**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND
DISCLAIMERS REGARDING THE DEBTORS' SCHEDULES OF ASSETS AND
LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

Wave Computing, Inc. *et al.*, the above-referenced debtors and debtors in possession (collectively, the “Debtors”), as debtors in possession in the above-captioned chapter 11 cases, with the assistance of their advisors and attorneys, are filing their Schedules of Assets and Liabilities (the “Schedules”) and Statements of Financial Affairs (the “Statements” or “SOFAs”) in the Bankruptcy Court for the Northern District of California, San Jose Division (the “Bankruptcy Court”) pursuant to section 521 of title 11 of the United States Code (the “Bankruptcy Code”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”).

These Global Notes and Statements of Limitations, Methodology, and Disclaimers regarding the Debtors’ Schedules and Statements (collectively, the “Global Notes”) pertain to, are incorporated by reference in, and comprise an integral part of all of the Debtors’ Schedules and Statements. The Global Notes should be referred to, considered, and reviewed in connection with any review of the Schedules and Statements.

The Statements and Schedules do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States (“GAAP”), nor are they intended to be fully reconciled with the financial statements of the Debtors. Additionally, the Statements and Schedules contain unaudited information that is subject to further review, potential adjustment, and reflect the Debtors’ commercially reasonable efforts to report the assets and liabilities of each of the Debtors.

The information continued in the Statements and Schedules was prepared based on the best information available and to our knowledge and belief. The Debtors and their agents, attorneys, and financial advisors do not guarantee or warrant the accuracy or completeness of the data that is provided herein and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. While commercially reasonable efforts have been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. The Debtors and their agents, attorneys, and financial advisors expressly does not undertake any obligation to update, modify, revise, or re-categorize the information provided herein, or to notify any third party should the information be updated, modified, revised, or re-categorized. In no event shall the Debtors or their agents, attorneys, and financial advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against any Debtor or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused, even if the Debtors or their agents, attorneys, and financial advisors are advised of the possibility of such damages.

Chief Restructuring Officer Lawrence Perkins has signed each of the Statements and Schedules. Mr. Perkins is an authorized signatory for the Debtors. In reviewing and signing the Statements and Schedules, Mr. Perkins has relied upon the efforts, statements, and representations of various personnel employed by the Debtors and their advisors. Mr. Perkins

has not (and could not have) personally verified the accuracy of each statement and representation contained in the Statements and Schedules, including statements and representations concerning amounts owed to creditors, classification of such amounts, and creditor addresses. Additionally, the Chief Restructuring Officer and his support team was unable to access the physical offices and interact in person with the Debtor's employees leading up to and including the petition date due to the global pandemic of COVID-19. As such, access to physical records was not possible and we relied upon information provided by Company employees and others.

Global Notes and Overview of Methodology

Reservation of Rights. Reasonable efforts have been made to prepare and file complete and accurate Statements and Schedules; however, inadvertent errors or omissions may exist. The Debtors reserve all rights to (i) amend or supplement the Statements and Schedules from time to time, in all respects, as may be necessary or appropriate, including, without limitation, the right to amend the Statements and Schedules with respect to claim ("Claim") description or designation; (ii) dispute or otherwise assert offsets or defenses to any Claim reflected in the Statements and Schedules as to amount, liability, priority, status or classification; (iii) subsequently designate any Claim as "disputed," "contingent," or "unliquidated;" or object to the extent, validity, enforceability, priority, or avoidability of any Claim. Any failure to designate a Claim in the Statements and Schedules as "disputed," "contingent," or "unliquidated" does not constitute an admission by Debtor that such Claim or amount is not "disputed," "contingent," or "unliquidated." Listing a Claim does not constitute an admission of liability by the Debtor against which the Claim is listed. Furthermore, nothing contained in the Statements and Schedules shall constitute a waiver of rights with respect to each Debtor's chapter 11 case, including, without limitation, issues involving Claims, substantive consolidation, defenses, equitable subordination, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph. Notwithstanding the foregoing, the Debtors shall not be required to update the Statements and Schedules except as may be required by applicable law.

2. Description of the Case and "As Of" Information Date. On April 27, 2020 (the "Petition Date"), each Debtor filed its voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors are operating their business as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. Unless otherwise indicated, the asset information provided herein represents the asset data as of the close of business on April 27, 2020. Unless otherwise indicated, the liability information represents the liability data of the Debtors as of the close of business on April 27, 2020, except as otherwise noted.

3. Estimated Value of Assets. Unless otherwise indicated, the asset data contained in the Statements and Schedules reflect estimates of value as of April 27, 2020. Book values of assets prepared in accordance with GAAP generally do not reflect the current market value of the assets and may differ materially from the actual value of the underlying assets.

