Case No. 22-10320 (JTD)

**GLOBAL NOTES, METHODOLOGY AND SPECIFIC DISCLOSURES
REGARDING THE DEBTOR'S SCHEDULES OF ASSETS AND LIABILITIES,
SCHEDULES OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES
AND STATEMENTS OF FINANCIAL AFFAIRS**

Introduction

On April 11, 2022 (the “**Petition Date**”), Ector County Energy Center LLC (the “**Debtor**”) filed a voluntary petition for relief under chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”) in the above captioned chapter 11 case (the “**Chapter 11 Case**”).

On the date hereof, pursuant to the requirements of Bankruptcy Code Section 521 and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”), the Debtor, with the assistance of its advisors, filed its Schedules of Assets and Liabilities (the “**Schedules**”) and Statement of Financial Affairs (the “**SOFA**”) with the United States Bankruptcy Court for the District of Delaware (the “**Bankruptcy Court**”).

These Global Notes, Methodology, and Specific Disclosures Regarding the Debtor’s Schedules and SOFA (the “**Global Notes**”) pertain to, are incorporated by reference in and comprise an integral part of each of the Schedules and SOFA. The Global Notes should be referred to and reviewed in their entirety in connection with any review of the Schedules and SOFA.

The Debtor prepares its financial statements and keeps its books and records in the ordinary course of business. In preparing the Schedules and SOFA, the Debtor has used its best efforts to report the assets and liabilities of the Debtor as required by the Bankruptcy Code and the Bankruptcy Rules. The Schedules and SOFA contain unaudited information that is subject to further review and potential material adjustment. The Schedules and SOFA do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States (“**GAAP**”), nor are they intended to be fully reconciled with the

financial statements of the Debtor. The Debtor and its agents, attorneys and financial advisors do not guarantee or warrant the accuracy or completeness of the data that is provided herein and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating or delivering the information contained herein.

John D. Baumgartner, Chief Restructuring Officer, signed each of the Schedules and the SOFA. Mr. Baumgartner is an officer or authorized signatory for the Debtor. In reviewing and signing the Schedules and SOFA, Mr. Baumgartner relied upon the efforts, statements and representations of various personnel who manage the Debtor's books and records, as well as professionals employed by the Debtor.² Mr. Baumgartner has not (and could not have) personally verified the accuracy of each and every statement and representation contained in the Schedules and SOFA, including statements and representations concerning amounts owed to creditors.

In preparing the Schedules and SOFA, the Debtor relied upon financial data and information derived from its books and records that was available at the time of such preparation. Although the Debtor has made reasonable efforts to ensure the accuracy and completeness of such financial information, inadvertent errors or omissions, as well as the discovery of conflicting, revised or subsequent information, may cause a material change to the Schedules and SOFA. Accordingly, the Debtor reserves all of its rights to amend, supplement or otherwise modify the Schedules and SOFA as is necessary and appropriate from time to time.

Global Notes and Overview of Methodology

1. **Reservation of Rights.** While reasonable best efforts have been made to provide accurate and complete information herein, errors or omissions may exist. The Debtor reserves all rights to (i) amend or supplement the Schedules and SOFA from time to time, in all respects, as may be necessary or appropriate, including, without limitation, the right to amend the Schedules and SOFA with respect to claim description, designation, or Debtor against which the claim is asserted, (ii) dispute or otherwise assert offsets or defenses to any claim reflected in the Schedules and SOFA as to amount, liability, priority, status or classification, (iii) subsequently designate any claim as "disputed," "contingent," or "unliquidated," or object to the extent, validity, enforceability, priority or avoidability of any claim. Any failure to designate a claim in the Schedules and SOFA as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtor that such claim or amount is not "disputed," "contingent," or "unliquidated." Listing a claim does not constitute an admission of liability by the Debtor against which the claim is listed or against the Debtor. Nothing contained in the Schedules and SOFA shall constitute a waiver of the Debtor's rights or an admission with respect to its Chapter 11 Case, including, without limitation, any issues involving substantive consolidation, equitable subordination, defenses and/or causes of action arising under the provisions of Chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws.

