Chapter 11

Case No. 20-11266 (JTD)

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND
DISCLAIMERS REGARDING THE DEBTORS' SCHEDULES OF ASSETS AND
LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

On May 27, 2020 (the "Petition Date"), PQ New York, Inc. ("PQNY") and its affiliated debtors (each a "Debtor" and collectively, the "Debtors") filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code in the United States Bankruptcy for the District of Delaware (the "Bankruptcy Court"), thereby commencing the above-captioned chapter 11 cases (the "Chapter 11 Cases").

These respective Schedules of Assets and Liabilities (the "Schedules") and Statements of Financial Affairs (the "Statements," and together with the Schedules, the "Schedules and Statements") were prepared pursuant to section 521 of chapter 11 of title 11 of the United States Code (the "Bankruptcy Code"), rule 1007 of the Federal Rules of Bankruptcy Procedure, and rule 1007-1 of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware by management of the Debtors with unaudited information available as of the Petition Date.

These Global Notes and Statement of Limitations, Methodology and Disclaimers Regarding the Debtors' Schedules of Assets and Liabilities and Statements of Financial Affairs (the "Global Notes") are incorporated by reference in, and comprise an integral part of, each of the Debtors' Schedules, sub-Schedules, Statements and sub-Statements, exhibits and continuation sheets, and should be referred to in connection with any review of the Schedules and Statements. Disclosure of information in one Schedule, sub-Schedule, Statement, sub-Statement, exhibit or continuation sheet, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedule, Statement, exhibit or continuation sheet. In the event that the Schedules and Statements differ from these Global Notes, the Global Notes shall control.

The Schedules and Statements should not be relied upon by any person for information relating to current or future financial conditions, events, or performance of any of the Debtors. Due to numerous unliquidated, contingent, and/or disputed claims, summary

statistics in the Schedules and Statements likely significantly understate the Debtors' liabilities.

1. Reservation of Rights. Due to the COVID-19 public health emergency and regional governmental orders mandating the closing of restaurants and non-essential businesses, the Debtors closed all their store and office locations in late March 2020 and furloughed or terminated the majority of their employees at or around that time. In late April 2020, the Debtors terminated all of their remaining employees and have been utilizing certain former employee resources under third party consulting agreements. Due to its limited remaining resources and inability to physically access its U.S. headquarters (including vacating the headquarter premises as described below) and store locations, the Debtors have relied on remote access of its systems and historical financial information and related data.

As such, the Debtors' have made reasonable best efforts to ensure that the Schedules and Statements are as accurate and complete as possible under the circumstances based on information that was available to them at the time of preparation; however, subsequent information or discovery may result in material changes to the Schedules and Statements and inadvertent errors or omissions may exist. Because the Schedules and Statements contain unaudited information, which is subject to further review, verification, and potential adjustment, there can be no assurance that these Schedules and Statements are accurate and/or complete.

The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States ("GAAP"), nor are they intended to be fully reconciled with the financial statements of each Debtor. Additionally, the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment and reflect the Debtors' commercially reasonable efforts to report the assets and liabilities of each Debtor on an unconsolidated basis.

The Debtors have made reasonable efforts to characterize, classify, categorize, or designate the claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements correctly. Due to the complexity of its legal entity structure and business limitations as a result of the COVID-19 public health emergency, however, the Debtors may have improperly characterized, classified, categorized, or designated certain items. In addition, certain items reported in the Schedules and Statements could be included in more than one category. In those instances, one category has been chosen to avoid duplication. Further, the designation of a category is not meant to be wholly inclusive or descriptive of the rights or obligations represented by such item.

Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to these Chapter 11 Cases, including to issues involving substantive

consolidation, equitable subordination, and causes of action arising under provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws to recover assets or avoid transfers.

For the avoidance of doubt, listing a claim on Schedule D as “secured,” on Schedule E/F as “priority” or “unsecured priority,” or listing a contract or lease on Schedule G as “executory” or “unexpired,” does not constitute an admission by the Debtors of the legal rights of the claimant and/or contractual counterparty, or a waiver of a Debtor’s right to recharacterize or reclassify such claim or contract. Failure to designate a claim on a given Debtor’s Schedules as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by the Debtors that such amount is not “disputed,” “contingent,” or “unliquidated” or that such claim is not subject to objection. The Debtors reserve their respective rights to dispute, or assert offsets, setoffs, or defenses to any claim reflected on the Schedules as to the nature, amount, liability, or status or to otherwise subsequently designate any claim as disputed, contingent and/or unliquidated.

