordance with section 1129(a)(5) of the Bankruptcy Code, the members of the New Board and the officers, directors, and/or managers of each of New Velocity Holdings and the Reorganized Debtors will be identified in the Plan Supplement or before the Confirmation Hearing. The members of the New Board shall consist of seven (7) directors to be determined in accordance with the terms of the Plan and Restructuring Support Agreement. On the Effective Date, the existing officers of the Debtors shall serve in their current capacities for the Reorganized Debtors, except as otherwise provided in the Plan Supplement.

ARTICLE IV

EVENTS LEADING TO THE CHAPTER 11 CASES

4.1 The Company's Liquidity Constraints

The Company's merger of Tucker Rocky and MAG in the middle of 2014 was financed through the Prepetition Debt Obligations, with the idea that growth in the post-recession powersports aftermarket would provide sufficient liquidity to fund both continued expansion of the Company and its debt service obligations. As such, by mid-2014 the Company had approximately \$380 million of first and second lien debt in the aggregate. The Company's capital structure assumed continued growth in the U.S. powersports aftermarket and synergy-driven improvements to both the Debtors' sales and cost structures, which would result in an increase in sales and earnings for the Debtors and allow the Debtors to support their capital structure.

Unfortunately, the U.S. powersports aftermarket instead contracted in the post-business combination years, with the market declining approximately 2% in 2015, 6% in 2016 and 8% in 2017. The impact on the Company's sales as a result of the market decline was significant, with projected 2017 sales being approximately 20% lower than 2014 sales. While there were operational steps taken in an effort to streamline and accommodate the hostile market, the Debtors suffered a significant loss in earnings, as well as the liquidity to fund both their operations and their debt service obligations.

Beginning in 2016, the Debtors began proactive measures to reduce their overall cost structure and adapt to the potential permanent decline in the U.S. powersports aftermarket industry. These actions included, among other things:

- Consolidating multiple stocking locations for the Debtors’ retail business to a single location;
- Optimizing the Debtors’ distribution footprint by eliminating two distribution centers;
- Selling MAG Europe;
- Consolidating V&H manufacturing sites by eliminating one facility;
- Re-organizing the Debtors’ human resources to eliminate redundant positions and reduce the overall size of the workforce; and
- Engaging AlixPartners to work with the Company to reduce the cost of direct and indirect materials and services, as well as improve working capital and business processes.

The impact of these actions has been significant, with the projected annual profit improvement aggregating approximately \$25 million to date, and with an additional \$10 million expected in 2018. Despite these improvements, the Company’s business has continued to suffer as a result of a decline of almost \$175 million in sales in 2017 from 2014 levels. Consequently, the adjusted EBITDA of the Debtors has declined from approximately \$46 million in 2014 to approximately \$20 million projected for 2017. This decline in earnings, coupled with the fixed capital structure and interest and principal payments on the Prepetition Debt Obligations, has resulted in an unsustainable deterioration of the Company’s liquidity.

4.2 The Debtors’ Efforts to Address Liquidity Issues

(a) Retention of Restructuring Advisors

As noted above, in August 2016, facing the challenging business environment and capital structure constraints referenced in the previous section, the Debtors sought external strategic advice and assistance, engaging Proskauer Rose LLP (“Proskauer”) as legal advisor. Concurrently, the Debtors retained AlixPartners to assist the Debtors with certain performance improvement initiatives. AlixPartners’ engagement was expanded by the Debtors in October 2017 to provide a Chief Restructuring Officer and certain other personnel. Since Proskauer and AlixPartners’ engagement, the Debtors and their advisors have engaged the major constituents in their capital structure regarding a value maximizing in-court restructuring.

(b) The Restructuring Support Agreement⁴

As a result of these efforts, the Debtors were able to reach agreement on and finalize the terms of the Restructuring Support Agreement. The Debtors and the persons party to the Restructuring Support Agreement (the “Restructuring Support Agreement Parties”) recognized

⁴ To the extent any summaries and/or descriptions of the relationships of the parties and the terms of the Restructuring Support Agreement herein differ in any way from those contained in the Restructuring Support Agreement, the Restructuring Support Agreement controls.

that a comprehensive restructuring was necessary to deleverage the Debtors' balance sheet to ensure the Debtors' ability to operate as a going concern.

The Restructuring Support Agreement was the product of extensive, arm's-length negotiation among the Restructuring Support Agreement Parties. It provides the framework for a swift restructuring under the Bankruptcy Code and works in tandem with the DIP Facilities to facilitate the Debtors' reorganization as a going concern. The DIP Facilities provide the Debtors with debtor-in-possession financing facilities of up to \$135 million that will provide the Debtors with sufficient capital to administer these Chapter 11 Cases.

The Restructuring Support Agreement provides for the reorganization of the Debtors as a going concern with a deleveraged capital structure and sufficient liquidity to fund the Debtors' postpetition business plan. The key element of the reorganization contemplated by the Restructuring Support Agreement is the elimination of a substantial amount of the Debtors' prepetition funded debt obligations, whereby the First Lien Lenders will become the ultimate common equity owners of the Reorganized Debtors. The Restructuring Support Agreement also provides for the cancellation of all existing equity interests of Holdings. The reorganization contemplated by the RSA will minimize disruption to the Debtors' business on account of these Chapter 11 Cases, send a strong positive message to the Debtors' business partners and the powersports industry generally, and prime the Debtors for success upon emergence.

(c) **Conclusion**

The Debtors believe that the restructuring embodied in the Restructuring Support Agreement and Plan gives them the best opportunity to withstand current adverse market conditions, maintain adequate liquidity for their operations going forward, avoid an enterprise-wide, piecemeal liquidation, and maximize value for the benefit of their stakeholders. Under the terms of the Restructuring Support Agreement and the Plan, the Debtors anticipate emerging from bankruptcy in or around the beginning of the second quarter of 2018. The restructuring contemplated by the Restructuring Support Agreement and the Plan preserves the Debtors' value as a going concern. Consummation of the restructuring contemplated by the Restructuring Support Agreement and Plan will significantly deleverage the Debtors' balance sheet and otherwise has support from a significant majority of the Debtors' stakeholders. The Debtors' negotiation of this result represents a significant achievement against such a challenging market backdrop.

ARTICLE V

ADMINISTRATION OF THE BANKRUPTCY PROCEEDINGS

5.1 First Day Pleadings and Certain Related Relief

(a) **Operational First Day Motions and Orders**

Concurrently with the commencement of the Chapter 11 Cases, the Debtors filed various motions requesting typical chapter 11 relief to assist the Company's transition into bankruptcy.

On November 17, 2017, the Bankruptcy Court authorized the Debtors to, among other things, (i) continue to utilize their centralized cash management system on an interim basis pending a final hearing [ECF No. 43], (ii) pay certain employee wages, payroll taxes and other employee benefits on an interim basis [ECF No. 44], (iii) pay pre-petition sales, use and other taxes on an interim basis [ECF No. 41], (iv) pay the pre-petition claims of certain foreign, section 503(b)(9), and critical trade vendors on an interim basis [ECF No. 46], (v) continue certain insurance coverage on an interim basis [ECF No. 42], (vi) honor certain pre-petition customer obligations and customary trade practices [ECF No. 45], (vii) establish interim procedures to resolve adequate assurance requests for their utility accounts [ECF No. 40], (viii) establish interim procedures governing trading of the Debtors' equity securities [ECF No. 47], and (ix) appoint Donlin, Recano & Company, Inc. as the claims and noticing agent for the Bankruptcy Court [ECF No. 38]. The Debtors received final approval for the foregoing on or around December 12, 2017.

For additional information with respect to the first day pleadings and related relief sought by the Debtors at the beginning of the Chapter 11 Cases, please consult the *Declaration of Anthony Flanagan, Chief Restructuring Officer Of Velocity Holding Company, Inc., In Support Of Chapter 11 Petitions And First Day Motions* [ECF No. 13], which is incorporated herein by reference.

(b) **Post-Petition Financing**

The Debtors also obtained interim and final approval of the DIP Facilities [ECF Nos. 60, 203]. More specifically, the Debtors secured the \$110 million DIP ABL Facility, under which collections were used to pay down the prepetition ABL Facility, which in turn created availability for the Debtors to borrow under the ABL DIP Facility. The Debtors also obtained a \$25 million DIP Term Facility. Together, the DIP Facilities provided approximately \$25 million of additional working capital for the Debtors. Obtaining approval of the DIP Facilities was critical to the Debtors' ability to operate successfully in the Chapter 11 Cases while working to maximize the value of their Estates through the reorganization process.

(c) **Retention, Employment, and Compensation of Professionals**

To assist the Debtors in carrying out their duties as debtors and debtors in possession and to obtain legal representation in their Chapter 11 Cases, on or around December 12, 2017, the Debtors obtained orders approving their retention and employment of certain legal, financial and other professional advisors [ECF Nos. 177] (Donlin, Recano & Company, Inc. as administrative advisor, in addition to its role as claims agent of the Bankruptcy Court), [180] (AP Services LLC to provide a Chief Restructuring Officer ("CRO"), related personnel, and restructuring consulting services), [179] (Cole Schotz P.C. as U.S. bankruptcy co-counsel), and [178] (Proskauer Rose LLP, lead bankruptcy counsel). The Bankruptcy Court also authorized the Debtors to (i) retain and compensate professionals utilized in the ordinary course of business [ECF No. 175] and (ii) establish procedures for interim compensation and reimbursement of expenses for professionals retained in the Chapter 11 Cases [ECF No. 174].

(d) **Non-Insider Bonus Program and Severance Payments**

On December 19, 2017, the Bankruptcy Court entered the *Order Approving Debtors' Key Employee Incentive Plan* [ECF No. 225] (the "KEIP Order"). Pursuant to the KEIP Order, the Bankruptcy Court approved bonus payments of up to approximately \$896,000 in the aggregate for 18 key non-insider employees of the Company (the "Non-Insider Bonus Program"). Of that amount, 50% is designated for payment on the Effective Date, and the remaining 50% is designated for payment six (6) months after the Effective Date, so long as each key employee either (a) remains employed in good standing by the Reorganized Debtors on such date, or (b) was terminated without cause prior to such date. Further details about the Non-Insider Bonus Program may be found in the *Debtors' Motion for Entry of an Order Approving Debtors' Key Employee Incentive Plan* [ECF No. 88].

Pursuant to the KEIP Order, the Bankruptcy Court also conditionally approved potential post-emergence severance arrangements (the "Severance Arrangements") for certain senior management executives, as set forth in the chart below. The senior management executives will be entitled to such severance if, as, and when within six (6) months after the Effective Date, such executive's employment by the Reorganized Debtors is terminated without cause.

Position / Title	Severance Payment Amount
Chief Executive Officer	Twelve (12) months' current salary, plus annual target bonus (in amounts as set forth in the applicable current employment agreement)
Chief Financial Officer	Six (6) months' current salary (as set forth in the applicable current employment agreement)
President (Ed Tucker Distributor)	Twelve (12) months' current salary (as set forth in the applicable current employment agreement)
President (J&P Cycles)	Six (6) months' current salary (as set forth in the applicable current employment agreement)
President (Kuryakyn)	Six (6) months' current salary
General Manager, MAG Apparel (MAGnet Force)	Six (6) months' current salary
President (Off Road)	Nine (9) months' current salary (as set forth in the applicable current employment agreement)
President (Vance & Hines)	Twelve (12) months' current salary (as set forth in the applicable current employment agreement)

The Debtors will seek unconditional approval of the Severance Arrangements in connection with Confirmation.

(e) **Procedural and Administrative Motions**

To facilitate the efficient administration of the Chapter 11 Cases and to reduce the administrative burden associated therewith, the Debtors also filed and received authorization to implement several procedural and administrative motions. In November and December, 2017, the Bankruptcy Court entered Orders that, among other things, (i) authorized the joint administration of the Chapter 11 Cases [ECF No. 37]; (ii) extended the time during which the Debtors may file certain schedules of assets and liabilities, schedules of executory contracts and unexpired leases, and statements of financial affairs, the filing of which are required under section 521 of the Bankruptcy Code [ECF No. 173]; and (iii) allowed the Debtors to prepare a list of creditors in lieu of submitting a formatted mailing matrix [ECF No. 39].

On January 22, 2018, the Bankruptcy Court entered Orders (i) establishing bar dates for filing proofs of claim against the Debtors in the Chapter 11 Cases and approving the form and manner of notice thereof [ECF No. 347]; and (ii) authorizing the Debtors to (a) reject certain unexpired leases of non-residential real property (the “Leases”), including any amendments or modifications thereto; (b) reject certain related unexpired subleases of non-residential real property (the “Subleases”), including any amendments or modifications thereto; and (c) abandon any personal property that remains on the premises subject to the Leases or Subleases [ECF No. 348].

Additionally, on January 24, 2018, the Debtors filed a motion seeking entry of an order enlarging the time period within which the Debtors may remove certain pending proceedings pursuant to 28 U.S.C. § 1452 and Bankruptcy Rule 9027 [ECF No. 353].

5.2 Committee of Unsecured Creditors

On November 27, 2017, the Office of the United States Trustee for the District of Delaware (the “U.S. Trustee”) appointed a statutory committee of unsecured creditors pursuant to section 1102 of the Bankruptcy Code (the “Committee”). Like the Debtors, the Committee is a fiduciary tasked with maximizing the value of the Debtors’ Estates, and has retained attorneys and other advisors to assist it.

Following the appointment of the Committee, the Committee’s professionals engaged in an investigation of the Debtors and their businesses. In an effort to facilitate these investigations, with a view towards streamlining the administration of the Chapter 11 Cases and obtaining as much relief on a consensual basis as possible, the Debtors devoted significant resources to assisting the Committee in this process. Specifically, the Debtors engaged in informal discovery with the Committee including informational conference calls, document production, and the continued updating and maintenance of a data room. This informal discovery process required investments of time and resources by the Debtors, including by members of the Debtors’ senior management and the Debtors’ advisors.

On January 5, 2018, the Bankruptcy Court entered Orders [ECF Nos. 271, 272, and 273] authorizing the Committee’s retention of (i) Foley & Lardner LLP as counsel, (ii) Province, Inc. as Financial Advisor, and (iii) Whiteford, Taylor & Preston LLC as Delaware co-counsel.

5.3 Filing of Schedules of Assets and Liabilities and Statements of Financial Affairs

On January 16, 2018, the Debtors filed the Schedules of Assets and Liabilities and Statements of Financial Affairs for each of the 19 individual Debtors in the Chapter 11 Cases.

ARTICLE VI

OTHER KEY ASPECTS OF THE PLAN

6.1 Distributions

One of the key concepts under the Bankruptcy Code is that only claims and interests that are “allowed” may receive distributions under a chapter 11 plan. This term is used throughout the Plan and the descriptions below. In general, an Allowed Claim or Interest means that the Debtors agree, or if there is a dispute, the Bankruptcy Court determines, that the Claim or Interest, and the amount thereof, is in fact a valid obligation of or Interest in the Debtors.

(a) **Distributions on Account of Claims and Interests Allowed as of the Effective Date**

Except as otherwise provided in the Plan, any distributions and deliveries to be made under the Plan shall be made on the Effective Date or as otherwise determined in accordance with the Plan, including, without limitation, the treatment provisions of Article IV of the Plan, or as soon as practicable thereafter; provided, that, the Reorganized Debtors may implement periodic distribution dates to the extent they determine them to be appropriate.

(b) **Rights and Powers of Disbursing Agent**

(1) **Exculpation of the Disbursing Agent**

From and after the Effective Date, the Disbursing Agent, solely in its capacity as Disbursing Agent, shall be exculpated by all Persons, including, without limitation, holders of Claims against and Interests in the Debtors and other parties in interest, from any and all Claims, Causes of Action, and other assertions of liability arising out of the discharge of the powers and duties conferred upon such Disbursing Agent by the Plan or any order of the Bankruptcy Court entered pursuant to or in furtherance of the Plan, or applicable law, except for actions or omissions to act arising out of the gross negligence or willful misconduct, fraud, malpractice, criminal conduct, or *ultra vires* acts of such Disbursing Agent. No holder of a Claim or Interest or other party in interest shall have or pursue any claim or Cause of Action against any Disbursing Agent, solely in its capacity as Disbursing Agent, for making payments or distributions in accordance with the Plan or for implementing provisions of the Plan, except for actions or omissions to act arising out of the gross negligence or willful misconduct, fraud, malpractice, criminal conduct, or *ultra vires* acts of such Disbursing Agent.

(2) **Powers of the Disbursing Agent**

The Disbursing Agent shall be empowered to (i) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under the Plan, (ii) make all distributions contemplated hereby, and (iii) exercise such other powers as may be vested in the Disbursing Agent by order of the Bankruptcy Court, pursuant to the Plan, or as deemed by the Disbursing Agent to be necessary and proper to implement the provisions hereof.

(c) **Distribution Record Date**

As of the close of business on the Effective Date, the various transfer registers for each of the Classes of Claims or Interests as maintained by the Debtors or their respective agents, shall be deemed closed, and there shall be no further changes in the record holders of any of the Claims or Interests. The Debtors or the Reorganized Debtors shall have no obligation to recognize any transfer of the Claims or Interests occurring on or after the Effective Date. In addition, with respect to payment of any Cure Amounts or Cure Disputes over any Cure Amounts, neither the Debtors, the Reorganized Debtors, nor the Disbursing Agent shall have any obligation to recognize or deal with any party other than the non-Debtor party to the applicable Executory Contract as of the Effective Date, even if such non-Debtor party has sold, assigned, or otherwise transferred its Claim for a Cure Amount.

(d) **Disputed Claims**

(1) **Special Rules for Disputed Claims**

Notwithstanding any provision to the contrary in the Plan and except as otherwise agreed by the relevant parties: (a) no partial payments and no partial distributions shall be made with respect to a Disputed Claim or Disputed Interest until all such disputes in connection with such Disputed Claim or Disputed Interest have been resolved by settlement or Final Order; and (b) any Person that holds both (i) an Allowed Claim or Allowed Interest and (ii) a Disputed Claim or Disputed Interest, shall not receive any distribution on the Allowed Claim or Allowed Interest unless and until all objections to the Disputed Claim or Disputed Interest have been resolved by settlement or Final Order or the Disputed Claims and/or Disputed Interests have been Allowed or expunged. Any dividends or other distributions arising from property distributed to holders of Allowed Claims or Allowed Interests in a Class and paid to such holders under the Plan shall also be paid, in the applicable amounts, to any holder of a Disputed Claim or Disputed Interest in such Class that becomes an Allowed Claim or Allowed Interest, after the date such Disputed Claim or Disputed Interest becomes an Allowed Claim or Allowed Interest and after the date or dates that such dividends or other distributions were earlier paid to holders of Allowed Claims or Allowed Interests in such Class.

(2) **Establishment of Disputed Claims Reserve**

On the Effective Date or as soon thereafter as is reasonably practicable, the Reorganized Debtors shall set aside and reserve, for the benefit of each holder of a Disputed Administrative Expense Claim, Disputed Priority Tax Claim, Disputed Other Priority Claim, and Disputed Other

Secured Claim, Cash in an amount equal to (i) the amount of such Claim as estimated by the Bankruptcy Court pursuant to an Estimation Order, (ii) if no Estimation Order has been entered with respect to such Claim, (A) the amount listed in the Schedules or (B) if a timely filed proof of claim or application for payment has been filed with the Bankruptcy Court or Claims Agent, as applicable, the amount set forth in such timely filed proof of claim or application for payment, as applicable. The Reorganized Debtors, in their reasonable discretion, may increase the amount reserved as to any particular Disputed Claim. Such reserved amounts, collectively, shall constitute the “Disputed Claims Reserve.”

(3) **Plan Distributions to Holders of Subsequently Allowed Claims**

To the extent that a Disputed Claim ultimately becomes an Allowed Claim, the Disbursing Agent will make distributions or payments from the Disputed Claims Reserve. The Disbursing Agent shall distribute in respect of such newly Allowed Claims the distributions under the Plan to which holders of such Claims would have been entitled under the Plan if such newly Allowed Claims were fully or partially Allowed, as the case may be, on the Effective Date.

(4) **Distribution of Reserved Plan Consideration Upon Disallowance**

To the extent any Disputed Administrative Expense Claim, Disputed Priority Tax Claim, Disputed Other Priority Claim, or Disputed Other Secured Claim becomes Disallowed in full or in part (in accordance with the procedures set forth in the Plan), any Plan Consideration held by the Reorganized Debtors on account of, or to pay, such Disputed Claim shall become the sole and exclusive property of Reorganized Pooling or its successors or assigns.

(e) **No Interest**

Except for DIP Claims and, as applicable, Other Secured Claims, interest shall not accrue or be paid on any Claims on or after the Petition Date. DIP Claims and, as applicable, Other Secured Claims shall accrue and be paid interest in accordance with the terms set forth in the agreements governing the DIP Claims and, as applicable, the Other Secured Claims.

6.2 Restructuring Transactions

Subject to entry of the Confirmation Order, prior to the Effective Date, without the need for any further corporate or limited liability company action or approval of any board of directors, board of managers, members, shareholders or officers of any Debtor or Reorganized Debtor, as applicable, the Debtors or Reorganized Debtors shall take, or cause to be taken, all actions necessary or, in the judgment of the Requisite Consenting Term Lenders, appropriate to consummate and implement the provisions of the Plan (including as described in the Description of Structure), including such actions as may be necessary or appropriate to effectuate a corporate restructuring of their respective businesses (whether for tax purposes or otherwise), to simplify the overall corporate structure of the Debtors, to convert certain of the Debtors into limited liability companies and/or corporations (as applicable), to reincorporate certain of the Debtors under the laws of jurisdictions other than the laws of which the applicable Debtors are presently

incorporated, to issue intercompany equity, to transfer, assign, assume and/or delegate (as applicable) any cash, assets, properties, securities, contracts, rights, liabilities or obligations of any of the Debtors to or from (as applicable) any of the other Debtors, or to change the classification of any of the Debtors for United States federal income tax purposes. Such restructuring may include one or more mergers, consolidations, restructures, dispositions, liquidations or dissolutions, creations of one or more new Persons, or the making of any tax classification elections, in each case, as may be determined by the Debtors or Reorganized Debtors, with the consent of the Requisite Consenting Term Lenders, to be necessary or appropriate (collectively, the “Restructuring Transactions”). The timing, form, and substance of the Restructuring Transactions shall be satisfactory to the Requisite Consenting Term Lenders. The material anticipated Restructuring Transactions will be summarized in the Description of Structure, and, in all cases, such Restructuring Transactions shall be subject to the terms and conditions of the Plan and the Restructuring Documents and any consents or approvals required thereunder.

During the period from the Confirmation Date through and until the Effective Date, the Debtors may continue to operate their businesses as Debtors In Possession, subject to all applicable orders of the Bankruptcy Court, the Bankruptcy Code, and any limitations set forth in the Plan or in the Confirmation Order, the DIP Credit Documents, the DIP Orders, and the Restructuring Support Agreement.

6.3 New Operating Agreement

On the Effective Date, Reorganized Pooling and all of the holders of Claims and other Persons to receive New Common Units under the Plan shall be deemed to be parties to, and bound by, the New Operating Agreement, which shall be on terms consistent with the Corporate Governance Term Sheet, without the need for execution thereof by any such holder or other Person. It shall be an express condition to the right of a holder of an Allowed Claim or any other Person to receive New Common Units under the Plan that such holder or other Person execute and deliver to Reorganized Pooling a counterpart signature page to the New Operating Agreement. Notwithstanding anything herein to the contrary, each holder of New Common Units (whether such holder received New Common Units on the Effective Date or after the Effective Date (including receipt of New Common Units upon exercise of New Warrants or otherwise)) shall be deemed to have accepted the terms of the New Operating Agreement and to be parties thereto and bound by the provisions thereof, all without further action or signature. The New Operating Agreement shall be effective as of the Effective Date and, as of such date, shall be deemed to be valid, binding, and enforceable in accordance with its terms, and each holder of New Common Units shall be bound thereby even if such holder has not actually executed and delivered a counterpart thereof.

6.4 Insurance Policies

Notwithstanding anything in the Plan to the contrary, all of the Debtors’ insurance policies and any agreements, documents or instruments relating thereto, are treated as and deemed to be Executory Contracts under the Plan. On the Effective Date, the Debtors shall be deemed to have assumed all insurance policies and any agreements, documents, and instruments

related thereto. Unless otherwise determined by the Bankruptcy Court prior to the Effective Date, or agreed to by the parties thereto prior to the Effective Date, no payments shall be required to cure any defaults (if any) of the Debtors existing as of the Effective Date with respect to each such insurance policy or agreement, and to the extent that the Bankruptcy Court determines otherwise as to any such insurance policy or agreement, the Debtors' rights to seek the rejection of such insurance policy or agreement or other available relief within thirty (30) days after such determination are fully reserved; provided, however, that the rights of any party that issues an insurance policy or agreement to object to such proposed rejection on any and all grounds are fully reserved. Nothing in the Plan, the Restructuring Documents, the Plan Supplement or the Confirmation Order (a) alters, modifies or otherwise amends the terms and conditions of (or the coverage provided by) any of the insurance policies or agreements, (b) limits the Reorganized Debtors from asserting a right or claim to the proceeds of any insurance policy or agreement that insures any Debtor, was issued to any Debtor or was assumed by the Reorganized Debtors by operation of the Plan or (c) impairs, alters, waives, releases, modifies or amends any of the Debtors' or Reorganized Debtors' legal, equitable or contractual rights, remedies, claims, counterclaims, defenses or Causes of Action in connection with any of such insurance policies or agreements.

The Debtors have (i) confirmed that, as of the Restructuring Support Effective Date (as defined in the Restructuring Support Agreement), all Persons who are beneficiaries of indemnification or expense reimbursement or advancement obligations from the Debtors ("Company Indemnitees") are covered under the existing officers' and directors' liability insurance and fiduciary liability insurance policies (the "Existing Insurance Policies") provided by LDI or its Affiliates, and (ii) received reasonable assurances from LDI that all Company Indemnitees will remain covered under the Existing Insurance Policies following the Effective Date, with no costs to the Debtors, with an available limit on liability that is no less than, a retention or deductible that is no greater than, and containing such other terms and conditions that are no less favorable than, the limit, retention or deductible or such other terms and conditions set forth in the Existing Insurance Policies as of the Restructuring Support Effective Date.

6.5 Nonoccurrence of Effective Date

In the event that the Effective Date does not occur, the Bankruptcy Court shall retain jurisdiction with respect to any request to extend the deadline for assuming or rejecting Executory Contracts pursuant to section 365(d)(4) of the Bankruptcy Code.

6.6 Release, Injunction, and Related Provisions

Article X of the Plan proposes to release the Released Parties and to exculpate the Exculpated Parties. The Debtors' releases, third-party releases, and exculpation provisions included in the Plan are an integral part of the Debtors' overall restructuring efforts and were an essential element of the negotiations between the Debtors and the Consenting Term Lenders in obtaining their support for the Plan pursuant to the terms of the Restructuring Support Agreement.

All of the Released Parties and the Exculpated Parties have made substantial and valuable contributions to the Debtors' restructuring through efforts to negotiate and implement the Plan, which will maximize and preserve the going-concern value of the Debtors for the benefit of all parties in interest. Accordingly, each of the Released Parties and the Exculpated Parties warrants the benefit of the release and exculpation provisions.

The Debtors believe that the releases and exculpations in the Plan are necessary and appropriate and meet the requisite legal standard promulgated by the United States Court of Appeals for the Third Circuit. Moreover, the Debtors will present evidence at the Confirmation Hearing to demonstrate the basis for and propriety of the release and exculpation provisions.

The Committee believes that the releases are improper for numerous reasons, including because they (a) allow broad releases to third parties other than the Debtors, and (b) purport to release claims of the Debtors' estates without fully disclosing the extent of the Debtors' efforts to identify whether any valuable claims exist, the consideration received by the estates in exchange for releasing such claims, and how the Debtors determined that such consideration was reasonably equivalent in value to the release of such claims. The Committee believes that the Debtors' estates may hold valuable Causes of Action against the Debtors' current and former directors and officers, including Claims for breach of fiduciary duty and other Causes of Action, or against the Debtors' current and former non-Debtor affiliates and equity holders. The Committee currently is investigating such potential Claims and Causes of Action and that investigation remains underway.

The Debtors disagree with the Committee. The Debtors believe that the releases, exculpations, and injunctions set forth in the Plan are appropriate because, among other things: (a) the releases, exculpations, and injunctions are specific; (b) the releases provide closure with respect to prepetition Claims and Causes of Action, which the Debtors determined is a valuable component of the overall restructuring under the circumstances and is integral to the Plan; (c) the releases are a condition to the global settlement and a necessary part of the Plan; and (d) each of the Released Parties and Exculpated Parties has afforded value to the Debtors and aided in the reorganization process, which facilitated the Debtors' ability to propose and pursue confirmation of a value-maximizing restructuring. Further, the releases, exculpations, and injunctions have the support of the vast majority of the only voting creditors, the First Lien Term Loan Claims. The Debtors believe that each of the Released Parties and Exculpated Parties has played an integral role in formulating or enabling the Plan and has expended significant time and resources analyzing and negotiating the issues presented by the Debtors' prepetition capital structure. The Debtors believe the value of any potential Claims or Causes of Action released pursuant to the Plan, particularly in light of potential limitations on such Causes of Action under the applicable corporate organizational documents and applicable law, does not outweigh the substantial benefits of the Restructuring contemplated by the Plan, such as a significantly deleveraged balance sheet and a clean slate free of the costs and distractions of potentially frivolous litigation during the Debtors' sensitive post-emergence period. The Debtors will be prepared to meet their burden to establish the basis for the releases, exculpations, and injunctions for each Released Party and Exculpated Party as part of Confirmation of the Plan.

(a) **Releases by the Debtors**

As of the Effective Date, except (i) for the right to enforce the Plan or any right or obligation arising under the Restructuring Documents that remains in effect or becomes effective after the Effective Date or (ii) as otherwise expressly provided in the Plan or in the Confirmation Order, in exchange for good and valuable consideration, including the obligations of the Debtors under the Plan and the contributions of the Released Parties to facilitate and implement the Plan, on and after the Effective Date, the Released Parties (other than the Debtors and the Reorganized Debtors) shall be deemed conclusively, absolutely, unconditionally, irrevocably and forever released and discharged by the Debtors, the Reorganized Debtors, the Estates and their Affiliates from any and all claims and Causes of Action, including any derivative claims, asserted or assertable on behalf of the Debtors, the Reorganized Debtors, the Estates or their Affiliates, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity or otherwise, that the Debtors, the Reorganized Debtors, the Estates, or their Affiliates would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the holder of any Claim or Interest or other Person, based on or relating to, or in any manner arising from, in whole or in part, the Debtors, the Restructuring, the Chapter 11 Cases, the purchase, sale or rescission of the purchase or sale of any security of the Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between any Debtor and any such Released Party, the restructuring of Claims and Interests before or during the Chapter 11 Cases, the negotiation, formulation, preparation or consummation of the Plan (including the Plan Supplement, including the transactions described in the Description of Structure), the Restructuring Support Agreement, the Restructuring Documents or related agreements, instruments or other documents, the solicitation of votes with respect to the Plan, any settlement or agreement in the Chapter 11 Cases, the offer, issuance, and distribution of any securities issued or to be issued pursuant to the Plan, whether or not such distribution occurs following the Effective Date, negotiations regarding or concerning any of the foregoing, or the administration of the Plan or property to be distributed under the Plan, in all cases based upon any act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date; provided, that, nothing in Section 10.6(a) of the Plan shall be construed to release any party or Person from gross negligence, willful misconduct, or intentional fraud as determined by a Final Order.

(b) **Releases by Holders of Claims and Interests**

As of the Effective Date, except (i) for the right to enforce the Plan or any right or obligation arising under the Restructuring Documents that remains in effect or becomes effective after the Effective Date or (ii) as otherwise expressly provided in the Plan or in the Confirmation Order, in exchange for good and valuable consideration, including the obligations of the Debtors under the Plan and the contributions of the Released Parties to facilitate and implement the Plan, to the fullest extent permissible under applicable law, as such law may be extended or integrated after the Effective Date, the Released Parties shall

be deemed conclusively, absolutely, unconditionally, irrevocably and forever, released, and discharged:

(1) (A) the holders of Unimpaired Claims or Unimpaired Interests; and (B) the holders of Impaired Claims or Impaired Interests except those (i) deemed to reject the Plan or (ii) (x) who voted to reject, or abstained from voting on, the Plan and (y) have also checked the box on the applicable ballot or notice indicating that they opt out of granting the releases provided in the Plan; provided, that, the Consenting Term Lenders may not opt out of granting the releases provided in the Plan in accordance with and subject to the terms and conditions of the Restructuring Support Agreement; and

(2) with respect to any Person in the foregoing clause (1), such Person's predecessors, successors and assigns, Subsidiaries, Affiliates, managed accounts or funds, current or former officers, directors, principals, shareholders, members, partners, employees, agents, advisory board members, financial advisors, attorneys, accountants, investment bankers, consultants, representatives, management companies, fund advisors and other professionals, and such Person's respective heirs, executors, estates, servants and nominees solely in their capacities as such;

in each case, from any and all claims, interests or Causes of Action whatsoever, including any derivative claims asserted or assertable on behalf of a Debtor, a Reorganized Debtor, an Estate or their Affiliates, whether known or unknown, foreseen or unforeseen, existing or hereafter arising, in law, equity or otherwise, that such Person would have been legally entitled to assert in its own right (whether individually or collectively) or on behalf of the holder of any Claim or Interest or other Person, based on, relating to, or in any manner arising from, in whole or in part, the Debtors, the Restructuring, the Chapter 11 Cases, the purchase, sale or rescission of the purchase or sale of any security of the Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between any Debtor and any other Released Party, the restructuring of Claims and Interests before or during the Chapter 11 Cases, the negotiation, formulation, preparation, or consummation of the Plan (including the Plan Supplement, including the transactions described in the Description of Structure), the Restructuring Support Agreement, the Restructuring Documents, or any related agreements, instruments, or other documents, the solicitation of votes with respect to the Plan, any settlement or agreement in the Chapter 11 Cases, the offer, issuance, and distribution of any securities issued or to be issued pursuant to the Plan, whether or not such distribution occurs following the Effective Date, negotiations regarding or concerning any of the foregoing, or the administration of the Plan or property to be distributed under the Plan, in all cases based upon any act or omission, transaction, agreement, event or other occurrence taking place on or before the Effective Date; provided, that, nothing in Section 10.6(b) of the Plan shall be construed to release the Released Parties from gross negligence, willful misconduct, or intentional fraud as determined by a Final Order.

(c) **Exculpation**

Notwithstanding anything in the Plan to the contrary, on the Confirmation Date and effective as of the Effective Date, and to the maximum extent permitted by applicable law, the Exculpated Parties shall neither have nor incur any liability to any holder of a Claim or Interest or any other party in interest, or any of their respective predecessors, successors and assigns, Subsidiaries, Affiliates, managed accounts or funds, current or former officers, directors, managers, principals, shareholders, members, partners, employees, agents, advisory board members, financial advisors, attorneys, accountants, investment bankers, consultants, representatives, management companies, fund advisors and other professionals, and such Person's respective heirs, executors, estates, servants or nominees for any act or omission (both prior to and subsequent to the Petition Date) in connection with, related to, or arising out of, in whole or in part, the Debtors, the Restructuring, the Chapter 11 Cases, the purchase, sale or rescission of the purchase or sale of any security of the Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between any Debtor and any other Exculpated Party, the restructuring of Claims and Interests before or during the Chapter 11 Cases, the negotiation, formulation, preparation, or consummation of the Plan (including the Plan Supplement, including the transactions described in the Description of Structure), the Restructuring Support Agreement, the Restructuring Documents, or any related agreements, instruments, or other documents, the solicitation of votes with respect to the Plan, any settlement or agreement in the Chapter 11 Cases, the offer, issuance, and distribution of any securities issued or to be issued pursuant to the Plan, whether or not such distribution occurs following the Effective Date, negotiations regarding or concerning any of the foregoing, or the administration of the Plan or property to be distributed under the Plan, except for actions determined by a Final Order to constitute gross negligence, willful misconduct, or intentional fraud.

(d) **Injunction**

Upon entry of the Confirmation Order, all holders of Claims and Interests and other parties in interest, along with their respective present or former employees, agents, officers, directors, managers, principals, and affiliates, shall be enjoined from taking any actions to interfere with the implementation or consummation of the Plan.

Except as expressly provided in the Plan, the Confirmation Order, or a separate order of the Bankruptcy Court or as agreed to by the Debtors (with the consent of the Requisite Consenting Term Lenders) and a holder of a Claim against or Interest in the Debtors, all Persons who have held, hold, or may hold Claims against or Interests in any or all of the Debtors (whether proof of such Claims or Interests has been filed or not and whether or not such Persons vote in favor of, against or abstain from voting on the Plan or are presumed to have accepted or deemed to have rejected the Plan), including in connection with, related to, or arising out of, in whole or in part, any settlement or agreement in the Chapter 11 Cases, the offer, issuance, and distribution of any securities

issued or to be issued pursuant to the Plan, whether or not such distribution occurs following the Effective Date, negotiations regarding or concerning any of the foregoing, or the administration of the Plan or property to be distributed under the Plan, and other parties in interest, along with their respective present or former employees, agents, officers, directors, managers, principals, and affiliates, are permanently enjoined, on and after the Effective Date, solely with respect to any Claims, Interests, and Causes of Action that will be or are extinguished, discharged, or released pursuant to the Plan, from (i) commencing, conducting, or continuing in any manner, directly or indirectly, any suit, action, or other proceeding of any kind (including, without limitation, any proceeding in a judicial, arbitral, administrative or other forum) against or affecting the Released Parties or the property of any of the Released Parties, (ii) enforcing, levying, attaching (including, without limitation, any prejudgment attachment), collecting, or otherwise recovering by any manner or means, whether directly or indirectly, any judgment, award, decree, or order against the Released Parties or the property of any of the Released Parties, (iii) creating, perfecting, or otherwise enforcing in any manner, directly or indirectly, any encumbrance of any kind against the Released Parties or the property of any of the Released Parties, (iv) asserting any right of setoff, directly or indirectly, against any obligation due the Released Parties or the property of any of the Released Parties, except as contemplated or allowed by the Plan, and (v) acting or proceeding in any manner, in any place whatsoever, that does not conform to or comply with the provisions of the Plan.

The injunctions set forth in Section 10.5 of the Plan shall extend to any successors of the Debtors and the Reorganized Debtors and their respective property and interests in property.

Notwithstanding anything to the contrary in the foregoing, the injunction does not enjoin any party under the Plan or under any document, instrument or agreement (including those included in the Plan Supplement) executed to implement the Plan from bringing an action to enforce the terms of the Plan or such document, instrument or agreement (including included in the Plan Supplement) executed to implement the Plan.

PRIOR TO VOTING TO ACCEPT OR REJECT THE PLAN, ALL HOLDERS OF CLAIMS THAT ARE ENTITLED TO VOTE SHOULD READ AND CAREFULLY CONSIDER THE FACTORS SET FORTH HEREIN, AS WELL AS ALL OTHER INFORMATION SET FORTH OR OTHERWISE REFERENCED IN THIS DISCLOSURE STATEMENT.

⁵ In this Article, the use of the term “Debtors” includes “Reorganized Debtors,” and the use of the term “Reorganized Debtors” includes “Debtors,” where appropriate.

ALTHOUGH THESE RISK FACTORS ARE MANY, THESE FACTORS SHOULD NOT BE REGARDED AS CONSTITUTING THE ONLY RISKS PRESENT IN CONNECTION WITH THE DEBTORS' BUSINESSES OR THE PLAN AND ITS IMPLEMENTATION.

7.1 General

The following provides a summary of various important considerations and risk factors associated with the Plan; however, as noted, it is not exhaustive. In considering whether to vote to accept or reject the Plan, holders of Claims entitled to vote should read and carefully consider the factors set forth below, as well as all other information set forth or otherwise referenced or incorporated by reference in this Disclosure Statement.

7.2 Risks Relating to the Plan and Other Bankruptcy Law Considerations

- (a) *A Claim or Interest holder may object to, and the Bankruptcy Court may disagree with, the Debtors' classification of Claims and Interests*

Section 1122 of the Bankruptcy Code provides that a plan may place a claim or an equity interest in a particular class only if such claim or equity interest is substantially similar to the other claims or equity interests in such class. The Debtors believe that the classification of Claims and Interests under the Plan complies with the requirements set forth in the Bankruptcy Code because each Class only contains Claims or Interests that are substantially similar to the other Claims and Interests in such Class. A holder of a Claim or Interest could challenge the Debtors' classification, however. In such an event, the cost of the Chapter 11 Cases and the time needed to confirm the Plan may increase, and there can be no assurance that the Bankruptcy Court will agree with the Debtors' classification. If the Bankruptcy Court concludes that the classification of Claims and Interests under the Plan does not comply with the requirements of the Bankruptcy Code, the Debtors may need to modify the Plan. Such modification could require re-solicitation of votes on the Plan. The Plan may not be confirmed if the Bankruptcy Court determines that the Debtors' classification of Claims and Interests is not appropriate.

- (b) *The Debtors may not be able to satisfy the voting requirements for Confirmation of the Plan*

If votes are received in number and amount sufficient to enable the Bankruptcy Court to confirm the Plan, the Debtors may seek, as promptly as practicable thereafter, Confirmation. If the Plan does not receive the required support from Class 3, the Debtors may elect, subject to the terms of the Restructuring Support Agreement, to amend the Plan, to sell their assets pursuant to section 363 of the Bankruptcy Code, or to proceed with liquidation.

- (c) *The Bankruptcy Court may not confirm the Plan*

The Debtors cannot assure you that the Plan will be confirmed by the Bankruptcy Court. Section 1129 of the Bankruptcy Code, which sets forth the requirements for confirmation of a

plan of reorganization, requires, among other things, a finding by the Bankruptcy Court that the plan of reorganization is “feasible,” that all claims and interests have been classified in compliance with the provisions of section 1122 of the Bankruptcy Code, and that, under the plan of reorganization, each holder of a claim or interest within each impaired class either accepts the plan of reorganization or receives or retains cash or property of a value, as of the date the plan of reorganization becomes effective, that is not less than the value such holder would receive or retain if the debtor were liquidated under chapter 7 of the Bankruptcy Code. With respect to impaired classes of claims or interests that do not accept the plan, section 1129(b) requires that the plan be fair and equitable (including, without limitation, satisfaction of the “absolute priority rule”) and not discriminate unfairly with respect to such classes. There can be no assurance that the Bankruptcy Court will conclude that the feasibility test and other requirements of section 1129 of the Bankruptcy Code have been met with respect to the Plan.

If the Plan is not confirmed, the Chapter 11 Cases may be converted into cases under chapter 7 of the Bankruptcy Code, pursuant to which a trustee would be appointed or elected to liquidate the Debtors’ assets for distribution in accordance with the priorities established by the Bankruptcy Code. A discussion of the effects that a chapter 7 liquidation would have on the recoveries to holders of claims and interests is set forth in the unaudited Liquidation Analysis, attached hereto as **Exhibit C**. The Debtors believe that liquidation under chapter 7 of the Bankruptcy Code would result in, among other things, smaller distributions being made to creditors and interest holders than those provided for in the Plan because of:

- the absence of a market for the Debtors’ assets on a going concern basis;
- additional administrative expenses involved in the appointment of a trustee; and
- additional expenses and claims, some of which would be entitled to priority, which would be generated during the liquidation and from the rejection of leases and other Executory Contracts in connection with a cessation of the Debtors’ operations.

(d) ***The Debtors may object to the amount or classification of a Claim or Interest***

Except as otherwise provided in the Plan, the Debtors and other parties in interest reserve the right to object to the amount or classification of any Claim or Interest under the Plan. Any holder of a Claim or Interest that is subject to an objection may not receive its expected share of the estimated distributions described in this Disclosure Statement and, therefore, the recovery estimates set forth in this Disclosure Statement cannot be relied on by any holder of a Claim or Interest where such Claim or Interest is subject to an objection.

