**IT HEREBY IS FOUND AND DETERMINED THAT:**<sup>4</sup>

<sup>2</sup> A true and correct copy of the form of the APA is attached hereto as **Exhibit A**.

<sup>3</sup> Capitalized terms not otherwise defined herein have the meanings ascribed to them in the Motion, in the Bid Procedures Order, or in the APA, as applicable.

<sup>4</sup> All findings of fact and conclusions of law announced by the Court at the Sale Hearing are hereby incorporated herein to the extent not inconsistent herewith.

A. **Jurisdiction and Venue.** This Court has jurisdiction over this matter and over the property of the Debtors and their respective bankruptcy estates pursuant to 28 U.S.C. §§ 157(a) and 1334. This matter is a core proceeding pursuant to 28 U.S.C. § 157(b)(2)(A), (M), (N), and (O). Venue of these Chapter 11 Cases and the Motion is proper pursuant to 28 U.S.C. §§ 1408 and 1409. The statutory and other legal predicates for the relief sought in the Motion and granted herein are Sections 105, 363, and 365 of the Bankruptcy Code and Bankruptcy Rules 2002, 6004, 6006, 9008, 9014 and 9019.

B. **Notice.** As evidenced by the affidavits of service on file with the Court, due, proper, timely, adequate, and sufficient notice and a reasonable opportunity to object or be heard with respect to the Motion, the Auction, the Sale Hearing, the Sale Transaction, and the assumption and assignment of the Assumed Contracts has been provided in accordance with the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, the Bid Procedures Order, and the Bid Protections Order to all known interested parties, including to (a) all persons known by the Debtors to have expressed an interest to the Debtors in a transaction with respect to the Purchased Assets during the past six (6) months; (b) all entities known by the Debtors to have asserted any lien or interest in the Purchased Assets; (c) all non-debtor parties to the Assumed Contracts; (d) the U.S. Trustee; (e) the Committee and its counsel; (f) any governmental unit known to have a claim in the Chapter 11 Cases; (g) all other known creditors and equity security holders of the Debtors; (h) all persons that have requested special notice in the Chapter 11 Cases; and (i) all other persons as directed by the Court. In addition, the Debtors caused the Sale Notice to be published in the *USA Today* on October 15, 2018 and in *Variety* on October 16, 2018. Accordingly, except as otherwise set forth herein, no other or further notice of the foregoing or this Order is necessary or required.

C. **Compliance with Bid Procedures Order and Bid Protections Order.** As demonstrated by evidence proffered or adduced and the representations of counsel at the Sale Hearing, the Debtors have conducted an adequate marketing process and a fair and open sale process in compliance with the Bid Procedures Order and Bid Protections Order. The Bid Procedures were substantively and procedurally fair to all parties, were the result of arm's length negotiations, and afforded a full, fair, and reasonable opportunity for any interested party to make a higher or otherwise better offer to purchase the Purchased Assets. The Bid Procedures, the Bid Procedures Order, and the Bid Protections Order have been complied with in all material respects by the Debtors and the Buyer.

D. **Corporate Authority.** The Debtors and the Buyer (i) have full corporate power and authority to execute and deliver the APA and all other documents contemplated thereby, (ii) have all necessary power and authority to consummate the Sale Transaction, and (iii) have taken all necessary action to authorize and approve the APA and to consummate the Sale Transaction. No consents or approvals, other than those expressly provided for in the APA, are required for the Debtors to consummate the Sale Transaction.

E. **Business Justification.** Approval of the APA and consummation of the Sale Transaction is in the best interests of the Debtors, the estates, creditors, and other parties in interest. The Debtors have demonstrated good, sufficient, and sound business purposes and justifications for the sale of the Purchased Assets to the Buyer pursuant to Section 363(b) of the Bankruptcy Code.

