(viii) all warranties, guarantees and similar rights related to the Purchased Assets, including warranties and guarantees made by suppliers, manufacturers and contractors under the Purchased Assets, and claims against suppliers and other third parties in connection with the Purchased Contracts;

2.2 Excluded Assets. Nothing herein contained will be deemed to constitute an agreement to sell, transfer, assign or convey the Excluded Assets to Purchaser, and Sellers (and their Affiliates, as applicable) will retain all right, title and interest to, in and under the Excluded Assets. The term “Excluded Assets” means all assets, properties and rights of any Seller other than the Purchased Assets, including:

(a) all cash and cash equivalents, other than that which explicitly constitutes the Cash Collateral;

(b) all Intellectual Property Rights not set forth on Schedule 2.1(b)(xv);

(l) all assets listed on Schedule 2.2.

2.3 Assumption of Liabilities. On the terms and subject to the conditions set forth in this Agreement, at the Closing, pursuant to the Sale Order, Purchaser will assume, effective as of the Closing, and will timely perform and discharge in accordance with their respective terms, the following Liabilities (collectively, the “Assumed Liabilities”):

(a) all Liabilities of any kind or character to the extent resulting from or arising out of or in connection with Purchaser’s or its Affiliates’ use, operation, possession or ownership of or interest in the Purchased Assets and/or the Business, in each case, following the Closing;

(b) any Assumed Cure Costs that Purchaser is required to pay pursuant to Section 2.5;

(c) all Liabilities of Sellers under the Purchased Contracts that arise on or after the Closing Date;

(d) all Liabilities of Sellers arising out of or relating to (i) the Transferred Permits/Licenses, including such Liabilities thereunder arising out of or relating to all Reclamation and post-mining Liabilities of the Business or the Purchased Assets and such Liabilities thereunder arising with respect to the Interim Period, (ii) any mine operation or safety compliance matters related to the condition of the Purchased Assets or the mining areas of the Business, but excluding any Excluded Pre-Closing Fines, (iii) the Purchased Assets’ or the Business’s compliance with Environmental Laws, and (iv) any conditions arising from a spill, emission, release or disposal into the environment of, or human exposure to, hazardous materials resulting from the operation of the Business or Purchased Assets;

- (e) any Transfer Taxes;
- (f) all Trade Payables arising after the Petition Date that remain unpaid in the Ordinary Course of Business of Sellers as of the Closing Date (the “Assumed Payables”); and
- (g) all Liabilities listed on Schedule 2.3(g).

2.4 Excluded Liabilities. Notwithstanding anything to the contrary set forth herein, Purchaser will not assume and will be deemed not to have assumed, and Sellers will remain liable with respect to, the Excluded Liabilities. “Excluded Liabilities” means any and all Liabilities of Sellers arising out of, relating to or otherwise in respect of the following, other than the Assumed Liabilities: (a) resulting from or arising out of Sellers’ use, operation, possession or ownership of the Purchased Assets prior to the Closing, (b) all Liabilities of Sellers arising from the Transactions, (c) any obligations under any employee benefit plans, including without limitation, any pension obligations, retiree healthcare, any other OPEB liabilities, any successor obligations under CBAs, (d) any Excluded Pre-Closing Fines, and (e) Taxes (including for the avoidance of doubt, real and personal property taxes) related to any period or portion thereof prior to the Closing Date (which Taxes will be paid or escrowed by Seller at or prior to Closing).

2.5 Cure Costs. At the Closing and pursuant to Section 365 of the Bankruptcy Code, Sellers will assume the Purchased Contracts (to the extent not previously assumed) and, subject to the terms herein, assign the Purchased Contracts to Purchaser, and Purchaser, subject to the terms herein, will take assignment of the Purchased Contracts. All Assumed Cure Costs will be paid by Purchaser, as and when finally determined by the Bankruptcy Court pursuant to the procedures set forth in the Bidding Procedures Order or the Sale Order, and not by Sellers; and Sellers and their Affiliates will have no Liability for any Assumed Cure Costs.

2.6 Non-Assignment of Assets. (a) Notwithstanding any other provision of this Agreement to the contrary, this Agreement will not constitute an agreement to assign or transfer and will not effect the assignment or transfer of any Purchased Asset if (i) an attempted assignment or transfer thereof, without the approval, authorization or consent of, or granting or issuance of any license or permit by, any third party thereto (each such action, a “Necessary Consent” or collectively, the “Necessary Consents”), would constitute a breach, default or violation thereof or of any Law or Order or in any way adversely affect the rights of Purchaser thereunder and (ii) the Bankruptcy Court has not entered an Order approving such assignment or transfer. In such event, such assignment or transfer is subject to such Necessary Consent being obtained and Sellers and Purchaser will use their respective reasonable best efforts to obtain the Necessary Consents with respect to any such Purchased Asset or any claim or right or any benefit arising thereunder for the assignment or transfer thereof to Purchaser as Purchaser may reasonably request; provided, however, that Sellers will not be obligated to pay any

consideration therefor to any third party from whom consent or approval is requested or to initiate any litigation or Legal Proceedings to obtain any such consent or approval. If such Necessary Consent is not obtained, or if an attempted assignment or transfer thereof would be ineffective or would adversely affect the rights of Purchaser to such Purchased Asset following the Closing, Sellers and Purchaser will cooperate in a mutually agreeable arrangement, to the extent feasible, under which Purchaser would obtain the benefits and assume the obligations thereunder in accordance with this Agreement and the Sale Order.

(b) Subject to Section 2.6(a), if after the Closing (i) Purchaser holds any Excluded Assets or Excluded Liabilities or (ii) any Seller holds any Purchased Assets or Assumed Liabilities, Purchaser or the applicable Seller, will promptly transfer (or cause to be transferred) such assets or assume (or cause to be assumed) such Liabilities to or from (as the case may be) the other Party. Prior to any such transfer, the Party receiving or possessing any such asset will hold it in trust for such other Party.

(c) Notwithstanding anything herein to the contrary, at any time prior to the Closing Date, Purchaser will be entitled, in its sole discretion, to remove any Contract from Schedule 2.1(b)(v) by providing written notice thereof to Sellers and any Contract so removed will be deemed to be an “Excluded Asset” for all purposes hereunder.

2.7 Further Conveyances and Assumptions. From time to time following the Closing, Sellers and Purchaser will, and will cause their respective Affiliates to, execute, acknowledge and deliver all such further conveyances, notices, assumptions, assignments, releases and other instruments, and will take such further actions, as may be reasonably necessary or appropriate to assure fully to Purchaser and its respective successors or assigns, all of the properties, rights, titles, interests, estates, remedies, powers and privileges intended to be conveyed to Purchaser under this Agreement and to assure fully to each Seller and its Affiliates and their successors and assigns, the assumption of the liabilities and obligations intended to be assumed by Purchaser under this Agreement, and to otherwise make effective the Transactions; provided, that nothing in this Section 2.7 will require Purchaser or any of its Affiliates to assume any Liabilities other than the Assumed Liabilities.

III. CONSIDERATION

3.1 Consideration. The aggregate consideration for the Purchased Assets (the “Purchase Price”) will be the assumption of the Assumed Liabilities, together with the Excess Net Working Capital Payment (if any), which shall be paid as set forth in Section 3.3.

3.2 Deposit. On the date hereof, Purchaser shall deposit with the Company the sum of \$750,000 (the “Deposit Amount”), which together with any interest having

accrued on the Deposit Amount between the date hereof and such disposition, will either be refunded to Purchaser or retained by the Company as follows:

(a) if the Closing occurs, the Deposit Amount will be refunded to Purchaser at the conclusion of the Interim Period, upon delivery by Purchaser to the Company of evidence reasonably satisfactory to the Company that the appropriate Governmental Body has approved the transfer of the material Transferred Permits/Licenses to Purchaser;

(b) if this Agreement is terminated by Sellers pursuant to Section 4.4(d), the Company will be entitled to retain the Deposit Amount, and such Deposit Amount will be deemed compensation and consideration for entering into this Agreement; and

(c) if this Agreement is terminated for any reason other than by Sellers pursuant to Section 4.4(d), the Deposit Amount will be refunded to Purchaser.