2. Basis of Presentation. The Debtors’ books and records have been historically maintained on a consolidated basis rather than on a legal entity basis. As such, the Schedules and Statements have been prepared on a reasonable best efforts basis to reflect the assets and liabilities for each legal entity on a non-consolidated basis.

Although the Schedules and Statements may, at times, incorporate information prepared in accordance with GAAP, the Schedules and Statements neither purport to represent nor reconcile to financial statements otherwise prepared and/or distributed by the Debtors in accordance with GAAP or otherwise.

3. Currency. Unless otherwise indicated, all amounts are reflected in U.S. dollars.

4. Estimates and Assumptions. The preparation of the Schedules and Statements required the Debtors to make estimates and assumptions that affected the reported amounts of certain assets and liabilities, the disclosure of certain contingent assets and liabilities and the reported amounts of revenue and expense. Actual results could differ materially from these estimates.

5. Undetermined or Unknown Amounts. The description of an amount as “Undetermined” or “Unknown” is not intended to reflect upon the materiality of such amount.

6. Totals. All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual totals may be different than the listed totals.

7. Asset Presentation and Valuation. The Debtors’ assets are presented at values consistent with their books and records. These values do not purport to represent the ultimate value that

would be received in the event of a sale, and may not represent economic value as determined by an appraisal or other valuation technique. As it would be prohibitively expensive and an inefficient use of estate assets for the Debtors to obtain current economic valuations for all of their assets, unless otherwise noted, the carrying value on the Debtors' books (*e.g.*, net book value), rather than current economic values, is reflected on the Schedules and Statements. Net book values of assets generally do not reflect the current performance of the assets or the impact of the current price environment and may differ materially from the actual value and/or performance of the underlying assets.

Unless otherwise stated, the Schedules and Statements reflect net book values as of March 31, 2020, the date that the most recent financial statements were completed. Where most recent data is available, the Debtors have endeavored to reflect this information in the Schedules and Statements.

8. Contingent Assets and Causes of Action. Despite their reasonable efforts to identify all known assets, the Debtors may not have listed all of their causes of action or potential causes of action against third parties as assets in their Schedules and Statements, including, but not limited to, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant non-bankruptcy laws to recover assets or avoid transfers. The Debtors reserve all of their rights with respect to any causes of action (including avoidance actions), controversy, right of setoff, cross claim, counterclaim, or recoupment and any claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other theory of law (collectively, "Causes of Action") they may have, they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such claims or Causes of Action or in any way prejudice or impair the assertion of such claims or Causes of Action.

9. Liabilities. The liability information provided herein represents the estimated liability data of the Debtors as of the Petition Date, except as otherwise noted. Due to the sudden closure of their store locations and offices as a result of the COVID-19 health crisis, there may be invoices that were mailed to the offices that are unknown and unavailable to Debtors as of the Petition Date. Amounts presented herein are based on the Debtors' reasonable efforts to determine amounts owed to creditors as of the Petition Date. Amounts owed to vendors for certain goods in transit which have not yet been received at the Debtors' facilities or services provided for which invoices have not been received as of the Petition Date, may be understated due to lack

of sufficient information. Accordingly, the Debtors reserve all of their rights to amend, supplement, or otherwise modify the Schedules and Statements as is necessary or appropriate.

Some of the scheduled liabilities are unknown, contingent and/or unliquidated at this time. In such cases, the amounts are listed as “Unknown” or “Undetermined.” Accordingly, the Schedules and the Statements may not equal the aggregate value of the Debtors’ total liabilities as noted on any previously issued financial statements.

10. Leases. In the ordinary course of their businesses, the Debtors lease facilities from certain third-party lessors for use in their daily operations. Any such leases are set forth in Schedule G. The property subject to any of such leases is not reflected in either Schedule A or Schedule B as either owned property or assets of the Debtors. Neither is the property subject to any such leases reflected in the Statements as property or assets of third-parties within the control of a Debtor. Nothing in the Schedules is or shall be construed as an admission or determination as to the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all rights with respect to any such issues.

11. Liens. Property and equipment listed in the Schedules and Statements are presented without consideration of any liens that may attach (or have attached) to such property and equipment.