F. **Highest and Otherwise Best Offer.** The consideration to be provided by the Buyer pursuant to the APA: (i) is fair and reasonable; (ii) is the highest and otherwise best offer for the Purchased Assets; and (iii) constitutes reasonably equivalent value and fair consideration

for the Purchased Assets under the Bankruptcy Code, the Uniform Voidable Transactions Act, the Uniform Fraudulent Transfer Act, the Uniform Fraudulent Conveyance Act, and any similar applicable laws of the United States, any state, territory, possession thereof, and the District of Columbia. The terms and conditions set forth in the APA are fair and reasonable under the circumstances and were not entered into for the purpose of, nor do they have the effect of, hindering, delaying, or defrauding any creditor of the Debtors under any of the foregoing federal or state laws or any other applicable laws.

G. **Good Faith Purchaser.** The APA and the Sale Transaction were proposed, negotiated, and entered into by and among the Debtors and the Buyer without collusion or fraud, in good faith, and at arm's length. The Buyer is a good faith purchaser within the meaning of Bankruptcy Code Section 363(m) and is therefore entitled to the full protection of that provision with respect to the APA and the Sale Transaction. There has been no showing that the Debtors or the Buyer have engaged in any action or inaction that would cause or permit the APA or the Sale Transaction to be avoided or any costs or damages to be imposed under Bankruptcy Code Section 363(n). The Buyer is not an "insider" of the Debtors as that term is defined in Bankruptcy Code Section 101(31).

H. **Legal, Valid, and Binding Transfer.** The Purchased Assets are property of the Debtors' estates and title thereto is vested in the Debtors' estates within the meaning of Section 541(a) of the Bankruptcy Code. The transfer of the Purchased Assets to the Buyer will be a legal, valid, and effective transfer of the Purchased Assets and, except as provided in the APA or this Order, will vest the Buyer with all right, title, and interest of the Debtors to the Purchased Assets free and clear of all liens, claims, interests, and encumbrances, unless specifically

assumed by the Buyer pursuant to the APA. The APA is a valid and binding contract between the Debtors and the Buyer and shall be enforceable according to its terms.

I. **Free and Clear.** The Buyer would not have entered into the APA and would not consummate the Sale Transaction if the transfer of the Purchased Assets to the Buyer and the assumption and assignment of the Assumed Contracts to the Buyer were not free and clear of all liens, claims, interests, and encumbrances as provided for herein. Subject to the provisions of this Order and except for Permitted Liens as specifically provided in the APA or this Order, the Debtors may sell the Purchased Assets free and clear of all liens, claims, interests, and encumbrances because, in each case, one or more of the standards set forth in Section 363(f)(1) through (5) of the Bankruptcy Code have been satisfied. Each entity with a lien, claim, interest, or encumbrance in the Purchased Assets to be transferred on the Closing Date: (i) has, subject to the terms and conditions of this Order, consented to the Sale Transaction or is deemed to have consented; (ii) could be compelled in a legal or equitable proceeding to accept money satisfaction of such lien, claim, interest, or encumbrance; or (iii) otherwise falls within the provisions of Bankruptcy Code Section 363(f). Those holders of liens, claims, interests, and encumbrances who did not object to the Motion are deemed to have consented to the Sale Transaction and the relief provided for herein pursuant to Bankruptcy Code Section 363(f)(2).

J. **Not a Sub Rosa Plan.** The APA and Sale Transaction do not constitute an impermissible *sub rosa* chapter 11 plan for which approval has been sought without the protections that a disclosure statement would afford. The APA and the Sale Transaction neither impermissibly restructure the rights of the Debtors' creditors nor impermissibly dictate a liquidating plan for the Debtors.

