for services provided in this matter, but I am not being specifically compensated for providing this Declaration or testimony. If I were called upon to testify, I could and would testify competently to the facts set forth herein.

2. In accordance with the Retention Order, DRC was authorized to assist the WLB Debtors in connection with, *inter alia*, soliciting, receiving, and tabulating Ballots accepting or rejecting the Plan.

I. Service and Transmittal of Solicitation Packages and Related Information

3. Pursuant to the Plan, Holders of Claims in Classes 3 and 4 as of December 13, 2018 (the “Voting Record Date”) were entitled to vote to accept or reject the Plan (the “Voting Classes”).

Class	Type of Claim
Class 3	First Lien Secured Claims
Class 4	General Unsecured Claims

4. The procedures for the solicitation and tabulation of votes on the Plan are set forth in the *Order (I) Approving the Adequacy of the Disclosure Statement, (II) Approving the Solicitation and Notice Procedures with Respect to Confirmation of the Joint Chapter 11 Plan of Westmoreland Coal Company and Certain of its Debtor Affiliates, (III) Approving the Forms of Ballots and Notices in Connection Therewith, and (IV) Scheduling Certain Dates with Respect Thereto* [Docket No. 841] (the “Disclosure Statement Order”). DRC was instructed to solicit, review, determine the validity of, and tabulate Ballots submitted to vote for the acceptance or rejection of the Plan by the Holders of Claims in the Voting Classes in accordance with the Disclosure Statement Order.

5. On or around December 26, 2018, DRC posted links on the Debtors' restructuring website maintained by DRC at <http://www.donlinrecano.com/westmoreland> to provide parties with access to, among other documents, copies of the Plan, the *Disclosure Statement for Joint Chapter 11 Plan of Westmoreland Coal Company and Certain of its Debtor Affiliates* [Docket No. 789] (the "Disclosure Statement"), the Disclosure Statement Order, and the Notice of Rescheduled Confirmation Hearing [Docket No. 1337] (the "Confirmation Hearing Notice").

6. In accordance with the Disclosure Statement Order, on December 26, 2018, DRC caused Solicitation Packages to be distributed to Holders of Claims in the Voting Classes as of the Voting Record Date. DRC filed the *Affidavit of Donlin, Recano and Company, Inc. Regarding Service of Solicitation Packages with Respect to Disclosure Statement for Joint Chapter 11 Plan of Westmoreland Coal Company and Certain of its Debtor Affiliates* (the "Affidavit of Service") dated December 31, 2018 [Docket No. 902].

II. General Tabulation Process

7. As specified in the Disclosure Statement Order, the Voting Record Date was established as the record date for determining the Holders of Claims in the Voting Classes who would be entitled to vote to accept or reject the Plan.

8. Pursuant to the Disclosure Statement Order, DRC relied on the following information to identify and solicit Holders of Claims and Interests in the Voting Classes: (a) the *Schedules of Assets and Liabilities* filed with the Court by the Debtors on November 8, 2018 [Docket Nos. 378, 381, 383, 386, 388, 390, 392, 394, 396, 397, 399, 400, 402, 404-406, 410, 411, 413, 414, 416, 419, 421, 423, 425, 427, 429, 431, 432, 434, 436-441 and 444]; (b) the claims information DRC obtained from the Court website and the unofficial claims register maintained by DRC as of December 13, 2018; (c) claims information pertaining to the Debtors' chapter 11 cases as reflected in DRC's internal database to which this information was loaded;

(d) a lender list for Holders of First Lien Secured Claims provided by Ankura Trust Company, LLC, the Credit Agreement Agent; and (e) a WLB Senior Secured Notes' security position report (the "Security Position Report") provided by Depository Trust Company. Using this information, and with guidance from the WLB Debtors and their advisors, DRC created a voting database reflecting the name, address, voting amount, and classification of Claims and Interests in the Voting Classes. Using this voting database, DRC generated Ballots for Holders of Claims and Interests entitled to vote to accept or reject the Plan.