4. Recharacterization. Notwithstanding the Debtors' commercially reasonable efforts to

properly characterize, classify, categorize, or designate certain Claims, assets, executory contracts, unexpired leases, and other items reported in the Statements and Schedules, the Debtors may nevertheless have improperly characterized, classified, categorized, designated, or omitted certain items due to the complexity and the Debtors' financial statements and recent turnover in management. Accordingly, the Debtors reserve all their rights to re-characterize, reclassify, recategorize, re-designate, add, or delete items reported in the Statements and Schedules at a later time as is necessary or appropriate as additional information becomes available, including, without limitation, whether contracts or leases listed herein were deemed executory or unexpired as of the Petition Date and remain executory and unexpired post petition. Disclosure of information in one or more Schedules, one or more Statement question, or one or more exhibits or attachments to the Statements and Schedules, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedules, Statements, exhibits, or attachments.

5. Liabilities. The Debtors have sought to allocate liabilities between the prepetition and post-petition periods and between Debtor entities based on the information and research conducted in connection with the preparation of the Statements and Schedules. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and post-petition periods may change. Accordingly, each Debtor reserves all its rights to amend, supplement, or otherwise modify its Statements and Schedules as is necessary or appropriate. The liabilities listed on the Schedules do not reflect any analysis of Claims under section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtors reserve all their rights to dispute or challenge the validity of any asserted Claims under section 503(b)(9) of the Bankruptcy Code or the characterization of the structure of any such transaction or any document or instrument related to any creditor's Claim.

6. Excluded Assets and Liabilities. The Debtors may have inadvertently excluded certain categories of assets, tax accruals, and liabilities from the Statements and Schedules, including, without limitation, NOLs, accrued salaries, employee benefit accruals, and accrued accounts payable. The Debtors have also excluded rejection damage Claims of counterparties to executory contracts and unexpired leases that may or may not be rejected, to the extent such damage Claims exist. In addition, certain immaterial assets and liabilities may have been excluded.

7. Insiders. For purposes of the Statements and Schedules, the Debtors defined "insiders" pursuant to section 101(31) of the Bankruptcy Code as: (a) directors; (b) officers; (c) persons in control of the Debtors; (d) relatives of the Debtors' directors, officers or persons in control of the Debtors; and (e) debtor/non-debtor affiliates of the foregoing. Persons listed as "insiders" have been included for informational purposes only and the inclusion of them in the Statements and Schedules, shall not constitute an admission that those persons are insiders for purposes of section 101(31) of the Bankruptcy Code. Moreover, the Debtors do not take any position with respect to: (a) any insider's influence over the control of the Debtors; (b) the management responsibilities or functions of any such insider; (c) the decision making or corporate authority of any such insider; or (d) whether the Debtors or any such insider could successfully argue that he or she is not an "insider" under applicable law or with respect to any theories of liability or for any other purpose.

8. Intellectual Property Rights. Exclusion of any intellectual property shall not be construed as an admission that such intellectual property rights have been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction.

9. Classifications. Listing (a) a Claim on Schedule D as “secured,” (b) a Claim on Schedule E/F as “priority,” (c) a Claim on Schedule E/F as “unsecured,” or (d) a contract on Schedule G as “executory” or “unexpired,” does not constitute an admission by any Debtor of the legal rights of the claimant or a waiver of any Debtor’s rights to recharacterize or reclassify such Claims or contracts or to setoff of such Claims.

10. Claims Description. Schedules D and E/F permit the Debtors to designate a Claim as “disputed,” “contingent,” and/or “unliquidated.” Any failure to designate a Claim on the Statements and Schedules as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by any Debtor that such amount is not “disputed,” “contingent,” or “unliquidated,” or that such Claim is not subject to objection. The Debtors reserve all their rights to dispute, or assert offsets or defenses to, any Claim reflected on their Statement and Schedules on any grounds, including liability or classification. Additionally, the Debtors expressly reserve all their rights to subsequently designate such Claims as “disputed,” “contingent” or “unliquidated.” Moreover, listing a Claim does not constitute an admission of liability by the Debtor.

11. Causes of Action. Despite making commercially reasonable efforts to identify all known assets, the Debtors may not have listed all their causes of action or potential causes of action against third-parties as assets in the Statements and Schedules, including, without limitation, causes of actions arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. The Debtors reserve all their rights with respect to any cause of action (including avoidance actions), controversy, right of setoff, cross-claim, counterclaim, or recoupment and any claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertible directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other theory of law (collectively, “Causes of Action”) it may have, and neither these Global Notes nor the Statements and Schedules shall be deemed a waiver of any claims or Causes of Action or in any way prejudice or impair the assertion of such claims or Causes of Action.