K. **No Successor Liability.** The Buyer (i) is not, and shall not be, considered a successor in interest to the Debtors, (ii) has not, *de facto* or otherwise, merged with or into the Debtors, (iii) is not a continuation or substantial continuation of the Debtors or any enterprise of the Debtors, (iv) is not, and shall not be, considered to have acquired the trade or business of any of the Debtors for any purpose under applicable U.S. federal law (including the Bankruptcy Code and the Internal Revenue Code of 1986, as amended), (v) is not, and shall not be, considered to have acquired the workforce in place (including any of the Debtors' employees) or goodwill or trademarks of the Debtors (other than certain incidental and ancillary rights, which have no value, and are necessary for the ownership of or right to use (including further development of) the other Purchased Assets), and (vi) is not holding itself out to the public as a continuation of the Debtors or the Debtors' trade or business. Except as otherwise specifically provided in the APA, the transfer of the Purchased Assets to the Buyer and assumption by the Debtors and assignment to the Buyer of the Assumed Contracts do not and will not subject the Buyer to any liability whatsoever with respect to the operation of the Debtors' businesses before the Closing Date or by reason of such transfer under the laws of the United States, any state, territory, or possession thereof, or the District of Columbia, based, in whole or in part, directly or indirectly, on any theory of law or equity, including, without limitation, any theory of antitrust, successor, transferee, or assignee liability.

L. **Personally Identifiable Information.** Notwithstanding anything to the contrary in the APA, personally identifiable information will not be considered Purchased Assets.

M. **Assumption of Executory Contracts and Unexpired Leases.** Notice of the Debtors' assumption and assignment to the Buyer of the Assumed Contracts has been provided to each non-debtor counterparty to an Assumed Contract, together with the amount, if any, to be

paid to such non-debtor counterparty to cure any defaults under, and to otherwise comply with the requirements of Section 365(b) of the Bankruptcy Code with respect to each Assumed Contract (the “Cure Amounts”). As to each Assumed Contract, payment of the Cure Amounts set forth on **Exhibit B** hereto (or such other Cure Amounts as agreed, in writing, by the Debtors, the Buyer and the counterparty to the applicable Assumed Contract or ordered by this Court) is sufficient for the Debtors to comply fully with the requirements of Section 365(b) of the Bankruptcy Code. In addition, the Buyer has provided adequate assurance of its ability to perform its obligations under each of the Assumed Contracts within the meaning of Section 365 of the Bankruptcy Code. All other requirements and conditions under the Bankruptcy Code for the assumption by the Debtors and assignment to the Buyer of the Assumed Contracts have been satisfied. Therefore, the Assumed Contracts may be assumed by the Debtors and assigned to the Buyer.

N. **Prompt Consummation.** The Sale Transaction must be approved and consummated promptly in order to maximize value for the Debtors’ estates. Time is of the essence in consummating the Sale Transaction. The Debtors have demonstrated compelling circumstances and good and sufficient cause for the immediate approval and consummation of the transactions contemplated by the APA, including, without limitation, the Sale Transaction and the assumption and assignment of the Assumed Contracts, prior to, and outside of, a chapter 11 plan.

**THEREFORE, IT IS ORDERED, ADJUDGED AND DECREED THAT:**

1. The Motion is GRANTED as set forth herein.
2. Any objections filed or asserted in response to the Motion and the relief granted herein, to the extent not resolved as set forth herein or on the record at the Sale Hearing, are

account of a Cure Amount that is presently subject to the cure resolution process contemplated by Section 2.8(c) of the APA.

3. The APA with the Buyer, including all of its terms and conditions, and the Sale Transaction are hereby approved.

4. Pursuant to Sections 363 and 365 of the Bankruptcy Code, the Debtors are authorized to (i) execute, deliver, perform under, consummate, and implement the APA and the Sale Transaction together with all additional documents as may be reasonably necessary or desirable to implement the APA and the Sale Transaction and (ii) take any and all actions as they deem necessary, appropriate, or advisable for the purpose of assigning, transferring, granting, conveying, and conferring to the Buyer or reducing to possession the Purchased Assets, or as may be necessary or appropriate to the performance of the obligations as contemplated by the APA and the Sale Transaction, including, without limitation, any and all actions reasonably requested by the Buyer which are consistent with the APA and the Sale Transaction.