- (e) ***Even if the Debtors receive all necessary acceptances for the Plan to become effective, the Debtors may fail to meet all conditions precedent to effectiveness of the Plan***

Although the Debtors believe that the Effective Date would occur very shortly after the Confirmation Date, there can be no assurance as to such timing.

The Confirmation and effectiveness of the Plan are subject to certain conditions that may or may not be satisfied. The Debtors cannot assure you that all requirements for Confirmation and effectiveness required under the Plan will be satisfied.

- (f) ***Contingencies may affect distributions to holders of Allowed Claims***

The distributions available to holders of Allowed Claims under the Plan can be affected by a variety of contingencies, including whether the Bankruptcy Court orders certain Allowed Claims to be subordinated to other Allowed Claims. The occurrence of any and all such contingencies could affect distributions under the Plan.

- (g) ***The Bankruptcy Court may dismiss some or all of the Chapter 11 Cases***

Certain parties in interest may contest the Debtors' authority to have commenced or to continue prosecuting the Chapter 11 Cases. If, pursuant to any such proceeding, the Bankruptcy Court finds that some or all of the Debtors could not have commenced the Chapter 11 Cases for any reason (including for cause or any grounds supporting abstention), the Debtors may be unable to consummate the transactions contemplated by the Restructuring Support Agreement and the Plan, and any parties providing restructuring support in the form of an exit facility may be unwilling to proceed with such funding. If some or all of the Chapter 11 Cases are dismissed, the Debtors may be forced to cease operations due to insufficient funding and/or liquidate their businesses in another forum to the detriment of all parties in interest.

- (h) ***The United States Trustee or other parties may object to the Plan on account of the third-party release provisions***

Any party in interest, including the U.S. Trustee, could object to the Plan on the grounds that the third-party release contained in Section 10.6 of the Plan is not being given consensually or in a permissible non-consensual manner. In response to such an objection, the Bankruptcy Court could determine that the third-party release is not valid under the Bankruptcy Code. If the Bankruptcy Court makes such a determination, the Plan could not be confirmed without modifying the Plan to alter or remove the third-party release. This could result in substantial delay in Confirmation of the Plan or the Plan not being confirmed at all.

(i) ***The Debtors may seek to amend, waive, modify, or withdraw the Plan at any time prior to Confirmation***

The Debtors, with the consent of the Requisite Consenting Term Lenders, reserve the right, in accordance with the Bankruptcy Code, the Bankruptcy Rules, and the Restructuring Support Agreement, and consistent with the terms of the Plan, to amend the terms of the Plan or waive any conditions thereto if and to the extent such amendments or waivers are consistent with the terms of the Restructuring Support Agreement and necessary or desirable to consummate the Plan. The potential impact of any such amendment or waiver on the holders of Claims and Interests cannot presently be foreseen but may include a change in the economic impact of the Plan on some or all of the proposed Classes or a change in the relative rights of such Classes. All holders of Claims and Interests will receive notice of such amendments or waivers as required by applicable law and the Bankruptcy Court. If, after receiving sufficient acceptances, but prior to Confirmation of the Plan, the Debtors seek to modify the Plan, the previously solicited acceptances will be valid only if (1) all classes of adversely affected creditors and interest holders accept the modification in writing, or (2) the Bankruptcy Court determines, after notice to designated parties, that such modification was *de minimis* or purely technical or otherwise did not adversely change the treatment of holders of accepting Claims and Interests or is otherwise permitted by the Bankruptcy Code.

(j) ***Other parties in interest might be permitted to propose alternative plans of reorganization that may be less favorable to certain of the Debtors' constituencies than the Plan***

Other parties in interest could seek authority from the Bankruptcy Court to propose an alternative plan of reorganization. Under the Bankruptcy Code, a debtor in possession initially has the exclusive right to propose and solicit acceptances of a plan of reorganization for a period of 120 days from the Petition Date. Such exclusivity period, however, can be reduced or terminated upon order of the Bankruptcy Court. Other parties in interest would then have the opportunity to propose alternative plans of reorganization.

If another party in interest were to propose an alternative plan of reorganization following expiration or termination of the Debtors' exclusivity period, such a plan may be less favorable to existing holders of Claims and Interests. If there were competing plans of reorganization, the Chapter 11 Cases likely would become longer, more complicated, more litigious, and much more expensive. If this were to occur, or if the Debtors' stakeholders or other constituencies important to the Debtors' business were to react adversely to an alternative plan of reorganization, the adverse consequences discussed in the foregoing sections also could occur.

(k) ***The Debtors' business may be negatively affected if the Debtors are unable to assume their Executory Contracts***

An executory contract is a contract on which performance remains due to some extent by both parties to the contract. The Plan provides for the assumption of all Executory Contracts that are not otherwise identified for rejection. The Debtors intend to preserve as much of the benefit of their existing Executory Contracts as possible. With respect to some limited classes of

Executory Contracts (including licenses with respect to patents or trademarks), however, the Debtors may need to obtain the consent of the counterparty to maintain the benefit of the Executory Contract. There is no guarantee that such consent either would be forthcoming or that conditions would not be attached to any such consent that makes assuming the Executory Contracts unattractive. The Debtors then would be required to either forego the benefits offered by such Executory Contracts or to find alternative arrangements to replace them.

- (l) ***Certain Claims may not be discharged and could have a material adverse effect on the Reorganized Debtors' financial condition and results of operations***

The Bankruptcy Code provides that confirmation of a plan of reorganization discharges a debtor from substantially all debts arising prior to confirmation. With few exceptions, all Claims that arose prior to the Petition Date or before Confirmation of the Plan (a) are subject to compromise and/or treatment under the Plan and/or (b) will be discharged in accordance with the terms of the Plan. Any Claims not ultimately discharged through the Plan could be asserted against the Reorganized Debtors and may have an adverse effect on the Reorganized Debtors' financial condition and results of operations on a post-reorganization basis.

7.3 Risks Relating to the Restructuring Transactions

- (a) ***The Debtors will be subject to business uncertainties and contractual restrictions prior to the Effective Date***

Uncertainty about the effects of the Plan on employees may have an adverse effect on the Debtors. These uncertainties may impair the Debtors' ability to retain and motivate key personnel and could cause customers and others that deal with the Debtors to defer entering into contracts with the Debtors or making other decisions concerning the Debtors or seek to change existing business relationships with the Debtors. In addition, if key employees depart because of uncertainty about their future roles and the potential complexities of the Restructuring Transactions, the Debtors' businesses could be harmed. The Debtors' employees could seek employment with one of the Debtors' competitors, which, in light of the Chapter 11 Cases, may seek to lure the employees at a time when such employees may be fearful about the Debtors' future. To be sure, a failure by the Debtors to attract, retain, and motivate executives and other employees during the period prior to or after the Effective Date could have a negative impact on the Debtors' businesses.

- (b) ***The support of the Consenting Term Lenders is subject to the terms of the Restructuring Support Agreement, which is subject to termination in certain circumstances***

Pursuant to the Restructuring Support Agreement, the Consenting Term Lenders are obligated to support the Restructuring Transactions discussed above and the Plan. Nevertheless, the Restructuring Support Agreement is subject to termination upon the occurrence of certain termination events. Accordingly, if such a termination event occurs, the Restructuring Support Agreement may be terminated after the date of this Disclosure Statement, and such a termination

would present a material risk to Confirmation and/or Consummation of the Plan because the Plan may no longer have the support of the Consenting Term Lenders.

(c) ***There is inherent uncertainty in the Debtors' financial projections***

The financial projections attached hereto as **Exhibit B** include projections covering the Debtors' operations through 2020. These projections are based on assumptions that are an integral part of the projections, including Confirmation and Consummation of the Plan in accordance with its terms, the anticipated future performance of the Debtors, industry performance, general business and economic conditions, and other matters, many of which are beyond the control of the Debtors and some or all of which may not materialize.

In addition, unanticipated events and circumstances occurring after the date hereof may affect the actual financial results of the Debtors' operations. These variations may be material and may adversely affect the value of the New Common Units and the ability of the Debtors to make payments with respect to their indebtedness. Because the actual results achieved may vary from projected results, perhaps significantly, the projections should not be relied upon as a guarantee or other assurance of the actual results that will occur.

Further, during the Chapter 11 Cases, the Debtors expect that their financial results will continue to be volatile. In addition, if the Debtors emerge from the Chapter 11 Cases, the amounts reported in subsequent consolidated financial statements may materially change relative to historical consolidated financial statements, including as a result of revisions to the Debtors' operating plans. The Debtors also may be required to adopt fresh start accounting, in which case their assets and liabilities will be recorded at fair value as of the fresh start reporting date, which may differ materially from the recorded values of assets and liabilities on the Debtors' consolidated balance sheets. The Debtors' financial results after the application of fresh start accounting also may be different from historical trends.

Lastly, the business plan was developed by the Debtors with the assistance of their advisors. There can be no assurances that the Debtors' or the Reorganized Debtors' business plan will not change, perhaps materially, as a result of decisions that the board of directors may make after fully evaluating the strategic direction of the Debtors or Reorganized Debtors and their business plans. Any deviations from the existing business plan would necessarily cause a deviation from the attached projections, and could result in materially different outcomes from those projected.

(d) ***Failure to confirm and consummate the Plan could negatively impact the Debtors***

If the Plan is not confirmed and consummated, the ongoing businesses of the Debtors may be adversely affected and there may be various consequences, including:

- the adverse impact to the Debtors' businesses caused by the failure to pursue other beneficial opportunities due to the focus on the Debtors' restructuring, without realizing any of the anticipated benefits of the Debtors' restructuring;

- the incurrence of substantial costs by the Debtors in connection with the Debtors' restructuring, without realizing any of the anticipated benefits of the Debtors' restructuring;
- the possibility, for the Debtors, of being unable to repay indebtedness when due and payable; and
- the Debtors pursuing chapter 7 proceedings, resulting in recoveries for creditors and interest holders that are less than contemplated under the Plan.

7.4 Risks Relating to the Exit Facilities

(a) ***The Reorganized Debtors' indebtedness could adversely affect their financial condition***

The Reorganized Debtors' indebtedness could have significant effects on the Reorganized Debtors' business, including the following:

- it may be more difficult for the Reorganized Debtors to satisfy their financial obligations;
- the Reorganized Debtors' ability to obtain additional financing for working capital, capital expenditures, strategic acquisitions or general corporate purposes may be impaired;
- the Reorganized Debtors must use a portion of their cash flow from operations to pay interest on the Exit Facilities and their other indebtedness, which will reduce the funds available to use for operations and other purposes;
- the Reorganized Debtors' level of indebtedness could place them at a competitive disadvantage compared to their competitors that may have proportionately less debt;
- the Reorganized Debtors' flexibility in planning for, or reacting to, changes in their business and the industry in which they operate may be limited; and
- the Reorganized Debtors' level of indebtedness may make them more vulnerable to economic downturns and adverse developments in their business.

It is anticipated that the Reorganized Debtors will obtain the funds to pay their expenses, interest expense and other scheduled payments in respect of their indebtedness (including the Exit Facilities) from their operations and, in the case of the principal amount of their indebtedness, from the refinancing thereof. The Reorganized Debtors' ability to meet their expenses and make these payments therefore depends on their future performance, which will be affected by financial, business, economic and other factors, many of which they cannot control. The Reorganized Debtors' business may not generate sufficient cash flow from operations in the future, and their currently anticipated growth in revenue and cash flow may not be realized,

either or both of which could result in their being unable to repay indebtedness, including the Exit Facilities, or to fund other liquidity needs. If they do not have enough funds, the Reorganized Debtors may be required to refinance all or part of their then existing debt, sell assets or borrow more funds, which they may not be able to accomplish on terms acceptable to the Reorganized Debtors, or at all. In addition, the terms of existing or future debt agreements may restrict the Reorganized Debtors from pursuing any of these alternatives.

- (b) ***The Reorganized Debtors and any of their existing or future subsidiaries may still be able to incur substantially more debt, which could exacerbate the risks associated with their pro forma leverage***

The Reorganized Debtors and any of their existing and future subsidiaries may be able to incur substantial additional indebtedness in the future. Although the terms of the Exit Facility Documents may contain limitations on the Reorganized Debtors' ability to incur additional indebtedness, these restrictions are subject to a number of qualifications and exceptions.

- (c) ***The Exit Facilities may impose significant operating and financial restrictions, which may prevent the Reorganized Debtors from pursuing certain business opportunities and taking certain actions***

The Exit Facilities, and future debt agreements, may impose operating and financial restrictions on the Reorganized Debtors. These restrictions may limit or prohibit, among other things, the Reorganized Debtors' ability to:

- incur additional indebtedness or issue certain preferred stock;
- pay dividends, redeem subordinated debt or make other restricted payments;
- make certain investments or acquisitions;
- grant or permit certain liens on their assets;
- enter into certain transactions with affiliates;
- merge, consolidate or transfer substantially all of their assets;
- incur dividend or other payment restrictions affecting certain of their subsidiaries;
- transfer, sell or acquire assets, including capital stock of their subsidiaries; and
- change the business they conduct.

These covenants could adversely affect the Reorganized Debtors' ability to finance their future operations or capital needs, withstand a future downturn in their business or the economy in general, engage in business activities, including future opportunities that may be in their interest, and plan for or react to market conditions or otherwise execute their business strategies. A breach of any of these covenants could result in a default in respect of the related

indebtedness. If a default occurs, the relevant lenders or holders of such indebtedness could elect to declare the indebtedness, together with accrued interest and other fees, to be immediately due and payable and proceed against any collateral securing that indebtedness. Acceleration of the Reorganized Debtors' other indebtedness could result in a default under the terms of the Exit Facilities and acceleration of the Exit Facilities could result in a default under the terms of other indebtedness of the Reorganized Debtors. There is no guarantee that the Reorganized Debtors would be able to satisfy their obligations if any of their indebtedness is accelerated.

- (d) ***The Reorganized Debtors may not be able to generate sufficient cash to service all of their indebtedness, including the Exit Facilities, and may be forced to take other actions to satisfy their obligations under their debt agreements, which may not be successful***

The Reorganized Debtors' ability to make scheduled payments on or to refinance their debt obligations depends on their financial condition and operating performance, which are subject to prevailing economic and competitive conditions and to certain financial, business and other factors beyond their control. The Reorganized Debtors' businesses may not generate sufficient cash flow from operations in the future and their currently anticipated levels of revenue and cash flow may not be realized, either or both of which could result in their being unable to repay indebtedness, including the Exit Facilities, or to fund other liquidity needs. Therefore, the Reorganized Debtors may not be able to maintain or realize a level of cash flows from operating activities sufficient to permit the Reorganized Debtors to pay the principal and interest on their indebtedness, including the Exit Facilities.

If the Reorganized Debtors' cash flows and capital resources are insufficient to fund their debt service obligations, they may be forced to reduce or delay investments and capital expenditures, sell assets, seek additional capital or restructure or refinance their indebtedness, including the Exit Facilities. The Reorganized Debtors' ability to restructure or refinance their debt will depend on the condition of the capital markets and their financial condition at such time. Any refinancing of the Reorganized Debtors' debt could be at higher interest rates and may require them to comply with more onerous borrowing covenants, which could further restrict their business operations. The terms of existing or future debt instruments, including the Exit Facilities, may restrict the Reorganized Debtors from adopting some of these alternatives. In addition, any failure to make payments of principal and interest on their outstanding indebtedness on a timely basis would likely result in a reduction of the Reorganized Debtors' credit rating (if any), which could harm their ability to incur additional indebtedness. These alternative measures may not be successful and may not permit the Reorganized Debtors to meet their scheduled debt service obligations.

- (e) ***The value of the collateral securing the Exit Facilities may not be sufficient to pay the amounts owed under the Exit Facilities. As a result, holders of the Exit Facilities may not receive full payment on the amounts owed to them under the Exit Facilities following an event of default***

The proceeds of any sale of collateral securing the Exit Facilities following an event of default with respect thereto may not be sufficient to satisfy, and may be substantially less than, amounts due on the Exit Facilities.

The value of the collateral in the event of liquidation will depend upon market and economic conditions, the availability of buyers and similar factors. The collateral may not include contracts, agreements, licenses and other rights that by their express terms prohibit the assignment thereof or the grant of a security interest therein. Some of these excluded assets may be material to the Reorganized Debtors, and such exclusion could have a material adverse effect on the value of the collateral. The value of the collateral could be impaired in the future as a result of changing economic and market conditions, the Reorganized Debtors' failure to successfully implement their business strategy, competition and other factors. By its nature, some or all of the collateral may not have a readily ascertainable market value or may not be saleable or, if saleable, there may be substantial delays in its liquidation.

To the extent that liens, security interests and other rights granted to other parties encumber assets owned by the Reorganized Debtors, those parties may have the ability to exercise rights and remedies with respect to the property subject to their liens that could adversely affect the value of that collateral and the ability of the collateral agent under the Exit Facilities or the holders of the Exit Facilities to realize or foreclose on that collateral.

Bankruptcy laws and other laws relating to foreclosure and sale also could substantially delay or prevent the ability of the collateral agent under, or any holder of, the Exit Facilities to obtain the benefit of any collateral securing the Exit Facilities. Such delays could have a material adverse effect on the value of the collateral.

If the proceeds of any sale of collateral are not sufficient to repay all amounts due on the Exit Facilities, the holders of the Exit Facilities (to the extent not repaid from the proceeds of the sale of the collateral) would have only an unsecured claim against the Reorganized Debtors' remaining assets.

- (f) ***The Reorganized Debtors will in most cases have control over the collateral, and the sale of particular assets by the Reorganized Debtors could reduce the pool of assets securing the Exit Facilities and the guarantees***

The collateral documents may allow the Reorganized Debtors to remain in possession of, retain exclusive control over, freely operate, and collect, invest and dispose of any income from, the collateral securing the Exit Facilities and the guarantees, in each case subject to certain limitations. There are circumstances other than repayment or discharge of the Exit Facilities

under which the collateral securing the Exit Facilities and guarantees may be released automatically, without the consent of the holders of the Exit Facilities or the consent of the collateral agent for the Exit Facilities including:

- a sale, transfer or other disposal of such collateral in a transaction not prohibited under the Exit Facility Documents;
- with respect to collateral held by a guarantor, upon the release of such guarantor from its guarantee to the extent not prohibited under the Exit Facility Documents; and
- with respect to collateral that is capital stock, upon the dissolution of the issuer of such capital stock to the extent not prohibited by the Exit Facility Documents.

Subject to the terms of the Exit Facilities or another credit facility, holders of the Exit Facilities may not be able to control actions with respect to the collateral of the Exit Facilities, including the commencement and conduct of enforcement proceedings against the collateral of the Exit Facilities, whether or not the holders of the Exit Facilities agree or disagree with those actions and even if the rights of the holders of the Exit Facilities are adversely affected.

The Exit Facilities may also permit the Reorganized Debtors to, subject to the satisfaction of certain conditions, designate any existing or future restricted subsidiary that is a guarantor or any future subsidiary, whether or not it is a guarantor, as an unrestricted subsidiary. If the Reorganized Debtors designate such a subsidiary guarantor as an unrestricted subsidiary for purposes of the Exit Facilities, all of the liens on any collateral owned by such subsidiary or any of its subsidiaries and any guarantee by such subsidiary or any of its subsidiaries may be released under the Exit Facilities. Designation of an unrestricted subsidiary may reduce the aggregate value of the collateral securing the Exit Facilities to the extent that liens on the assets of the unrestricted subsidiary and its subsidiaries are released.

- (g) ***The rights of holders of Exit Facilities in the collateral securing the Exit Facilities may be adversely affected by the failure to perfect security interests in the collateral and other issues generally associated with the realization of security interests in collateral***

The rights of the holders of the Exit Facilities in the collateral may be adversely affected by the failure to perfect security interests in certain collateral in the future. Applicable law requires that a security interest in certain tangible and intangible assets can only be properly perfected and its priority retained through certain actions undertaken by the secured party, and that certain property and rights acquired after the grant of a general security interest, such as equipment subject to a certificate and certain proceeds, can be perfected only at the time at which such property and rights are acquired and identified. The collateral agent for the Exit Facilities may not monitor, or the Reorganized Debtors may not inform the collateral agent of, the future acquisition of property and rights that constitute collateral, and necessary action may not be taken to properly perfect the security interest in such after-acquired collateral. The collateral agent for the Exit Facilities has no obligation to monitor the acquisition of additional property or rights that constitute collateral or the perfection of any security interest in favor of the Exit

Facilities against third parties. A failure to do so may result in the loss of the security interest therein or may affect the priority of the security interest in favor of the holders of the Exit Facilities against third parties.

In addition, the collateral agent will not have any obligation to ensure that (i) the collateral exists or is owned by the Reorganized Debtors, (ii) any guarantor is protected or insured, (iii) the collateral agent's liens have been properly or sufficiently or lawfully created, perfected, protected, maintained or enforced or are entitled to any particular priority or (iv) any property or assets constituting collateral have been properly and completely listed or delivered (or to ensure the genuineness, validity, marketability or sufficiency thereof or title thereto).

The security interest of the collateral agent for the Exit Facilities will also be subject to practical challenges generally associated with the realization of security interests in collateral. For example, the collateral agent may need to obtain the consent of third parties and make additional filings. If they are unable to obtain these consents or make these filings, the security interests may be invalid and the holders of the Exit Facilities will not be entitled to the collateral or any recovery with respect to the collateral. The collateral agent may not be able to obtain any such consent. Further, the consents of any third parties may not be given when required to facilitate a foreclosure on such collateral. Accordingly, the collateral agent may not have the ability to foreclose upon those assets, and the value of the collateral may significantly decrease.

(h) ***The collateral is subject to casualty risks***

The Reorganized Debtors intend to maintain insurance or otherwise insure against hazards in a manner appropriate and customary for the Reorganized Debtors' business. There are, however, certain losses that may be either uninsurable or not economically insurable, in whole or in part. Further, insurance proceeds may not compensate the Reorganized Debtors fully for their losses. As such, if there is a complete or partial loss of any of the collateral, the insurance proceeds may not be sufficient to satisfy all of the secured obligations, including the Exit Facilities and the guarantees.

(i) ***Certain assets may be excluded from the collateral***

Certain assets may be excluded from the collateral securing the Exit Facilities including, among other things, the following:

- items as to which a security interest cannot be granted without violating contract rights or applicable law; and
- assets securing purchase money debt or capitalized lease obligations permitted to be incurred under the Exit Facilities to the extent the documentation relating to such purchase money debt or capitalized lease obligations prohibits such assets from being collateral.

If an event of default occurs and the Exit Facilities are accelerated, the Exit Facilities may rank equally with the holders of the Reorganized Debtors' other unsubordinated and unsecured indebtedness and other liabilities with respect to such excluded assets. As a result, if the value of

the collateral that secures the Exit Facilities and the guarantees is less than the amount of the claims of the holders of the Exit Facilities, no assurance can be provided that the holders of the Exit Facilities would receive any substantial recovery from such excluded assets.

7.5 Risks Relating to New Common Units

(a) ***The Reorganized Debtors may not be able to achieve their projected financial results***

The Reorganized Debtors may not be able to meet their projected financial results or achieve the revenue or cash flow that the Debtors have assumed in projecting their future business prospects. If the Reorganized Debtors do not achieve these projected revenue or cash flow levels, the Reorganized Debtors may lack sufficient liquidity to continue operating as planned after emergence. The financial projections represent management's view based on currently known facts and hypothetical assumptions about the Debtors' future operations. They do not, however, guarantee the Reorganized Debtors' future financial performance.

(b) ***The Plan exchanges senior securities for junior securities***

If the Plan is confirmed and consummated, certain holders of Claims will receive New Common Units. Thus, in agreeing to the Plan, such holders will be consenting to the exchange of their interests in senior debt, which has, among other things, a security interest in certain assets of the Debtors, a stated interest rate, a maturity date, and a priority over equity securities, for New Common Units, which will be subordinate to all future creditor claims.

(c) ***A liquid trading market for the New Common Units may not develop***

The Debtors make no assurance that liquid trading markets for the New Common Units will develop. The liquidity of any market for the New Common Units will depend, among other things, upon the number of holders of New Common Units, the Reorganized Debtors' financial performance, and the market for similar securities, none of which can be determined or predicted. Therefore, the Debtors cannot assure that an active trading market for the New Common Units will develop or, if a market develops, what the liquidity or pricing characteristics of that market will be.

(d) ***The Reorganized Debtors may be controlled by a significant holder or significant holders***

Under the Plan, certain holders of Allowed Claims will receive New Common Units. If a significant holder controls a substantial portion of the New Common Units, or holders of a significant portion of the New Common Units were to act as a group, such holder(s) might be in a position to control the outcome of actions requiring shareholder approval, including the election of directors. As a result, a significant holder may control important decisions affecting the Reorganized Debtors' governance and their operations. Such holder's interests may differ from the interests of other holders of the post-Effective Date securities. Further, if a significant

holder controls a substantial portion of the New Common Units, certain regulatory review may be triggered, which might have the effect of delaying the Effective Date or result in the failure to satisfy the conditions precedent to consummation of the Plan and the occurrence of the Effective Date.

- (e) ***The Debtors' financial projections are subject to inherent uncertainty due to the numerous assumptions upon which they are based***

The Debtors' financial projections are based on numerous assumptions including: timely Confirmation and Consummation pursuant to the terms of the Plan; the anticipated future performance of the Debtors and the Reorganized Debtors; industry performance; general business and economic conditions; and other matters, many of which are beyond the control of the Debtors and some or all of which may not materialize. In addition, unanticipated events and circumstances occurring subsequent to the date that this Disclosure Statement is approved by the Bankruptcy Court may affect the actual financial results of the Debtors' operations. These variations may be material and may adversely affect the ability of the Reorganized Debtors to make payments with respect to indebtedness following Consummation. Because the actual results achieved throughout the periods covered by the projections may vary from the projected results, the projections should not be relied upon as an assurance of the actual results that will occur. Except with respect to the projections and except as otherwise specifically and expressly stated, this Disclosure Statement does not reflect any events that may occur subsequent to the date of this Disclosure Statement. Such events may have a material impact on the information contained in this Disclosure Statement. The Debtors do not intend to update the projections and therefore the projections will not reflect the impact of any subsequent events not already accounted for in the assumptions underlying the projections.

7.6 Risks Relating to the Debtors' and Reorganized Debtors' Business

- (a) ***The Reorganized Debtors May Not Be Able to Generate Sufficient Cash to Service All of Their Indebtedness.***

The Reorganized Debtors' ability to make scheduled payments on or refinance their debt obligations depends on their financial condition and operating performance, which are subject to prevailing economic, industry, and competitive conditions and to certain financial, business, legislative, regulatory, and other factors beyond the Reorganized Debtors' control. The Reorganized Debtors may be unable to maintain a level of cash flow from operating activities sufficient to permit the Reorganized Debtors to pay the principal, premium, if any, and interest on their indebtedness, including, without limitation, on the Exit Facilities.

- (b) ***The Debtors may experience significant fluctuations in material prices, and further changes in the prices of raw materials or in energy costs could have a material adverse effect on the Debtors' business, financial condition, cash flows, or results of operations.***

The Debtors depend upon a limited number of outside suppliers for the manufacture of aftermarket parts, apparel, and accessories for the powersports industry. The Debtors' heavy reliance upon outside vendors and suppliers for their components involves risk factors such as limited control over prices, timely delivery and quality control. The Debtors have very few written agreements ensuring the continued supply of parts and components, and those agreements are subject to expiration, potential amendment and renegotiation, and the possibility of crucial suppliers going out of business. The Debtors instead generally purchase components on a purchase order basis. As a result, the Debtors cannot force such suppliers to sell the necessary components the Debtors use in creating their products and therefore the Debtors could face significant supply disruptions should they refuse to do so. Although alternate suppliers are available for some of the Debtors' key components, any material changes in the Debtors' suppliers could cause material delays in production and increase production costs. The Debtors are unable to determine whether their suppliers will be able to timely supply the Debtors with commercial production needs, nor is there any assurance that any of the Debtors' vendors or suppliers will be able to meet their future commercial production demands as to volume, quality or timeliness.

In addition, the Debtors purchase various raw materials in order to manufacture their products. Historically, price fluctuations for these components and raw materials have not had a material impact on the Debtors' business. In the future, however, if the Debtors or Reorganized Debtors experience material increases in the price of components or raw materials and are unable to pass on those increases to the Debtors' customers, or there are shortages in the availability of such component parts or raw materials, it could negatively affect the Debtors' or Reorganized Debtors' business, financial condition or results of operations.

- (c) ***The Debtors are Dependent on Independent Dealers***

The Debtors are dependent upon a distribution network of independent powersports dealers to sell their products. If the Debtors' dealers are unable to sell and promote their products effectively, the Debtors' business will be seriously harmed. The Debtors and Reorganized Debtors must continue to recruit and expand their dealer base to satisfy their projected revenues. If the Debtors or Reorganized Debtors fail to timely obtain new dealers or maintain their relationship with existing dealers effectively, the Debtors or Reorganized Debtors could be unable to achieve sufficient sales to support their operations. The Debtors sell their aftermarket products to dealers and distributors, and the Debtors depend on the dealers' and distributors' willingness and ability to market and sell the products to consumers and provide customer and product service as needed. The Debtors also rely on dealers and distributors to be knowledgeable about the Debtors' products and their features. If the Debtors and Reorganized Debtors are not able to educate the dealers and distributors so that they may effectively sell the Debtors' and the Reorganized Debtors' products as part of a positive buying experience, or if the dealers and

distributors fail to implement effective retail sales initiatives, focus selling efforts on competitors' products, reduce the quantity of the Debtors' or Reorganized Debtors' products that they sell or reduce their operations due to financial difficulties or otherwise, the Debtors' and Reorganized Debtors' brand and business could suffer.

The Debtors do not control the dealers or distributors and many of the Debtors' contracts allow these entities to offer the Debtors' competitors' products. The Debtors' competitors may incentivize those dealers and distributors to favor their own products. In addition, the Debtors do not have long-term contracts with a majority of the dealers and distributors, and the dealers and distributors are not obligated to purchase specified amounts of the Debtors' products. In fact, the majority of the Debtors' dealers and distributors buy from the Debtors on a purchase order basis. Consequently, with little or no notice, many of these dealers and distributors may terminate their relationships with the Debtors or materially reduce their purchases of the Debtors' products. If the Debtors or Reorganized Debtors were to lose one or more of the dealers or distributors, the Debtors or Reorganized Debtors would need to obtain a new dealer or distributor to cover the particular location or product line, which may not be possible on favorable terms, or at all.

Alternatively, the Debtors or Reorganized Debtors could use their sales force to replace such a distributor, but expanding the Debtors' or Reorganized Debtors' sales force into new locations takes a significant amount of time and resources and may not be successful. Further, some of the Debtors' international distribution contracts contain exclusivity arrangements, which may prevent the Reorganized Debtors from replacing or supplementing their current distributors under certain circumstances.

(d) ***The Debtors face significant competitive pressures that may cause them to lose market share and harm their financial performance***

The Debtors' industry is highly competitive. The Debtors compete with a number of other manufacturers that produce and sell competitor products to Original Equipment Manufacturers ("OEMs") and aftermarket dealers and distributors, including OEMs that produce their own lines of products for their own use. The Debtors' and Reorganized Debtors' continued success depends on their ability to continue to compete effectively against their competitors, some of which have significantly greater financial, marketing and other resources than the Debtors possess. In the future, the Debtors' and Reorganized Debtors' competitors may be able to maintain and grow brand strength and market share more effectively or quickly than the Debtors and Reorganized Debtors do by anticipating the course of market developments more accurately than the Debtors and Reorganized Debtors do, developing products that are superior to the Debtors' and the Reorganized Debtors' products, creating manufacturing or distribution capabilities that are superior to the Debtors' and the Reorganized Debtors', producing similar products at a lower cost or adapting more quickly to new technologies or evolving regulatory, industry or customer requirements, among other possibilities. In addition, the Debtors and Reorganized Debtors may encounter increased competition if their current competitors broaden their product offerings by beginning to produce additional types of products or through competitor consolidations. The Debtors and the Reorganized Debtors could also face competition from well-capitalized entrants into the market, as well as aggressive pricing tactics by other

manufacturers trying to gain market share. As a result, the Debtors' and the Reorganized Debtors' products may not be able to compete successfully with competitors' products, which could negatively affect the Debtors' and the Reorganized Debtors' business, financial condition or results of operations.

(e) ***The Reorganized Debtors may pursue growth opportunities through acquisitions, which could result in operating difficulties and other harmful consequences***

The Reorganized Debtors may pursue growth opportunities through acquisitions. There is substantial competition for attractive acquisitions and the Reorganized Debtors may not be successful in completing any such acquisitions in the future. If the Reorganized Debtors are successful in making any acquisition, it could nonetheless have a material adverse effect on their financial condition or results of operations. Acquisitions can involve a wide variety of risks depending upon, among other things, the specific business or assets being acquired or the specific terms of any transaction. These risks may include the following:

- difficulties in integrating the operations, products, employees, management information systems, human resources and other administrative systems of acquired or newly formed entities with the Reorganized Debtors' existing business and systems;
- unanticipated capital expenditures or investments in order to maintain, improve or sustain the operations of any business the Reorganized Debtors acquire;
- difficulties in managing larger or more complex operations and facilities, and if applicable, operations and employees in new geographic areas;
- diversion of management time and focus from operating the Reorganized Debtors' business due to challenges of integrating acquired businesses;
- cultural challenges associated with integrating employees from acquired businesses into the Reorganized Debtors' organization;
- the need to implement or improve internal controls, procedures and policies at acquired businesses;
- possible write-offs, impairment charges or amortization charges resulting from acquisitions; and
- unanticipated or unknown liabilities relating to acquired businesses.

Acquisitions are inherently risky, and any acquisitions or investments the Reorganized Debtors make may not perform in accordance with their expectations. Accordingly, any of these transactions, if completed, may not be successful and may adversely affect the Reorganized Debtors' business, results of operations or financial condition.

(f) ***Exchange Rate Challenges***

The Debtors and their non-Debtor affiliate are subject to fluctuations in exchange rates and other risks associated with their non-U.S. operations which could adversely affect the Debtors' business, financial condition, cash flows or results of operations. The Debtors import from, and export to, several countries outside the U.S. Because a portion of the Debtors' operations are based overseas, the Debtors are exposed to foreign currency risk, resulting in uncertainty as to future asset and liability values, and results of operations that are denominated in foreign currencies. The Debtors invoice foreign sales and service transactions in local currencies and translate these revenues and expenses into U.S. Dollars at average monthly exchange rates. Because a portion of the Debtors' net sales and expenses are denominated in foreign currencies, the depreciation of these foreign currencies in relation to the U.S. Dollar could adversely affect the Debtors' reported net sales and operating margins. The Debtors translate their non-U.S. assets and liabilities into U.S. Dollars using current rates as of the balance sheet date. Therefore, foreign currency depreciation against the U.S. Dollar would result in a decrease in the Debtors' net investment in foreign subsidiaries. In addition, foreign currency depreciation, particularly depreciation of the British Pound, would make it more expensive for the Debtors' non-U.S. subsidiary to purchase certain raw material commodities that are priced globally in U.S. Dollars. The Debtors do not engage in significant hedging of their foreign currency exposure and cannot assure that they will be able to hedge their foreign currency exposure at a reasonable cost.

There are other risks inherent in the Company's non-U.S. operations, including:

- changes in local economic conditions, and disruption of markets, including current sovereign debt challenges in certain European countries;
- changes in laws and regulations, including changes in import, export, labor and environmental laws;
- exposure to possible expropriation or other government actions; and
- unsettled political conditions and possible terrorist attacks against American interests.

These and other risks may have a material adverse effect on the Debtors' non-U.S. operations or on their business, financial condition, cash flows or results of operations.

(g) ***The Reorganized Debtors may not be able to fund capital expenditures that may be needed for the future growth of their business***

The amount and timing of any capital expenditures the Reorganized Debtors may need to grow their business may vary depending on a variety of factors, including the strength of the powersports aftermarket and production industry and any alternative uses for the Debtors' capital.

Historically, the Debtors have funded their capital expenditures through internally generated funds and borrowings under bank credit facilities. Although the Debtors believe that cash flows from their operations, following the Restructuring Transactions, will generally be sufficient to fund the Reorganized Debtors' planned capital expenditures in the near future, the Debtors cannot give any assurance that such cash flow will be sufficient either in the near future or thereafter.

The Reorganized Debtors may require additional capital to fund any unanticipated capital expenditures, including any acquisitions, and to fund their growth, and necessary capital may not be available to them when they need it or on acceptable terms. The Reorganized Debtors' ability to raise additional capital will depend on the results of their operations, financial condition and the condition of the credit and capital markets and their industry at the time they seek such capital. Failure to generate sufficient cash flow and the absence of alternative sources of capital could have a material adverse effect on the Reorganized Debtors' business, financial condition and results of operations.

- (h) ***The Debtors are highly dependent on members of their executive management and the loss of any member of their executive management may have a material adverse effect on their financial condition, results of operations and future prospects***

The success of the Debtors' business depends, to a large extent, on the expertise and experience of their executive management. The loss of any member of their executive management could have a material adverse effect on the Debtors' financial condition, results of operations and future prospects, and the Debtors may not be able to secure the services of qualified individuals to replace them.

- (i) ***Failure to hire and retain skilled personnel could adversely affect the Debtors' business***

The Debtors may not be able to find enough skilled labor to meet their needs. The Debtors rely on skilled and well-trained engineers for the design and production of the Debtors' products, as well as in the Debtors' research and development functions. Competition for such individuals is intense. The Debtors' inability to attract or retain qualified employees in their design, production or research and development functions or elsewhere could result in a diminished quality of their products and delinquent production schedules, impede the Debtors' ability to develop new products and harm the Debtors' business, financial condition or results of operations.

- (j) ***The Debtors' operations are subject to environmental and operational health and safety laws and regulations that may expose the Debtors to significant costs and liabilities***

The Debtors must comply with numerous federal and state regulations governing environmental and safety factors with respect to motorcycles and their use. These various governmental regulations generally relate to air, water and noise pollution, as well as motorcycle

safety matters. If the Debtors were unable to obtain the necessary certifications or authorizations required by government standards, or fail to maintain them, the Debtors' business and future operations would be harmed seriously. Use of motorcycles and some motorcycle parts and accessories in the United States is subject to rigorous regulation by the Environmental Protection Agency ("EPA"), and by state pollution control agencies. Any failure by the Debtors to comply with applicable environmental requirements of the EPA or state agencies could subject the Debtors to administratively or judicially imposed sanctions such as civil penalties, criminal prosecution, injunctions, product recalls or suspension of production.

Motorcycles and other powersport parts and accessories are subject to considerable safety standards and requirements under the provisions of the National Traffic and Motor Vehicle Safety Act and the rules promulgated under this Act by the National Highway Traffic Safety Administration ("NHTSA"). The Debtors could suffer recalls of their motorcycle products if they fail to satisfy applicable safety standards administered by the NHTSA. The Debtors' business and facilities also are subject to regulation under various federal, state and local regulations relating to manufacturing operations, occupational safety, environmental protection, hazardous substance control and product advertising and promotion. The Debtors' failure to comply with any of these regulations in the operation of their business could subject the Debtors to administrative or legal action resulting in fines or other monetary penalties or require the Debtors to change or cease their business.

- (k) ***The Debtors manufacture products that create exposure to product liability claims and litigation, and the Debtors are subject to certain further risks from testing and manufacture of their products.***

To the extent plaintiffs are successful in showing that personal injury or property damage result from defects in the design or manufacture of the Debtors' products, the Debtors may be subject to claims for damages. The costs associated with defending product liability claims, including frivolous lawsuits, and payment of damages could be substantial. The Debtors' reputation may also be adversely affected by such claims, whether or not successful.

Further, the Debtors' business involves complex manufacturing processes that can be inherently dangerous. Although the Debtors employ safety procedures in the design and operation of their facilities, there is a risk that an accident or death could occur in one of the Debtors' facilities. Also, prior to the introduction of new products, the Debtors' employees test the products under rigorous conditions, which involve the risk of injury or death. Any accident could result in manufacturing or product delays, which could negatively affect the Debtors' business, financial condition or results of operations. The outcome of litigation is difficult to assess or quantify and the cost to defend litigation can be significant. As a result, the costs to defend any action or the potential liability resulting from any such accident or death or arising out of any other litigation, and any negative publicity associated therewith, could have a negative effect on the Debtors' business, financial condition or results of operations.

The Debtors maintain liability insurance, including comprehensive general liability, automobile liability, workers' compensation, environmental liability, product liability and

employers' liability with respect to their facilities and products. Although the Debtors maintain insurance coverage at levels and against risks that they consider appropriate (based on their historical experience) and consistent with industry practice, the Debtors are not insured against all liabilities that could result from their operations due to coverage limits and exclusions, among other factors. In addition, as insurance rates have in the past been subject to wide fluctuation and could in the future increase substantially due to market conditions, the Debtors cannot give any assurance that all or a portion of their coverage will not be cancelled or that insurance coverage will continue to be available at rates considered reasonable or at all. Changes in coverage could result in less or no coverage for any particular liability, increases in cost or higher deductibles and retentions. As a result, it is possible that the Debtors' insurance may not cover a given risk or liability in full, or at all. Losses and liabilities from uninsured and underinsured events and delay in the payment of insurance proceeds could have a material adverse effect on the Debtors' financial condition and results of operations.

(l) ***The Debtors may be adversely affected by other potential litigation, including litigation arising out of the Chapter 11 Cases***

In the future, the Debtors may become a party to litigation. In general, litigation can be expensive and time consuming to bring or defend against. Such litigation could result in settlements or damages that could significantly affect the Debtors' financial results. It is also possible that certain parties will commence litigation with respect to the treatment of their Claims under the Plan. It is not possible to predict the potential litigation that the Debtors may become party to, nor the final resolution of such litigation. The impact of any such litigation on the Reorganized Debtors' businesses and financial stability, however, could be material.

(m) ***The purchase of recreational aftermarket motorcycle accessories is discretionary for consumers, and market demand is influenced by many factors beyond the Debtors' control.***

The Debtors' business depends substantially on global economic and market conditions. The Debtors' products are recreational in nature and are generally discretionary purchases by consumers. Consumers are usually more willing to make discretionary purchases during periods of favorable general economic conditions and high consumer confidence. Discretionary spending may also be affected by many other factors, including GDP growth, the availability of consumer credit, unemployment levels, taxes and consumer confidence in future economic conditions. Adverse changes relating to one or more of these factors may restrict consumer spending and harm the Debtors' growth and profitability. In addition, the Debtors' motorcycle accessories will compete with many other power sports and other recreational products for the discretionary spending of consumers. The Debtors cannot provide assurances that they will be able to compete successfully against other recreational products to capture consumer discretionary expenditures.

- (n) ***The Debtors' business is subject to seasonality that may cause the Reorganized Debtors' quarterly operating results to fluctuate materially.***

Powersport part and accessories sales in general are seasonal in nature: consumer demand is substantially lower during the fall and winter seasons. The Debtors' may endure periods of reduced revenues and earnings during off-season months and be required to lay off or terminate some of the Debtors' employees from time to time. Building inventory during the pre-season period could harm the Debtors' financial results if anticipated sales are not realized. Further, if a significant number of the Debtors' dealers are concentrated in locations with longer or more intense cold seasons, lack of consumer demand due to seasonal factors may impact the Debtors more adversely, further reducing revenues or resulting in reduced revenues over a longer period of time.

- (o) ***The Debtors' ability to remain competitive is dependent upon the Debtors' capability to develop and successfully introduce new, innovative, and compliant products.***

The motorcycle and powersports markets continue to change in terms of styling preferences and advances in new technology and, at the same time, be subject to increasing regulations related to safety and emissions. The Debtors must continue to distinguish their products from the Debtors' competitors' products with unique styling and new technologies. As the Debtors incorporate new and different features and technology into their products, the Debtors must protect their intellectual property from imitators and ensure their products do not infringe the intellectual property of other companies. In addition, these new products must comply with applicable regulations worldwide and satisfy the potential demand for products that produce lower emissions and achieve better fuel economy. The Debtors must make product advancements while maintaining the look, sound, and feel associated with the Debtors' products. The Debtors must also be able to design and manufacture these products and deliver them to the marketplace in an efficient and timely manner. There can be no assurances that the Debtors will be successful in these endeavors or that existing and prospective customers will like or want the Debtors' new products.