12. Summary of Significant Reporting Policies. The following is a summary of significant reporting policies

- **Undetermined Amounts.** The description of an amount as “unknown,” “unknown, investigating,” “cannot allocate,” “cannot value,” “N/A,” “TBD,” or “undetermined” is not intended to reflect upon the materiality of such amount.
- **Totals.** All totals that are included in the Statements and Schedules represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual total maybe different than the listed total.

- Liens. Property and equipment listed in the Statements and Schedules are presented with our best knowledge of any liens that may attach (or have attached) to such property and equipment.

13. Currency. Unless otherwise indicated, all amounts are reflected in U.S. dollars. The amounts listed in SOAL AB.01.03, the conversion from British Pounds and New Taiwan Dollars to U.S. dollars is as of the date of the filing, April 20, 2020.

14. Intercompany Payables and Receivables. Intercompany receivables/payables are set forth on Schedules A/B and E/F, respectively. The listing by each Debtor of any account between a Debtor and another affiliate is a statement of what appears in the Debtors' books and records and does not reflect any admission or conclusion of any Debtor regarding the allowance, classification, characterization, validity, or priority of such account. The Debtors take no position in these Statements and Schedules as to whether such accounts would be allowed as a Claim, an Interest, or not allowed at all. The Debtors and all parties in interest reserve all rights with respect to such accounts.

15. Employee Addresses. Current employee and director addresses have been reported as the Debtors' business address throughout the Statements and Schedules, where applicable.

16. Debtors' Addresses. For the purposes of the Statements and Schedules, all addresses for all Debtors have been reported as the Debtors' headquarters address in Santa Clara, California.

17. Global Notes Control. In the event that the Schedules or Statements differ from any of the foregoing Global Notes, the Global Notes shall control.

Specific Notes with Respect to the Debtors' Schedules of Assets and Liabilities. The Schedules neither purport to represent financial statements prepared in accordance with GAAP, nor are they intended to be fully reconciled with the financial statements of the Debtors. Additionally, the Schedules contain unaudited information that is subject to further review and potential adjustment and reflect the Debtors' reasonable best efforts to report the assets and liabilities of each Debtor. Moreover, given, among other things, questions about the characterization of certain assets and the valuation and nature of certain liabilities, to the extent that any Debtor shows more assets than liabilities, this is not an admission that such Debtor was solvent as of the Petition Date or at any time before the Petition Date.

1. Schedule A/B, Part 2, Question 8 – Prepayments

Includes software license & subscriptions, annual fees, maintenance contracts, technical support agreements, insurance premiums, membership dues, and other advance payments or deposits. Debtor is working on updating, correcting, re-classifying and re-calculating the prepayments' schedule.

2. Schedule A/B, Part 3, Question 11 – Accounts Receivable

Generally all customer receivables come through MIPS Tech, LLC. Receivables for all other entities are intercompany receivables only. Doubtful or uncollectible amounts relate to projects the Debtor believes were cancelled but not recorded appropriately.

3. Schedule A/B, Part 5 – Inventory, excluding agriculture assets

The Debtors are not currently aware of any but are investigating and will amend the Statements and Schedules if and when new information becomes available.

4. Schedule A/B, Part 7 – Office furniture, fixtures, and equipment; and collectibles

Current value is based on the last available Fixed Assets list dated October 31, 2019.

5. Schedule A/B, Part 8, Question 50 – Other machinery, fixtures, and equipment (including farm machinery and equipment).

Current value is based on the last available Fixed Assets list dated October 31, 2019.

6. Schedule A/B, Part 9, Question 55 – Any building, other improved real estate, or land which the debtor owns or in which the debtor has an interest.

Current value of leasehold improvements is unknown as the debtor moved since the last Fixed Assets report was run. Some assets were left behind and some were taken into the new location.

7. Schedule A/B, Part 10 – Intangibles and intellectual property.

Current value is based on book value as of March, 31 2020. Although Schedules and Statements show most of the IP is held by MIPS Tech, Inc., based on information and belief, this IP is legally held at MIPS Tech, LLC.

8. Schedule A/B, Part 11, Question 72 – Tax refunds and unused net operating losses (NOLs).

Debtors believe there are material NOLs and potential tax refunds at foreign subsidiaries. The Debtors are currently investigating the potential value and recovery of these NOLs and tax refunds for each debtor entity.

9. Schedule A/B, Part 11, Question 74 – Causes of action against third parties (whether or not a lawsuit has been filed).

The Debtors may have other causes of action and are not waiving any rights to pursue such causes of action in the future.