5. Pursuant to Sections 105(a), 363(f), and 365(b) of the Bankruptcy Code, upon the Closing of the Sale Transaction: (a) the transfer of the Purchased Assets to the Buyer pursuant to the APA shall constitute a legal, valid, and effective transfer of the Purchased Assets and shall vest the Buyer with all right, title, and interest in and to the Purchased Assets; and (b) except those specifically assumed by the Buyer pursuant to the APA and for Permitted Liens as specifically provided in the APA, the Purchased Assets shall be transferred to the Buyer free and clear of all liens, claims, interests, and encumbrances—including, without limitation, (i) any infringement claims arising before the Closing Date, (ii) liabilities for any Seller Party Employees except liabilities arising for Buyer Employees arising after the Closing Date; and (iii) any and all Liabilities for Taxes (y) of or imposed on the Seller Parties (or any member or

Affiliate of the Seller Parties) or (z) related or attributable to the Purchased Assets or the Business for any pre-Closing tax period—with any such liens, claims, interests, and encumbrances of which the Purchased Assets are sold free and clear to attach to the proceeds of the Sale Transaction, in the order of their priority, with the same validity, force, and effect which they had against the Purchased Assets prior to the entry of this Order, subject to any rights, claims, and defenses the Debtors, their estates, and all interested parties may possess with respect thereto; and all persons are forever prohibited and enjoined from commencing or continuing in any manner any action or other proceeding, whether in law or equity, against Buyer with respect to any such liens, claims, interests, and encumbrances.

6. Any obligations related to Guild Residuals for the period prior to September 5, 2018 shall not be subject to further claim, dispute or audit, including, without limitation, any claim, dispute or audit based on performance of the Purchased Titles prior to the Closing Date, except to the extent provided for in Section 2.8 of the APA.

7. Any obligations related to Participations for the period prior to September 5, 2018 shall not be subject to further claim, dispute or audit, including, without limitation, any claim, dispute or audit based on performance of the Purchased Titles prior to the Petition Date. For the avoidance of doubt, except as may otherwise be expressly set forth herein, this Order shall not cut off or be deemed to waive audit rights, if any, based on performance of the Purchased Titles for the time period between the Petition Date and the Closing Date.

8. On the Closing Date, this Order shall be construed and shall constitute for any and all purposes a full and complete general assignment, conveyance, and transfer of the Debtors' interests in the Purchased Assets or a bill of sale transferring good and marketable title in the Purchased Assets.

9. This Order is and shall be effective as a determination that all liens, claims, interests, and encumbrances (other than those expressly assumed by the Buyer or permitted to survive under the APA) shall be and are, without further action by any person or entity, unconditionally released, discharged, and terminated with respect to the Purchased Assets as of the Closing Date, except as may otherwise be set forth in the APA or this Order. The provisions of this Order authorizing the sale and assignment of the Purchased Assets free and clear of all liens, claims, interests, and encumbrances shall be self-executing, and notwithstanding the failure of the Debtors, the Buyer, or any other party to execute, file, or obtain releases, termination statements, assignments, consents, or other instruments to effectuate, consummate, and/or implement the provisions hereof, all liens, claims, interests, and encumbrances (other than those expressly assumed by the Buyer or permitted to survive under the APA) on or against such Purchased Assets, if any, shall be deemed released, discharged, and terminated.

10. Except as otherwise provided herein or in the APA, on the Closing Date, the Debtors' creditors are authorized to execute such documents and instruments and to take all other actions as may be reasonably necessary to document and effectuate the release of their liens, claims, interests, entitlements, and encumbrances in the Purchased Assets (other than those expressly assumed by the Buyer or permitted to survive under the APA), if any, as such liens, claims, interests, and encumbrances may have been recorded or may otherwise exist. If any such creditor fails to execute any such documents or instruments or take any such actions, the Buyer is authorized to execute such documents and instruments and to take such actions on behalf of the creditor so as to document and effectuate the release of such liens, claims, interests, entitlements and encumbrances.

