**GLOBAL NOTES AND STATEMENT OF LIMITATIONS,
METHODOLOGY AND DISCLAIMER REGARDING
SUBSIDIARY DEBTORS' SCHEDULES AND STATEMENTS**

Evergreen Gardens I LLC (“**EG I**”) and Evergreen Gardens II LLC (“**EG II**” and, together with EG I, the “**Subsidiary Debtors**”), as debtors and debtors in possession in the above-captioned chapter 11 cases (the “**Chapter 11 Cases**”) pending before the United States Bankruptcy Court for the Southern District of New York (the “**Bankruptcy Court**”), are filing their Schedules of Assets and Liabilities (the “**Schedules**”) and Statements of Financial Affairs (the “**Statements**,” and, together with the Schedules, collectively, the “**Schedules and Statements**”), pursuant to section 521 of title 11 of the United States Code (the “**Bankruptcy Code**”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”).

On March 8, 2021, Evergreen Gardens Mezz LLC (“**EGM**” or the “**Initial Debtor**” and, together with Subsidiary Debtors, the “**Debtors**”) filed its Schedules and Statements [ECF Nos. 12 and 13] (which were subsequently amended on March 31, 2021 [ECF No. 18]).

The Subsidiary Debtors’ management prepared the Schedules and Statements with the assistance of their advisors and other professionals. The Schedules and Statements are unaudited.

¹ The Debtors in these Chapter 11 Cases, along with the last four digits of each Debtor’s federal tax identification number, as applicable, are Evergreen Gardens Mezz LLC (0416); Evergreen Gardens I LLC (2211); and Evergreen Gardens II LLC (6782). The Debtors’ principal offices are located at 199 Lee Avenue, Suite 693, Brooklyn, New York 11211

The Subsidiary Debtors' management and advisors have made reasonable efforts to ensure that they are as accurate and complete as possible under the circumstances based on information that was available to them at the time of preparation; however, subsequent information or discovery may result in material changes to the Schedules and Statements and inadvertent errors or omissions may exist. Notwithstanding any such discovery or new information, the Subsidiary Debtors shall not be required to update the Schedules and Statements. Moreover, because the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment, there be can no assurances that the Schedules and Statements are complete or accurate.

The Subsidiary Debtors reserve all rights to amend, modify, or supplement the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including, but not limited to, the right to dispute or otherwise assert offsets or defenses to any claim reflected on the Schedules and Statements as to amount, liability or classification, or to otherwise subsequently designate any claim as "disputed," "contingent" or "unliquidated." Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of any rights with respect to the Subsidiary Debtors' Chapter 11 Cases and specifically with respect to any issues involving any causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws to recover assets or avoid transfers.

The Schedules and Statements should not be relied upon by any person for information relating to current or future financial conditions, events, or performance of the Subsidiary Debtors.

1. **Chapter 11 Cases.** On February 22, 2021, the Initial Debtor commenced its Chapter 11 Case (the "**Initial Debtor Petition**"). On September 14, 2021 (the "**Subsidiary Debtor Petition Date**"), the Subsidiary Debtors commenced their Chapter 11 Cases. Unless otherwise indicated, the information provided herein is as of the Subsidiary Debtor Petition Date. The Debtors are authorized to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

2. **Purpose of Global Notes.** These Global Notes and Statements of Limitations, Methodology, and Disclaimer Regarding Subsidiary Debtors' Schedules and Statements (the "**Global Notes**") are in addition to the specific notes set forth below with respect to the Schedules and Statements (the "**Specific Notes**" and, together with the Global Notes, the "**Notes**"). These Notes are incorporated by reference in and comprise an integral part of the Schedules and Statements and should be referred to and reviewed in connection with any review of the Schedules and Statements

3. **Amendments.** The Subsidiary Debtors reserve the right to amend, modify, or supplement the Schedules and Statements in all respects at any time as may be necessary or appropriate, including, without limitation, the right to dispute or to assert offsets or defenses to any claim reflected on the Schedules and Statements as to amount, to liability, or to classification, or to otherwise subsequently designate any claim as "disputed," "contingent," or "unliquidated." Any failure to designate a claim as "contingent," "unliquidated," or "disputed" does not constitute an admission by the Subsidiary Debtors that such claim is not "contingent," "unliquidated," or "disputed."

