--	--------------------------------------	---

**GLOBAL NOTES REGARDING DEBTORS' SCHEDULES OF ASSETS
AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

The Schedules of Assets and Liabilities (the “Schedules”) and the Statements of Financial Affairs (the “Statements,” and collectively with the Schedules, the “Schedules and Statements”) filed by Castex Energy 2005 Holdco, LLC (“Holdco”), Castex Energy 2005, LLC (“Castex 2005”), Castex Energy Partners, LLC (“CEP”) and Castex Offshore, Inc. (“COI” and together with Holdco, Castex 2005 and CEP, collectively referred to hereinafter as the “Debtors”), in the United States Bankruptcy Court for the Southern District of Texas, Houston Division (the “Bankruptcy Court”), were prepared pursuant to section 521 of title 11 of the United States Code and Rule 1007 of the Federal Rules of Bankruptcy Procedure by management of the Debtors and are unaudited. While Debtors’ management has made every reasonable effort to ensure that the Schedules and Statements are accurate and complete, based upon information that was available to them at the time of preparation, the subsequent receipt of information may result in material changes to the financial data and other information contained therein. The Debtors reserve the right to amend the Schedules and Statements from time to time as may be necessary or appropriate. These Global Notes regarding Debtors’ Schedules and Statements (the “Global Notes”) are incorporated by reference in, and comprise an integral part of, the Schedules and Statements, and should be referred to and reviewed in connection with any review of the Schedules and Statements.

The Schedules and Statements and Global Notes should not be relied upon by any person for information relating to current or future financial conditions, events or performance of any of the Debtors. Due to numerous unliquidated, contingent and/or disputed claims, summary statistics in the Schedules, Statements and Global Notes likely understate the Debtors’ liabilities.

1. Reservation of Rights. The Schedules and Statements are unaudited. Accordingly, although current management has made reasonable efforts to insure that the Schedules and Statements are accurate and complete based on information that was available to them at the time

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, as applicable, are: Castex Energy 2005 Holdco, LLC (6832); Castex Energy 2005, LLC (6832); Castex Energy Partners, LLC (6832); and Castex Offshore, Inc. (8432). The Debtors’ mailing address is One Memorial City Plaza, 800 Gessner Rd., Suite 925, Houston, Texas 77024.

of preparation, subsequent information or discovery may result in material changes to one or more of the Schedules and Statements; indeed, inadvertent errors, omissions or inaccuracies may exist. Moreover, because the Schedules and Statements contain unaudited information, there can be no assurance that the Schedules and Statements are wholly accurate and complete. The Debtors reserve the right to amend and/or supplement any and all of the Schedules and Statements from time to time as they deem necessary or appropriate.

2. Description of the Cases and “as of” Information Date. On February 26, 2021 (the “Petition Date”), the Debtors filed voluntary petitions for relief (the “Chapter 11 Cases”) under Chapter 11, title 11 of the United States Code, 11 U.S.C. §§ 101 *et seq.* (as amended and modified, the “Bankruptcy Code”) in the Bankruptcy Court. The Chapter 11 Cases are being jointly administered and no trustee or examiner has been appointed. The Debtors continue to operate their business as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. The “as of” information in the Schedules and Statements for all Debtors is February 26, 2021.

The Chapter 11 Cases have been procedurally consolidated for the purpose of joint administration under case number 21-30710. Unless otherwise stated, asset and liability information is as of the Petition Date. Additionally, the Debtors have made every effort to allocate liabilities between the prepetition and post-petition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available to and further research is conducted by the Debtors, the Debtors’ allocation of liabilities between prepetition and post-petition periods may change.

3. Basis of Presentation. The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles (“GAAP”).

4. Summary of Significant Reporting Policies. The following conventions were adopted by the Debtors in the preparation of the Schedules and Statements.

- a. CEP and COI. Given the circumstances surrounding the transition of contract operators, which is discussed in more detail below, the Debtors have listed the unsecured creditors with CEI and COI as appropriate based on the information available to date. The Debtors reserve the right to amend the schedules and statements to correct any errors in the attached schedules and statements.
- b. Book Value. Unless otherwise noted, each asset and liability of the Debtors is shown on the basis of the net book value of the asset or liability in accordance with the Debtors’ accounting records as of the Petition Date. Unless otherwise noted, the Schedules reflect the carrying value of the assets and liabilities as listed in the Debtors’ books and records and are not based upon any estimate of their current market values.
- c. Currency. All amounts are reflected in U.S. Dollars.
- d. Debtors’ Consolidated Cash Management System. The Debtors utilize a central and consolidated cash management system, which consists of multiple bank accounts. The Debtors manage the cash within the cash management system by

transferring funds among bank accounts as needed based on cash receipts and disbursements.