² The Debtor does not have any employees. The Debtor has a contract with an affiliate to provide administrative and management services including maintenance of the Debtor's books and records.

2. **Description of Cases.** On the Petition Date, the Debtor filed voluntary petitions for relief under Chapter 11 of the Bankruptcy Code. The Debtor is operating its business and managing its property as debtor in possession pursuant to Bankruptcy Code Sections 1107(a) and 1108. No trustee or examiner has been requested in this Chapter 11 Case, and the United States Trustee for the District of Delaware has not appointed an official committee of unsecured creditors.
3. **Net Book Value of Assets.** It would be prohibitively expensive, unduly burdensome and an inefficient use of estate assets for the Debtor to obtain current market valuations for all of its assets. Accordingly, unless otherwise indicated, the Schedules and SOFA reflect net book values as of April 1, 2022. Book values of assets prepared in accordance with GAAP generally do not reflect the current performance of the assets or the impact of the commodity price environment and may differ materially from the actual value and/or performance of the underlying assets. As such, the values listed in these Schedules and SOFA should not be, and were not, used to determine the Debtor's enterprise valuation.
4. **Property Rights** - Exclusion of certain property from the Schedules and SOFA shall not be construed as an admission that such property rights have been abandoned, terminated, assigned, expired by their terms or otherwise transferred pursuant to a sale, acquisition or other transaction. Conversely, inclusion of certain property in the Schedules and SOFA shall not be construed as an admission that such property rights have not been abandoned, terminated, assigned, expired by their terms or otherwise transferred pursuant to a sale, acquisition or other transaction.
5. **Recharacterization.** Notwithstanding the Debtor's reasonable best efforts to properly characterize, classify, categorize or designate certain claims, assets, executory contracts, unexpired leases and other items reported in the Schedules and SOFA, the Debtor may nevertheless have improperly characterized, classified, categorized, designated or omitted certain items. Accordingly, the Debtor reserves all of its rights to recharacterize, reclassify, recategorize, redesignate, add or delete items reported in the Schedules and SOFA at a later time as is necessary and appropriate, as additional information becomes available. Disclosure of information in one or more Schedules, one or more SOFA, or one or more exhibits or attachments to the Schedules or SOFA, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedules, SOFA, exhibits, or attachments.
6. **Liabilities.** The Debtor allocated liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and SOFA. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and postpetition periods may change. Accordingly, the Debtor reserves all of its rights to amend, supplement, or otherwise modify the Schedules and SOFA as is necessary and appropriate.

Although there are multiple Lenders under the Debtor's prepetition debt facility, only the Agent has been listed on Schedules.

The liabilities listed on the Schedules do not reflect any analysis of claims under Bankruptcy Code Section 503(b)(9). Accordingly, the Debtor reserves all of its rights to dispute or challenge the validity of any asserted claims under Section 503(b)(9) or the characterization of the structure of any such transaction or any document or instrument related to any creditor's claim.

7. **Excluded Assets and Liabilities.** The Debtor has excluded rejection damage claims of counterparties to executory contracts, if any, and unexpired leases that may or may not be rejected, to the extent such damage claims exist. In addition, certain immaterial assets and liabilities may have been excluded.
8. **Insiders.** For purposes of the Schedules and SOFA, the Debtor defines "insiders" to include the following: (a) directors; (b) senior officers; (c) relatives of the Debtor's directors and senior officers; (d) affiliates of the Debtor; and (e) non-Debtor shareholders that hold in excess of 5% of the voting shares of the Debtor; and (f) non-Debtor shareholders that hold in excess of 5% of the voting shares of any of the Debtor to the extent they are controlled by a director or senior officer.