4. **Estimates and Assumptions.** The preparation of the Schedules and Statements requires the Subsidiary Debtors to make certain estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities on the date of the Schedules and Statements, and the reported amounts of revenues and expenses during the reporting

period. Reasonable efforts were made by the Subsidiary Debtors to ensure the accuracy and reasonableness of the information; however, in certain cases information may not have been available.

5. **Unknown Amounts.** Some of the scheduled liabilities may be unknown and unliquidated at this time. In such instances, the amounts may be listed as “unknown” or “to be determined”. Accordingly, the Schedules and the Statements may not accurately reflect the aggregate amount of the Subsidiary Debtors’ liabilities.

6. **Prepetition v. Post-Petition.** The Subsidiary Debtors have sought to allocate liabilities between the pre-petition and post-petition periods based on the information that was available to the Subsidiary Debtors and their professionals during the preparation of these Schedules and Statements. As additional information becomes available, the allocation of liabilities between pre-petition and post-petition periods may change.

7. **Currency.** All amounts shown in the Schedules and Statements are in U.S. Dollars.

8. **GAAP.** Given the difference between the information requested in the Schedules and Statements, and the financial information utilized under generally accepted accounting principles in the United States (“GAAP”), the aggregate asset values and claim amounts set forth in the Schedules and Statements do not necessarily reflect the amounts that would be set forth in a balance sheet prepared in accordance with GAAP. Additionally, the Subsidiary Debtors do not follow GAAP in preparing their financial statements.

9. **Assets.** The Subsidiary Debtors’ principal assets consist of two adjacent residential apartment properties that are each separately owned by the Subsidiary Debtors – the Denizen X, located at 123 Melrose Street, which is 100% owned by EG I (the “**Denizen X**”), and the Denizen Y, located at 54 Noll Street, which is 100% owned by EG II (the “**Denizen Y**” and together with Denizen X, the “**Denizen**”). The Subsidiary Debtors maintain limited accounting systems for both pre- and post-construction record keeping. The Subsidiary Debtors have recently changed management companies and currently utilize Smart Management NY Inc. (the “**Management Company**”) to manage and oversee all aspects of the day-to-day operations of the Denizen. The Management Company utilizes its own software for the collection of rents from the tenants of the Denizen and the payment of expenses on behalf of the Subsidiary Debtors. As per past practices, the Subsidiary Debtors’ fixed asset ledgers are not maintained at any level and hence specific fixed asset level details are unavailable on the Subsidiary Debtors’ fixtures, furniture, and equipment. It would be prohibitively expensive, unduly burdensome, and time consuming to physically inspect all the Subsidiary Debtors’ individual fixed assets within the two Denizen properties. Therefore, there can be no assurance that the Subsidiary Debtors owned such property on the Subsidiary Petition Date or that the Subsidiary Debtors have listed all their fixed assets. To the extent any asset is listed on the Schedules and described in the Statements, unless otherwise noted therein, such assets were included therein as a result of the Subsidiary Debtor’s books and records having reflected the existence of such assets as of the Subsidiary Debtor Petition Date. To the extent known fixed assets were not listed on the Subsidiary Debtors’ books and records, a reasonable attempt was made to conduct an on-site visual inspection of those assets in the common and amenity areas of the two Denizen properties and to list those assets separately in the Schedules and Statements. To the extent any known fixed assets that would customarily be included within a rental unit were not listed on the Subsidiary Debtors’ books and records, the assets were estimated by the total number of units available for rent and listed separately in the Schedules and

Statements. The Subsidiary Debtors have not included executory contracts and unexpired leases as assets in the Schedules and Statements, even though certain of these contracts and leases may have some value to the Subsidiary Debtors' estates. The Subsidiary Debtors' executory contracts and unexpired leases have been set forth in Schedule G.

