Chapter 11

Case No. 17-10810 (LSS)

**DECLARATION OF GEOFFREY RICHARDS IN SUPPORT OF THE DEBTOR'S
APPLICATION FOR ENTRY OF AN ORDER AUTHORIZING THE EMPLOYMENT
AND RETENTION OF CANACCORD GENUITY INC. AS INVESTMENT BANKER
FOR THE DEBTOR, NUNC PRO TUNC TO THE PETITION DATE**

I, Geoffrey Richards being duly sworn, state the following under penalty of perjury.

1. I am a Managing Director and Head of North America Debt Finance and Restructuring of Canaccord Genuity Inc. ("CGI") and am duly authorized to make this declaration (the "Declaration") on behalf of CGI. I submit this declaration in support of the *Debtor's Application for Entry an Order Authorizing the Employment and Retention of Canaccord Genuity Inc. as Investment Banker for the Debtor, Nunc Pro Tunc to the Petition Date* (the "Application").²

2. I submit this Declaration in accordance with sections 327(a) and 328(a) of the Bankruptcy Code, Bankruptcy Rule 2014, and Local Rule 2014-1 in connection with the Application. Unless otherwise stated in this Declaration, I have personal knowledge of the facts set forth herein and, if called as a witness, I would testify thereto. To the extent that any information disclosed herein requires subsequent amendment or modification upon CGI's

¹ The Debtor's last four digits of its federal taxpayer identification number are 8422. The Debtor's address is 131 Sand Creek Road, Suite B, Brentwood, CA 94513.

² Capitalized terms used, but not otherwise defined, herein have the meanings given to them in the Application.

completion of further analysis or as additional creditor information becomes available to it, one or more supplemental declarations will be submitted to the court reflecting the same.

I. SERVICES TO BE PROVIDED

3. Pursuant to the Engagement Letter, CGI commenced its engagement as investment banker to the Debtor in November of 2016. CGI serves as the Debtor's investment banker in connection with any new capital transactions, recapitalization transactions and/or mergers and acquisitions transactions (each a "Transaction" as defined in the Engagement Letter).

4. As outlined in the Engagement Letter, the Debtor proposes to continue to retain CGI to render, among other things, the following investment banking services to the Debtor:

- a. Review and analyze the Debtor's business and financial projections;
- b. Evaluate the Debtor's strategic and financial alternatives;
- c. Assist the Debtor in evaluating, structuring, negotiating, and implementing potential Transactions;
- d. Assist the Debtor in preparing descriptive material to be provided to potential parties that might participate in potential Transactions;
- e. Develop, update, and review with the Debtor on an ongoing basis a list of parties that might participate in potential Transactions;
- f. Contact potential parties to potential Transactions;
- g. Provide summaries to the Debtor of communications with potential parties to potential Transactions;
- h. Assist the Debtor and its counsel with evaluating potential term sheets, indications of interest, letters of intent and other Transaction agreements;
- i. Assist in the development of presentations to the Debtor's Board of Directors and representatives, and to various creditors, committees, and other parties, as the Debtor shall reasonably request;
- j. In the event the Debtor seeks relief under chapter 11 of the Bankruptcy Code in order to pursue a possible Transaction or otherwise, and if requested by the Debtor and its counsel, participate in hearings before the

Bankruptcy Court and provide relevant testimony with respect to the matters described herein and arising in connection with any Transaction or any proposed plan of reorganization;

- k. Evaluate, structure and negotiate the terms and conditions of any proposed Transaction;
- l. Together with the Debtor and its counsel, prepare for and participate in meetings with the Debtor's existing lenders, creditor groups, official constituencies and other interested parties, as necessary;
- m. Assist the Debtor and its counsel in negotiating agreements and definitive contracts for Transactions; and
- n. Perform other such services as CGI and the Debtor may mutually agree upon in a separate writing.

II CGI'S QUALIFICATIONS

5. CGI is an independent and full-service global investment banking firm offering investment banking, equity research, wealth management, institutional and private brokerage, and private capital solutions to individual and institutional clients. CGI employs over 2,000 individuals and has 20 locations in 10 countries worldwide, including in cities such as Chicago, New York, Boston, San Francisco, London, Toronto, Vancouver, Paris, Sydney, Hong Kong, and Singapore. In calendar year 2015, CGI executed 267 public and private financing transactions, raising approximately \$30.1 billion. During the same period, CGI advised on 39 M&A and assignments with an aggregate value of over \$8.1 billion.

