Chapter 11

Case No. 08-10152 (JMP)

Jointly Administered

Honorable James M. Peck

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS,
METHODOLOGY, AND DISCLAIMER REGARDING DEBTORS'
SCHEDULES OF ASSETS AND LIABILITIES AND STATEMENT OF
FINANCIAL AFFAIRS**

The Schedules of Assets and Liabilities (the "Schedules") and the Statement of Financial Affairs (the "Statements") (collectively, the "Schedules and Statements") filed herewith by the debtors and debtors in possession in the above-captioned cases (collectively, the "Debtors") were prepared pursuant to section 521 of title 11 of the United States Code (as amended, the "Bankruptcy Code") and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules") by management of the Debtors and are unaudited. Unless otherwise indicated in the Schedules or Statements, the information provided is as of the close of business on January 20, 2008. While the Debtors' management has made every reasonable effort to ensure that the Schedules and Statements are accurate and complete based upon information that was available to them at the time of preparation, inadvertent errors or omissions may have occurred and the subsequent receipt of information may result in material changes to the financial data and other information contained therein. The Debtors have used their best efforts to compile the information set forth in the Schedules and Statements from their books and records maintained in the ordinary course of their businesses. The Debtors reserve their right to amend their Schedules and Statements from time to time as may be necessary or appropriate. Except as noted in the Schedules and Statements, all asset and liability data contained in the Schedules and Statements are stated in U.S. currency as of the close of business on January 20, 2008. These Global Notes and Statement of Limitations, Methodology, and Disclaimer Regarding Debtors' Schedules of Assets and Liabilities and Statement of Financial Affairs (the "Global Notes") are incorporated by reference in, and comprise an integral part of, the Schedules and Statements, and should be referred to and reviewed in connection with any review of the Schedules and Statements.

Further, these Global Notes are in addition to the specific notes contained in the Debtors' Schedules and Statements; however, in the event the Schedules and Statements differ from the Global Notes, the Global Notes shall control.

1. Description of the Cases. On January 21, 2008 (the "Petition Date"), the Debtors filed 53 voluntary petitions with the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court") for reorganization under the Bankruptcy Code under case numbers 08-10152 (JMP) through 08-10204 (JMP), and orders for relief were entered by the Bankruptcy Court. The cases have been consolidated for the purpose of joint administration only under Case No. 08-10152 (JMP). The Debtors currently are operating their businesses as debtors in possession under the Bankruptcy Code.

2. Basis of Presentation. For financial reporting purposes, the Debtors' parent company, Quebecor World Inc. ("QWI"), generally prepares consolidated financial statements, which include financial information for all subsidiaries comprised of debtors and non-debtors. The preparation of the Schedules and Statements required the Debtors to make estimates and assumptions that affect the reported amounts of liabilities, the disclosures of contingent liabilities, and the reported amounts of expenses during the reporting period. Actual results could differ from estimates. Some of the Debtors' scheduled assets and liabilities are unknown and/or unliquidated at this time. In such cases, the amounts are listed as "Unknown" or "Undetermined." Accordingly, the Schedules and Statements may not reflect the actual aggregate amount of the Debtors' assets and liabilities. The Debtors have sought to allocate liabilities between prepetition and postpetition periods based on information from research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and postpetition periods may change. Each Debtor generally maintains its accounting records in accordance with generally accepted accounting principles in Canada ("GAAP") and as consistently applied by such Debtor. Given the differences between the information requested in the Schedules and Statements and the financial information utilized under GAAP, the aggregate asset values and claim amounts set forth in the Schedules and Statements do not necessarily reflect the amounts that would be set forth in a balance sheet prepared in accordance with GAAP. Therefore, these Schedules and Statements do not purport to represent financial statements prepared in accordance with GAAP nor are they intended to reconcile the financial statements filed by QWI with the Securities and Exchange Commission.