10. Asset Values. The Subsidiary Debtors do not have current appraisals within the last 12 months on any of their assets with the exception of the Subsidiary Debtors' real property assets. A desktop appraisal of the Subsidiary Debtors' real property was completed by Bowery Valuation on November 18, 2020 with an effective date of September 30, 2020 with an opinion of value. No assets have been depreciated or amortized and it is believed all asset purchases regardless of dollar amount were expensed for accounting purposes. It would be prohibitively expensive, unduly burdensome, and time consuming to obtain current market valuations of the Subsidiary Debtors' remaining assets. The value of the two Denizen properties are carried on the Subsidiary Debtors' respective balance sheets at the purchase price as agreed under that certain purchase and sale agreement with ACI VI Denizen LLC (the "**Purchaser**"), dated August 2, 2021 (as amended on August 19, 2021 and September 1, 2021, and as may be further modified, amended, or supplemented from time to time, and together with all schedules and exhibits thereto, the "**Purchase Agreement**"), and the anticipated sale price is considered as the fair market value of the Denizen buildings and all assets therein. Due to the extensive marketing process for the Denizen carried out by the Subsidiary Debtors, the anticipated sale price under the Purchase Agreement is believed to be a more accurate representation of value. Accordingly, to the extent any other asset value is listed herein, unless otherwise noted therein, net book values rather than current market values of the Subsidiary Debtors' property interests are reflected in the applicable Schedule. To the extent any asset value does not have a book value, the asset value is reported as undetermined.

11. Intangibles and Intellectual Property. The Subsidiary Debtors may have intangibles and intellectual property not disclosed on the Schedules and Statements as they maintain no records of these assets. The Subsidiary Debtors have a shared web site but have no information on access to the website or the contact information for the webmaster or hosting agreement.

12. Schedule D and Challenge of Liens. Except as otherwise agreed in connection with the RSA,² the DIP and Financing Orders,³ or other order of the Court or agreement with the Debtors, the Subsidiary Debtors reserve the right to dispute or to challenge the validity, perfection, or immunity from avoidance of any lien (including, without limitation, mechanic's, materialman's or other similar liens) purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D. Moreover, although the Subsidiary Debtors may have scheduled claims of various creditors as secured claims, the Subsidiary Debtors reserve their rights to dispute or to challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim. The descriptions provided on Schedule D are intended only to be a summary. Reference to the

² "RSA" means that certain restructuring support agreement, dated August 31, 2021, between and among the Debtors, MREF REIT Lender 9 LLC, as mezzanine lender to EGM, and Mishmeret Trust Company Ltd., as trustee for holders of series E notes issued by All Year and EG II, as may be amended, modified, or supplemented from time to time in accordance with the terms thereof, and together with all exhibits and schedules thereto.

³ "DIP and Financing Orders" means the interim and final orders of the Bankruptcy Court approving (i) EG I's debtor in possession financing and use of cash collateral and (ii) EG II's use of cash collateral.

applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements. In addition, the claims of the holders of Series E Notes (the “**Series E Noteholders**”) and the secured claims of the Series E Noteholders, the “**Series E Secured Claims**”) arising under or relating to that certain Deed of Trust, dated as of February 4, 2018 (as amended, modified, renewed, or supplemented from time to time, the “**Series E Deed of Trust**”), by and between All Year Holdings Limited (“**All Year Holdings**”), as issuer, EG II, as co-borrower, and Mishmeret Trust Company Ltd., are senior in priority to any asserted mechanic’s and materialman’s lien claims against EG II. As the proposed sale of the Denizen to the Purchaser and proposed allocation of sale proceeds to EG II will not yield sufficient funds to pay the Series E Secured Claims in full, the Subsidiary Debtors believe that any asserted mechanic’s, materialman’s, or similar claims against EG II are wholly unsecured.

13. Setoff or Recoupment Rights. The Subsidiary Debtors have not included on Schedule D parties that may believe their claims are secured through setoff rights, deposits posted by or on behalf of the Subsidiary Debtor, or inchoate statutory lien rights.

14. First-Day Orders. Pursuant to various orders issued by the Bankruptcy Court, the Subsidiary Debtors have been authorized to pay certain outstanding prepetition claims, including, without limitation, certain claims relating to critical vendors, certain intercompany expenses between the Subsidiary Debtors, and certain operating expenses, interest, and other expenses. To the extent prepetition claims have been paid, such claims have not been listed on the Schedules and Statements, unless otherwise noted.