Further, the Debtors' growth strategy involves the continuous development of innovative performance products. The Debtors may not be able to compete as effectively with the Debtors' competitors, and ultimately satisfy the needs and preferences of the Debtors' customers and the end users of their products, unless the Debtors can continue to enhance existing products and develop new, innovative products in the global markets in which the Debtors compete. In addition, the Debtors must continuously compete not only for end users who purchase the Debtors' products through the dealers and distributors who are the Debtors' customers, but also for the OEMs, which incorporate the Debtors' products into their bikes and powered vehicles. These OEMs regularly evaluate the Debtors products against competitors' products to determine if they are allowing the OEMs to achieve higher sales and market share on a cost-effective basis. Should one or more of the Debtors' OEM customers determine that they could achieve overall

better financial results by incorporating a competitor's new or existing product, they would likely do so, which could harm the Debtors' business, financial condition or results of operations.

Finally, the industry in which the Debtors compete can be subject to rapid technological changes. No assurances can be given that any technological advantages which may be enjoyed by the Debtors in respect of its technologies cannot or will not be overcome by technological advances by competitors rendering some of the Debtors' technologies and products obsolete or non-competitive.

- (p) ***The Debtors may become subject to intellectual property disputes that could cause them to incur significant costs or pay significant damages or that could prohibit the Debtors from selling their products.***

As the Debtors develop new products or attempt to utilize the Debtors' brands in connection with new products, the Debtors seek to avoid infringing the valid patents and other intellectual property rights of competitors. However, from time to time, third parties have alleged, or may allege in the future, that the Debtors' products and/or trademarks infringe upon their proprietary rights. The Debtors will evaluate any such claims and, where appropriate, may obtain or seek to obtain licenses or other business arrangements. To date, there have been no significant interruptions in the Debtors' business as a result of any claims of infringement, and the Debtors do not hold patent infringement insurance. Any claim, regardless of its merit, could be expensive, time consuming to defend and distract management. Moreover, if the Debtors' products or brands are found to infringe third-party intellectual property rights, the Debtors may be unable to obtain a license to use such technology or associated intellectual property rights on acceptable terms. A court determination that the Debtors' brands, products or manufacturing processes infringe the intellectual property rights of others could result in significant liability and/or require the Debtors to make material changes to their products and/or manufacturing processes or preclude the Debtors' ability to use certain brands. In most circumstances, the Debtors are not indemnified for the Debtors' use of a licensor's intellectual property, if such intellectual property is found to be infringing. Any of the foregoing results could require the Debtors to, and the Debtors could incur substantial costs to, redesign products or defend legal actions, and such costs could negatively affect the Debtors' business, financial condition or results of operations.

- (q) ***If the Debtors are unable to enforce their intellectual property rights, the Debtors' reputation and sales could be adversely affected.***

Intellectual property is an important component of the Debtors' business. The Debtors patent their proprietary technologies in the U.S. and various foreign patent offices. Additionally, the Debtors have registered or have applied for trademarks and service marks with the United States Patent and Trademark Office and a number of foreign countries, to be utilized with certain goods and services. When appropriate, the Debtors may from time to time assert their rights against those who infringe on the Debtors' patents, trademarks, trade dress, or other intellectual property. The Debtors may not, however, be successful in enforcing the Debtors' patents or

asserting trademark, trade name or trade dress protection with respect to their brand names and product designs, and third parties may seek to oppose or challenge the Debtors' patents or trademark registrations. Further, these legal efforts may not be successful in reducing sales of products by those infringing parties. In addition, the Debtors' pending patent applications may not result in the issuance of patents, and even issued patents may be contested, circumvented or invalidated and may not provide the Debtors with proprietary protection or competitive advantages. If the Debtors' efforts to develop and enforce their intellectual property are unsuccessful, or if a third party misappropriates the Debtors' rights, this may adversely affect the Debtors' business, financial condition or results of operations. Additionally, intellectual property protection may be unavailable or limited in some foreign countries where laws or law enforcement practices may not protect the Debtors' proprietary rights as fully as in the United States, and it may be more difficult for the Debtors to successfully challenge the use of the Debtors' proprietary rights by other parties in these countries. Furthermore, other competitors may be able to successfully produce products which imitate certain of the Debtors' products without infringing upon any of the Debtors' patents, trademarks or trade dress. The failure to prevent or limit infringements and imitations could have a permanent negative impact on the pricing of the Debtors' products or reduce the Debtors' product sales and product margins, even if the Debtors are ultimately successful in limiting the distribution of a product that infringes their rights, which in turn may affect the Debtors' business, financial condition or results of operations.

Although the Debtors enter into non-disclosure agreements with employees, OEMs, suppliers and others to protect the Debtors' confidential information and trade secrets, the Debtors may be unable to prevent such parties from breaching these agreements and using the Debtors' intellectual property in an unauthorized manner. If the Debtors' efforts to protect their intellectual property are unsuccessful, or if a third party misappropriates the Debtors' rights, this may adversely affect the Debtors' business. Defending the Debtors' intellectual property rights can be very expensive and time consuming, and there is no assurance that the Debtors will be successful.

- (r) ***If the Debtors inaccurately forecast demand for their products, the Debtors may manufacture insufficient or excess quantities or manufacturing costs could increase, which could adversely affect the Debtors' business.***

The Debtors plan manufacturing capacity based upon the forecasted demand for the Debtors' products. In the aftermarket channel, the Debtors' forecasts are based partially on discussions with the Debtors' dealers and distributors as well as the Debtors' own assessment of markets. If the Debtors incorrectly forecast demand the Debtors may incur capacity issues in the manufacturing plant and supply chain arenas, increased material costs, increased freight costs, additional overtime, and costs associated with excess inventory, all of which in turn adversely impact the Debtors' cost of sales and the Debtors' gross margin. Economic uncertainty in the United States, Europe and other countries may make accurate forecasting particularly challenging.

In the future, if actual demand for the Debtors' products exceeds forecasted demand, the margins on incremental sales in excess of anticipated sales may be lower due to temporary higher costs, which could result in a decrease in the Debtors' overall margins. If actual demand is less than the forecasted demand for the Debtors' products and the Debtors' have already manufactured the products or committed to purchase materials in support of forecasted demand, the Debtors could be forced to hold excess inventories. In short, either excess or insufficient production due to inaccurate forecasting could have a negative effect on the Debtors' business, financial condition or results of operations.

ARTICLE VIII

CONFIRMATION PROCEDURES

The following is a brief summary of the Confirmation process. Holders of Claims and Interests are encouraged to review the relevant provisions of the Bankruptcy Code and to consult with their own advisors.

8.1 The Confirmation Hearing

Under section 1128(a) of the Bankruptcy Code, the Bankruptcy Court, after notice, may hold a hearing to confirm a plan of reorganization. The Confirmation Hearing will be held on **March 28, 2018 at 11:00 a.m. (ET)**. The Confirmation Hearing may be continued from time to time without further notice other than an adjournment announced in open court or a notice of adjournment filed with the Bankruptcy Court and served on those parties who have requested notice under Bankruptcy Rule 2002 and the Entities who have filed an objection to the Plan, if any, without further notice to parties in interest. The Bankruptcy Court, in its discretion and prior to the Confirmation Hearing, may put in place additional procedures governing the Confirmation Hearing. Subject to section 1127 of the Bankruptcy Code and the Restructuring Support Agreement, the Plan may be modified, if necessary, prior to, during, or as a result of the Confirmation Hearing, without further notice to parties in interest.

Additionally, section 1128(b) of the Bankruptcy Code provides that any party in interest may object to Confirmation. The deadline for objecting to confirmation of the Plan is **March 21, 2018 at 4:00 p.m. (ET)**. All objections to confirmation of the Plan must be filed with the Bankruptcy Court and served on the Debtors and certain other parties in interest in accordance with the applicable order of the Bankruptcy Court so that they are received on or before the deadline to file such objections as set forth therein.

8.2 Confirmation Standards

Among the requirements for Confirmation are that the Plan is accepted by all Impaired Classes of Claims and Interests or, if rejected by an Impaired Class, that the Plan “does not discriminate unfairly” and is “fair and equitable” as to such Class, is feasible, and is in the “best interests” of holders of Claims and Interests that are Impaired under the Plan. The following requirements must be satisfied pursuant to section 1129(a) of the Bankruptcy Code before the Bankruptcy Court may confirm a plan of reorganization. The Plan fully complies with the statutory requirements for Confirmation listed below:

- The proponent of the Plan has complied with the applicable provisions of the Bankruptcy Code;
- The Plan has been proposed in good faith and not by any means forbidden by law;
- Any payment made or to be made by the Debtors (or any other proponent of the Plan) or by a Person issuing securities or acquiring property under the Plan, for services or for costs and expenses in or in connection with the Chapter 11 Cases, or in connection with the Plan and incident to the Chapter 11 Cases is subject to the approval of the Bankruptcy Court as reasonable;
- The Debtors (or any other proponent of the Plan) have disclosed the identity and affiliations of any individual proposed to serve, after Confirmation, as a director or officer of the Debtors, any Affiliate of the Debtors, or any successor to the Debtors under the Plan, and the appointment to, or continuance in, such office of such individual is consistent with the interests of Creditors and holders of Interests and with public policy;
- The proponent of the Plan has disclosed the identity of any Insider that will be employed or retained by the Reorganized Debtors and the nature of any compensation for such Insider;
- With respect to each holder within an Impaired Class of Claims or Interests, each such holder (a) has accepted the Plan or (b) will receive or retain under the Plan on account of such Claim or Interest property of a value, as of the Effective Date, that is not less than the amount that such holder would so receive or retain if the Debtors were liquidated under chapter 7 of the Bankruptcy Code on such date;
- With respect to each Class of Claims or Interests, such Class (a) has accepted the Plan or (b) is Unimpaired under the Plan (subject to the “cram-down” provisions discussed below);
- The Plan provides for treatment of Claims, as applicable, in accordance with the provisions of section 507(a) of the Bankruptcy Code;
- If a Class of Claims is Impaired under the Plan, at least one Class of Claims that is Impaired under the Plan has accepted the Plan, determined without including any acceptance of the Plan by any Insider;
- Confirmation is not likely to be followed by the liquidation, or the need for further financial reorganization, of the Reorganized Debtors, or any successor to the Debtors under the Plan, unless such liquidation or reorganization is proposed in the Plan; and

- All fees payable under 28 U.S.C. § 1930 have been paid or the Plan provides for the payment of all such fees on the Effective Date.

8.3 Best Interests Test / Liquidation Analysis

As described above, section 1129(a)(7) of the Bankruptcy Code requires that each holder of an Impaired Claim or Impaired Interest either (a) accepts the Plan or (b) receives or retains under the Plan property of a value, as of the Effective Date, that is not less than the value such holder would receive if the Debtors were liquidated under chapter 7 of the Bankruptcy Code. Based on the Liquidation Analysis, the Debtors believe that the value of any distributions if the Chapter 11 Cases were converted to cases under chapter 7 of the Bankruptcy Code would be no greater than the value of distributions under the Plan. As a result, the Debtors believe holders of Claims and Interests in all Impaired Classes will recover at least as much as a result of Confirmation of the Plan as they would recover through a hypothetical chapter 7 liquidation.

8.4 Feasibility

The Bankruptcy Code requires that a debtor demonstrate that confirmation of a plan of reorganization is not likely to be followed by liquidation or the need for further financial reorganization. For purposes of determining whether the Plan meets this requirement, the Debtors have analyzed their ability to meet their obligations under the Plan. As part of this analysis, the Debtors have prepared projections, which, together with the assumptions on which they are based, are attached hereto as **Exhibit B**. Based on such projections, the Debtors believe that they will be able to make all payments required under the Plan. Therefore, Confirmation of the Plan is not likely to be followed by liquidation or the need for further reorganization.

8.5 Confirmation Without Acceptance by All Impaired Classes

The Bankruptcy Court may confirm a plan of reorganization over the rejection or deemed rejection of the plan of reorganization by a class of claims or interests if the plan of reorganization “does not discriminate unfairly” and is “fair and equitable” with respect to such class.

(a) No Unfair Discrimination

This test applies to Classes of Claims or Interests that are of equal priority and are receiving different treatment under the Plan. The test does not require that the treatment be the same or equivalent, but that such treatment be “fair.” The Debtors do not believe the Plan discriminates unfairly against any Impaired Class of Claims or Interests. The Debtors believe the Plan and the treatment of all Classes of Claims and Interests under the Plan satisfy the foregoing requirements for nonconsensual confirmation.

(b) Fair and Equitable Test

This test applies to Classes of different priority and status (*e.g.*, secured versus unsecured) and includes the general requirement that no Class of Claims or Interests receive

more than 100% of the amount of the allowed Claims or Interests in such Class. As to a dissenting Class, the test sets different standards depending on the type of Claims or Interests of the Debtor in such Class. In order to demonstrate that a plan is fair and equitable, the plan proponent must demonstrate:

- Secured Creditors: Each holder of an impaired secured claim: (1) retains its liens on the property, to the extent of the allowed amount of its secured claim, and receives deferred cash payments having a value, as of the effective date of the chapter 11 plan, of at least the allowed amount of such claim; (2) has the right to credit bid the amount of its claim if its property is sold and retains its liens on the proceeds of the sale (or if sold, on the proceeds thereof); or (3) receives the “indubitable equivalent” of its allowed secured claim.
- Unsecured Creditors: Either (1) each holder of an impaired unsecured claim receives or retains under the chapter 11 plan property of a value equal to the amount of its allowed claim or (2) the holders of claims and interests that are junior to the claims of the non-accepting class will not receive any property under the chapter 11 plan.
- Equity Interests: Either (1) each holder of an impaired interest will receive or retain under the chapter 11 plan property of a value equal to the greatest of the fixed liquidation preference to which such holder is entitled, the fixed redemption price to which such holder is entitled, or the value of the interest or (2) the holders of interests that are junior to the non-accepting class will not receive or retain any property under the chapter 11 plan.

The Debtors believe the Plan satisfies the “fair and equitable” requirement notwithstanding that Classes 4, 5, 6, 7 are deemed to reject the Plan because, as to such Classes, there is no Class of equal priority receiving more favorable treatment and no Class that is junior to such Classes will receive or retain any property on account of the Claims or Interests in such Class.

8.6 Alternatives to Confirmation and Consummation of the Plan

If the Plan cannot be confirmed, the Debtors may seek to (1) prepare and present to the Bankruptcy Court an alternative chapter 11 plan for confirmation, (2) effect a merger or sale transaction, including, potentially, a sale of all or substantially all of the Debtors’ assets pursuant to section 363 of the Bankruptcy Code, or (3) liquidate the Debtors under chapter 7 of the Bankruptcy Code. If the Debtors were to pursue a liquidation, the Chapter 11 Cases would be converted to cases under chapter 7 of the Bankruptcy Code and a trustee would be elected or appointed to liquidate the assets of the Debtors for distribution in accordance with the priorities established by the Bankruptcy Code. A discussion of the effects that a chapter 7 liquidation would have on Creditors’ recoveries and the Debtors is described in the unaudited Liquidation Analysis, attached hereto as Exhibit C.

IMPORTANT SECURITIES LAW DISCLOSURE

9.1 Plan Securities

The Plan provides for the Reorganized Debtors to distribute New Common Units to certain holders of Allowed Claims in Class 3 and New Warrants to the Exit Term Loan Lenders in connection with the exchange of DIP Term Facility Claims for Exit Term Loans (collectively, the “Plan Securities”).

The Debtors believe that the Plan Securities may constitute “securities,” as defined in Section 2(a)(1) of the Securities Act, section 101 of the Bankruptcy Code, and all applicable state Blue Sky Laws.

9.2 Issuance and Resale of Plan Securities Under the Plan

(a) Exemptions from Registration Requirements of the Securities Act and State Blue Sky Laws

Section 1145 of the Bankruptcy Code provides that the registration requirements of section 5 of the Securities Act (and any applicable state Blue Sky Laws) shall not apply to the offer or sale of stock, options, warrants, or other securities by a debtor if: (x) the offer or sale occurs under a plan of reorganization; (y) the recipients of the securities hold a claim against, an interest in, or claim for administrative expense in the case concerning, the debtor; and (z) the securities are issued in exchange for a claim against, an interest in, or claim for administrative expense in the case concerning, a debtor or are issued principally in such exchange and partly for cash and property. Section 4(a)(2) of the Securities Act provides that the registration requirements of section 5 of the Securities Act will not apply to the offer or sale of stock, options, warrants, or other securities by an issuer not involving any public offering. In reliance upon these exemptions, the offer, issuance and distribution of the Plan Securities will not be registered under the Securities Act or any applicable state Blue Sky Laws.

The Debtors believe that the issuance and distribution of the New Common Units are covered by section 1145 of the Bankruptcy Code. Accordingly, the Debtors believe that the New Common Units may be resold without registration under the Securities Act or other federal securities laws, unless the holder is an “underwriter” (as discussed below) with respect to such securities, as that term is defined in section 1145 of the Bankruptcy Code. However, such securities will not be freely tradeable if, at the time of transfer, the holder thereof is an “affiliate” of the issuer as defined in Rule 144(a)(1) under the Securities Act or had been such an “affiliate” within 90 days of such transfer. In addition, New Common Units governed by section 1145 of the Bankruptcy Code generally may be able to be resold without registration under applicable state Blue Sky Laws pursuant to various exemptions provided by the respective Blue Sky Laws of those states. The availability of such exemptions, however, cannot be known unless individual state Blue Sky Laws are examined. The Debtors will seek to obtain, as part of the Confirmation Order, a provision confirming the foregoing exemptions.

It is not anticipated that any New Common Units will be issued pursuant to the exemption from registration set forth in section 4(a)(2) of the Securities Act or Regulation D promulgated thereunder, but if any New Common Units are issued pursuant to such exemption, those units will be considered “restricted securities” and may not be transferred except pursuant to an effective registration statement under the Securities Act or an available exemption therefrom.

The Plan contemplates the application of either section 1145 of the Bankruptcy Code or section 4(a)(2) of the Securities Act or Regulation D promulgated thereunder to the offering, issuance and distribution of the New Warrants, but at this time, the Debtors express no view as to whether the offering, issuance and distribution of the New Warrants is exempt from registration pursuant to section 1145 of the Bankruptcy Code and, in turn, whether any Person may freely resell the New Warrants or the New Common Units that are issued upon exercise of the New Warrants without registration under the Securities Act, other federal securities laws, or applicable state Blue Sky Laws. To the extent the offering, issuance and distribution of the New Warrants is not covered by section 1145 of the Bankruptcy Code, the New Warrants will be issued pursuant to the exemption from registration set forth in section 4(a)(2) of the Securities Act or Regulation D promulgated thereunder. The Debtors will seek to obtain, as part of the Confirmation Order, a provision confirming the foregoing exemptions.

New Warrants issued pursuant to section 4(a)(2) of the Securities Act or Regulation D promulgated thereunder will be considered “restricted securities” and may not be transferred except pursuant to an effective registration statement under the Securities Act or an available exemption therefrom. Resales of restricted securities would not be exempted by section 1145 of the Bankruptcy Code from registration under the Securities Act or other applicable law. Holders of restricted securities would, however, be permitted to resell such securities without registration if they are able to comply with the applicable provisions of Rule 144 or Rule 144A under the Securities Act, or another applicable exemption from the securities laws, or if such securities are registered with the SEC.

Recipients of the Plan Securities are advised to consult with their own legal advisors as to the availability and applicability of section 1145 of the Bankruptcy Code to the Plan Securities and any other potential exemption from registration under the Securities Act or applicable state Blue Sky Laws in any given instance and as to any applicable requirements or conditions to such availability.

(b) **Resales of New Common Units and New Warrants; Definition of Underwriter**

Section 1145(b)(1) of the Bankruptcy Code defines an “underwriter” as one who, except with respect to “ordinary trading transactions of an entity that is not an issuer”: (a) purchases a claim against, interest in, or claim for an administrative expense in the case concerning, the debtor, if such purchase is with a view to distribution of any security received or to be received in exchange for such claim or interest; (b) offers to sell securities offered or sold under a plan for the holders of such securities; (c) offers to buy securities offered or sold under a plan from the holders of such securities, if such offer to buy is (1) with a view to distribution of such securities

and (2) under an agreement made in connection with the plan, with the consummation of the plan, or with the offer or sale of securities under the plan; or (d) is an issuer of the securities within the meaning of section 2(a)(11) of the Securities Act. In addition, a Person who receives a fee in exchange for purchasing an issuer's securities could also be considered an underwriter within the meaning of section 2(a)(11) of the Securities Act.

The definition of an "issuer" for purposes of whether a Person is an underwriter under section 1145(b)(1)(D) of the Bankruptcy Code, by reference to section 2(a)(11) of the Securities Act, includes as "statutory underwriters" all persons who, directly or indirectly, through one or more intermediaries, control, are controlled by, or are under common control with, an issuer of securities. The reference to "issuer," as used in the definition of "underwriter" contained in section 2(a)(11) of the Securities Act, is intended to cover "controlling persons" of the issuer of the securities. "Control," as defined in Rule 405 of the Securities Act, means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a Person, whether through the ownership of voting securities, by contract, or otherwise. Accordingly, an officer, director or significant shareholder of a reorganized debtor or its successor under a plan of reorganization may be deemed to be a "controlling Person" of such debtor or successor, particularly, with respect to officers and directors, if the management position or directorship is coupled with ownership of a significant percentage of the reorganized debtor's or its successor's voting securities. In addition, the legislative history of section 1145 of the Bankruptcy Code may suggest that a creditor who owns ten percent (10%) or more of a class of voting securities of a reorganized debtor may be presumed to be a "controlling Person" and, therefore, an underwriter.

Resales of the New Common Units and New Warrants by holders that are deemed to be "underwriters" (which definition includes "controlling persons" of an issuer) are not exempted by section 1145 of the Bankruptcy Code from registration under the Securities Act, state Blue Sky Laws, or other applicable law. Under certain circumstances, holders of New Common Units or New Warrants who are deemed to be "underwriters" may be entitled to resell their New Common Units or New Warrants pursuant to the limited safe harbor resale provisions of Rule 144 of the Securities Act. Rule 144 provides a limited safe harbor for the public resale of restricted securities if certain conditions are met. These conditions vary depending on whether the holder of the restricted securities is an "affiliate" of the issuer. Rule 144 defines an affiliate as "a person that directly, or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, such issuer."

A non-affiliate of an issuer that is not subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act and who has not been an affiliate of the issuer during the 90 days preceding such sale may resell restricted securities after a one-year holding period whether or not there is current public information regarding the issuer. An affiliate of an issuer that is not subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act may resell restricted securities after the one-year holding period if at the time of the sale certain current public information regarding the issuer is available. An affiliate must also comply with the volume, manner of sale and notice requirements of Rule 144. The issuer of the Plan Securities, however, does not intend to file periodic or current reports under the Exchange Act or seek to list

any such securities for trading on a national securities exchange. Consequently, “current public information” (as such term is defined in Rule 144) regarding the issuer of the Plan Securities is not expected to be available for purposes of sales of any such securities under Rule 144 by holders who are deemed to be “underwriters” or to holders of “restricted securities.”

Whether any particular Person would be deemed to be an “underwriter” (including whether such Person is a “controlling Person”) with respect to the Plan Securities would depend upon various facts and circumstances applicable to that Person. Accordingly, the Debtors express no view as to whether any Person would be deemed an “underwriter” with respect to any of the Plan Securities and, in turn, whether any Person may freely resell the Plan Securities. *The Debtors recommend that potential recipients of Plan Securities consult their own counsel concerning their ability to freely trade such securities without registration under the federal and applicable state Blue Sky Laws.*

CERTAIN U.S. FEDERAL INCOME TAX CONSEQUENCES

10.1 Introduction

The following discussion summarizes certain U.S. federal income tax consequences of the consummation of the Plan to certain holders of Prepetition Debt Obligations (“Holders”) and the Debtors relating to the exchange of such Prepetition Debt Obligations for the New Common Units pursuant to the Plan, the ownership and disposition of New Common Units acquired in the Plan, and the extinguishment of certain Prepetition Debt Obligations pursuant to the Plan. This summary does not address the U.S. federal income tax consequences to Holders who are unimpaired and Holders who are not entitled to vote under the Plan or the U.S. federal income tax consequences with respect to the DIP Facilities, the Exit Facilities and the New Warrants. The effects of other U.S. federal tax laws, such as estate and gift tax laws, and any applicable state, local or non-U.S. tax laws are not included in this discussion. The U.S. federal income tax consequences of the Plan are complex and are subject to significant uncertainties and the following summary is not exhaustive. For these reasons, the discussion is not a substitute for individualized advice, and thus Holders should consult their own tax advisors based upon the individual circumstances of each Holder. This discussion is based upon the provisions of the Internal Revenue Code of 1986, as amended (the “Code”), final, temporary and proposed United States Treasury regulations promulgated under the Code (the “Regulations”), and administrative rulings and judicial decisions of the Internal Revenue Service (the “IRS”), in each case as of the date hereof. These authorities are subject to differing interpretations and may be changed, perhaps retroactively, resulting in U.S. federal income tax consequences materially different from those summarized below. The Debtors have not requested an opinion of counsel. Moreover, no ruling from the IRS has been obtained, or is intended to be obtained, with respect to the statements made and the conclusions reached in the following summary, and there can be no assurance that the IRS will agree with such statements and conclusions, or that if the IRS were to challenge such conclusions such challenge would not be sustained by a court.

This discussion is limited to Holders that hold the Prepetition Debt Obligations and New Common Units as “capital assets” within the meaning of Section 1221 of the Code (generally, property held for investment) and that acquire the New Common Units pursuant to the Plan. This discussion also assumes that the various debt and other arrangements to which any of the Debtors are a party will be respected for U.S. federal income tax purposes in accordance with their form. This discussion does not address all U.S. federal income tax consequences relevant to a Holder’s particular circumstances, including the impact of the “net investment income” tax. In addition, it does not address consequences relevant to Holders subject to special rules, including, without limitation:

- brokers, dealers or traders in securities;
- banks, insurance companies and other financial institutions;
- tax-exempt organizations or governmental organizations;
- real estate investment trusts or regulated investment companies;
- grantor trusts;
- corporations treated as personal holding companies;
- S corporations, partnerships or other entities or arrangements treated as partnerships or any other pass-through entity for U.S. federal income tax purposes;
- “controlled foreign corporations,” “passive foreign investment companies” and corporations that accumulate earnings to avoid U.S. federal income tax;
- persons who hold or receive the New Common Units as compensation;
- tax-qualified retirement plans;
- persons that hold the New Common Units as part of a hedge, straddle or other risk reduction strategy or as part of a conversion transaction or other integrated investment;
- persons that purchase or sell the New Common Units as part of a wash sale for tax purposes;
- U.S. expatriates and certain former citizens or long-term residents of the United States;
- persons that are related to the Debtors within the meaning of the Code;
- U.S. Holders whose functional currency for tax purposes is not the U.S. dollar; and
- persons subject to the alternative minimum tax.

If a partnership (or other entity or arrangement treated as a partnership for U.S. federal income tax purposes) is a beneficial owner of the Prepetition Debt Obligations or New Common Units as the case may be, the tax treatment of a partner in the partnership will depend on the status of the partner, the activities of the partnership and certain determinations made at the partner level. Accordingly, partnerships holding the Prepetition Debt Obligations or New Common Units and the partners in such partnerships should consult their own tax advisors regarding the U.S. federal income tax consequences of participating in the Plan and of the ownership of the New Common Units.

This discussion does not address the tax consequences to any person that acquires New Common Units in the secondary market. Moreover, this discussion is based on the ‘Restructuring Transactions’ described herein and assumes that such Restructuring Transactions will be completed in accordance with the Plan. Pursuant to the Plan, the Restructuring Transactions may be modified or revised by the Requisite Consenting Term Lenders and the Debtors (in their reasonable discretion). In the event of any revision, the U.S. federal income tax consequences described herein to the respective parties could materially differ.

THIS DISCUSSION IS FOR INFORMATIONAL PURPOSES ONLY AND IS NOT INTENDED AS TAX ADVICE. HOLDERS SHOULD CONSULT THEIR OWN TAX ADVISORS WITH RESPECT TO THE APPLICATION OF THE U.S. FEDERAL INCOME TAX LAWS TO THEIR PARTICULAR SITUATIONS AS WELL AS ANY TAX CONSEQUENCES OF PARTICIPATING IN THE PLAN AND OF THE OWNERSHIP OF THE NEW COMMON UNITS ARISING UNDER THE U.S. FEDERAL ESTATE OR GIFT TAX LAWS OR UNDER THE LAWS OF ANY STATE, LOCAL OR NON-U.S. TAXING JURISDICTION OR UNDER ANY APPLICABLE INCOME TAX TREATY.

10.2 Certain U.S. Federal Income Tax Consequences to the Debtors

For U.S. federal income tax purposes, the Debtors are members of an affiliated group of corporations (or disregarded entities wholly owned by members of such group) of which Velocity Holdings is the common parent that files a single consolidated U.S. federal income tax return (such group, the “Velocity Holdings Consolidated Group”). Debtors that are disregarded entities are not themselves subject to U.S. federal income tax. Instead, each Debtor that wholly owns interests in another Debtor that is treated as a disregarded entity is required to report on its U.S. federal income tax return, and is subject to tax in respect of, income, gain, loss, deduction and credit of such Debtors. The following discussion, therefore, addresses only the Debtors that are not disregarded entities for U.S. federal income tax purposes.

(a) Taxable Transfer of Assets

The Debtors expect that the exchange of the Prepetition Debt Obligations for the New Common Units will be treated as (i) a taxable purchase of all of the assets of Velocity Pooling Vehicle, LLC (“Velocity Pooling”), which consist solely of all of outstanding stock of Ralco Holdings, Inc., in consideration for the satisfaction and extinguishment of Prepetition Debt Obligations, followed by (ii) a contribution of such assets to Reorganized Pooling in exchange for the New Common Units. It is intended that a timely election will be made under Section 336(e) of the Code (a “Section 336(e) Election”) with respect to the stock of one or more Debtors that are treated as a corporation for U.S. federal income tax purposes (except for Velocity Holdings), such that the transfer of such interests will be treated as a taxable sale of the assets of each such Debtor for U.S. federal income tax purposes.

Pursuant to a Section 336(e) Election, each such Debtor will recognize either gain to the extent “aggregate deemed asset disposition price” (as determined under Regulation Section

1.336-3; such price, “ADADP”) allocated to each of the Debtors’ individual assets exceeds the basis in such asset or loss to the extent the basis in such asset exceeds its allocated ADADP. ADADP generally equals the amount realized (or that is deemed to have been realized) on a taxable sale (or deemed taxable sale) of stock in the applicable Debtor increased by the amount of liabilities in such Debtor, in each case, as determined under Regulation Section 1.336-3. ADADP may or may not be equal to the fair market value of the assets at the time of the exchange.

Several provisions of the Code can defer or disallow a loss recognized as a result of a transfer of assets under certain circumstances, such as a transaction between related parties. The Debtors expect, based on their understanding as of the date hereof of the ownership of Velocity Holdings, that the related party loss disallowance rules generally would not apply to the Restructuring Transactions.

In general, the initial tax basis in the assets of Reorganized Debtors immediately after the exchange of the Prepetition Debt Obligations for the New Common Units will generally equal the ADADP allocated to such assets under Regulation Section 1.336-3.

(b) **Cancellation of Debt Income and Reduction of Tax Attributes**

The Debtors may realize cancellation of debt income (“COD income”) as a result of the satisfaction and extinguishment of the Prepetition Debt Obligations in exchange for the New Common Units under the Plan. COD income generally is the amount by which the adjusted issue price of indebtedness discharged exceeds the fair market value of the consideration given in exchange therefor, which, for U.S. federal income tax purposes, is expected to be the assets of the Debtors, as described above under “—*Taxable Transfer of Assets.*” Under Section 108 of the Code, COD income is excluded from a debtor’s gross income if the debtor is under the jurisdiction of a court in a case under chapter 11 of the Bankruptcy Code and the discharge of debt occurs pursuant to that proceeding. Instead, as a consequence of such exclusion, a debtor must reduce its tax attributes by the amount of COD income that is excluded from gross income. In general, tax attributes will be reduced in the following order: (a) net operating losses; (b) general business credit carryforwards; (c) minimum tax credit carryforwards; (d) capital loss carryforwards; (e) the tax basis of depreciable and nondepreciable assets (but not below the amount of their liabilities immediately after the discharge); (f) passive activity loss and credit carryforwards; and (g) foreign tax credit carryforwards. A debtor may elect pursuant to Section 108(b)(5) of the Code to alter the preceding order of attribute reduction and, instead, first reduce the tax basis of its depreciable assets and then to reduce net operating losses.

Velocity Holdings expects to realize COD income as a result of the Plan. The amount of COD income will depend on, among other things, whether the Plan is consummated and the fair market value of the assets of the Debtors that are deemed to have been sold in the exchange. Pursuant to Section 108 of the Code, however, Velocity Holdings will not be required to include COD income in gross income under the bankruptcy exception. Instead, Velocity Holdings will be required to reduce its tax attributes, such as its net operating losses, in accordance with Section 108(b) of the Code after determining the taxable income (or loss) of the Velocity

Holdings Consolidated Group for the taxable year of discharge. The Debtors do not expect to make an election under Section 108(b)(5) of the Code described above. As the holders of Prepetition Debt Obligations are acquiring the assets of Velocity Pooling, the tax attributes of the Debtors will remain with the Debtors.

10.3 Certain U.S. Federal Income Tax Consequences to Holders of Prepetition Debt Obligations

The following discussion only applies to U.S. Holders of Prepetition Debt Obligations. As used herein, the term “U.S. Holder” means a beneficial owner of the Prepetition Debt Obligations or New Common Units that is:

- an individual who is a citizen or resident of the United States;
- a corporation (or any other entity treated as a corporation for U.S. federal income tax purposes) created or organized in or under the laws of the United States or any state thereof, or the District of Columbia;
- an estate the income of which is subject to U.S. federal income taxation regardless of its source; or
- a trust that (i) is subject to the primary supervision of a U.S. court and the control of one or more U.S. persons (within the meaning of Section 7701(a)(30) of the Code), or (ii) has made a valid election under applicable Regulations to continue to be treated as a domestic trust.

(a) Exchange of Prepetition Debt Obligations for New Common Units

As described above, the Debtors expect that the full satisfaction and extinguishment of the Prepetition Debt Obligations and the receipt of the New Common Units will be treated as (i) a taxable purchase of all of the assets of Velocity Pooling in consideration for the satisfaction and extinguishment of Prepetition Debt Obligations, followed by (ii) a contribution of such assets to Reorganized Pooling in exchange for the New Common Units.

So treated, each U.S. Holder generally should recognize gain or loss in an amount equal to the difference, if any, between (a) the aggregate fair market value of the New Common Units received in exchange for its Prepetition Debt Obligations (other than possibly any consideration received in respect of a claim for accrued but unpaid interest and possibly OID), and (b) the U.S. Holder’s adjusted tax basis in its Prepetition Debt Obligations (other than possibly any tax basis attributable to accrued but unpaid interest and possibly OID). See “—*Character of Gain or Loss*” below. However, the recognition of any loss is subject to complex related party rules. Accordingly, any U.S. Holder of any Prepetition Debt Obligation that owns or that may be related to a person that owns interests in Velocity Holdings is urged to consult its own tax advisor regarding the potential application of any related party loss disallowance rules. A U.S.

Holder will have interest income to the extent of the value of New Common Units allocable to accrued but unpaid interest not previously included in income. See “—*Accrued Interest or OID*” below.

The deemed contribution to Reorganized Pooling of the assets of Velocity Pooling deemed purchased in exchange for the New Common Units is expected to be a tax-free contribution, with Reorganized Pooling being treated as a newly formed partnership for U.S. federal income tax purposes.

Thus, a U.S. Holder should have a tax basis in the New Common Units received equal to the fair market value of such New Common Units taken into account in determining gain or loss, and the U.S. Holder’s holding period for the New Common Units should begin the day following the Effective Date.

Accrued Interest or OID. In general, to the extent that any consideration received pursuant to the Plan by a U.S. Holder of Prepetition Debt Obligations is received in satisfaction of accrued interest during its holding period, such amount will be taxable to the U.S. Holder as interest income (if not previously included in the U.S. Holder’s gross income). Conversely, a U.S. Holder may be able to recognize a deductible loss (or, possibly, a write off against a reserve for worthless debts) to the extent any accrued interest claimed or accrued original issue discount (“OID”) was previously included in its gross income and is not paid in full. Such loss may be ordinary, but the tax law is unclear on this point.

The Plan provides that, except as otherwise required by law, consideration received in respect of an Allowed Claim is allocable first to the principal amount of the Claim and then, to the extent of any excess, to the remainder of the Claim, including any Claim for accrued but unpaid interest (in contrast, for example, to a pro rata allocation of a portion of the exchange consideration received between principal and interest, or an allocation first to accrued but unpaid interest). See Section 6.21 of the Plan. There is no assurance that the IRS will respect such allocation for U.S. federal income tax purposes. U.S. Holders are urged to consult their own tax advisors regarding the allocation of consideration and the inclusion and deductibility of accrued but unpaid interest for U.S. federal income tax purposes.

Character of Gain or Loss. Where gain or loss is recognized by a U.S. Holder, the character of such gain or loss as long-term or short-term capital gain or loss or as ordinary income or loss will be determined by a number of factors, including the tax status of the U.S. Holder, whether Prepetition Debt Obligations constitute a capital asset in the hands of the U.S. Holder and how long it has been held, whether Prepetition Debt Obligation was acquired at a market discount and whether and to what extent the U.S. Holder previously claimed a bad debt deduction.

Market Discount. If a U.S. Holder acquired the Prepetition Debt Obligations for less than the adjusted issue price of the Prepetition Debt Obligations and the difference between the U.S. Holder’s cost and the adjusted issue price exceeded a *de minimis* threshold (equal to 0.25 percent of the sum of all remaining payments to be made on the debt instrument, excluding qualified stated interest, multiplied by the number of remaining whole years to maturity), such

difference will generally be treated as market discount. The “adjusted issue price” of the Prepetition Debt Obligations at the beginning of an accrual period will equal its issue price (which generally equals the principal amount as adjusted by any discount), increased by the aggregate amount of OID that has accrued on the Prepetition Debt Obligations in all prior accrual periods, and decreased by all amounts that have been previously paid with respect to the Prepetition Debt Obligations other than qualified stated interest. A U.S. Holder that recognizes gain on the tender of the Prepetition Debt Obligations pursuant to the Plan must include in income as ordinary income any capital gain that would have otherwise been recognized to the extent of the accrued market discount on the Prepetition Debt Obligations that are exchanged in a taxable transaction, unless the U.S. Holder previously elected to include the market discount in income as it accrued.

U.S. Holders should consult their own tax advisors regarding the tax treatment of the exchange of the Prepetition Debt Obligations for the New Common Units in light of the overall transaction under the Plan.

(b) **Taxation of the New Common Units**

General. It is expected that Reorganized Pooling will be treated as a partnership for U.S. federal income tax purposes. As a partnership, Reorganized Pooling itself generally will not be subject to U.S. federal income tax. Instead, Reorganized Pooling will file an annual partnership return with the IRS, which form will report the results of Reorganized Pooling’s operations. Each Holder that receives Reorganized Pooling’s New Common Units will be required to report on its U.S. federal income tax return, and will be subject to tax in respect of, its distributive share of each item of Reorganized Pooling’s income, gain loss, deduction and credit for each taxable year of Reorganized Pooling ending with or within such Holder’s taxable year. Although there can be no assurance as to the scope of the future activities of Reorganized Pooling, so long as Reorganized Pooling owns only the stock of Ralco Holdings, Inc., it is expected that each Holder’s distributive share of income will consist primarily of dividends and capital gain from the disposition of corporate stock. Each item generally will have the same character as if the Holder, as a member of Reorganized Pooling, had realized the item directly. Holders will be required to report these items regardless of the extent to which, or whether, they receive cash distributions from Reorganized Pooling for such taxable year, and thus may incur income tax liabilities in excess of any distributions from Reorganized Pooling. Reorganized Pooling will provide each Holder with the necessary information to report its allocable share of the Reorganized Pooling’s tax items for U.S. federal income tax purposes; however, no assurance can be given that Reorganized Pooling will be able to provide such information prior to the initial due date of the Holders’ U.S. federal income tax returns and the Holders may therefore be required to apply to the IRS for an extension of time to file their tax returns.

The New Board will generally decide how certain items will be reported on Reorganized Pooling’s U.S. federal income tax returns, and all Holders will be required under the Code to treat the items consistently on their own returns, unless they file a statement with the IRS disclosing the inconsistency. In the event that the income tax returns of Reorganized Pooling are audited by the IRS, the tax treatment of Reorganized Pooling’s income and deductions generally

will be determined at the Reorganized Pooling level in a single proceeding, rather than in individual audits of the Holders. The tax matters partner and partnership representative, as applicable, will have considerable authority under both the Code (or similar provisions of state or local law) and the limited liability company agreement for Reorganized Pooling to make decisions affecting the tax treatment and procedural rights of all Holders.

Distributions; Liquidation. A U.S. Holder generally will not recognize gain or loss on the receipt of a distribution of cash or property from Reorganized Pooling (provided that the U.S. Holder is not treated as exchanging such U.S. Holder's share of Reorganized Pooling's "unrealized receivables" and/or certain "inventory items" (as those terms are defined in the Code, and together "Ordinary Income Items") for other partnership property). A U.S. Holder, however, will recognize gain on the receipt of a distribution of money and, in some cases, "marketable securities," from Reorganized Pooling (including any constructive distribution of money resulting from a reduction of the U.S. Holder's share of the indebtedness of Reorganized Pooling) to the extent such cash distribution or the fair market value of such marketable securities distributed exceeds such U.S. Holder's adjusted tax basis in its New Common Units. Such distribution would be treated as gain from the sale or exchange of New Common Units, which is described below.

A U.S. Holder will recognize gain on the complete liquidation of its New Common Units only to the extent the amount of money received exceeds its adjusted tax basis in its New Common Units. Distributions of certain marketable securities are treated as distributions of money for purposes of determining gain. Any gain recognized by a U.S. Holder on the receipt of a distribution from Reorganized Pooling generally will be capital gain, but may be taxable as ordinary income under certain circumstances. No loss can be recognized on a distribution in liquidation of a New Common Unit, unless the U.S. Holder receives no property other than money and Ordinary Income Items.

A U.S. Holder's adjusted tax basis in its interest in Reorganized Pooling generally will be equal to such U.S. Holder's initial tax basis (discussed above), increased by the sum of (a) any additional capital contribution such U.S. Holder makes to Reorganized Pooling, (b) such U.S. Holder's allocable share of the income of Reorganized Pooling, and (c) increases in such U.S. Holder's allocable share of the indebtedness of Reorganized Pooling and reduced, but not below zero, by the sum of (d) such U.S. Holder's allocable share of the losses of Reorganized Pooling, and (e) the amount of money or the adjusted tax basis of property distributed to such U.S. Holder, including constructive distributions of money resulting from reductions in such U.S. Holder's allocable share of the indebtedness of Reorganized Pooling.

Sale, Exchange or Other Disposition of the New Common Units. A sale of all or part of a U.S. Holder's New Common Units will generally result in the recognition of gain or loss in an amount equal to the difference between the amount of the sale proceeds or distribution (including any constructive distribution) and such U.S. Holder's adjusted tax basis for the portion of the New Common Units disposed of. Any gain or loss recognized with respect to such sale generally will be treated as capital gain or loss, and will be long-term capital gain or loss if the New Common Units have been held for more than one year, except to the extent (i) that the

proceeds of the sale are attributable to the U.S. Holder's allocable share of certain Ordinary Income Items of Reorganized Pooling and such proceeds exceed the U.S. Holder's adjusted tax basis attributable to such Ordinary Income Items and (ii) of previously allowed bad debt or ordinary loss deductions. A U.S. Holder's ability to deduct any loss recognized on the sale of its New Common Units will depend on the U.S. Holder's own circumstances and may be restricted under the Code.