9. Ballots returned by electronic mail, regular mail, hand delivery, or overnight delivery were received by personnel of DRC at its office in Brooklyn, New York. Ballots received by DRC were processed in accordance with the Disclosure Statement Order. Upon receiving Ballots, DRC took the following actions:

- a. The envelopes containing the Ballots were opened, and the contents were removed and stamped with the date and time received. Each Ballot was then scanned into DRC's system and sequentially numbered (the "Sequence Number");
- b. The electronic mails with the Ballots attached were opened, and a copy of the Ballot and the electronic mail were printed in hard copy. Each Ballot was then scanned into DRC's system with the Sequence Number; and
- c. DRC then entered into a computer database all pertinent information from each of the Ballots, including among other things, the date and time the Ballot was received, the Sequence Number, the voting dollar or note amount, whether the creditor submitting the Ballot elected to opt out of the third-party releases set forth in Article IX.E of the Plan, and whether the creditor submitting the Ballot voted to accept or reject the Plan.

10. In order for a Ballot to be counted as valid, the Ballot must have been properly completed in accordance with the Disclosure Statement Order and executed by the relevant Holder, or such Holder's authorized representative, and must have been actually received by

DRC by 4:00 p.m. (prevailing Central Time) on January 25, 2019 (the “Voting Deadline”).⁴ All Ballots were to be delivered to DRC as follows: (a) if by hand delivery or overnight courier, to Donlin, Recano & Company, Inc., Re: Westmoreland Coal Company, et al., Attn: Voting Department, 6201 15th Avenue, Brooklyn, New York 11219; (b) if by regular mail, to Donlin, Recano & Company, Inc., Re: Westmoreland Coal Company, et al., Attn: Voting Department, P.O. Box 192016, Blythebourne Station, Brooklyn, New York 11219 or (c) by electronic mail, to WestmorelandVote@DonlinRecano.com.

11. All validly executed Ballots cast by Holders of Claims and Interests in the Voting Classes received by DRC on or before the Voting Deadline were tabulated as outlined in the Disclosure Statement Order.

12. DRC is in possession of the Ballots received by it, and copies of the same are available for review during DRC’s normal business hours at 6201 15th Avenue, Brooklyn, New York 11219.

III. Master Ballot Voting Procedures

13. The following additional procedures were used in tabulating the votes of Class 3 WLB Senior Secured Notes from Master Ballots:

- a. The Voting Record Date was used as the record date for determining the identity of beneficial holders (the “Beneficial Holders”) of the notes eligible to vote on the Plan, and the notes amounts at which they were entitled to vote.
- b. As further described in the Affidavit of Service, DRC caused the appropriate number of sets of Solicitation Packages to be delivered to each nominee holder or its agent (the “Nominee Holders”) of the notes as of the Voting Record Date. Each Nominee Holder caused to be mailed a Solicitation Package to each of its Beneficial Holders for whom it held positions as of the Voting Record Date.

⁴ The WLB Debtors extended the Voting Deadline for certain parties beyond January 25, 2019. Such votes are deemed timely and are included in the Final Tabulation Results (as defined below), attached hereto as Exhibit A.

- c. Any Ballot received by DRC which purported to vote a Beneficial Holder's notes and which was neither (i) a Master Ballot nor (ii) validated by the applicable Nominee Holder thereof in a manner consistent with the Disclosure Statement Order, was excluded from the Final Tabulation Results (defined below).
- d. Votes cast by Beneficial Holders through Nominee Holders were applied to the positions held by such Nominee Holders Class 3, Voting Class as of the Voting Record Date, and as evidenced by the Security Position Report generated by the Depository Trust Company. Votes submitted by Nominee Holders, whether pursuant to a Master Ballot or pre-validated Beneficial Holder Ballot, were not counted in excess of the amount of notes held by such Nominee Holder under the same CUSIP number as of the Voting Record Date.
- e. For purposes of tabulating votes, each voting Beneficial Holder was deemed to have voted the principal amount of its notes, and the Final Tabulation Results do not reflect any further adjustment to the voting amounts reported on Master Ballots or pre-validated Ballots.

IV. The Voting Results

14. The results of the aforesaid tabulation of properly executed Ballots received on or before the Voting Deadline are set forth below and in the report annexed hereto as **Exhibit A** (the "Final Tabulation Results").