3.3 Working Capital Payment. Not later than thirty (30) days following the Closing Date, the Company shall deliver to Purchaser the Net Working Capital Statement. If the Closing Net Working Capital exceeds the sum of (i) the Net Working Capital Target *plus* (ii) \$250,000, then Purchaser will promptly (but in no event more than five Business Days) pay to the Company (by wire transfer of immediately available funds) an amount equal to such excess (but only, for the avoidance of doubt, if a positive number) (the "Excess Net Working Capital Payment"). If the sum of (i) the Net Working Capital Target *minus* (ii) \$250,000 exceeds the Closing Net Working Capital, then the Company will promptly (but in no event more than five Business Days) pay to Purchaser (by wire transfer of immediately available funds) an amount equal to such excess (but only, for the avoidance of doubt, if a positive number) (the "Net Working Capital Shortfall"). In the event the Purchaser disputes the Net Working Capital Statement, the Purchaser shall within five Business Days following receipt thereof provide written notice of such dispute to the Company, including a reasonably detailed explanation regarding the basis for such dispute. The parties shall thereafter endeavor in good faith to resolve such dispute on a mutually agreeable basis; provided, however, that if any such disputes remain unresolved after ten Business Days, either party can submit such dispute to PricewaterhouseCoopers (an independent accounting firm) (the "Independent Firm"), and such Independent Firm shall make a binding determination (made in accordance with this Agreement) with respect to such dispute within ten Business Days following the submission of the dispute thereto. The fees, costs and expenses of the Independent Firm initially be allocated 50% to the Company and 50% to Purchaser; provided that such fees, costs and expenses will ultimately be allocated between the Company and Purchaser in the same proportion that the aggregate amount of the disputed items so submitted to the Independent Firm that is unsuccessfully disputed by such Party (as finally determined by the Firm) bears to the total amount of disputed items submitted. For example, if the company submits an adjustment of \$1,000 for a specific item, and if Purchaser contests

only \$500 of the amount claimed by the Company, and if the Independent Firm ultimately resolves the dispute by awarding the Company \$300 of the \$500 contested, then the fees, costs and expenses of the Independent Firm will be allocated 60% (i.e., 300/500) to Purchaser and 40% (i.e., 200/500) to the Company.

3.4 Payment of Purchase Price. At the Closing, Purchaser will assume the Assumed Liabilities pursuant to instruments delivered at the Closing as provided in Section 4.3.

IV. CLOSING AND TERMINATION

4.1 Closing Date. Subject to the satisfaction of the conditions set forth in Sections 9.1, 9.1(d) and 9.3 hereof (or the waiver thereof by the Party entitled to waive that condition), the closing of the purchase and sale of the Purchased Assets and the assumption of the Assumed Liabilities provided for in Article II (the “Closing”) will take place remotely by the electronic exchange of documents and signatures in PDF format at 10:00 a.m. (Eastern time) on the date that is three Business Days following the satisfaction or waiver of the conditions set forth in Article IX (other than conditions that by their nature are to be first satisfied at the Closing, but subject to the satisfaction or waiver of such conditions), or at such other place and time as the Parties may designate in writing. The date on which the Closing is held is referred to in this Agreement as the “Closing Date.”

4.2 Deliveries by Sellers. At the Closing, Sellers will deliver to Purchaser:

- (a) the General Assignments and Bills of Sale for the Purchased Assets, each duly executed by the applicable Seller;

- (c) the Contracts Assignment and Assumption Agreements for the assumed Contracts, each duly executed by the applicable Seller;
- (d) special warranty or limited warranty deeds (or similar deeds to convey title with warranties limited only to grantor’s acts in a particular jurisdiction where the Owned Real Property is located) to the Owned Real Property in recordable form, duly executed by the applicable Seller;
- (e) all documents of title and instruments of conveyance (duly executed by the applicable Seller) necessary to transfer record and/or beneficial ownership to Purchaser of all automobiles, trucks and trailers owned by Sellers (and any other Purchased Assets owned by Sellers which require execution, endorsement and/or

delivery of a document in order to vest record or beneficial ownership thereof in Purchaser) which are included in the Purchased Assets;

(f) the officers certificate required to be delivered pursuant to Sections 9.1(a) and 9.1(b); and

(g) all other deeds, endorsements, assignments, company seals, instruments of transfer and other instruments of conveyance reasonably requested by Purchaser or required to convey and assign the Purchased Assets to Purchaser and vest title therein in Purchaser free and clear of all Liens (other than those released by the Sale Order, those created by Purchaser and Transferred Exceptions).

4.3 Deliveries by Purchaser. At the Closing, Purchaser will deliver to the Company:

(a) the consideration specified in Section 3.1 of this Agreement;

(b) the General Assignments and Bills of Sale for the Purchased Assets, each duly executed by Purchaser;

(c) the Lease Assignment and Assumption Agreements for the assumed Leases and Purchased Leased Real Property, each duly executed by Purchaser;

(d) the Contracts Assignment and Assumption Agreements for the assumed Contracts, each duly executed by Purchaser;

(e) evidence reasonably satisfactory to the Company in its sole discretion that the Required Bonding has been established;

(f) the officers certificate required to be delivered pursuant to Sections 9.2(a) and 9.2(b); and

(g) all such other documents, instruments and certificates, reasonably requested by Sellers, to evidence the assumption by Purchaser of the Assumed Liabilities.

4.4 Termination of Agreement. This Agreement may be terminated prior to the Closing as follows:

(a) by Purchaser or the Company, if the Closing has not occurred by 5:00 p.m. Eastern time on February 12, 2019 (the "Termination Date"); provided, however, that if the Closing has not occurred on or before the Termination Date due to a material breach of any representations, warranties, covenants or agreements contained in this Agreement by Purchaser or any Seller, then Purchaser or the Company, respectively, may not terminate this Agreement pursuant to this Section 4.4(a);

(b) by mutual written consent of the Company and Purchaser;

(c) by Purchaser, if Sellers breach any representation or warranty or any covenant or agreement contained in this Agreement, such breach would reasonably be expected to result in a failure of a condition set forth in Sections 9.1 or 9.3 and such breach has not been cured by the earlier of (i) 30 days after the giving of written notice by Purchaser to the Company of such breach and (ii) the Termination Date; provided, that Purchaser is not then in material breach of any representation, warranty, covenant or agreement contained in this Agreement;

(d) by the Company, if Purchaser breaches any representation or warranty or any covenant or agreement contained in this Agreement, such breach would reasonably be expected to result in a failure of a condition set forth in Sections 9.1(d) or 9.3 and such breach has not been cured by the earlier of (i) thirty (30) days after the giving of written notice by the Company to Purchaser of such breach and (ii) the Termination Date; provided, that no Seller is then in material breach of any representation, warranty, covenant or agreement contained in this Agreement;

(e) by Purchaser or the Company if there is in effect a final non-appealable Order of a Governmental Body of competent jurisdiction restraining, enjoining or otherwise prohibiting the consummation of the Transactions, it being agreed that the Parties will promptly appeal any adverse determination which is not non-appealable and use their respective reasonable best efforts to pursue such appeal unless and until this Agreement is terminated pursuant to this Section 4.4;

(f) by Purchaser or the Company, if the Bankruptcy Court enters an Order approving a Competing Transaction; and

(g) automatically, upon the consummation of a Competing Transaction.

4.5 Procedure Upon Termination. In the event of termination pursuant to Section 4.4, the terminating Party will give written notice thereof to the other Party or Parties, and this Agreement will terminate as described in Section 4.6, and the purchase of the Purchased Assets hereunder will be abandoned, without further action by Purchaser or any Seller.

4.6 Effect of Termination.

(a) In the event that this Agreement is terminated as provided herein, then each of the Parties will be relieved of its duties and obligations arising under this Agreement after the date of such termination and there will be no Liability or obligation on Purchaser, any Seller or any of their respective Representatives; provided, however, that the provisions of Section 3.2, this Section 4.6 and Article XI (other than Section

12.3) and, to the extent necessary to effectuate the foregoing enumerated provisions, Section 1.1 hereof, will survive any such termination and will be enforceable hereunder, provided, further, that nothing in this Section 4.6 will be deemed to interfere with Sellers' rights to retain the Deposit Amount under Section 3.2 hereof.

(b) In the event that this Agreement is validly terminated pursuant to Sections 4.4(c), (f) or (g), then the Company shall within five (5) Business Days pay or cause to be paid to the Purchaser the Termination Payment.

V. REPRESENTATIONS AND WARRANTIES OF SELLERS

Except as set forth in the Disclosure Schedule, Sellers hereby jointly and severally represent and warrant to Purchaser that:

5.1 Organization and Good Standing. Each Seller is an entity duly organized, validly existing and in good standing under the Laws of the jurisdiction of its organization and, subject to any limitations that may be imposed on such Seller resulting from or relating to the Bankruptcy Case, has the requisite power and authority to own, lease and operate its properties and to carry on its business as now conducted.