The foregoing summary has been provided for information purposes only. Each U.S. Holder of Prepetition Debt Obligations and New Common Units should consult its own tax advisor concerning the U.S. federal, state, local, and other tax consequences applicable under the Plan.

(c) **Information Reporting and Backup Withholding**

Payments of interest (including accruals of OID) or dividends and any other reportable payments, possibly including payments of proceeds from the sale, retirement or other disposition of New Common Units, may be subject to backup withholding, currently at a rate of 24%, if U.S. Holder fails to certify its taxpayer identification number or otherwise fails to comply with applicable certification requirements. Certain U.S. Holders (including, among others, certain tax-exempt organizations) are not subject to information reporting and backup withholding. Any amounts withheld under the backup withholding rules generally will be allowed as a refund or a credit against the U.S. Holder's U.S. federal income tax liability, provided the required information is timely furnished to the IRS.

U.S. Treasury regulations generally require disclosure by a taxpayer on its U.S. federal income tax return of certain types of transactions in which the taxpayer participated, including, among other types of transactions, certain transactions that result in the taxpayer's claiming a loss in excess of certain thresholds. U.S. Holders should consult their own tax advisors regarding application of such U.S. Treasury regulations and backup withholding rules.

10.4 Certain U.S. Federal Income Tax Consequences to Non-U.S. Holders of Prepetition Debt Obligations

The rules governing U.S. federal income taxation of a Non-U.S. Holder are complex. The following discussion includes only certain U.S. federal income tax consequences of the Restructuring Transaction to Non-U.S. Holders. The discussion does not include any non-U.S. tax considerations. Non-U.S. Holders should consult with their own tax advisors to determine the effect of U.S. federal, state, and local tax laws, as well as any other applicable non-U.S. tax laws and/or treaties, with regard to their participation in the transactions contemplated by the Plan, their ownership of Prepetition Debt Obligations, and the ownership and disposition of the New Common Units and other considerations, as applicable.

(a) **Exchange of Prepetition Debt Obligations for New Common Units**

Whether a Non-U.S. Holder realizes gain or loss on the exchange and the amount of such

gain or loss is determined in the same manner as set forth above in connection with U.S. Holders.

Subject to the discussion below regarding “FATCA,” any gain realized by a Non-U.S. Holder on the full satisfaction and extinguishment of the Prepetition Debt Obligations and the receipt of the New Common Units generally will not be subject to U.S. federal income taxation unless (a) the Non-U.S. Holder is an individual who was present in the U.S. for 183 days or more during the taxable year in which the transactions occur and certain other conditions are met or (b) such gain is effectively connected with the conduct by such Non-U.S. Holder of a trade or business in the U.S. (and if an income tax treaty applies, such gain is attributable to a permanent establishment maintained by such Non-U.S. Holder in the United States).

If the first exception applies, the Non-U.S. Holder generally will be subject to U.S. federal income tax at a rate of 30% (or at a reduced rate or exemption from tax under an applicable income tax treaty) on the amount by which such Non-U.S. Holder’s capital gains allocable to U.S. sources exceed capital losses allocable to U.S. sources during the taxable year of the exchange. If the second exception applies, the Non-U.S. Holder generally will be subject to U.S. federal income tax with respect to any gain realized on the exchange if such gain is effectively connected with the Non-U.S. Holder’s conduct of a trade or business in the U.S. in the same manner as a U.S. Holder. In order to claim an exemption from withholding tax, such Non-U.S. Holder will be required to provide a properly executed IRS Form W-8ECI (or such successor form as the IRS designates). In addition, if such Non-U.S. Holder is a corporation, it may be subject to a branch profits tax equal to 30% (or such lower rate provided by an applicable income tax treaty) of its effectively connected earnings and profits for the taxable year, subject to certain adjustments.

Accrued Interest or OID. Subject to the discussion below regarding “FATCA,” any amounts received by a Non-U.S. Holder that are attributable to accrued but untaxed interest (including OID), generally will not be subject to U.S. federal income or withholding tax, provided that the withholding agent has received or receives, prior to payment, appropriate documentation (generally, IRS Form W-8BEN or W-8BEN-E) establishing that the Non-U.S. Holder is not a U.S. person, and provided that:

(i) the Non-U.S. Holder does not actually or constructively own 10% or more of the total combined voting power of all classes of Velocity Holdings’ stock entitled to vote;

(ii) the Non-U.S. Holder is not a “controlled foreign corporation” that is a “related person” with respect to Velocity Holdings (each, within the meaning of the Code);

(iii) the Non-U.S. Holder is not a bank receiving interest described in Code section 881(c)(3)(A); or

(iv) such interest is not effectively connected with the conduct by the Non-U.S. Holder of a trade or business within the U.S. (in which case, provided the Non-U.S. Holder provides a properly executed IRS Form W-8ECI (or successor form) to the withholding agent, the Non-U.S. Holder (x) generally will not be subject to withholding tax, but (y) will be subject to U.S. federal income tax in the same manner as a U.S. Holder (unless an applicable income tax treaty provides

otherwise), and a Non-U.S. Holder that is a corporation for U.S. federal income tax purposes may also be subject to a branch profits tax with respect to such Non-U.S. Holder's effectively connected earnings and profits that are attributable to the accrued but untaxed interest at a rate of 30% (or at a reduced rate or exemption from tax under an applicable income tax treaty)).

Subject to the discussion below regarding "FATCA," a Non-U.S. Holder that does not qualify for exemption from withholding tax with respect to interest that is not effectively connected income generally will be subject to withholding of U.S. federal income tax at a 30 percent rate (or at a reduced rate or exemption from tax under an applicable income tax treaty) on amounts that are attributable to interest, including any OID.

For purposes of providing a properly executed IRS Form W-8BEN or W-8BEN-E, special procedures are provided under applicable Treasury Regulations for payments through qualified foreign intermediaries or certain financial institutions that hold customers' securities in the ordinary course of their trade or business.

(b) **Taxation of New Common Units**

Each Non-U.S. Holder that receives Reorganized Pooling's New Common Units will be required to include its distributive share of each item of Reorganized Pooling's income, gain loss, deduction and credit for each taxable year of Reorganized Pooling ending with or within such Non-U.S. Holder's taxable year. Although there can be no assurance as to the scope of the future activities of Reorganized Pooling, so long as Reorganized Pooling owns only the stock of Ralco Holdings, Inc. and owns no other assets and conducts no activities or business at the level of Reorganized Pooling, it is expected that (i) each Non-U.S. Holder's distributive share of income will consist primarily of dividends paid by and capital gain from the disposition of corporate stock of Ralco Holdings Inc., (ii) Reorganized Pooling will not be treated as engaged in a U.S. trade or business and (iii) a Non-U.S. Holder therefore will not be treated as engaged in a U.S. trade or business and will not recognize income effectively connected with the conduct of a U.S. trade or business (or if an income tax treaty applies, income attributable to a permanent establishment maintained by such Non-U.S. Holder in the United States) solely as a result of owning the New Common Units. Each item generally will have the same character as if the Non-U.S. Holder, as a member of Reorganized Pooling, had realized the item directly.

Any distributions made with respect to the stock of Ralco Holdings Inc. will constitute dividends for U.S. federal income tax purposes to the extent of its current or accumulated earnings and profits as determined under U.S. federal income tax principles. Except as described below, a Non-U.S. Holder's distributive share of Reorganized Pooling's dividends paid with respect to the stock of Ralco Holdings Inc. that is not effectively connected with a Non-U.S. Holder's conduct of a U.S. trade or business (or if an income tax treaty applies, is not attributable to a permanent establishment maintained by such Non-U.S. Holder in the U.S.) will be subject to U.S. federal withholding tax at a rate of 30% (or lower treaty rate or exemption from tax, if applicable). A Non-U.S. Holder generally will be required to satisfy certain IRS certification requirements in order to claim a reduction of or exemption from withholding under a tax treaty generally by filing IRS Form W-8BEN or W-8BEN-E (or a successor form) upon which the Non-U.S. Holder certifies, under penalties of perjury, its status as a non-U.S. person and its

entitlement to the lower treaty rate or exemption from tax with respect to such payments.

A Non-U.S. Holder's share of Reorganized Pooling's dividend income received with respect to the stock of Ralco Holdings Inc. that is effectively connected with a Non-U.S. Holder's conduct of a U.S. trade or business (and if an income tax treaty applies, is attributable to a permanent establishment maintained by such Non-U.S. Holder in the U.S.) generally will be subject to U.S. federal income tax in the same manner as a U.S. Holder, and a Non-U.S. Holder that is a corporation for U.S. federal income tax purposes may also be subject to a branch profits tax with respect to such Non-U.S. Holder's effectively connected earnings and profits that are attributable to the dividends at a rate of 30% (or at a reduced rate or exemption from tax under an applicable income tax treaty).

Sale, Exchange or Other Disposition of the New Common Units. Subject to the discussion below regarding "FATCA," a Non-U.S. Holder generally will not be subject to U.S. federal income tax with respect to any gain realized on the sale or other taxable disposition (including a cash redemption) of the New Common Units, unless:

(i) such Non-U.S. Holder is an individual who is present in the U.S. for 183 days or more in the taxable year of disposition;

(ii) such gain is effectively connected with such Non-U.S. Holder's conduct of a U.S. trade or business (and if an income tax treaty applies, such gain is attributable to a permanent establishment maintained by such Non-U.S. Holder in the United States); or

(iii) Ralco Holdings Inc. is or has been during a specified testing period a "U.S. real property holding corporation" ("USRPHC") for U.S. federal income tax purposes.

If the first exception applies, the Non-U.S. Holder generally will be subject to U.S. federal income tax at a rate of 30% (or at a reduced rate or exemption from tax under an applicable income tax treaty) on the amount by which such Non-U.S. Holder's capital gains allocable to U.S. sources exceed capital losses allocable to U.S. sources during the taxable year of disposition of the New Common Units. If the second exception applies, the Non-U.S. Holder generally will be subject to U.S. federal income tax with respect to such gain in the same manner as a U.S. Holder, and a Non-U.S. Holder that is a corporation for U.S. federal income tax purposes may also be subject to a branch profits tax with respect to earnings and profits effectively connected with a U.S. trade or business that are attributable to such gains at a rate of 30% (or at a reduced rate or exemption from tax under an applicable income tax treaty). With respect to the third exception above, the Debtors have not conducted any analysis to determine whether Ralco Holdings Inc. is currently, or likely to become, a USRPHC for U.S. federal income tax purposes. If Ralco Holdings Inc. is or becomes a USRPHC, during the specified testing period, gain recognized by such Non-U.S. Holder on the sale, exchange or other disposition of the New Common Units will be subject to tax at generally applicable U.S. federal income tax rates and a purchaser of the New Common Units from such Non-U.S. Holder would be required to withhold U.S. federal income tax at a rate of 15% of the amount realized upon such disposition.

10.5 FATCA

Under the Foreign Account Tax Compliance Act (“FATCA”), foreign financial institutions and certain other foreign entities must report certain information with respect to their U.S. account holders and investors or be subject to withholding at a rate of 30 percent on the receipt of “withholdable payments.” For this purpose, “withholdable payments” are generally U.S.-source payments of fixed or determinable, annual or periodical income, including U.S.-source interest (including OID) paid in respect of instruments such as the Prepetition Debt Obligations and dividends, if any, paid by Ralco Holdings Inc., and also include gross proceeds from the sale of any property of a type which can produce U.S.-source interest or dividends (which includes the Prepetition Debt Obligations and the New Common Units). FATCA withholding will apply even if the applicable payment would not otherwise be subject to U.S. federal withholding tax. FATCA withholding rules currently apply to withholdable payments other than payments of gross proceeds from the sale or other disposition of property of a type which can produce U.S.-source interest or dividends and, under current law, will apply to payments of gross proceeds from the sale or other disposition of property of a type which can produce U.S.-source interest or dividends that occurs after December 31, 2018. Holders should consult their own tax advisors regarding the potential application of withholding under FATCA.

The foregoing summary has been provided for informational purposes only and does not discuss all aspects of U.S. federal income taxation that may be relevant to a particular Holder of a Prepetition Debt Obligation or in light of such Holder’s circumstances and income tax situation. All Holders of Prepetition Debt Obligations should consult with their tax advisors as to the particular tax consequences to them under the Plan, including the applicability and effect of any state, local, non-U.S. or other applicable tax laws.

ARTICLE XI

CONCLUSION AND RECOMMENDATION

Overall, the Plan provides for a substantial deleveraging of the Debtors’ balance sheet, augments the Debtors’ liquidity, continues the Debtors’ business operations with minimal disruption, preserves the going-concern value of the Debtors’ businesses, maximizes recoveries for stakeholders, and protects the jobs of the Debtors’ employees. The Debtors urge all holders of Claims entitled to vote to accept the Plan and to evidence such acceptance by returning their ballots so they will be received by the Solicitation Agent no later than 4:00 p.m. prevailing Eastern Time on March 21, 2018.

To the extent the New Warrants issued hereunder to Exit Term Loan Lenders pursuant to Section 5.7 of the Plan are issued pursuant to section 1145 of the Bankruptcy Code, then such New Warrants and all New Common Units or other securities issued upon exercise of such New Warrants will (I) not be “restricted securities” (as defined in Rule 144(a)(3) under the Securities Act), and (II) be freely tradable by any recipient thereof that (x) at the time of transfer is not an “affiliate” (as defined in Rule 144(a)(1) under the Securities Act) of Reorganized Pooling and has not been such an “affiliate” within 90 days of such transfer, (y) is not an entity that is an “underwriter” (as defined in subsection (b) of section 1145 of the Bankruptcy Code) and (z) has not acquired such New Warrants or such New Common Units from an “affiliate” of Reorganized Pooling within one year of such transfer, subject to (A) compliance with any rules and regulations of the Securities and Exchange Commission, if any, applicable at the time of any future transfer of such securities, (B) the restrictions, if any, on the transferability of the New Common Units contained in the New Operating Agreement, (C) the restrictions, if any, on the transferability of the New Warrants contained in the New Warrant Documents,

and (D) applicable regulatory approval. To the extent the New Warrants issued hereunder to Exit Term Loan Lenders pursuant to Section 5.7 of the Plan are issued in reliance on Section 4(a)(2) of the Securities Act or Regulation D thereunder, such New Warrants and all New Common Units or other securities issued upon exercise of such New Warrants (other than New Common Units that are issued upon cashless exercise of New Warrants that are not “restricted securities” at the time of exercise) will be “restricted securities” (as defined in Rule 144(a)(3) under the Securities Act) subject to resale restrictions and may be resold, exchanged, assigned or otherwise transferred only pursuant to registration, or an applicable exemption from registration, under the Securities Act and other applicable law, and also subject to the additional restrictions described in clauses (A)-(D) of the immediately preceding sentence.

5.9. *Cancellation of Existing Securities and Agreements.*

Notwithstanding the foregoing, any provision in any document, instrument, lease, or other agreement that causes or effectuates, or purports to cause or effectuate, a default, termination, loss, waiver, or other forfeiture of, or by, the Debtors or their interests, or any increase or acceleration of any of their obligations, in any such case as a result of the cancellations, terminations, satisfaction, releases, or discharges provided for in this Section 5.9 shall be deemed null and void and shall be of no force and effect. Nothing contained herein shall be deemed to cancel, terminate, release, or discharge the obligation of the Debtors or any of their counterparties under any Executory Contract to the extent such Executory Contract has been assumed by the Debtors pursuant to a Final Order of the Bankruptcy Court or hereunder. Notwithstanding the foregoing, the DIP ABL Credit Agreement shall continue in effect to the extent necessary to (i) allow the DIP ABL Agent to make distributions to the holders of DIP ABL Facility Claims; (ii) permit the DIP ABL Agent to appear before the Bankruptcy Court or any other court of competent jurisdiction after the Effective Date; and (iii) permit the DIP ABL Agent to perform any functions that are necessary to effectuate the foregoing.

(c) Except to the extent that a member of the board of directors, board of managers or other governing body, as applicable, of a Debtor continues to serve as a director, manager or member of such other governing body of such Debtor on and after the Effective Date, the members of the board of directors, board of managers or other governing body of each Debtor prior to the Effective Date, in their capacities as such, shall have no continuing obligations to the Reorganized Debtors on or after the Effective Date and each such director, manager or member of such other governing body will be deemed to have resigned or shall otherwise cease to be a director, manager or member of such other governing body of the applicable Debtor on the Effective Date, all without the payment or provision of any fees, costs, expenses, bonuses, compensation, severance or other amounts or benefits on account of such resignation. 5.11. *Effectuating Documents; Further Transactions.*

(a) After the Confirmation Date, but prior to the Effective Date, the Debtors (in consultation with the Requisite Consenting Term Lenders) shall take such actions as may be or become necessary or, in the judgment of the Requisite Consenting Term Lenders, appropriate to effect the Restructuring Transactions, subject to Section 5.2(a) of the Plan.

(b) On or as soon as practicable after the Effective Date, the Reorganized Debtors shall take such actions as may be or become necessary or, in the judgment of the New Board, appropriate to effect any transaction described in, approved by, or contemplated by the Plan (including as described in the Description of Structure), including (i) the execution and delivery of appropriate agreements or other documents of merger, consolidation, restructuring, financing, conversion, disposition, transfer, dissolution, or liquidation containing terms that are consistent with the terms of the Plan and the Restructuring Support Agreement and that satisfy the applicable requirements of applicable law and any other terms to which the applicable Persons may agree, (ii) the execution and delivery of appropriate instruments of transfer, assignment, assumption, or delegation of any asset, property, right, liability, debt, or obligation on terms consistent with the terms of the Plan and having other terms to which the applicable Persons agree, (iii) the filing of appropriate certificates or articles of incorporation, reincorporation, merger, consolidation, conversion, or dissolution and the New Organizational Documents pursuant to applicable state law, (iv) the issuance of securities, all of which shall be authorized and approved in all respects in each case without further action being required under applicable law, regulation, order, or rule, and (v) all other actions that the applicable Persons determine to be necessary or appropriate, including making filings or recordings that may be required by applicable law, subject, in each case, to the New Organizational Documents.

(c) Each officer and each member of the board of directors, board of managers or other applicable governing body of the Debtors is (and each officer and each member of the board of

directors, board of managers or other applicable governing body of the Reorganized Debtors shall be) authorized and directed to issue, execute, deliver, file, or record such contracts, securities, instruments, certificates, notices, releases, indentures, and other agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement, and further evidence the terms and conditions of the Plan and the securities issued pursuant to the Plan in the name of and on behalf of the Debtors or the Reorganized Debtors, as applicable, all of which shall be authorized and approved in all respects, in each case, without the need for any approvals, authorizations, consents, or any further action required under applicable law, regulation, order, or rule (including, without limitation, any action by the stockholders, members, directors or managers of the Debtors or the Reorganized Debtors) except for those expressly required pursuant to the Plan.

(d) All matters provided for herein involving the corporate or entity structure of the Debtors or Reorganized Debtors, including the Restructuring Transactions described in the Description of Structure, to the extent applicable, or any corporate, limited liability company, or related action required by the Debtors or Reorganized Debtors in connection herewith shall be deemed to have occurred and shall be in effect, without any requirement of further action by the stockholders, members, or directors or managers of the Debtors or Reorganized Debtors, and with like effect as though such action had been taken unanimously by the stockholders, members, directors or managers, as applicable, of the Debtors or Reorganized Debtors.

5.12. *Cancellation of Liens.*

Except as otherwise specifically provided herein, upon the Effective Date, any Lien securing a Secured Claim shall be deemed released, and the holder of such Secured Claim (or any agent for such holder) shall be authorized and directed to release any Collateral or other property of the Debtors (including any Cash Collateral) held by such holder and to take such actions as may be requested by the Debtors (with the consent of the Requisite Consenting Term Lenders), or the Reorganized Debtors, as applicable, to cancel, terminate, extinguish, and release such Liens.

Upon the payment or other satisfaction of an Allowed Other Secured Claim, the holder of such Allowed Other Secured Claim shall deliver to the Debtors or Reorganized Debtors (as applicable) any Collateral or other property of the Debtors held by such holder, and any termination statements, instruments of satisfactions, or releases of all Liens with respect to its Allowed Other Secured Claim that may be required in order to terminate any related financing statements, mortgages, mechanic's liens, or lis pendens.

5.13. *Employee Matters.*

(a) Except as provided in Section 5.13(b) of the Plan, on the Effective Date, the Reorganized Debtors shall be deemed to have assumed (i) each Employment Arrangement listed on a schedule to be contained in the Plan Supplement (the "Employment Arrangement Schedule") and (ii) each Benefit Plan listed on a schedule to be contained in the Plan Supplement (the "Benefit Plan Schedule").

(b) Any Interests granted to a current or former employee, officer, director, manager or contractor under an Employment Arrangement or otherwise, shall be deemed cancelled on the Effective Date. For the avoidance of doubt, if a Benefit Plan or an Employment Arrangement is assumed and the Benefit Plan or Employment Arrangement provides in part for an award or potential award of Interests in the Debtors, such Benefit Plan or Employment Arrangement shall be assumed in all respects other than the provisions of such Benefit Plan or Employment Arrangement relating to Interest awards.

None of the Benefit Plans provide for retiree benefits (as such term is defined in section 1114 of the Bankruptcy Code) or is a defined benefit pension plan or multi-employer pension plan. The consummation of the Plan shall not be treated as a change in control or change of control or other similar transaction under any Benefit Plan or Employment Arrangement, or otherwise entitle any officer, director, manager, employee, consultant or contractor of any of the Debtors to any fees, costs, expenses, bonuses, compensation, severance or other amounts or benefits, or serve as grounds for, a predicate to or the satisfaction of a condition to the receipt of any of the foregoing under any Benefit Plan or Employment Arrangement. Nothing in the Plan, including the assumption of Employment Arrangements or Benefit Plans, authorizes the Debtors to pay any bonuses or severance payments that are prohibited under section 503(c) of the Bankruptcy Code.

5.14. *Management Incentive Plan.*

Within ninety (90) days after the Effective Date, the New Board, acting in accordance with the New Organizational Documents, shall adopt the Management Incentive Plan, in accordance with the Corporate Governance Term Sheet, that provides for the issuance of options and/or other equity or equity-based awards (“Awards”) to certain employees of the Reorganized Debtors or any of their respective Subsidiaries. The form of the Awards (i.e., stock options, restricted stock, appreciation rights, etc.), the employee participants in the Management Incentive Plan, the allocations of the Awards to such participants, and the terms and conditions of the Awards shall be determined by the New Board; provided that no Specified Stockholder (as defined in the Corporate Governance Term Sheet), and no employee of a Specified Stockholder, shall be eligible for receipt of an Award under the Management Incentive Plan.

5.15. *Tax Treatment of the Restructuring.*

For U.S. federal income tax purposes, the receipt by the holders of the First Lien Term Loan Claims of the New Common Units in satisfaction and extinguishment of their First Lien Term Loan Claims and the receipt by the holders of the DIP Term Facility Claims of New Warrants shall be treated as a (i) taxable purchase of all the assets of Velocity Pooling Vehicle, LLC in consideration for the satisfaction and extinguishment of the First Lien Term Loan Claims and a portion of the DIP Term Facility Claims, followed by (ii) a contribution of such assets to Velocity Pooling Vehicle, LLC in exchange for the New Common Units in the case of the holders of the First Lien Term Loan Claims and the New Warrants in the case of the holders of the DIP Term Facility Claims. It is intended that, after the Effective Date, a timely election will be made under Section 336(e) of the Tax Code (a “Section 336(e) Election”) with respect to the Interests of some or all of the Reorganized Debtors (as determined by the New Board), such that the purchase of such Interests will be treated as a purchase of the assets of such Reorganized Debtors for U.S. federal income tax purposes. In furtherance thereof, and in accordance with applicable Treasury Regulations issued with respect to the Section 336(e) Election (the “Applicable Regulations”), Holdings shall (i) prior to the Confirmation Date, enter into a written, binding agreement with (or on behalf of, as may be required) each applicable Reorganized Debtor to make a Section 336(e) Election, (ii) retain a copy of such written agreement, (iii) properly complete and attach a Section 336(e) Election statement (as prescribed in the Applicable Regulations) with respect to each Reorganized Debtor for which a Section 336(e) Election is being made to its timely filed U.S. federal income tax return for the tax year that includes the Effective Date, (iv) provide a copy of such Section 336(e) Election statement to the respective Reorganized Debtors on or before filing its U.S. federal income tax return for the tax year that includes the Effective Date, and (v) report the Section 336(e) Election in a manner consistent with an “asset allocation statement” and Internal Revenue Service Form 8883 reasonably prepared by the Reorganized Debtors (other than Holdings) in accordance with applicable tax principles.

5.16. ***Closing of Chapter 11 Cases.***

The Reorganized Debtors shall, promptly after the full administration of the Chapter 11 Cases, file with the Bankruptcy Court all documents required by Bankruptcy Rule 3022 and any applicable order of the Bankruptcy Court to close the Chapter 11 Cases.

5.17. ***Notice of Effective Date.***

On the Effective Date, the Debtors shall file a notice of the occurrence of the Effective Date with the Bankruptcy Court.

5.18. ***Separability.***

Notwithstanding the combination of separate plans of reorganization for the Debtors set forth in the Plan for purposes of economy and efficiency, the Plan constitutes a separate chapter 11 plan for each Debtor. Accordingly, if the Bankruptcy Court does not confirm the Plan with respect to one or more Debtors, it may still confirm the Plan with respect to any other Debtor that satisfies the confirmation requirements of section 1129 of the Bankruptcy Code with the consent of the Requisite Consenting Term Lenders.

ARTICLE VI DISTRIBUTIONS.

6.1. ***Distributions Generally.***

One or more Disbursing Agents shall make all distributions under the Plan to the appropriate holders of Allowed Claims in accordance with the terms of the Plan.

6.2. ***Distribution Record Date.***

As of the close of business on the Effective Date, the various transfer registers for each of the Classes of Claims or Interests as maintained by the Debtors or their respective agents, shall be deemed closed, and there shall be no further changes in the record holders of any of Claims or Interests. The Debtors or the Reorganized Debtors shall have no obligation to recognize any transfer of the Claims or Interests occurring on or after the Effective Date. In addition, with respect to payment of any Cure Amounts or Cure Disputes over any Cure Amounts, neither the Debtors, the Reorganized Debtors nor the Disbursing Agent shall have any obligation to recognize or deal with any party other than the non-Debtor party to the applicable Executory Contract as of the Effective Date, even if such non-Debtor party has sold, assigned, or otherwise transferred its Claim for a Cure Amount.

6.3. ***Date of Distributions.***

Except as otherwise provided in the Plan, any distributions and deliveries to be made under the Plan shall be made on the Effective Date or as otherwise determined in accordance with the Plan, including, without limitation, the treatment provisions of Article IV of the Plan, or as soon as practicable thereafter; provided that the Reorganized Debtors may implement periodic distribution dates to the extent they determine them to be appropriate.

6.4. ***Disbursing Agent.***

All distributions under the Plan shall be made by the Reorganized Debtors (or such other Person designated by the Reorganized Debtors), as Disbursing Agents, on or after the Effective Date or as

otherwise provided herein. A Disbursing Agent shall not be required to give any bond or surety or other security for the performance of its duties, and all reasonable and documented fees and expenses incurred by such Disbursing Agent directly related to distributions hereunder shall be reimbursed by the Reorganized Debtors. The Reorganized Debtors shall use all commercially reasonable efforts to provide each Disbursing Agent (if other than the Reorganized Debtors) with the amounts of Claims and the identities and addresses of holders of Claims, in each case, as set forth in the Debtors' or Reorganized Debtors' books and records. The Reorganized Debtors shall cooperate in good faith with the applicable Disbursing Agent (if other than the Reorganized Debtors) to comply with the reporting and withholding requirements outlined in Section 6.23 of the Plan.

6.5. *Surrender of Cancelled Instruments or Securities.*

On the Effective Date, each holder of a Certificate shall be deemed to have surrendered such Certificate to the Disbursing Agent or a Servicer (to the extent the relevant Claim is governed by an agreement and administered by a Servicer). Notwithstanding the immediately preceding sentence, this Section 6.5 shall not apply to any Claims and Interests Reinstated pursuant to the terms of the Plan.

6.6. *Rights and Powers of Disbursing Agent.*

(a) From and after the Effective Date, the Disbursing Agent, solely in its capacity as Disbursing Agent, shall be exculpated by all Persons, including, without limitation, holders of Claims against and Interests in the Debtors and other parties in interest, from any and all Claims, Causes of Action, and other assertions of liability arising out of the discharge of the powers and duties conferred upon such Disbursing Agent by the Plan or any order of the Bankruptcy Court entered pursuant to or in furtherance of the Plan, or applicable law, except for actions or omissions to act arising out of the gross negligence or willful misconduct, fraud, malpractice, criminal conduct, or *ultra vires* acts of such Disbursing Agent. No holder of a Claim or Interest or other party in interest shall have or pursue any claim or Cause of Action against any Disbursing Agent, solely in its capacity as Disbursing Agent, for making payments or distributions in accordance with the Plan or for implementing provisions of the Plan, except for actions or omissions to act arising out of the gross negligence or willful misconduct, fraud, malpractice, criminal conduct, or *ultra vires* acts of such Disbursing Agent.

(b) A Disbursing Agent shall be empowered to (i) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties hereunder, (ii) make all distributions contemplated hereby, and (iii) exercise such other powers as may be vested in the Disbursing Agent by order of the Bankruptcy Court or pursuant to the Plan, or as deemed by the Disbursing Agent to be necessary and proper to implement the provisions hereof.

6.7. *Expenses of Disbursing Agent.*

Except as otherwise ordered by the Bankruptcy Court, any reasonable and documented fees and expenses incurred by a Disbursing Agent acting in such capacity (including reasonable and documented attorneys' fees and expenses) on or after the Effective Date shall be paid in Cash by the Reorganized Debtors in the ordinary course of business.

6.8. *Special Rules for Distributions to Holders of Disputed Claims and Interests.*

Notwithstanding any provision to the contrary herein and except as otherwise agreed by the relevant parties: (a) no partial payments and no partial distributions shall be made with respect to a Disputed Claim or Disputed Interest until all such disputes in connection with such Disputed Claim or Disputed Interest have been resolved by settlement or Final Order; and (b) any Person that holds both (i)

an Allowed Claim or Allowed Interest and (ii) a Disputed Claim or Disputed Interest, shall not receive any distribution on the Allowed Claim or Allowed Interest unless and until all objections to the Disputed Claim or Disputed Interest have been resolved by settlement or Final Order or the Disputed Claims and/or Disputed Interests have been Allowed or expunged. Any dividends or other distributions arising from property distributed to holders of Allowed Claims or Allowed Interests in a Class and paid to such holders under the Plan shall also be paid, in the applicable amounts, to any holder of a Disputed Claim or Disputed Interest in such Class that becomes an Allowed Claim or Allowed Interest, after the date such Disputed Claim or Disputed Interest becomes an Allowed Claim or Allowed Interest and after the date or dates that such dividends or other distributions were earlier paid to holders of Allowed Claims or Allowed Interests in such Class.

6.9. *No Postpetition Interest on Claims.*

Except for DIP Claims and, as applicable, Other Secured Claims, interest shall not accrue or be paid on any Claims on or after the Petition Date. DIP Claims and, as applicable, Other Secured Claims shall accrue and be paid interest in accordance with the terms set forth in the agreements governing the DIP Claims and, as applicable, the Other Secured Claims.

6.10. *Accrual of Dividends and Other Rights.*

For purposes of determining the accrual of distributions or other rights after the Effective Date, the New Common Units shall be deemed distributed as of the Effective Date regardless of the date on which they are actually distributed; provided, however, the Reorganized Debtors shall not pay any such distributions or distribute such other rights, if any, until after distribution of the applicable New Common Units actually takes place.

6.11. *Foreign Currency Exchange Rate.*

Except as otherwise provided in a Bankruptcy Court order, as of the Effective Date, any Claim asserted in currency other than U.S. dollars shall be automatically deemed converted to the equivalent U.S. dollar value using the exchange rate for the applicable currency as published in *The Wall Street Journal, National Edition*, on the Effective Date.

6.12. *Delivery of Distributions.*

Subject to Bankruptcy Rule 9010, all distributions to any holder of an Allowed Claim shall be made to a Disbursing Agent, who shall transmit such distribution to the applicable holders of Allowed Claims at the respective addresses for such holders identified in a proof of Claim or request for payment of an Administrative Expense Claim or, if none, in the Schedules. In the event that any distribution to any holder is returned as undeliverable, no further distributions shall be made to such holder unless and until such Disbursing Agent is notified in writing of such holder's then-current address, at which time all currently-due, missed distributions shall be made to such holder as soon as reasonably practicable thereafter without interest. Nothing herein shall require a Disbursing Agent to attempt to locate holders of undeliverable distributions and, if located, assist such holders in complying with Section 6.23 of the Plan.

6.13. *Distributions after Effective Date.*

Distributions made after the Effective Date to holders of Disputed Claims that are not Allowed Claims as of the Effective Date but which later become Allowed Claims shall be deemed to have been made on the Effective Date without interest.

6.14. ***Unclaimed Property.***

Undeliverable distributions or unclaimed distributions with respect to any Claim shall remain in the possession of the Reorganized Debtors until such time as such distribution becomes deliverable or a holder accepts such distribution, or such distribution reverts back to the Reorganized Debtors, and shall not be supplemented with any interest, dividends, or other accruals of any kind, other than interest, dividends or other accruals on or made with respect to property distributed to holders of Claims of the same Class as such Claim. Such distributions shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code at the expiration of one hundred and eighty (180) days from the date of distribution. After such date, all unclaimed property or interest in such property shall revert to the Reorganized Debtors, and the Claim of any holder to such property or interest in property shall be discharged and forever barred.

6.15. ***Time Bar to Cash Payments.***

Checks issued by a Disbursing Agent in respect of Allowed Claims shall be null and void if not negotiated within one hundred and eighty (180) days after the date of issuance thereof. Thereafter, the amount represented by such voided check shall irrevocably revert to the Reorganized Debtors, and any Claim in respect of such voided check shall be discharged and forever barred, notwithstanding any federal or state escheat laws to the contrary. Requests for re-issuance of any check shall be made to the applicable Disbursing Agent by the holder of the Allowed Claim to whom such check was originally issued.

6.16. ***Manner of Payment under Plan.***

Except as otherwise specifically provided in the Plan, at the option of the Debtors or the Reorganized Debtors, as applicable, any Cash payment to be made hereunder may be made by a check or wire transfer or as otherwise required or provided in applicable agreements or customary practices of the Debtors.

6.17. ***Satisfaction of Claims.***

Except as otherwise specifically provided in the Plan, any distributions and deliveries to be made on account of Allowed Claims under the Plan shall be in complete and final satisfaction, settlement, and discharge of and in exchange for such Allowed Claims.

6.18. ***Fractional Securities.***

If any distributions of New Common Units or New Warrants pursuant to the Plan would result in the issuance of a fractional New Common Unit or New Warrants that are exercisable into a fractional New Common Unit, then the number of New Common Units or New Warrants, as applicable, to be issued in respect of such distribution will be calculated to one decimal place and rounded up or down to the closest whole New Common Unit or New Warrants that are exercisable into the closest whole New Common Unit, as applicable (with a half New Common Unit or greater rounded up and less than a half New Common Unit rounded down). All New Common Units to be issued to a holder of an Allowed Claim that receives New Common Units under the Plan and all New Warrants to be issued to a holder of an Allowed Claim that receives New Warrants under the Plan shall, in either such case, be aggregated for purposes of determining whether such holder would receive a fractional New Common Unit or a New Warrant that is exercisable into a fractional New Common Unit, as applicable. The total number of New Common Units to be distributed in connection with the Plan and the total number of New Common Units that are issuable upon exercise of New Warrants to be distributed in connection with the

Plan shall, in both cases, be adjusted as necessary to account for the rounding provided for in this Section 6.18. No consideration shall be provided in lieu of fractional New Common Units or New Warrants that are exercisable into fractional New Common Units that are rounded down. Neither the Reorganized Debtors nor any Disbursing Agent shall have any obligation to make a distribution that consists of less than one (1) New Common Unit or New Warrants that are exercisable into less than one (1) New Common Unit.

6.19. *Minimum Cash Distributions.*

A Disbursing Agent shall not be required to make any distribution of Cash less than one hundred dollars (\$100) to any holder of an Allowed Claim; provided, however, that if any distribution is not made pursuant to this Section 6.19, such distribution shall be added to any subsequent distribution to be made on behalf of such Allowed Claim.

6.20. *Setoffs and Recoupments.*

The Debtors (with the consent of the Requisite Consenting Term Lenders) and the Reorganized Debtors, as applicable, or such entity's designee (including, without limitation, a Disbursing Agent) may, but shall not be required to, set off or recoup against any Claim, and any distribution to be made on account of such Claim, any and all claims, rights, and Causes of Action of any nature whatsoever that the Debtors or the Reorganized Debtors may have against the holder of such Claim or any of its Affiliates pursuant to the Bankruptcy Code or applicable nonbankruptcy law; provided, however, that neither the failure to do so nor the allowance of any Claim hereunder shall constitute a waiver or release by a Debtor or Reorganized Debtor or its successor of any claims, rights, or Causes of Action that a Debtor or Reorganized Debtor or its successor or assign may possess against the holder of such Claim or any of its Affiliates.

6.21. *Allocation of Distributions between Principal and Interest.*

Except as otherwise provided herein and other than with respect to the DIP Claims, the aggregate consideration paid to holders with respect to their Allowed Claims shall be treated pursuant to the Plan as allocated first to the principal amount of such Allowed Claims (to the extent thereof) and, thereafter, to accrued but unpaid interest, if any, on such Allowed Claims.

6.22. *No Distribution in Excess of Amount of Allowed Claim.*

Notwithstanding anything in the Plan to the contrary, no holder of an Allowed Claim shall receive, on account of such Allowed Claim, distributions in excess of the Allowed amount of such Claim.

6.23. *Withholding and Reporting Requirements.*

(a) *Withholding Rights.* In connection with the Plan, any party issuing any instrument or making any distribution described in the Plan shall comply with all applicable withholding and reporting requirements imposed by any federal, state, or local taxing authority, and all distributions pursuant to the Plan and all related agreements shall be subject to any such withholding or reporting requirements. In the case of a non-Cash distribution that is subject to withholding, the distributing party may withhold an appropriate portion of such distributed property and either (i) sell such withheld property to generate Cash necessary to pay over the withholding tax (or reimburse the distributing party for any advance payment of the withholding tax), or (ii) pay the withholding tax using its own funds and retain such withheld property. Any amounts withheld pursuant to the preceding sentence shall be deemed to

have been distributed to and received by the applicable recipient for all purposes of the Plan. Notwithstanding the foregoing, each holder of an Allowed Claim or any other Person that receives a distribution pursuant to the Plan shall have responsibility for any taxes imposed by any governmental unit, including, without limitation, income, withholding, and other taxes, on account of such distribution. Any party issuing any instrument or making any distribution to a holder of an Allowed Claim or any other Person pursuant to the Plan has the right, but not the obligation, to not make a distribution until such holder or Person has made arrangements satisfactory to such issuing or disbursing party for payment of any such tax obligations.

(b) *Forms.* Any Person entitled to receive any property as an issuance or distribution under the Plan shall, upon request, deliver to the applicable Disbursing Agent or such other Person designated by the Reorganized Debtors (which Person shall subsequently deliver to the applicable Disbursing Agent any applicable IRS Form W-8 or Form W-9 received) an appropriate Form W-9 or (if the payee is a foreign Person) Form W-8. If such request is made by the Reorganized Debtors, the applicable Disbursing Agent, or such other Person designated by the Reorganized Debtors or Disbursing Agent and the holder fails to comply before the date that is one hundred and eighty (180) days after the request is made, the amount of such distribution shall irrevocably revert to the applicable Reorganized Debtor and any Claim in respect of such distribution shall be discharged and forever barred from assertion against such Reorganized Debtor or its respective property.

ARTICLE VII PROCEDURES FOR DISPUTED CLAIMS.

7.1. *Objections to Claims.*

Except insofar as a Claim is Allowed under the Plan or the Schedules or by a Final Order of the Bankruptcy Court, the Debtors, the Reorganized Debtors, and any other party in interest shall be entitled to object to Claims. Any objections to proofs of Claim (other than Administrative Expense Claims) shall be served and filed (a) on or before the date that is one hundred and eighty (180) days following the later of (i) the Effective Date and (ii) the date that a proof of Claim is filed or amended or a Claim is otherwise asserted or amended in writing by or on behalf of a holder of such Claim, or (b) such later date as ordered by the Bankruptcy Court upon motion filed by the Debtors or the Reorganized Debtors. Any Claims that are either (a) filed after the applicable Bar Date or that has been or hereafter is listed in the Schedules as Disputed, contingent or unliquidated, and for which no proof of Claim has been timely filed shall be deemed Disallowed and expunged in their entirety without further notice to or action, order or approval of the Bankruptcy Court or any action being required on the part of the Debtors or Reorganized Debtors, unless the Person or entity wishing to file such untimely Claim has received Bankruptcy Court authority to do so. From and after the Effective Date, the Reorganized Debtors may settle or compromise any Disputed Claim without approval of the Bankruptcy Court.

7.2. *Estimation of Claims.*

The Debtors (with the consent of the Requisite Consenting Term Lenders) or the Reorganized Debtors, as applicable, may at any time request that the Bankruptcy Court estimate any contingent, unliquidated, or Disputed Claim pursuant to section 502(c) of the Bankruptcy Code regardless of whether the Debtors previously objected to such Claim or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court will retain jurisdiction to estimate any Claim at any time during litigation concerning any objection to any Claim, including, without limitation, during the pendency of any appeal relating to any such objection. In the event that the Bankruptcy Court estimates any contingent, unliquidated, or Disputed Claim, the amount so estimated shall constitute either the Allowed amount of such Claim or a maximum limitation on such Claim, as determined by the Bankruptcy Court. If the estimated amount constitutes a maximum limitation on the amount of such Claim, the

Debtors (with the consent of the Requisite Consenting Term Lenders) or the Reorganized Debtors may pursue supplementary proceedings to object to the allowance of such Claim.

7.3. *Disputed Claims.*

(a) *No Distributions or Payments Pending Allowance.* Except as provided in this Section 7.3, if an objection, motion to estimate, or other challenge to a Claim is filed, no payment or distribution provided under the Plan shall be made on account of such Claim unless and until such Claim becomes an Allowed Claim.

(b) *Establishment of Disputed Claims Reserve.* On the Effective Date or as soon thereafter as is reasonably practicable, the Reorganized Debtors shall set aside and reserve, for the benefit of each holder of a Disputed Administrative Expense Claim, Disputed Priority Tax Claim, Disputed Other Priority Claim, and Disputed Other Secured Claim, Cash in an amount equal to (i) the amount of such Claim as estimated by the Bankruptcy Court pursuant to an Estimation Order or (ii) if no Estimation Order has been entered with respect to such Claim, (A) the amount listed in the Schedules or (B) if a timely filed proof of claim or application for payment has been filed with the Bankruptcy Court or Claims Agent, as applicable, the amount set forth in such timely filed proof of claim or application for payment, as applicable. The Reorganized Debtors, in their reasonable discretion, may increase the amount reserved as to any particular Disputed Claim. Such reserved amounts, collectively, shall constitute the “Disputed Claims Reserve.”

(c) *Plan Distributions to Holders of Subsequently Allowed Claims.* To the extent that a Disputed Claim ultimately becomes an Allowed Claim, the Disbursing Agent will make distributions or payments from the Disputed Claims Reserve. The Disbursing Agent shall distribute in respect of such newly Allowed Claims the distributions under the Plan to which holders of such Claims would have been entitled under this Plan if such newly Allowed Claims were fully or partially Allowed, as the case may be, on the Effective Date.