3. General Limitations. The debtors and their affiliates have not previously prepared entity-by-entity financial statements as the Debtors' parent company, QWI, generally and historically prepares consolidated financial statements, as mentioned above. Accordingly, certain financial information has only been recorded at the consolidated level and not in financial statements of the individual entities. For purposes of the preparation of these Schedules, the assets and liabilities of the individual Debtors have been allocated to the appropriate Debtor

wherever possible. However, substantial additional analysis would be required to create complete, entity-by-entity financial statements, particularly for certain accounts such as accrued liabilities. In addition, some information would be difficult or impossible to analyze on an entity-by-entity basis, as such analysis would require the review of multiple years' worth of transactions that have previously been accounted for only on a consolidated basis.

4. Summary of Significant Reporting Policies. The Schedules and Statements have been signed by Mario Saucier, Senior Vice President and Chief Accounting Officer of QWI. In reviewing and signing the Schedules and Statements, Messr. Saucier has necessarily relied upon the efforts, statements and representations of the accounting and non-accounting personnel located at QWI's headquarters. Messr. Saucier has not (and could not have) personally verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors.

Each of the Debtors made its best effort to report asset, liability, disbursement, and other information on the appropriate Debtor's Schedules and Statements. However, the following qualifications and limitations apply to each Debtor's Schedules and Statements:

(a) For most assets and asset classifications, a physical location code is included and maintained in the Debtor's accounting and financial systems. For assets or asset classification for which a location code is available, such assets or asset classifications are reported on the appropriate Debtor's Schedules and Statements. For assets or asset classification for which no location code is available, such assets or asset classifications are reported on the Schedules and Statements of Quebecor World (USA) Inc. ("QWUSA").

(b) The Debtors maintain information for most liabilities, most notably the trade and non-trade accounts payable, in a centralized accounts payable system on behalf of all Debtors. However, to the extent the Debtors could determine with a reasonable degree of certainty which Debtor is liable, the liabilities, including the trade and non-trade balances are reported on the Schedules and Statements of the Debtor that is liable for the obligation.

(c) Disbursements are made through a centralized and consolidated cash management system that includes checking accounts held in the name of certain Debtors. Therefore, all disbursement information is reported on the Schedules and Statements of the Debtor which holds the relevant bank account.

In addition, the Debtors adopted the following conventions in the preparation of the Schedules and Statements.

(d) Debtors. The Debtors use a consolidated cash management system through which the Debtors pay substantially all liabilities and expenses. Although

separate stand-alone accounting records are maintained for all Debtors, within the general ledgers, receipts and disbursements transactions are not available on a Debtor by Debtor basis.

(e) Reporting Date. Assets and liabilities reported in the Debtors' Schedules and Statements are reported as follows: All assets except those reported in Schedules B1, B2 and B3 are reported as of December 29, 2007. Assets reported on Schedules B1, B2 and B3 are reported as of January 20, 2008. In compiling the list of secured claims set forth in Schedule D, the Debtors have relied upon lien searches conducted in January 2008, in addition to information contained in their books and records.

(f) Book Value To the extent any asset value is listed herein, unless otherwise indicated, net book values, rather than market values, of the Debtors' interests in property are reflected on the applicable Schedules and Statements. As applicable, assets that have been fully depreciated or were expensed for accounting purposes and have no net book value, may not be reflected on the Schedules.

(g) Accounts Receivable. Accounts receivable as of the Petition Date are not set forth in the Schedules because, as part of a securitization program, all of the Debtors' accounts receivable were sold to a non-Debtor entity, resulting in intercompany receivables balances. The securitization program ended on January 24, 2008 and for accounting purposes in the 2007 year-end financial statements, accounts receivable were incorporated within the consolidated assets of QWI.

