**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGIES,  
AND DISCLAIMERS REGARDING THE DEBTORS' SCHEDULES OF  
ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

The Schedules of Assets and Liabilities (collectively with attachments, the “Schedules”) and the Statements of Financial Affairs (collectively with attachments, the “Statements,” and together with the Schedules, the “Schedules and Statements”), filed by Cleveland Integrity Services, Inc. (“CIS”) and CIS Treasury, LLC (“Treasury”), debtors and debtors in possession (collectively, the “Debtors”), were prepared pursuant to section 521 of title 11 of the United States Code (the “Bankruptcy Code”), rule 1007 of the Federal Rules of Bankruptcy Procedure, and rule 1007-1 of the Bankruptcy Local Rules for the Southern District of Texas by the Debtors with the assistance of their advisors, and are unaudited.

These *Global Notes and Statement of Limitations, Methodologies, and Disclaimers Regarding the Debtors’ Schedules of Assets and Liabilities and Statements of Financial Affairs* (the “Global Notes”) are incorporated by reference in, and comprise an integral part of, each Debtor’s respective Schedules and Statements, and should be referred to and considered in connection with any review of the Schedules and Statements.

While the Debtors have made reasonable efforts to ensure that the Schedules and Statements are as accurate and complete as possible under the circumstances based on information that was available at the time of preparation, inadvertent errors, inaccuracies, or omissions may have occurred or the Debtors may discover subsequent information that requires material changes to the Schedules and Statements. As such, the Debtors reserve all rights to amend, supplement or modify the Schedules and Statements.

Nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to these chapter 11 cases and specifically with respect to any issues involving equitable subordination or causes of action arising under chapter 5 of the Bankruptcy Code and other applicable non-bankruptcy law.

---

<sup>1</sup> The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are: CIS Treasury, LLC (8509) and Cleveland Integrity Services, Inc. (9258). The Debtors’ service address is: 370690 East Old Highway 64, Cleveland, Oklahoma 74020.

These Global Notes are in addition to any specific notes contained in each Debtor's respective Schedules or Statements. Disclosure of information in one or more Schedules or Statements, or one or more exhibits or attachments to the Schedules or Statements, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedules, Statements, exhibits, or attachments.

1. ***"As Of" Information Date.*** To the best of the Debtor's knowledge, the information provided herein represents the asset and liability data of the Debtors as of January 29, 2023 (the "Petition Date"), except as otherwise noted. Amounts ultimately realized may vary from net book value (or the applicable value ascribed herein) and such variance may be material. Accordingly, the Debtors reserve all of their rights to amend or adjust the value of each asset set forth herein. In addition, the amounts shown for total liabilities exclude items identified as "unknown," "disputed," "contingent," "unliquidated," or "undetermined," and thus, ultimate liabilities may differ materially from those stated in the Schedules and Statements.
2. ***Basis of Presentation.*** Information contained in the Schedules and Statement has been derived from the information provided by the Debtors' management. The Schedules and Statement have not been subject to procedures that would typically be applied to financial statements prepared in accordance with Generally Accepted Accounting Principles ("GAAP") and are not intended to reconcile fully with any financial statements prepared under GAAP. Therefore, combining the assets and liabilities set forth in the Schedules and Statement would result in amounts that are substantially different from financial information that would be prepared under GAAP. To the extent that a Debtor shows more assets than liabilities, this is not an admission that the Debtor was solvent as of the Petition Date or at any time before the Petition Date. Likewise, to the extent a Debtor shows more liabilities than assets, this is not an admission that the Debtor was insolvent at the Petition Date or any time before the Petition Date. For the avoidance of doubt, nothing contained in the Schedules and Statement is indicative of the Debtors' enterprise value.
3. ***Causes of Action.*** Despite reasonable efforts to identify all known assets, the Debtors may not have listed all of causes of action or potential causes of action against third parties as assets in the Schedules and Statements, including causes of action that are required to be kept confidential and causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. The Debtors reserve all rights with respect to any causes of action (including avoidance actions), controversy, right of setoff, cross claim, counterclaim, or recoupment and any claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, at law or in equity (collectively, "Causes of Action"), and nothing herein shall be deemed a waiver of any such rights, claims or Causes of Action or the assertion thereof.