- e. Revenue and Unsecured Claims Cash Accounts. The Debtors manage multiple bank accounts. Of those multiple bank accounts, the Debtors specifically record all revenue thru the Revenue Account, which is managed by COI and placed as such in the respective Debtor's Schedules and Statements. The Debtors also control an Unsecured Claims Cash Account, which in essence, acts as a post-confirmation trust for the unsecured claims that resulted in the prior Ch. 11 bankruptcy filing that occurred on October 16, 2017 with Castex Energy Partners, L.P. and 4 affiliated debtors. Total amount in Unsecured Claims Cash Account is \$750,000 and no funds have been added or removed since inception of the account.
- f. Payments Related to Bankruptcy. The Debtors distribute payments related to bankruptcy thru the CEP bank account and as such, are reported under the CEP Debtor in the Schedules and Statements.
- g. Payments Made within 90 Days Prior to the Petition Date. Payments made by the Debtors within 90 days prior to the Petition Date reflect all payments made to vendors or creditors within 90 days regardless of which Debtor was obligated to make payment.
- h. Transfers to Insiders within 1-year. The following persons have been identified as insiders and have received payments or benefits greater than the \$6,825 threshold within one year of the Petition Date: Castex Energy Inc. ("CEI"); Castex E&P, LLC; Castex Energy 2014 LLC-Gome 1271; Castex Energy 2016, LP; Richard Sherrill; Daniel A. Gillett; Gregory L. Miller; and Speyside Partners LLC. However, inclusion on or exclusion from the Schedules or Statements is not and shall not be construed as an admission or determination as to the legal status of any insider.
- i. Officers, Directors, Managing Members, General Partners, Members in Control, Controlling Shareholders. For preparation of the Schedules and Statements, all purported board members within one year, regardless of legal status, have been included. However, inclusion on the Schedules or Statements is not and shall not be construed as an admission or determination as to the legal status of any board member.
- j. Revenue. Revenue is consolidated under Holdco due to the nature of the Debtors' business and the accounting adjustments required to consolidate CEP and COI's financial statements.
- k. Accounts Receivable. Accounts receivable are consolidated under Holdco due to the nature of the Debtors' business and the accounting adjustments required to consolidate CEP and COI's financial statements.
- l. Prepayments. Prepayments include security deposits, prepaid rent, and prepaid insurance as of Petition Date. Prepayments are subject to impairment.

- m. Real Property. On or about December 5, 2020 (the “Transition Date”), the Debtors’ prior contract operator and management company (CEI) transitioned its role to Schooner Oil and Gas LLC (“Schooner”). The transition of Debtors’ books and records from CEI to Schooner did not take place all at once; rather, Schooner received the Debtors’ books and records piecemeal over the course of several weeks following the Transition Date. Management is not certain that it has received all of the Debtors’ books and records and it has continued to request additional information from CEI to comply with its responsibilities and to respond to various parties-in-interest. In summary, it has become apparent to management that Debtors’ books and records are lacking and/or incomplete. For example, in connection with the Talos sale in August of 2020, a proper purchase price allocation has yet to be made. Due to the lack of updated books and records, the resulting real property value in the Schedules and Statements, per applicable Debtor, has been reported as “Unknown”. The total book value for all fields, after certain deductions, is reported in Exhibit A.
- n. Setoffs. The Debtors have identified a list of parties that are currently applying Debtors’ funds, without permission, against joint interest billing (“JIB”) amounts currently owed by the Debtors. The Debtors do not currently know the amount of funds being setoff by these parties. While there could be additional parties withholding and/or setting off Debtors’ revenue, management knows of two parties who are currently doing so, CEI and Fieldwood Energy LLC.
- o. Property Held for Another. As discussed above, Schooner recently inherited Debtors’ incomplete and/or inaccurate books and records. Where the Debtors operate wells pursuant to certain Joint Operating Agreements, the Debtors are obligated to make certain payments from the proceeds of the sale of oil, natural gas, and NGLs they receive to the royalty interest owners, working interest owners, and certain other parties. Upon taking over as contract operator, Schooner noticed that certain of the working interest owners’ revenue was being held in suspense by CEI for unknown reasons. Because Schooner has not yet determined the reasons for such funds being held in suspense, these amounts remain in the possession of the Debtors.
- p. All Other Assets. The Debtors have placed \$1,322,471 in All Other Assets of Holdco. This amount is comprised of an insurance premium refund (\$1,142,026) due to the Debtors and former suspense funds (\$180,445) due to the Debtors by Talos, both of which are being improperly held by CEI. In a demand letter dated January 16, 2021, CEI admitted to converting these funds on the basis of purported rights described in the letter. If an agreement with CEI is not reached regarding these funds and other outstanding issues between the parties, the Debtors plan to seek relief from the Bankruptcy Court.
- q. Causes of Action. The Debtors have not necessarily set forth all claims or causes of action against third parties as assets in the Schedules and Statements. The Debtors reserve all of their rights with respect to any such claims or causes of action