12. Excluded Assets and Liabilities. The Debtors have excluded rejection damage claims of counterparties to executory contracts and unexpired leases that may or may not be rejected, to the extent such damage claims exist. In addition, certain immaterial assets and liabilities may have been excluded.

13. Insiders. For purposes of the Schedules and Statements, the Debtors defined “insiders” pursuant to section 101(31) of the Bankruptcy Code as: (a) directors; (b) officers; (c) persons in control of the Debtors; (d) relatives of the Debtors’ directors, officers, or persons in control of the Debtors; and (e) debtor/non-debtor affiliates of the foregoing. Persons listed as “insiders” have been included for informational purposes only and by including them in the Schedules, shall not constitute an admission that those persons are insiders for purposes of section 101(31) of the Bankruptcy Code. Moreover, the Debtors do not take any position with respect to: (a) any insider’s influence over the control of the Debtors; (b) the management responsibilities or functions of any such insider; (c) the decision making or corporate authority of any such insider; or (d) whether the Debtors or any such insider could successfully argue that he or she is not an “insider” under applicable law or with respect to any theories of liability or for any other purpose.

Prior to Petition Date, the Debtors maintained a bank account (the “**KBC Concentration Account**”) at KBC Bank USA (“**KBC**”), which was part of a wider consolidated global banking

account maintained at KBC by the Debtors and their non-debtor affiliates pursuant to which the Debtor and certain non-debtor affiliates pooled their cash, all as more fully described in the *Motion of Debtors for Interim and Final Orders (I) Authorizing Continued Use of the Debtors' Existing Cash Management System and Bank Accounts; (II) Authorizing Continued Performance of Certain Intercompany Transactions; (III) Waiving Certain United States Trustee Requirements; and (IV) Granting Related Relief* [D.I. 6] (the “**Cash Management Motion**”). On or about April 1, 2020, the cash pooling mechanism described in the Cash Management Motion among the Debtors and certain of their non-Debtor affiliates was discontinued and the KBC Concentration Account was closed on May 27, 2020. The Debtors have not included these daily cash sweeps as part of its response to SOFA 4 but have included any specific disbursements to PQ Licensing, SA and any international affiliates outside of this cash pooling mechanism.

14. Change of Mailing Address. On or about May 29, 2020, the Debtors vacated their headquarters located at 50 Broad Street, 12th floor, New York, NY 10004. On June 3, 2020, the Court entered an order [D.I. 72] amending the caption for Case No. 11266 (JTD) to reflect the Debtors' new mailing address as PQ New York, Inc. c/o 33rd Street Bakery, Inc., 43-27 33rd Street, Long Island City, NY 11101.

15. Signatory. The Schedules and Statements have been signed by David Incantalupo, in his capacity as Controller of the Debtors. Mr. Incantalupo was appointed as Controller of the Debtors in October 2019 and therefore did not oversee the transactions and records prior to his appointment. In reviewing and signing the Schedules and Statements, Mr. Incantalupo has necessarily relied upon the efforts, statements and representations of various of the Debtors' personnel and professionals. Mr. Incantalupo has not (and could not have) personally verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors and their addresses.

Specific Disclosures with Respect to the Debtors' Schedules

- **Schedule A/B2.** Concurrent with the closure of their store locations in late March 2020, the Debtors deposited all store register cash into the Debtors' respective bank accounts.
- **Schedule A/B3.** The bank account balances listed are as of the Petition Date.
- **Schedule A/B6-9.** In the books and records of the Debtors, deposits and prepaid amounts are included in one trial balance amount and sufficient listing detail of each specific deposit and/or prepaid amounts was not readily obtainable as of the date the Schedules were prepared. As such, certain Debtors have presented the total value of deposits or prepayments without this counterparty detail.