5.2 Authorization of Agreement. Subject to entry of the Sale Order and such other authorization as may be required by the Bankruptcy Court, each Seller has the requisite power and authority to execute and deliver this Agreement and each other agreement, document or instrument contemplated hereby or thereby to which it is a party and to perform its respective obligations hereunder and thereunder. The execution and delivery of this Agreement and each other agreement, document or instrument contemplated hereby or thereby to which it is a party and the consummation of the Transactions have been duly authorized by all requisite corporate or similar action on the part of each Seller. This Agreement and each other agreement, document or instrument contemplated hereby or thereby to which it is a party has been duly and validly executed and delivered, and each agreement, document or instrument contemplated hereby or thereby to be delivered at or prior to Closing will be duly and validly executed and delivered, by the applicable Seller and (assuming the due authorization, execution and delivery by the other Parties and the entry of the Sale Order) this Agreement and each other agreement, document or instrument contemplated hereby or thereby to which it is a party constitutes legal, valid and binding obligations of each applicable Seller enforceable against such Seller in accordance with its respective terms, subject to general principles of equity, including principles of commercial reasonableness, good faith and fair dealing (regardless of whether enforcement is sought in a proceeding at law or in equity).

5.3 Governmental Consents. Except to the extent rendered unnecessary through the entry of the Sale Order, no consent, waiver, approval, Order or authorization of, or declaration or filing with, or notification to, any Person or Governmental Body is required on the part of any Seller in connection with the execution and delivery of this

Agreement or any other agreement, document or instrument contemplated hereby or thereby to which any Seller is a party, the compliance by Sellers with any of the provisions hereof or thereof, the consummation of the Transactions or the taking by Sellers of any other action contemplated hereby or thereby (with or without notice or lapse of time, or both), except (a) for the entry of the Sale Order and (b) as would not reasonably be expected to have a Seller Material Adverse Effect.

5.4 Title to / Sufficiency of Purchased Assets.

(a) Subject to Section 2.6, and subject to the entry of the Sale Order, Sellers own the Owned Real Property and the Purchased Assets that are tangible personal property free and clear of all Liens (other than Permitted Exceptions) and, at the Closing, Purchaser will be vested with good, marketable, and valid title to the Owned Real Property and such Purchased Assets, free and clear of all Liens (other than Transferred Exceptions and Liens created by Purchaser) and Excluded Liabilities, to the fullest extent permissible under Law, including Sections 105, 363, and 365 of the Bankruptcy Code and Rules 6004 and 6006 of the Federal Rules of Bankruptcy Procedure.

(b) Except as set forth on Schedule 5.4(b), the Purchased Assets constitute all the properties, assets, interests in properties and rights necessary to permit Purchaser to carry on the Business after the Closing in the Ordinary Course of Business of Sellers prior to Closing.

5.5 Validity of Purchased Contracts. As of the date of this Agreement, each Purchased Contract is in full force and effect and is a valid and binding obligation of Seller party thereto and, to the Knowledge of Sellers, the other parties thereto in accordance with its terms and conditions, except as such validity and enforceability may be limited by (a) bankruptcy, insolvency, or other similar Laws affecting the enforcement of creditors' rights generally, (b) equitable principles of general applicability (whether considered in a proceeding at law or in equity), and (c) the obligation to pay Cure Costs under Section 2.5. As of the date of this Agreement, no Seller has received any written notice of the intention of any third party to terminate any Purchased Contract. As of the date of this Agreement, to the Knowledge of Sellers, no event has occurred which, with the passage of time or the giving of notice, or both, would constitute a default under or a violation of any such Purchased Contract or would cause the acceleration of any obligation of any Seller or the creation of a Lien upon any Purchased Asset, except for such events that would not reasonably be expected to have, individually or in the aggregate, a Seller Material Adverse Effect.

5.6 Litigation. Except for Legal Proceedings that do not have, and would not reasonably be expected to have, individually or in the aggregate, a Seller Material Adverse Effect, as of the date of this Agreement, there are no Legal Proceedings or Orders pending or, to the Knowledge of Sellers, threatened against any Seller that

involves or relates to the Business, any of the Transactions, or affects any of the Purchased Assets.

5.7 Financial Advisors. Except with respect to Lazard Freres & Co. LLC, Sellers have not incurred any obligation or Liability, contingent or otherwise, for brokerage or finders' fees or agents' commissions or other similar payment in connection with this Agreement or Transactions for which Purchaser is or will become liable.

5.8 Environmental Matters. Except as would not reasonably be expected to be material to the Business or the Purchased Assets:

(b) Sellers have not received any written notice, report or other information alleging any pending or threatened material violation, non-compliance, Liability or potential Liability under Environmental Laws with regard to any of the Purchased Real Property or the Business, or any prior business for which Sellers have retained Liability under any Contract or Environmental Law, nor do Sellers have any unresolved claims alleging any violations of Environmental Law;

5.9 Sellers' Intellectual Property. Except as disclosed on Schedule 5.9, and except as would not, individually or in the aggregate, reasonably be expected to be material to the Business, to Sellers' Knowledge, (i) the conduct of the Business by Sellers as currently conducted (including the products and services currently sold or provided by Sellers) does not infringe or otherwise violate any Person's intellectual property rights, and no such claims are pending or threatened in writing against Sellers, and (ii) no Person is infringing or otherwise violating any Intellectual Property Rights owned by Sellers, and no such claims are pending or threatened in writing against any Person by Sellers.

5.10 Compliance with Applicable Laws; Permits. (a) The Sellers and each of their Affiliates own and operate, and for each of the prior three (3) years have at all times owned and operated, the Purchased Assets and conduct, and for each of the prior three (3) years have at all times conducted, the Business, in each case, in compliance in all material respects with all Orders, Permits and Law applicable to the Sellers, such Affiliates of the Sellers, the Purchased Assets or the Business, as applicable, except for prior instances of non-compliance that have been fully and finally resolved to the satisfaction of all Governmental Body with jurisdiction over such matters, and (b) no Seller nor any of its respective Representatives has received in the past twenty-four (24) months any written notice from a Governmental Body or third party alleging that any Seller, any of its respective Affiliates or the Business is not in compliance in any material respect with applicable Orders, Permits and Law. 5.11 Labor Matters.

(a) Except as set forth on Schedule 5.11(a), none of the Sellers or their Affiliates are party to or subject to any collective bargaining agreements, works council agreements, labor union contracts, trade union agreements, and other similar agreements (each a “Collective Bargaining Agreement”), or any letter or memoranda of understanding or agreement interpreting any Collective Bargaining Agreement or modifying same, with respect to the Business, with any union, works council, or labor organization (each a “Union” and collectively “Unions”);

(b) Except as set forth on Schedule 5.11(b), to Sellers’ Knowledge, in the past three (3) years, other than pursuant to procedures established in connection with the Bankruptcy Case, (i) no Union or group of Employees or former Employees has organized any employees for purposes of collective bargaining, sought to bargain collectively with any of Sellers, made a demand for recognition or certification as an employee representative for purposes of collective bargaining or filed a petition for recognition with any Governmental Authority; (ii) as of this date, no Collective Bargaining Agreement is being negotiated by any of Sellers, other than pursuant to procedures established in connection with the Bankruptcy Case; and (iii) in the past three (3) years, there have been no material strikes, lockouts, slowdowns, work stoppages, boycotts, handbilling, picketing, walkouts, demonstrations, leafleting, sit-ins, sick-outs, or other material forms of organized labor disruption with respect to any of Sellers; and

(c) Within the past three (3) years, there has been no “mass layoff” or “plant closing” (as defined in the Worker Adjustment and Retraining Notification Act of 1988, and including any similar state or local Law (the “WARN Act”)) with respect to any Seller and, therefore, Sellers have complied with any and all legal requirements to provide advance notice of layoffs or terminations as required by, or incurred any material Liability under, the WARN Act, or any applicable Law for Employees outside the United States regarding the termination or layoff of Employees.