Persons listed as "insiders" have been included for informational purposes only. The Debtor does not take any position with respect to: (a) such person's influence over the control of the Debtor; (b) the management responsibilities or functions of such individual; (c) the decision-making or corporate authority of such individual; or (d) whether such individual could successfully argue that he or she is not an "insider" under applicable law, including the federal securities laws, or with respect to any theories of liability or for any other purpose.

9. **Intellectual Property Rights.** Exclusion of certain intellectual property shall not be construed as an admission that such intellectual property rights have been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction.
10. **Executory Contracts.** Although the Debtor has made diligent attempts to attribute an executory contract to its rightful party, in certain instances, the Debtor may have inadvertently failed to do so due to the complexity and size of the Debtor's businesses. Accordingly, the Debtor reserves all of its rights with respect to the named parties of any and all executory contracts, including the right to amend Schedule G.
11. **Classifications.** Listing (i) a claim on (a) Schedule D as "secured," (b) Schedule E as "priority," or (c) Schedule F as "unsecured" or (ii) a contract or lease on Schedule G as "executory" or "unexpired," does not constitute an admission by the Debtor of the legal rights of the potential claimant or a waiver of the Debtor's rights to object to, challenge the validity of, recharacterize, or reclassify such claims or contracts or to setoff of such claims.
12. **Claims Description.** Schedules D, E, and F permit the Debtor to designate a claim as "contingent," "unliquidated," and/or "disputed." Any failure to designate a claim on a given Debtor's Schedules as "contingent," "unliquidated," and/or "disputed" does not constitute an admission by the Debtor that such amount is not "contingent," "unliquidated,"

and/or “disputed,” or that such claim is not subject to objection. The Debtor reserves all of its rights to dispute, or assert offsets or defenses to, any claim reflected on the Schedules and SOFA on any grounds, including liability or classification. Additionally, the Debtor expressly reserves all of its rights to subsequently designate such claims as “contingent,” “unliquidated,” and/or “disputed.” Moreover, listing a claim does not constitute an admission of liability by the Debtor.

13. **Causes of Action.** Despite reasonable efforts, the Debtor may not have identified and/or set forth all of its existing or potential causes of action against third parties as assets in the Schedules and SOFA. The Debtor reserves all of its rights with respect to any causes of action against third parties and nothing in the Schedules or SOFA shall be deemed a waiver of any such causes of action.
14. **Summary of Significant** Reporting Policies. The following is a summary of significant reporting policies:
 - a. Unknown Amounts. The description of an amount as “unknown” or “undetermined” is not intended to reflect upon the materiality of such amount.
 - b. Totals. All totals that are included in the Schedules and SOFA represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total.
 - c. Liens. Property and equipment listed in the Schedules are presented without consideration of any liens that may attach (or have attached) to such property and equipment.
15. **Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars.
16. **Intercompany Payables and Receivables.** Intercompany payables and receivables between the Debtor are set forth on Schedule E/F or Schedule A/B, as applicable. The listing by the Debtor of any account between a Debtor and an affiliate is a statement of what appears in the Debtor’s books and records and does not reflect any admission or conclusion of the Debtor regarding the allowance, classification, characterization, validity, or priority of such account. The Debtor takes no position in these Schedules and SOFA as to whether such accounts would be allowed as a claim, an interest, or not allowed at all. The Debtor and all parties in interest reserve all rights with respect to such accounts.
17. **Setoffs.** The Debtor incurs certain offsets and other similar rights in the ordinary course of business. Offsets in the ordinary course can result from various items, including, without limitation, intercompany transactions, pricing discrepancies, overpayments, returns, warranties, and other disputes between the Debtor and its suppliers and vendors. These offsets and other similar rights are consistent with the ordinary course of business in the Debtor’s industry and are not tracked separately. Therefore, although such offsets and other similar rights may have been accounted for when certain amounts were included in the Schedules, offsets are not independently accounted for, and as such, are excluded from the Schedules.

