CREDITOR JOHN PASQUALE'S RESPONSE TO DEBTOR'S  
TWENTY-FIFTH OMNIBUS OBJECTION TO CLAIMS

---

Creditor, John Pasquale, by counsel, Steven L. Blakely of ACTON & SNYDER, LLP, responds to Reorganized Debtor's Twenty-Fifth Omnibus Objection to Claims (Seeking to Expunge Certain Invalid Post-Petition Administrative Claims). Debtor claims that J.H. Pasquale Consulting and John Pasquale's Proofs of Claims should be disallowed or expunged because they were improperly filed as administrative claims or subsequent to the December 05, 2008, bar date for pre-petition claims. For the following reasons, Reorganized Debtor's Twenty-Fifth Omnibus Objection to Claims (Seeking to Expunge Certain Invalid Post-Petition Administrative Claims) should be denied.

(1) On November 21, 2008, J.H. Pasquale Consulting/John Pasquale filed a Proof of Claim

with this court, in the amount of \$485.00, a copy of which is attached and marked as Exhibit 1. This Proof of Claim is filed on the proper form which, in fact, says that the form is not to be used for administrative claims.

(2) On November 21, 2008, J.H. Pasquale Consulting/John Pasquale filed a Proof of Claim with this court, also in the amount of \$6,000.00, a copy of which is attached and marked as Exhibit 2. This Proof of Claim is filed on the proper form which, in fact, says that the form is not to be used for administrative claims. (This Proof of Claim is also attached to the simultaneously filed objection of J.H. Pasquale Consulting).

(3) On November 21, 2008, J.H. Pasquale Consulting filed a Proof of Claim with this court in the amount of \$500.00, a copy of which is attached and marked as Exhibit 3. This Proof of Claim is filed on the proper form which, in fact, says that the form is not to be used for administrative claims.

(5) All of these Proofs of Claim were manually filed before the December 05, 2008, bar date for pre-petition claims. Neither J.H. Pasquale Consulting nor its counsel has any record of filing any administrative claims on the dates and times indicated on Exhibit B to debtor's motion and believes debtor must be in error. Reorganized Debtor's Twenty-Fifth Omnibus Objection to Claims (Seeking to Expunge Certain Invalid Post-Petition Administrative Claims) should be denied.

WHEREFORE, Reorganized Debtor's Twenty-Fifth Omnibus Objection to Claims (Seeking to Expunge Certain Invalid Post-Petition Administrative Claims) should be overruled and denied insofar as it seeks to disallow or expunge Proofs of Claim filed by J.H. Pasquale Consulting or John Pasquale.