- **Schedule A/B11.** Accounts receivable are presented based on book value as of March 29, 2020. Such accounts receivable have not been adjusted to reflect any counterclaims or set-offs that customers may assert based on breach of contract or other disputes.
- **Schedule A/B18-26.** A detailed listing of the Debtors' inventory balances was not available at the time the Schedules were prepared due to the sudden closure of their store locations as a result of the COVID-19 health crisis. Amounts presented represent balances as reflected in the Debtors' books and records as of March 29, 2020. The Debtors have made reasonable best efforts to centralize remaining store inventory amounts at its production centers and/or store operating locations. However, certain inventory items may have been in transit or may still be located at the individual store locations as of the Petition Date. Refer to Exhibit A to these Global Notes for a listing of operating addresses of the Debtors
- **Schedule A/B38 - 45.** A detailed listing of the Debtors' furniture, fixtures and equipment was not available at the time the Schedules were prepared due to the sudden closure of its store locations as a result of the COVID-19 health crisis. Amounts presented represent balances as reflected in the Debtors' books and records as of December 31, 2019. The balances were the latest available according to books and records as the Debtors' finance and accounting team had limited access to files which could only be obtained from the corporate office which was shut down due the COVID-19 health crisis. As of the Petition Date, certain items may have been in transit from store locations to the central storage facilities located at 43-27 33rd Street, Long Island City, NY 11101. Parties should refer to 'Change of Mailing Address' in these Global Notes for further reference and see Exhibit A to these Global Notes for a listing of operating addresses of the Debtors.
- **Schedule A/B50.** A detailed listing of the Debtors' machinery and other equipment was not available at the time that the Schedules were prepared due to the sudden closure of its store locations as a result of the COVID-19 health crisis. Amounts presented represent balances as reflected in the Debtors' books and records as of December 31, 2019. The balances were the latest available according to books and records as the Debtors' finance and accounting team had limited access to files which could only be obtained from the corporate office which was shut down due the COVID-19 health crisis. As of the Petition Date, certain items may have been in transit from store locations to the central storage facilities located at 43-27 33rd Street, Long Island City, NY 11101. Parties should refer to 'Change of Mailing Address' in these Global Notes for further reference and see Exhibit A to these Global Notes for a listing of operating addresses of the Debtors.
- **Schedule A/B59 - 69.** The Debtors have used reasonable efforts to report any trademarks, patents, business licenses, and intellectual property that are assets of the Debtors. Exclusion of certain business licenses and intellectual property shall not be construed as an admission that such business licenses and intellectual property rights have been abandoned, terminated, assigned, expired by their terms, or otherwise

transferred pursuant to a sale, acquisition, or other transaction. The Debtors have listed certain liquor licenses that have been prepaid as part of Schedule A/B6-9.

- **Schedule A/B 72 and 77.** All of the balances presented herein have been collected by the Debtors in the postpetition period.
- **Schedule D.** The descriptions provided on Schedule D are intended only as a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in these Global Notes or in the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements or related documents. Creditors' claims provided on Schedule D arose, or were incurred, on various dates. In certain instances, the date on which such claim arose is an open issue of fact.
- **Schedule E/F.** The Debtors have made reasonable efforts to report all priority and non-priority unsecured claims against the Debtors on Schedule E/F based on the Debtors' books and records as of the Petition Dates. The Debtors have listed all known taxing authorities for each Debtor. These tax claims are, or may in the future be subject to audits, and the Debtors are unable to determine with certainty the amount of the tax claims listed on Schedule E/F. In addition, there may be other contingent, unliquidated claims from state and local taxing authorities, not all of which are listed.

The claims of individual creditors for, among other things, goods, products, services, or taxes are listed as the amounts entered on the Debtors' books and records and may not reflect credits, allowances, or other adjustments due from such creditors to the Debtors. Amounts presented herein are based on the Debtors' best efforts to determine amounts owed to creditors as of the Petition Date. Amounts owed to vendors for certain goods in transit which have not yet been received at the Debtors' facilities, or for services provided where invoices have not been received, may be understated due to lack of sufficient information.

Schedule E/F also contains information regarding pending litigation involving the Debtors. However, certain omissions may have occurred. The inclusion of any legal action in the Schedules and Statements does not constitute an admission by the Debtors of any liability, the validity of any litigation, or the amount of any potential claim that may result from any claims with respect to any legal action and the amount and treatment of any potential claim resulting from any legal action currently pending or that may arise in the future.

Schedule E/F does not include certain deferred liabilities, accruals or general reserves. Such amounts are general estimates and do not represent specific claims as of the Petition Dates for each respective Debtor.

- **Schedule G.** Although commercially reasonable efforts have been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases, inadvertent errors, omissions or over-inclusion may have occurred in preparing Schedule G. Despite

best efforts, in some instances, the Debtors may not have been able to identify which Debtor entity is party to a particular contract. In addition, certain of the contracts, agreements and leases listed on Schedule G may have been entered into by more than one of the Debtors. Accordingly, the Debtors have made their best efforts to determine the correct Debtor's Schedule G on which to list such executory contract.