15. Ordinary Course of Business. The Management Company receives and processes payments to vendors on behalf of the Subsidiary Debtors. Occasionally debits and/or credits may be applied against amounts otherwise due to vendors. These amounts may arise due to disputed invoices, disputed service periods, damaged products, general billing errors, among other matters. Vendor claims are listed at the amounts entered on the Subsidiary Debtors’ books and records as of the Subsidiary Debtor Petition Date, which may reflect credits or allowances due from such creditors to the applicable Subsidiary Debtor. The actual amount owed or owing by such vendors is subject to change upon application of pending and/or future credits and debits. Accordingly, such vendor balances are subject to potential amendment in due course of treatment in these Chapter 11 Cases. The Subsidiary Debtors reserve all of their rights with respect to such credits and allowances.

16. Executory Contracts and Unexpired Leases. While reasonable efforts have been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases, inadvertent errors or omissions may have occurred. The Subsidiary Debtors reserve all of their rights to dispute, among other things, the validity, status or enforceability of any contract, agreement, or lease set forth on Schedule G that may have expired or may have been modified, amended, and supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters and other documents, instruments, and agreements which may not be listed on Schedule G. Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties, and obligations are not set forth on Schedule G. Certain of the executory agreements may not have been memorialized in writing and could be subject to dispute. In addition, the Subsidiary Debtors may have entered into other types of

agreements in the ordinary course of their business, such as easements, rights of way, subordination, non-disturbance and attornment agreements, supplemental agreements, amendments/letter agreements, title agreements, and confidentiality agreements. Such documents may not be set forth on Schedule G. The Subsidiary Debtors reserve all of their rights to dispute or to challenge the characterization of the structure of any transaction, or any document or instrument related to a creditor's claim. In the ordinary course of business, the Subsidiary Debtors may have entered into agreements, written or oral, for the provision of certain services on a month-to-month or at-will basis. Such contracts may not be included on Schedule G. The Subsidiary Debtors reserve the right to assert that such agreements constitute executory contracts. Listing a contract or agreement on Schedule G does not constitute an admission or a legal conclusion that such contract or agreement is an executory contract or unexpired lease. The Subsidiary Debtors reserve all rights to challenge whether any of the listed contracts, leases, agreements, or other documents constituting an executory contract or unexpired lease, including if any are unexpired non-residential real property leases. All the Subsidiary Debtors' rights, claims, and causes of action regarding the contracts and agreements listed on Schedule G are hereby reserved and preserved.

17. Reservation of Rights. Nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to these Chapter 11 Cases, including, but not limited to, issues involving equitable subordination, characterization or re-characterization of contracts, assumption or rejection of executory contracts under the provisions of chapter 3 of the Bankruptcy Code and causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any applicable non-bankruptcy laws to recover assets or avoid transfers.

18. Insiders and Employees. The Subsidiary Debtors have no employees and no employee related obligations. The Chief Restructuring Office and Associate Restructuring Officer for All Year Holdings are authorized representatives of the Subsidiary Debtors and are also paid by All Year Holdings. The current Management Company overseeing the Subsidiary Debtors' properties also oversees multiple commercial properties owned, directly or indirectly, by All Year Holdings. The Subsidiary Debtors pay the Management Company directly on a monthly basis for services rendered at the Denizen. The Subsidiary Debtors also utilize multiple service companies which maintain and staff various functions within the Denizen properties such as reception, doormen, amenities, general and pool maintenance, and other staffing. In the circumstances where the Schedules and Statements require information regarding insiders and/or officers and directors, as applicable, the Subsidiary Debtors have included information regarding (a) the independent directors of EG I; (b) the directors (or persons in similar positions) of related entities; (c) individuals that are, or were during the relevant period, officers (or persons in control) of related entities; and (d) family members of officers/directors of related entities. The listing of a party as an insider is not intended to be nor should it be construed as a legal characterization of such party as an insider and does not act as an admission of any fact, claim, right, or defense, and all such rights, claims, and defenses are hereby expressly reserved. Further, employees that are not directors or officers of related entities have not been included in this disclosure. Nothing contained in the Schedules and Statements is deemed to be an admission or legal conclusion as the comprehensive scope of the inclusion or exclusion of persons qualifying as "insiders" in terms of control of the Subsidiary Debtors, management responsibilities or functions, decision-making or corporate authority and/or as otherwise defined by applicable law, including, without limitation, the federal securities laws, or with respect to any theories of liability or for any other purpose. The Subsidiary Debtors reserve all of their rights to amend, supplement, modify, and revise the

Schedules and Statements regarding any matters concerning its “insiders,” as such term is defined in the Bankruptcy Code and its progeny.