11. The Buyer and its successors and assigns shall not be deemed, as a result of any action taken in connection with the transfer of the Purchased Assets, to (i) be a successor to the Debtors or their estates, (ii) have, de facto or otherwise, merged or consolidated with or into the Debtors or their estates, (iii) be a continuation or substantial continuation of the Debtors or any enterprise of the Debtors, (iv) to have acquired the trade or business of any of the Debtors for any purpose under applicable U.S. federal law (including the Bankruptcy Code and the Internal Revenue Code of 1986, as amended), (v) to have acquired the workforce in place (including any of the Debtors' employees) or goodwill or trademarks of the Debtors (other than certain incidental and ancillary rights, which have no value, and are necessary for the ownership of or right to use (including further development of) the Purchased Assets, or (vi) be held out to the public as a continuation of the Debtors or the Debtors' trade or business, and the Buyer shall have no successor, transferee, or vicarious liability of any kind or character, including, but not limited to, under any theory of foreign, federal, state, or local antitrust, environmental, successor, tax, ERISA, assignee, or transferee liability, labor, product liability, employment, de facto merger, substantial continuity, or other law, rule, or regulation, whether known or unknown as of the Closing Date, now existing or hereafter arising, whether asserted or unasserted, fixed or contingent, liquidated or unliquidated with respect to the Debtors or any obligations of the Debtors arising prior to the Closing Date. Except as otherwise provided herein or in the APA, the transfer of the Purchased Assets to the Buyer pursuant to the APA shall not result in the Buyer or the Purchased Assets having any liability or responsibility for, or being required to satisfy in any manner, whether in law or in equity, whether by payment, setoff, or otherwise, directly or indirectly, any claim against the Debtors or against any insider of the Debtors or any liens, claims, interests, or encumbrances.

12. All payments owed to Buyer under Section 2.11(d)(ii) of the APA shall be deemed administrative expenses under Bankruptcy Code §§ 503, 507.

13. Upon the Closing, and except as otherwise expressly provided in the APA with respect to Assumed Liabilities, the Buyer shall not be liable for any claims against, and liabilities of, the Debtors or any of the Debtors' predecessors or affiliates.

14. Pursuant to Section 365 of the Bankruptcy Code, the Debtors are authorized to assume the Assumed Contracts designated in the APA and this Order, make or cause to be made the Cure Amounts set forth on **Exhibit B** hereto (or such other Cure Amounts as agreed, in writing, by the Debtors, the Buyer and the counterparty to the applicable Assumed Contract or ordered by this Court), and assign the Assumed Contracts to the Buyer. Without limiting the foregoing, the Material Contracts that are scheduled to be assumed shall be in full in full force and effect and not in default, notwithstanding the Buyer not assuming any other Material Contract or any contract listed on Schedule 10.3. The Buyer shall pay the undisputed portion of the Cure Amounts set forth on **Exhibit B** hereto (or such other Cure Amounts as agreed, in writing, by the Debtors, the Buyer and the counterparty to the applicable Assumed Contract or ordered by this Court) within one (1) business day of the Closing, or reasonably promptly thereafter. Additionally, with respect to Awesomeness Distribution, LLC and Fox 2000 Pictures, a division of Twentieth Century Fox Film Corporation; Redrover Co, Ltd.; The Film Musicians Secondary Markets Fund; the Guilds; and Studiocanal S.A.S, unless otherwise agreed to between the Buyer and the respective counterparty, Buyer shall pay to counterparties to Assumed Contracts the difference between the estimated Cure Amounts for the period between September 6, 2018 through and including November 30, 2018 (the "Relevant Period") listed in the Cure Notice [Dkt No. 172, as amended by Dkt. No. 248] and the actual Cure Amounts due and owing

for the Relevant Period. For the period from December 1, 2018 through and including the Closing Date, the Buyer shall pay in the ordinary course those Participations and Residuals that come due post-Closing on account of Assumed Contracts.

15. The Buyer has provided adequate assurance of future performance under the Assumed Contracts within the meaning of section 365 of the Bankruptcy Code.