(d) Excluding any legal matter, either individually or in the aggregate, reasonably expected to be immaterial to the Business or pursuant to procedures established in connection with the Bankruptcy Case, (i) within the past three (3) years, Sellers have, to the Knowledge of Sellers, been in compliance with all applicable Law relating to labor and employment, including all applicable Law relating to employment practices; the hiring, promotion, assignment, and termination of employees; discrimination; equal employment opportunities; disability; labor relations; wages and hours; FLSA, classification of independent contractors, hours of work; payment of wages; immigration; workers’ compensation; employee benefits; background and credit checks; working conditions; occupational safety and health; family and medical leave; employee terminations; and data privacy and data protection; (ii) there are no pending, or to Sellers’ Knowledge, threatened, lawsuits, grievances, unfair labor practice charges, arbitrations, charges, investigations, hearings, actions, claims, or proceedings (including any administrative investigations, charges, claims, actions, or proceedings), against

Sellers brought by or on behalf of any applicant for employment, any current or former Employee, any person alleging to be a current or former employee, any representative, agent, consultant, independent contractor, subcontractor, or leased employee, volunteer, or “temp” of Sellers, or any group or class of the foregoing, or any Governmental Body, alleging violation of any labor or employment Law, breach of any Collective Bargaining Agreement, breach of any express or implied contract of employment, wrongful termination of employment, or any other discriminatory, wrongful, or tortious conduct in connection with the employment relationship; (iii) each of the Employees has presented documentation sufficient under the Laws of the jurisdiction in which they perform employment services for the Sellers authorizing the Employees to lawfully work within the jurisdictions they perform employment services for Sellers; and (iv) no individual has been improperly excluded from, or wrongly denied benefits under, any Benefit Plan.

5.12 Employees. Sellers do not employ any individual Person. Schedule 5.12(a), contains a complete and accurate list of the Employees as of the date hereof, including employees’ work location, union or non-union status, status as exempt or non-exempt under the provisions of the Fair Labor Standards Act and other applicable Laws, title, start date and base wage rate or salary. Except as set forth on Schedule 5.12(a), no Seller nor any of its respective Affiliates sponsors, maintains, contributes to or has any Liability in respect of any defined benefit pension plan (as defined in Section 3(35) of ERISA) or any multiemployer plan with respect to the Employees.

5.13 Mining. Each Seller has, in the amounts and forms required pursuant to applicable Mining and Mining Safety Laws, obtained all performance bonds and surety bonds, or otherwise provided any financial assurance as (a) required under the applicable Permits or Mining and Mining Safety Laws for Reclamation of land, water or other natural resources at any property included in the Purchased Assets, or (b) required pursuant to any applicable Permit or Mining and Mining Safety Law (collectively, “Mining Financial Assurances”). Schedule 5.13 sets forth a complete and accurate list of all Mining Financial Assurances held by Sellers with respect to the Purchased Assets, categorized by Transferred Permit/License or the Purchased Assets, and including the name of the provider, the amount provided, and the amounts of collateral held by the provider. The Cash Collateral shown on Schedule 5.13 does not secure any obligations or assets other than the Assumed Liabilities and the Purchased Assets. The liability for mine closing and Reclamation obligations recorded on the most recent balance sheet of Sellers provided to Purchaser has been properly accrued in accordance with the requirements of Financial Accounting Standards Board Codification Topic 410, Asset Retirement and Environmental Obligations, formerly known as Financial Accounting Standard No. 143 (“FASB 410”), and the amount of such liability is equal to or in excess of the amount of such obligations, determined on the basis of Sellers’ actual historic Reclamation and closure costs and currently planned mine life and escalated for inflation, in accordance with FASB 410 and applicable Law.

5.14 No Other Representations or Warranties; Schedules. Except for the representations and warranties contained in this Article V (as modified by the Disclosure Schedules), none of Sellers nor any other Person makes any other express or implied representation or warranty with respect to Sellers, the Purchased Assets, the Assumed Liabilities or the Transactions, and each Seller disclaims any other representations or warranties, whether made by Sellers, any Affiliate of Sellers, or any of Sellers' or their Affiliates' respective Representatives. Except for the representations and warranties contained in this Article V (as modified by the Disclosure Schedules), each Seller (a) expressly disclaims and negates any representation or warranty, expressed or implied, at common law, by statute, or otherwise, relating to the condition of the Purchased Assets (including any implied or expressed warranty of merchantability or fitness for a particular purpose, or of conformity to models or samples of materials) and (b) disclaims all Liability and responsibility for any representation, warranty, projection, forecast, statement, or information made, communicated, or furnished (orally or in writing) to Purchaser or its Affiliates or Representatives (including any opinion, information, projection, or advice that may have been or may be provided to Purchaser by any Representative of Sellers or any of its Affiliates). Sellers make no representations or warranties to Purchaser regarding the probable success or profitability of the Purchased Assets or the use thereof. The disclosure of any matter or item in any Schedule hereto will not be deemed to constitute an acknowledgment that any such matter is required to be disclosed or is material or that such matter could result in a Seller Material Adverse Effect.

VI. REPRESENTATIONS AND WARRANTIES OF PURCHASER

Purchaser and Guarantor hereby represent and warrant to Sellers that:

6.1 Organization and Good Standing. Each of Purchaser and Guarantor is an entity duly organized, validly existing and in good standing under the Laws of the state of its organization.

6.2 Authorization of Agreement. Each of Purchaser and Guarantor has the requisite power and authority to execute and deliver this Agreement and each other agreement, document or instrument contemplated hereby or thereby to which it is a party and to perform its obligations hereunder and thereunder. The execution and delivery of this Agreement and each other agreement, document or instrument contemplated hereby or thereby to which it is a party and the consummation of the Transactions have been duly authorized by all requisite corporate or similar action on the part of Purchaser and Guarantor. This Agreement and each other agreement, document or instrument contemplated hereby or thereby to which Purchaser or Guarantor is a party has been duly and validly executed and delivered, and each agreement, document or instrument contemplated hereby or thereby to be delivered at or prior to Closing will be duly executed and delivered by Purchaser and/or Guarantor, as applicable, and (assuming the due authorization, execution and delivery by the other Parties) this Agreement and each

other agreement, document or instrument contemplated hereby or thereby to which Purchaser or Guarantor is a party constitutes legal, valid and binding obligations of Purchaser and Guarantor enforceable against it in accordance with its respective terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium and similar Laws affecting creditors' rights and remedies generally, and subject, as to enforceability, to general principles of equity, including principles of commercial reasonableness, good faith and fair dealing (regardless of whether enforcement is sought in a proceeding at law or in equity).

6.3 Conflicts; Consents of Third Parties. No consent, waiver, approval, Order or authorization of, or declaration or filing with, or notification to, any Person or Governmental Body is required on the part of Purchaser or Guarantor in connection with the execution and delivery of this Agreement and each other agreement, document or instrument contemplated hereby or thereby to which Purchaser and Guarantor is a party, the compliance by Purchaser with any of the provisions hereof or thereof, the consummation of Transactions, the taking by Purchaser or Guarantor of any other action contemplated hereby or thereby, except for (a) the entry of the Sale Order and (b) immaterial consents, waivers, approvals, Orders, authorizations, declarations, filings and notifications.

6.4 Litigation. There are no Legal Proceedings pending or, to the knowledge of Purchaser or Guarantor, threatened against Purchaser or Guarantor, or to which Purchaser or Guarantor is otherwise a party before any Governmental Body, which, if adversely determined, would reasonably be expected to have, individually or in the aggregate, a Purchaser Material Adverse Effect. Neither Purchaser nor Guarantor is subject to any Order except to the extent the same would not reasonably be expected to have, individually or in the aggregate, a Purchaser Material Adverse Effect.

6.5 Financial Advisors. No Person has acted, directly or indirectly, as a broker, finder or financial advisor for Purchaser or Guarantor in connection with the Transactions and no Person is entitled to any fee or commission or like payment in respect thereof that would or could be owed by or claimed against Sellers or any of the consideration to be paid hereunder.

6.6 Capability.

(a) Purchaser has and will have at Closing sufficient funds available to it in cash to pay or cause to be paid the fees and expenses required to be paid by Purchaser and Guarantor in connection with the Transactions, to effect the Transactions, and to establish and maintain the Required Bonding as of the Closing. As of the date hereof and upon the consummation of the Transactions, (i) Purchaser and Guarantor will not be insolvent as defined in Section 101 of the Bankruptcy Code, (ii) Purchaser and Guarantor will not be left with unreasonably small capital, (iii) Purchaser and Guarantor

will not have incurred debts beyond their ability to pay such debts as they mature, and (iv) the capital of Purchaser will not be impaired.

(b) Purchaser is and will be capable of taking transfer of, or obtaining replacement or overlapping permits for, and of posting replacement Required Bonding with respect to, the Transferred Permits/Licenses, and none of Purchaser or its Affiliates have been denied, or are subject to denial of, any application for any mining license, permit or other authorization of a Governmental Body due to application of the Applicant Violator System established pursuant to the SMCRA (or any applicable state system).