(d) *Distribution of Reserved Plan Consideration Upon Disallowance.* To the extent any Disputed Administrative Expense Claim, Disputed Priority Tax Claim, Disputed Other Priority Claim, or Disputed Other Secured Claim becomes Disallowed in full or in part (in accordance with the procedures set forth in the Plan), any Plan Consideration held by the Reorganized Debtors on account of, or to pay, such Disputed Claim shall become the sole and exclusive property of Reorganized Pooling or its successors or assigns.

7.4. *Amendments to Claims.*

On or after the Effective Date, except as provided in the Plan or the Confirmation Order, a Claim may not be filed or amended without the prior authorization of the Bankruptcy Court or the Reorganized Debtors and any such new or amended Claim filed shall be deemed Disallowed in full and expunged without any further action, order, or approval of the Bankruptcy Court.

7.5. *Claim Resolution Procedures Cumulative.*

All of the objection, estimation, and resolution procedures in the Plan are intended to be cumulative and not exclusive of one another. Claims may be estimated and subsequently settled, compromised, withdrawn, or resolved in accordance with the Plan without further notice or Bankruptcy Court approval.

7.6. *Insured Claims.*

If any portion of an Allowed Claim is an Insured Claim, no distributions under the Plan shall be made on account of such Allowed Claim until the holder of such Allowed Claim has exhausted all remedies with respect to any applicable insurance policies. To the extent that the Debtors' insurers agree to satisfy a Claim in whole or in part, then immediately upon such agreement, the portion of such Claim so satisfied may be expunged without an objection to such Claim having to be filed and without any further notice to or action, order or approval of the Bankruptcy Court.

7.7. *Single Satisfaction of Claims and Interests.*

Holders of Allowed Claims or Allowed Interests may assert such Claims against or Interests in each Debtor obligated with respect to such Claims or Interests, and such Claims and Interests shall be entitled to share in the recovery provided for the applicable Class of Claims or Interests against each obligated Debtor based upon the full Allowed amount of the Claim or Interest. Notwithstanding the foregoing, in no case shall the aggregate value of all property received or retained under the Plan on account of an Allowed Claim or an Allowed Interest exceed one hundred percent (100%) of the underlying Allowed Claim or Allowed Interest plus applicable interest (which interest shall not include any post-petition interest, except with respect to DIP Claims and, if applicable, Other Secured Claims). For the avoidance of doubt, this shall not affect the obligation of each and every Debtor to pay U.S. Trustee Fees until such time as a particular Chapter 11 Case is closed, dismissed, or converted.

ARTICLE VIII EXECUTORY CONTRACTS.

8.1. *Assumption of Executory Contracts.*

(a) Unless an Executory Contract: (i) was assumed or rejected, as mutually agreed upon by the Debtors and the Requisite Consenting Term Lenders, (ii) was previously expired or terminated pursuant to its own terms, (iii) is the subject, as mutually agreed upon by the Debtors and the Requisite Consenting Term Lenders, of a motion to reject filed on or before the Confirmation Date, (iv) is designated specifically as an Executory Contract on the Schedule of Rejected Executory Contracts, or (v) is an Employment Arrangement or Benefit Plan (except for such Employment Arrangements or Benefit Plans set forth on the Employment Arrangement Schedule or Benefit Plan Schedule, respectively), each Executory Contract shall be deemed assumed, without the need for any further notice to or action, order, or approval of the Bankruptcy Court, as of the Effective Date under section 365 of the Bankruptcy Code. The assumption of Executory Contracts hereunder may include the assignment of certain of such contracts to the Debtors. The Confirmation Order will constitute an order of the Bankruptcy Court approving the above-described assumptions and assignments pursuant to sections 365 and 1123 of the Bankruptcy Code as of the Effective Date.

(b) Except as otherwise provided herein or agreed to by the Debtors, the Requisite Consenting Term Lenders and the applicable counterparty, each assumed Executory Contract shall include all modifications, amendments, supplements, restatements, or other agreements related thereto, and all rights related thereto, if any, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, and any other interests; provided, however, that no Employment Arrangement or Benefit Plan shall be an assumed Executory Contract unless specifically set forth on the Employment Arrangement Schedule or Benefit Plan Schedule, respectively. Modifications, amendments, supplements, and restatements to prepetition Executory Contracts that have been executed by the Debtors and the applicable contract counterparty during the Chapter 11 Cases shall not be deemed to alter the prepetition nature of the Executory Contract or the validity, priority, or amount of any Claims that may arise in connection therewith.

(c) Except as otherwise agreed by the Requisite Consenting Term Lenders, on the Effective Date, any contracts, agreements or arrangements between any of the Debtors, on the one hand, and any of the holders of the capital stock of Holdings or any Affiliates of any such holder, on the other hand, shall be deemed terminated and of no further force or effect, all without any liability to any of the Debtors or any of the Reorganized Debtors for payment or provision of any fees, costs, expenses, bonuses, compensation, severance or other amounts or benefits thereunder or on account of such termination.

8.2. *Cure Claims.*

(a) *Cure Payments.* Except to the extent that less favorable treatment has been agreed to by the non-Debtor party or parties to an Executory Contract, any monetary defaults arising under each Executory Contract to be assumed pursuant to the Plan (subject to the consent of the Requisite Consenting Term Lenders) shall be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, by payment of the appropriate amount required to cure such monetary default pursuant to section 365 of the Bankruptcy Code (or such lesser amount as may be agreed upon by the parties under such Executory Contract) (the “Cure Amount”) in Cash on the later of thirty (30) calendar days after: (i) the Effective Date, and (ii) the date on which any Cure Dispute relating to such Cure Amount has been resolved (either consensually or through judicial decision).

(b) *Cure Schedule and Objections.* No later than fourteen (14) calendar days prior to the Voting Deadline, the Debtors shall file a cure schedule (which shall be satisfactory in form, substance and amount to the Requisite Consenting Term Lenders) (the “Cure Schedule”) that includes the identity of the proposed assignee, if any, for any Executory Contract, and serve such Cure Schedule on each applicable counterparty. Any party that fails to object to the applicable Cure Amount listed on the Cure Schedule on or prior to March 21, 2018 at 4:00 p.m. prevailing Eastern Time, shall be forever barred, estopped and enjoined from disputing the Cure Amount set forth on the Cure Schedule (including a Cure Amount of \$0.00) and/or from asserting any Claim against the applicable Debtor arising under section 365(b)(1) of the Bankruptcy Code except as set forth on the Cure Schedule.

(c) *Cure Disputes.* In the event of a Cure Dispute regarding: (i) the Cure Amount, (ii) the ability of the applicable Reorganized Debtor or the proposed assignee to provide “adequate assurance of future performance” (within the meaning of section 365 of the Bankruptcy Code) under the Executory Contract to be assumed or assumed and assigned, or (iii) any other matter pertaining to the proposed assumption or assumption and assignment, the cure payments required by section 365(b)(1) of the Bankruptcy Code shall be made following the entry of a Final Order resolving such Cure Dispute and approving the assumption or assumption and assignment. To the extent a Cure Dispute relates solely to the Cure Amount, the applicable Debtor, with the consent of the Requisite Consenting Term Lenders, may assume and/or assume and assign the applicable Executory Contract prior to the resolution of the Cure Dispute; provided, that, such Debtor or proposed assignee reserves Cash in an amount sufficient to pay the full amount reasonably asserted as the required Cure Amount by the non-Debtor party to such Executory Contract (or such smaller amount as may be fixed or estimated by the Bankruptcy Court or otherwise agreed to by such non-Debtor party and the Reorganized Debtors).

To the extent applicable, if under any Executory Contract, including related instruments and agreements, assumed or deemed assumed during the Chapter 11 Cases, the transactions contemplated by the Plan would (i) constitute a “change of control” or “assignment” (or terms with similar effect) under, (ii) result in a violation, breach or default (with or without notice or lapse of time, or both) under, (iii) increase, accelerate or otherwise alter any obligations or liabilities of, or result in the loss of any benefit to, the Debtors or the Reorganized Debtors under, or (iv) result in the creation or imposition of a Lien upon any property or asset of the Debtors or the Reorganized Debtors pursuant to, the applicable

Executory Contract, such a result will be unenforceable and deemed not to have occurred, and any consent or advance notice required under such Executory Contract shall be deemed satisfied by the Confirmation Order.

On the Effective Date, each Executory Contract that is listed on the Schedule of Rejected Executory Contracts and each Employment Arrangement and Benefit Plan that is not set forth on the Employment Arrangement Schedule or Benefit Plan Schedule, respectively, shall be deemed rejected or repudiated pursuant to Bankruptcy Code section 365. Until the Effective Date, the Debtors, with the consent of the Requisite Consenting Term Lenders, expressly reserve their right to amend (i) the Schedule of Rejected Executory Contracts to delete any Executory Contract therefrom or to add any Executory Contract thereto, (ii) the Employment Arrangement Schedule to delete any Employment Arrangement therefrom or to add any Employment Arrangement thereto and (iii) the Benefit Plan Schedule to delete any Benefit Plan therefrom or to add any Benefit Plan thereto.

All Claims arising from the rejection of Executory Contracts, if any, will be treated as General Unsecured Claims. All such Claims shall be discharged on the Effective Date, and shall not be enforceable against the Debtors, the Reorganized Debtors or their respective properties or interests in property. In the event that the rejection of an Executory Contract by any of the Debtors pursuant to the Plan results in damages to the other party or parties to such Executory Contract, a Claim for such damages shall be forever barred and shall not be enforceable against the Debtors or the Reorganized Debtors, or their respective properties or interests in property as agents, successors or assigns, unless a proof of claim is filed with the Bankruptcy Court and served upon counsel for the Debtors and the Reorganized Debtors on or before the date that is thirty (30) days after the effective date of such rejection (which may be the Effective Date or the date on which the Debtors reject the applicable contract or lease pursuant to an order of the Bankruptcy Court).

ASSUMPTION OF ANY EXECUTORY CONTRACT PURSUANT TO THE PLAN OR OTHERWISE SHALL RESULT IN THE FULL RELEASE AND SATISFACTION OF ANY CLAIMS OR DEFAULTS, WHETHER MONETARY OR NONMONETARY, INCLUDING DEFAULTS OF PROVISIONS RESTRICTING THE CHANGE IN CONTROL OR OWNERSHIP INTEREST COMPOSITION OR OTHER BANKRUPTCY-RELATED DEFAULTS, ARISING UNDER ANY ASSUMED EXECUTORY CONTRACT AT ANY TIME BEFORE THE DATE ANY OF THE DEBTORS ASSUME OR ASSUME AND ASSIGN SUCH EXECUTORY CONTRACT OR THE DATE ON WHICH ANY REORGANIZED DEBTOR HAS TAKEN ASSIGNMENT OF SUCH EXECUTORY CONTRACT. ANY PROOFS OF CLAIM FILED WITH RESPECT TO AN EXECUTORY CONTRACT THAT HAS BEEN ASSUMED OR ASSUMED AND ASSIGNED SHALL BE DEEMED DISALLOWED AND EXPUNGED, WITHOUT FURTHER NOTICE TO OR ACTION, ORDER OR APPROVAL OF THE BANKRUPTCY COURT.

8.3. *Reservation of Rights.*

Nothing contained in the Plan shall constitute an admission by the Debtors that any contract or lease is in fact an Executory Contract or that any Debtor or Reorganized Debtor has any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption, the Debtors (with the consent of the Requisite Consenting Term Lenders) or the Reorganized Debtors, as applicable, shall have forty-five (45) days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease, in which case the deemed assumptions and rejections provided for in the Plan shall not apply to such contract or lease.

8.4. *Assignment.*

Any Executory Contract to be held by any of the Debtors or the Reorganized Debtors and assumed hereunder or otherwise in the Chapter 11 Cases, if not expressly assigned to a third party previously in the Chapter 11 Cases, will be deemed assigned to the applicable Reorganized Debtor or to such other Reorganized Debtor as is designated on the Cure Schedule pursuant to section 365 of the Bankruptcy Code. If an objection to a proposed assumption, assumption and assignment, or Cure Claim is not resolved in favor of the Debtors before the Effective Date, the applicable Executory Contract may be designated by the Debtors (with the consent of the Requisite Consenting Term Lenders) or the Reorganized Debtors for rejection within five (5) Business Days after the entry of the order of the Bankruptcy Court resolving the matter against the Debtors. Such rejection shall be deemed effective as of the Effective Date.

8.5. *Insurance Policies.*

(a) Notwithstanding anything in the Plan to the contrary, all of the Debtors' insurance policies and any agreements, documents or instruments relating thereto, are treated as and deemed to be Executory Contracts under the Plan. Unless designated on the Schedule of Rejected Executory Contracts, on the Effective Date, the Debtors shall be deemed to have assumed all insurance policies and any agreements, documents, and instruments related thereto. Unless otherwise determined by the Bankruptcy Court prior to the Effective Date, or agreed to by the parties thereto prior to the Effective Date, no payments shall be required to cure any defaults (if any) of the Debtors existing as of the Effective Date with respect to each such insurance policy or agreement, and to the extent that the Bankruptcy Court determines otherwise as to any such insurance policy or agreement, the Debtors' rights to seek the rejection of such insurance policy or agreement or other available relief within thirty (30) days after such determination are fully reserved; provided, however, that the rights of any party that issues an insurance policy or agreement to object to such proposed rejection on any and all grounds are fully reserved. Nothing in the Plan, the Restructuring Documents, the Plan Supplement or the Confirmation Order (a) alters, modifies or otherwise amends the terms and conditions of (or the coverage provided by) any of the insurance policies or agreements, (b) limits the Reorganized Debtors from asserting a right or claim to the proceeds of any insurance policy or agreement that insures any Debtor, was issued to any Debtor or was assumed by the Reorganized Debtors by operation of the Plan or (c) impairs, alters, waives, releases, modifies or amends any of the Debtors' or Reorganized Debtors' legal, equitable or contractual rights, remedies, claims, counterclaims, defenses or Causes of Action in connection with any of such insurance policies or agreements.

(b) The Debtors have (i) confirmed that, as of the Restructuring Support Effective Date (as defined in the Restructuring Support Agreement), all Persons who are beneficiaries of indemnification or expense reimbursement or advancement obligations from the Debtors ("Company Indemnitees") are covered under the existing officers' and directors' liability insurance and fiduciary liability insurance policies (the "Existing Insurance Policies") provided by Lacy Distribution, Inc. or its Affiliates ("LDI"), and (ii) received reasonable assurances from LDI that all Company Indemnitees will remain covered under the Existing Insurance Policies following the Effective Date, with no costs to the Debtors or the Reorganized Debtors, with an available limit on liability that is no less than, a retention or deductible that is no greater than, and containing such other terms and conditions that are no less favorable than, the limit, retention or deductible or such other terms and conditions set forth in the Existing Insurance Policies as of the Restructuring Support Effective Date.

8.6. *Postpetition Contracts and Leases.*

All contracts, agreements, and leases that were entered into by one or more of the Debtors or assumed by any of the Debtors after the Petition Date shall be deemed assigned by the applicable Debtor(s) to the applicable Reorganized Debtor(s) or to such other Reorganized Debtor as is designated by the Debtors (with the consent of the Requisite Consenting Term Lenders) on the Effective Date.

8.7. *Compensation and Benefit Programs.*

Notwithstanding anything to the contrary contained herein, pursuant to section 1129(a)(13) of the Bankruptcy Code, on and after the Effective Date, all retiree benefits (as such term is defined in section 1114 of the Bankruptcy Code), if any, shall continue to be paid in accordance with applicable law.

8.8. *Certain Indemnification Obligations.*

Notwithstanding anything to the contrary herein, as of the Effective Date, any obligation of any of the Debtors to indemnify, defend, reimburse, advance fees and expenses to, or limit the liability of any current or former director, officer, manager, employee, agent, principal or affiliate of any of the Debtors against any Causes of Action or Claims, whether in contract, under state law, pursuant to any of the Debtor's organizational documents, board resolutions, employment agreements, or otherwise that arise out of, relate to, result from or are in connection with any acts, omissions, occurrences, causes, events, transactions, matters or circumstances that occur or happen prior to the Effective Date or on the Effective Date (but prior to the effectiveness of the Plan) shall be discharged and shall not be enforceable against the Debtors, the Reorganized Debtors or their respective properties or interests in property.

8.9. *Intellectual Property Licenses and Agreements.*

All intellectual property contracts, licenses, royalties, or other similar agreements to which the Debtors have any rights or obligations in effect as of the date of the Confirmation Order shall be deemed and treated as Executory Contracts pursuant to the Plan and shall be assumed in accordance with Section 8.1 of the Plan by the respective Debtors and Reorganized Debtors and shall continue in full force and effect unless any such intellectual property contract, license, royalty, or other similar agreement is set forth on the Schedule of Rejected Executory Contracts, is specifically rejected pursuant to a separate order of the Bankruptcy Court, is the subject of a separate rejection motion filed by the Debtors (with the consent of the Requisite Consenting Term Lenders) or is treated as set forth in Section 8.1(c) of the Plan. Unless otherwise noted hereunder, all other intellectual property contracts, licenses, royalties, or other similar agreements shall vest in the Reorganized Debtors and the Reorganized Debtors may take all actions as may be necessary or appropriate to ensure such vesting as contemplated herein.

8.10. *Nonoccurrence of Effective Date.*

In the event that the Effective Date does not occur, the Bankruptcy Court shall retain jurisdiction with respect to any request to extend the deadline for assuming or rejecting Executory Contracts pursuant to section 365(d)(4) of the Bankruptcy Code.

(b) the Restructuring Support Agreement shall not have been terminated and shall be in full force and effect and there shall not be continuing any Consenting Term Lender Termination Event (as defined in the Restructuring Support Agreement) or any cure period with respect to any event, occurrence or condition that would permit the Requisite Consenting Term Lenders to terminate the Restructuring Support Agreement in accordance with its terms;

(c) the Bankruptcy Court shall have entered the Confirmation Order in form and substance consistent in all material respects with the Restructuring Support Agreement and otherwise reasonably satisfactory to the Debtors, the Requisite Consenting Term Lenders and the DIP ABL Agent; and

9.2. *Conditions Precedent to Effective Date.*

The following are conditions precedent to the Effective Date of the Plan:

(j) there shall be no ruling, judgment or order issued by any Governmental Entity making illegal, enjoining, or otherwise preventing or prohibiting the consummation of the Restructuring.

9.3. *Waiver of Conditions Precedent.*

Except as otherwise provided herein (including in the Description of Structure), all actions required to be taken on the Effective Date shall take place and shall be deemed to have occurred simultaneously and no such action shall be deemed to have occurred prior to the taking of any other such action. Each of the conditions precedent in Section 9.1 and Section 9.2 of the Plan may be waived in writing by the Debtors with the prior written consent of the Requisite Consenting Term Lenders without leave of or order of the Bankruptcy Court; provided, however, that no waivers of any conditions pertaining to the rights of the DIP ABL Agent or DIP ABL Lenders under the DIP ABL Plan Provisions or to the Payment in Full of the DIP ABL Facility Claims may occur without the prior written consent of the DIP ABL Agent. If the Plan is confirmed for fewer than all of the Debtors as provided for in Section 5.18 of the Plan, only the conditions applicable to the Debtor or Debtors for which the Plan is confirmed must be satisfied or waived for the Effective Date to occur.

9.4. *Effect of Failure of a Condition.*

If the conditions listed in Section 9.2 of the Plan are not satisfied or waived in accordance with Section 9.3 of the Plan on or before the first Business Day that is more than one hundred sixty (160) days after the Petition Date or by such later date as set forth by the Debtors, with the consent of the Requisite Consenting Term Lenders, in a notice filed with the Bankruptcy Court prior to the expiration of such period, the Plan shall be null and void in all respects and nothing contained in the Plan or the Disclosure Statement shall (a) constitute a waiver or release of any claims by or against or any Interests in the Debtors, (b) prejudice in any manner the rights of any Person, or (c) constitute an admission, acknowledgement, offer, or undertaking by the Debtors, any of the Consenting Term Lenders or any other Person.

ARTICLE X EFFECT OF CONFIRMATION OF PLAN.

10.1. *Vesting of Assets.*

On the Effective Date, pursuant to sections 1141(b) and (c) of the Bankruptcy Code, all property of the Debtors' Estates shall vest in the Reorganized Debtors free and clear of all Claims, Liens, encumbrances, charges, and other interests, except as provided pursuant to the Plan, the Confirmation Order or the Exit Facility Documents. On and after the Effective Date, the Reorganized Debtors may take any action, including, without limitation, the operation of their businesses; the use, acquisition, sale, lease and disposition of property; and the entry into transactions, agreements, understandings, or arrangements, whether in or other than in the ordinary course of business, and execute, deliver, implement, and fully perform any and all obligations, instruments, documents, and papers or otherwise in connection with any of the foregoing, free of any restrictions of the Bankruptcy Code or Bankruptcy Rules and in all respects as if there were no pending cases under any chapter or provision of the Bankruptcy Code, except as expressly provided herein. Without limiting the foregoing, the Reorganized Debtors may pay the charges that they incur on or after the Effective Date for professional fees, disbursements, expenses, or related support services without application to the Bankruptcy Court.

10.2. *Binding Effect.*

As of the Effective Date, the Plan shall bind all holders of Claims against and Interests in the Debtors and their respective successors and assigns, notwithstanding whether any such holders were (a) Impaired or Unimpaired under the Plan, (b) deemed to accept or reject the Plan, (c) failed to vote to accept or reject the Plan, or (d) voted to reject the Plan.

10.3. *Discharge of Claims and Termination of Interests.*

Upon the Effective Date, and in consideration of the distributions to be made hereunder, except as otherwise expressly provided herein, each holder (as well as any representatives, trustees, or agents on behalf of each holder) of a Claim or Interest, and any affiliate of such holder, shall be deemed to have forever discharged the Debtors, to the fullest extent permitted by section 1141 of the Bankruptcy Code, of and from any and all Claims, Interests, rights, and liabilities that arose prior to the Effective Date. Upon the Effective Date, all such Persons shall be forever precluded and enjoined, pursuant to section 524 of the Bankruptcy Code, from prosecuting or asserting any such discharged Claim against or terminated Interest in the Debtors against the Debtors, the Reorganized Debtors, or any of its or their assets or property, whether or not such holder has filed a proof of Claim or proof of Interest and whether or not the facts or legal bases therefor were known or existed prior to the Effective Date.

10.4. *Term of Injunctions or Stays.*

Unless otherwise provided herein or in a Final Order of the Bankruptcy Court, all injunctions or stays arising under or entered during the Chapter 11 Cases under section 105 or 362 of the Bankruptcy Code, or otherwise, and in existence on the Confirmation Date, shall remain in full force and effect until the later of the Effective Date and the date indicated in the order providing for such injunction or stay. All injunctions or stays contained in the Plan or the Confirmation Order shall remain in full force and effect in accordance with their terms.

10.5. *Injunction.*

(a) Upon entry of the Confirmation Order, all holders of Claims and Interests and other parties in interest, along with their respective present or former employees, agents,

officers, directors, managers, principals, and affiliates, shall be enjoined from taking any actions to interfere with the implementation or consummation of the Plan.

(b) Except as expressly provided in the Plan, the Confirmation Order, or a separate order of the Bankruptcy Court or as agreed to by the Debtors (with the consent of the Requisite Consenting Term Lenders) and a holder of a Claim against or Interest in the Debtors, all Persons who have held, hold, or may hold Claims against or Interests in any or all of the Debtors (whether proof of such Claims or Interests has been filed or not and whether or not such Persons vote in favor of, against or abstain from voting on the Plan or are presumed to have accepted or deemed to have rejected the Plan), including in connection with, related to, or arising out of, in whole or in part, any settlement or agreement in the Chapter 11 Cases, the offer, issuance, and distribution of any securities issued or to be issued pursuant to the Plan, whether or not such distribution occurs following the Effective Date, negotiations regarding or concerning any of the foregoing, or the administration of the Plan or property to be distributed hereunder, and other parties in interest, along with their respective present or former employees, agents, officers, directors, managers, principals, and affiliates, are permanently enjoined, on and after the Effective Date, solely with respect to any Claims, Interests, and Causes of Action that will be or are extinguished, discharged, or released pursuant to the Plan, from (i) commencing, conducting, or continuing in any manner, directly or indirectly, any suit, action, or other proceeding of any kind (including, without limitation, any proceeding in a judicial, arbitral, administrative or other forum) against or affecting the Released Parties or the property of any of the Released Parties, (ii) enforcing, levying, attaching (including, without limitation, any prejudgment attachment), collecting, or otherwise recovering by any manner or means, whether directly or indirectly, any judgment, award, decree, or order against the Released Parties or the property of any of the Released Parties, (iii) creating, perfecting, or otherwise enforcing in any manner, directly or indirectly, any encumbrance of any kind against the Released Parties or the property of any of the Released Parties, (iv) asserting any right of setoff, directly or indirectly, against any obligation due the Released Parties or the property of any of the Released Parties, except as contemplated or allowed by the Plan, and (v) acting or proceeding in any manner, in any place whatsoever, that does not conform to or comply with the provisions of the Plan.

(c) The injunctions set forth in this Section 10.5 shall extend to any successors of the Debtors and the Reorganized Debtors and their respective property and interests in property.

Notwithstanding anything to the contrary in the foregoing, the injunction does not enjoin any party under this Plan or under any document, instrument or agreement (including those included in the Plan Supplement) executed to implement this Plan from bringing an action to enforce the terms of this Plan or such document, instrument or agreement (including included in the Plan Supplement) executed to implement this Plan.

10.6. *Releases.*

(a) Releases by Debtors.

As of the Effective Date, except (i) for the right to enforce the Plan or any right or obligation arising under the Restructuring Documents that remains in effect or becomes effective after the Effective Date or (ii) as otherwise expressly provided in the Plan or in the Confirmation Order, in exchange for good and valuable consideration, including the obligations of the Debtors under the Plan and the contributions of the Released Parties to facilitate and implement the Plan, on and after the Effective Date, the Released Parties (other than the Debtors and the Reorganized Debtors) shall be deemed conclusively, absolutely, unconditionally, irrevocably and forever released

and discharged by the Debtors, the Reorganized Debtors, the Estates and their Affiliates from any and all claims and Causes of Action, including any derivative claims, asserted or assertable on behalf of the Debtors, the Reorganized Debtors, the Estates or their Affiliates, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity or otherwise, that the Debtors, the Reorganized Debtors, the Estates, or their Affiliates would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the holder of any Claim or Interest or other Person, based on or relating to, or in any manner arising from, in whole or in part, the Debtors, the Restructuring, the Chapter 11 Cases, the purchase, sale or rescission of the purchase or sale of any security of the Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between any Debtor and any such Released Party, the restructuring of Claims and Interests before or during the Chapter 11 Cases, the negotiation, formulation, preparation or consummation of the Plan (including the Plan Supplement, including the transactions described in the Description of Structure), the Restructuring Support Agreement, the Restructuring Documents or related agreements, instruments or other documents, the solicitation of votes with respect to the Plan, any settlement or agreement in the Chapter 11 Cases, the offer, issuance, and distribution of any securities issued or to be issued pursuant to the Plan, whether or not such distribution occurs following the Effective Date, negotiations regarding or concerning any of the foregoing, or the administration of the Plan or property to be distributed hereunder, in all cases based upon any act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date; provided, that, nothing in this Section 10.6(a) shall be construed to release any party or Person from gross negligence, willful misconduct, or intentional fraud as determined by a Final Order.

(b) Releases by Holders of Claims or Interests.

As of the Effective Date, except (i) for the right to enforce the Plan or any right or obligation arising under the Restructuring Documents that remains in effect or becomes effective after the Effective Date or (ii) as otherwise expressly provided in the Plan or in the Confirmation Order, in exchange for good and valuable consideration, including the obligations of the Debtors under the Plan and the contributions of the Released Parties to facilitate and implement the Plan, to the fullest extent permissible under applicable law, as such law may be extended or integrated after the Effective Date, the Released Parties shall be deemed conclusively, absolutely, unconditionally, irrevocably and forever released, and discharged by:

(1) (A) the holders of Unimpaired Claims or Unimpaired Interests; and (B) the holders of Impaired Claims or Impaired Interests except those (i) deemed to reject the Plan or (ii) (x) who voted to reject, or abstained from voting on, the Plan and (y) have also checked the box on the applicable ballot or notice indicating that they opt out of granting the releases provided in the Plan; provided, that, the Consenting Term Lenders may not opt out of granting the releases provided in the Plan in accordance with and subject to the terms and conditions of the Restructuring Support Agreement; and

10.7. *Exculpation.*

Notwithstanding anything herein to the contrary, on the Confirmation Date and effective as of the Effective Date, and to the maximum extent permitted by applicable law, the Exculpated Parties shall neither have nor incur any liability to any holder of a Claim or Interest or any other party in interest, or any of their respective predecessors, successors and assigns, Subsidiaries, Affiliates, managed accounts or funds, current or former officers, directors, managers, principals, shareholders, members, partners, employees, agents, advisory board members, financial advisors, attorneys, accountants, investment bankers, consultants, representatives, management companies, fund advisors and other professionals, and such Person's respective heirs, executors, estates, servants or nominees for any act or omission (both prior to and subsequent to the Petition Date) in connection with, related to, or arising out of, in whole or in part, the Debtors, the Restructuring, the Chapter 11 Cases, the purchase, sale or rescission of the purchase or sale of any security of the Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between any Debtor and any other Exculpated Party, the restructuring of Claims and Interests before or during the Chapter 11 Cases, the negotiation, formulation, preparation, or consummation of the Plan (including the Plan Supplement, including the transactions described in the Description of Structure), the Restructuring Support Agreement, the Restructuring Documents, or any related agreements, instruments, or other documents, the solicitation of votes with respect to the Plan, any settlement or agreement in the Chapter 11 Cases, the offer, issuance, and distribution of any securities issued or to be issued pursuant to the Plan, whether or not such distribution occurs following the Effective Date, negotiations regarding or concerning any of the foregoing, or the administration of the Plan or property to be distributed hereunder, except for actions determined by a Final Order to constitute gross negligence, willful misconduct, or intentional fraud.

10.8. *Retention of Causes of Action/Reservation of Rights.*

Except as otherwise provided herein, including in Sections 10.5, 10.6, and 10.7 of the Plan, nothing contained in the Plan or the Confirmation Order shall be deemed to be a waiver or relinquishment of any rights, claims, Causes of Action, rights of setoff or recoupment, or other legal or equitable defenses that the Debtors had immediately prior to the Effective Date on behalf of the Estates or of themselves in accordance with any provision of the Bankruptcy Code or any applicable nonbankruptcy law, including, without limitation, any affirmative Causes of Action against parties with a relationship with the Debtors. The Reorganized Debtors shall have, retain, reserve, and be entitled to assert all such claims, Causes of Action, rights of setoff or recoupment, and other legal or equitable defenses as fully as if the Chapter 11 Cases had not been commenced, and all of the Debtors' legal and equitable rights in respect of any Unimpaired Claim may be asserted after the Confirmation Date and Effective Date to the same extent as if the Chapter 11 Cases had not been commenced. **No Person may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Cause of Action against them as any indication that the Debtors or the Reorganized Debtors will not pursue any and all available Causes of Action against them. The Debtors and the Reorganized Debtors expressly reserve all rights to prosecute any and all Causes of Action against any Person, except as otherwise expressly provided herein.**

In accordance with section 1123(b)(3) of the Bankruptcy Code, any Causes of Action preserved pursuant to the first paragraph of this Section 10.8 that a Debtor may hold against any Person shall vest in the Reorganized Debtors. The applicable Reorganized Debtor, through its authorized agents or representatives, shall retain and may exclusively enforce any and all such Causes of Action. The Reorganized Debtors shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action, or to decline to do any of the foregoing, without the consent or approval of any third party or any further notice to or action, order, or approval of the Bankruptcy Court.

10.9. *Solicitation of Plan.*

As of and subject to the occurrence of the Confirmation Date: (a) the Solicitation Parties shall be deemed to have solicited acceptances of the Plan in good faith and in compliance with the applicable provisions of the Bankruptcy Code, including without limitation, sections 1125(a) and (e) of the Bankruptcy Code, and any applicable non-bankruptcy law, rule, or regulation governing the adequacy of disclosure in connection with such solicitation and (b) the Debtors, the Consenting Term Lenders, and each of their respective directors, managers, partners, officers, employees, affiliates, agents, financial advisors, investment bankers, professionals, accountants, and attorneys shall be deemed to have participated in good faith and in compliance with the applicable provisions of the Bankruptcy Code in the offer and issuance of any securities under the Plan, and therefore are not, and on account of such offer, issuance, and solicitation will not be, liable at any time for any violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or the offer and issuance of any securities under the Plan.

Notwithstanding anything herein to the contrary, as of the Effective Date, pursuant to section 1125(e) of the Bankruptcy Code, the Solicitation Parties, upon appropriate findings of the Bankruptcy Court, will be deemed to have solicited acceptance of the Plan in good faith and in compliance with the applicable provisions of the Bankruptcy Code, and to have participated in good faith and in compliance with the applicable provisions of the Bankruptcy Code, in the offer, issuance, sale, or purchase of a security offered or sold under the Plan, and shall not be liable to any Person on account of such solicitation or participation.

10.10. *Corporate and Limited Liability Company Action.*

Upon the Effective Date, all actions contemplated by the Plan (including as described in the Description of Structure) shall be deemed authorized and approved in all respects, including (a) those set forth in Section 5.11 of the Plan, (b) the selection of the managers, directors, and officers for the Reorganized Debtors, (c) the adoption, execution, delivery and/or filing of the New Organizational Documents, (d) the entry into the Exit Revolving Credit Facility, the Exit Term Loan Credit Facility and the Exit Facility Documents, (e) the entry into the New Operating Agreement, (f) the entry into the New Registration Rights Agreement, (g) the entry into the New Warrant Documents, (h) the authorization, issuance, delivery and distribution of the New Common Units and the New Warrants, (i) the authorization, issuance, delivery and distribution of New Common Units upon exercise of the New Warrants, and the reservation of a sufficient number of New Common Units for issuance, delivery and distribution upon any such exercise, (j) the entry into the Service Agreements, (k) the rejection, assumption, or assumption and assignment, as applicable, of Executory Contracts, and (l) all other actions contemplated by the Plan (whether to occur before, on, or after the Effective Date), in each case, in accordance with and subject to the terms hereof. All matters provided for in the Plan (including in the Description of Structure) involving the corporate or limited liability company structure of the Debtors or the Reorganized Debtors, and any corporate or limited liability company action required by the Debtors or the Reorganized Debtors in connection with the Plan (including as set forth in the Description of Structure), shall be deemed to have occurred and shall be in effect, without any requirement of further action by the security holders, directors, managers, or officers of the Debtors or the Reorganized Debtors. On or (as applicable) before the Effective Date, the appropriate directors, managers or officers of the Debtors or the Reorganized Debtors, as applicable, shall be authorized and directed to issue, execute, deliver and file, as applicable, the agreements, documents, securities, instruments, certificates of merger, certificates of conversion, certificates of incorporation, certificates of dissolution, or comparable documents, or franchise tax reports contemplated by the Plan (or necessary or desirable to effect the transactions contemplated by the Plan, including the transactions described in the Description of Structure) in the name of and on behalf of the Debtors or the Reorganized Debtors, as applicable, including, but not limited to, (i) the New Organizational Documents, (ii) the Exit Revolving Credit Facility, (iii) the Exit Term Loan Credit Facility, (iv) the New Operating Agreement, (v) the New Registration Rights Agreement, (vi) the New Warrant Documents, (vii) the Service Agreements, and (viii) any and all other agreements, documents, securities, and instruments relating to the foregoing. The authorizations and approvals contemplated by this Section 10.10 shall be effective notwithstanding any requirements under non-bankruptcy law.

10.11. *Release of Liens.*

Except as otherwise specifically provided in the Plan, in the Exit Facility Documents (including in connection with any express written amendment of any mortgage, deed of trust, Lien, pledge, or other security interest under the Exit Facility Documents), or in any contract, instrument, release, or other agreement or document created pursuant to the Plan, on the Effective Date and concurrently with the applicable distributions made pursuant to the Plan and, in the case of a Secured Claim, in satisfaction in full of the portion of the Secured Claim that is Allowed as of the Effective Date, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates shall be fully released and discharged, and all of the right, title, and interest of any holder of such mortgages, deeds of trust, Liens, pledges, or other security interests shall revert to the Reorganized Debtors and their successors and assigns, in each case, without any further approval or order of the Bankruptcy Court and without any action or filing being required to be made by the Debtors, the DIP ABL Agent, the DIP Term Agent, the First Lien Term Loan Agent, the Second Lien Agent or any other holder of a Secured Claim. In addition, at the expense of the Debtors or the Reorganized Debtors, the DIP ABL Agent, the DIP Term Agent, the First Lien Term Loan Agent, the Second Lien Agent and any

other holder of a Secured Claim shall execute and deliver all documents reasonably requested by the Debtors, Reorganized Debtors or administrative agent(s) for the Exit Revolving Credit Facility and the Exit Term Loan Credit Facility to evidence the release of such mortgages, deeds of trust, Liens, pledges, and other security interests and shall authorize the Reorganized Debtors and their designees to file UCC-3 termination statements and other release documentation (to the extent applicable) with respect thereto.

10.12. *Reimbursement or Contribution.*

If the Bankruptcy Court Disallows a Claim for reimbursement or contribution of a Person pursuant to section 502(e)(1)(B) of the Bankruptcy Code, then to the extent that such Claim is contingent as of the Effective Date, such Claim shall be forever Disallowed unless prior to the Effective Date (a) such Claim has been adjudicated as noncontingent, or (b) the relevant holder of such Claim has filed a noncontingent proof of Claim on account of such Claim and a Final Order has been entered determining such Claim as no longer contingent.

10.13. *Recoupment.*

In no event shall any holder of a Claim or Interest be entitled to recoup such Claim or Interest against any claim, right, interest, or Cause of Action of the Debtors or the Reorganized Debtors, as applicable, unless such holder actually has performed such recoupment and provided notice thereof in writing to the Debtors on or before the Confirmation Date, notwithstanding any indication in any proof of Claim or otherwise that such holder asserts, has, or intends to preserve any right of recoupment.

ARTICLE XI RETENTION OF JURISDICTION.

11.1. *Retention of Jurisdiction.*

On and after the Effective Date, the Bankruptcy Court shall retain jurisdiction over all matters arising in, arising under, and related to the Chapter 11 Cases for, among other things, the following purposes:

(a) resolve any matters related to Executory Contracts, including: (i) the assumption or assignment of any Executory Contract to which a Debtor is party or with respect to which a Debtor may be liable and to hear, determine, and, if necessary, liquidate, any Cure Dispute or Claims arising therefrom, including pursuant to section 365 of the Bankruptcy Code; (ii) any potential contractual obligation under any Executory Contract that is assumed; and (iii) any dispute regarding whether a contract or lease is or was executory or expired;

(b) to determine any motion, adversary proceeding, application, contested matter, and other litigated matter pending on or commenced after the Confirmation Date;

(c) to ensure that distributions to holders of Allowed Claims are accomplished as provided for in the Plan and Confirmation Order and to adjudicate any and all disputes arising from or relating to distributions under the Plan;

(d) to Allow, Disallow, determine, liquidate, classify, estimate, or establish the priority, secured or unsecured status, or amount of any Claim against or Interest in a Debtor, including the resolution of any request for payment of any Claim or Interest and the resolution of any and all objections to the secured or unsecured status, priority, amount, or allowance of Claims and Interests;

- (e) to enter, implement, or enforce such orders as may be appropriate in the event the Confirmation Order is for any reason stayed, reversed, revoked, modified, or vacated;
- (f) to issue injunctions, enter and implement other orders, and take such other actions as may be necessary or appropriate to restrain interference by any Person with the consummation, implementation, or enforcement of the Plan, the Confirmation Order, or any other order of the Bankruptcy Court;
- (g) to hear and determine any application to modify the Plan in accordance with section 1127 of the Bankruptcy Code or to remedy any defect or omission, or reconcile any inconsistency, in the Plan or any order of the Bankruptcy Court, including the Confirmation Order, in such a manner as may be necessary to carry out the purposes and effects thereof;
- (h) to hear and determine all Fee Claims;
- (i) to hear and determine disputes arising in connection with the interpretation, implementation, or enforcement of the Plan, the Plan Supplement, or the Confirmation Order, or any agreement, instrument, or other document governing or relating to any of the foregoing;
- (j) to take any action and issue such orders as may be necessary to construe, interpret, enforce, implement, execute, and consummate the Plan;
- (k) to determine such other matters and for such other purposes as may be provided in the Confirmation Order;
- (l) to hear and determine matters concerning state, local, and federal taxes in accordance with sections 346, 505, and 1146 of the Bankruptcy Code (including any requests for expedited determinations under section 505(b) of the Bankruptcy Code);
- (m) to hear, adjudicate, decide, or resolve any and all matters related to Article X of the Plan, including, without limitation, the releases, discharge, exculpations, and injunctions issued thereunder;
- (n) to resolve disputes concerning Disputed Claims or the administration thereof;
- (o) to hear and determine any other matters related hereto and not inconsistent with the Bankruptcy Code and title 28 of the United States Code;
- (p) to enter a final decree closing the Chapter 11 Cases;
- (q) to recover all assets of the Debtors and property of the Debtors' Estates, wherever located;
- (r) to hear and determine any rights, claims, or Causes of Action held by or accruing to the Debtors pursuant to the Bankruptcy Code or pursuant to any federal statute or legal theory;
- (s) to hear and resolve any dispute over the application to any Claim of any limit on the allowance of such Claim set forth in sections 502 or 503 of the Bankruptcy Code, other than defenses or limits that are asserted under non-bankruptcy law pursuant to section 502(b)(1) of the Bankruptcy Code;

(t) to grant any consensual request to extend the deadline for assuming or rejecting Executory Contracts pursuant to section 365(d)(4) of the Bankruptcy Code; and

(u) to enforce all orders previously entered by the Bankruptcy Court.

11.2. *Courts of Competent Jurisdiction.*

If the Bankruptcy Court abstains from exercising, or declines to exercise, jurisdiction or is otherwise without jurisdiction over any matter arising out of the Plan, such abstention, refusal, or failure of jurisdiction shall have no effect upon and shall not control, prohibit, or limit the exercise of jurisdiction by any other court having competent jurisdiction with respect to such matter.

ARTICLE XII MISCELLANEOUS PROVISIONS.

12.1. *Payment of Statutory Fees.*

On the Effective Date and thereafter as may be required, the Reorganized Debtors shall pay all fees incurred pursuant to sections 1911 through 1930 of chapter 123 of title 28 of the United States Code, together with interest, if any, pursuant to section 3717 of title 31 of the United States Code for each Debtor's Chapter 11 Case, or until such time as a final decree is entered closing a particular Debtor's Chapter 11 Case, a Final Order converting such Debtor's Chapter 11 Case to a case under chapter 7 of the Bankruptcy Code is entered, or a Final Order dismissing such Debtor's Chapter 11 Case is entered.

12.2. *Substantial Consummation of the Plan.*

On the Effective Date, the Plan shall be deemed to be substantially consummated under sections 1101 and 1127(b) of the Bankruptcy Code.

12.3. *Plan Supplement.*

The Plan Supplement shall be filed with the Clerk of the Bankruptcy Court. Upon its filing with the Bankruptcy Court, the Plan Supplement may be inspected in the office of the Clerk of the Bankruptcy Court during normal court hours. Documents included in the Plan Supplement will be posted at <https://www.donlinrecano.com/Clients/vhc>. The Debtors, with the consent of the Requisite Consenting Term Lenders, shall have the right to amend the documents contained in, and exhibits to, the Plan Supplement through the Effective Date consistent in all material respects with the Plan and the Restructuring Support Agreement; provided, however, that no such amendment or modification may adversely affect any rights of the DIP ABL Agent and the DIP ABL Lenders under the DIP ABL Plan Provisions or to the Payment in Full of the DIP ABL Facility Claims, without the prior written consent of the DIP ABL Agent (acting at the requisite direction of the DIP ABL Lenders).