6. The Debtor selected CGI because CGI's professionals have considerable expertise and experience in providing investment banking services to financially-distressed companies and to creditors, purchasers, bondholders, and other constituencies in chapter 11 as well as in out-of-court proceedings. Representative engagements that investment bankers at CGI have led in prior bankruptcy cases and restructurings include AbitibiBowater; American Eagle Energy Corporation; American IronHorse Motorcycles, Inc.; BI-LO, LLC; Buccaneer Energy; Calpine

Energy; Catalyst Paper; Compton Petroleum Corporation; Dakota Plains Holdings, Inc.; Diamond Glass Companies, Inc.; Gateway Ethanol, LLC; Giordano's Enterprises, Inc.; Gulf Fleet Holdings, Inc.; Hipcricket, Inc.; HMX Acquisition Corp.; International Garden Products, Inc.; Jaguar Mining; KeyLime Cove Waterpark, Inc.; Loehmann's, Inc.; Max & Erma's, Inc.; National Envelope Corporation; OptiCanada, Inc.; Renew Energy, Inc.; Response Genetics, Inc.; Robbins Bros. Corporation; Santa Fe Gold Corporation; SynCardia Systems, Inc.; TimberWest; Waterworks, Inc.; and Yellow Media, Inc.

7. CGI was engaged prior to the Petition Date to provide investment banking services to the Debtor pursuant to the Engagement Letter. As a result of rendering prepetition services to the Debtor, CGI is intimately familiar with the Debtor's corporate and capital structure, management, operations and various other aspects of its business. CGI has a well-developed knowledge of the Debtor's financial history and business operations and is well-suited to provide the Debtor with the investment banking services contemplated by the Engagement Letter.

III NO DUPLICATION OF SERVICES

8. CGI will carry out unique functions directly related to a potential Transaction(s) and will use reasonable efforts to coordinate with the Debtor and its professionals retained in this case to avoid the unnecessary duplication of services.

IV PROFESSIONAL COMPENSATION

9. CGI will seek the Court's approval of its compensation for professional services rendered and reimbursement of expenses incurred in connection with the chapter 11 case in compliance with applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, the U.S. Trustee Guidelines and any other applicable procedures and orders of the Court, and consistent with the proposed compensation set forth in the Engagement Letter.

10. Investment bankers such as CGI do not charge for their services on an hourly basis. Instead, they customarily charge fees that are contingent upon the occurrence of a specified type of transaction. No compensation will be shared with non-CGI principals or employees. The Engagement Letter sets forth the transaction-based fees that are to be payable to CGI.

11. As set forth more fully in the Engagement Letter, and subject thereto, CGI will be compensated as follows (the “Fee Structure”):

Monthly Work Fees	\$50,000 ³
Success Fee	\$900,000
New Capital Fee	4.00% of gross proceeds ⁴

12. Further, subject to the Engagement Letter, the Debtor shall reimburse CGI, upon its request from time to time, for all reasonable, documented and out-of-pocket expenses incurred in connection with the initiation and performance of the engagement pursuant to the Engagement Letter in an amount not to exceed \$5,000 per month without the prior written consent of the Debtor. Other expenses shall also include, but not be limited to, expenses incurred in connection with travel (at coach or equivalent fare) and lodging, data processing and communication charges, research, and courier services.

13. Indeed, CGI’s industry and restructuring experience, its capital markets knowledge, financing skills, and mergers and acquisitions capabilities, some or all of which may be required by the Debtor during the term of CGI’s engagement, were important factors in

³ All Monthly Work Fees actually paid to CGI by the Debtor prior to May 1, 2017 shall be 100% credited against any Success Fee. Notwithstanding any other provision in the Engagement Letter to the contrary, there shall be no crediting of any Monthly Work Fees paid to CGI after April 28, 2017 against any Success Fee.