19. Management Company. The Subsidiary Debtors previously utilized the services of All Year Management NY Inc., an entity that was jointly owned by Mr. Yoel Goldman, the sole economic shareholder of All Year Holdings, to manage their day-to-day operations. In approximately March 2021, the Subsidiary Debtors changed management companies and Smart Management NY Inc. took over managing the Subsidiary Debtors’ day to day operations and management of the Denizen. Payments on account of the management arrangement have been recorded in the Subsidiary Debtors’ books and records from March 2021 forward utilizing various names for the new management company, including Smart Management NY Inc., Smart Management, and All Year Management NY Inc. dba as Smart Management. To the best of the Subsidiary Debtors’ knowledge and belief, all of these payments were received by the new management company, Smart Management NY Inc. An error was made in August 2021 whereby a check was incorrectly issued in the name of the old management company; however, these funds were subsequently transferred to Smart Management NY Inc.

20. Directors and Officers. The Subsidiary Debtors have disclosed the identity of those certain directors, officers, and related persons referenced in Paragraph 18 above in Section 28 of the Statements. The Subsidiary Debtors’ inclusion of these persons in Section 28 of the Statements is not intended to be an admission or a legal conclusion as the status of such persons as “Directors,” “Officers,” “Managers,” “Insiders,” or otherwise a “person in control” of the Subsidiary Debtors. For the sake of clarity and out of an abundance of caution, the Subsidiary Debtors have included such persons in response to Section 28 of the Statement. The Subsidiary Debtors reserve all of their rights to amend, supplement, modify, and revise the Schedules and Statements with regard to any matters concerning any persons deemed to “Directors,” “Officers,” “Managers,” “Insiders,” “Chief Restructuring Officer”, “Associate Restructuring Officer” or otherwise a “person in control” of the Subsidiary Debtors, as such terms may be defined in the Bankruptcy Code and its progeny. The Subsidiary Debtors reserve all of their rights to require an order from the Bankruptcy Court regarding the scope of particular persons deemed to be “Directors,” “Officers,” “Managers,” “Insiders,” or otherwise a “person in control” of the Subsidiary Debtors.

21. Litigation. Certain litigation actions (collectively, the “**Litigation Actions**”) reflected as claims against a particular Subsidiary Debtor may relate to the other Subsidiary Debtor or both Subsidiary Debtors. The Subsidiary Debtors made reasonable efforts to accurately record the Litigation Actions in the Schedules and Statements of the Subsidiary Debtor that is the party to the Litigation Action. In addition, certain landlord/tenant actions involving tenants of the Denizen and Denizen X LLC or Denizen Y LLC have been included in the Schedules and Statements out of an abundance of caution; however, the Subsidiary Debtors may not have been named parties to such landlord/tenant actions as of the Subsidiary Debtor Petition Date. The inclusion of any Litigation Action in the Schedules and Statements does not constitute an admission by the Subsidiary Debtors of liability, the validity of any Litigation Action or the amount of any potential claim that may result from any claims with respect to any Litigation Action, or the amount and treatment of any potential claim resulting from any Litigation Action currently pending or that may arise in the future.