6.7 Condition of the Purchased Assets. Notwithstanding anything contained in this Agreement to the contrary, Purchaser and Guarantor acknowledge and agree that Sellers are not making any representations or warranties whatsoever, express or implied, beyond those expressly given by Sellers in Article V (as modified by the Disclosure Schedules), and Purchaser and Guarantor acknowledge and agree that, except for the representations and warranties contained therein, the Purchased Assets are being transferred on a “where is” and “as is” basis. Purchaser and Guarantor acknowledge that they have conducted to their satisfaction their own independent investigation of the Purchased Assets and, in making the determination to proceed with the Transactions, Purchaser and Guarantor have relied on the results of their own independent investigation.

6.8 Exclusivity of Representations and Warranties. Except for the representations and warranties contained in this Article VI (as modified by the Disclosure Schedules), neither Purchaser, Guarantor nor any other Person makes any other express or implied representation or warranty with respect to the Purchaser, Guarantor or the Transactions, and Purchaser and Guarantor disclaim any other representations or warranties, whether made by Purchaser, Guarantor, or any of their respective Affiliates or any of Purchaser’s, Guarantor’s or their Affiliates’ respective Representatives. Except for the representations and warranties contained in Article V, Purchaser and Guarantor agree and acknowledge that none of Sellers or any Person on behalf of Sellers makes any other express or implied representation or warranty with respect to Sellers, the Purchased Assets, the Assumed Liabilities or the Business or with respect to any other information provided or made available to Purchaser or Guarantor in connection with the Transactions, including information conveyed at management presentations, in a virtual data room or in due diligence sessions and, without limiting the foregoing, including any estimates, projections, predictions or other forward-looking information.

VII. BANKRUPTCY COURT MATTERS

7.1 Competing Transactions. This Agreement is subject to the Bankruptcy Court’s and Sellers’ consideration of higher or better competing bids. From and after the date hereof until the date that the auction contemplated by the Bidding Procedures Order is declared closed by Sellers, Sellers are permitted to cause their respective

Representatives and Affiliates to initiate contact with, or solicit or encourage submission of any inquiries, proposals or offers by, any Person (in addition to Purchaser and its Affiliates, agents, and Representatives) with respect to any transaction (or series of transactions) involving the direct or indirect sale, transfer or other disposition of all, or a material portion of, the Purchased Assets to a purchaser or purchasers other than Purchaser or effecting any other transaction (including a chapter 11 plan) the consummation of which would be substantially inconsistent with the Transactions (a “Competing Transaction”). In addition, Sellers shall be permitted to respond to any inquiries or offers to purchase all or any part of the Purchased Assets (whether in combination with other assets of Sellers or their Affiliates or otherwise) and perform any and all other acts related thereto which are required or permitted under the Bankruptcy Code, the Bidding Procedures Order or other applicable Law, including supplying information relating to the Business and the assets of Sellers to prospective purchasers.

7.2 Bankruptcy Court Filings. Sellers will pursue diligently the entry of the Sale Order, and Purchaser agrees that it will promptly take such actions as are reasonably requested by Sellers to assist in obtaining entry of the Sale Order and a finding of adequate assurance of future performance by Purchaser of the Purchased Contracts, including furnishing affidavits or other documents or information for filing with the Bankruptcy Court for the purposes, among others, of providing necessary assurances of performance by Purchaser under this Agreement and demonstrating that Purchaser is a “good faith” purchaser under section 363(m) of the Bankruptcy Code. Sellers will use reasonable efforts to provide Purchaser notice in advance of filing with the Bankruptcy Court or any appellate court any motion, brief, notice, proposed Order, amendment, supplement or other pleading that Sellers propose to file in the Bankruptcy Court relating to the Transactions.

VIII. COVENANTS

8.1 Access to Information.

(a) From the date hereof through the Closing Date, Purchaser will be entitled for purposes of consummating the Transactions to make such investigation of the Purchased Assets and the Assumed Liabilities as it reasonably requests. Any such investigation and examination will be conducted upon reasonable advance notice and under reasonable circumstances so as not to disturb the operation of the Business and will be subject to restrictions under applicable Law. Sellers will direct and use their reasonable best efforts to cause their respective Representatives to cooperate with Purchaser and Purchaser’s Representatives in connection with such investigation and examination, and Purchaser and its Representatives will cooperate with Sellers and their Representatives. Notwithstanding anything herein to the contrary, no such investigation or examination will be permitted to the extent that it would require Sellers to disclose information that would cause material competitive harm to a Seller or would violate attorney-client privilege. Sellers will promptly deliver to Purchaser all pleadings,

motions, notices, statements, schedules, applications, reports and other papers filed in any other judicial or administrative proceeding related to the Purchased Assets and the Transactions.

(b) For a period of three (3) years following the Closing Date, Purchaser shall make available and provide access to Sellers, upon reasonable notice and during normal business hours, to (i) the books and records of the Business (or copies or extracts thereof) with respect to periods or portions of periods ending on or before the Closing Date (including the Documents) as may be in the possession of Purchaser or its Affiliates, and (ii) to the management-level Transferred Employees, in each case for purposes of complying with applicable Laws and fulfilling Sellers' obligations under this Agreement, and with respect to pursuing and resolving claims and causes of action that constitute Excluded Assets. For the avoidance of doubt, Sellers' access to Purchaser's books and records under pursuant to this Section 8.1(b) shall be limited to those books and records that relate solely to the Business and the Excluded Assets.

8.2 Actions Pending the Closing. Except (a) as required by applicable Law or by Order of the Bankruptcy Court, (b) as otherwise expressly contemplated by this Agreement, or (c) with the prior written consent of Purchaser, during the period from the date hereof to and through the Closing Date, Sellers will: (i) use commercially reasonable efforts to carry on the Business in the Ordinary Course of Business of the Sellers and use commercially reasonable efforts to maintain, preserve and protect the Purchased Assets in their current condition, ordinary wear and tear excepted, but including replacements, modifications or maintenance in the Ordinary Course of Business of the Sellers and normal inventories of coal and operating materials and supplies in the Ordinary Course of Business of the Sellers; (ii) maintain their books, accounts and records in the Ordinary Course of Business; (iii) not materially amend, modify, terminate, waive any rights under or create any Lien (other than a Lien that will not be transferred to Purchaser at the Closing) with respect to any of the Purchased Contracts; (iv) use commercially reasonable efforts to defend and protect the Purchased Assets from infringement or deterioration; (v) comply with applicable Laws with respect to the Business or any Purchased Assets, other than with respect to the failure of such compliance as would not reasonably be expected to have, individually or in the aggregate, a Seller Material Adverse Effect; (vi) use commercially reasonable efforts to maintain in full force and effect all Transferred Permits/Licenses and comply with the terms of each such Transferred Permit/License and (vii) not enter into any agreement or commitment to take any action prohibited by this Section 8.2.

8.3 Consents. Sellers and Purchaser will use their respective reasonable best efforts to obtain at the earliest practicable date all consents and approvals contemplated by this Agreement, including the consents and approvals referred to in Sections 2.6(a)(ii) or 5.3 and the Necessary Consents; provided, however, that none of Sellers or Purchaser will be obligated to pay any consideration therefor to any third party from whom consent

or approval is requested or to initiate any litigation or proceedings to obtain any such consent or approval.

8.4 Further Assurances. Subject to the other provisions of this Agreement and any relevant Order of the Bankruptcy Court, each of Purchaser and each Seller will use its reasonable best efforts to (a) take all actions necessary or appropriate to consummate the Transactions, (b) provide the other Parties with reasonable cooperation and take such actions as such other Parties may be reasonably request in connection with the consummation of the Transactions, (c) following the Closing, execute and deliver such additional documents, instruments, assignments, conveyances and assurances, and take such further actions as may be reasonably required to carry out the provisions hereof and give effect to the Transactions, and (d) cause the fulfillment at the earliest practicable date of all of the conditions to their respective obligations to consummate the Transactions. Without limiting the foregoing, each of Purchaser and Sellers will use its reasonable best efforts to defend any Legal Proceedings which would prevent the condition to Closing described in Section 9.3(a) from being satisfied, including seeking to have any stay or temporary restraining order entered by any court or other Governmental Body with respect thereto vacated or reversed, and will cooperate with each other in connection with the foregoing.

8.5 Transferred Permit/License and Surety Bond Matters.

(a) To the extent permitted by Law, Purchaser shall prepare, at its sole cost and expense, all applications required to transfer the Transferred Permits/Licenses (which applications shall include the necessary applications, notices, forms and other documents to appoint Purchaser as the designated operator on the Transferred Permits/Licenses with the appropriate Governmental Body). Sellers shall cooperate with and provide reasonable assistance to Purchaser in connection with such preparation and such applications shall be reasonably satisfactory to Purchaser. As promptly as practicable and in no event later than 10 days after the date hereof, Purchaser shall properly file all applications required to transfer the Transferred Permits/Licenses from Sellers and their Affiliates to Purchaser with the appropriate Governmental Body. From and after the date hereof, Purchaser shall use its reasonable best efforts to pursue the prompt transfer of the Transferred Permits/Licenses to Purchaser. Sellers agree to provide the cooperation reasonably requested by Purchaser to procure the transfer of the Transferred Permits/Licenses.