18. **Confidentiality.** In certain instances, the sensitivity of certain information may require its omission from the Schedules and SOFA. To the extent possible, the alterations, redactions, consolidations, and omissions have been limited to the extent determined by the Debtor to be necessary or appropriate to protect the Debtor or third parties while also providing interested parties with sufficient information in response to the Schedules and SOFA.
19. **Global Notes Control.** In the event that the Schedules and SOFA conflict with the foregoing Global Notes, the Global Notes shall control.

Specific Disclosures with Respect to the Debtor's Schedules

Schedules Summary. Except as otherwise noted, the asset and liability information provided herein represents the Debtor's data regarding its assets and liabilities as of the close of business on the Petition Date.

The Schedules do not purport to represent financial statements prepared in accordance with GAAP, nor are they intended to be fully reconciled with the financial statements of the Debtor. Additionally, the Schedules contain unaudited information that is subject to further review and potential adjustment and reflect the Debtor's reasonable best efforts to report the assets and liabilities of the Debtor. To the extent the Debtor shows more liabilities than assets, this is not an admission that the Debtor was insolvent as of the Petition Date or at any time before the Petition Date.

Schedule A/B3. The balances of the financial accounts listed on Schedule A/B3 are as of April 11, 2022.

Schedule A/B39 - A/B41. For purposes of Schedules A/B39 - A/B41, the value of certain assets may be included in a group of assets.

Schedule A/B55. Historically, the Debtor has not had any reason to determine whether the plant equipment, turbines, and other property located at the facility constitute real or personal property. In addition, the Debtor does not maintain a current market valuation of such property. Accordingly, such property is listed solely in an effort to comply with the requirements of Official Form 206. The Debtor does not take a position as to the current market value, or the classification or characterization of such property as either real or personal property and reserve all of its rights with respect to the current market value, classification, and characterization of such property.

Schedule A/B75. In the ordinary course of business, the Debtor may have accrued, or may subsequently accrue, certain rights to causes of action, counterclaims, setoffs, or refunds with its contract counterparties, suppliers or vendors or potential warranty claims against their suppliers or vendors other than as listed on Schedules A/B. As of the Petition Date, either no such rights were known to the Debtor or, if known, such rights were not quantifiable. Accordingly, no such rights have been reported on Schedule A/B75. The Debtor reserves all of its rights with respect to such potential causes of action, counterclaims, setoffs, refunds and claims, including the right to amend Schedule A/B75.

Schedule D. All claims listed on Schedule D appear to have arisen or have been incurred before the Petition Date.

Except as otherwise agreed pursuant to a stipulation or order entered by the Bankruptcy Court, the Debtor reserves its rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset of a secured creditor listed on Schedule D of the Debtor. Moreover, although the Debtor has scheduled claims of various creditors as secured claims, the Debtor reserves all of its rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim. The descriptions provided in Schedule D are solely intended to be a summary - and not an admission- of liability.

The claim amounts listed reflect approximate amounts as of the Petition Date.

Schedule E/F. The Bankruptcy Court has authorized the Debtor to pay, in its discretion, certain outstanding claims on a postpetition basis. The Debtor's Schedule E/F may reflect its payment of certain Claims pursuant to these orders, and, to the extent an unsecured Claim has been paid or may be paid it is possible such Claim is not included on Schedule E/F. The Debtor may pay additional Claims listed on Schedule F during these Chapter 11 Cases pursuant to orders of the Bankruptcy Court and reserves all of its rights to amend or supplement Schedule E/F or take other action as is necessary or appropriate to avoid over-payment of, or duplicate payments for, any such liabilities.

The Debtor has used its best efforts to report all prepetition general unsecured claims against the Debtor on Schedule E/F based upon the Debtor's existing books and records as of April 11, 2022, except as otherwise noted herein. The claims of individual creditors for, among other things, various services may not reflect credits or allowances due from such creditors to the Debtor. Schedule E/F may not reflect any payments actually made by the Debtor on April 11, 2022 prior to the filing of the Debtor's voluntary petitions for relief under the Bankruptcy Code. Schedule E/F may not reflect invoices received by the Debtor after April 11, 2022 on account of prepetition goods and services. The Debtor reserves all of its rights with respect to any credits and allowances, including the right to assert objections and/or setoffs with respect to same.

