Case No. 23-10259 (TMH)

**GLOBAL NOTES, METHODOLOGY AND SPECIFIC  
DISCLOSURES REGARDING THE DEBTOR'S SCHEDULES OF  
ASSETS AND LIABILITIES AND STATEMENT OF FINANCIAL AFFAIRS**

**Introduction**

On February 24, 2023 (the “Petition Date”) HyreCar, Inc. (the “Debtor”) with the assistance of its advisors, has filed its Schedules of Assets and Liabilities (the “Schedules”) and Statement of Financial Affairs (the “Statements,” and together with the Schedules, the “Schedules and Statements”) with the United States Bankruptcy Court for the District of Delaware (the “Bankruptcy Court”), pursuant to section 521 of title 11 of the United States Code (the “Bankruptcy Code”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”).

These Global Notes, Methodology, and Specific Disclosures Regarding the Debtor’s Schedules of Assets and Liabilities and Statement of Financial Affairs (these “Global Notes”) pertain to, are incorporated by reference in, and comprise an integral part of the Debtor’s Schedules and Statements. The Global Notes should be referred to, considered, and reviewed in connection with any review of the Schedules and Statements.

In preparing the Schedules and Statements, the Debtor relied upon information derived from its books and records that was available at the time of such preparation. Although the Debtor has made reasonable efforts to ensure the accuracy and completeness of such financial information, inadvertent errors or omissions, as well as the discovery of conflicting, revised, or subsequent information, may cause a material change to the Schedules and Statements.

The Debtor and its officers, employees, agents, attorneys, and financial advisors do not guarantee or warrant the accuracy or completeness of the data that is provided in the Schedules and Statements and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating or delivering the information contained in the Schedules and Statements. Except as expressly required by the Bankruptcy Code, the Debtor and its officers, employees, agents, attorneys and financial advisors expressly do not undertake any obligation to update, modify, revise, or re-categorize the information provided

in the Schedules and Statements or to notify any third party should the information be updated, modified, revised, or re-categorized. The Debtor, on behalf of itself, its officers, employees, agents and advisors disclaim any liability to any third party arising out of or related to the information contained in the Schedules and Statements and reserve all rights with respect thereto.

The Schedules and Statements have been signed by an authorized representative of the Debtor. In reviewing and signing the Schedules and Statements, this representative relied upon the efforts, statements and representations of the Debtor's other personnel and professionals. The representative has not (and could not have) personally verified the accuracy of each such statement and representation, including, for example, statements and representations concerning amounts owed to creditors and their addresses.

### **Global Notes and Overview of Methodology**

1. **Basis of Presentation.** The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States ("GAAP"), nor are they intended to be fully reconciled with the financial statements of the Debtor (whether publicly filed or otherwise). Additionally, the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment. Moreover, given, among other things, the uncertainty surrounding the collection and ownership of certain assets and the valuation and nature of certain liabilities, to the extent that a Debtor shows more assets than liabilities, this is not an admission that the Debtor was solvent as of the Petition Date or at any time before the Petition Date. Likewise, to the extent a Debtor shows more liabilities than assets, this is not an admission that the Debtor was insolvent as of the Petition Date or any time before the Petition Date.
2. **Reservation of Rights.** Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, inadvertent errors or omissions may exist. The Debtor reserves all rights to amend or supplement the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including, without limitation, the right to amend the Schedules and Statements with respect to any claim ("Claim") description, designation, dispute or otherwise assert offsets or defenses to any Claim reflected in the Schedules and Statements as to amount, liability, priority, status, or classification; subsequently designate any Claim as "disputed," "contingent," or "unliquidated;" or object to the extent, validity, enforceability, priority, or avoidability of any Claim. Any failure to designate a Claim in the Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtor that such Claim or amount is not "disputed," "contingent," or "unliquidated." Listing a Claim does not constitute an admission of liability by the Debtor. Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to the Debtor's chapter 11 case, including, without limitation, issues involving Claims, substantive consolidation, defenses, equitable subordination, recharacterization, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code, and any other relevant non- bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph. Notwithstanding the foregoing, the Debtor shall not be required to update the Schedules and Statements.