12.4. *Exemption from Certain Transfer Taxes.*

Pursuant to section 1146 of the Bankruptcy Code, (a) the issuance, transfer or exchange of any securities, instruments or documents, (b) the creation of any Lien, mortgage, deed of trust, or other security interest, (c) the making or assignment of any lease or sublease or the making or delivery of any deed or other instrument of transfer under, pursuant to, in furtherance of, or in connection with the Plan, including, without limitation, any deeds, bills of sale, or assignments executed in connection with any of the transactions contemplated under the Plan or the reinvesting, transfer, or sale of any real or personal property of the Debtors pursuant to, in implementation of or as contemplated in the Plan (whether to one or more of the Reorganized Debtors or otherwise), (d) the grant of Collateral under the Exit Facility

Documents, and (e) the issuance, renewal, modification, or securing of indebtedness by such means, and the making, delivery or recording of any deed or other instrument of transfer under, in furtherance of, or in connection with, the Plan, including, without limitation, the Confirmation Order, shall not be subject to any document recording tax, stamp tax, conveyance fee, or other similar tax, mortgage tax, real estate transfer tax, mortgage recording tax, Uniform Commercial Code filing or recording fee, regulatory filing or recording fee, sales tax, use tax, or other similar tax or governmental assessment. Consistent with the foregoing, each recorder of deeds or similar official for any county, city, or governmental unit in which any instrument hereunder is to be recorded shall, pursuant to the Confirmation Order, be ordered and directed to accept such instrument without requiring the payment of any filing fees, documentary stamp tax, deed stamps, stamp tax, transfer tax, intangible tax, or similar tax.

12.5. *Amendments.*

(a) *Plan Modifications.* Subject to the terms of the Restructuring Support Agreement, with the consent of the Requisite Consenting Term Lenders and, to the extent modifying the DIP ABL Plan Provisions or the definitions set forth in Sections 1.35 through 1.49, 1.115 and 1.116 of the Plan in a manner that adversely impacts the rights of the DIP ABL Agent or DIP ABL Lenders, with the consent of the DIP ABL Agent acting at the direction of the requisite DIP ABL Lenders, (i) the Debtors reserve the right, in accordance with the Bankruptcy Code and the Bankruptcy Rules, to amend or modify the Plan prior to the entry of the Confirmation Order, including amendments or modifications to satisfy section 1129(b) of the Bankruptcy Code, and (ii) after entry of the Confirmation Order, the Debtors may, upon order of the Bankruptcy Court, amend, modify or supplement the Plan in the manner provided for by section 1127 of the Bankruptcy Code or as otherwise permitted by law, in each case without additional disclosure pursuant to section 1125 of the Bankruptcy Code. A holder of a Claim or Interest that has accepted the Plan shall be deemed to have accepted the Plan, as altered, amended, modified or supplemented, if the proposed alteration, amendment, modification or supplement does not materially and adversely change the treatment of the Claim or Interest of such holder.

(b) *Other Amendments.* Subject to the Restructuring Support Agreement, before the Effective Date, the Debtors may make appropriate technical adjustments and modifications to the Plan and the documents contained in the Plan Supplement without further order or approval of the Bankruptcy Court.

(c) *Effect of Confirmation on Modifications.* Entry of the Confirmation Order shall constitute approval of all modifications to the Plan occurring after the solicitation of votes thereon pursuant to section 1127(a) of the Bankruptcy Code and a finding that such modifications to the Plan do not require additional disclosure or resolicitation under Bankruptcy Rule 3019.

12.6. *Revocation or Withdrawal of Plan.*

Subject to the terms of the Restructuring Support Agreement, the Debtors reserve the right to revoke or withdraw the Plan prior to the Effective Date as to any or all of the Debtors. If, with respect to a Debtor, the Plan has been revoked or withdrawn prior to the Effective Date, or if confirmation of the Plan or the occurrence of the Effective Date as to such Debtor does not occur by the Effective Date, then, with respect to such Debtor: (a) the Plan shall be null and void in all respects; (b) any settlement or compromise embodied in the Plan (including the fixing or limiting to an amount of any Claim or Interest or Class of Claims or Interests), assumption, assumption and assignment, or rejection of Executory Contracts affected by the Plan, and any document or agreement executed pursuant to the Plan shall be deemed null and void; and (c) nothing contained in the Plan shall (i) constitute a waiver or release of any claim by, Claim against, or Interest in, such Debtor or any other Person, (ii) prejudice in any manner the rights of such Debtor or any other Person, or (iii) constitute an admission of any sort by any Debtor, any

of the Consenting Term Lenders or any other Person; provided, however, that all orders of the Bankruptcy Court and all documents executed pursuant thereto, except the Confirmation Order, shall remain in full force and effect. This provision shall have no impact on the rights of the Consenting Term Lenders or the Debtors, as set forth in the Restructuring Support Agreement, in respect of any such revocation or withdrawal.

12.7. *Dissolution of Committee.*

On the Effective Date, the Committee shall be automatically dissolved and each member (including each officer, director, employee, or agent thereof) of the Committee and each professional retained by the Committee shall be released and discharged from all rights, duties, responsibilities, and obligations arising from, or related to, the Debtors, their membership on the Committee, the Plan, the Chapter 11 Cases, or under the Bankruptcy Code, except with respect to any matters concerning any Fee Claims held or asserted by any professional retained by the Committee.

12.8. *Severability of Plan Provisions.*

If, before the entry of the Confirmation Order, any term or provision of the Plan is held by the Bankruptcy Court to be invalid, void, or unenforceable, the Bankruptcy Court, at the request of the Debtors (with the consent of the Requisite Consenting Term Lenders), shall have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void, or unenforceable, and such term or provision shall then be applicable as altered or interpreted. Notwithstanding any such holding, alteration, or interpretation, the remainder of the terms and provisions of the Plan will remain in full force and effect and will in no way be affected, impaired or invalidated by such holding, alteration, or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing, is (a) valid and enforceable pursuant to its terms, (b) integral to the Plan and may not be deleted or modified without the consent of the Debtors or the Reorganized Debtors (as the case may be) and the Requisite Consenting Term Lenders, consistent with the terms set forth herein and the Restructuring Support Agreement, and, to the extent relating to the rights of the DIP ABL Agent and the DIP ABL Lenders under the DIP ABL Plan Provisions or to the Payment in Full of the DIP ABL Facility Claims, the consent of the DIP ABL Agent (acting at the direction of the requisite DIP ABL Lenders) and (c) nonseverable and mutually dependent.

12.9. *Governing Law.*

Except to the extent that the Bankruptcy Code or other federal law is applicable, or to the extent an exhibit hereto or a schedule in the Plan Supplement or a Restructuring Document provides otherwise, the rights, duties, and obligations arising under the Plan shall be governed by, and construed and enforced in accordance with, the laws of the State of New York, without giving effect to the principles of conflict of laws thereof.

12.10. *Time.*

In computing any period of time prescribed or allowed by the Plan, unless otherwise set forth herein or determined by the Bankruptcy Court, the provisions of Bankruptcy Rule 9006 shall apply.

12.11. ***Dates of Actions to Implement the Plan.***

In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on or as soon as reasonably practicable after the next succeeding Business Day, but shall be deemed to have been completed as of the required date.

12.12. ***Immediate Binding Effect.***

Notwithstanding Bankruptcy Rules 3020(e), 6004(h), 7062, or otherwise, upon the occurrence of the Effective Date, the terms of the Plan and Plan Supplement shall be immediately effective and enforceable and deemed binding upon and inure to the benefit of the Debtors, the holders of Claims and Interests (irrespective of whether such Claims or Interests are deemed to have accepted the Plan), all Persons that are parties to or are subject to the settlements, compromises, releases, discharges, and injunctions described in the Plan, each Person acquiring property under the Plan, any and all non-Debtor parties to Executory Contracts with the Debtors, and each of their respective successors and assigns, including, without limitation, the Reorganized Debtors.

12.13. ***Deemed Acts.***

Subject to and conditioned on the occurrence of the Effective Date, whenever an act or event is expressed under the Plan (including in the Description of Structure) to have been deemed done or to have occurred, it shall be deemed to have been done or to have occurred without any further act by any party, by virtue of the Plan and the Confirmation Order.

12.14. ***Successor and Assigns.***

The rights, benefits, and obligations of any Person named or referred to in the Plan shall be binding on, and shall inure to the benefit of, any heir, executor, administrator, successor, permitted assign, Affiliate, officer, director, manager, agent, representative, attorney, beneficiary, or guardian, if any, of each Person.

12.15. ***Entire Agreement.***

On the Effective Date, the Plan, the Plan Supplement, and the Confirmation Order shall supersede all previous and contemporaneous negotiations, promises, covenants, agreements, understandings, and representations on such subjects, all of which have become merged and integrated into the Plan.

12.16. ***Exhibits to Plan.***

All exhibits, schedules, supplements, and appendices to the Plan (including the Plan Supplement) are incorporated into and are a part of the Plan as if set forth in full herein.

12.17. ***Notices.***

All notices, requests, and demands to or upon the Debtors to be effective shall be in writing (including by electronic or facsimile transmission) and, unless otherwise expressly provided herein, all notices shall be deemed to have been duly given or made when actually delivered or, in the case of notice by facsimile or electronic transmission, when sent, addressed as follows:

Financial Projections

FINANCIAL INFORMATION AND PROJECTIONS

A. Consolidated Condensed Projected Financial Information

The Debtors believe that the Plan meets the feasibility requirements set forth in section 1129(a)(11) of the Bankruptcy Code, as confirmation is not likely to be followed by liquidation or the need for further financial reorganization of the Debtors or any successor under the Plan. In connection with the development of the Plan and for the purposes of determining whether the Plan satisfies the feasibility standard, the Debtors analyzed their ability to satisfy their financial obligations while maintaining sufficient liquidity and capital resources. The Debtors prepared financial projections (the “*Projections*”) for fiscal years 2018 through 2020 (the “*Projection Period*”), as set forth below.

The Debtors do not, as a matter of course, publish their business plans or strategies, projections or anticipated financial position. Accordingly, the Debtors do not anticipate that they will, and disclaim any obligation to, furnish updated business plans or Projections to holders of Claims or other parties in interest after the Confirmation Date. In connection with the planning and the development of the Plan, the Projections were prepared by the Debtors, with the assistance of their professionals, to present the anticipated impact of the Plan. The Projections assume that the Plan will be implemented in accordance with its stated terms. The Projections are based on forecasts and variables and may be significantly impacted by, among other factors, changes in the competitive environment, regulatory changes, and/or a variety of other factors, including the factors listed in this Disclosure Statement. Consequently, the estimates and assumptions underlying the Projections are inherently uncertain and are subject to material business, economic, and other uncertainties. Therefore, the Projections, estimates, and assumptions are not necessarily indicative of current values or future performance, which may be significantly less or more favorable than set forth herein. The Projections included herein were last updated on January 12, 2018.

THE DEBTORS PREPARED THE PROJECTIONS WITH THE ASSISTANCE OF THEIR ADVISORS. THE DEBTORS DID NOT PREPARE SUCH PROJECTIONS TO COMPLY WITH THE GUIDELINES FOR PROSPECTIVE FINANCIAL STATEMENTS PUBLISHED BY THE AMERICAN INSTITUTE OF CERTIFIED PUBLIC ACCOUNTANTS AND THE RULES AND REGULATIONS OF THE SECURITIES AND EXCHANGE COMMISSION. EXCEPT FOR PURPOSES OF THIS DISCLOSURE STATEMENT, THE DEBTORS DO NOT PUBLISH PROJECTIONS OF THEIR ANTICIPATED FINANCIAL POSITION OR RESULTS OF OPERATIONS.

MOREOVER, THE PROJECTIONS CONTAIN CERTAIN STATEMENTS THAT ARE “FORWARD-LOOKING STATEMENTS” WITHIN THE MEANING OF THE PRIVATE SECURITIES LITIGATIONS REFORM ACT OF 1995. THE PROJECTIONS, WHILE PRESENTED WITH NUMERICAL SPECIFICITY, ARE NECESSARILY BASED ON A VARIETY OF ESTIMATES AND ASSUMPTIONS, WHICH ALTHOUGH CONSIDERED REASONABLE BY THE DEBTORS, MAY NOT BE REALIZED AND ARE INHERENTLY SUBJECT TO SIGNIFICANT BUSINESS, ECONOMIC, INDUSTRY, REGULATORY, LEGAL, MARKET, AND FINANCIAL UNCERTAINTIES AND CONTINGENCIES, MANY OF WHICH ARE BEYOND THE REORGANIZED DEBTORS' CONTROL. THE DEBTORS CAUTION THAT NO REPRESENTATIONS CAN BE MADE OR ARE MADE AS TO THE ACCURACY OF THE PROJECTIONS OR TO THE REORGANIZED DEBTORS' ABILITY TO ACHIEVE THE PROJECTED RESULTS. SOME ASSUMPTIONS INEVITABLY WILL BE INCORRECT. MOREOVER, EVENTS AND CIRCUMSTANCES OCCURRING SUBSEQUENT TO THE DATE ON WHICH THE DEBTORS PREPARED THESE PROJECTIONS MAY BE DIFFERENT FROM THOSE ASSUMED, OR, ALTERNATIVELY, MAY HAVE BEEN UNANTICIPATED, AND THUS THE OCCURRENCE OF THESE EVENTS MAY AFFECT FINANCIAL RESULTS IN A MATERIALLY ADVERSE OR MATERIALLY BENEFICIAL MANNER. EXCEPT AS OTHERWISE PROVIDED IN THE PLAN OR THIS DISCLOSURE STATEMENT, THE DEBTORS AND REORGANIZED DEBTORS, AS APPLICABLE, DO NOT INTEND AND UNDERTAKE NO OBLIGATION TO UPDATE OR OTHERWISE REVISE THE PROJECTIONS TO REFLECT EVENTS OR CIRCUMSTANCES EXISTING OR ARISING AFTER THE DATE HEREOF OR TO REFLECT THE OCCURRENCE OF UNANTICIPATED EVENTS. THEREFORE, THE PROJECTIONS MAY NOT BE RELIED UPON AS A GUARANTEE OR OTHER ASSURANCE OF THE ACTUAL RESULTS THAT WILL OCCUR. IN DECIDING WHETHER TO VOTE TO ACCEPT OR REJECT THE PLAN, HOLDERS OF CLAIMS OR INTERESTS MUST MAKE THEIR OWN DETERMINATIONS AS TO THE REASONABLENESS OF SUCH ASSUMPTIONS AND THE RELIABILITY OF THE PROJECTIONS AND SHOULD CONSULT WITH THEIR OWN ADVISORS.

The Projections should be read in conjunction with the significant assumptions, qualifications, and notes set forth in this Disclosure Statement and the Plan, in their entirety, and the historical consolidated financial statements (including the notes and schedules thereto).

B. Assumptions to the Projections

1. General Assumptions

Presentation. The Projections are presented on a consolidated basis, including estimates of operating results for Debtor and non-Debtor entities, combined. Actual and projected results for 2016 – 2018 are presented on a normalized basis where restructuring, bankruptcy, and non-recurring expenses have been eliminated to reflect management’s assessment of normal operations. The adjustments reflected in the above financial results can be summarized as follows:

Methodology. In developing the Projections, the Debtors considered expected customer activity levels based on historical trends and market forecasts related to the motorcycle and off-road segments. Industry forecasts are projecting a recovery in the motorcycle segment with 2018 expected to be flat year-over-year followed by modest growth of 2.8% and 3.8% in 2019 and 2020.

The Projections assume that the Debtors’ operations will be negatively impacted by the bankruptcy filing resulting in a loss of Revenues and EBITDA of approximately \$15 million and \$2 million respectively from the normal expected run rate in 2018. The projected operating results are based on the assumption that activity levels will resume pre-bankruptcy run rates after emergence with growth consistent with market forecasts.

Plan Consummation. The Projections assume that the Plan will be consummated on or about March 31, 2018.

2. Assumptions With Respect to the Projected Income Statement

Revenues. In the Projections, revenues are forecasted by individual operating unit. The Debtors developed activity and margin assumptions based on historical levels and expected future results. Market studies published by the Motorcycle Industry Counsel forecast that year-over-year growth in motorcycle sales is anticipated to return to neutral territory in 2018 and then experience moderated/slow positive growth in 2018 - 2020 of 0.1%, 2.8% and 3.8% respectively.

Cost of Sales. The cost of sales forecast is based on the Debtors' review of historical operating results and the assessment of the effectiveness of operational improvements related to purchasing, footprint, manufacturing and freight. In 2016 and 2017, the Debtors undertook and implemented numerous restructuring initiatives designed to reduce costs and improve efficiencies. Management expects to yield the benefit of these initiatives during the projection period which will be realized in the form of improved margins and lower operating expenses.

Operating Expenses. Operating expenses are comprised primarily of direct and indirect labor costs, marketing, facilities, travel and entertainment, technology expenses, and other expenses associated with corporate overhead. The amount of operating expenses is based on historical cost trends, adjusted for cost reduction efforts. The forecast operating expenses are considered sufficient to support operations and forecasted growth.

Depreciation and Amortization. Depreciation and amortization reflects the anticipated depreciation and amortization of the Debtors' net property, plant & equipment and intangible assets based on book values.

Estimations have not been made for asset value adjustments resulting from the application of "fresh start" reporting as required by Topic 852, Reorganizations, of the Financial Accounting Standards Board ("*FASB*") Accounting Standards Codification. The projections assume that liabilities subject to compromise will be discharged in accordance with the Plan.

Interest Expense. Interest expense is forecasted based on a forecasted Exit Revolving Credit Facility and an Exit Term Loan of \$91.7 million and \$25.8 million respectively. The Debtors are talking with numerous interested parties who have expressed an interest in providing exit financing. While specific terms have not been negotiated, the interest rates assumed in the Projections are 5.5% and 12.7% for the Exit Revolving Credit Facility and Exit Term Loan respectively.

Income Tax (Expense) Benefit. Projected income tax is estimated based on the anticipated effective corporate tax rate of 26%. The 2017E and Normalized 2017 tax provision is preliminary and does not reflect year-end adjustments.

Run Rate Adjustments. Run rate adjustments include non-recurring costs related to the bankruptcy, restructuring activities, asset write-downs, retention bonuses, and the temporary impact of the bankruptcy on operating results. Estimated amounts are based on the DIP budget, terms of contracts and management estimates.

3. Assumptions with Respect to the Projected Balance Sheet and Projected Statement of Cash Flows

Working Capital. Working capital assumptions are based on historical days sales outstanding and historical days payable as well as historical levels of prepaid and other current assets and current liabilities.

Capital Expenditures. Capital expenditures primarily relate to maintenance-oriented capital necessary to maintain the service capability of the Debtors' existing assets in the normal course of the Debtors' businesses. In addition, the Projections include capital expenditures associated with ongoing consolidations and improvements needed to position the Debtors for future growth.

Exhibit C

Unaudited Liquidation Analysis

I. Overview

Velocity Holding Company, Inc. and its debtor affiliates, as debtors and debtors in possession in the above-captioned chapter 11 cases (collectively, the “Debtors”), with the assistance of their restructuring, and legal advisors, have prepared this hypothetical liquidation analysis (this “Liquidation Analysis”) in connection with the Plan and the Disclosure Statement.¹

This Liquidation Analysis indicates the estimated recoveries that may be obtained by Classes of Claims and Interests pursuant to a hypothetical liquidation under chapter 7 of the Bankruptcy Code upon disposition of the Debtors’ assets as an alternative to the Plan. Accordingly, asset values discussed in this Liquidation Analysis may be different than amounts referred to in the Plan. This Liquidation Analysis is based upon the assumptions discussed below. This Liquidation Analysis has been prepared assuming that the Debtors convert their cases from chapter 11 cases to chapter 7 cases on March 31, 2018 (the “Liquidation Date”). The book values referenced in this Liquidation Analysis are as of October 31, 2017 (unless otherwise noted), and are assumed to be representative of the Debtors’ assets and liabilities as of the Liquidation Date. This Liquidation Analysis was analyzed on a legal entity basis and summarized on a consolidated basis below.

This Liquidation Analysis represents an estimate of recovery values and percentages based upon a hypothetical liquidation of the Debtors as if a chapter 7 trustee(s) (the “Trustee”) was appointed by the Bankruptcy Court to convert assets into cash. The determination of the hypothetical proceeds from the liquidation of assets is a highly uncertain process involving the extensive use of estimates and assumptions, which, although considered reasonable by the Debtors and the Debtors’ advisors, are inherently subject to significant business, economic, and competitive uncertainties and contingencies beyond the control of the Debtors. In instances where assumptions and/or methodologies had to be utilized with regard to developing estimates or presenting the treatment of assets and claims that could potentially benefit one Class of Claims as compared to the alternative, an attempt was made to utilize an assumption that was equitable to both Secured Claims as well as Unsecured Claims.²

NEITHER THE DEBTORS NOR THEIR ADVISORS MAKE ANY REPRESENTATION OR WARRANTY THAT THE ACTUAL RESULTS OF A LIQUIDATION OF THE DEBTORS WOULD OR WOULD NOT APPROXIMATE THE ASSUMPTIONS REPRESENTED HEREIN. ACTUAL RESULTS COULD VARY MATERIALLY.

This Liquidation Analysis envisions the liquidation by the Trustee of substantially all of the Debtors’ assets (including interests in certain non-Debtor Affiliates) over a period of approximately three months beginning with the Liquidation Date, followed by a wind-down of the chapter 7 estates. This Liquidation Analysis does not consider the discounting over time of asset values and creditor recoveries, which would likely result in significantly lower recoveries to Holders of Claims and Interests than those estimated recoveries presented in this Liquidation Analysis.

II. Purpose of Analysis.

This Liquidation Analysis is included in the Disclosure Statement for the purpose of evaluating whether the Plan satisfies the best interests of creditors test under section 1129(a)(7) of the Bankruptcy Code. Section 1129(a)(7) of the Bankruptcy Code requires that each holder of an impaired allowed claim or interest must either 1) accept the plan; or 2) receive or retain under the plan property of a value, as of the

¹ Capitalized terms used but not otherwise defined in this Liquidation Analysis have the meanings ascribed to such terms in the Plan or Disclosure Statement.

² Classes 6 – 8 have not been depicted in the Liquidation Analysis and recovery on each is \$0.

effective date of the plan, that is not less than the amount that such holder would so receive or retain if the debtor were liquidated under chapter 7 of the Bankruptcy Code.

DETAILED LIQUIDATION ANALYSIS

The liquidation analysis for the Debtors was analyzed on a by-entity basis. For the DIP Claims, First Lien Term Loan Claims and Second Lien Term Loan Claims, it is assumed that claims have been filed at each of the Debtors. Asset book values and unsecured trade claims shown below are estimated as of October 31, 2017, unless otherwise noted. An estimate of additional unsecured and contract breakage claims arising from a chapter 7 liquidation have not been made and could increase the amount of such claims. The following Liquidation Analysis for the Debtors should be reviewed in conjunction with the associated notes.

[A] Cash and Cash Equivalents: The Debtors are projected to have a minimal amount of cash as of March 31, 2018, which is generally swept in connection with the DIP ABL Facility. The Debtors estimate a 100% recovery on cash and equivalents.

[B] Trade Accounts Receivable, net: Trade accounts receivable balances have been estimated as of March 31, 2018 based on the Debtors' projections. The Debtors assume that challenges may arise with respect to the collectability of outstanding accounts receivable in a chapter 7 liquidation scenario. After accounting for potential costs and reduced collectability, a recovery of 70% - 80% has been assigned to trade accounts receivable.

[C] Other Accounts Receivable, net: Other accounts receivable are comprised of other, non-trade related receivables and rebates. A review of these by item revealed that they are likely less collectible on average than trade receivables. A blended recovery of approximately 53% - 63% has been estimated for other accounts receivable.

[D] Prepaid Expenses: Prepaid expenses consist of prepaid items that will likely be largely unrecoverable in the event of a Chapter 7 liquidation, including prepaid software licenses, rent and other items that are amortized over the applicable license or rental period. Prepaid items were examined by line item and a blended recovery of approximately 28% - 37% has been estimated.

[E] Inventory: Inventory is the Debtors' largest asset and largely consists of finished goods. Recovery rates on the Debtors' estimated inventory balance as of March 31, 2018, were informed by a recent inventory appraisal that estimated a range of recovery from an orderly liquidation of the inventory, net of certain liquidation expenses. A 45% - 55% recovery has been estimated for the Debtors' inventory balance. Note that expenses estimated to dispose of the inventory of approximately \$26 million - \$29 million are incorporated into the estimate of and reduce inventory recovery. As these expenses reduce inventory recovery directly, they have been excluded from the estimated Wind-Down Claims.

[F] Property, Plant and Equipment: Property, plant and equipment primarily consists of manufacturing and plant equipment, land and buildings, software and leasehold improvements. On a blended basis, a recovery of approximately 36% to 46% was estimated for the Debtors' PP&E. The table below provides a summary of the book value and range of recoveries assigned by asset type.

Property, Plant & Equipment Recovery Summary

Total PP&E	\$ 45,250	36.1%	45.9%	\$ 16,320	\$ 20,771

[G] Intangible Assets: Intangible assets consist of trade names, customer relationships, patents, and other intangible assets. Recovery was estimated based on observed transactions in a liquidation context for retailer trade names and other assets. On a blended basis, the estimated recovery is approximately 8% - 14%.

[H] Goodwill: The Debtors' goodwill was assigned a 0% recovery.

[I] Other Assets: The Debtors' other assets primarily consist of capitalized financing expenses and other accounting assets. The Debtors' other assets were assigned a 0% recovery.

[J] Wind Down Claims: Includes estimated priority claims related to the Debtors' workforce, combined trustee and legal fees of 4% of non-cash proceeds, and approximately \$9 million - \$10 million of operating expenses associated with the wind-down period in addition to the expenses included in the cost to liquidate the inventory, as described above. The claims have been estimated at the amount of assets available to pay such claims. Wind down claims are estimated to receive a full (100%) recovery.

[K] DIP (Term and ABL) Claims (Class 2): The DIP claim amount represents an estimate of the ABL and Term claims as of March 31, 2018, prior to emergence. DIP Claims are estimated to receive a full (100%) recovery.

[L] First Lien Term Loan Claims (Class 3): The claim amount represents an estimate of the First Lien Term Loan Claims. The First Lien Term Loan Claims are assumed to have a security interest in substantially all of the Debtors' assets after payment of Wind-Down Claims and DIP Claims. The recovery on the First Lien Term Loan Claims is estimated to be 0% - 9%.

[M] Second Lien Term Loan Claims (Class 4): The claim amount represents an estimate of the Second Lien Term Loan Claims. The Second Lien Term Loan Claims are assumed to have a security interest in substantially all of the Debtors' assets after payment of Wind-Down Claims, DIP Claims and First Lien Term Loan Claims. The recovery on the Second Lien Term Loan Claims is estimated to be 0%.

[N] General Administrative Claims: The claim amount represents an estimate of general administrative post-petition claims that will not be paid from the estate but represent the ongoing liabilities of the Debtors upon emergence. The recovery on Administrative claims is estimated to be 0%.

[O] General Unsecured Claims (Class 5): The claim amount represents an estimate of general unsecured pre-petition claims. The recovery on general unsecured claims is estimated to be 0%.

GOING CONCERN VALUATION ANALYSIS

AlixPartners, at the request of the Debtors, has performed the Valuation Analysis of the estimated implied value of the Debtors on a hypothetical enterprise valuation on a going-concern basis as of the Effective Date. The Valuation Analysis has been prepared solely for purposes of estimating a range of the reorganization valuation of the Debtors (the “*Enterprise Value*”) for the Plan, which has been estimated to be approximately \$204 million to \$227 million with a midpoint of \$215 million solely for purposes of an assumed Effective Date of March 31, 2018. In order to arrive at the estimated Enterprise Value for the Debtors, AlixPartners utilized the guideline company method and the discounted cash flow method.

The valuation analysis herein is based on information as of the date of the Disclosure Statement, information available as of December 31, 2017, and the Financial Information and Projections. For purposes of this valuation, it has been assumed that no material changes that would affect value occur between the date of the Disclosure Statement and the assumed Effective Date. AlixPartners’s estimated Enterprise Value range does not constitute an opinion as to fairness to be received under the Plan or of the terms and provisions of the Plan. While subsequent information or developments may arise that could affect AlixPartners’ conclusions, AlixPartners does not have an obligation to update, revise or otherwise affirm its estimated Enterprise Value range.

Based upon the assumed range of the Enterprise Value of the Debtors of between \$204 million and \$227 million and assumed net debt of \$118 million, AlixPartners imputed an estimated range of equity value for the Debtors (the “*Equity Value*”) of between approximately \$86 million and \$109 million, with a midpoint estimate of \$98 million. The assumed range of reorganization value was based on the Financial Information and Projections, as described above.

ALIXPARTNERS DID NOT INDEPENDENTLY VERIFY THE PROJECTIONS IN CONNECTION WITH ITS ESTIMATES OF THE ENTERPRISE VALUE AND EQUITY VALUE, AND NO INDEPENDENT VALUATIONS OR APPRAISALS OF THE DEBTORS WERE SOUGHT OR OBTAINED IN CONNECTION WITH THIS ESTIMATE. ESTIMATES OF THE ENTERPRISE VALUE AND EQUITY VALUE DO NOT PURPORT TO BE APPRAISALS OR NECESSARILY REFLECT THE VALUES THAT MAY BE REALIZED IF ASSETS ARE SOLD AS A GOING CONCERN, IN LIQUIDATION, OR OTHERWISE. IN THE CASE OF THE DEBTORS, THE ESTIMATES OF THE ENTERPRISE VALUE PREPARED BY ALIXPARTNERS REPRESENT THE HYPOTHETICAL ENTERPRISE VALUE OF THE DEBTORS. SUCH ESTIMATES WERE DEVELOPED SOLELY FOR PURPOSES OF THE PLAN AND A PRESENTATION OF IMPLIED RELATIVE RECOVERIES TO CREDITORS THEREUNDER. SUCH ESTIMATES REFLECT COMPUTATIONS OF THE RANGE OF THE ESTIMATED ENTERPRISE VALUE OF THE DEBTORS THROUGH THE APPLICATION OF VARIOUS VALUATION TECHNIQUES AND DO NOT PURPORT TO REFLECT OR CONSTITUTE APPRAISALS, LIQUIDATION VALUES, OR ESTIMATES OF THE ACTUAL MARKET VALUE THAT MAY BE REALIZED THROUGH THE SALE OF ANY SECURITIES TO BE ISSUED PURSUANT TO THE PLAN, WHICH MAY BE SIGNIFICANTLY DIFFERENT THAN THE AMOUNTS SET FORTH HEREIN.

THE VALUE OF AN OPERATING BUSINESS IS SUBJECT TO NUMEROUS UNCERTAINTIES AND CONTINGENCIES WHICH ARE DIFFICULT TO PREDICT AND WILL FLUCTUATE WITH CHANGES IN FACTORS AFFECTING THE FINANCIAL CONDITION AND PROSPECTS OF SUCH A BUSINESS. AS A RESULT, THE ESTIMATE OF THE RANGE OF THE ENTERPRISE VALUE OF THE DEBTORS SET FORTH HEREIN IS NOT NECESSARILY INDICATIVE OF ACTUAL OUTCOMES, WHICH MAY BE SIGNIFICANTLY MORE OR LESS FAVORABLE THAN THOSE SET FORTH HEREIN. BECAUSE SUCH ESTIMATES ARE INHERENTLY SUBJECT TO UNCERTAINTIES, NEITHER THE DEBTORS, ALIXPARTNERS, NOR ANY OTHER PERSON

ASSUMES RESPONSIBILITY FOR THEIR ACCURACY. IN ADDITION, THE VALUATION OF NEWLY ISSUED SECURITIES IS SUBJECT TO ADDITIONAL UNCERTAINTIES AND CONTINGENCIES, ALL OF WHICH ARE DIFFICULT TO PREDICT. ACTUAL MARKET PRICES OF SUCH SECURITIES AT ISSUANCE WILL DEPEND UPON, AMONG OTHER THINGS, PREVAILING INTEREST RATES, CONDITIONS IN THE FINANCIAL MARKETS, THE ANTICIPATED INITIAL SECURITIES HOLDINGS OF PREPETITION CREDITORS, SOME OF WHICH MAY PREFER TO LIQUIDATE THEIR INVESTMENT RATHER THAN HOLD IT ON A LONG-TERM BASIS, AND OTHER FACTORS WHICH GENERALLY INFLUENCE THE PRICES OF SECURITIES.

AlixPartners assumed that the Financial Information and Projections were reasonably prepared in good faith and on a basis reflecting the Debtors' most accurate currently available estimates and judgments as to the future operating and financial performance of the Debtors. The estimated ranges of Enterprise Value and Equity Value assume the Debtors will achieve their Projections in all material respects, including revenue growth, EBITDA margins, and cash flows as projected. If the business performs at levels below or above those set forth in the Financial Information and Projections, such performance may have a materially negative or positive impact, respectively, on Enterprise Value and Equity Value. In estimating the Enterprise Value, AlixPartners: (a) reviewed certain current and historical operations and financial performance of the Debtors; (b) reviewed certain financial projections, including various supporting schedules and other related financial information of the Debtors; (c) discussed the Debtors' operations and future performance with members of the management team and professionals; (d) reviewed and analyzed certain publicly available data, considered the market value and financial performance of public companies that AlixPartners deemed appropriate for the purpose of analyzing the Enterprise Value of the Debtors; (e) considered certain economic and industry information relevant to the operating businesses; and (f) conducted such other studies, analyses, inquiries and investigations as it deemed appropriate. AlixPartners assumed and relied on the accuracy and completeness of all financial and other information furnished to it by the Debtors' management as well as publicly available information.

The estimated Enterprise Value and Equity Value do not constitute a recommendation to any holder of Allowed Claims as to how such person should vote or otherwise act with respect to the Plan. AlixPartners has not been asked to and does not express any view as to what the trading value of the Reorganized Debtors' securities would be on issuance at any time. The estimated Enterprise Value and Equity Value of the Debtors set forth herein does not constitute an opinion as to fairness to any person of the consideration to be received by such person under the Plan or of the terms and provisions of the Plan.

Based on the Debtors' and their tax professionals' tax analysis, the Debtors do not expect to have significant tax attributes following the reorganization. AlixPartners did not estimate the value of any tax attributes nor did it estimate the impact of any cancellation of indebtedness income on the Debtors' projections. Any changes to the assumptions on the availability of tax attributes or the impact of cancellation of indebtedness income on the Debtors' projections could materially impact AlixPartners' valuation analysis.

THE ESTIMATES OF THE ENTERPRISE VALUE AND EQUITY VALUE DETERMINED BY ALIXPARTNERS REPRESENT ESTIMATED VALUES AND DO NOT REFLECT VALUES THAT COULD BE ATTAINABLE IN PUBLIC OR PRIVATE MARKETS. THE IMPUTED ESTIMATE OF THE RANGE OF THE EQUITY VALUE DOES NOT PURPORT TO BE AN ESTIMATE OF THE POST-REORGANIZATION MARKET TRADING VALUE. ANY SUCH TRADING VALUE MAY BE MATERIALLY DIFFERENT FROM THE IMPUTED ESTIMATE OF THE EQUITY VALUE RANGE FOR THE DEBTORS ASSOCIATED WITH ALIXPARTNERS'S VALUATION ANALYSIS.

3. Agreements of the Consenting Term Lenders.

(a) Support of Restructuring. Each of the Consenting Term Lenders hereby agrees (severally and not jointly) that, for the duration of the Restructuring Support Period, unless otherwise required (or prohibited) by Law, such Consenting Term Lender shall:

(i) cooperate with each Restructuring Support Party and support and take all reasonable actions necessary to implement and consummate the Restructuring in a timely manner as contemplated by this Agreement and the Restructuring Term Sheet and in accordance with the applicable Restructuring Milestones; provided that no Consenting Term Lender shall be obligated to waive (to the extent waivable by such Consenting Term Lender) any condition to the consummation of any part of the Restructuring set forth in any Restructuring Document;

(ii) (A) subject to the receipt of the Disclosure Statement approved by the Disclosure Statement Order, (I) to the extent such Consenting Term Lender is not deemed to have accepted the Plan, timely vote, or cause to be voted, all of the Claims and Equity Interests held by such Consenting Term Lender at the voting record date provided for in the Disclosure Statement Order by timely delivering its duly executed and completed ballot(s) accepting the Plan following commencement of the Solicitation, and (II) not “opt out” of, or object to, any releases or exculpations provided under the Plan (and, to the extent required by the ballot, affirmatively “opt in” to such releases and exculpations), and (B) not change, withdraw or revoke such vote (or cause or direct such vote to be changed, withdrawn or revoked); provided, however, that such vote may be revoked (and, upon such revocation, deemed void *ab initio*) by such Consenting Term Lender at any time following the expiration or termination of the Restructuring Support Period with respect to such Consenting Term Lender (it being understood

that any termination of the Restructuring Support Period with respect to a Consenting Term Lender shall entitle such Consenting Term Lender to change its vote in accordance with section 1127(d) of the Bankruptcy Code, and the Solicitation materials with respect to the Plan shall be consistent with this proviso);

(iii) not, directly or indirectly,

(A) seek, solicit, support, encourage, propose, assist, consent to, vote for, or enter or participate in any discussions or any agreement with any Person regarding, any Alternative Transaction;

(B) support or encourage the termination or modification of any Debtor's exclusive period for the filing of a plan of reorganization or any Debtor's exclusive period to solicit a plan of reorganization;

(C) announce publicly, or announce to any of the Restructuring Support Parties or other holders of Claims or Equity Interests, its intention not to support the Restructuring;

(D) take any action that is inconsistent with this Agreement or any of the applicable Restructuring Documents, or that would, or would reasonably be expected to, prevent, interfere with, delay or impede the implementation, solicitation, confirmation, or consummation of the Restructuring (including, but not limited to, the Bankruptcy Court's approval of the Restructuring Documents (if applicable), the Solicitation, confirmation of the Plan, consummation of the Plan or consummation of the Company Sale), including, but not limited to, (I) initiating any Proceeding or taking any other action to oppose the execution or delivery of any of the applicable Restructuring Documents, the performance of any obligations of any party to any of the applicable Restructuring Documents or the consummation of the transactions contemplated by any of the applicable Restructuring Documents, (II) initiating any Proceeding or taking any other action to amend, supplement or otherwise modify any of the applicable Restructuring Documents, which amendment, modification or supplement is not consistent in all material respects with this Agreement or otherwise reasonably acceptable to the Requisite Support Parties, or (III) initiating any Proceeding or taking any other action, or exercising or seeking to exercise any rights or remedies (including rights or remedies under the First Lien Term Loan Documents or the Second Lien Term Loan Documents, as applicable, or under applicable Law) as a holder of Claims that is barred by or is otherwise inconsistent with this Agreement, the Restructuring Term Sheet or any of the other applicable Restructuring Documents;

(E) oppose or object to, or support any other Person's efforts to oppose or object to, the approval of the First Day Motions, the DIP Facility Motion, the RSA Assumption Motion, the Bidding Procedures and any other motions filed by any of the Debtors in furtherance of the Restructuring that are consistent in all

material respects with this Agreement or which are otherwise reasonably acceptable to the Requisite Support Parties; or

(F) seek to convert any of the Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code, seek to dismiss any of the Chapter 11 Cases or request the appointment of a trustee or examiner in any Chapter 11 Case;

(iv) negotiate in good faith, execute, perform its obligations under, and consummate the transactions contemplated by, the applicable Restructuring Documents to which it is (or will be) a party; provided, however, that no Consenting Term Lender shall be obligated to waive (to the extent waivable by such Consenting Term Lender) any condition to the consummation of any part of the Restructuring set forth in any applicable Restructuring Document;

(v) timely vote or cause to be voted its Claims and Equity Interests against any Alternative Transaction;

(vi) in the case of a Consenting Term Lender, (A) if any First Lien Term Lender has requested the First Lien Term Agent to exercise rights or remedies under or with respect to the First Lien Credit Agreement, any of the other First Lien Term Loan Documents or the First Lien Term Collateral, or (B) if the First Lien Term Agent announces that it intends to exercise, or exercises, rights or remedies under or with respect to the First Lien Credit Agreement, any of the other First Lien Term Loan Documents or the First Lien Term Collateral, direct the First Lien Term Agent not to exercise any rights or remedies, or assert or bring any claims, under or with respect to the First Lien Credit Agreement, any of the other First Lien Term Loan Documents or the First Lien Term Collateral; provided, however, that nothing in this clause (vi) shall require the Consenting Term Lenders to (x) waive any Default or Event of Default (each as defined in the First Lien Credit Agreement) or any of the First Lien Term Obligations or release or terminate any liens on any of the First Lien Term Collateral, or (y) forbear with respect to any Event of Default (as defined in the First Lien Credit Agreement) that occurs after the Restructuring Support Effective Date or any Event of Default that arises as a result of the filing of the Chapter 11 Cases; and

(vii) in the case of a Consenting Term Lender that own or holds Second Lien Term Loans, (A) if any Second Lien Term Lender has requested the Second Lien Agent to exercise rights or remedies under or with respect to the Second Lien Credit Agreement, any of the other Second Lien Term Loan Documents or the Second Lien Collateral, or (B) if the Second Lien Agent announces that it intends to exercise, or exercises, rights or remedies under or with respect to the Second Lien Credit Agreement, any of the other Second Lien Term Loan Documents or the Second Lien Collateral, direct the Second Lien Agent not to exercise any rights or remedies, or assert or bring any claims, under or with respect to the Second Lien Credit Agreement, any of the other Second Lien Term Loan Documents or the Second Lien Collateral; provided, however, that nothing in this clause (vii) shall require the Consenting Term Lenders that own or hold Second Lien Term Loans to (x) waive any Default or Event of Default (each as defined in the Second Lien Credit Agreement) or any of the Second Lien Term Obligations or release or terminate any liens on any of the Second Lien Collateral or (y) forbear with respect to any Event of Default (as defined in the Second Lien Credit Agreement) that occurs after the

Restructuring Support Effective Date or any Event of Default that arises as a result of the filing of the Chapter 11 Cases.

Notwithstanding anything in this Agreement to the contrary, (x) no Consenting Term Lender shall be required to incur, assume, become liable in respect of or suffer to exist any expenses, liabilities or other obligations, or agree to or become bound by any commitments, undertakings, concessions, indemnities or other arrangements that could result in expenses, liabilities or other obligations to such Consenting Term Lender, and (y) nothing in this Agreement shall limit (A) any of the rights or remedies of the Term DIP Agent or Term DIP Lenders under or with respect to any of the DIP Credit Documents or any of the DIP Orders or (B) the right of any Consenting Term Lender to object to any retention or fee application filed by any Person in the Chapter 11 Cases or any successor cases.

(b) Rights of Consenting Term Lenders Unaffected. Nothing contained herein shall: (i) limit (A) the rights of a Consenting Term Lender under any applicable bankruptcy, insolvency, foreclosure or similar Proceeding, including appearing as a party in interest in any matter to be adjudicated in order to be heard concerning any matter arising in the Chapter 11 Cases, in each case, so long as the exercise of any such right is not inconsistent with such Consenting Term Lender's obligations under this Agreement, (B) the ability of a Consenting Term Lender to purchase, sell or enter into any transactions regarding any Claims or Equity Interests, subject to the terms hereof, (C) except as set forth in this Agreement, any right or remedy of any Consenting Term Lender under, as applicable, (I) the First Lien Credit Agreement or any of the other First Lien Term Loan Documents, (II) the ABL Credit Agreement or any of the other ABL Loan Documents, (III) the Second Lien Credit Agreement or any of the other Second Lien Term Loan Documents and (IV) any other applicable agreement, instrument or document that gives rise to a Consenting Term Lender's Claims or Equity Interests, (D) the ability of a Consenting Term Lender to consult with any of the other Restructuring Support Parties, (E) the rights of any Consenting Term Lender to engage in any discussions, enter into any agreements or take any other action regarding matters to be effectuated after the expiration or termination of the Restructuring Support Period, (F) the ability of a Consenting Term Lender to enforce any right, remedy, condition, consent or approval requirement under this Agreement or any of the Restructuring Documents, or (G) the ability of a Consenting Term Lender to file a proof of claim, if required, (ii) constitute a waiver or amendment of any term or provision of (A) the First Lien Credit Agreement or any of the other First Lien Term Loan Documents, (B) the ABL Credit Agreement or any of the other ABL Loan Documents, (C) the Second Lien Credit Agreement or any of the other Second Lien Term Loan Documents or (D) any other agreement, instrument or document that gives rise to a Consenting Term Lender's Claims or Equity Interests, or (iii) constitute a termination or release of any liens on the First Lien Term Collateral, the Second Lien Collateral or the ABL Collateral. Without limiting the foregoing in any way, if this Agreement is terminated (by one or all Restructuring Support Parties) in accordance with its terms for any reason, each Consenting Term Lender fully reserves any and all of its respective rights, remedies and interests.