10. Schedule A/B, Part 11, Question 76 – Trusts, equitable or future interests in property

The Debtors are not currently aware of any but are investigating and will amend the Statements and Schedules if and when new information becomes available.

11. Schedule A/B, Part 11, Question 77 – Other property of any kind not already listed

The only ‘other property’ listed is related to intercompany receivables. The Debtors do not prepare financial statements on an entity level but rather on a consolidated basis. As such, intercompany receivable accounts were used to record allocations of income and expenses paid by one entity on behalf of the other entities. These amounts are eliminated in the consolidation. The listing by each Debtor of any account between a Debtor and another affiliate is a statement of what appears in the Debtors’ books and records and does not reflect any admission or conclusion of any Debtor regarding the allowance, classification, characterization, validity, or priority of such account.

12. Schedule D: Creditors Who Have Claims Secured by Property

The landlord of Wave Computing Inc. is secured by a standby letter of credit in the amount of \$1.3M. On January 3, 2020, Tallwood Technology Partners LLC filed a UCC-1 securing their note in the aggregate amount of \$13.4M (including principal and accrued but unpaid interest) secured by all assets of the Debtors.

13. Schedule E/F: Creditors Who Have Secured Claims, Part 1 – Creditors with PRIORITY Unsecured Claims

Priority unsecured claims include tax claims and employee accrued PTO as of April 27, 2020.

14. Schedule E/F: Creditors Who Have Unsecured Claims, Part 2 – Creditors with NONPRIORITY Unsecured Claims

Nonpriority unsecured claims include regular accounts payable, intercompany accounts payable, property lease related claims and potential claims related to two unsecured convertible notes issued in relation to the Debtors’ Series E repurchase. As with the intercompany receivables, intercompany payable accounts are used for the main purposes of moving funds amongst entities and recording expenses paid by one entity on behalf of the others.

15. Schedule G: Executory Contracts and Unexpired Leases

The Executory Contracts and Unexpired Leases disclosed are based on the best information available and to our knowledge and belief. We do not purport to claim this is a comprehensive listing.

Specific Notes with Respect to the Debtors' Statements of Financial Affairs. The Statements neither purport to represent financial statements prepared in accordance with GAAP, nor are they intended to be fully reconciled with the financial statements of the Debtors. Additionally, the Statements contain unaudited information that is subject to further review and potential adjustment and reflect the Debtors' reasonable best efforts to report the financial affairs of each Debtor.

Part 1: Number 1: Gross revenue from business

Unless otherwise noted, the primary source of revenue of the Debtors is derived from licensing IP cores to customers. Such customers are all under debtor entity MIPS tech, LLC.

Part 1: Number 2: Non-business revenue

Current value reflects book value as of April 30, 2020.

Part 2: Number 6: Setoffs

The Debtors are not currently aware of any but will amend the Statements and Schedules if and when new information becomes available.

Part 3: Number 7: Legal actions, administrative proceedings, court actions, executions, attachments, or governmental audits

The Debtors are not currently aware of any additional legal actions but will amend the Statements and Schedules if and when new information becomes available.

Part 5: Number 2: Certain Losses

The Debtors are not currently aware of any but will amend the Statements and Schedules if and when new information becomes available.

Part 12: Numbers 12: Self-settled trust of which the debtor is a beneficiary

The Debtors are not currently aware of any but are investigating and will amend the Statements and Schedules if and when new information becomes available.

Part 12: Numbers 22 – 24: Details About Environmental Information.

The Debtors are not aware of any environmental violations or risks.

Part 13: Question 31: Within 6 years before filing this case, has the debtor been a member of any consolidated group for tax purposes?

Members of affiliated tax group consist of Wave Computing, Inc., MIPS Tech, Inc., Hellosoft, Inc., Imagination Technologies, Inc., and Caustic Graphics, Inc.

Additional material transactions not otherwise disclosed. On July 1, 2019 Wave Computing, Inc. and Windtree Drive, LLC executed a settlement agreement and general release which included the repurchase of Windtree's Series E Preferred Shares by Wave.

On July 5, 2019, Tallwood Technology Partners LLC, as lender and Wave Computing Inc. as maker, executed a secured promissory note with \$19,400,000 available and an initial draw of \$5,000,000. As of the petition date, \$12,849,992 had been drawn on the note. The total outstanding principal and accrued but unpaid interest as of the petition date was \$13,409,440.

On or around August 2019, investors in the Series E financing were offered the option to sell their shares for cash or exchange them for a note. The former involved a transaction wherein Tallwood Technology Partners LLC would purchase the Series E Preferred Stock from the shareholder at a price equal to the original purchase price. The latter involved the sale by Wave Computing, Inc. of unsecured convertible promissory notes in exchange for Series E Preferred Stock.