(h) Intercompany Accounts and Transactions. The Schedules reflect the net intercompany position on a legal entity-by-entity basis, and the Debtors have scheduled all such claims as "disputed". However, as discussed in paragraph three – General Limitations, certain transactions have been recorded historically at the consolidated level only and cannot be allocated accurately on a legal entity-by-entity basis. For purposes of the preparation of these Schedules, the assets and liabilities of the individual Debtors have been allocated to the appropriate Debtor wherever possible. However, substantial additional analysis would be required to create complete, entity-by-entity financial statements, particularly for certain accounts such as accrued liabilities. In addition, some information would be difficult or impossible to analyze on an entity-by-entity basis, as such analysis would require the review of multiple years' worth of transactions that have previously been accounted for only on a consolidated basis.

(i) Intellectual Property Rights. Inclusion of certain intellectual property shall not be construed as an admission that such intellectual property rights have not been abandoned, have not been terminated or otherwise expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Accordingly, the Debtors reserve all of their rights with respect to the legal status of such intellectual property rights.

(j) Causes of Action. The Debtors have not set forth all causes of action against all third parties as assets in their Schedules and Statements. The Debtors reserve all of their rights with respect to any causes of action that they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such causes of action.

(k) Litigation. The Debtors have listed on Schedule F all known claimants related to any pending or threatened litigation action as contingent, disputed, and unliquidated with unknown amounts. Although claim amounts were not estimated, allowed claims, if any, for these claimants may be substantial. The Debtors have listed in the Statements question 4(a) the various litigation matters to which the Debtors were a party within the past year.

(l) Payments Made within 90 Days prior to the Petition Date and Payments to Insiders Within One Year of Petition Date. Payments made in the ordinary course of the Debtors' business to employees for salaries, wages, bonuses, commissions, and employee benefits, payroll taxes and sales taxes were omitted from the Statements question 3(b). In preparing the list of payments set forth in response to question 3(b), for transfers by check, the Debtors have listed transfers according to the check date. The Debtor's use of the check date in preparing their answer to question 3(b) is without prejudice of the Debtor's right to challenge or avoid a transfer based on the date the check was honored. Payments to insiders within one year of the Petition Date, including transfers within 90 days of the Petition Date, are listed in response to question 3(c) and are not separately set forth in response to question 3(b).

(m) Setoff Claims. To the extent that certain parties may have asserted setoff or recoupment claims against the Debtors, such parties may not have provided the Debtors with adequate notice of such setoff or recoupment claims, or such claims may have been improperly asserted against the Debtors. Accordingly, for purposes of the Debtors response to question 13 of the Statements, the Debtors have only listed those setoff claims with respect to which the Debtors have acknowledged that a valid setoff right exists. The Debtors reserve all of their rights to challenge any other setoff or recoupment claim asserted against them, including but not limited to under section 553 of the Bankruptcy Code, and the failure to list any such claim in the Statements or Schedules shall not constitute an acknowledgement of the validity of a purported setoff right or a waiver of the Debtors' rights to challenge any such claim.

(n) Executory Contracts. The Debtors have not set forth executory contracts as assets in their Schedules and Statements. The Debtors' executory contracts have been set forth in Schedule G.

(o) Property and Equipment – Owned. Unless otherwise noted, owned property and equipment, including assets under capital leases, are stated at net book value. For book reporting purposes, all assets were recorded using the straightline method of depreciation. Inasmuch as the Debtors calculate

depreciation and amortization monthly, the Schedules and Statements reflect monthly depreciation and amortization through December 29, 2007.

(p) Property and Equipment – Leased. In the ordinary course of their businesses, the Debtors lease equipment from certain third-party lessors for use in the daily operations of their businesses. Any such leases are set forth in the Schedules and Statements. The property subject to such leases is not reflected in the Schedules and Statements as either owned property, assets of the Debtors, or property or assets of third-parties within the control of the Debtors. Nothing in the Schedules and Statements is or shall be construed as an admission or determination as to legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all rights with respect to any of such issues.

(q) Gross Income – On the Statements questions number 1 and 2, the income for the period December 30, 2007 to January 20, 2008 was calculated on a pro rata basis.