3. **Global Notes.** These Global Notes are in addition to any specific notes set forth in the Schedules and Statements. The fact that the Debtor has prepared a Global Note with respect to a particular Schedule or Statement and not as to others does not reflect and should not be interpreted as a decision by the Debtor to exclude the applicability of such Global Note to any or all of the Debtor's remaining Schedules or Statements, as appropriate. Disclosure of information in one Schedule, one Statement, or an exhibit or attachment to a Schedule or Statement, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedule, Statement, exhibit, or attachment.

4. **Description of Case and "as of" Information Date.** On the Petition Date, the Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtor is operating its business and managing its property as a debtor in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

The asset information provided in the Schedules and Statements, except as otherwise noted, represents the asset and liability data of the Debtor as of the Petition Date.

5. **Net Book Value of Assets.** Except as otherwise noted, each asset and liability is shown on the basis of net book value of the asset or liability in accordance with the Debtor's accounting books and records. Therefore, unless otherwise noted, the Schedules and Statements are not based upon any estimate of the current market values of the Debtor's assets and liabilities, which may not correspond to book values. It would be cost prohibitive and unduly burdensome to obtain current market valuations of the Debtor's property interests. Additionally, because the book values of certain assets may materially differ from their fair market values, they may be listed as undetermined amounts as of the Petition Date. Furthermore, as applicable, assets that have fully depreciated or were expensed for accounting purposes may not appear in the Schedules and Statements if they have no net book value.

6. **Recharacterization.** Notwithstanding the Debtor's reasonable efforts to properly characterize, classify, categorize, or designate certain Claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements, the Debtor may, nevertheless, have improperly characterized, classified, categorized, designated, or omitted certain items due to the complexity and size of the Debtor's business. Accordingly, the Debtor reserves all of its rights to recharacterize, reclassify, recategorize, redesignate, add, or delete items reported in the Schedules and Statements at a later time as is necessary or appropriate as additional information becomes available, including, without limitation, whether contracts or leases listed herein were deemed executory or unexpired as of the Petition Date and remain executory and unexpired postpetition.

7. **Real Property and Personal Property—Leased.** In the ordinary course of its business, the Debtor leased real property. The Debtor has made reasonable efforts to list all leases in the Schedules and Statements. However, nothing in the Schedules or Statements is or shall be construed as an admission or determination as to the legal status of any lease (including whether to assume and assign or reject such lease or whether it is a true lease or a financing arrangement).

8. **Excluded Assets and Liabilities.** The Debtor has sought to allocate liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional

information becomes available and further research is conducted, the allocation of liabilities between the prepetition and postpetition periods may change.

The liabilities listed on the Schedules do not reflect any analysis of Claims under section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtor reserves all of its rights to dispute or challenge the validity of any asserted Claims under section 503(b)(9) of the Bankruptcy Code or the characterization of the structure of any such transaction or any document or instrument related to any creditor's Claim.

The Debtor has excluded certain categories of assets, tax accruals, and liabilities from the Schedules and Statements, including, without limitation, goodwill, accrued salaries, employee benefit accruals, and deferred gains. In addition, certain immaterial assets and liabilities may have been excluded.

The Bankruptcy Court has authorized the Debtor to pay, in its discretion, certain outstanding Claims relating to employees and critical vendors on a postpetition basis. Prepetition liabilities relating to employees which have been paid postpetition have been excluded from the Schedules and Statements.