(b) Purchaser shall use commercially reasonable efforts to take, or cause to be taken, all actions and do, or cause to be done, all things necessary under all Laws to put in place with the appropriate Governmental Body as promptly as commercially reasonably possible after the date hereof (but in no event later than the Closing) the Required Bonding necessary to transfer the Transferred Permits/Licenses from Sellers and their Affiliates to Purchaser in such a manner so as to permit the termination of all existing reclamation and surety bonds of the Sellers and underlying

bond agreements (and related instruments) related to the Transferred Permits/Licenses. Purchaser shall be solely responsible for the establishment and maintenance of the Required Bonding.

(c) To the extent permitted by applicable Law, from and after the Closing, and subject to Purchaser's obligation under Section 8.4(a) to promptly effect the transfer of the Transferred Permits/Licenses to Purchaser, Purchaser shall operate under the Transferred Permits/Licenses as the designated operator. To the extent allowed by and in accordance with Law, after the Closing and until the appropriate Governmental Body approves the transfer of the Transferred Permits/Licenses to Purchaser (the "Interim Period"), Sellers grant Purchaser the right to conduct, at the sole cost and expense of Purchaser, mining operations following the Closing on the Purchased Real Property under the Transferred Permits/Licenses as the designated operator. Purchaser and Sellers will make such filings, applications, notices or deliver any other documents as necessary to give effect to the foregoing arrangement during the Interim Period.

(d) During the Interim Period, Purchaser shall, and shall cause its Affiliates to: (i) maintain such Transferred Permit/License and comply with all Laws governing, and all conditions and requirements of, or pertaining to, any such Transferred Permits/Licenses (which shall include the performance of all actions required by applicable Laws and all conditions and requirements of the Transferred Permit/License); and (ii) be solely responsible (including all required remedial measures or abatement actions) for all incidents of violation, non-compliance, and similar occurrences related to the Transferred Permits/Licenses that arise from the actions of Purchaser and its Affiliates and their respective agents, Representatives and business relations while operating under such Transferred Permits/Licenses during the Interim Period. Purchaser shall promptly deliver to Sellers written notice of any such incidents or occurrences. In the event the Purchaser fails to cure any such matters, Sellers shall have the right, but not the obligation, to cure such matters (including right of entry onto the applicable Purchased Real Property). Purchaser shall promptly reimburse Sellers for the reasonable costs of any such cure. Sellers shall have (and Purchaser shall grant) all reasonable rights of entry onto the Purchased Real Property necessary for Sellers to maintain the Transferred Permits/Licenses in the event Purchaser fails to maintain the Transferred Permits/Licenses during the Interim Period.

(e) Upon the completion of the transfer of each applicable Transferred Permit/License, Purchaser shall cooperate with Seller to (i) secure the prompt termination of the applicable reclamation and surety bonds of Seller related thereto, (ii) secure prompt the termination of the underlying bond agreement (and related instruments) related to the Transferred Permit/License (to the extent all Transferred Permits/Licenses subject to the applicable bond agreement (or related instrument) have been transferred to Purchaser), and (iii) to secure the prompt release of the related Cash Collateral.

(f) The above notwithstanding, from and after the Closing, Purchaser shall remain liable for the Assumed Liabilities related to the Transferred Permits/Licenses even if any applicable Governmental Body fails to approve the transfers of any of the Transferred Permits/Licenses to Purchaser.

8.6 Publicity. Prior to Closing, unless otherwise required by applicable Law or Bankruptcy Court requirement, Purchaser and Sellers shall consult with each other before issuing any press release or public announcement concerning this Agreement or the Transactions, and shall not issue any such release or make any such statement without the prior written consent of the other (such consent not to be unreasonably withheld, conditioned or delayed), provided, however, that such requirement shall not apply to Sellers with respect to any actions taken with respect to a Competing Transaction. From and after the Closing, the Purchaser and Sellers may make public statements with respect to this Agreement or the Transactions so long as such announcements do not disclose the specific terms or conditions of this Agreement, except where such terms and conditions have already been disclosed as required by Law or Bankruptcy Court requirement; provided, that the issuing party shall use its commercially reasonable efforts to consult with the other party with respect to the text thereof to the extent practicable.

8.7 Confidentiality. Purchaser acknowledges that Confidential Information (as defined in the Confidentiality Agreement) has been, and in the future will be, provided to it in connection with this Agreement, including under Section 8.1, and is subject to the terms of the confidentiality agreement dated August 25, 2018 between the Company and Purchaser (the "Confidentiality Agreement"), the terms of which are incorporated herein by reference. Purchaser acknowledges and understands that this Agreement may be publicly filed in the Bankruptcy Court and further made available by Sellers to prospective bidders and that, except as prohibited herein, such disclosure will not be deemed to violate any confidentiality obligations owing to Purchaser, whether pursuant to this Agreement, the Confidentiality Agreement or otherwise.

8.8 Transaction Documents. The Parties shall negotiate in good faith, prior to the Closing, the terms of the General Assignments and Bills of Sales, the Lease Assignment and Assumption Agreements and each other document, agreement or instrument executed and delivered in connection herewith or therewith, and in each case such terms shall be in a form (a) customary for transactions of the type contemplated by this Agreement and (b) reasonably satisfactory to the Company and Purchaser, in their respective discretion.

IX. CONDITIONS TO CLOSING

9.1 Conditions Precedent to Obligations of Purchaser. The obligation of Purchaser to consummate the Transactions is subject to the fulfillment, on or prior to the Closing Date, of each of the following conditions (any or all of which may be waived by Purchaser in whole or in part to the extent permitted by applicable Law):

(a) the representations and warranties of Sellers contained in this Agreement (disregarding any “materiality” or “Seller Material Adverse Effect” qualifications contained therein) shall be true and correct in all respects as of the Closing (except such representations and warranties that expressly address an earlier date, which such representations and warranties shall be true and correct as of such earlier date), except where the failure to be so true and correct has not had, and would not reasonably be expected to have, a Seller Material Adverse Effect, and Purchaser shall have received a certificate signed by an authorized officer of the Company, dated the Closing Date, to the foregoing effect;

(b) Sellers shall have performed and complied in all material respects with all obligations and agreements required in this Agreement to be performed or complied with by them prior to or on the Closing Date, and Purchaser shall have received a certificate signed by an authorized officer of the Company, dated the Closing Date, to the foregoing effect;

(c) Sellers shall have delivered, or caused to be delivered, to Purchaser all of the items set forth in Section 4.2; and

(d) No Seller Material Adverse Effect shall have occurred since the date of this Agreement.

9.2 Conditions Precedent to Obligations of Sellers. The obligations of Sellers to consummate the Transactions are subject to the fulfillment, prior to or on the Closing Date, of each of the following conditions (any or all of which may be waived by Sellers in whole or in part to the extent permitted by applicable Law):

(a) the representations and warranties of Purchaser contained in this Agreement (disregarding any “materiality” or “Purchaser Material Adverse Effect” qualifications contained therein) shall be true and correct in all respects as of the Closing (except such representations and warranties that expressly address an earlier date, which such representations and warranties shall be true and correct as of such earlier date), except where the failure to be so true and correct has not had, and would not reasonably be expected to have, a Purchaser Material Adverse Effect, and the Company shall have received a certificate signed by an authorized officer of Purchaser, dated the Closing Date, to the foregoing effect;

(b) Purchaser shall have performed and complied in all material respects with all obligations and agreements required in this Agreement to be performed or complied with by Purchaser prior to or on the Closing Date, and the Company shall have received a certificate signed by an authorized officer of Purchaser on behalf of Purchaser, dated the Closing Date, to the foregoing effect;

(c) arrangements satisfactory to the Company shall be in place regarding the Required Bonding (under which, for the avoidance of doubt, neither Sellers nor any of their Affiliates will be liable for the obligations of Purchaser), and the Company shall be satisfied that there have been no adverse developments or occurrences that would reasonably be expected to be material and adverse in the context of the transfer of one or more Transferred Permits/Licenses;

(d) Purchaser shall have delivered to Sellers all of the items set forth in Section 4.3; and

(e) the Company shall be satisfied in its sole discretion that the bond agreements related exclusively to the Transferred Permits/Licenses (and related instruments) underlying the existing reclamation and surety bonds of the Sellers with respect to the Transferred Permits/Licenses will be terminated upon the completion of the transfer of the related Transferred Permits.

