**GLOBAL NOTES REGARDING DEBTORS' SCHEDULES OF ASSETS  
AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

The Schedules of Assets and Liabilities (the “Schedules”) and the Statements of Financial Affairs (the “Statements,” and collectively with the Schedules, the “Schedules and Statements”) filed by Paradox Resources, LLC (“Paradox Resources”), Paradox Midstream, LLC (“Paradox Midstream”), Paradox Upstream (“Paradox Upstream”), Capital Commercial Development, Inc. (“CCD”), Neuhaus Barrett Investments, LLC (“NBI”), Four Corners Energy, LLC (“FCE”), and Four Corners Pipeline, LLC (“FCP” and together with Paradox Resources, Paradox Midstream, Paradox Upstream, CCD, NBI, and FCE, collectively referred to hereinafter as the “Debtors”), in the United States Bankruptcy Court for the Southern District of Texas, Houston Division (the “Bankruptcy Court”), were prepared pursuant to section 521 of title 11 of the United States Code and Rule 1007 of the Federal Rules of Bankruptcy Procedure by management of the Debtors and are unaudited. While Debtors’ management has made every reasonable effort to ensure that the Schedules and Statements are accurate and complete, based upon information that was available to them at the time of preparation, the subsequent receipt of information may result in material changes to the financial data and other information contained therein. The Debtors reserve the right to amend the Schedules and Statements from time to time as may be necessary or appropriate. These Global Notes regarding Debtors’ Schedules and Statements (the “Global Notes”) are incorporated by reference in, and comprise an integral part of, the Schedules and Statements, and should be referred to and reviewed in connection with any review of the Schedules and Statements.

**The Schedules and Statements and Global Notes should not be relied upon by any person for information relating to current or future financial conditions, events or performance of any of the Debtors.**

1. Reservation of Rights. The Schedules and Statements are unaudited. Accordingly, although current management has made reasonable efforts to ensure that the Schedules and Statements are accurate and complete based on information that was available to them at the time of preparation, subsequent information or discovery may result in material changes to one or more

<sup>1</sup> The debtors and debtors in possession in these chapter 11 cases, along with the last four digits of their respective Employer Identification Numbers, are as follows: Paradox Resources, LLC (7152); Paradox Midstream, LLC (2127); Paradox Upstream, LLC (0256); Capital Commercial Development, Inc. (3124); Neuhaus Barrett Investments, LLC (5529); Four Corners Energy, LLC (8159); and Four Corners Pipeline, LLC (8748). The Debtors’ service address is: 500 Dallas Street, Suite 1600, Houston, Texas 77002.

of the Schedules and Statements; indeed, inadvertent errors, omissions or inaccuracies may exist. Moreover, because the Schedules and Statements contain unaudited information, there can be no assurance that the Schedules and Statements are wholly accurate and complete. The Debtors reserve the right to amend and/or supplement any and all of the Schedules and Statements from time to time as they deem necessary or appropriate.

The Debtors' attorneys and financial advisors do not guarantee or warrant the accuracy or completeness of the data that is provided herein and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. The Debtors' attorneys and financial advisors expressly do not undertake any obligation to revise the information provided herein, or to notify any third party should the information be revised. In no event shall the Debtors' attorneys and financial advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including damages arising from the disallowance of a potential claim against the Debtors), whether foreseeable or not and however caused.

The Schedules and Statements have been signed by Douglas J. Brickley, the Debtors' Chief Restructuring Officer. In reviewing and signing the Schedules and Statements, Mr. Brickley necessarily relied upon the efforts, statements, and representations of the Debtors' management and other personnel. Mr. Brickley has not (and could not have) personally verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors, classification of such amounts, and respective creditor classes.

2. Description of the Cases and "as of" Information Date. On May 22, 2023 (the "Petition Date"), the Debtors filed voluntary petitions for relief (the "Chapter 11 Cases") under Chapter 11, title 11 of the United States Code, 11 U.S.C. §§ 101 *et seq.* (as amended and modified, the "Bankruptcy Code") in the Bankruptcy Court. The Chapter 11 Cases are being jointly administered and no trustee or examiner has been appointed. The Debtors continue to operate their business as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. The "as of" information in the Schedules and Statements for all Debtors is May 22, 2023.

