Proposed Attorneys for the Debtor,
The Roman Catholic Bishop of Fresno

UNITED STATES BANKRUPTCY COURT

EASTERN DISTRICT OF CALIFORNIA, FRESNO DIVISION

In re THE ROMAN CATHOLIC BISHOP OF FRESNO, Debtor-In-Possession	Case No. 25-12231-B-11 Chapter 11

STATEMENT OF METHODOLOGY REGARDING THE DEBTOR'S SCHEDULES OF ASSETS AND LIABILITIES AND STATEMENT OF FINANCIAL AFFAIRS

The Roman Catholic Bishop of Fresno, as debtor and debtor in possession in the above-captioned chapter 11 case ("RCBF" or the "Debtor"), has filed its Schedules of Assets and Liabilities (the "Schedules") and a Statement of Financial Affairs (the "Statement") with the United States Bankruptcy Court for the Eastern District of California (the "Court"). The Debtor, with the assistance of its legal and financial advisors, prepared the Schedules and Statement in accordance with section 521 of title 11 of the United States Code (the "Bankruptcy Code") and Rule 1007 of the Federal Rules of Bankruptcy Procedure. These Schedules and the Statement are unaudited.

This *Statement of Methodology Regarding the Debtor's Schedules of Assets and Liabilities and Statement of Financial Affairs* (the "Global Notes") pertains to the Debtor's Schedules and

Statement. Cynthia Martin, who serves as the Debtor's Chief Financial Officer and is an authorized signatory of the Debtor, has signed the Schedules and the Statement. In reviewing and signing the Schedules and the Statement, Ms. Martin has necessarily relied upon the efforts, statements, advice, and representations of personnel of the Debtor and the Debtor's legal and financial advisors and has completed the Schedules and the Statement to the best of his knowledge. In preparing the Schedules and the Statement, the Debtor also relied upon information derived from its books and records that was available at the time of such preparation.

The Debtor and its agents, attorneys, financial advisors, and restructuring advisors hereby reserve all their rights to amend, supplement, or otherwise modify the Schedules and Statement as may be necessary or appropriate.

A. Methodology.

1. **Basis of Presentation.** Except as otherwise stated, the Schedules and Statement do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States ("GAAP"), nor are they intended to be fully reconciled to the financial statements of the Debtor. The Schedules and Statement contain unaudited information that is subject to further review and potential material adjustment. The Schedules and Statement reflect the Debtor's reasonable efforts to report the assets and liabilities of the Debtor.

2. **Duplication.** Certain of the Debtor's assets, liabilities, and prepetition payments may properly be disclosed in response to multiple parts of the Schedules and Statement. To the extent these disclosures would be duplicative, the Debtor may only list such assets, liabilities, and prepetition payments once.

3. **Net Book Value.** In certain instances, current market valuations for individual items of property and other assets are neither maintained by, nor readily available to, the Debtor. Accordingly, unless otherwise indicated, the Debtor's Schedules and Statement reflect approximate net book values as of the Petition Date, which may not reflect depreciation expense for the most recently ended fiscal year. Market values may vary – at times materially – from net book values. The Debtor believes that it would be an inefficient use of estate resources for the Debtor to obtain the current market values of its property and other assets. Accordingly, in addition to using net book values, the Debtor has indicated in the Schedules and Statement that the values of certain assets and liabilities are undetermined. Also, assets that have been fully depreciated are listed in these Schedules and Statement with a zero-dollar value, as such assets have no net book value.

4. **Property and Equipment.** Unless otherwise indicated, owned property and equipment are valued at net book value. The Debtor may lease furniture, fixtures,

and equipment from certain lessors. To the extent possible, any such leases are listed in the Schedules.

5. **Undetermined Amounts.** The description of an amount as "undetermined," "unknown," or "unliquidated" is not intended to reflect upon the materiality of such amount.

6. **Totals.** All totals that are included in the Schedules and Statement represent totals of all known amounts. To the extent such totals include unknown or undetermined amounts, the actual total may be different than the listed total.

7. **Charitable Donations.** The Debtor occasionally receives funds from individuals and other Catholic entities which funds are remitted to the Debtor for the purpose of supporting charitable endeavors of the Debtor. The Debtor holds such funds in its accounts until it makes donations to other charitable endeavors. The amounts remitted and the remitting entities are not specifically reflected on the Schedules and Statement.