(r) Property Transferred as Security. On the Statements question number 10. a., the Debtors are not aware of any property transferred as security within two years preceding the filing of the cases which was out of the ordinary course of business other than the security interests transferred in connection with the secured credit financing facility with the Royal Bank of Canada, as agent to the pre-petition lending syndicate and Societe Generale, and any capital leases.

(s) Property Owned by Another Person the Debtor Holds or Controls. The nature of the Debtors' businesses involves some of their customers providing some of their own raw materials, such as paper. On the Statements question number 14, the Debtors have reported customer owned paper as of the Petition Date to the extent the Debtors have contracts with those customers and accounts for customer owned paper in their information systems. Customer owned paper related to certain one-time projects or non-repeat work has been consumed between the Petition Date and the time that the Statements were prepared, and accordingly, has not been reported in the Statements question number 14. The Debtors have also listed in question number 14 all of their bailed and consigned goods.

(t) Pension Funds. On the Statements question number 25, the Debtors have listed the pension funds for which each Debtor has responsibility for contributing, irrespective of whether such Debtor's obligation is primary or secondary. For the defined benefit plans, the liability for contribution is joint and several and accordingly, QWUSA has a primary obligation and all of the remaining fifty two debtor entities have a secondary obligation for contributing to the following pension plans: (i) Quebecor World Pension Plan; (ii) Quebecor World Baird-Ward Inc. Retirement Plan; (iii) The Pension Plan for Hourly Employees of the Salem Grauvure Division of Quebecor World (USA) Inc.; (iv) Quebecor World Buffalo Inc. Retirement Plan for Hourly Employees; (v) Quebecor World

Kingsport Inc. Pension Plan for Hourly Bargaining Unit Employees of Kingsport, Hawkins, Sherwood and Distribution; and (vi) Quebecor World Mt. Morris II LLC Employee's Pension Plan. For the defined contribution plan, Quebecor World Atglen Inc. Pension Plan for Production & Maintenance Employees, the liability for contribution is also joint and several. For the defined contribution 401(k) Plan, the liability for contribution is not joint and several and accordingly, QWUSA has a primary obligation and certain of the debtor entities who are participating employers have a secondary obligation for contributing. For the Multi Employer Pension Plans, the liability for contribution is not joint and several and accordingly, only the debtor entity who is the employer has an obligation for contributing. Note that any pension surplus related to any of the above noted plans is not included in the Schedules of the Debtors, although this surplus may reduce the future contribution requirements of the Debtors.

(u) Interests in Subsidiaries. QWI owns directly or indirectly the 53 subsidiaries and affiliates that are Debtors. Equity interests in subsidiaries and affiliates primarily arise from common stock ownership interests. Each Debtor's "Schedule B-Personal Property" lists such Debtor's ownership interests, if any, in subsidiaries and affiliates. For purposes of these Schedules and Statements, the Debtors have listed the value of such ownership interests as undetermined because the fair market value of such stock or interests is dependent on numerous variables and factors and may differ significantly from the net book value.

(v) Schedule A – Real Property. For real property located at (i) 1000 W. Commerce Way, Lincoln Nebraska and (ii) 3700 N.W. 12th Street, Lincoln Nebraska, the Debtors are in the process of determining the record owner of the property. For one parcel of land comprising the property located at 100 North Miller Street, Fairfield, PA, the Debtors are in the process of determining the record owner of the property.

(w) Schedule B – Personal Property. In addition to the personal property listed in Schedule B, the Debtors also have certain rights to rebates from suppliers arising from the Debtors' purchases of goods and raw materials. The Debtors are in the process of reconciling claims held by their suppliers with rebates owed to the Debtors by such suppliers. In some cases, this reconciliation process may result in a balance owing to the Debtors on account of such rebates. The failure to include such balances on Schedule B shall not be deemed a waiver by the Debtors of their rights to collect on such rebates or an acknowledgement with respect to whether such rebates are owed to the Debtors.

