**NOTICE OF POTENTIAL ASSUMPTION OR
ASSUMPTION AND ASSIGNMENT OF CERTAIN CONTRACTS OR LEASES**

PLEASE TAKE NOTICE OF THE FOLLOWING:

On November 26, 2024, the United States Bankruptcy Court for the District of Delaware (the “Court”) entered the *Order (I) Approving Bid Procedures for the Sale of the Debtors’ Assets, (II) Scheduling Certain Dates and Deadlines with Respect Thereto, (III) Approving the Form and Manner of Notice Thereof, (IV) Authorizing the Debtors to Select and Alternative Stalking Horse Bid and Provide Alternative Bid Protections, (V) Establishing Notice and Procedures for the Assumption and Assignment of Contracts and Leases, (VI) Authorizing the Assumption and Assignment of Contracts and Leases, (VII) Approving the Sale of Assets, and (VIII) Granting Related Relief* [Docket No. 361] (the “Order”),² by which the Court approved procedures for the assumption or assumption and assignment of executory contracts and unexpired leases and granted related relief, as set forth in the Order.

Pursuant to the Order and by this notice (this “Cure Notice”), the Debtors hereby notify you that they have determined that each executory contract or unexpired lease set forth on **Schedule 1** attached hereto (the “Potential Assumption List”) may be assumed and, if applicable, assigned.

The Debtors believe that the party to which each applicable executory contract or unexpired lease may be assigned has the financial wherewithal to meet all future obligations under such contract or lease and the Debtors will provide evidence thereof to such applicable counterparty (and their counsel, if known) thereby demonstrating that the assignee of the contract or lease has the ability to comply with the requirements of adequate assurance of future performance.

Parties objecting to the proposed assumption and assignment (including a Winning Bidder’s proposed form of adequate assurance of future performance) must file and serve a written objection (each,