9.3 Conditions Precedent to Obligations of Purchaser and Sellers. The respective obligations of Purchaser and Sellers to consummate the Transactions are subject to the fulfillment, on or prior to the Closing Date, of each of the following conditions (any or all of which may be waived by Purchaser and Sellers in whole or in part to the extent permitted by applicable Law):

(a) there shall not be in effect any Order restraining, enjoining or otherwise prohibiting the consummation of the Transactions;

(b) the Bankruptcy Court shall have entered the Sale Order; and

(c) Purchaser shall have, prior to or simultaneous with the Closing, acquired the assets comprising the Buckingham mine and business in accordance with that certain Asset Purchase Agreement of even date herewith, by and between Westmoreland Coal Company, its applicable subsidiaries and Purchaser.

9.4 Frustration of Closing Conditions. No Party may rely on the failure of any condition set forth in Sections 9.1, 9.1(d) or 9.3, as the case may be, if such failure was caused by such Party's breach of any provision of this Agreement.

X. TAXES

10.1 Transfer Taxes.

(a) All documentary, stamp, transfer, motor vehicle registration, sales, use, value added, excise and other similar non-income Taxes and all filing and recording fees (and any penalties and interest associated with such Taxes and fees) arising from or relating to the consummation of the Transactions (collectively, "Transfer Taxes") will be

borne by Purchaser, regardless of the Party on whom Liability is imposed under the provisions of the Laws relating to such Transfer Taxes. Sellers and Purchaser will consult and cooperate in timely preparing and making all filings, Tax Returns, reports and forms as may be required to comply with the provisions of the Laws relating to such Transfer Taxes and will cooperate and otherwise use their respective reasonable best efforts to obtain any available refunds for or exemptions from such Transfer Taxes, including preparing exemption certificates and other instruments as are applicable to claim available exemptions from the payment of Transfer Taxes under applicable Law and executing and delivering such affidavits and forms as are reasonably requested by the other Party.

10.2 Purchase Price Allocation.

(a) As promptly as practicable after the Closing Date, but no later than 120 days thereafter, Purchaser will prepare and deliver to Sellers an allocation schedule setting forth the amounts to be allocated among Sellers and among the Purchased Assets of each Seller, pursuant to (and to the extent necessary to comply with) Section 1060 of the Code and the applicable regulations promulgated thereunder (or, if applicable, any similar provision under state, local or foreign Law or regulation) (the “Proposed Allocation Statement”). Sellers will have 30 Business Days following delivery of the Proposed Allocation Statement during which to notify Purchaser in writing (an “Allocation Notice of Objection”) of any objections to the Proposed Allocation Statement, setting forth in reasonable detail the basis of their objections. If Sellers fail to deliver an Allocation Notice of Objection in accordance with this Section 10.2(a) the Proposed Allocation Statement will be conclusive and binding on all Parties and will become the “Final Allocation Statement.” If Sellers submit an Allocation Notice of Objection, then for 20 Business Days after the date Purchaser receives the Allocation Notice of Objection, Purchaser and Sellers will use their reasonable best efforts to agree on the allocations. Failing such agreement within 20 Business Days of such notice, the unresolved allocations will be submitted to an independent, internationally-recognized accounting firm mutually agreeable to Purchaser and Sellers, which firm will be instructed to determine its best estimate of the allocation schedule based on its determination of the unresolved allocations and provide a written description of the basis for its determination within 45 Business Days after submission, such written determination to be final, binding and conclusive. The fees and expenses of such accounting firm will be apportioned among Sellers and Purchaser equally. For the avoidance of doubt, in administering any Legal Proceeding, the Bankruptcy Court shall not be required to apply the Final Allocation Statement in determining the manner in which the Purchase Price should be allocated as between Sellers and their respective estates.

(b) Sellers and Purchaser and their respective Affiliates will report, act, and file Tax Returns (including, but not limited to IRS Form 8594) in all respects and

for all purposes consistent with the Final Allocation Statement. Neither Sellers nor Purchaser will take any position (whether in audits, tax returns, or otherwise) that is inconsistent with the Final Allocation Statement unless required to do so by applicable Law.

10.3 Cooperation and Audits. Purchaser, its Affiliates and Sellers will cooperate fully with each other regarding Tax matters (including the execution of appropriate powers of attorney) and will make available to the other as reasonably requested all information, records and documents relating to Taxes governed by this Agreement until the expiration of the applicable statute of limitations or extension thereof or the conclusion of all audits, appeals or litigation with respect to such Taxes.

XI. OTHER AGREEMENTS

11.1 Employee Matters

- (a) Prior to the Closing Date, Purchaser or a Designated Purchaser shall make offers of employment to all Employees as of the Closing Date. The Company shall use its commercially reasonable efforts to cause Westmoreland Coal Company to, as of the Closing Date, terminate the employment of each Employee and shall cooperate with, and use its commercially reasonable efforts to assist, Purchaser with Purchaser's hiring (effective as of the Closing Date) of such Employees. The Purchaser shall be responsible for all Liabilities under the WARN Act with respect to the Employees. Prior to the Closing Date, Purchaser shall set initial terms and conditions of employment, including wages, benefits, job duties and responsibilities and work assignment for the Employees, all of which shall be substantially similar to those of such Employee prior to the Closing Date. With respect to any accrued but unused vacation time, and/or paid time off, for any Transferred Employee immediately prior to the Closing Date, Purchaser shall assume the Liability for such accrued vacation and/or paid time off and allow such Transferred Employee to use such accrued vacation and/or paid time off, in the same manner as provided under such vacation and/or paid time off policy, as applicable, immediately prior to the Closing Date.
- (b) Without limiting the generality of Section 12.10, the provisions of this Article XI are included for the sole benefit of the Sellers and Purchaser and nothing herein, whether express or implied, shall create any third party beneficiary or other rights in any other Person, including in any current or former employee, independent contractor or other service provider (including any beneficiary or dependent thereof) of the Sellers or Westmoreland Coal Company in respect of continued employment (or resumed employment) with Purchaser or any of its Affiliates or the Business and no provision of this Article XI shall create any rights in any such Persons in respect of any benefits that may be provided, directly or indirectly, under any employee plan or any plan or arrangement that may be established by

Purchaser or any of its Affiliates. No provision of this Agreement shall constitute a limitation on rights to amend, modify or terminate after the Closing Date any such plans or arrangements of the Sellers, Westmoreland Coal Company, Purchaser or any of their respective Affiliates.

XII.MISCELLANEOUS

12.1 No Survival of Representations and Warranties. The Parties agree that the representations and warranties contained in this Agreement will not survive the Closing hereunder, and none of the Parties will have any Liability to each other after the Closing for any breach thereof. The Parties agree that the covenants contained in this Agreement to be performed at or after the Closing will survive the Closing hereunder until the expiration of the applicable statute of limitations or for such shorter period explicitly specified therein, and each Party will be liable to the other after the Closing for any breach thereof.

12.2 Expenses. Except as otherwise expressly provided in this Agreement, whether or not the Transactions are consummated, each of Sellers and Purchaser will bear its own expenses incurred in connection with the negotiation and execution of this Agreement and each other agreement, document and instrument contemplated by this Agreement and the consummation of the Transactions and all proceedings incident thereto.

12.3 Injunctive Relief.

(a) The Parties agree that irreparable damages would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached, and that damages at law may be an inadequate remedy for the breach of any of the covenants, promises and agreements contained in this Agreement, and, accordingly, any Party will be entitled to injunctive relief to prevent any such breach, and to enforce specifically the terms and provisions of this Agreement, including specific performance of such covenants, promises or agreements or an Order enjoining a Party from any threatened, or from the continuation of any actual, breach of the covenants, promises or agreements contained in this Agreement. The rights set forth in this Section 12.3 will be in addition to any other rights which a Party may have at law or in equity pursuant to this Agreement.

(b) The Parties hereby agree not to raise any objections to the availability of the equitable remedy of specific performance to prevent or restrain breaches of this Agreement by Purchaser, Guarantor or Sellers, as applicable, and to specifically enforce the terms and provisions of this Agreement to prevent breaches or threatened breaches of, or to enforce compliance with, the respective covenants and obligations of Purchaser, Guarantor or Sellers, as applicable, under this Agreement all in accordance with the terms of this Section 12.3.