(x) Schedule D - Secured Claims. The Debtors have not included on Schedule D parties that may believe their claims are secured through setoff rights, deposits posted by or on behalf of the Debtors, or inchoate statutory lien rights. Such counterparties have been listed on the Schedule F's. Except as otherwise agreed pursuant to a stipulation or agreed order or order entered by the Bankruptcy Court, the Debtors reserve their rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be

granted or perfected in any specific asset to a secured creditor listed on Schedule D of any Debtor. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, except as otherwise agreed pursuant to a stipulation or agreed order or order entered by the Bankruptcy Court, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim. Furthermore, secured claim amounts have been listed on Schedule D without regard to the value of assets securing such claims. No attempt was made by the Debtors to estimate the fair market value as of the Petition Date of assets pledged pursuant to a secured obligation. Accordingly, deficiency claims of secured creditors were not listed on Schedule F and such omission is not an admission by the Debtors as to the sufficiency of collateral related to any secured claim listed on Schedule D. In certain instances, a Debtor may be a co-obligor or guarantor with respect to scheduled claims of other Debtors. No claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements. To the extent that the Debtors are parties to capital leases, the Debtors have treated those leases as executory contracts, which may be shown on Schedule G. However, the Debtors reserve their rights to assert that such capital leases are secured financings, rather than unexpired leases.

(y) Schedule E - Priority Claims. Priority claims related to various potential tax obligations have been listed on Schedule E. Although the base amount of certain of these claims is not disputed, because certain taxing authorities may assert claims for interest, penalties or other amounts due in connection with asserted tax liabilities of the Debtors, all such claims have been listed as "Contingent," "Unliquidated" and "Disputed" and the amount of such claims is "Undetermined." Moreover, although the Debtors may have scheduled claims of various creditors as priority claims, the Debtors reserve all rights to dispute or challenge the priority treatment of any such creditor's claim (or portion thereof) or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim. The claims listed on Schedule E include contingent, unliquidated liabilities on account of sales and/or use tax payments that may be owed by certain Debtors that have not yet registered with the applicable taxing authorities for purposes of payment of such potential tax obligations. Although the Debtors have reserved approximately \$17 million on account of such claims for purposes of their financial statements, the Debtors believe that their actual liability on such claims may be substantially less than the reserved amount, and intend to address such claims pursuant to a forthcoming motion to be filed with the Bankruptcy Court seeking a final determination of the actual amount of any such claims. Out of an abundance of caution and in an effort to provide notice to all holders of potential priority tax claims, the Debtors

have listed all potential holders of priority tax claims on Schedule E. The listing of a taxing authority on a Debtor's Schedule E is not an acknowledgement that such taxing authority holds a valid claim against a particular Debtor or that a particular tax claim is entitled to priority under 11 U.S.C. § 507(a)(8) or otherwise. The claims set forth on Schedule E also include property tax liabilities with an assessment date prior to the Petition Date, including but not limited to any unpaid property taxes with an assessment date of January 1, 2008 or earlier.

(z) Schedule F – Unsecured Claims. In certain instances, a Debtor may be a co-obligor, co-mortgagor, or guarantor with respect to scheduled claims of other Debtors, and no claim set forth on Schedule F of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. The descriptions provided in Schedule F are intended only to be a summary. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements. The claims of individual creditors for, among other things, goods, services, or taxes are listed at the amounts listed on the Debtors' books and records and may not reflect credits or allowances due from such creditor. The Debtors reserve all of their rights respecting such credits and allowances. The dollar amounts listed may be exclusive of contingent and unliquidated amounts. The Debtors expressly incorporate by reference into Schedule F all parties to pending and potential pending litigation listed in the Debtors' Statements as contingent, unliquidated, and disputed claims to the extent not already listed on Schedule F. All parties to executory contracts, including those listed on Schedule G, are holders of contingent and unliquidated unsecured claims arising from (i) obligations under those executory contracts and/or (ii) rejection damages in the event that such executory contract is rejected. Not all such claims are duplicated on Schedule F.