The Claims listed on Schedule E/F arose or were incurred on various dates. Determining the date upon which each Claim in Schedule E/F was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Debtor does not list a date for each Claim listed on Schedule E/F.

Schedule E/F does not include certain deferred charges, deferred liabilities, accruals, or general reserves. While not listed on Schedule E/F, such amounts are, reflected on the Debtor's books and records to the extent required in accordance with GAAP. Such accruals are general estimates of liabilities and do not represent specific claims as of the Petition Date.

To the extent they are known, Schedule E/F reflects the prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption or the assumption and assignment of an executory contract or unexpired lease. Additionally, Schedule E/F does not include potential rejection damage claims, if any, of the counterparties to executory contracts and unexpired leases that may be rejected.

Schedule G. Although the Debtor's existing books, records and financial systems have been relied upon to identify and schedule executory contracts and unexpired leases the Debtor and diligent efforts have been made to ensure the accuracy of each Debtor's Schedule G, inadvertent errors, omissions, or over-inclusion may have occurred. Certain information, such as the contact information of the counterparty, may not be included where such information could not be obtained using the Debtor's reasonable efforts.

Listing a contract or lease on Schedule G does not constitute an admission by the Debtor as to the validity or enforceability of any such contract or lease, an admission that such contract is an executory contract or unexpired lease or an admission that such contract or lease was in effect on the Petition Date. The Debtor hereby reserves all of its rights to dispute the validity, status, or enforceability of any contracts, leases, or other agreements set forth on Schedule G and to amend or supplement Schedule G as necessary. Certain of the contracts and leases listed on Schedule G may contain certain renewal options, guarantees of payment, indemnifications, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties, and obligations are not set forth separately on Schedule G.

Omission of a contract or lease from Schedule G does not constitute an admission that such omitted contract or lease is not an executory contract or unexpired lease. The Debtor's rights under the Bankruptcy Code with respect to any such omitted contracts or leases are not waived by the omission and are hereby reserved in full.

Certain of the contracts and leases listed on Schedule G may consist of several parts, including purchase orders, amendments, restatements, waivers, letters, and other documents that may not be listed on Schedule G or that may be listed as a single entry. The Debtor expressly reserves its rights to challenge whether such related materials constitute an executory contract or unexpired lease, a single contract or lease, or multiple, severable, or separate contracts or leases.

The contracts and leases listed on Schedule G may have expired or may have been modified, amended or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda, and other documents, instruments, and agreements that may not be listed therein despite the Debtor's use of reasonable efforts to identify such documents. In some cases, the same counterparty appears multiple times on Schedule G. This multiple listing is intended to reflect distinct agreements between the applicable Debtor and such counterparty, but is not a waiver of any rights or defenses of the Debtor.

The Debtor reserves all of its rights, claims, and causes of action with respect to the contracts and leases on Schedule G, including the right to dispute or challenge the characterization of the structure of any transaction or any document or instrument related to a creditor's claim.

Schedule G does not include non-disclosure agreements executed in connection with business transactions prior to the Petition Date, joint defense agreements, or engagement letters with the Debtor's professionals. The Debtor's insurance policies have been listed as assets in Schedule A/B and not as executory contracts, due to the uncertainty in the law regarding whether insurance policies are indeed "executory contracts" for purposes of Section 365 of the Bankruptcy Code. The Debtor reserves all of its rights with respect to any agreements that are not included on Schedule

G. Certain agreements may not have been memorialized and could be subject to dispute. Agreements that are oral in nature have not been included on Schedule G.

Although the Debtor made diligent attempts to attribute an executory contract or unexpired lease to its rightful Debtor, in certain instances, the Debtor may have inadvertently failed to do so. Accordingly, the Debtor reserves all of its rights with respect to the named parties of any and all executory contracts and unexpired leases, including the right to amend Schedule G.