9. **Insiders.** Solely, for purposes of the Schedules and Statements, the Debtor defines "insiders" to include the following: (a) directors; (b) senior level officers; (c) equity holders holding in excess of 5% of the voting securities of the Debtor; (d) Debtor affiliates; and (e) relatives of any of the foregoing (to the extent known by the Debtor). Entities listed as "insiders" have been included for informational purposes and their inclusion shall not constitute an admission that those entities are insiders for purposes of section 101(31) of the Bankruptcy Code.
10. **Intellectual Property Rights.** The exclusion of any intellectual property shall not be construed as an admission that such intellectual property rights have been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction.
11. **Executory Contracts and Unexpired Leases.** Other than real property leases reported in Schedule A/B 55, the Debtor has not necessarily set forth executory contracts and unexpired leases as assets in the Schedules and Statements, even though these contracts and leases may have some value to the Debtor's estate. The Debtor's executory contracts and unexpired leases have been set forth in Schedule G.
12. **Materialman's/Mechanic's Liens.** The assets listed in the Schedules and Statements are presented without consideration of any materialman's or mechanic's liens.
13. **Classifications.** Listing a Claim or contract on (a) Schedule D as "secured," (b) Schedule E/F part 1 as "priority," (c) Schedule E/F part 2 as "unsecured," or (d) Schedule G as "executory" or "unexpired," does not constitute an admission by the Debtor of the legal rights of the claimant, or a waiver of the Debtor's rights to recharacterize or reclassify such Claims or contracts or leases or to exercise their rights to setoff against such Claims.
14. **Claims Description.** Schedules D and E/F permit the Debtor to designate a Claim as "disputed," "contingent," and/or "unliquidated." Any failure to designate a Claim on the

Debtor's Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by that Debtor that such amount is not "disputed," "contingent," or "unliquidated," or that such Claim is not subject to objection. Moreover, listing a Claim does not constitute an admission of liability by the Debtor.

**15. Causes of Action.** Despite its reasonable efforts to identify all known assets, the Debtor may not have listed all of its causes of action or potential causes of action against third-parties as assets in the Schedules and Statements, including, without limitation, causes of actions arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. The Debtor reserves all of its rights with respect to any cause of action (including avoidance actions), controversy, right of setoff, cross-Claim, counter-Claim, or recoupment and any Claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law, or in equity, or pursuant to any other theory of law (collectively, "Causes of Action") it may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any Claims or Causes of Action or in any way prejudice or impair the assertion of such Claims or Causes of Action.

**16. Litigation.** The Debtor has made reasonable efforts to accurately record litigation actions (collectively, the "Litigation Actions") in the Schedules and Statements to which the Debtor is party. The inclusion of any Litigation Action in the Schedules and Statements does not constitute an admission by the Debtor of liability, the validity of any Litigation Action or the amount of any potential claim that may result from any claims with respect to any Litigation Action, or the amount and treatment of any potential claim resulting from any Litigation Action currently pending or that may arise in the future.

**17. Summary of Significant Reporting Policies.** The following is a summary of significant reporting policies:

- a. Undetermined Amounts. The description of an amount as "unknown," "TBD" or "undetermined" is not intended to reflect upon the materiality of such amount.
- b. Totals. All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total.
- c. Liens. Property and equipment listed in the Schedules and Statements are presented without consideration of any liens that may attach (or have attached) to such property and equipment.

**18. Estimates and Assumptions.** Because of the timing of the filings, management was required to make certain estimates and assumptions that affected the reported amounts

of the Debtor's assets and liabilities. Actual amounts could differ from those estimates, perhaps materially.

- 19. Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars.
- 20. Setoffs.** The Debtor incurs certain offsets and other similar rights during the ordinary course of business. Offsets in the ordinary course can result from various items, including, without limitation, intercompany transactions, pricing discrepancies, returns, refunds, warranties, debit memos, credits, and other disputes between the Debtor and its suppliers and/or customers. These offsets and other similar rights are consistent with the ordinary course of business in the Debtor's industry and are not tracked separately. Therefore, although such offsets and other similar rights may have been accounted for when certain amounts were included in the Schedules, offsets are not independently accounted for, and as such, are or may be excluded from the Debtor's Schedules and Statements.
- 21. Addresses of Individuals.** Addresses of individuals have been removed from entries listed on Schedules E/F and G and the Statements, as applicable. These addresses are available upon request of the Office of the United States Trustee and the Bankruptcy Court.
- 22. Global Notes Control.** If the Schedules and Statements differ from these Global Notes, the Global Notes shall control.