The Chapter 11 Cases have been procedurally consolidated for the purpose of joint administration by the Bankruptcy Court under Case No. 23-90558. Unless otherwise stated, asset and liability information is as of the Petition Date. Additionally, the Debtors have made every effort to allocate liabilities between the prepetition and post-petition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available to and further research is conducted by the Debtors, the Debtors' allocation of liabilities between prepetition and post-petition periods may change.

3. Basis of Presentation. The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles ("GAAP").

4. Summary of Significant Reporting Policies. The following conventions were adopted by the Debtors in the preparation of the Schedules and Statements.

- a. Book Value. Unless otherwise noted, each asset and liability of the Debtors is shown on the basis of the net book value of the asset or liability in accordance with the Debtors' accounting records as of the Petition Date. Where DD&A schedules are not available, the asset is shown on the basis of book value. Unless otherwise noted, the Schedules reflect the carrying value of the assets and liabilities as listed in the Debtors' books and records and are not based upon any estimate of their current market values.
- b. Currency. All amounts are reflected in U.S. Dollars.
- c. Debtors' Consolidated Cash Management System. The Debtors utilize a central and consolidated cash management system, which consists of multiple bank accounts at Washington Federal Bank and Wells Fargo Bank, N.A. (collectively, the "Banks"). The Debtors manage the cash within the cash management system by transferring funds among bank accounts as needed based on cash receipts and disbursements.
- d. Payments Made within 90 Days Prior to the Petition Date. Payments made by the Debtors within 90 days prior to the Petition Date reflect all payments made to vendors or creditors within 90 days regardless of which Debtor was obligated to make payment.
- e. Transfers to Insiders within 1-year. The following persons have been identified as insiders and have received payments or benefits greater than the \$6,825 threshold within one year of the Petition Date: Blackstone Oil & Gas (Colorado) LLC; Todd A. Brooks; Nathaniel Grady; and J. Barrett. However, inclusion on or exclusion from the Schedules or Statements is not and shall not be construed as an admission or determination as to the legal status of any insider.
- f. Officers, Directors, Managing Members, General Partners, Members in Control, Controlling Shareholders. For preparation of the Schedules and Statements, all purported officers, directors, managing members, general partners, members in control, and controlling shareholders within one year of the Petition Date, regardless of legal status, have been included. However, inclusion on the Schedules or Statements is not and shall not be construed as an admission or determination as to the legal status of any board member.
- g. Accounts Receivable. Accounts receivable are reported on a gross basis with intercompany receivables and intercompany payables listed in Schedule A/B 11.77 and Schedule E/F, respectively.
- h. Prepayments. Prepayments include prepaid insurance and a prepayment agreement with Newpark Drilling Fluids LLC as of Petition Date. Prepayments are subject to impairment.
- i. Setoffs. The Debtors have not identified a list of parties that are currently applying Debtors' funds, without permission, against amounts currently owed by the Debtors.

- j. Real Property. The Debtors' books and records are lacking and/or incomplete. For example, the 640 acres of fee property for Paradox Upstream, LLC does not have an associated value recorded and therefore, the acreage value has been recorded as "Undetermined". In addition, the O&G Well Site asset value for Capital Commercial Development, Inc. is undetermined without a current produced reserve report and depletion schedule, therefore, the value has been estimated at book value of \$1,800,000. For known asset values, DD&A schedules are available.
- k. Causes of Action. The Debtors have not necessarily set forth all claims or causes of action against third parties as assets in the Schedules and Statements. The Debtors reserve all of their rights with respect to any such claims or causes of action they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such claims or causes of action.
- l. Secured Claims. Secured claim amounts have been listed on Schedule D without regard to the value of assets secured thereby. No attempt was made by the Debtors to estimate the fair market value as of the Petition Date of assets pledged pursuant to a secured obligation. Accordingly, deficiency claims of secured creditors were not listed on Schedule F and such omission is not an admission by the Debtors as to the sufficiency of collateral related to any secured claim listed on Schedule D. The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements.
- m. Priority Unsecured Claims. Priority unsecured claims related to taxes, certain debts owed to the government, wages, salaries, and commissions, and other non-lien claims have been placed under Schedule E of the applicable Debtor. The Debtors reserve all rights to dispute or challenge the amount of any such creditor's claim (or portion thereof) or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim.
- n. Nonpriority Unsecured Claims. Nonpriority unsecured claims related to general trade and other non-lien claims have been placed under Schedule F of the applicable Debtor. Numerous unpaid royalties have been designated as disputed as the Debtors are unaware parties and outstanding amounts, which is the result of the incomplete records that were provided to the Debtors when the Debtors' assets were originally acquired. The Debtors reserve all rights to dispute or challenge the amount of any such creditor's claim (or portion thereof) or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim. While reasonable efforts have been made, determination of the date upon which each claim in Schedule F was incurred or arose would be unduly burdensome and cost prohibitive, and therefore, the Debtors may not list a date for each claim listed on Schedule F.