22. Summary of Reporting Policies and Practices. The following conventions were adopted by the Subsidiary Debtors in preparation of the Schedules and Statements:

- a. **Fair Market Value; Book Value.** Unless otherwise noted therein, the Schedules and Statements reflect the carrying value of the liabilities as listed in the Subsidiary Debtor's books and records. Where the current market value of assets is unknown, the Subsidiary Debtors have based their valuation on book values or stated that the value is unknown; however, the actual value may differ. Real estate is listed at the current agreed sales price as reflected in the Purchase Agreement, which is believed to be the best indication of fair market value.
 - b. **Leased Real and Personal Property.** In the ordinary course of their business, the Subsidiary Debtors may lease real property and various articles of personal property, including, without limitation, furniture, fixtures, and equipment, from certain third-party lessors. The Subsidiary Debtors have endeavored to include all such leases in the Schedules and Statements. The property subject to leases is not reflected in the Schedules and Statements as either owned property or assets of the Subsidiary Debtors or property or assets of third parties within the control of the Subsidiary Debtors. Nothing in the Schedules or Statements is or shall be construed as an admission or determination as to legal status of any lease (including whether to assume and assign or reject such lease or whether it is a true lease or a financing arrangement) or the assets subject to such leases, and the Subsidiary Debtors reserve all of their rights with respect to all such issues, including any challenges thereto.
 - c. **Disputed, Contingent and/or Unliquidated Claims.** Schedules D, E, and F permit the Subsidiary Debtors to designate a claim as disputed, contingent, and/or unliquidated. A failure to designate a claim on any of these Schedules and Statements as disputed, contingent, and/or unliquidated does not constitute an admission that such claim is not subject to objection. The Subsidiary Debtors reserve of their rights to dispute, or assert offsets or defenses to, any claim reflected on these Schedules and Statements as to amount, liability, or status.
23. **Global Notes Control.** In the event that the Schedules or Statements differ from any of the foregoing Global Notes, the Global Notes shall control.

Specific Notes with Respect to the Subsidiary Debtors' Schedules and Statements:

Schedule of Assets and Liabilities

01.03 Bank Accounts:

–EG I initiated and wired approximately \$1.112 million out of its Capital One operating account to pay professional fees on the afternoon of 09/13/21 prior to filing its Chapter 11 Case. These funds were reflected and reduced on the Capital One banking side on the morning of 09/14/21. To reflect these timing differences EG I has shown its end of day pre-petition balance as of 09/13/21 to reflect these funds having been sent.

–EG II initiated and wired approximately \$950,000 out of its Capital One operating account to pay professional fees on the afternoon of 09/13/21 prior to filing its Chapter 11 Case. These funds were reflected and reduced on the Capital One banking side on the morning of 09/14/21. To reflect these timing differences EG II has shown its end of day pre-petition balance as of 09/13/21 to reflect these funds having been sent.

03.30 Creditors with Non-Priority Unsecured Claims:

EG II was owed approximately \$2.437 million from EG I as of the Subsidiary Debtor Petition Date for funds loaned pre-petition to cover EG I's operating expenses. Approximately \$1.2 million was repaid by EG I to EG II post-petition with proceeds of EG I's debtor in possession financing as authorized by the Court under the DIP and Financing Orders.

07.39 Office Furniture; 07.40 Office Fixtures; 07.41 Office Equipment; 07.42 Collectibles – Decorative Artwork; 07.44 Depreciation Schedule:

The Subsidiary Debtors do not maintain a fixed asset schedule of any kind nor list any of its assets in any subsidiary ledgers or registers. The Subsidiary Debtors do not maintain any depreciation or amortization schedules on any of its assets. Additionally, the Subsidiary Debtors have no written lists of these assets. It would be prohibitively expensive, unduly burdensome, and time consuming for the Subsidiary Debtors to go through and audit pre- and post-construction records from the last 3 years, in an attempt to identify what was paid for these individual assets. These assets are reflective of the rental units in the Denizen buildings and common and reception areas in both Denizen buildings as well as a shared amenity package between the two Subsidiary Debtors and their respective buildings. There are 911 total rental units between the two building and are divided as 468 units in EG I and 443 units in EG II. Each rental unit will have a dishwasher, oven, stove top, garbage disposal, refrigerator, ductless HVAC systems and plumbing fixtures. Assets also include furniture, fixtures, equipment, décor, and other assets related to the shared amenities. Shared amenities include a dog park and grooming area, conference room center, theater room, art gallery, rock climbing wall, golf simulator, bowling alley, card/game room, video arcade, spin studio, boxing area, full gym, indoor pool, commercial indoor kitchen, sports bar, juice bar, yoga studio, outdoor courtyard, outdoor hot tubs, rooftop hydroponic gardens, outdoor sunning beds, outdoor hammocks, outdoor kitchen, outdoor grills among other.

