Chapter 11

Case No. 08-10152

Jointly Administered

**DECLARATION OF EUGENE I. DAVIS IN SUPPORT OF  
MOTION TO EXTEND THE TERM OF THE LITIGATION TRUST**

1. I, Eugene I. Davis, submit this Declaration (the "Declaration") in Support of Motion to Extend the Term of the Litigation Trust (the "Motion").<sup>1</sup>

2. In my capacity as Trustee, I am familiar with the matters set forth in the Motion.

3. I am authorized to submit this Declaration on behalf of the Litigation Trust and, if called upon, I could and would testify competently to the facts set forth herein.

---

<sup>1</sup> Capitalized terms not defined herein shall have the meaning given to them in the Motion.

4. The Trust's professionals and I have been working diligently to prosecute the Preference Actions and collect any settlements negotiated or judgments entered with respect thereto. Shortly after the Trust was formed, I initiated approximately 1,745 adversary proceedings, and, to date, approximately \$50.4 million in gross recoveries have been collected for the benefit of the Litigation Trust Beneficiaries.

5. To fully realize the potential recovery for such beneficiaries, however, the term of the Trust must be extended to allow me to (i) settle, seek final adjudication or collect negotiated payments with respect to approximately four additional preference actions, which I estimate potentially could yield an additional \$200,000 in gross recoveries to the Trust and (ii) liquidate and monetize the various uncollected default judgments that have been entered in favor of the Trust (collectively, the "***Remaining Trust Functions***"), which I estimate potentially could yield an additional \$100,000 in gross recoveries to the Trust.

6. In addition, I am informed that there currently are approximately \$97 million in disputed claims remaining to be resolved by the Reorganized Debtors. The Trust, in turn, is holding approximately \$2.5 million in reserve (the "***Disputed Claims Reserve***") on account of disputed Class 4 Claims (as defined in the Plan). Without the relief sought herein, I cannot properly and completely make distributions to which the Litigation Trust Beneficiaries are entitled.

7. On June 30, 2014, I received an opinion of counsel that extending the term of the Trust will not affect the status of the Trust as a grantor Trust for federal income tax purposes.

8. Thus, I am of the opinion that extension of the term of the Trust is consistent with the purposes for which the Trust was formed and is in the best interest of the Litigation Trust Beneficiaries.

I declare under penalty of perjury that the foregoing is true and correct.