4. **Book Value.** Except as otherwise indicated, the Debtors, along with their proposed financial advisors, have made a good faith effort to list assets and liabilities based on book values as of the latest close of books and records or, where possible, through the Petition Date.
5. **Classifications.** Listing (a) a claim on Schedule D as “secured,” (b) a claim on Schedule E/F as “priority,” or (c) a claim on Schedule E/F as “unsecured,” or omitting a contract or lease from Schedule G, does not constitute an admission by the Debtors of the legal rights of the claimant or a waiver of the Debtors’ rights to recharacterize or reclassify such claims or contracts or to setoff of such claims.
6. **Court Orders.** Pursuant to certain orders of the Bankruptcy Court entered in these chapter 11 cases (the “First Day Orders”), the Debtors were authorized (but not directed) to pay, among other things, certain of the Debtors’ ordinary course operational costs and employee compensation. Accordingly, certain liabilities may have been or may be satisfied in accordance with such First Day Orders and therefore, generally are not listed in the Schedules and Statements. Regardless of whether such claims are listed in the Schedules and Statements, to the extent such claims are paid pursuant to any order of the Bankruptcy Court (including the First Day Orders), the Debtors reserve all rights to amend, supplement, or otherwise modify the Schedules and Statements as is necessary or appropriate.
7. **Liabilities.** The Debtors have sought to allocate liabilities between the prepetition and postpetition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and postpetition periods may change. The Debtors reserve the right to amend, supplement, or otherwise modify the Schedules and Statements as they deem appropriate in this regard.
8. **Excluded Assets and Liabilities.** The Debtors, along with their proposed financial advisors, may have excluded certain immaterial or *de minimis* assets and liabilities.
9. **Property Rights.** Exclusion of certain property from the Schedules and Statement shall not be construed as an admission that such property rights have been abandoned, terminated, assigned, expired by terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain property shall not be construed to be an admission that such property rights have not been abandoned, have not been terminated or otherwise expired by terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction.
10. **Estimates.** To prepare and file the Schedules and Statements in accordance with the deadline established in these chapter 11 cases, the Debtors were required to make certain estimates and assumptions that affected the inclusion and/or reported amounts of these assets and liabilities. The Debtors reserve all rights to amend, supplement, or otherwise modify the reported amounts of assets and liabilities to reflect changes in those estimates or assumptions.

11. **Fiscal Year.** Each Debtor's fiscal year ends on December 31.
12. **Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars. Currency conversions are generally as of the Petition Date.
13. **Executory Contracts.** Although the Debtors have made diligent attempts to properly identify executory contracts and unexpired leases, the inclusion of a contract or lease on Schedule G does not constitute an admission as to the executory or unexpired nature (or non-executory or expired nature) of the contract or lease, or an admission as to the existence or validity of any Claims held by the any counterparty to such contract or lease. Furthermore, while the Debtors have made diligent attempts to properly identify all executory contracts and unexpired leases, inadvertent errors, omissions, or over inclusion may have occurred.
14. **Totals.** All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown, disputed, contingent, unliquidated, or otherwise Undetermined Amounts, the actual total may be different from the listed total.
15. **Unliquidated Claim Amounts.** Claim amounts that could not be quantified by the Debtors are scheduled as "unliquidated."
16. **Undetermined Amounts.** The description of an amount as "unknown," "disputed," "contingent," "unliquidated," or "undetermined" is not intended to reflect upon the materiality of such amount.
17. **Liens.** Property and equipment listed in the Schedules and Statements are presented without consideration of any liens that may attach (or have attached) to such property and equipment.
18. **Global Notes Control.** In the event that the Schedules and Statements differ from these Global Notes, the Global Notes shall control.

#### **Specific Disclosures with Respect to the Debtors' Schedules**

19. **Schedule A/B Question 15:** For purposes of these Schedules, the Debtors have listed an Undetermined Amount for the value of the equity interests of CIS Treasury, LLC. Nothing in these Schedules is an admission by or conclusion of the Debtors regarding the value of such subsidiary interests, which, under certain fair market or enterprise valuation analyses, may have value.
20. **Schedule A/B Question 77:** For purposes of these Schedules, the Debtors have listed an Undetermined Amount for the value of intercompany receivables due from non-debtor affiliates Applied Consultants, Inc., Eagle Infrastructure Services, Inc. and FR Arsenal Holdings II Corp. The Debtors' books and records reflect amounts due to and from several non-debtor affiliates. However, such amounts have not yet been reconciled. The Debtors believe that, upon completion of a reconciliation of these balances, the actual amounts due to and from non-debtor affiliates will be nominal or zero. Nothing in these Schedules is

intended to be an admission by or conclusion of the Debtors regarding the value of such intercompany balances.

