Court File No.: _____

**ASSIGNMENT FOR THE BENEFIT OF
CREDITORS**

THIS ASSIGNMENT is made this 13th day of March, 2020 by and between Wayzata Home Products, LLC, with a principal place of business at 5350 West 78th Street, Edina, Minnesota, 55439, and cliqstudios.com LLC with a principal place of business at 5350 West 78th Street, Edina, Minnesota, 55439 and all of their subsidiaries, including but not limited to those included in Schedule A attached hereto (hereinafter collectively referred to as the “assignor”), and Lighthouse Management Group, Inc., whose address is 900 Long Lake Road, Suite 180, New Brighton, MN 55112 (hereinafter “assignee”).

WHEREAS, the assignor has been engaged in the business of designing and selling kitchen cabinets and products; and

WHEREAS, the assignor is indebted to creditors and is unable to pay debts as they become due, and is desirous of providing for the payment of debts, so far as it is possible by an assignment of property for that purpose.

NOW, THEREFORE, the assignor, in consideration of the recitals set forth above and incorporated as an integral part of this assignment, the assignee's acceptance of this assignment, and for other good and valuable consideration, hereby assigns to the assignee, and the assignee's successors and assigns, the assignor's property, except the property as is exempt by law from levy

and sale under an execution (and then only to the extent of the exemption), including but not limited to all real property, fixtures, goods, stock, inventory, equipment, furniture, furnishings, accounts receivable, general intangibles, bank deposits, cash, promissory notes, cash value and proceeds of insurance policies, claims, and demands belonging to the assignor, wherever the property may be located (hereinafter collectively the "assignment property"), which property is set forth on Schedule B attached hereto.

A list of the creditors of the assignor is set forth in Schedule C annexed hereto. By making this assignment, the assignor consents to the appointment of the assignee as a general receiver with respect to the assignor in accordance with Minnesota Statutes, chapters 576 and 577. This assignment does not constitute an assumption of any debt, obligation or liability of the assignor by assignee and assignee shall not be personally or directly liable for any debt, obligation or liability of assignee. Any claims made in connection with this matter shall be recoverable only from the assignment property and not the assignor.

The assignee shall take possession of and administer the assignment property and shall liquidate the assignment property with reasonable dispatch, collect all claims and demands hereby assigned as and to the extent they may be collectible, and pay and discharge all reasonable expenses, costs, and disbursements in connection with the execution and administration of this assignment from the proceeds of the liquidations and collections in accordance with Minnesota Statutes, chapters 576 and 577 provided, however, that if there are insufficient liquid funds available to the assignee from the proceeds of the assignment property to cover the costs, fees and expenses, including professional fees, charged or incurred by the assignee, in connection with administration of the assignment, the assignee shall be entitled to resign from this assignment by

filing a notice of resignation with the Court, and the matter shall proceed pursuant to Minn. Stat. §576.37.

The assignee shall then pay and discharge in full, to the extent that funds are available from the assignment property after payment of expenses, costs, and disbursements, all of the debts and liabilities now due from the assignor, including interest on the debts and liabilities in full, in accordance with Minnesota Statutes, chapters 576 and 577.

In the event that all debts and liabilities are paid in full, the remainder of the assignment property shall be returned to the assignor. To accomplish the purposes of this assignment, the assignor hereby irrevocably appoints the assignee as the assignor's true and lawful attorney-in-fact, with full power and decision making authority, including all of the authority held by the assignor's board, officers, and directors, and to do all acts and things which may be necessary to execute and fulfill the assignment hereby created, to the same extent as the acts and things might be done by the assignor in the absence of this assignment, including, but not limited to, the power to demand and recover from all persons all assignment property; to sue for the recovery of assignment property; to execute, acknowledge, and deliver all necessary deeds, instruments, and conveyances, and to grant and convey any or all of the real or personal property of the assignment property pursuant thereto; and to appoint one or more attorneys to assist the assignee in carrying out the assignee's duties hereunder.

The assignor hereby authorizes the assignee to sign the name of the assignor to any check, draft, promissory note, or other instrument in writing which is payable to the order of the assignor, or to sign the name of the assignor to any instrument in writing, whenever it shall be necessary to do so, to carry out the purposes of this assignment.