8. **Excluded Assets and Liabilities.** The Debtor may have excluded certain categories of assets and liabilities from the Schedules and Statement, including, but not limited to: certain deferred charges, accounts, or reserves recorded only for purposes of complying with the requirements of GAAP; goodwill and other intangibles; deferred revenue accounts; and certain accrued liabilities including, but not limited to, accrued salaries and employee benefits.

9. **Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars.

10. **Setoffs.** The Debtor may incur setoffs and net payments in the ordinary course of business. Although such setoffs and other similar rights may have been accounted for when scheduling certain amounts, these ordinary course setoffs are not independently accounted for and, as such, are or may be excluded from the Schedules and Statement with all setoff rights reserved. In addition, some amounts listed in the Schedules and Statement may have been affected by setoffs or nettings by third parties of which the Debtor is not yet aware.

B. Specific Disclosures with Respect to the Debtor's Schedules A/B

1. **Part 1.** Details with respect to the Debtor's cash management system and bank accounts are provided in the Debtor's *Motion for Interim and Final Orders (1) Authorizing Continued Use of Existing Cash Management System, Operational Bank Accounts, and Related Investment Accounts; (2) Authorizing Maintenance of Existing Business Forms; (3) Excusing Compliance with 11 U.S.C. § 345(b); (4) Authorizing Continued Use of Current Investment Policy; and (5) Scheduling a Final Hearing* at ECF No. 10 (as supplemented from time to time, the "Cash Management Motion"). Amounts identified in Item 3 of Part 1 reflect actual amounts in the respective accounts as of the Petition Date and may vary from the amounts currently reflected in the Debtor's books and records.

While the Debtor and its professionals have used their good faith best efforts to determine which accounts contain funds that are subject to donor restrictions or held on behalf of others, the review of the Debtor's records is ongoing and may reveal additional restrictions or information.

2. **Part 9.** For the Debtor's owned real property, such owned real estate is reported at most recent assessed value as of the Petition Date. The Debtor may have listed certain assets as real property when such assets are in fact personal property, or the Debtor may have listed certain assets as personal property when such assets are in fact real property. Buildings and land improvements are listed on Schedule A/B independent of whether the real property to which the building or land improvement is connected is Debtor-owned property.

Further, the Debtor has listed certain property that it holds in trust for the benefit of another entity in the Statement at Part 11, Question 21. This property is held in the name of "The Roman Catholic Bishop of Fresno" and the Debtor holds such real property as trustee for the benefit of each specifically identified beneficiary. Thus, the identified property is not property of the estate pursuant to 11 U.S.C. section 541(d). Except as otherwise stated, the property listed in the Statement at Part 11, Question 21 is held for the benefit of other entities within the geographic territory of the Diocese and is not property of the Debtor's estate.

3. **Part 10.** Because the Debtor does not attribute any book value to its donor lists and other intellectual property, the Debtor has listed these assets with undetermined values.

C. Schedule E/F

1. **Part 1**. The Court has authorized (or is anticipated to authorize) the Debtor, in its discretion, to pay certain liabilities that may be entitled to priority under the applicable provisions of the Bankruptcy Code (*e.g.*, employee wages, salaries and other compensation, reimbursable employee expenses and similar benefits). To the extent such Claims have been paid or may be paid pursuant to further Court order, they may not be included on Part 1 of Schedule E/F.

2. **Part 2**. The Debtor does not include certain deferred charges, deferred liabilities, accruals, or general reserves. Such amounts are, however, reflected on the Debtor's books and records as required in accordance with GAAP. Such accruals are general estimates of liabilities and do not represent specific Claims as of the Petition Date.

Part 2 of Schedule E/F does not include obligations owed by third party insurance companies or other coverage providers on account of abuse-related liabilities, including, without limitation, defense costs due and owing to litigation defense counsel and related professionals.

D. Specific Disclosures with Respect to the Debtor's Statement

1. **Statement 7.** Statement 7 lists only those legal disputes and administrative proceedings that are formally recognized by an administrative, judicial, or other adjudicative forum as of the Petition Date. The Debtor has anonymized confidential matters in response to this question where disclosure would violate certain laws or where the investigating jurisdiction has requested confidentiality.

2. **Statement 21.** The Debtor has listed certain property that it holds in trust for the benefit of another entity in the Statement at Part 11, Question 21. This property is held in the name of "The Roman Catholic Bishop of Fresno, a California corporation sole" and is held by the Debtor as trustee for the benefit of each specifically identified beneficiary. Thus, the identified property is not property of the estate pursuant to 11 U.S.C. section 541(d).