Omission of a contract or lease from Schedule G does not constitute an admission that such omitted contract or lease is not an executory contract or unexpired lease. The Debtor's rights under the Bankruptcy Code with respect to any such omitted contracts or leases are not impaired by the omission.

Schedule H. The Debtor reserves all of its rights to amend Schedule H to the extent that certain guarantees associated with the Debtor's executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements are identified.

Where an administrative agent serves with respect to any debt as to which there are Co-Debtor, only the administrative agent, as applicable, is listed as the creditor on Schedule H and not any other parties who may hold a portion of such debt.

Specific Disclosures with Respect to the Debtor's SOFA

SOFA 1 and 2. For financial reporting purposes, the Debtor ordinarily prepares consolidated financial statements, and determines its gross revenue on a consolidated basis in the ordinary course of business. Unlike the consolidated financial statements, the SOFA reflect the business and non-business revenue of the Debtor on a nonconsolidated basis, except where otherwise indicated. Accordingly, the totals listed in the SOFA may differ, at times materially, from the consolidated financial reports prepared by the Debtor for financial reporting purposes or otherwise. SOFA 1 and 2 reflect the Debtor's gross revenue from business and non-business revenue for fiscal years 2022 and 2021 for the period January 1, 2022 through the Petition Date. The revenue listed is based on the Debtor's books and records. The Debtor estimated the gross revenue from business and non-business revenue for April 1, 2022 through the Petition Date although the Debtor does not believe such information would materially alter its response to Statement 1 and 2.

Statement 3. In Statement 3, disbursements made on account of multiple invoices may be reflected as a single payment.

As described more fully in the *Motion Authorizing Debtor to (A) Continue Existing Cash Management System, and (B) Maintain Existing Bank Accounts and Business Forms; (II) Waiving Certain Requirements of 11 U.S.C. § 345(b); and (III) Granting Related Relief*, [D.E. 4] (the "**Cash Management Motion**"), all disbursements listed in Statement 3 are made through the Debtor's cash management system. All of the revenues received by the Debtor and all disbursements paid by the Debtor flow through bank accounts held in the name of Ector County Energy Center LLC.

Statement 7. Information provided in Statement Question 7 includes only those legal disputes and administrative proceedings that are formally recognized by an administrative, judicial, or other adjudicative forum. In the Debtor's attempt to provide full disclosure, to the extent a legal dispute

or administrative proceeding is not formally recognized by an administrative, judicial, or other adjudicative forum due to certain procedural conditions that counterparties have yet to satisfy, the Debtor has identified such matters on Schedule F for the Debtor. While the Debtor believes it was diligent in its efforts, it is possible that certain suits and proceedings may have been inadvertently left off of the Debtor's response to Statement Question 7. Accordingly, the Debtor reserves all of its rights to amend or supplement its response to Statement Question 7.

The Debtor reserves all of its rights and defenses with respect to any and all listed lawsuits and administrative proceedings. The listing of any such suits and proceedings shall not constitute an admission by the Debtor of any liabilities or that the actions or proceedings were correctly filed against the Debtor. The Debtor also reserves its rights to assert that the Debtor is an appropriate party to such actions or proceedings.

Statement 10. The Debtor incurs certain immaterial losses in the ordinary course of business. Such amounts are not listed in the SOFA.

Statement 26d. The Debtor has supplied financial statements and reports in the ordinary course of business to certain third parties under confidentiality agreements. Such third parties include restructuring professionals, the administrative agent under the Debtor's debt facility, and certain other creditors and their advisors. In addition, the Debtor has provided financial statements to multiple parties in the ordinary course of business. To aggregate such an extensive list would be unduly burdensome. Accordingly, as requested by the United States Trustee, the Debtor has identified only the major lenders and other major creditors to whom the Debtor believes it has issued a financial statement within 2 years before filing the cases.