21. ***Schedule D:*** The Debtors made reasonable, good faith efforts to include all liens on Schedule D, but may have inadvertently omitted an existing lien because of, among other things, the possibility that a lien may have been imposed after Uniform Commercial Code searches were performed or a vendor may not have filed the requisite perfection documentation. Moreover, the Debtors have not included on Schedule D parties that may believe their claims are secured through setoff rights or inchoate statutory lien rights.

Multiple parties hold a portion of the debt included in the Debtors' prepetition senior secured notes, and all known parties have been listed for purposes of Schedule D. The amount reflected as outstanding is the approximate principal amount as of the Petition Date.

22. ***Schedule E/F, Part 1: Creditors Holding Priority Unsecured Claims.*** The listing of any claim on Schedule E/F does not constitute an admission by the Debtors that such claim is entitled to priority treatment under section 507 of the Bankruptcy Code. The Debtors reserve all of their rights to dispute the amount and the priority status of any claim on any basis at any time. All claims listed on the Debtors' Schedule E/F are claims arising from tax obligations for which the Debtors may potentially be liable, and which may be subject to ongoing audits or other proceedings.

23. ***Schedule E/F, Part 2: Creditors Holding Non-Priority Unsecured Claims.***

The claims listed in Schedule E/F arose or were incurred on various dates. In certain instances, the date on which a claim arose is an open issue of fact. Determining the date upon which each claim in Schedule E/F was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Debtors do not list a date for each claim listed on Schedule E/F.

Schedule E/F includes intercompany balances due to certain of the Debtors' affiliates. As noted above with regard to Schedule A/B Question 77, the amounts reflected in the Debtors' books and records have yet to be reconciled and, thus, are listed in Undetermined Amounts pending a final reconciliations, which the Debtors believe will result in a nominal or zero balance due to such affiliates. The Debtors reserve their rights to dispute or challenge the validity of such claims.

Certain creditors listed on Schedule F are involved in litigation and the case(s) may/may not be concluded as to the settlement of the case. The Debtors reserve its right to amend Schedule F for all settled cases at or near the time of filing, and for any supplemental claims and/or lawsuits that may have been filed prior to filing yet not served on Debtors at the time of the filing.

24. ***Schedule H.*** The Debtors have made reasonable efforts to locate and identify guaranties and other secondary liability claims (collectively, "Guaranties") in each of the executory contracts, unexpired leases, secured financings, debt instruments and other such

agreements to which a Debtor is a party. Where Guaranties have been identified, they have been included in the relevant Schedule for the Debtor providing such Guaranties. The Debtors have placed the Guaranties on Schedule H for both the primary obligor and the guarantor of the relevant obligation. Guaranties were additionally placed on Schedule D or E/F for each guarantor, except to the extent they are associated with obligations under an executory contract or unexpired lease identified on Schedule G. It is possible that certain Guaranties embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments and other such agreements may have been inadvertently omitted.

**Specific Disclosures with Respect to the Debtor's Statement**

1. **Statement 3.** Payments to the Debtors' bankruptcy professionals for work related to the bankruptcy are not included in the payments to creditors and are instead in Statement 11.
2. **Statement 4 / 30.** To the extent: (i) a person qualified as an "insider" in the year prior to the Petition Date, but later resigned their insider status or (ii) did not begin the year as an insider, but later became an insider, the Debtors have only listed those payments made while such person was defined as an insider in Statements, Part 2, Question 4. Business Payments by the Debtors to or on behalf of their respective insiders for expense reimbursements, including travel, meals and entertainment, are included in the amounts listed in Question 4. Certain of the Debtors' officers and/or directors are paid directly by the parent company and received no direct compensation from the Debtors.
3. **Statement 7.** Information is listed, to the best of the Debtors' knowledge and information, regarding current, threatened, or pending litigation involving a Debtor.
4. **Statements 22–24.** The Debtors historically have operated over a substantial period of time and may periodically have: (a) been party to judicial and administrative proceedings under environmental laws, (b) received notification from governmental units of potential liability under, or violations of, environmental laws, and (c) notified governmental units of releases of hazardous materials. The Debtors may no longer have active operations in a particular jurisdiction and may no longer have relevant records, or the records may no longer be complete or reasonably accessible or reviewable. In some cases, statutory document retention periods have passed. Further, some individuals who once possessed responsive information are no longer employed by the Debtors.