(aa) Schedule G - Executory Contracts/Unexpired Leases. While every reasonable effort has been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases, inadvertent errors or omissions may have occurred. The Debtors hereby reserve all of their rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth in Schedule G and to amend or supplement such Schedule as necessary. The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, and other documents, instruments, and agreements which may not be listed therein. Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties, and obligations are not set forth on Schedule G. Certain of the agreements may not have been memorialized in writing and could be subject to dispute. Executory agreements that are oral in nature have been scheduled to the best of the Debtors' knowledge. For certain of the Debtors' printing contracts, the Debtors have been unable to identify the Debtor party to the contract. Such contracts have been listed on the Schedule G for QWUSA. Schedule G does not include stand alone purchase

orders for goods or equipment or nondisclosure agreements. Schedule G also does not include certain insurance contracts to which non-debtor affiliates of the Debtors may be a party, notwithstanding that insurance coverage under such insurance contracts is provided to the Debtors. Schedule G does not include all of the Debtors' bid proposals entered into by the Debtors in the ordinary course of their business because the Debtors do not consider such documents to be executory contracts. Additionally, the Debtors may have entered into various other types of agreements in the ordinary course of their business, such as easements, right of way, subordination, non-disturbance, supplemental agreements, amendments/letter agreements, title agreements, and confidentiality agreements. Such agreements, if any, may not be set forth in Schedule G. Certain of the agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financings. The presence of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. Similarly, the absence of a contract or agreement on Schedule G does not constitute an admission that any other contract or agreement to which a Debtor is a party is not executory. The Debtors reserve all of their rights, claims, and causes of action with respect to the contracts and agreements listed on Schedule G, including the right to dispute or challenge the characterization or the structure of any transaction, document, or instrument.

(bb) Statement of Financial Affairs. Both questions 3C and 23 in the Statements request information regarding payments to insiders. The Debtors have listed in response to question 3C, expense reimbursements, gross wages and bonuses, severance pay, director and committee fees, leased car payments, payments related to the gross up of income for benefits received during the year, and distributions of deferred compensation to their insiders. These amounts include both direct and non-direct payments, as well as any withholding tax which would have been remitted to the appropriate taxing authority. In compiling a list of directors and officers, the Debtors have limited these to the directors and officers listed in each legal entity's corporate minute books. The Debtors have not listed payments made to employees who may be deemed officers where the employees function in a purely ministerial role and have no material inside information. In addition, the Debtors have not listed payments to officers and directors of the Debtors if such payments were made by non-debtor affiliates of the Debtors. In the preparation of the Statements question 3c, all automatic zero balancing and manual book transfers were omitted as they were made under a cash pool agreement as part of the centralized, consolidated cash management system described in 4(c). As the majority of the Debtors do not maintain separate bank accounts, the only legal entities affected by such automatic zero balancing and manual book transfers are the following: Quebecor World (USA) Inc.; Quebecor World Systems Inc.; QW Karl M. Harrop Company II Inc.; QW Delaware Inc.; and Quebecor World Finance Inc.

(cc) Adjustment to Scheduled Claim Amounts. The Bankruptcy Court has authorized the Debtors to pay, inter alia, wages, salaries and employee benefits,

including minimum funding contributions due to the Debtors' defined benefit plans, certain prepetition obligations to customers, certain prepetition shipping and warehousing charges, certain prepetition commissions, including broker and station commissions, certain contractor or tax claims giving rise to liens, certain equipment and purchasing and other contract assumptions obligations, and sales use and trust fund taxes. Accordingly, to the extent prepetition amounts have been paid in accordance with a Bankruptcy Court order prior to the filing of the Schedules, such claim amounts may not be listed. However the actual unpaid claims of creditors that may be allowed in these cases may differ from the amounts set forth due to additional invoices received, prepetition payments made pursuant to a Bankruptcy Court order where such payment was not reconciled on the books and records of the Debtors prior to the filing of the Schedules and Statements, or prepetition payments made following the filing of the Schedules and Statements.