⁴ A New Capital Fee shall be 100% credited against any Success Fee up to the full amount of the Success Fee, with such New Capital Fee not to exceed \$140,000. Furthermore, no New Capital Fee shall be earned upon a New Capital Transaction with any lender as of the date of the Engagement Letter under the Debtor’s Note Purchase and Exchange Agreement dated as of June 30, 2016 (as amended or modified from time to time).

determining the Fee Structure. The ultimate benefit to the Debtor of CGI's services could not be measured merely by reference to the number of hours to be expended by CGI's professionals in the performance of such services. Moreover, the Fee Structure takes into consideration CGI's anticipation that it will need to provide a substantial commitment of professional time and effort in order to perform its duties under the Engagement Letter and in light of the fact that such commitment may foreclose other opportunities for CGI. Further, the actual time and commitment required of CGI and its professionals to render services to the Debtor may vary substantially from week to week or month to month, creating "peak load" issues for the firm.

14. Thus because of CGI's expertise, commitment of resources to this engagement to the exclusion of other possible employment, and the time that CGI has devoted and will continue to devote this engagement, the Debtor requests that the Court approve the Fee Structure for CGI pursuant to section 328(a) of the Bankruptcy Code and that the Court evaluate the final compensation and reimbursement of expenses in the chapter 11 case for CGI under the standards of section 328(a) of the Bankruptcy Code, rather than under those of section 330 of the Bankruptcy Code, subject to CGI filing a final fee application seeking approval of the payment of its fees and expenses.

V RECORDKEEPING

15. It is not the general practice of investment banking firms, including CGI, to keep detailed time records similar to those customarily kept by attorneys. Because CGI does not maintain contemporaneous time records in one-tenth hour increments or provide or conform to a schedule of hourly rates for its professionals, CGI respectfully requests, pursuant to Local Rule 2016-2(h), that it be excused from compliance with such requirements. Instead, CGI requests that it be required only to maintain time records in half-hour (0.50) increments setting forth, in a

summary format, a description of the services rendered by each professional and the amount of time spent on each date by each such individual in rendering services on behalf of the Debtor.

16. CGI will also maintain detailed records of any actual and necessary costs and expenses incurred in connection with the aforementioned services. CGI's application for compensation and expenses will be paid by the Debtor pursuant to the terms of the Engagement Letter, in accordance with Local Rule 2016-2(e) and any procedures established by the Court.

VI INDEMNIFICATION AND CONTRIBUTION PROVISIONS

17. The Debtor has agreed, among other things, to indemnify and provide contribution and reimbursement to CGI and certain related parties in accordance with the Indemnification Provisions attached as **Exhibit A** to the Engagement Letter.

18. I believe the Indemnification Provisions reflected in the Engagement Letter are customary and reasonable terms of consideration for investment banking firms such as CGI for engagements both out of court and in chapter 11. The terms of the Engagement Letter were fully negotiated between the Debtor and CGI at arm's length.

VII CGI'S DISINTERESTEDNESS

19. In connection with the preparation of this Declaration and its retention by the Debtor, CGI conducted a review of its conflicts check systems of the list of potential parties in interest that CGI received from the Debtor ("Conflicts Search"), as set forth in Schedule I attached hereto.

20. CGI reviewed the relationships between CGI and the list of individuals and entities that CGI has been informed may have an interest in this case (collectively, the "Parties in Interest"). Based on the results of the Conflicts Search conducted to date, to the best of my knowledge, neither myself, CGI, nor any of its principals, partners, members, or professionals (collectively, the "Professionals"), insofar as I have been able to ascertain based on the Conflicts

Search (a) has any connection with the Debtor, any of the Parties in Interest, the U.S. Trustee, or any person employed in the Office of the U.S. Trustee or (b) represents an interest that is materially adverse to the interest of the Debtor's estate or any class of creditors or equity security holders, by reason of any direct or indirect relationship to, connection with or interest in, the Debtor or for any other reason of which I know or about which I have been informed, with respect to the services to be performed pursuant to the Engagement Letter, except as disclosed or otherwise described herein.

21. Some of the Professionals, in connection with their employment before joining CGI, may have appeared or were engaged in cases, proceedings, or transactions involving attorneys, accountants, investment bankers, and financial consultants, some of whom may represent claimants and Parties in Interest.