### **Specific Disclosures with Respect to the Debtor's Schedules**

**Schedule A/B.** Unless otherwise noted, the amounts listed on Schedule A/B represent the value of the Debtor's assets as reflected in the Debtor's books and records as of the Petition Date. The Debtor has performed no independent review of the value of these assets. The actual value of the assets listed may differ significantly from the amounts reflected in the Debtor's books and records. The Debtor has also not listed certain equipment, inventory, documents and/or surplus, obsolete, non-core, or burdensome assets on Schedule A/B.

**Schedule D.** The Debtor has not included on Schedule D parties that may believe their Claims are secured through setoff rights, letters of credit, surety bonds, or inchoate statutory lien rights.

Any description of any lien or of the Debtor's property that is subject to a lien that is included in Schedule D is not an admission by the Debtor of the validity or the enforceability of the lien. The descriptions included in Schedule D are derived from the various filings that record a creditor's alleged interest in the Debtor's property. The Debtor reserves all rights to challenge these interests in connection with the Chapter 11 Case.

**Schedule E/F part 2.** The Debtor has used reasonable efforts to report all general unsecured Claims against the Debtor on Schedule E/F part 2, based upon the Debtor's books and records as of the Petition Date.

Determining the date upon which each Claim on Schedule E/F part 2 was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Debtor did not list a date for each Claim listed on Schedule E/F part 2. Furthermore, Claims listed on Schedule E/F part 2 may have been aggregated by unique creditor name and remit to address and may include several dates of incurrence for the aggregate balance listed.

Schedule E/F part 2 contains information regarding pending litigation involving the Debtor. The dollar amount of potential Claims associated with any such pending litigation is listed as

“undetermined” and marked as contingent, unliquidated, and disputed in the Schedules and Statements. Some of the litigation Claims listed on Schedule E/F may be subject to subordination pursuant to section 510 of the Bankruptcy Code. Further, the incidents underlying the litigation Claims listed on Schedule E/F may have given rise to related obligations that the Debtor may be responsible for. Inclusion of these related obligations on Schedule E/F is not intended to suggest that the litigation counterparty is entitled to multiple or duplicative recoveries. Schedule E/F part 2 also includes potential or threatened litigation claims. Any information contained in Schedule E/F part 2 with respect to such potential litigation shall not be a binding representation of the Debtor’s liabilities with respect to any of the potential suits and proceedings included therein. The Debtor expressly incorporates by reference into Schedule E/F part 2 all parties to pending litigation listed in the Debtor’s Statements 7, as contingent, unliquidated, and disputed claims, to the extent not already listed on Schedule E/F part 2.

Schedule E/F part 2 reflects the prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption, or assumption and assignment, of executory contracts or unexpired leases. Additionally, Schedule E/F part 2 does not include potential rejection damage Claims, if any, of the counterparties to executory contracts and unexpired leases that may be rejected.

**Schedule G.** The business of the Debtor is complex and, while every effort has been made to ensure the accuracy of Schedule G, inadvertent errors or omissions may have occurred. The Debtor hereby reserves all of its rights to (i) dispute the validity, status or enforceability of any contracts, agreements or leases set forth in Schedule G and (ii) amend or supplement such Schedule as necessary. Furthermore, the Debtor reserves all of its rights, claims and causes of action with respect to the contracts and agreements listed on the Schedules, including the right to dispute or challenge the characterization or the structure of any transaction, document or instrument. The presence of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or an unexpired lease.

Certain information, such as the contact information of the counter-party, may not be included where such information could not be obtained using the Debtor’s reasonable efforts. Listing or omitting a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is or is not an executory contract or unexpired lease, was in effect on the Petition Date, or is valid or enforceable. Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, indemnifications, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties, and obligations are not set forth separately on Schedule G.

Certain confidentiality and non-disclosure agreements may not be listed on Schedule G.