(dd) Employee and Former Employee Addresses. Where directors, employees, and former employees have been identified in the Schedules and Statements, their personal addresses have not been set forth. These addresses will be provided with appropriate confidentiality provisions upon request.

(ee) Employee Claims. The Bankruptcy Court authorized the Debtors to pay certain prepetition employee wages, salaries, benefits, and other obligations. Accordingly, only employee claims for prepetition amounts that have not been paid as of the time the Schedules and Statements were filed have been included on the appropriate Schedule. Schedule F lists claims held by certain employees and former employees of the Debtors arising in connection with the Debtors' supplemental employee retirement plans ("SERPs"). The Debtors have not disclosed the amounts of such claims on Schedule F because such amounts relate to personal financial information of the Debtors' current and former employees. The aggregate amount of the claims on account of the SERPs, as reflected in the Debtors' books and records, is approximately \$12.7 million.

(ff) Insurance. QWI and QWUSA maintain general liability insurance policies, and various other insurance policies, on behalf of all the Debtors. A listing of all such insurance policies maintained by QWUSA is set forth on QWUSA's Schedule G. Schedule G does not include certain insurance contracts to which non-debtor affiliates of the Debtors may be a party, notwithstanding that insurance coverage under such insurance contracts is provided to the Debtors.

(gg) Inventory. The Debtors routinely perform manual counts of their inventories at different times in the year at their various facilities. While for certain facilities full counts are performed annually, for others, the inventory counts may include only cycle counts. Accordingly, the Debtors have provided the value of inventory and indicated the dates of the inventories to the best of their ability on the Schedules and Statements. Inventory values set forth on the Schedules and Statements are at cost.

(hh) Income other than from operation of business The Debtors' books of account were used to determine the interest revenue. In instances where a Debtor has both interest revenue and expense recorded within one account, the net interest revenue, if any, has been presented.

5. Reservation of Rights and Exculpation. The Debtors reserve all their rights to amend the Schedules and Statements in all respects, as may be necessary or appropriate, including, but not limited to, the right to dispute or to assert offsets or defenses to any claim reflected on the Schedules as to amount, liability, or classification or to otherwise subsequently designate any claim as "disputed," "contingent," or "unliquidated." Any failure to designate a claim as "contingent," "unliquidated," or "disputed" does not constitute an admission by the Debtors that such claim is not "contingent," "unliquidated," or "disputed." Furthermore, nothing contained in the Schedules shall constitute a waiver of the Debtors' rights with respect to the chapter 11 cases and, specifically, with respect to any issues involving equitable subordination and/or causes of action arising under the provisions of Chapter 5 of the Bankruptcy Code and other relevant nonbankruptcy laws to recover assets or avoid transfers. Moreover, although the Debtors may have scheduled claims of various creditors as priority claims, the Debtors reserve all rights to dispute or challenge the priority treatment of any such creditor's claim (or portion thereof) or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim. The Debtors and their agents, attorneys, and advisors do not guarantee or warrant the accuracy, completeness, or currentness of the data that is provided herein and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. While every reasonable effort has been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. The Debtors and their agents, attorneys, and advisors expressly do not undertake any obligation to update, modify, revise, or re-categorize the information provided herein, or to notify any third party should the information be updated, modified, revised, or re-categorized. In no event shall the Debtors or their agents, attorneys, and advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused, even if the Debtors or their agents, attorneys, and advisors are advised of the possibility of such damages.

6. Global Notes Control. In the event that the Schedules and Statements differ from the foregoing Global Notes, the Global Notes shall control.

SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS

State the name, mailing address, including zip code, and last four digits of any account number, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See 11 U.S.C. § 112 and Fed.R.Bankr.P. 1007(m). Do not include claims listed in Schedules D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H-Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of all claims listed on this schedule in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report this total on the Statistical Summary of Certain Liabilities and Related Data.

☐ Check this box if debtor has no creditors holding unsecured claims to report on this Schedule F.