they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such claims or causes of action.

- r. Secured Claims. Secured claim amounts have been listed on Schedule D without regard to the value of assets secured thereby. No attempt was made by the Debtors to estimate the fair market value as of the Petition Date of assets pledged pursuant to a secured obligation. Accordingly, deficiency claims of secured creditors were not listed on Schedule F and such omission is not an admission by the Debtors as to the sufficiency of collateral related to any secured claim listed on Schedule D. The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements.
- s. Nonpriority Unsecured Claims. Nonpriority unsecured claims related to general trade and other non-lien claims have been consolidated and placed under Schedule F of the Holdco Debtor due to accounting eliminations and adjustments that are required to consolidate CEP and COI's financial statements. The Debtors reserve all rights to dispute or challenge the amount of any such creditor's claim (or portion thereof) or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim. While reasonable efforts have been made, determination of the date upon which each claim in Schedule F was incurred or arose would be unduly burdensome and cost prohibitive, and therefore, the Debtors may not list a date for each claim listed on Schedule F.
- t. Health, Safety & Environment ("HSE"). Certain HSE obligations of the Debtors have not been reflected in the Debtors' Schedules and Statements due to the contingent and unliquidated nature of these obligations.
- u. Executory Contracts. The business of the Debtors is complex. While every effort has been made to ensure the completeness and accuracy of the listing of executory contracts, inadvertent errors or omissions may have occurred. The Debtors hereby reserve all of their rights to dispute the validity, status, or enforceability of any contracts, agreements or leases set forth in Schedule G and to amend or supplement such Schedule as necessary. The contracts, agreements and leases listed on Schedule G may have expired, or been terminated, or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppels certificates, letters and other documents, instruments and agreements which may not be listed therein. Certain of the real property leases listed on Schedule G may contain renewal options, guarantees of payments, options to purchase, rights of first refusal, rights to lease additional space and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. Certain of the executory agreements may not have been memorialized and could be subject to dispute. The presence of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. Similarly, the absence of a

contract or agreement on Schedule G does not constitute an admission that any other contract or agreement to which the Debtors are a party is not executory. Parties to executory contracts and unexpired leases were not listed on Schedule F, except where past due amounts were recorded in the Debtors' accounts payable. The Debtors have not listed on Schedule F landlords and executory contract counter-parties which may have claims related to contract/lease rejection or other damages. The Debtors reserve all of their rights, claims and causes of action with respect to the contracts and agreements listed on the Schedules, including the right to dispute or challenge the characterization or the structure of any transaction, document, or instrument.

5. Disputed, Contingent and/or Unliquidated Claims. Schedules D, E and F permit the Debtors to designate a claim as disputed, contingent and/or unliquidated. A failure to designate a claim on any of the Schedules as disputed, contingent and/or unliquidated does not constitute an admission that such claim is not subject to objection by the Debtors. The Debtors reserve the right to dispute, or assert offsets or defenses to, any claim reflected on the Schedules as to amount, liability or status.

6. Global Notes Control. In the event that the Schedules and Statements differ from the foregoing Global Notes, the Global Notes shall control.