16. The Assumed Contracts, consistent with the provisions contained herein, shall be transferred to, and remain in full force and effect for the benefit of, the Buyer in accordance with their respective terms, notwithstanding any provision in any such Assumed Contract (including those of the type described in Section 365(b)(2) of the Bankruptcy Code) that prohibits, restricts, or conditions such assignment or transfer and, pursuant to Section 365(k) of the Bankruptcy Code, following payment of the Cure Amounts set forth on **Exhibit B** hereto (or such other Cure Amounts as agreed, in writing, by the Debtors, the Buyer and the counterparty to the applicable Assumed Contract or ordered by this Court), the Debtors shall be relieved from any further liability with respect to the Assumed Contracts after such assignment and sale to the Buyer.

17. All defaults or other obligations of the Debtors under the Assumed Contracts arising or accruing prior to the Closing (without giving effect to any acceleration clauses or any default provisions of the kind specified in Section 365(b)(2) of the Bankruptcy Code) shall be deemed cured, upon payment of the Cure Amounts set forth on **Exhibit B** hereto (or such other Cure Amounts as agreed, in writing, by the Debtors, the Buyer and the counterparty to the applicable Assumed Contract or ordered by this Court), and the Buyer shall have no liability arising or accruing under the Assumed Contracts on or prior to the Closing, except as otherwise expressly provided in the APA or this Order. The non-debtor counterparties to the Assumed Contracts are barred from asserting against the Debtors, their estates, the Buyer, and their

respective successors and assigns, any default or unpaid obligation allegedly arising or occurring before the Closing, any pecuniary loss resulting from such default, or any other obligation under the Assumed Contracts arising or incurred prior to the Closing, other than the Cure Amounts set forth on **Exhibit B** hereto (or such other Cure Amounts as agreed, in writing, by the Debtors, the Buyer and the counterparty to the applicable Assumed Contract or ordered by this Court).

18. The failure of the Debtors or the Buyer to enforce at any time one or more terms or conditions of any Assumed Contract shall not be a waiver of such terms or conditions or of the right of the Debtors or the Buyer, as the case may be, to enforce every term and condition of the Assumed Contracts. The validity of the assumption, assignment and sale of the Assumed Contracts to the Buyer shall not be affected by any existing dispute between any of the Debtors and any non-debtor counterparty to such Assumed Contract. Any party that may have had the right to consent to the assignment of any Assumed Contract is deemed to have consented for the purposes of Section 365 of the Bankruptcy Code.

19. To the extent a non-debtor counterparty to an Assumed Contract failed to timely object to a Cure Amount set forth on **Exhibit B** hereto, such Cure Amount shall be deemed to be finally determined and any such counterparty shall be prohibited from challenging, objecting to, or denying the validity and finality of the Cure Amount at any time.

20. The consideration provided by the Buyer under the APA constitutes (i) reasonably equivalent value under the Bankruptcy Code, the Uniform Fraudulent Transfer Act, and the Uniform Voidable Transactions Act, (ii) fair consideration under the Uniform Fraudulent Conveyance Act and (iii) reasonably equivalent value, fair consideration and fair value under any other applicable Laws of the United States, any state, territory or possession thereof, or the District of Columbia. The consideration provided by the Buyer for the Purchased Assets under

the APA is fair and reasonable and may not be avoided under Section 363(n) of the Bankruptcy Code.

21. The APA and the Sale Transaction are undertaken by the Buyer without collusion and in good faith, as that term is used in Section 363(m) of the Bankruptcy Code and, accordingly, the reversal or modification on appeal of the authorization provided herein to consummate the APA and the Sale Transaction shall not affect the validity of the sale of the Purchased Assets to the Buyer, unless this Order is duly stayed pending such appeal. The Buyer is a good faith Buyer of the Purchased Assets and is entitled to all of the benefits and protections afforded by Section 363(m) of the Bankruptcy Code.

22. All persons that are in possession of some or all of the Purchased Assets as of or after the Closing are hereby directed to surrender possession of such Purchased Assets to the Buyer as of the Closing or at such time thereafter as the Buyer may request. The Debtors agree to exercise commercially reasonable efforts to assist the Buyer in assuring that all persons that are presently, or on the Closing Date may be, in possession of some or all of the Purchased Assets in which the Debtors hold an interest will surrender possession of the Purchased Assets either to (i) the Debtors before the Closing Date, or (ii) the Buyer on or after the Closing Date.