Certain of the contracts and agreements listed on Schedule G may consist of several parts, including, purchase orders, amendments, restatements, waivers, letters, and other documents that may not be listed on Schedule G or that may be listed as a single entry. In some cases, the same supplier or provider appears multiple times on Schedule G. This multiple listing is intended to reflect distinct agreements between the Debtor and such supplier or provider. The Debtor expressly reserves its right to challenge whether such related materials constitute an executory contract, a single contract or agreement, or multiple, severable or separate contracts.

The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda and other documents, instruments, and agreements that may not be listed therein despite the Debtor's use of reasonable efforts to identify such documents. Further, unless otherwise specified on Schedule G, each executory contract or unexpired lease listed thereon shall include all exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without respect to whether such agreement, instrument, or other document is listed thereon.

In addition, the Debtor may have entered into various other types of agreements in the ordinary course of its business, such as subordination, nondisturbance, and attornment agreements, supplemental agreements, settlement agreements, amendments/letter agreements, title agreements and confidentiality agreements. Such documents may not be set forth on Schedule G. Certain of the executory agreements may not have been memorialized and could be subject to dispute. Executory agreements that are oral in nature have not been included on the Schedule G.

**Schedule H.** For purposes of Schedule H, the Debtor may not have identified certain guarantees associated with the Debtor's executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements.

In the ordinary course of its business, the Debtor may be involved in pending or threatened litigation. These matters may involve multiple plaintiffs and defendants, some or all of whom may assert cross-Claims and counter-Claims against other parties. Because the Debtor has treated all such Claims as contingent, disputed, or unliquidated, such Claims have not been set forth individually on Schedule H. Litigation matters can be found on the Debtor's Schedule E/F part 2 and Statement 7, as applicable.

### **Specific Disclosures with Respect to the Debtor's Statements**

**Statement 3.** Statement 3 includes any disbursement or other transfer made by the Debtor within 90 days before the Petition Date except for those made to insiders (which payments appear in response to Statement question 4 and Statement question 30), and employees. The amounts listed in Statement 3 reflect the Debtor's disbursements netted against any check level detail; thus, to the extent a disbursement was made to pay for multiple invoices, only one entry has been listed on Statement 3.

**Statement 4.** Statement 4 accounts for the Debtor's transfers to insiders for expense reimbursement and board of director fees. All salary payments to insiders are reported in Statement 30. Amounts paid on behalf of such employee for certain life and disability coverage, which coverage is provided to all of the Debtor's employees, has not been included.

The listing of a party as an Insider in the Schedules and Statements is not intended to be, nor shall be, construed as a legal characterization or determination of such party as an actual insider and does not act as an admission of any fact, claim, right or defense, and all such rights, claims, and defenses are hereby expressly reserved.

**Statement 7.** Any information contained in Statement 7 shall not be a binding representation of the Debtor's liabilities with respect to any of the suits and proceedings identified therein.

The Debtor used reasonable efforts to identify all pending litigation and assign appropriate descriptions thereto. In the event that the Debtor discovers additional information pertaining to these legal actions identified in response to Question 7, the Debtor will use reasonable efforts to supplement the Statements in light thereof.

**Statement 10.** The Debtor occasionally incurs losses for a variety of reasons, including theft and property damage. The Debtor, however, may not have records of all such losses if such losses do not have a material impact on the Debtor's business or are not reported for insurance purposes.

**Statement 11.** Out of an abundance of caution, the Debtor has included payments to all professionals who have rendered any advice related the Debtor's bankruptcy proceedings in Statement 11. However, it is possible that the disclosed fees also relate to other, non-bankruptcy related services, and may include services rendered to other parties.

**Statement 26d.** The Debtor has provided financial statements in the ordinary course of its business to numerous financial institutions, creditors, and other parties within two years immediately before the Petition Date. Considering the number of such recipients and the possibility that such information may have been shared with parties without the Debtor's knowledge or consent or subject to confidentiality agreements, the Debtor has not disclosed any parties that may have received such financial statements for the purposes of Statement 26d.

**Statement 30.** All salary payments to insiders are reported in Statement 30. Payments to insiders relating to expense reimbursement and board of director fees are reported in Statement 4.