(c) Transfers. Each Consenting Term Lender agrees (severally and not jointly) that, for the duration of the Restructuring Support Period, such Consenting Term Lender shall not, directly or indirectly, sell, transfer, loan, issue, pledge, hypothecate, assign, grant, or otherwise dispose of (including by participation) (collectively, "Transfer"), in whole or in part, any of its

Claims or Equity Interests, or any option thereon or any right or interest therein (including granting any proxies with respect to any Claims or Equity Interests, depositing any Claims or Equity Interests into a voting trust or entering into a voting agreement with respect to any Claims or Equity Interests), unless the transferee of such Claims or Equity Interests (the “Transferee”) either (i) is a Consenting Term Lender at the time of such Transfer or (ii) prior to the effectiveness of such Transfer, agrees in writing, for the benefit of the Restructuring Support Parties, to become a Restructuring Support Party hereunder as a Consenting Term Lender and to be bound by all of the terms of this Agreement applicable to a Consenting Term Lender (including with respect to any and all Claims and Equity Interests it already may own or hold prior to such Transfer), by executing a joinder agreement, substantially in the form attached hereto as Exhibit B (the “Joinder Agreement”), and by delivering an executed copy thereof to (A) counsel to the Debtors and (B) Stroock (in each case, at the addresses set forth in Section 20 hereof), in which event (x) the Transferee shall be deemed to be a Consenting Term Lender hereunder to the extent of such transferred Claims and Equity Interests (and all Claims and Equity Interests it already may own or hold prior to such Transfer) and (y) the transferor Consenting Term Lender shall be deemed to relinquish its rights, and be released from its obligations, under this Agreement solely to the extent of such transferred Claims and Equity Interests. Notwithstanding the foregoing, the restrictions on Transfer set forth in this Section 3(c) shall not apply to the grant of any liens or encumbrances on any Claims or Equity Interests in favor of a bank or broker-dealer holding custody of such Claims or Equity Interests in the ordinary course of business and which lien or encumbrance is released upon the Transfer of such Claims or Equity Interests. Each Consenting Term Lender agrees (severally and not jointly) that any Transfer of any Claims or Equity Interests that does not comply with the terms and procedures set forth herein shall be deemed void *ab initio*, and each of the Debtors and each other Consenting Term Lender shall have the right to enforce the voiding of such Transfer.

(d) Qualified Market Maker. Notwithstanding anything herein to the contrary, (i) any Consenting Term Lender may Transfer any of its Claims or Equity Interests to an entity that is acting in its capacity as a Qualified Marketmaker without the requirement that the Qualified Marketmaker be or become a Consenting Term Lender; provided, however, that the Qualified Marketmaker subsequently Transfers all right, title and interest in such Claims or Equity Interests to a Transferee that is or becomes a Consenting Term Lender as provided above, and the Transfer documentation between the transferor Consenting Term Lender and such Qualified Marketmaker shall contain a requirement that provides as such, and (ii) to the extent any Consenting Term Lender is acting in its capacity as a Qualified Marketmaker, it may Transfer any Claims or Equity Interests that it acquires from a holder of such Claims or Equity Interests that is not a Consenting Term Lender without the requirement that the Transferee be or become a Consenting Term Lender. Notwithstanding the foregoing, if, at the time of the proposed Transfer of any Claims or Equity Interests to a Qualified Marketmaker, such Claims or Equity Interests (x) may be voted on the Plan or any Alternative Transaction, the proposed transferor Consenting Term Lender must first vote such Claims or Equity Interests in accordance with the requirements of Section 3(a) hereof, or (y) have not yet been and may not yet be voted on the Plan or any Alternative Transaction and such Qualified Marketmaker does not Transfer such Claims or Equity Interests to a subsequent Transferee prior to the fifth (5th) Business Day prior to the expiration of the voting deadline (such date, the “Qualified Marketmaker Joinder Date”), such Qualified Marketmaker shall be required to (and the Transfer documentation to the Qualified Marketmaker shall have provided that it shall), on the first (1st) Business Day

immediately following the Qualified Marketmaker Joinder Date, become a Consenting Term Lender with respect to such Claims or Equity Interests in accordance with the terms hereof and vote such Claims or Equity Interests in accordance with the requirements of Section 3(a) hereof (provided, that the Qualified Marketmaker shall automatically, and without further notice or action, no longer be a Consenting Term Lender with respect to such Claims or Equity Interests at such time that the Transferee of such Claims or Equity Interests becomes a Consenting Term Lender with respect to such Claims or Equity Interests).

(e) Additional Claims or Equity Interests. This Agreement shall in no way be construed to preclude any Consenting Term Lender or any of its Affiliates from acquiring additional Claims or Equity Interests following its execution of this Agreement. To the extent any Consenting Term Lender acquires additional Claims or Equity Interests, such Consenting Term Lender agrees (severally and not jointly) that any such additional Claims or Equity Interests shall automatically and immediately be deemed subject to this Agreement, including the obligations with respect to Claims or Equity Interests set forth in Section 3(a) hereof.

4. Agreements of the Debtors.

(a) Affirmative Covenants. Each of the Debtors, jointly and severally, agrees that, for the duration of the Restructuring Support Period, the Debtors shall:

(i) support and take all actions necessary, or reasonably requested by the Requisite Consenting Term Lenders, to implement and consummate the Restructuring (including, but not limited to, the Bankruptcy Court's approval of the Restructuring Documents, the Solicitation, confirmation of the Plan, consummation of the Plan and consummation of the Company Sale) in accordance with the applicable Restructuring Milestones set forth in Section 4(a)(iv) hereof;

(ii) (A) complete the preparation, as soon as practicable after the Restructuring Support Effective Date, of each of the applicable Restructuring Documents, (B) provide the applicable Restructuring Documents to, and afford reasonable opportunity for comment and review of such Restructuring Documents by, each of the Consenting Lenders' Advisors no less than three (3) Business Days in advance of any filing, execution, distribution or use (as applicable) thereof, except (in the case of any applicable Restructuring Document other than the Plan, the Disclosure Statement, the motion to approve the Disclosure Statement and Solicitation, the Plan Supplement, the RSA Assumption Motion, the Bidding Procedures and any other material Restructuring Document) if the applicable Restructuring Document cannot be so provided to the Consenting Lenders' Advisors due to exigent circumstances, in which case such documents will be provided as soon as reasonably practicable prior to filing, execution, distribution or use (as applicable) thereof, (C) consult in good faith with each of the Consenting Lenders' Advisors regarding the form and substance of the applicable Restructuring Documents in advance of the filing, execution, distribution or use (as applicable) thereof, and (D) negotiate in good faith, execute, perform its obligations under, and consummate the transactions contemplated by, the applicable Restructuring Documents to which it is (or will be) a party; provided, however, that the obligations under this Section 4(a)(ii) shall in no way alter or diminish any right expressly provided to any applicable Consenting Term Lender under this

Agreement to review, comment on, and/or consent to the form and/or substance of any document;

(iii) unless otherwise required by the Bankruptcy Court, cause the signature pages attached to this Agreement (or, with respect to any Consenting Term Lender that becomes a party hereto after the date hereof, to any Joinder Agreement) to be redacted to the extent this Agreement or the Restructuring Term Sheet is (A) filed on the docket maintained in the Chapter 11 Cases or (B) otherwise made publicly available; provided that if such disclosure is required, then the Debtors shall afford the relevant Consenting Term Lender a reasonable opportunity to review and comment in advance of such disclosure and shall take all reasonable measures to limit such disclosure;

(iv) comply with each of the following milestones (the “Restructuring Milestones”), which Restructuring Milestones may be extended or waived (but with no obligation to extend or waive) with the prior written consent of the Requisite Consenting Term Lenders:

(C) obtain entry of the Final DIP Order by the Bankruptcy Court no later than thirty (30) calendar days after the Petition Date;

(D) file the Plan, the Disclosure Statement and the motion for approval of the Disclosure Statement and the Solicitation procedures with the Bankruptcy Court no later than thirty-five (35) calendar days after the Petition Date; provided that if the Requisite Consenting Term Lenders make the Sale Election, then such milestone shall be the later of (I) thirty-five (35) calendar days after the Petition Date and (II) fifteen (15) calendar days after the Sale Election Date;

(E) obtain entry of the RSA Order by the Bankruptcy Court no later than sixty (60) calendar days after the Petition Date;

(G) commence the Solicitation no later than seven (7) calendar days after entry of the Disclosure Statement Order by the Bankruptcy Court;

(H) obtain entry of the Confirmation Order by the Bankruptcy Court no later than one hundred thirty (130) calendar days after the Petition Date; provided that if the Requisite Consenting Term Lenders make the Sale Election, then such milestone shall be the later of (I) one hundred thirty (130) calendar days after the Petition Date and (II) one hundred ten (110) calendar days after the Sale Election Date; and

(I) cause the Effective Date to occur no later than one hundred sixty (160) days after the Petition Date; provided that if the Requisite Consenting Term Lenders make the Sale Election, then such milestone shall be the later of (I) one hundred sixty (160) calendar days after the Petition Date and (II) one hundred forty (140) calendar days after the Sale Election Date (the “Outside Date”).

(v) (A) conduct, and shall cause their respective Subsidiaries to conduct, their businesses and operations only in the ordinary course in a manner that is consistent with past practices and in compliance with Law, (B) maintain their physical assets, properties and facilities in their working order condition and repair as of the Restructuring Support Effective Date, ordinary wear and tear excepted, (C) maintain their respective books and records on a basis consistent with prior practice, (D) maintain all insurance policies, or suitable replacements therefor, in full force and effect, and (E) use reasonable best efforts to preserve intact their business organizations and relationships with third parties (including creditors, lessors, licensors, suppliers, distributors and customers) and employees;

(vi) timely file a formal objection to any motion filed with the Bankruptcy Court by any Person seeking the entry of an order (A) directing the appointment of an examiner with expanded powers or a trustee, (B) converting any of the Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code, (C) dismissing the Chapter 11 Cases, or (D) for relief that (x) is inconsistent with this Agreement in any material respect, or (y) would, or would reasonably be expected to, frustrate the purposes of this Agreement, including by preventing the consummation of the Restructuring;

(vii) timely file a formal objection to any motion filed with the Bankruptcy Court by any Person seeking the entry of an order modifying or terminating any Debtor’s exclusive right to file and/or solicit acceptances of a plan of reorganization;

(viii) timely file a formal written response in opposition to any objection filed with the Bankruptcy Court by any Person with respect to any of the DIP Facilities (or motion filed by such Person that seeks to interfere with any of the DIP Facilities) or any of the adequate protection granted to the First Lien Term Agent, the First Lien Term Lenders, the ABL Agent or the ABL Lenders pursuant to the DIP Orders or otherwise;

(ix) subject to prohibition under applicable Law, promptly notify the Consenting Lenders’ Advisors (and in any event within two (2) Business Days after obtaining actual knowledge thereof) of (A) any pending, existing, instituted or threatened direct or derivative Proceeding by (x) any Person (other than a Governmental Entity) involving any of the Debtors or any of their respective current or former officers, employees or directors (in their

capacities as such) that is material to the Debtors, or (y) any Governmental Entity (or any Person on behalf of a Governmental Entity) involving any of the Debtors or any of their respective current or former officers, employees or directors (in their capacities as such), except (in any such case) to the extent any of the same are disclosed on the docket maintained in the Chapter 11 Cases; (B) any breach by any Debtor in any respect of any of its obligations, representations, warranties or covenants set forth in this Agreement, the DIP Credit Documents or either of the DIP Orders, (C) any Material Adverse Effect, (D) the happening or existence of any Event that shall have made any of the conditions precedent set forth in (or to be set forth in) any of the Restructuring Documents incapable of being satisfied prior to the Outside Date, (E) the occurrence of any Termination Event (as defined below), and (F) the receipt of notice from any Governmental Entity or other third party alleging that the consent of such Person is or may be required in connection with the consummation of any part of the Restructuring, unless such notice is disclosed on the docket maintained in the Chapter 11 Cases;

(x) provide the Consenting Lenders' Advisors such information as reasonably necessary to evaluate each of the Debtors' executory contracts and unexpired leases, and all ongoing discussions and negotiations related thereto, and assume or reject each executory contract (including any employment agreement or employee benefit plan) and unexpired lease as directed or instructed by the Requisite Consenting Term Lenders;

(xi) maintain its good standing and legal existence under the Laws of the state in which it is incorporated, organized or formed, except to the extent that any failure to maintain its good standing arises solely as a result of the filing of the Chapter 11 Cases;

(xii) if any Debtor receives an unsolicited proposal or expression of interest with respect to an Alternative Transaction, promptly notify the Consenting Lenders' Advisors of the receipt thereof, with such notice to include the material terms thereof;

(xiii) unless the Debtors obtain the prior written consent of a Consenting Term Lender otherwise, use the information regarding any Claims held at any time by such Consenting Term Lender solely in furtherance of this Agreement and the Restructuring and keep such information (as well as the names and identities of the Consenting Term Lenders) strictly confidential and not disclose it to any other Person, except where disclosure is required by Law, subject to Section 25 hereof; and

(xiv) use reasonable best efforts to obtain, file, submit or register any and all required Governmental Entity and/or third party approvals, filings, registrations or notices that are necessary or advisable for the implementation or consummation of the Restructuring or the approval by the Bankruptcy Court of the applicable Restructuring Documents.

(i) seek, solicit, support, encourage, propose, assist, consent to, vote for, enter or participate in any discussions or any agreement with any Person regarding, pursue or

consummate any Alternative Transaction; provided, however, that the Debtors may participate in discussions with any third party that has made (and not withdrawn) a *bona fide*, unsolicited proposal that the boards of directors or similar governing bodies of the Debtors determine, in good faith and based upon advice of legal counsel, that the failure to participate in such discussions would be inconsistent with such board's or governing body's fiduciary duties under applicable Law; provided, that the Debtors shall (x) comply with their obligations under Section 4(a)(xii) hereunder and (y) provide such information to the Consenting Lenders' Advisors regarding (A) any discussions and/or negotiations relating to any such proposal and/or (B) any amendments, modifications or other changes to, or any further developments of, any such proposal, in any such case as is necessary to keep the Consenting Lenders' Advisors contemporaneously informed as to the status and substance of such discussions, negotiations, amendments, modifications, changes and/or developments;

(ii) announce publicly, or announce to any of the Restructuring Support Parties or other holders of Claims or Equity Interests, its intention not to support the Restructuring;

(iv) execute, deliver and/or file any applicable Restructuring Document (including any amendment, supplement or modification of, or any waiver to, any Restructuring Document) that, in whole or in part, is not consistent in all material respects with this Agreement or is not otherwise reasonably acceptable to the Requisite Consenting Term Lenders or file any pleading seeking authorization to accomplish or effect any of the foregoing;

(vi) (A) seek discovery in connection with, prepare or commence an avoidance action or other legal Proceeding that challenges (x) the amount, validity, allowance, character, enforceability or priority of any Claims of any of the Consenting Term Lenders, or (y) the

validity, enforceability or perfection of any lien or other encumbrance securing any Claims of any of the Consenting Term Lenders, or (B) support any third party in connection with any of the acts described in clause (A);

(viii) assert, or support any assertion by any third party, that, in order to act on the provisions of Section 5 hereof, the Consenting Term Lenders shall be required to obtain relief from the automatic stay from the Bankruptcy Court (and each of the Debtors hereby waives, to the greatest extent possible, the applicability of the automatic stay to the giving of any Termination Notice (as defined below) in accordance with Section 5 hereof);

(ix) grant or agree to grant, including, without limitation, pursuant to a key employee retention or incentive plan or other similar agreement, any additional or increase in the wages, salary, bonus, commissions, retirement benefits, pension, severance or other compensation or benefits (including in the form of any vested or unvested Equity Interests of any other kind or nature) of any director, manager, officer or employee of, or any professional that is retained or engaged by, any of the Debtors or any of their respective Subsidiaries, except for any addition or increase that is done with the written consent of the Requisite Consenting Term Lenders (such consent not to be unreasonably withheld);

(x) enter into, adopt or establish any new compensation or employee benefit plans or arrangements (including employment agreements), or amend or agree to amend any existing compensation or employee benefit plans or arrangements (including employment agreements), except for any of the foregoing that is done with the written consent of the Requisite Consenting Term Lenders (such consent not to be unreasonably withheld);

(xiii) pay, or agree to pay, any indebtedness, liabilities or other obligations (including any accounts payable or trade payable) that existed prior to the Petition Date or that arose from any matter, occurrence, action, omission or circumstance that occurred prior to the Petition Date, unless the Bankruptcy Court authorizes the Debtors to pay such indebtedness, liabilities or other obligations (including any accounts payable or trade payable) pursuant to the relief granted in connection with the First Day Motions or otherwise with the consent of the Requisite Consenting Term Lenders (such consent not to be unreasonably withheld); or

(xiv) settle, agree to settle or compromise any Proceeding described in clause (A) of Section 4(a)(ix) (without giving effect to the exception set forth at the end of such clause (A)) without the prior written consent of the Requisite Consenting Term Lenders (such consent not to be unreasonably withheld).

5. Termination of Agreement.

(a) Consenting Term Lender Termination Events. The Requisite Consenting Term Lenders may terminate this Agreement with respect to all Restructuring Support Parties, and such termination shall be effective immediately upon written notice (each, a “Consenting Term Lender Termination Notice”) being delivered by the Requisite Consenting Term Lenders to the Debtors and their counsel in accordance with Section 20 hereof, at any time after the occurrence, and during the continuation, of any of the following events (each, a “Consenting Term Lender Termination Event”), unless waived in writing by the Requisite Consenting Term Lenders:

(i) the breach in any material respect (without giving effect to any “materiality” qualifiers set forth therein) by any Debtor of any of its covenants, undertakings, obligations, representations or warranties contained in this Agreement, and, to the extent such breach is curable, such breach remains uncured for a period of five (5) calendar days (it being understood and agreed that the failure by the Debtors to comply with any of the Restructuring Milestones set forth in Section 4(a)(iv) by the deadlines set forth therein shall not be subject to cure);

(ii) any Debtor obtains any debtor-in-possession financing (other than the DIP Facilities) that is in an amount, on terms and conditions, from banks or other financial institutions, or otherwise in form and substance, that (in any such case) is/are not acceptable to the Requisite Consenting Term Lenders;

(iv) the board of directors of Holdings reasonably determines in good faith, and after consultation with outside counsel, that the Restructuring is not in the best interests of the Debtors’ estates and continued support for the Restructuring would be inconsistent with the exercise of its fiduciary duties under applicable Law; provided, however, that in the event the Debtors desire to terminate this Agreement pursuant to this Section 5(b)(iv) (such right to terminate this Agreement pursuant to this Section 5(b)(iv), the “Fiduciary Out”), the Debtors shall provide at least three (3) Business Days advance written notice to the Consenting Lenders’ Advisors prior to the date the Debtors elect to terminate this Agreement pursuant to the Fiduciary Out (such three (3) Business Day period, the “Termination Period”) advising the Consenting Lenders’ Advisors that the Debtors intend to terminate this Agreement pursuant to the Fiduciary Out and specifying, in reasonable detail, the reasons therefor (including the material facts and circumstances related thereto and, to the extent applicable, the terms, conditions and provisions of any Alternative Transaction that the Debtors may pursue), and during the Termination Period, the Debtors shall, and shall cause their respective directors, managers and representatives to, (x) negotiate with the Requisite Consenting Term Lenders in good faith (to the extent the Requisite Consenting Term Lenders wish to negotiate) to enable the Requisite Consenting Term Lenders to determine whether to propose revisions to the terms of the Restructuring such that it would obviate the need for the Debtors to exercise their right to terminate this Agreement

(c) Mutual Termination. This Agreement may be terminated by mutual written agreement among the Debtors and the Requisite Consenting Term Lenders. Notwithstanding anything in this Agreement to the contrary, this Agreement shall terminate automatically without further required action upon the earlier to occur of (i) the Effective Date and (ii) consummation of a Company Sale.

(d) Effect of Termination. Upon the termination of this Agreement with respect to any Restructuring Support Party in accordance with this Section 5, and except as provided in Section 14 hereof, this Agreement shall forthwith become void and of no further force or effect with respect to such Restructuring Support Party, and each such Restructuring Support Party shall, except as otherwise expressly provided in this Agreement, be immediately released from its liabilities, obligations, commitments, undertakings and agreements under or related to this Agreement, have no further rights, benefits or privileges hereunder, and shall have all the rights and remedies that it would have had and shall be entitled to take all actions, whether with respect to the Restructuring or otherwise, that it would have been entitled to take had it not entered into this Agreement, including all rights and remedies available to it under applicable Law and, in the case of the Consenting Term Lenders, the First Lien Credit Agreement or any of the other First Lien Term Loan Documents, and the Second Lien Credit Agreement or any of the other Second Lien Term Loan Documents; provided, however, that in no event shall any such termination relieve a Restructuring Support Party from (i) liability for its breach or non-performance of its obligations under this Agreement prior to the date of such termination or (ii) obligations under this Agreement which by their terms expressly survive termination of this Agreement. Notwithstanding anything to the contrary herein, any of the Termination Events may be waived in accordance with the procedures established by Section 8 hereof, in which case the Termination Event so waived shall be deemed not to have occurred, this Agreement shall be deemed to continue in full force and effect, and the rights and obligations of the Restructuring Support Parties under this Agreement shall be restored, subject to any modification set forth in such waiver. If this Agreement has been terminated in accordance with this Section 5 at a time when permission of the Bankruptcy Court shall be required for a Consenting Term Lender to change or withdraw (or cause to change or withdraw) its vote to accept the Plan, the Debtors shall consent to any attempt by such Consenting Term Lender to change or withdraw (or cause to change or withdraw) such vote at such time.

(e) Automatic Stay. The Debtors acknowledge and agree, and shall not dispute, that after the commencement of the Chapter 11 Cases, the giving of a Consenting Term Lender Termination Notice by the Requisite Consenting Term Lenders pursuant to this Agreement shall not be a violation of the automatic stay of section 362 of the Bankruptcy Code (and the Debtors hereby waive, to the greatest extent possible, the applicability of the automatic stay to the giving of such Consenting Term Lender Termination Notice), and no cure period contained in this Agreement shall be extended without the prior written consent of the Requisite Consenting Term Lenders.

6. Good Faith Cooperation; Further Assurances; Acknowledgement.

Furthermore, subject to the terms hereof, each of the Restructuring Support Parties shall take such action as may be reasonably necessary to carry out the purposes and intent of this Agreement and the Restructuring, including making and filing any required Governmental Entity filings and voting any Claims and Equity Interests in favor of the Plan (provided that none of the Consenting Term Lenders shall be required to incur, assume, become liable in respect of or suffer to exist any expenses, liabilities or other obligations, or agree to or become bound by any commitments, undertakings, concessions, indemnities or other arrangements that could result in expenses, liabilities or other obligations to such Consenting Term Lender in connection therewith). This Agreement is not, and shall not be deemed, a solicitation of votes for the acceptance of a chapter 11 plan of reorganization or a solicitation to tender or exchange any securities. The acceptance of the Plan by the Consenting Term Lenders will not be solicited until entry by the Bankruptcy Court of the Disclosure Statement Order and the Consenting Term Lenders have received the Disclosure Statement and related ballots, as approved by the Bankruptcy Court.

(vii) such Restructuring Support Party is not currently engaged in any discussions, negotiations or other arrangements with respect to any Alternative Transaction.

(b) Each Consenting Term Lender severally (and not jointly) represents and warrants to each other Restructuring Support Party that, as of the date hereof (or, in the case of a Consenting Term Lender that becomes a party hereto after the Restructuring Support Effective Date, as of the date such Consenting Term Lender becomes a party hereto):

It is understood and agreed that the representations and warranties made by a Consenting Term Lender that is an investment manager, advisor or subadvisor of a beneficial owner of Claims are made with respect to, and on behalf of, such beneficial owner and not such investment manager, advisor or subadvisor, and, if applicable, are made severally (and not jointly) with respect to the investment funds, accounts and other investment vehicles managed by such investment manager, advisor or subadvisor.

(b) In determining whether any consent or approval has been given or obtained by the Requisite Consenting Term Lenders, any then-existing Consenting Term Lender that is in material breach of its covenants, obligations or representations under this Agreement (and the respective First Lien Term Loans held by such Consenting Term Lender) shall be excluded from

such determination and the First Lien Term Loans held by such Consenting Term Lender shall be treated as if they were not outstanding.

9. Transaction Expenses.

(a) Whether or not the transactions contemplated by this Agreement are consummated and, in each case, subject to the terms of the applicable engagement letter or fee reimbursement letter and the DIP Orders (after the DIP Orders are entered by the Bankruptcy Court), the Debtors hereby agree, on a joint and several basis, to pay in cash the Transaction Expenses as follows: (i) all accrued and unpaid Transaction Expenses incurred up to (and including) the Restructuring Support Effective Date shall be paid in full in cash on the Restructuring Support Effective Date, (ii) prior to the Petition Date and after the Restructuring Support Effective Date, all accrued and unpaid Transaction Expenses shall be paid in full in cash by the Debtors on a regular and continuing basis promptly (but in any event within three (3) Business Days) following receipt of an applicable invoice and no later than the Business Day prior to the Petition Date, (iii) after the Petition Date, to the extent permitted by order of the Bankruptcy Court, all accrued and unpaid Transaction Expenses shall be paid in full in cash by the Debtors on a regular and continuing basis promptly (but in any event within three (3) Business Days) following the receipt of an applicable invoice, (iv) upon termination of this Agreement, all accrued and unpaid Transaction Expenses incurred up to (and including) the date of such termination shall be paid in full in cash promptly (but in any event within three (3) Business Days) following receipt of an applicable invoice, and (v) on the Effective Date, all accrued and unpaid Transaction Expenses incurred up to (and including) the Effective Date shall be paid in full in cash on the Effective Date, in each case, without any requirement for Bankruptcy Court review or further Bankruptcy Court order.

(b) The terms set forth in this Section 9 shall survive termination of this Agreement and shall remain in full force and effect regardless of whether the transactions contemplated by this Agreement are consummated. The Debtors hereby acknowledge and agree that the Consenting Term Lenders have expended, and will continue to expend, considerable time, effort and expense in connection with this Agreement and the negotiation of the Restructuring, and that this Agreement provides substantial value to, is beneficial to, and is necessary to preserve, the Debtors, and that the Consenting Term Lenders have made a substantial contribution to the Debtors and the Restructuring. If and to the extent not previously reimbursed or paid in connection with the foregoing, subject to the approval of the Bankruptcy Court, the Debtors shall reimburse or pay (as the case may be) all reasonable and documented Transaction Expenses pursuant to section 1129(a)(4) of the Bankruptcy Code or otherwise. The Debtors hereby acknowledge and agree that the Transaction Expenses are of the type that should be entitled to treatment as, and the Debtors shall seek treatment of such Transaction Expenses as, administrative expense claims pursuant to sections 503(b) and 507(a)(2) of the Bankruptcy Code.

10. Effectiveness.

This Agreement shall become effective and binding upon the Restructuring Support Parties on the date when counterpart signature pages to this Agreement have been executed and delivered by the Debtors and Initial Consenting Term Lenders beneficially owning or otherwise having voting discretion with respect to 66 2/3% of the First Lien Term Loan Claims (such date,

the “Restructuring Support Effective Date”). In addition to (and without limiting) the terms of Section 3(c), a Person that owns or holds First Lien Term Loan Claims may become a party hereto as a Consenting Term Lender by executing a Joinder Agreement and delivering an executed copy thereof to counsel to the Debtors and Stroock (at the addresses set forth in Section 20 hereof), in which event such Person shall be deemed to be a Consenting Term Lender under this Agreement to the extent of the Claims owned and held by such Person; provided, however, that any proposed Consenting Term Lender shall be acceptable to the Requisite Consenting Term Lenders. With respect to any Person that becomes a party to this Agreement by executing and delivering a Joinder Agreement after the Restructuring Support Effective Date, this Agreement shall become effective as to such Person at the time such Joinder Agreement is executed and delivered to counsel to the Debtors and Stroock.

11. Conflicts.

The Restructuring Term Sheet is supplemented by the terms and conditions of this Agreement. However, to the extent this Agreement is silent as to a particular matter set forth in the Restructuring Term Sheet, such matter shall be governed by the terms and conditions set forth in the Restructuring Term Sheet. In the event the terms and conditions as set forth in the Restructuring Term Sheet and this Agreement are inconsistent, the terms and conditions of the Restructuring Term Sheet shall control. In the event of any conflict among the terms and provisions of the Plan, this Agreement and/or the Restructuring Term Sheet, the terms and provisions of the Plan shall control. In the event of any conflict among the terms and provisions of the Confirmation Order, the Plan, this Agreement and/or the Restructuring Term Sheet, the terms and provisions of the Confirmation Order shall control. Notwithstanding the foregoing, nothing contained in this Section 11 shall affect, in any way, the requirements set forth herein for the amendment of this Agreement.

12. GOVERNING LAW; JURISDICTION; WAIVER OF JURY TRIAL.

THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO ANY CONFLICTS OF LAW PROVISIONS WHICH WOULD REQUIRE THE APPLICATION OF THE LAW OF ANY OTHER JURISDICTION (EXCEPT TO THE EXTENT IT MAY BE PREEMPTED BY THE BANKRUPTCY CODE). BY ITS EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH OF THE RESTRUCTURING SUPPORT PARTIES HEREBY IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ANY LEGAL ACTION, SUIT, DISPUTE OR PROCEEDING ARISING UNDER, OUT OF OR IN CONNECTION WITH THIS AGREEMENT SHALL BE BROUGHT EXCLUSIVELY IN THE FEDERAL OR STATE COURTS LOCATED IN THE STATE OF NEW YORK, COUNTY OF NEW YORK, AND THE RESTRUCTURING SUPPORT PARTIES IRREVOCABLY CONSENT TO THE JURISDICTION OF SUCH COURTS AND WAIVE ANY OBJECTIONS AS TO VENUE OR INCONVENIENT FORUM. NOTWITHSTANDING THE FOREGOING CONSENT TO JURISDICTION, FOLLOWING THE COMMENCEMENT OF THE CHAPTER 11 CASES AND SO LONG AS THE BANKRUPTCY COURT HAS JURISDICTION OVER THE DEBTORS, EACH OF THE RESTRUCTURING SUPPORT PARTIES AGREES THAT THE BANKRUPTCY COURT SHALL HAVE EXCLUSIVE JURISDICTION WITH RESPECT TO

ANY MATTER UNDER OR ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, AND HEREBY SUBMITS TO THE JURISDICTION OF THE BANKRUPTCY COURT. EACH RESTRUCTURING SUPPORT PARTY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

13. Specific Performance/Remedies.

It is understood and agreed by the Restructuring Support Parties that money damages would not be a sufficient remedy for any breach of this Agreement by any Restructuring Support Party and each non-breaching Restructuring Support Party shall be entitled to specific performance and injunctive or other equitable relief (including reasonable attorneys' fees, costs and expenses) as a remedy of any such breach, in addition to any other remedy to which such non-breaching Restructuring Support Party may be entitled, at law or in equity, without the necessity of proving the inadequacy of money damages as a remedy, including an order of the Bankruptcy Court requiring any Restructuring Support Party to comply promptly with any of its obligations hereunder. Each Restructuring Support Party hereby waives any requirement for the securing or posting of any bond in connection with such remedies.

14. Survival.

Notwithstanding the termination of this Agreement pursuant to Section 5 hereof, the agreements and obligations of the Restructuring Support Parties in this Section 14 and Sections 5(d), 5(e), 8, 9, 12, 13, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, and 25 hereof, the last paragraph of Section 2, and the last paragraph of Section 3(a), and any defined terms used in any of the forgoing Sections or paragraphs (solely to the extent used therein), shall survive such termination and shall continue in full force and effect in accordance with the terms hereof.

15. Headings.

The headings of the sections, paragraphs and subsections of this Agreement are inserted for convenience only and shall not affect the interpretation hereof or, for any purpose, be deemed a part of this Agreement.

16. Successors and Assigns; Severability.

This Agreement is intended to bind and inure to the benefit of the Restructuring Support Parties and their respective successors, permitted assigns, heirs, executors, administrators and representatives; provided, however, that nothing contained in this Section 16 shall be deemed to permit sales, assignments or other Transfers of the Claims and Equity Interests other than in accordance with Sections 3(c) and 3(d) of this Agreement. If any provision of this Agreement, or the application of any such provision to any Person or circumstance, shall be held invalid or unenforceable in whole or in part, such invalidity or unenforceability shall attach only to such provision or part thereof and the remaining part of such provision and this Agreement shall continue in full force and effect; provided, however, that nothing in this Section 16 shall be deemed to amend, supplement or otherwise modify, or constitute a waiver of, any Termination

Event. Upon any such determination of invalidity, the Restructuring Support Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Restructuring Support Parties as closely as possible, in a reasonably acceptable manner, such that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible.

17. No Third-Party Beneficiaries.

Unless expressly stated herein, this Agreement shall be solely for the benefit of the Restructuring Support Parties and no other Person shall be a third-party beneficiary hereof.

18. Prior Negotiations; Entire Agreement.

This Agreement, including the exhibits and schedules hereto, constitutes the entire agreement of the Restructuring Support Parties, and supersedes all other prior negotiations, with respect to the subject matter of this Agreement, whether written or oral; provided, however, that any confidentiality agreement executed by any Consenting Term Lender shall survive execution and delivery of this Agreement and shall continue in full force and effect, subject to the terms thereof, irrespective of the terms hereof.

19. Counterparts.

This Agreement may be executed in several counterparts, each of which shall be deemed to be an original, and all of which together shall be deemed to be one and the same agreement. Any execution copies of this Agreement and executed counterpart signature pages to this Agreement may be delivered by electronic mail (“e-mail”) or other electronic imaging means, which shall be deemed to be an original for the purposes of this Section 19; provided, however, that signature pages executed by the Consenting Term Lenders shall be delivered solely to counsel to the Debtors and Stroock and shall be in an unredacted form.

21. Reservation of Rights; No Admission.

Except as expressly provided in this Agreement and in any amendment hereto, nothing herein is intended to, or does, in any manner waive, limit, impair or restrict the ability of each of the Restructuring Support Parties to (a) protect and preserve its rights, remedies and interests, including its claims against any of the other Restructuring Support Parties (or their respective Affiliates or Subsidiaries), (b) consult with any of the other Restructuring Support Parties, (c) fully participate in any bankruptcy case filed by any Debtor, or (d) purchase, sell or enter into any transactions in connection with Claims or Equity Interests, in each case subject to the terms hereof. Without limiting the foregoing sentence in any way, if the Restructuring is not consummated, or if this Agreement is terminated for any reason, nothing herein shall be construed as a waiver by any Restructuring Support Party of any or all of such Restructuring Support Party's rights, remedies, claims and defenses and the Restructuring Support Parties expressly reserve any and all of their respective rights, remedies, claims and defenses. No

Consenting Term Lender shall have, by reason of this Agreement, a fiduciary relationship in respect of any other Restructuring Support Party, any holder of Claims or Equity Interests, or any other Person, and nothing in this Agreement (including the Restructuring Term Sheet), express or implied, is intended to impose, or shall be construed as imposing, upon any Consenting Term Lender any obligations in respect of this Agreement or the Restructuring except as expressly set forth herein. This Agreement is part of a proposed settlement of matters that could otherwise be the subject of litigation among the Restructuring Support Parties. Pursuant to Rule 408 of the Federal Rules of Evidence, any applicable state rules of evidence and any other applicable Law, foreign or domestic, this Agreement and all negotiations relating hereto shall not be admissible into evidence in any Proceeding other than a Proceeding to enforce its terms. This Agreement, the Restructuring Term Sheet and the Plan shall in no event be construed as or be deemed to be evidence of an admission or concession on the part of any Restructuring Support Party of any claim, fault, liability or damages whatsoever. Each of the Restructuring Support Parties denies any and all wrongdoing or liability of any kind and does not concede any infirmity in the claims or defenses which it has asserted or could assert.

22. Prevailing Party.

If any Restructuring Support Party brings a Proceeding against any other Restructuring Support Party based upon a breach by such Restructuring Support Party of its obligations hereunder, the prevailing Restructuring Support Party shall be entitled to the reimbursement of all reasonable fees and expenses incurred, including reasonable attorneys', accountants' and financial advisors' fees in connection with such Proceeding, from the non-prevailing Restructuring Support Party; and any amounts owing by any of the Debtors shall be obligations payable under the First Lien Term Loan Documents or Term DIP Credit Documents, as applicable.

23. Representation by Counsel.

Each Restructuring Support Party acknowledges that it has been represented by, or has been provided a reasonable period of time to obtain access to and advice by, counsel with respect to this Agreement and the Restructuring contemplated herein. Accordingly, any rule of law or any legal decision that would provide any Restructuring Support Party with a defense to the enforcement of the terms of this Agreement against such Restructuring Support Party based upon lack of legal counsel shall have no application and is expressly waived.

24. Relationship Among Restructuring Support Parties.

Notwithstanding anything herein to the contrary, the duties and obligations of the Consenting Term Lenders under this Agreement shall be several, not joint. It is understood and agreed that no Consenting Term Lender has any duty of trust or confidence in any kind or form with any other Restructuring Support Party, and, except as expressly provided in this Agreement, there are no commitments among or between them. In this regard, it is understood and agreed that any Consenting Term Lender may trade in the Claims without the consent of any other Restructuring Support Party, subject to applicable securities laws and the terms of this Agreement; provided, however, that no Consenting Term Lender shall have any responsibility for any such trading to any other entity by virtue of this Agreement. No prior history, pattern or

practice of sharing confidences among or between the Restructuring Support Parties shall in any way affect or negate this understanding and agreement. No Consenting Term Lender shall, as a result of its entering into and performing its obligations under this Agreement, be deemed to be part of a “group” (as that term is used in Section 13(d) of the Exchange Act) with any other Restructuring Support Party. For the avoidance of doubt, no action taken by a Consenting Term Lender pursuant to this Agreement shall be deemed to constitute or to create a presumption by any of the Restructuring Support Parties that the Consenting Term Lenders are in any way acting in concert or as such a “group.”

25. Disclosure; Publicity.

The Debtors shall submit drafts to the Consenting Lenders’ Advisors of any press releases and public documents that constitute disclosure of the existence or terms of this Agreement or any amendment to the terms of this Agreement as soon as reasonably practicable prior to making any such disclosure, and shall afford them a reasonable opportunity under the circumstances to comment on such documents and disclosures and shall use reasonable, good faith efforts to incorporate any such reasonable comments. Except as required by Law, no Restructuring Support Party or its advisors shall (a) use the name of any Consenting Term Lender in any public manner (including in any press release) with respect to this Agreement, the Restructuring or any of the Restructuring Documents or (b) disclose to any Person (including, for the avoidance of doubt, any other Consenting Term Lender), other than advisors to the Debtors, the name or identity of any Consenting Term Lender or the principal amount or percentage of any Claims held by any Consenting Term Lender without such Consenting Term Lender’s prior written consent; provided, however, that (i) if such disclosure is required by Law, the disclosing Restructuring Support Party shall afford the relevant Consenting Term Lender a reasonable opportunity to review and comment in advance of such disclosure and shall take all reasonable measures to limit such disclosure and (ii) the foregoing shall not prohibit the disclosure of the aggregate percentage or aggregate principal amount of Claims held by the Consenting Term Lenders of the same class, collectively. Notwithstanding the provisions in this Section 25, (x) any Restructuring Support Party may disclose the identities of the Restructuring Support Parties in any action to enforce this Agreement or in any action for damages as a result of any breaches hereof, and (y) any Restructuring Support Party may disclose, to the extent expressly consented to in writing by a Consenting Term Lender, such Consenting Term Lender’s identity and individual holdings.

26. Consideration

Each Restructuring Support Party hereby acknowledges that no consideration, other than that specifically described herein or in the Plan, shall be due or paid to any Restructuring Support Party for its agreement (subsequent to proper disclosure and solicitation) to vote to accept the Plan or to otherwise support and take actions to effectuate the Restructuring in accordance with the terms and conditions of this Agreement, other than each of the Restructuring Support Parties’ representations, warranties, and agreements with respect to their commitments hereunder regarding the consummation of the Restructuring and the confirmation and consummation of the Plan.

27. Acknowledgements.

THIS AGREEMENT, THE RESTRUCTURING TERM SHEET, THE PLAN, THE OTHER RESTRUCTURING DOCUMENTS, THE RESTRUCTURING, AND THE TRANSACTIONS CONTEMPLATED HEREIN AND THEREIN ARE THE PRODUCT OF ARMS'-LENGTH NEGOTIATIONS BETWEEN THE RESTRUCTURING SUPPORT PARTIES AND THEIR RESPECTIVE REPRESENTATIVES. EACH RESTRUCTURING SUPPORT PARTY HEREBY ACKNOWLEDGES THAT THIS AGREEMENT IS NOT, AND SHALL NOT BE DEEMED TO BE, A SOLICITATION OF VOTES FOR THE ACCEPTANCE OF THE PLAN OR REJECTION OF ANY OTHER CHAPTER 11 PLAN FOR PURPOSES OF SECTIONS 1125 AND 1126 OF THE BANKRUPTCY CODE OR OTHERWISE. THE PROPONENTS OF THE PLAN SHALL NOT SOLICIT ACCEPTANCES OF THE PLAN FROM ANY PERSON UNTIL THE PERSON HAS BEEN PROVIDED WITH A COPY OF THE PLAN, DISCLOSURE STATEMENT, AND RELATED DOCUMENTS. NOTHING IN THIS AGREEMENT SHALL REQUIRE ANY RESTRUCTURING SUPPORT PARTY TO TAKE ANY ACTION PROHIBITED BY THE BANKRUPTCY CODE, THE SECURITIES ACT, ANY OTHER APPLICABLE LAW OR REGULATION, OR AN ORDER OR DIRECTION OF ANY COURT OR ANY OTHER GOVERNMENTAL ENTITY.

28. Application of Rule 9006

All time periods set forth in this Agreement shall be calculated in accordance with Rule 9006(a) of the Federal Rules of Bankruptcy Procedure.

RESTRUCTURING TERM SHEET

THIS RESTRUCTURING TERM SHEET (INCLUDING ALL EXHIBITS, SCHEDULES AND ANNEXES HERETO, AS MAY BE AMENDED, SUPPLEMENTED, AMENDED AND RESTATED OR OTHERWISE MODIFIED FROM TIME TO TIME IN ACCORDANCE WITH THE TERMS OF THE RSA (AS DEFINED BELOW), THIS “TERM SHEET”), WHICH IS EXHIBIT A TO THE RESTRUCTURING SUPPORT AGREEMENT, DATED AS OF NOVEMBER 15, 2017 (AS MAY BE AMENDED, SUPPLEMENTED, AMENDED AND RESTATED OR OTHERWISE MODIFIED FROM TIME TO TIME IN ACCORDANCE WITH THE TERMS THEREOF, THE “RSA”),¹ PRESENTS THE PRINCIPAL TERMS OF A COMPREHENSIVE RESTRUCTURING OF THE EXISTING DEBT AND OTHER OBLIGATIONS OF, AND THE EXISTING EQUITY INTERESTS IN, THE DEBTORS WHICH WILL BE CONSUMMATED PURSUANT TO A PLAN OF REORGANIZATION TO BE FILED BY THE DEBTORS IN CONNECTION WITH THE CHAPTER 11 CASES (AS DEFINED BELOW). THE IMPLEMENTATION OF THE TERMS OF THE RESTRUCTURING AS REFLECTED HEREIN, AND ALL RESTRUCTURING DOCUMENTS, ARE SUBJECT TO THE AGREEMENTS AND CONSENTS REFLECTED IN THE RSA.