- o. Health, Safety & Environment (“HSE”). Certain HSE obligations of the Debtors have not been reflected in the Debtors’ Schedules and Statements due to the contingent and unliquidated nature of these obligations.
- p. Executory Contracts. The business of the Debtors is complex. While every effort has been made to ensure the completeness and accuracy of the listing of executory contracts, inadvertent errors or omissions may have occurred. The Debtors hereby reserve all of their rights to dispute the validity, status, or enforceability of any contracts, agreements or leases set forth in Schedule G and to amend or supplement such Schedule as necessary. The contracts, agreements and leases listed on Schedule G may have expired, or been terminated, or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppels certificates, letters and other documents, instruments and agreements which may not be listed therein. Certain of the real property leases listed on Schedule G may contain renewal options, guarantees of payments, options to purchase, rights of first refusal, rights to lease additional space and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. Certain of the executory agreements may not have been memorialized and could be subject to dispute. The presence of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. Similarly, the absence of a contract or agreement on Schedule G does not constitute an admission that any other contract or agreement to which the Debtors are a party is not executory. Parties to executory contracts and unexpired leases were not listed on Schedule F, except where past due amounts were recorded in the Debtors’ accounts payable. The Debtors have not listed on Schedule F landlords and executory contract counterparties which may have claims related to contract/lease rejection or other damages. The Debtors reserve all of their rights, claims and causes of action with respect to the contracts and agreements listed on the Schedules, including the right to dispute or challenge the characterization or the structure of any transaction, document, or instrument.

5. Disputed, Contingent and/or Unliquidated Claims. Schedules D, E and F permit the Debtors to designate a claim as disputed, contingent and/or unliquidated. A failure to designate a claim on any of the Schedules as disputed, contingent and/or unliquidated does not constitute an admission that such claim is not subject to objection by the Debtors. The Debtors reserve the right to dispute, or assert offsets or defenses to, any claim reflected on the Schedules as to amount, liability or status.

6. Global Notes Control. In the event that the Schedules and Statements differ from the foregoing Global Notes, the Global Notes shall control.

Disclose all property, real and personal, which the debtor owns or in which the debtor has any other legal, equitable, or future interest. Include all property in which the debtor holds rights and powers exercisable for the debtor's own benefit. Also include assets and properties which have no book value, such as fully depreciated assets or assets that were not capitalized. In Schedule A/B, list any executory contracts or unexpired leases. Also list them on Schedule G: Executory Contracts and Unexpired Leases (Official Form 206G).

Be as complete and accurate as possible. If more space is needed, attach a separate sheet to this form. At the top of any pages added, write the debtor's name and case number (if known). Also identify the form and line number to which the additional information applies. If an additional sheet is attached, include the amounts from the attachment in the total for the pertinent part.

For Part 1 through Part 11, list each asset under the appropriate category or attach separate supporting schedules, such as a fixed asset schedule or depreciation schedule, that gives the details for each asset in a particular category. List each asset only once. In valuing the debtor's interest, do not deduct the value of secured claims. See the instructions to understand the terms used in this form.