22. As part of CGI's diverse business, CGI appears or may appear as a financial advisor or an investment banker in cases, proceedings, or transactions involving attorneys, accountants, investment bankers, and financial consultants, some of whom may represent claimants and Parties in Interest. Further, CGI (including its Professionals through their prior employment) has in the past, and may in the future, be represented by several attorneys and law firms in the legal community, some of whom may be involved in the chapter 11 case. In addition, CGI (including its Professionals through their prior employment) has in the past and will likely in the future be working with or against other professionals involved in the chapter 11 case in matters unrelated to the chapter 11 case. To the best of my knowledge, none of these business relations constitute interests materially adverse to the Debtor in matters upon which CGI is to be engaged in the chapter 11 case.

23. CGI (including its Professionals through their prior employment) may have in the past represented, may currently represent, and likely in the future will represent, Parties in Interest of the Debtor in connection with matters unrelated to the Debtor and the chapter 11 case (except as described below). CGI regularly calls on private and public companies in the sector related to M&A and capital raising opportunities. This leads our team to have regular contact with various sources of potential new business in the sector, including investors (whether financial and strategic) who are active with private companies in the sector.

24. Except as disclosed herein, CGI has not been retained to assist any entity or person other than the Debtor on matters relating to, or in connection with, the chapter 11 case. If the Court approves the proposed employment of CGI by the Debtor, CGI will not accept any engagement or perform any services in relation to the chapter 11 case for any entity or person other than the Debtor. CGI will, however, continue to provide professional services to entities or persons that may be creditors of the Debtor or Parties in Interest in the chapter 11 case; provided, however, that such services do not directly relate to, or have any direct connection with, the chapter 11 case.

25. To the best of my knowledge, information, and belief after reasonable inquiry, other than as disclosed in this Declaration, neither I, CGI, nor any of our professionals or employees participating in or connected with CGI's engagement with the Debtor: (i) is related to the Debtor or any other party in interest herein, the United States Trustee for the District of Delaware, or anyone employed in the Office of the United States Trustee for the District of Delaware; (ii) has any connection with or holds or represents any interest adverse to the Debtor, its estate, its creditors, or any other Party in interest or their respective attorneys in the matters on which CGI is proposed to be retained; or (iii) has advised any Party in Interest in connection with

the chapter 11 case. Additionally, CGI does not believe that any relationship that CGI or any of our professionals or employees participating in or connected with CGI's engagement with the Debtor may have with any Party in Interest in connection with any unrelated matter will interfere with or impair CGI's representation of the Debtor in the chapter 11 case.

26. In light of the number of the Debtor's creditors, Parties in Interest and potential additional parties in interest, neither I nor CGI are able conclusively to identify all potential relationships at this time, and we reserve the right to supplement this disclosure as additional relationships come to our attention. In particular, among other things, CGI may have relationships with persons who are beneficial owners of Parties in Interest and persons whose beneficial owners include Parties in Interest or persons who otherwise have relationships with Parties in Interest. Moreover, CGI employees may have relationships with Parties in Interest, persons that may become parties in interest in this case, and/or persons that have business relationships with the Debtor or are competitors of the Debtor. If any new relevant facts or relationships are discovered or arise, CGI will use reasonable efforts to identify such further developments and will file promptly a supplemental declaration, as required by Bankruptcy Rule 2014(a).

VIII AFFIRMATIVE STATEMENT OF DISINTERESTEDNESS

27. Based on the Conflicts Search conducted to date and described herein, to the best of my knowledge and insofar as I have been able to ascertain, (i) CGI is a "disinterested person" within the meaning of section 101(14) of the Bankruptcy Code, in that, except as otherwise set forth herein, its Professionals:

- a. are not creditors, equity security holders, or insiders of the Debtor;
- b. are not and were not, within two years before the date of the filing of the Debtor's chapter 11 petition, a director, officer, or employee of the Debtor; and

- c. do not have an interest materially adverse to the interest of the estate or of any class of creditors or equity security holders, by reason of any direct or indirect relationship to, connection with, or interest in the Debtor, or for any other reason,

and CGI does not hold or represent an interest adverse to the Debtor's estate and (ii) CGI has no connection to the Debtor, its creditors, or their related parties, except as is disclosed herein.

[Remainder of page intentionally left blank.]

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct.

Executed this 20th day of April, 2017, at New York, New York.