08.50 Other Equipment; 08.52 Depreciation Schedule:

The Subsidiary Debtors do not maintain a fixed asset schedule of any kind nor list the above assets in any subsidiary ledgers or registers. The Subsidiary Debtors do not maintain any depreciation or amortization schedules on any of its assets. Additionally, the Subsidiary Debtors have no written lists of these assets. It would be prohibitively expensive, unduly burdensome, and time consuming for the Subsidiary Debtors to go through and audit pre- and post-construction records from the last 3 years, in an attempt to identify what was paid for these individual assets. . These assets are reflective of washers and dryers (single and combo units) that the Subsidiary Debtors have purchased since opening and in turn, rent to tenants that want in-unit facilities. The Subsidiary Debtors also store the non-functioning machines in storage areas for spare parts. The Subsidiary Debtors estimate there are approximately 515 washer and dryer units that are available for leasing to tenants.

11.72 NOL's:

The Subsidiary Debtors are both limited liability companies and their respective earnings/losses consolidate into various holding companies which in turn consolidate into

All Year Holdings. All Year Holdings is owned by one shareholder. Due to the limited liability company nature of the Subsidiary Debtors' businesses all tax benefit/liability issues consequently roll up to All Year Holdings for consolidation and are handled by the sole shareholder. The Subsidiary Debtors are unable to obtain any specific information on how these tax events are treated by the sole shareholder.

Schedule H Codebtors:

In the ordinary course of their businesses, the Subsidiary Debtors may be involved in pending or threatened litigation. These matters may involve multiple plaintiffs and defendants, some or all of whom may assert cross-Claims and counter-Claims against other parties. Because the Subsidiary Debtors have treated all such Claims as contingent, disputed, or unliquidated, such Claims have not been set forth individually on Schedule H. Litigation matters can be found on each Subsidiary Debtor's Schedule E/F Part 2 and Statement 7, as applicable.

Schedule E/F Creditors Who Have Unsecured Claims:

The list of unsecured claims against EG II does not include the deficiency claims of the Series E Noteholders, which the Subsidiary Debtors estimate to be approximately \$20,000,000.

Statement of Financial Affairs

2.3 Payments or Transfers to Creditors within 90 Days Prior to Filing:

Statement 2.3 includes any disbursement or other transfer made by the Subsidiary Debtors within 90 days prior to the Subsidiary Debtor Petition Date, except for those payments made to insiders (which payments appear in response to Statement 2.4), and bankruptcy professionals (which payments appear in response to Statement 6.11). The amounts listed in Statement 2.3 reflect the Subsidiary Debtors' disbursements netted against any check level detail; thus, to the extent a disbursement was made to pay for multiple invoices, only one entry has been listed on Statement 2.3.

2.4 Payments or Transfers within 1 Year Prior to Filing that Benefited Insiders:

Statement 2.3 includes certain intercompany transactions of the Subsidiary Debtors', as well as other transfers to insiders.

6.11 Payments Related to Bankruptcy:

Out of an abundance of caution, the Subsidiary Debtors have included payments to all professionals who have rendered any advice related the Subsidiary Debtors' Chapter 11 Cases in Statement 6.11. However, it is possible that the disclosed fees also relate to other, non-bankruptcy related services, and may include services rendered to the other Subsidiary Debtor or other non-debtor affiliates of All Year Holdings.

13.26 Audits/Reviews/Compilations:

The Subsidiary Debtors have not undergone any type of formal audit, review, or compilation since their inception. The Subsidiary Debtors have, however, undergone a limited review of their operations as part of their roll-up up to All Year Holdings to satisfy

annual reporting requirements related to the issuance of the Series E Notes on the Tel Aviv Stock Exchange.

13.30 Payments, Distributions or Withdrawals Credited or Given to Insiders:

Disclose all property, real and personal, which the debtor owns or in which the debtor has any other legal, equitable, or future interest. Include all property in which the debtor holds rights and powers exercisable for the debtor's own benefit.