THIS TERM SHEET DOES NOT CONSTITUTE AN OFFER OF SECURITIES OR A SOLICITATION OF THE ACCEPTANCE OR REJECTION OF A CHAPTER 11 PLAN FOR PURPOSES OF SECTIONS 1125 AND 1126 OF THE BANKRUPTCY CODE. ANY SUCH OFFER OR SOLICITATION WILL ONLY BE MADE IN COMPLIANCE WITH ALL APPLICABLE SECURITIES, BANKRUPTCY AND/OR OTHER APPLICABLE LAWS.

THIS TERM SHEET DOES NOT INCLUDE A DESCRIPTION OF ALL OF THE TERMS, CONDITIONS AND OTHER PROVISIONS THAT ARE TO BE CONTAINED IN THE RESTRUCTURING DOCUMENTS, ALL OF WHICH REMAIN SUBJECT TO DISCUSSION AND NEGOTIATION AMONG THE RESTRUCTURING SUPPORT PARTIES; PROVIDED, HOWEVER, THAT ALL SUCH TERMS, CONDITIONS AND OTHER PROVISIONS SHALL NOT, DIRECTLY OR INDIRECTLY, CONTRADICT OR BE INCONSISTENT IN ANY MATERIAL RESPECT WITH ANY OF THE TERMS, CONDITIONS OR PROVISIONS HEREIN.

THIS TERM SHEET IS BEING PROVIDED AS PART OF A COMPREHENSIVE COMPROMISE AND SETTLEMENT, EACH ELEMENT OF WHICH IS CONSIDERATION FOR THE OTHER ELEMENTS AND AN INTEGRAL ASPECT OF THE RESTRUCTURING. THIS TERM SHEET IS CONFIDENTIAL AND SUBJECT TO FEDERAL RULE OF EVIDENCE 408. NOTHING IN THIS TERM SHEET SHALL CONSTITUTE OR BE CONSTRUED AS AN ADMISSION OF ANY FACT OR LIABILITY, A STIPULATION OR A WAIVER, AND EACH STATEMENT CONTAINED HEREIN IS MADE WITHOUT PREJUDICE SOLELY FOR SETTLEMENT PURPOSES, WITH A FULL RESERVATION AS TO ANY RIGHTS, REMEDIES OR DEFENSES OF THE RESTRUCTURING SUPPORT PARTIES.

¹ All defined terms shall have the meanings ascribed to them in the RSA unless otherwise defined herein.

MATERIAL TERMS OF THE RESTRUCTURING

The Restructuring:	<p>The Restructuring contemplates the Debtors commencing the Chapter 11 Cases under the Bankruptcy Code in the Bankruptcy Court. The Restructuring shall be implemented pursuant to a Plan.</p> <p>Notwithstanding anything else contained herein or in the RSA to the contrary, at the election of the Requisite Consenting Term Lenders, the Restructuring may be structured as a Company Sale. If the Requisite Consenting Term Lenders elect to pursue a Company Sale as set forth above, then (a) such Company Sale shall be on terms and conditions that are reasonably satisfactory to the Requisite Support Parties (it being the intent of the Requisite Support Parties that the terms and conditions of any such Company Sale shall be as nearly as equivalent to the terms and conditions set forth herein applicable to the Plan) and (b) the First Lien Agent, on behalf of the First Lien Term Lenders, shall serve as the “stalking horse” bidder (with a credit bid) in any Auction for such Company Sale. In connection with a Company Sale, the First Lien Term Lenders (or any acquisition vehicle formed by the First Lien Agent and/or the First Lien Term Lenders for purposes of consummating the Company Sale) shall be entitled to a break-up fee, expense reimbursement and other bid protections that are reasonably satisfactory to the Requisite Consenting Term Lenders.</p>
Indebtedness to be Restructured:	<p>The indebtedness to be restructured or otherwise treated under the Plan includes, among other things, the following:</p> <ul style="list-style-type: none">(a) the ABL Obligations;(b) the First Lien Term Obligations; and(c) the Second Lien Term Obligations.
DIP Facilities:	<p>Some or all of the ABL Lenders shall provide the Revolving DIP Facility to the Debtors in an aggregate principal amount of up to \$110 million. The Consenting Term Lenders shall provide the Term DIP Facility to the Debtors in an aggregate principal amount of \$25 million.</p> <p>The terms and provisions of the DIP Facilities (including the definitions, conditions, prepayment requirements, representations, warranties, covenants, collateral and security provisions, events of default, indemnities and reimbursements) and the DIP Credit Agreements and all other Definitive Debt Documents (as defined below) governing the DIP Facilities shall be consistent in all material respects with the terms and conditions set forth on the term sheet attached hereto as <u>Exhibit 1</u> (the “<u>DIP Facilities Term Sheet</u>”) and otherwise in form and substance reasonably acceptable to the Debtors and the Requisite Consenting Term Lenders.</p> <p>“<u>Definitive Debt Documents</u>” means, with respect to any indebtedness (including indebtedness in the form of loans, notes, bonds, letters of credit and similar types of debt), the definitive documentation evidencing and/or governing such indebtedness (including, as applicable, any credit or loan agreement, indenture, note, bond, debenture, guarantee, mortgage, pledge or</p>

	<p>security agreement, collateral trust agreement, intercreditor and subordination agreement, and any other certificate, document or agreement executed and/or delivered in connection with or relating to such indebtedness).</p> <p>The administrative agents under the DIP Facilities shall be referred to as the “<u>DIP Agents</u>”.</p>
<p><u>DEBT AND EQUITY SECURITIES AND OBLIGATIONS</u> <u>TO BE ISSUED OR INCURRED UNDER THE PLAN</u></p>	
Exit Revolving Credit Facility:	<p>On the Effective Date, reorganized Holdings (“<u>Reorganized Holdings</u>”), and the other reorganized Debtors (together with Reorganized Holdings, each, a “<u>Reorganized Debtor</u>” and, collectively, the “<u>Reorganized Debtors</u>”) shall enter into the Exit Revolving Credit Facility on terms and conditions reasonably acceptable to the Debtors and the Requisite Consenting Term Lenders.</p>
Exit Term Loan Credit Facility:	<p>On the Effective Date, Reorganized Holdings and the other Reorganized Debtors shall enter into the Exit Term Loan Credit Facility pursuant to which new first lien term loans (the “<u>Exit Term Loans</u>”) in an aggregate principal amount equal to the outstanding principal amount of the Term DIP Facility as of the Effective Date (or such greater amount as determined by the Requisite Consenting Term Lenders, the incremental amount of which shall be offered <i>pro rata</i> to the lenders under the Term DIP Facility) shall be provided to the Reorganized Debtors by the Exit Term Loan Lenders.</p> <p>The Exit Term Loan Credit Facility shall be on terms acceptable to the Exit Term Loan Lenders and shall provide that (i) non-default interest on the Exit Term Loans shall accrue at a rate equal to LIBOR plus eleven percent (11%) per annum and be payable quarterly in cash, with default interest accruing in cash at a rate equal to two percent (2%) per annum in excess of the non-default interest rate, and (ii) the Exit Term Loan Credit Facility shall have a stated maturity of four (4) years after the Effective Date.</p>
New Common Stock:	<p>On the Effective Date, as set forth in more detail in the Corporate Governance Term Sheet attached hereto as <u>Exhibit 2</u>, Reorganized Holdings shall issue one or more classes of new common stock (the “<u>New Common Stock</u>”), which New Common Stock shall be deemed validly issued, fully paid and non-assessable.</p>
New Warrants:	<p>On the Effective Date, Reorganized Holdings shall issue warrants (the “<u>New Warrants</u>”) to the Exit Term Lenders. Each Exit Term Lender shall receive New Warrants to acquire an aggregate number of shares of New Common Stock equal to (after giving effect to the full exercise of the New Warrants) 0.0008% of the total number of shares of New Common Stock that are issued and outstanding on the Effective Date (immediately after giving effect to the consummation of the Restructuring), per \$1,000 in principal amount of Exit Term Loans.</p>

	<p>The New Warrants issued under the Plan shall be exercisable at an exercise price of \$0.01 per share.</p> <p>The New Warrants shall be exercisable at any time and from time to time prior to the expiration thereof. The New Warrants shall expire on the earlier to occur of (a) the ten (10) year anniversary of the Effective Date and (b) the consummation of a liquidity event (to be defined in the documents and certificates governing the New Warrants).</p> <p>The documents and certificates evidencing the New Warrants shall be included in the Plan Supplement and consistent in all material respects with the terms and conditions set forth in this Term Sheet and otherwise in form and substance reasonably acceptable to the Requisite Support Parties.</p>

CLASSIFICATION AND TREATMENT OF CLAIMS

Unclassified Claims

<p>DIP Claims:</p>	<p><u>Revolving DIP Facility Claims.</u> Except to the extent that the Revolving DIP Agent and the Revolving DIP Lenders, on the one hand, and the Debtors, on the other hand, with the consent of the Requisite Consenting Term Lenders, agree to different treatment, on the Effective Date, in full and final satisfaction of all claims of the Revolving DIP Agent and the Revolving DIP Lenders under the Revolving DIP Facility (the “<u>Revolving DIP Facility Claims</u>”), the Revolving DIP Facility Claims, including accrued but unpaid interest, fees and any other amounts due under the Revolving DIP Facility, will be satisfied in cash.</p> <p><u>Term DIP Facility Claims.</u> On the Effective Date, in full and final satisfaction of all claims of the Term DIP Lenders and the Term DIP Agent under the Term DIP Facility (the “<u>Term DIP Facility Claims</u>” and, together with the Revolving DIP Facility Claims, the “DIP Claims”), (a) the Term DIP Lenders will surrender all Term DIP Facility Claims for payment of principal of the Term DIP Facility as of the Effective Date in exchange for the Exit Term Loan Credit Facility in an aggregate principal amount equal to the aggregate principal amount of the Term DIP Facility as of the Effective Date, in full and final satisfaction of the principal portion of the Term DIP Facility Claims, and (b) the balance of the Term DIP Facility Claims, including accrued but unpaid interest, fees and any other amounts due under the Term DIP Facility, will be satisfied in cash on the Effective Date.</p>
---------------------------	---

This Governance Term Sheet contemplates that, on the Effective Date, Reorganized Holdings will be redomesticated as a corporation under the laws of the State of Delaware.

Parties to New Stockholders Agreement:

On the Effective Date, Reorganized Holdings will enter into the New Stockholders Agreement with each of the Persons who receives shares of New Common Stock (as defined below) in connection with the Restructuring, including, without limitation, the following Persons and/or their respective Affiliates (including Related Funds) (to the extent such Persons continue to hold First Lien Term Loan Claims on the Effective Date):

- (i) AXA Investment Managers, Inc.;
- (ii) BlueMountain Capital Management LLC (“BCM”);
- (iii) Contrarian Funds, L.L.C.; and
- (iv) Monomoy Capital Management, L.P. (“MCP”).

Persons that own or hold shares of New Common Stock from time to time are referred to herein, each as a “Stockholder” and, collectively, the “Stockholders”. Stockholders that are, or are Affiliates (including Related Funds) of, any of the Persons identified in clauses (i)-(iv) above are referred to herein, each as a “Specified Stockholder” and, collectively, the “Specified Stockholders”.

New Common Stock:

On the Effective Date, the existing certificate of incorporation of Holdings shall be amended and restated in its entirety (the “A&R COI”) to provide for the following two classes of common stock: (i) Class A Common Stock, par value \$0.001 per share (“Class A Common Stock”), and (ii) Class B Common Stock, par value \$0.001 per share (“Class B Common Stock”). Class A Common Stock and Class B Common Stock are collectively referred to in this Governance Term Sheet and in the Restructuring Term Sheet as the “New Common Stock”. Class A Common Stock will be voting stock and will be issued on the Effective Date pursuant to the Plan. Class B Common Stock will be limited voting stock and may be issued from time to time pursuant to Awards (as defined below) granted under the Management Incentive Plan (as defined below) to certain employees of any of the Reorganized Debtors or any of their respective Subsidiaries, as determined by the New Board.

The A&R COI will also provide for “blank check” preferred stock (no shares of which will be issued and outstanding on the Effective Date).

None of the New Common Stock will be listed for trading on a securities exchange, and none of the Reorganized Debtors will be required to file reports with the United States Securities and Exchange Commission unless it is required to do so pursuant to the Exchange Act.

The New Board shall decide whether the shares of New Common Stock will be certificated or uncertificated and the identity of the transfer agent for such shares (which may include Reorganized Holdings).

Any reference in this Governance Term Sheet to shares of Fully Diluted Common Stock owned or held by any Person (or group of Persons) shall mean the sum of (i) the shares of Class A Common Stock owned or held by such Person (or group of Persons) as of the time in question and (ii) the shares of Class A Common Stock that such Person (or group of Persons) would own or hold as of the time in question if all New Warrants owned or held by such Person (or group of Persons) as of such time were exercised and the shares of Class A Common Stock issuable upon such exercise were issued to such Person (or group of Persons).

References herein to any class of New Common Stock shall apply to capital stock or other equity securities of Reorganized Holdings issued to Stockholders in respect of, in exchange for, or in substitution of, such class of New Common Stock by reason of any reorganization, recapitalization, reclassification, merger, consolidation, spin-off, partial or complete liquidation, stock dividend, split-up, sale of assets, distribution to stockholders or combination of such class of New Common Stock or any other change in Reorganized Holdings’ capital structure.

Automatic Conversion Upon
Qualified Public Offering:

In the event that Reorganized Holdings consummates an underwritten public offering pursuant to an effective registration statement covering shares of Class A Common Stock that (a) results in shares of Class A Common Stock being listed on a national securities exchange or quoted on the Nasdaq Stock

Market, and (b) either (i) involves gross cash proceeds of at least an amount to be determined by the Requisite Consenting Term Lenders or (ii) results in a market capitalization of Reorganized Holdings immediately after consummation of the offering that is not less than an amount to be determined by the Requisite Consenting Term Lenders million (a “Qualified Public Offering”), then (i) all then-issued and outstanding shares of Class B Common Stock will automatically convert into shares of Class A Common Stock and (ii) all outstanding Awards, if any, that are convertible into, or exchangeable or exercisable for, shares of Class B Common Stock will become convertible into, or exchangeable or exercisable for, shares of Class A Common Stock.

New Board:

(iii) the following number of individuals designated by the Specified Stockholders (other than the MCP Stockholders and the BCM Stockholders) (each, an “Other Stockholder” and, collectively, the “Other Stockholders”): (x) two (2) individuals for so long as the Other Stockholders collectively own or hold twenty-five percent (25.0%) or more of the shares of Fully Diluted Common Stock, and (y) one (1) individual for so long as the Other Stockholders collectively own or hold fifteen percent (15.0%) or more of

the shares of Fully Diluted Common Stock, but less than twenty-five percent (25.0%) of the shares of Fully Diluted Common Stock (such designation to be made by the Other Stockholders who own or hold a majority of the shares of Fully Diluted Common Stock owned or held by all of the Other Stockholders); provided, however, that any Stockholder that constitutes an Other Stockholder may elect at any time to cease to be an Other Stockholder for all purposes, which election (an “Opt-Out Election”) shall be made in writing delivered by such Stockholder to Reorganized Holdings, whereupon such Stockholder shall be excluded from the definition of “Other Stockholders” for all purposes; and

(iv) the individual serving as the Chief Executive Officer of Reorganized Holdings.

If at any time a designation right of any Stockholders or any group of Stockholders set forth in either clause (i), clause (ii) or clause (iii) above (any such designation right, a “Designation Right”) terminates (including any termination caused by the Person or group of Persons entitled to such Designation Right ceasing to be Stockholders) or is reduced (including any reduction caused by the percentage of shares of Fully Diluted Common Stock owned or held by the applicable Stockholders or group of Stockholders falling below a specified threshold), the Director(s) serving on the New Board as a result of such terminated or reduced Designation Right shall be removed from the New Board and the vacancy created thereby shall be filled by plurality vote at an annual or special meeting of the Stockholders (or by the Majority Stockholders (as defined below) acting by written consent).

Designation Rights shall not be transferable to any Person other than (A) to any Person included within the definition of “MCP Stockholders” (in the case of the Designation Right referred to in clause (i) above), (B) to any Person included within the definition of “BCM Stockholders” (in the case of the Designation Right referred to in clause (ii) above), and (C) to any Person included within the definition of “Other Stockholders” (in the case of the Designation Right referred to in clause (iii) above).

The chairman of the New Board (the “Chairman”) shall be one of the Directors designated by the BCM Stockholders, as determined by the BCM Stockholders; provided, however, that if the BCM Stockholders own or hold less than twenty-five percent (25.0%) of the shares of Fully Diluted Common Stock, then the Chairman shall be one of the Directors designated by the MCP Stockholders, as determined by the MCP Stockholders, so long as the MCP Stockholders own or hold twenty-five percent

(25.0%) or more of the shares of Fully Diluted Common Stock; provided further, that if the MCP Stockholders own or hold less than twenty-five percent (25.0%) of the shares of Fully Diluted Common Stock, then the Chairman shall be elected by majority vote of the Directors on the New Board. The Chairman must be a Director.

Independent Directors (as defined below) shall receive market-rate compensation from Reorganized Holdings, which may be in the form of cash fees and/or other incentives granted under an incentive compensation plan. The amount, form, terms and conditions of such compensation shall be determined by a majority of the Directors that are not Independent Directors. Each Director who is not employed by Reorganized Holdings or any of its Subsidiaries shall be reimbursed for reasonable expenses incurred in the performance of his or her duties as a Director. The New Board may, by majority vote, establish one or more committees of the New Board to exercise the powers of the New Board, subject to the limitations set forth in the Delaware General Corporation Law (the “DGCL”).

Quorum and Voting:

A quorum for meetings of the New Board will require the attendance of a majority of the Directors then in office. The vote of a majority of the Directors present and entitled to vote at a meeting at which a quorum is present shall be the act of the New Board, unless the express provision of a statute requires a different vote, in which case such express provision shall govern and control. Any Director, member of any committee of the New Board or member of any Subsidiary Governing Body (as defined below) may participate in any meeting of the New Board, any meeting of any committee of the New Board and any meeting of any Subsidiary Governing Body (each such meeting, a “Meeting”) through the use of any means of communication by which all persons participating can hear each other at the same time or by any other means permitted by the DGCL. Any Director, member of any committee of the New Board or member of any Subsidiary Governing Body participating in any such Meeting by any such means of communication shall be deemed to be present in person at such Meeting.

Removal of Directors:

Except for any removal of a Director on account of the termination or reduction of a Designation Right, the Stockholder(s) entitled to designate a Director pursuant to a Designation Right shall have the exclusive right to require

removal, whether with or without cause, of the Director(s) that has/have been designated by such Stockholder(s) pursuant to such Designation Right. Any Director that is not elected pursuant to a Designation Right may be removed, with or without cause, by the Majority Stockholders.

Vacancies on the Board:

Any vacancy on the New Board resulting from the resignation or removal of a Director that was designated pursuant to a Designation Right (excluding any such resignation or removal of a Director on account of the termination or reduction of a Designation Right), or resulting from any such Director becoming unable to serve on the New Board as a result of death, disability or otherwise, shall be filled by the Stockholder(s) then entitled to designate such Director pursuant to such Designation Right.

Board Meetings:

The New Board shall meet at least once per quarter annually. Any such meeting may be done in person or by remote communication.

In addition, the Chairman or any two (2) Directors may call a special meeting of the New Board.

Governing Bodies of Subsidiaries:

The composition of the board of directors, board of managers or other governing body of any wholly-owned Subsidiary of Reorganized Holdings (including any committee thereof) (each, a “Subsidiary Governing Body”) shall be the same as that of the New Board (or any committee of the New Board), except any wholly-owned Subsidiary of Reorganized Holdings which is either (i) a limited liability company that is managed by its members, (ii) a limited partnership that is managed by its general partner, (iii) not organized under the laws of the United States of America, any State thereof or the District of Columbia or (iv) required by Law or contract to have a different composition.

Special Meetings of Stockholders:

Special meetings of the Stockholders may be called at the written request of the Stockholders or group of Stockholders who own or hold at least 25.0% of the Fully Diluted Common Stock.

Action by written consent of the Stockholders without a meeting shall be permitted. Action by written consent of the Stockholders shall require the consent of Stockholders that own or hold the same percentage of shares of New Common Stock that would be required to take the same action at a stockholder meeting at which all then-issued and outstanding shares of New Common Stock entitled to vote thereon were present and voted.

Amendments:

Any amendments to the New Organizational Documents of Reorganized Holdings will require the approval of the Majority Stockholders. The term “Majority Stockholders” means, at any time of determination, Stockholders that own or hold greater

than 50.0% of the shares of Fully Diluted Common Stock as of such time.

Notwithstanding the foregoing, no amendment or modification of any provision of any of the New Organizational Documents of Reorganized Holdings (including any amendments made pursuant to or in connection with a merger of Reorganized Holdings) relating to:

(i) “Transfers”, “Tag-Along Rights”, “Drag-Along Rights”, and “Limitations on Affiliate Transactions” shall, in any such case, be made without the affirmative vote or written consent of the Super-Majority Stockholders (as defined below);

(ii) the Designation Right of any Stockholders or group of Stockholders, the right of any Stockholders or group of Stockholders to remove any Director that was elected pursuant to the Designation Right of such Stockholders or group of Stockholders, or the right of any Stockholders or group of Stockholders to fill the vacancy on the New Board created by the resignation, removal or inability to serve on the New Board of any Director that was elected pursuant to the Designation Right of such Stockholders or group of Stockholders shall, in any such case, be made without the affirmative vote or written consent of such Stockholders or all of the Stockholders that are part of such group of Stockholders;

(iii) the right of one of the Directors elected pursuant to the Designation Right of the BCM Stockholders to be the Chairman shall be made without the affirmative vote or written consent of the BCM Stockholders so long as the BCM Stockholders have the right to select the Chairman;

(iv) the right of one of the Directors elected pursuant to the Designation Right of the MCP Stockholders to be the Chairman if the BCM Stockholders own or hold less than twenty-five percent (25.0%) of the shares of Fully Diluted Common Stock shall be made without the affirmative vote or written consent of the MCP Stockholders so long as the MCP Stockholders have the right to select the Chairman;

(v) the “Preemptive Rights” or the definition of “Significant Stockholder” shall be made without the affirmative vote or written consent of all of the Stockholders that fall within the definition of “Significant Stockholder”;

(vi) the definition of “Super-Majority Stockholders” shall be made without the affirmative vote or written consent of the Super-Majority Stockholders;

(vii) the definition of “Specified Stockholders” shall be made without the affirmative vote or written consent of all of the Stockholders that fall within the definition of “Specified Stockholders”;

(viii) the definition of “Other Stockholders” shall be made without the affirmative vote or written consent of all of the Stockholders that fall within the definition of “Other Stockholders”, excluding any amendment or modification to the definition of “Other Stockholders” that results from an Other Stockholder making an Opt-Out Election;

(ix) “Information Rights” shall be made without the affirmative vote or written consent of (A) the Super-Majority Stockholders and (B) each of the Specified Stockholders that is adversely affected by such amendment or modification; and

(x) the amendments section of any of the New Organizational Documents of Reorganized Holdings shall be made without the affirmative vote or written consent of the Stockholder(s) or requisite percentage or number of Stockholders that would be required to amend the underlying provision of such New Organizational Document to which such amendment or modification relates.

In addition, no amendment or modification of any provision of the New Stockholders Agreement (including any amendments made pursuant to or in connection with a merger of Reorganized Holdings) that would materially and adversely affect the rights or materially increase the obligations of any Stockholder set forth in the New Stockholders Agreement in a manner that is disproportionate in any material respect to the comparable rights and obligations of the Majority Stockholders (without regard to any effect resulting from (x) the individual circumstances of any such Stockholder, or (y) the differences in the respective percentages of ownership of New Common Stock of the Stockholders) shall be made without the affirmative vote or written consent of such affected Stockholder; provided, however, that, for the avoidance of doubt, neither the creation of a new class or series of shares of capital stock of Reorganized Holdings or any other equity or equity-based securities of Reorganized Holdings, nor the issuance of any additional shares of capital stock or any other equity or equity-based securities of Reorganized Holdings, shall be deemed to adversely affect the rights or obligations of any Stockholder.

The term “Super-Majority Stockholders” means, at any time of determination, Stockholders that own or hold at least seventy-five percent (75.0%) of the shares of Fully Diluted Common Stock as of such time.

Transfers:

Shares of New Common Stock will be transferable by the holders thereof (a) only in transactions exempt from the registration requirements of the Securities Act and (b) subject to the satisfaction of the following conditions precedent: (i) delivery to Reorganized Holdings of a written notice of such transfer not less than five (5) Business Days prior to such transfer, (ii) delivery to Reorganized Holdings of representation letters from the transferor and the transferee, (iii) delivery to Reorganized Holdings of an opinion of counsel to the transferor to the effect that such transfer complies with applicable federal and state securities laws and (iv) the transferee's execution of a joinder to the New Stockholders Agreement. Transfers that do not satisfy the foregoing conditions prior to the consummation thereof shall be void *ab initio* and will not be recognized by Reorganized Holdings. Any conditions set forth in clause (b) above may be waived in the discretion of the New Board.

Any transfer, or series of transfers, of shares of New Common Stock (A) that, if consummated, would (x) result in Reorganized Holdings having, in the aggregate, 400 or more holders of record (as such concept is understood for purposes of Section 12(g) of the Exchange Act) of shares of New Common Stock, or (y) require Reorganized Holdings to register any capital stock or other securities of Reorganized Holdings under the Exchange Act, or (B) to a competitor of Reorganized Holdings or any of its Subsidiaries or to an Affiliate of a competitor of Reorganized Holdings or any of its Subsidiaries, in any such case, will be void *ab initio* and will not be recognized by Reorganized Holdings.

A transfer of shares of New Common Stock in a Sale Transaction (as defined below) by a Selling Stockholder (as defined below) or a Dragged Stockholder (as defined below) shall not be subject to the requirements of this "Transfers" section, other than clause (a) above.

In addition to the foregoing, shares of Class B Common Stock will be subject to additional transfer restrictions and risks of forfeiture to be set forth in the Management Incentive Plan and/or any agreement, contract or other instrument or document evidencing or governing an Award issued under the Management Incentive Plan.

Preemptive Rights:

Neither Reorganized Holdings nor any wholly-owned Subsidiary of Reorganized Holdings shall sell or issue (i) additional shares of New Common Stock or shares of capital stock of any such Subsidiary, (ii) any other equity interests or equity securities of Reorganized Holdings or any such Subsidiary, or (iii) any options, warrants, rights or other securities that are convertible into, or exchangeable or exercisable for, shares of New Common Stock or shares of capital stock of any such Subsidiary or other

equity interests or equity securities of Reorganized Holdings or any such Subsidiary (collectively, “Additional Securities”) to any Person (including any then-current Stockholder), other than in a *pro rata* distribution to all Stockholders and certain other customary exceptions, unless Reorganized Holdings offers to permit each Significant Stockholder (as defined below) that is an Accredited Investor (any such Significant Stockholder, a “Preemptive Stockholder”) to purchase its *pro rata* portion (calculated on the basis of the shares of Fully Diluted Common Stock owned or held by such Preemptive Stockholder relative to the shares of Fully Diluted Common Stock owned or held by all Preemptive Stockholders) of such Additional Securities on the same terms and conditions as each other Preemptive Stockholder. Any Additional Securities not elected to be purchased by a Preemptive Stockholder shall be reallocated among the Preemptive Stockholders that have elected to purchase their full allocable share of Additional Securities. Notwithstanding the forgoing, preemptive rights with respect to the sale or issuance of Additional Securities of any wholly-owned Subsidiary of Reorganized Holdings shall only apply if such sale or issuance of such Additional Securities is being made to a Stockholder or any Affiliate of a Stockholder (other than Reorganized Holdings or any other Subsidiary of Reorganized Holdings) and under no other circumstances.

Notwithstanding the foregoing, Reorganized Holdings may comply with its obligations under this “Preemptive Rights” section by first selling to one or more Preemptive Stockholders (each, a “Specified Preemptive Stockholder” and, collectively, the “Specified Preemptive Stockholders”) all of the Additional Securities contemplated to be sold, and, promptly thereafter, offering to sell to the Preemptive Stockholders (other than the Specified Preemptive Stockholders) (each, an “Other Preemptive Stockholder” and, collectively, the “Other Preemptive Stockholders”) the number or amount of such Available Securities the Other Preemptive Stockholders would have been entitled to purchase pursuant to the immediately preceding paragraph as if Reorganized Holdings had not first sold all of the Available Securities to the Specified Preemptive Stockholders but rather had offered to sell the Available Securities to all Preemptive Stockholders at the same time. In the event that any Other Preemptive Stockholder purchases Available Securities pursuant to any such offer referred to in the immediately preceding sentence, then the Specified Preemptive Stockholders shall sell to Reorganized Holdings, for a price equal to the original cost thereof (plus any accrued and unpaid preferred yield or interest thereon, if applicable), the same number or amount and class of securities acquired by the Other Preemptive Stockholders pursuant to such offer.

The term “Significant Stockholder” means, at any time of determination, any Stockholder that owns or holds (together with its Affiliates) at least 5.0% of the shares of Fully Diluted Common Stock at such time.

Tag-Along Rights:

If one or more Stockholders (the “Initiating Stockholders”) desires to transfer shares of Class A Common Stock representing at least 40.0% of the shares of Fully Diluted Common Stock to any Person (or group of Persons) in any transaction (or series of related transactions) (excluding any sale of shares of Class A Common Stock by an Initiating Stockholder to one or more of its Affiliates (including Related Funds) and certain other permitted transferees) (a “Tag-Along Transaction”), the Initiating Stockholders must give notice to each other holder of shares of Class A Common Stock (the “Tag-Along Sellers”) at least 10 Business Days prior to the consummation of such Tag-Along Transaction, setting forth the material terms and conditions of such Tag-Along Transaction, and arrange for each Tag-Along Seller to have the opportunity to include in such Tag-Along Transaction a corresponding percentage of the shares of Class A Common Stock owned or held by such Tag-Along Seller. The tag-along right may be exercised by any Tag-Along Seller delivering a written notice to the Initiating Stockholders (or a designated representative of the Initiating Stockholders) within five (5) Business Days following receipt of written notice of the proposed Tag-Along Transaction by the Initiating Stockholders.

Tag-Along Sellers shall receive the same form and amount of consideration per share of Class A Common Stock that is being paid to the Initiating Stockholders in connection with the Tag-Along Transaction, except that if the Initiating Stockholders are given an option as to the form of consideration to be received in exchange for their shares of Class A Common Stock, each of the Tag-Along Sellers shall only need to be given the same option with respect to their shares of Class A Common Stock.

Transfers of shares of Class A Common Stock by a Stockholder that is a nominee, investment manager, advisor or subadvisor for the beneficial owner of such shares of Class A Common Stock to such beneficial owner or to a Person that will serve as a nominee, investment manager, advisor or subadvisor for such beneficial owner with respect to such shares shall not be subject to the requirements set forth in this “Tag-Along Rights” section.

Notwithstanding anything to the contrary contained in this Governance Term Sheet, holders of shares of Class B Common Stock shall not be entitled to tag-along rights in respect of shares of Class B Common Stock held by such holder.

Drag-Along Rights:

If one or more Stockholders that own or hold greater than 66-2/3% of the shares of Fully Diluted Common Stock at such time

(the “Selling Stockholders”) decide to effect, approve or otherwise take any action that would cause the occurrence of, or desire to consummate, a Sale Transaction, Reorganized Holdings or the Selling Stockholders will have the right to require all other Stockholders (the “Dragged Stockholders”) to, among other things, (i) sell a percentage of their shares of New Common Stock corresponding to the aggregate percentage of the shares of New Common Stock held by the Selling Stockholders that are proposed to be included in such Sale Transaction, (ii) vote such Dragged Stockholders’ shares of New Common Stock, whether by proxy, voting agreement or otherwise, in favor of the Sale Transaction and not raise any objection thereto, (iii) enter into agreements with the purchaser in the Sale Transaction on terms substantially identical to those applicable to the Selling Stockholders, and to obtain any required consents, (iv) waive and refrain from exercising any appraisal, dissenters or similar rights, (v) not assert any claim against Reorganized Holdings, any Director, any member of any committee of the New Board, any member of any Subsidiary Governing Body or any other Stockholder or any of its Affiliates in connection with the Sale Transaction, and (vi) take any and all reasonably necessary action in furtherance of the consummation of the Sale Transaction.

Each Stockholder shall receive the same form and amount of consideration per share of New Common Stock that is being paid in connection with the Sale Transaction to each other Stockholder in respect of shares of New Common Stock of the same class (excluding any investment or reinvestment opportunity given to management of Reorganized Holdings or any of its Subsidiaries), except that if any Stockholder is given an option as to the form of consideration to be received in exchange for each share of New Common Stock held by such Stockholder, each other Stockholder holding shares of New Common Stock of the same class shall be given the same option.

Any shares of Class B Common Stock transferred in a Sale Transaction by a Selling Stockholder or a Dragged Stockholder shall immediately and automatically convert into shares of Class A Common Stock upon the consummation of such Sale Transaction.

“Sale Transaction” means the sale, lease, transfer, issuance or other disposition, in one transaction or a series of related transactions, of (i) all or substantially all of the consolidated assets of Reorganized Holdings and its Subsidiaries (including by or through the issuance, sale, contribution, transfer or other disposition (including by way of reorganization, merger, share exchange, consolidation or other business combination) of a majority of the capital stock or other equity interests of any direct and/or indirect Subsidiary or Subsidiaries of Reorganized

Holdings if substantially all of the consolidated assets of Reorganized Holdings and its Subsidiaries are held by such Subsidiary or Subsidiaries) or (ii) shares of Class A Common Stock and/or New Warrants representing at least a majority of the shares of Fully Diluted Common Stock (whether directly or indirectly or by way of any merger, share exchange, recapitalization, sale or contribution of equity, tender offer, reclassification, consolidation or other business combination transaction or purchase of beneficial ownership), to (in either case of clause (i) or clause (ii)) any Person or “group” (within the meaning of Section 13(d)(3) or Section 14(d)(2) of the Exchange Act, or any successor provision) of Persons (other than the Selling Stockholders or any Affiliates thereof).

Confidentiality:

Subject to certain permitted disclosures (including disclosures to a Stockholder’s advisors and representatives), each Stockholder will be required to hold in strict confidence any confidential, business, financial or proprietary information such Stockholder receives regarding Reorganized Holdings or any of its Subsidiaries, or any confidential, business, financial or proprietary information of any other Stockholder in respect of Reorganized Holdings or any of its Subsidiaries (“Confidential Information”), whether such Confidential Information is received from Reorganized Holdings or any of its Subsidiaries, another Stockholder, any Affiliate of Reorganized Holdings or another Stockholder, or any agents or advisors of any thereof. Such confidentiality obligations shall commence on the Effective Date and end on the first anniversary of the date such Stockholder no longer owns any shares of New Common Stock.

In the event that any Stockholder proposes to sell or otherwise transfer any shares of New Common Stock to a third party in compliance with the transfer restrictions described in this Governance Term Sheet, such Stockholder may make available to the potential transferee Confidential Information, subject to the prior execution by such potential transferee of a confidentiality agreement that is acceptable to the New Board.

No Confidential Information may be shared with a potential transferee of shares of New Common Stock that is a competitor of Reorganized Holdings or any of its Subsidiaries (or an Affiliate of any such competitor) unless approved in advance by the New Board.

Information Rights:

Prior to Reorganized Holdings becoming obligated to file reports under the Exchange Act, subject to the confidentiality provisions referred to above, each holder of shares of Class A Common Stock shall be entitled to receive (a) annual audited consolidated financial statements of Reorganized Holdings within 120 days after the end of Reorganized Holdings’ fiscal year, and (b) quarterly unaudited consolidated financial statements of

Reorganized Holdings within 45 days after the end of each of Reorganized Holdings' first three fiscal quarters during each fiscal year.

At the option of the New Board, Reorganized Holdings may make available the information described above on a password-protected website that is only available to holders of shares of Class A Common Stock. As a condition to gaining access to the information posted on such website, a holder of shares of Class A Common Stock may be required to "click through" or take other affirmative action pursuant to which such Stockholder shall (i) confirm and ratify that it is a party to, and bound by all of the terms and provisions of, the New Stockholders Agreement, (ii) acknowledge its confidentiality obligations in respect of such information and (iii) certify its status as a Stockholder thereunder.

Reorganized Holdings shall hold a quarterly informational telephone conference call once during each fiscal quarter for the holders of shares of Class A Common Stock. During each such quarterly teleconference, Reorganized Holdings's officers shall present a narrative overview of the financial statements provided to the holders of shares of Class A Common Stock pursuant to clauses (a) and (b) above.

Services Agreements:

On the Effective Date, Reorganized Holdings and/or one or more of its Subsidiaries will enter into a customary advisory services agreement with MCP (the "Advisory Services Agreement") pursuant to which MCP will provide Reorganized Holdings and its Subsidiaries with certain strategic, consulting and support services ("Advisory Services"). The Advisory Services Agreement will provide for, among other things, the following:

- (i) payment by Reorganized Holdings to MCP of an annual fee for each one year term of the Advisory Services Agreement in the aggregate amount of \$375,000 (the "Annual Fee");
- (ii) customary indemnification and limitation of liability provisions in favor of MCP, its Affiliates and certain other related or associated Persons; and
- (iii) reimbursement by Reorganized Holdings for all reasonable out-of-pocket fees, costs and expenses incurred by MCP and its partners, members, employees or agents in connection with rendering the Advisory Services.

The Annual Fee shall be earned on the first day of each one-year term of the Advisory Services Agreement, and shall be due and payable on a quarterly basis in advance of each such quarterly period on the first day thereof (the first such quarterly payment

of the Annual Fee being paid on the Effective Date). Reorganized Holdings, acting on the affirmative vote of a majority of the Specified Directors (as defined below), may elect to terminate the Advisory Services Agreement at any time after the first anniversary of the Effective Date; provided, that no amount of any Annual Fee that has been earned or paid prior to any such termination shall be avoided or refundable if the Advisory Services Agreement is so terminated. The Specified Directors shall consider whether to terminate or not to terminate the Advisory Services Agreement at the first regularly scheduled meeting of the New Board following each one-year term of the Advisory Services Agreement (it being understood that if a majority of the Specified Directors do not elect to terminate the Advisory Services Agreement, then the Advisory Services Agreement shall not be terminated).

In addition, on the Effective Date, Reorganized Holdings and/or one or more of its Subsidiaries will enter into an operations agreement with MCP (the "Operation Services Agreement" and, together with the Advisory Services Agreement, the "Services Agreements") pursuant to which MCP will provide Reorganized Holdings and its Subsidiaries with certain performance improvement and operationally-oriented services ("Operation Services") to be provided by operating professionals employed by MCP. The Operating Services Agreement will provide for, among other things, the following:

- (i) reimbursement by Reorganized Holdings to MCP for the costs and expenses incurred by MCP in connection with rendering the Operation Services, including the out-of-pocket costs and expenses incurred by MCP in connection therewith (in total, the "Operation Costs"); and
- (ii) customary indemnification and limitation of liability provisions in favor of MCP, its Affiliates and certain other related or associated Persons.

The Operation Costs shall be billed to Reorganized Holdings and payable on a monthly basis. Reorganized Holdings, acting on the affirmative vote of a majority of the Specified Directors, may elect to terminate the Operation Services Agreement at any time after the period equal to the duration of the initiatives outlined in the value creation plan under the Operation Services Agreement and, to the extent not so terminated after such period, shall continue to be subject to ongoing review and renewal, as applicable, by Reorganized Holdings, acting by a majority of the Specified Directors, at the end of each project implementation period under the Operation Services Agreement; provided, that no amount of any Operation Costs that have been incurred by MCP prior to termination of the Operation Services Agreement shall be avoided or refundable.

Copies of the Services Agreements will be provided to each of the Specified Stockholders within a reasonable period of time prior to the Effective Date.

No amendment or modification to this “Services Agreements” section of this Governance Term Sheet shall be made without the prior written consent of the Affiliates of MCP that own or hold First Lien Term Loan Claims.

For purposes of this Governance Term Sheet, the term “Specified Director” means any Director other than the Directors designated pursuant to the Designation Right described in clause (i) of the “New Board” section of this Governance Term Sheet.

Limitations on Affiliate Transactions:

Except for (i) the Advisory Services Agreement and any of the services or transactions contemplated thereby and (ii) any transaction described in the “Preemptive Rights” section of this Governance Term Sheet, any transaction or series of related transactions between Reorganized Holdings or any Subsidiary of Reorganized Holdings, on the one hand, and any Affiliate of Reorganized Holdings or any such Subsidiary (other than Reorganized Holdings or any of its Subsidiaries), on the other hand (an “Affiliate Transaction”), involving aggregate payments or other consideration in excess of \$1,000,000 shall require the approval of a majority of the Directors that are disinterested with respect to such Affiliate Transaction.

With respect to an Affiliate Transaction between Reorganized Holdings or any Subsidiary of Reorganized Holdings, on the one hand, and any Stockholder of Reorganized Holdings that is an Affiliate of Reorganized Holdings or any Affiliate of such Stockholder, on the other hand, any Director that was designated by such Stockholder (including if such Stockholder was part of a group of Stockholders that designated such Director) pursuant to a Designation Right described in clause (i), clause (ii) or clause (iii) of the “New Board” section of this Governance Term Sheet, shall not be disinterested in such Affiliate Transaction solely for purposes of determining the Directors that are entitled to vote on such Affiliate Transaction.

Management Incentive Plan:

Within ninety (90) days after the Effective Date, the New Board, acting in accordance with the New Organizational Documents, shall adopt a management incentive plan (the “Management Incentive Plan”) that provides for the issuance of options and/or other equity or equity-based awards (“Awards”) to certain employees of the Reorganized Debtors or any of their respective Subsidiaries. The form of the Awards (*i.e.*, stock options, restricted stock, appreciation rights, etc.), the employee participants in the Management Incentive Plan, the allocations of

the Awards to such participants, and the terms and conditions of the Awards shall be determined by the New Board; provided that, no Specified Stockholder, and no employee of a Specified Stockholder, shall be eligible for receipt of an Award under the Management Incentive Plan. To the extent that an Award is settled with, exchangeable for, or convertible or exercisable into shares of capital stock of Reorganized Holdings, such Award may only be settled with, exchangeable for, or convertible or exercisable into shares of Class B Common Stock.

Registration Rights:

After Reorganized Holdings consummates a Qualified Public Offering, the Significant Stockholders shall be entitled to the following registration rights:

Demand Rights: Any Significant Stockholder or group of Significant Stockholders (acting together) that own or hold at least 25.0% of all of the shares of New Common Stock that are issued and outstanding at such time may request that Reorganized Holdings effect the registration under the Securities Act of a specified number of registrable securities held by such Significant Stockholder(s). Subject to certain exceptions, Reorganized Holdings will not be required to effect the demand right more than twice.

Piggyback Registration: The Significant Stockholders shall be entitled to reasonable and customary piggyback registration rights.

Sale of Reorganized Holdings:

On and after the fifth anniversary of the Effective Date, the Majority Stockholders shall have the right to require Reorganized Holdings to use commercially reasonable efforts to undertake a process to consummate a Sale Transaction; provided, that for purposes of this “Sale of Reorganized Holdings” section, the term “Sale Transaction” shall not include the phrase “(other than the Selling Stockholders or any Affiliates thereof)” set forth therein.

Governing Law:
