FOR THE SOUTHERN DISTRICT OF TEXAS
HOUSTON DIVISION**

In re: DYNACQ HEALTHCARE, INC., <i>et al.</i>, Debtors.¹	§ § § § § §	Case No. 25-90798 Chapter 11 (Jointly Administered)
--	----------------------------	--

**GLOBAL NOTES REGARDING DEBTORS' SCHEDULES OF ASSETS
AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

The Schedules of Assets and Liabilities (the “Schedules”) and the Statements of Financial Affairs (the “Statements,” and collectively with the Schedules, the “Schedules and Statements”) filed by Dynacq Healthcare, Inc. (“Dynacq”), Vista Community Medical Center, LLP (“SSHA”), Vista Land & Equipment, LLC (“VLE”), Doctors Practice Management, Inc. (“DPM”), Surgery Specialty Clinicians, Inc. (“SSC”), Vista Hospital of Dallas, LLP (“VHD”), and Ambulatory Infusion Therapy Specialists, Inc. (“AIT” and together with Dynacq, SSHA, VLE, DPM, SSC, and VHD, collectively referred to hereinafter as the “Debtors”), in the United States Bankruptcy Court for the Southern District of Texas, Houston Division (the “Bankruptcy Court”), were prepared pursuant to section 521 of title 11 of the United States Code and Rule 1007 of the Federal Rules of Bankruptcy Procedure by management of the Debtors and are unaudited. While Debtors’ management has made every reasonable effort to ensure that the Schedules and Statements are accurate and complete, based upon information that was available to them at the time of preparation, the subsequent receipt of information may result in material changes to the financial data and other information contained therein. The Debtors reserve the right to amend the Schedules and Statements from time to time as may be necessary or appropriate. These Global Notes regarding Debtors’ Schedules and Statements (the “Global Notes”) are incorporated by reference in, and comprise an integral part of, the Schedules and Statements, and should be referred to and reviewed in connection with any review of the Schedules and Statements.

The Schedules and Statements and Global Notes should not be relied upon by any person for information relating to current or future financial conditions, events or performance of any of the Debtors. Due to numerous unliquidated, contingent and/or disputed claims, summary statistics in the Schedules, Statements and Global Notes likely understate the Debtors’ liabilities.

1. Reservation of Rights. The Schedules and Statements are unaudited. Accordingly, although current management has made reasonable efforts to ensure that the Schedules and Statements are accurate and complete based on information that was available to them at the time

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number are: Dynacq Healthcare, Inc. [5477]; Vista Community Medical Center, L.L.P. [0805]; Vista Land & Equipment, L.L.C.[2625]; Doctors Practice Management, Inc. [5545]; Surgery Specialty Clinicians, Inc. [9216]; Vista Hospital of Dallas, L.L.P. [3122]; and, Ambulatory Infusion Therapy Specialists, Inc. [7422].

of preparation, subsequent information or discovery may result in material changes to one or more of the Schedules and Statements; indeed, inadvertent errors, omissions or inaccuracies may exist. Moreover, because the Schedules and Statements contain unaudited information, there can be no assurance that the Schedules and Statements are wholly accurate and complete. The Debtors reserve the right to amend and/or supplement any and all of the Schedules and Statements from time to time as they deem necessary or appropriate.

2. Description of the Cases and “as of” Information Date. On December 8, 2025 (the “Petition Date”), the Debtors filed voluntary petitions for relief (the “Chapter 11 Cases”) under Chapter 11, title 11 of the United States Code, 11 U.S.C. §§ 101 *et seq.* (as amended and modified, the “Bankruptcy Code”) in the Bankruptcy Court. The Chapter 11 Cases are being jointly administered and no trustee or examiner has been appointed. The Debtors continue to operate their business as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. Except as otherwise noted, the asset totals represent amounts as of December 8, 2025, and liability information provided herein represents the Debtors’ liabilities as of December 8, 2025. The Chapter 11 Cases have been procedurally consolidated for the purpose of joint administration by the Bankruptcy Court under Case No. 25-90522. Unless otherwise stated, asset and liability information is as of December 8, 2025. Additionally, the Debtors have made every effort to allocate liabilities between the pre-petition and post-petition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available to and further research is conducted by the Debtors, the Debtors’ allocation of liabilities between prepetition and post-petition periods may change.

3. Basis of Presentation. The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles (“GAAP”).

4. Summary of Significant Reporting Policies. The following conventions were adopted by the Debtors in the preparation of the Schedules and Statements.

- a. Book Value. Unless otherwise indicated herein or in the Schedules and Statements, each asset and liability of the Debtors is shown on the basis of the net book value of the asset or liability in accordance with the Debtors’ accounting records as of the Petition Date. Where DD&A schedules are not available, the asset is shown on the basis of book value. Unless otherwise noted, the Schedules reflect the carrying value of the assets and liabilities as listed in the Debtors’ books and records and are not based upon any estimate of their current market values.
- b. Currency. All amounts are reflected in U.S. Dollars.
- c. Debtors’ Consolidated Cash Management System. The Debtors utilize a sophisticated cash management system (the “Cash Management System”). The Cash Management System allows the Debtors to efficiently manage their cash receipts, transfers, and disbursements through routine deposits, withdrawals, and fund transfers to, from, and between six (6) pre-petition bank accounts and four (4) post-petition DIP Accounts (collectively, the “Accounts”). Specifically, the Debtors maintain six (6) pre-petition Accounts at Capital Bank of Texas (“Capital

Bank”) and four (4) DIP Accounts at East West Bank (“EWB” and collectively with Capital Bank, the “Banks”). The cash, depository, and bank account balances presented in Schedule A/B, Part 1 are as of December 8, 2025 for the Accounts at Capital Bank.

- d. Payments Made within 90 Days Prior to the Petition Date. Payments made by the Debtors within 90 days prior to the Petition Date reflect all payments made to vendors or creditors within 90 days regardless of which Debtor was obligated to make payment.
- e. Transfers to Insiders within 1-year. The following persons have been identified as insiders and have received payments or benefits greater than the \$6,825 threshold within one year of the Petition Date: Eric Chan, Hemant Khemka, Redwood Health Corporation, Anesthesia Associates of Houston, and Danel Monroe. However, inclusion on or exclusion from the Schedules or Statements is not and shall not be construed as an admission or determination as to the legal status of any insider.
- f. Certain Losses. As described in more detail in the Declaration of Dr. Eric Chan (Docket No. 22), the Debtors’ facility was vandalized, and all copper wiring was stripped from the building. The repairs are ongoing, and at this time, the Debtors are unable to determine the precise value of the property lost and the amounts of any payments received in connection with the loss. As the repair process continues, the Debtors will provide additional information regarding these amounts.
- g. Officers, Directors, Managing Members, General Partners, Members in Control, Controlling Shareholders. For preparation of the Schedules and Statements, all purported officers, directors, managing members, general partners, members in control, and controlling shareholders within one year of the Petition Date, regardless of legal status, have been included. However, inclusion on the Schedules or Statements is not and shall not be construed as an admission or determination as to the legal status of any board member.
- h. Accounts Receivable. Accounts receivable consists primarily of amounts billed to third-party insurance companies for patient care services and procedures provided by the hospital.
- i. Setoffs. The Debtors have not identified a list of parties that are currently applying Debtors’ funds, without permission, against amounts currently owed by the Debtors.
- j. Schedule A/B 38-53. All furniture and equipment owned as of the Petition Date may not be listed. Due to the large number of items comprising the Debtors’ furniture, fixtures, and equipment, as well as the difficulty of listing out every one of these assets, certain items are listed as group line items by category. The Debtors may lease furniture, fixtures, and equipment from certain third-party lessors. Any such leases are set forth in the Schedules and Statements. Nothing in the Schedules and Statements is or shall be construed to be an admission regarding the legal status

of any lease (including whether any lease is a true lease or financing agreement), and the Debtors reserve all of their rights with respect to the same.

- k. Real Property. Leasehold improvements, easement improvements, and major repairs are listed on Schedule A/B, Part 9. The Debtors reserve all of their rights to re-categorize and/or re-characterize such asset holdings to the extent the Debtors determine that such holdings were improperly listed.
- l. Causes of Action. The Debtors have not necessarily set forth all claims or causes of action against third parties as assets in the Schedules and Statements. The Debtors reserve all of their rights with respect to any such claims or causes of action they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such claims or causes of action.
- m. Secured Claims. Secured claim amounts have been listed on Schedule D without regard to the value of assets secured thereby. No attempt was made by the Debtors to estimate the fair market value as of the Petition Date of assets pledged pursuant to a secured obligation. Accordingly, deficiency claims of secured creditors were not listed on Schedule F and such omission is not an admission by the Debtors as to the sufficiency of collateral related to any secured claim listed on Schedule D. The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements.
- n. Priority Unsecured Claims. Priority unsecured claims related to taxes, certain debts owed to the government, wages, salaries, and commissions, and other non-lien claims have been placed under Schedule E of the applicable Debtor. The Debtors reserve all rights to dispute or challenge the amount of any such creditor's claim (or portion thereof) or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim.
- o. Nonpriority Unsecured Claims. Nonpriority unsecured claims related to general trade and other non-lien claims have been placed under Schedule F of the applicable Debtor. Numerous refund claimants have been designated as contingent, unliquidated, and disputed as the Debtors have been engaged in litigation in Texas due to long running stop-loss litigation. Furthermore, certain prepetition amounts owing to counterparties to executory contracts and unexpired leases are included, however, such prepetition amounts may be paid in connection with the assumption or assumption and assignment of an executory contract or unexpired lease. The Debtors reserve all rights to dispute or challenge the amount of any such creditor's claim (or portion thereof) or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim. While reasonable efforts have been made, determination of the date upon which each claim in Schedule F was incurred or arose would be unduly burdensome and cost

prohibitive, and therefore, the Debtors may not list a date for each claim listed on Schedule F.

- p. Executory Contracts. The business of the Debtors is complex. While every effort has been made to ensure the completeness and accuracy of the listing of executory contracts, inadvertent errors or omissions may have occurred. The Debtors hereby reserve all of their rights to dispute the validity, status, or enforceability of any contracts, agreements or leases set forth in Schedule G and to amend or supplement such Schedule as necessary. The contracts, agreements and leases listed on Schedule G may have expired, or been terminated, or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppels certificates, letters and other documents, instruments and agreements which may not be listed therein. Certain of the real property leases listed on Schedule G may contain renewal options, guarantees of payments, options to purchase, rights of first refusal, rights to lease additional space and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. Certain of the executory agreements may not have been memorialized and could be subject to dispute. The presence of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. Similarly, the absence of a contract or agreement on Schedule G does not constitute an admission that any other contract or agreement to which the Debtors are a party is not executory. Parties to executory contracts and unexpired leases were not listed on Schedule F, except where past due amounts were recorded in the Debtors' accounts payable. The Debtors have not listed on Schedule F landlords and executory contract counterparties which may have claims related to contract/lease rejection or other damages. The Debtors reserve all of their rights, claims and causes of action with respect to the contracts and agreements listed on the Schedules, including the right to dispute or challenge the characterization or the structure of any transaction, document, or instrument.

5. Disputed, Contingent and/or Unliquidated Claims. Schedules D, E and F permit the Debtors to designate a claim as disputed, contingent and/or unliquidated. It became apparent to the Debtors' professionals that the Debtors' books and records are lacking and/or incomplete. Due to the condition of the Debtors' historical books and records, the amounts reflected on Schedules D, E, and F are based on information currently available to the Debtors and have been designated as unliquidated, where applicable. The Debtors and their professionals intend to reconcile the listed amounts with the applicable creditors and amend this Schedule, as appropriate. A failure to designate a claim on any of the Schedules as disputed, contingent and/or unliquidated does not constitute an admission that such claim is not subject to objection by the Debtors. The Debtors reserve the right to dispute, or assert offsets or defenses to, any claim reflected on the Schedules as to amount, liability or status.

6. Global Notes Control. In the event that the Schedules and Statements differ from the foregoing Global Notes, the Global Notes shall control.