Contracts reflected on Schedule G do not reflect the impact of any counterparty's assertion of termination due to breach of contract or cessation of operations. The Debtors hereby expressly reserve the right to assert that any instrument listed on Schedule G is or is not an executory contract within the meaning of section 365 of the Bankruptcy Code. The Debtors reserve all of their rights, claims, and causes of action with respect to claims associated with any contract or agreement listed on Schedule G, including their right to dispute or challenge the characterization or the structure of any transaction, document, or instrument (including any intercompany agreement, if any) related to a creditor's claim.

Certain of the contracts and agreements listed on Schedule G may consist of several parts, including, purchase orders, amendments, restatements, waivers, letters, and other documents that may not be listed on Schedule G or that may be listed as a single entry.

Certain of the contracts, agreements, and leases listed on Schedule G may have expired or may have been rejected, terminated, modified, amended, and/or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda, and other documents, instruments, and agreements that may not be listed therein despite the Debtors' use of reasonable efforts to identify such documents. Further, unless otherwise specified on Schedule G, each executory contract or unexpired lease listed thereon shall include all exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without respect to whether such agreement, instrument, or other document is listed thereon. In some cases, the same supplier or provider appears multiple times on Schedule G. This multiple listing is intended to reflect distinct agreements between the applicable Debtor and such supplier or provider.

- **Schedule H.** The Debtors may not have identified certain guarantees associated with the Debtors' executory contracts, unexpired leases, and other such agreements. The Debtors reserve all of their rights to amend the Schedules to the extent that additional guarantees are identified or any scheduled guarantees are discovered to have expired or be unenforceable. In the ordinary course of their businesses, the Debtors may be involved in pending or threatened litigation. These matters may involve multiple plaintiffs and defendants, some or all of whom may assert cross-claims and counter-claims against other parties. Because all such claims are contingent, disputed and/or

or unliquidated, such claims have not been set forth individually on Schedule H. Litigation matters can be found on each Debtor's Schedule F and Statement 7, as applicable.

Specific Disclosures with Respect to the Debtors' Statements

- **Statement 3.** During this 90 day period, disbursements made on account of multiple invoices may be reflected as a single payment. As previously described, the Debtors' books and records have historically been kept on a consolidated basis. Payments, such as payroll and certain other vendor payments, which may have benefitted other Debtor entities were not tracked separately as intercompany receivables/payables. As such, payments listed in Statement 3 have been listed only by the payor entity.
- **Statement 4.** For the purpose of this question, all payments are listed on the Statement of the Debtor that actually made the payment. As set forth above, on or about April 1, 2020, the Debtors discontinued their cash pooling mechanism among the Debtors and certain of their non-Debtor affiliates, all as more fully described in the Cash Management Motion. The Debtors have not included these daily cash sweeps as part of its response to SOFA 4 but have included any specific disbursements to PQ Licensing, SA and any international affiliates outside of this cash pooling mechanism. Parties refer to Global Note "Insiders" and the Cash Management Motion for further detail.
- **Statement 7.** The Debtors have used reasonable best efforts to identify all legal actions, proceedings, investigations, arbitrations, mediations, and audits by federal or state agencies in which the Debtors were involved in any capacity within one year before the Petition Date. However, certain omissions may have occurred. The inclusion of any legal action in this question does not constitute an admission by the Debtors of any liability, the validity of any litigation, or the amount of any potential claim that may result from any claims with respect to any legal action and the amount and treatment of any potential claim resulting from any legal action currently pending or that may arise in the future.
- **Statement 10.** During their operations, the Debtors may have experienced the theft of certain goods at their store locations but are unable to adequately quantify the extent of these losses which the Debtors deem to be immaterial. The Debtors had loss prevention protocols in place via security system and employee trainings. The Debtors kept records of loss prevention information.

- **Statement 11.** All disbursements listed in Statement 11 were initiated and disbursed by PQ New York, Inc., but were for the benefit of all Debtors. Such payments have been listed only at this entity and not duplicated across all Debtors.
- **Statement 26d.** Over the prior two years, the Debtors have provided their financial statements to various parties, including potential lenders, investors, vendors, government entities and other interested parties. No efforts were made to keep records of parties provided with this information.
- **Statement 30.** Any and all known disbursements to insiders of the Debtors, as defined above, have been listed in the response to SOFA 4. The items listed under SOFA 30 incorporate by reference any items listed under SOFA 4.
