IT IS ORDERED that the Motion is **GRANTED** on an interim basis as provided herein;

IT IS FURTHER ORDERED that to provide adequate assurance of payment for future services to the Utility Companies, (1) the Debtors are authorized to pay all undisputed invoices for pre-petition Utility Services provided by the Utility Companies to the Debtors, (2) the

² Capitalized terms not otherwise defined herein shall have the meaning ascribed to such terms in the Motion.

Debtors are authorized to pay on a timely basis and in accordance with its pre-petition practices all undisputed invoices for post-petition Utility Services provided by the Utility Companies to the Debtors and (3) each Utility Company shall retain any pre-petition deposits made by the Debtors in connection with such Utility Deposit;

IT IS FURTHER ORDERED, except in accordance with the procedures set forth below, absent further order of the Court, each Utility Company is prohibited from (a) altering, refusing, or discontinuing service to, or discriminating against the Debtors solely on the basis of the commencement of the Chapter 11 cases or on account of any unpaid invoice for services provided before the Petition Date and (b) requiring the Debtors to furnish any additional deposit or other security to the Utility Companies for the continued provision of Utility Services;

IT IS FURTHER ORDERED that to the extent a Utility Company seeks additional adequate assurance of future payment, it must follow the following procedure:

- a. Any Utility Company desiring assurance of future payment for utility service beyond the Proposed Adequate Assurance must serve a request (an “Additional Assurance Request”) so that it is received by the Debtors on or before the thirtieth (30th) calendar day following entry of this Order at the following address: **Heller, Draper, Patrick, Horn & Dabney, LLC, 650 Poydras Street, Suite 2500, New Orleans, Louisiana 70130 (Attn: Tristan Manthey)**.
- b. Any Additional Assurance Request must (i) be made in writing; (ii) set forth the location(s) for which utility services are provided and the relevant account number(s); (iii) describe any deposits, prepayments or other security currently held by the requesting Utility Company and (iv) explain why the requesting Utility Company believes the Proposed Adequate Assurance is not sufficient adequate assurance of future payment.

The Debtors, in their discretion, may resolve any Additional Assurance Request by mutual agreement with the requesting Utility Company and without further order of the Court, and may, in connection with any such resolution, in their discretion, provide the requesting Utility Company with additional adequate assurance of future payment in a form satisfactory to the Utility Company, including, but not limited to, cash deposits, prepayments and/or other forms of security, if the Debtors believe such additional assurance is reasonable.
- e. If the Debtors determine that an Additional Assurance Request is not reasonable, and are not able to resolve such request during the Resolution Period, the Debtors, during or immediately after the Resolution Period, will request a hearing before this Court to determine the adequacy of assurances of payment made to the requesting Utility Company (the “Determination Hearing”), pursuant to section 366(c)(3)(A) of the Bankruptcy Code.
- f. Pending the resolution of the Additional Assurance Request at a Determination Hearing, the Utility Company making such request shall be restrained from discontinuing, altering or refusing service to the Debtors on account of unpaid charges for pre-petition services.
- g. Any Utility Company that does not comply with the Adequate Assurance Procedures is deemed to find the Proposed Adequate Assurance satisfactory to it and is forbidden from discontinuing, altering or refusing service on account of any unpaid prepetition charges, or requiring additional assurance of payment (other than the Proposed Adequate Assurance).

IT IS FURTHER ORDERED that any Utility Company that fails to make a timely Additional Assurance Request is deemed satisfied that the Proposed Adequate Assurance supplies adequate assurance of payment and waives any right to make a Request for additional assurance of payment;

An Added Utility Company shall have thirty (30) days from the date of such service to make an Adequate Assurance Request and the Debtors shall have thirty (30) days after receipt of such Adequate Assurance Request to request a Determination Hearing objecting to such Adequate Assurance Request. Such Adequate Assurance Request must otherwise comply with the requirements of this Order;

IT IS FURTHER ORDERED that the inclusion or exclusion of any entity on or from Exhibit A or on or from any amended Exhibit A shall not constitute an admission that such entity is or is not a “utility” within the meaning of Bankruptcy Code § 366. This Order specifically reserves the Debtors’ right to argue that (a) any of the entities listed on Exhibit A or any amended Exhibit A is not a “utility” within the meaning of Bankruptcy Code § 366, and (b) any such entity is compelled by contractual obligation, federal, state or local law, or otherwise, to continue to furnish services to the Debtors notwithstanding the Debtors’ filing of the Chapter 11 Cases;

IT IS FURTHER ORDERED that nothing in this Order or the Motion shall be deemed to vacate or modify any other restrictions on the termination of service by a Utility Company as provided by Bankruptcy Code §§ 362 and 365 or other applicable law and nothing herein or in the Motion shall constitute postpetition assumption or adoption of any agreement pursuant to Bankruptcy Code § 365. Nothing in this Order shall be deemed a waiver by the Debtors or any other party of any right with respect to the assumption or rejection of an executory contract;

IT IS FURTHER ORDERED the Debtors shall make no payment pursuant to this Order unless authorized under the Budget, the DIP Orders, or any other cash collateral order or financing order entered in these Chapter 11 cases;

IT IS FURTHER ORDERED that the terms and conditions of this Interim Order shall be effective and enforceable immediately upon its entry. **The Interim Order shall be deemed to be the Final Order with respect to any Utility Company that does not timely make an Adequate Assurance Request as described herein;**

IT IS FURTHER ORDERED that to the extent applicable, the requirements of Bankruptcy Rule 6004(a) are waived;

IT IS FURTHER ORDERED that notwithstanding Bankruptcy Rule 6004(h), to the extent applicable, this Order shall be effective and enforceable immediately upon entry hereof;

IT IS FURTHER ORDERED that a final hearing will be held on the Motion on **August 25, 2017 at 1:30 p.m., Central Standard Time**, before the Honorable Robert Summerhays, United States Bankruptcy Court, Western District of Louisiana – Lafayette Division, 214 Jefferson Street, Suite 100, Lafayette, Louisiana 70501.