12.4 Submission to Jurisdiction; Consent to Service of Process.

(a) Without limiting any Party's right to appeal any Order of the Bankruptcy Court, (i) the Bankruptcy Court will retain exclusive jurisdiction to enforce the terms of this Agreement and to decide any claims or disputes, which may arise or result from, or be connected with, this Agreement, any breach or default hereunder, or the Transactions, and (ii) any and all proceedings related to the foregoing will be filed and maintained only in the Bankruptcy Court, and the Parties hereby consent to and submit to the jurisdiction and venue of the Bankruptcy Court for such purposes and will receive notices at such locations as indicated in Section 12.8 hereof; provided, however, that if the Bankruptcy Case has been closed pursuant to Section 350 of the Bankruptcy Code, the Parties agree to unconditionally and irrevocably submit to the exclusive jurisdiction of the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (or in the event (but only in the event) that such court does not have subject matter jurisdiction over such Legal Proceeding in the United States District Court for the District of Delaware) and any appellate court from any thereof, for the resolution of any such claim or dispute. The Parties hereby irrevocably waive, to the fullest extent permitted by applicable Law, any objection which they may now or hereafter have to the laying of venue of any such dispute brought in such court or any defense of inconvenient forum for the maintenance of such dispute. Each of the Parties agrees that a judgment in any such dispute may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law.

(b) Each of the Parties hereby consents to process being served by any other Party in any suit, action or proceeding by delivery of a copy thereof in accordance with the provisions of Section 12.8; provided, however, that such service will not be effective until the actual receipt thereof by the Party being served.

12.5 Waiver of Right to Trial by Jury. Each Party to this Agreement waives any right to trial by jury in any action, matter or proceeding regarding this Agreement or any provision hereof.

12.6 Entire Agreement; Amendments and Waivers. This Agreement represents the entire understanding and agreement between the Parties with respect to the subject matter hereof and supersedes all prior discussions and agreements between the Parties with respect to the subject matter hereof. This Agreement can be amended, supplemented or changed, and any provision hereof can be waived, only by written instrument making specific reference to this Agreement signed by the Party against whom enforcement of any such amendment, supplement, modification or waiver is sought. No action taken pursuant to this Agreement, including any investigation by or on behalf of any Party, will be deemed to constitute a waiver by the Party taking such action of compliance with any representation, warranty, covenant or agreement contained herein. The waiver by any Party of a breach of any provision of this Agreement will not operate or be construed as a further or continuing waiver of such breach or as a waiver of

any other or subsequent breach. No failure on the part of any Party to exercise, and no delay in exercising, any right, power or remedy hereunder will operate as a waiver thereof, nor will any single or partial exercise of such right, power or remedy by such Party preclude any other or further exercise thereof or the exercise of any other right, power or remedy. All remedies hereunder are cumulative and are not exclusive of any other remedies provided by Law.

12.7 Governing Law. This Agreement will be governed by and construed in accordance with federal bankruptcy Law, to the extent applicable, and, where state Law is implicated, the Laws of the State of Delaware applicable to contracts made and performed in such State.

12.8 Notices. All notices and other communications under this Agreement will be in writing and will be deemed given (i) when delivered personally by hand, (ii) when sent by email (with written confirmation of transmission) or (iii) one Business Day following the day sent by overnight courier (with written confirmation of receipt), in each case at the following addresses and email addresses (or to such other address or email address as a Party may have specified by notice given to the other Party pursuant to this provision):

12.9 Severability. If any term or other provision of this Agreement is invalid, illegal, or incapable of being enforced by any Law or public policy, all other terms or provisions of this Agreement will nevertheless remain in full force and effect so long as the economic or legal substance of the Transactions is not affected in any manner materially adverse to any Party. Upon such determination that any term or other provision is invalid, illegal, or incapable of being enforced, the Parties will negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in an acceptable manner in order that the Transactions are consummated as originally contemplated to the greatest extent possible.

12.10 Assignment. This Agreement will be binding upon and inure to the benefit of the Parties and their respective successors and permitted assigns. Nothing in this Agreement will create or be deemed to create any third party beneficiary rights in any Person or entity not a party to this Agreement. No assignment of this Agreement or of any rights or obligations hereunder may be made by either Sellers on the one hand or Purchaser or Guarantor on the other hand (by operation of law or otherwise) without the prior written consent of the other Parties and any attempted assignment without the required consents will be void; provided, however, that Purchaser shall be entitled to designate, in accordance with the terms and subject to the limitations set forth in this Section 12.10, one or more Affiliates to (i) purchase the Purchased Assets and/or (ii) assume the Assumed Liabilities, on and after the Closing Date (any such Affiliate of Purchaser that shall be properly designated by Purchaser in accordance with this clause, a “Designated Purchaser”); it being understood and agreed, however, that any such right of Purchaser to designate a Designated Purchaser is conditioned upon (a) such Designated Purchaser executing and delivering to Sellers a counterpart to this Agreement, (b) such Designated Purchaser being able to perform the applicable covenants under this Agreement (and make the same representations and warranties as Purchaser has made in Section 6.6, to the extent relating to the relevant portion of the Purchased Assets being acquired by such Designated Purchaser), and demonstrate satisfaction of the applicable requirements of Section 365 of the Bankruptcy Code (to the extent applicable), including the provision of adequate assurance for future performance, with respect to the applicable assumed Contracts and the assumed Leases, (c) any such designation not creating any Liability (including any Liability relating to Taxes) for Sellers or their Affiliates that would not have existed had Purchaser purchased the Purchased Assets and/or assumed the Assumed Liabilities, and which Liability is (i) not fully reimbursed by or on behalf of Purchaser prior to or at the Closing or (ii) a Liability for which Purchaser or the applicable Designated Purchaser agrees, at its election, to provide an indemnity reasonably acceptable to Sellers, and (d) such designation not reasonably being expected to materially delay, prevent or hinder the consummation of the transactions contemplated

by this Agreement. No such designation shall relieve Purchaser of any of its obligations hereunder. Any breach hereof by a Designated Purchaser shall be deemed a breach by Purchaser. The above designation shall be made by Purchaser by way of a written notice to be delivered to Sellers as soon as reasonably practicable after the date hereof and in no event later than the fifth (5th) day prior to the Closing Date, which written notice shall contain appropriate information about the Designated Purchaser(s) and shall indicate which Purchased Assets and Assumed Liabilities that Purchaser intends such Designated Purchaser(s) to purchase and/or assume, as applicable, hereunder. Upon any such permitted assignment, the references in this Agreement to Sellers or Purchaser will also apply to any such assignee unless the context otherwise requires. Notwithstanding the foregoing, Sellers may assign some or all of its rights or delegate some or all of its obligations hereunder to successor entities (including any liquidating trust) pursuant to a chapter 11 plan confirmed by the Bankruptcy Court.

12.11 Non-Recourse. No past, present or future director, officer, employee, incorporator, member, partner, equityholder, incorporator, manager, agent, attorney, Representative or Affiliate of the parties to this Agreement or any of their Affiliates will have any Liability for any obligations or Liabilities of Sellers or Purchaser, as applicable, under this Agreement or any agreement entered into in connection herewith of or for any claim based on, in respect of, or by reason of, the transactions contemplated hereby and thereby. Any claim or cause of action based upon, arising out of, or related to this Agreement or any agreement, document or instrument contemplated hereby may only be brought against Persons that are expressly named as Parties or thereto, and then only with respect to the specific obligations set forth herein or therein. Other than the Parties, no other party will have any Liability or obligation for any of the representations, warranties, covenants, agreements, obligations or Liabilities of any Party under this Agreement or the agreements, documents or instruments contemplated hereby or of or for any Legal Proceeding based on, in respect of, or by reason of, Transactions (including the breach, termination or failure to consummate such transactions), in each case whether based on contract, tort, fraud, strict liability, other Laws or otherwise and whether by piercing the corporate veil, by a claim by or on behalf of a Party or another Person or otherwise. In no event will any Person be liable to another Person for any remote, speculative or punitive damages with respect to the Transactions.

12.12 Counterparts. This Agreement may be executed in counterparts, each of which will be deemed to be an original copy of this Agreement and all of which, when taken together, will be deemed to constitute one and the same agreement.

12.13 Merida Guaranty. Guarantor hereby guaranties the full and punctual payment and performance of any and obligations of Purchaser under this Agreement and all other transaction documents as and when such payment or performance shall become due in accordance with the terms of this Agreement and the other transaction documents. This Agreement is a guaranty of payment and performance and not merely

of collectability and is in no way conditioned upon any attempt to collect from or proceed against the Purchaser or any other Person or any other event or circumstance. The obligations of Guarantor under this Agreement are direct and primary obligations, and a separate action or actions may be brought against Guarantor regardless of whether action is brought against the Purchaser or any other Person.
