Upon the application (the “Application”)¹ of the above-captioned debtors (collectively, the “Reorganized Debtors”) for entry of an Order authorizing the further extension of the deadline to assume or reject certain Specified Environmental Contracts (docket no. 4003); and the Court having found that (a) it has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334, (b) this proceeding is a core proceeding pursuant to 28 U.S.C. § 157(b)(2), (c) venue of this proceeding and the Application in this District is proper pursuant to 28 U.S.C. §§ 1408 and 1409, (d) notice of the Application was appropriate under the circumstances; and the Court having determined that the legal and factual bases set forth in the Application establish grounds for the relief granted herein;

IT IS HEREBY ORDERED THAT:

necessary or appropriate to implement the extension of the Specified Environmental Contracts Deadline. Nothing in this Order, however, shall obligate the Reorganized Debtors to settle or pursue settlement of any particular claim with a counterparty to a Specified Environmental Contract.

4. Any assumption or rejection of a Specified Environmental Contract shall give rise to the same rights and obligations to all parties to such Contracts as if such Contracts been assumed or rejected during the Chapter 11 Cases.

5. The inclusion of any judicial consent decrees as Specified Environmental Contracts shall be without prejudice to the right of the United States to assert that such consent decrees are not executory contracts that can be rejected or discharged by the Reorganized Debtors. The United States and the Reorganized Debtors reserve all rights with respect to such issues.

6. Nothing in this Order shall constitute an admission of the validity, nature, amount or priority of any claim of a counterparty to a Specified Environmental Contract, and the Reorganized Debtors reserve all of their rights to dispute the validity, nature, amount or priority of any claims asserted in these cases by any such counterparty to a Specified Environmental Contract.

7. Nothing in the Application or Order shall be deemed or construed as a waiver of the right of the Reorganized Debtors, or shall impair the ability of the Reorganized Debtors, to make additional requests to extend the deadline to assume or reject the Specified Environmental Contracts.

8. The Court shall retain jurisdiction with respect to all matters arising from or relating to the implementation of this Order and the Specified Environmental Contracts Deadline.