23. This Order is and shall be binding upon and shall govern acts of all entities including, without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of fees, registrars of deeds, administrative agencies, governmental departments, secretaries of state, federal, state, and local officials, and all other persons, who may be required by operation of law, the duties of their office, or contract, to accept, file, register or otherwise record or release any documents or instruments that reflect that the Buyer is the assignee and owner of the Purchased Assets free and clear of all liens, claims,

interests, and encumbrances (other than those expressly assumed by the Buyer or permitted to survive under the APA) (all such entities being referred to as “Recording Officers”). All Recording Officers are authorized to strike recorded liens, mortgages, claims, interests, collateral assignments and encumbrances against the Purchased Assets recorded prior to the date of this Order unless the APA expressly provides that the Buyer is acquiring the Purchased Assets subject to such liens, mortgages, claims, interests, collateral assignments and encumbrances.

24. Following the Closing, no holder of any liens, mortgage, claims, interests, entitlements or encumbrances on or arising from the Purchased Assets (other than those expressly assumed by the Buyer or permitted to survive under the APA) or other party in interest may interfere with the Buyer’s use and enjoyment of the Purchased Assets based on or related to such liens, claims, interests, entitlements and encumbrances, or any actions that the Debtors may take in their Chapter 11 Cases, and no party may take any action to prevent, interfere with, or otherwise enjoin consummation of the Sale Transaction. Without limiting the foregoing, all Notices of Consent and Irrevocable Assignments, Notices of Assignment, Interparty Agreements, payment direction letters, and collection account management agreements and any similar or analogous documents, instruments or agreements that direct any proceeds of the Purchased Assets to any accounts maintained at Bank of America, N.A. or to any party or person other than the Buyer or its designees that are not expressly assumed shall be deemed rejected and all payment instructions, consent rights, approval rights and benefits of any nature arising thereunder in favor of Bank of America, N.A. and/or any such parties or persons (other than Buyer) shall be immediately inoperative and ineffective immediately and automatically upon the Closing without further notice or consent by any third party; provided that rights in favor of the other parties to such assumed agreements shall remain in full force and effect. Bank of America,

N.A. has consented to the Buyer's delivery of notice to counterparties to all such agreements and documents to direct proceeds on account of the Purchased Assets to an account designated by Buyer and has agreed to execute and deliver to the relevant account debtors, collection account managers and other third parties, any notices reasonably requested by Buyer to advise and confirm to such relevant account debtors, collection account managers and other third parties that all proceeds on account of the Purchased Assets shall be directed to an account designated by Buyer instead of an account maintained at Bank of America, N.A. If Bank of America, N.A. fails to execute any such documents or notices or take any such actions, the Buyer is authorized to execute such documents and notices and to take such actions on behalf of Bank of America, N.A. so as to document and effectuate the termination of its interests, entitlements to receipt of such proceeds and to redirect such proceeds to an account designated by Buyer. Further, parties to assumed Notices of Consent and Irrevocable Assignments, Notices of Assignment, Interparty Agreements, payment direction letters, collection account management agreements and any similar or analogous documents, instruments or agreements that reflect a payment to a counterparty to a rejected contract shall not be permitted to make such payment.

25. If, after the Closing Date, the Debtors receive any proceeds of the Purchased Assets (including, without limitation, payments that are cash proceeds of Assumed Contracts credited or deposited to any of Debtors' bank accounts maintained at Bank of America, N.A.), the Debtors will (i) hold such proceeds in constructive trust for the benefit of the Buyer, (ii) immediately notify the Buyer of such receipt, (iii) immediately (and not more than two (2) business days after receipt) transfer, convey and pay over such proceeds to an account designated by Buyer, and (iv) take any and all actions reasonably requested by the Buyer in

order to change the payment instructions with respect to such Assumed Contract such that proceeds therefrom are payable solely to the account designated by Buyer.

26.
