- 3 The Court has not entered an order approving Jefferies' First Interim Fee Application. The objection period for Jefferies' First Interim Fee Application expired on April 4, 2019.
- 4 Jefferies originally sought \$1,425,000 in fees its final fee application [Docket No. 1739] (the "Initial Application"). As described therein, the \$1,425,000 amount was calculated as the amount of fees payable by the WLB Debtors to Jefferies based on (a) the \$1,750,000 cap on fees payable to Jefferies and Berkeley Research Group, LLC ("BRG") by the WLB Debtors and (b) the assumption that BRG would seek \$325,000 in fees from the WLB Debtors. However, BRG subsequently filed a final fee application seeking only \$290,736 against the WLB Debtors [Docket No. 1735] and, as noted in the Initial Application, Jefferies' actual fees (before application of the cap) far exceeded the \$1,425,000 amount set forth in the Initial Application. Accordingly, Jefferies is filing this amended application in order to seek an additional \$34,264—i.e., the maximum amount of fees allowable against the WLB debtors in accordance with the \$1,750,000 cap—as discussed in further detail below and in accordance with the order approving the retention of Jefferies..

and debtors in possession (collectively, the “Debtors”), hereby submits its Amended Second Interim and Final Fee Application (this “Amended Interim and Final Application”) for the interim allowance of compensation for professional services rendered to the Committee and for reimbursement of actual and necessary expenses incurred in connection with such services from January 1, 2019 to and including February 28, 2019 (the “Interim Application Period”) with respect to the WMLP Debtors and the WLB Debtors, and for final allowance of compensation for professional services rendered to the Committee and for reimbursement of actual and necessary expenses incurred in connection with such services from October 22, 2018 to and including March 15, 2019 (the “Final Application Period”) with respect to the WLB Debtors, and in support thereof states as follows:

Jurisdiction, Venue And Statutory Predicates

1. The United States Bankruptcy Court for the Southern District of Texas (this “Court”), has jurisdiction over this Amended Interim and Final Application pursuant to 28 U.S.C. § 1334. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2). Venue of this proceeding and this Amended Interim and Final Application in this District is proper pursuant to 28 U.S. C. §§ 1408 and 1409.

2. The statutory and legal bases for the relief requested herein are sections 327(a), 328(a), and 1107(b) of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “Bankruptcy Code”), rules 2014 and 2016 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and rules 2014-1 and 2016-1 of the Bankruptcy Local Rules for the Southern District of Texas (the “Bankruptcy Local Rules”).

Background

3. On October 9, 2018 (the “Petition Date”), each of the Debtors filed a voluntary petition with this Court for relief under chapter 11 of the Bankruptcy Code.

4. On October 18, 2018, the United States Trustee for the Southern and Western Districts of Texas (the “U.S. Trustee”) appointed a Committee pursuant to section 1102 of the Bankruptcy Code [Docket No. 206].²

5. On November 19, 2018, the Committee filed an application to employ and retain Jefferies as its investment banker under sections 328(a) and 1103(a) of the Bankruptcy Code, *nunc pro tunc* to October 22, 2018, pursuant to the terms and subject to the conditions of that certain engagement letter (the “Engagement Letter”) between Jefferies and the Committee dated as of October 22, 2018 [Docket No. 519] (the “Retention Application”).³ A copy of the Engagement Letter was annexed to the Retention Application as Exhibit B.

6. As noted in the Retention Application, the Committee determined that the services of an investment banker were necessary to evaluate, advise, assist, and provide expert testimony, as required, with respect to, among other things, (i) the marketing, negotiation and court approval phases of the separate sales processes being conducted by the WLB Debtors and WMLP Debtors on truncated timelines, (ii) the identification and valuation of unencumbered assets, (iii) the analysis of potential avoidance actions relating to financings and M&A activity, (iv) the analysis of transactions involving assets transferred between group entities and valuation thereof and (v) the relevant valuations, recoveries and negotiations of the proposed or alternative plans of reorganization.

7. On December 5, 2018, the Court entered the order granting the Retention Application [Docket No. 704] (the “Retention Order”). The Retention Order, among other things, authorized the Debtors to pay, reimburse, and indemnify Jefferies in accordance with the

2 The Committee is currently comprised of the following entities: (a) Ohio Machinery Co.; (b) Wheeler Machinery Co.; (c) Nelson Brothers Mining Services, LLC; (d) Tractor & Equipment Co.; (e) Consol Mining Company LLC; (f) Pension Benefit Guaranty Corporation; and (g) United Mine Workers of America.

3 Capitalized terms used but not otherwise defined herein shall have the meaning ascribed to such terms in the Retention Application.

terms and conditions of, and at the times specified in, the Engagement Letter (with certain modifications), subject to application to the Court. The Retention Order also provides that the WLB Debtors and the WMLP Debtors shall be responsible for 70% and 30%, respectively, of fees and expenses payable to Jefferies. Additionally, the Retention Order provides that fees owed to Jefferies by the WLB Debtors shall not exceed \$1,750,000 less the allowed amount of fees owed by WLB to the Committee's financial advisor, Berkeley Research Group, LLC ("BRG"). BRG has filed a final fee application with respect to the WLB debtors seeking \$290,736.45 in fees [Docket No. 1735]. Accordingly, Jefferies fees are effectively capped at \$1,459,263.55 (assuming BRG's fees are allowed in the full amount of \$290,736.45).

8. On November 14, 2018, the Court entered the *Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses for Professionals* [Docket No. 495] (the "Interim Compensation Order"), which generally sets forth the procedures for interim compensation and expense reimbursement for all retained professionals in these cases. The Interim Compensation Order provides that each professional shall, on or after the 21st day of each calendar month following the month for which compensation is sought (or as soon thereafter as reasonably practicable), file and serve an application for interim allowance of compensation for services rendered and reimbursement of expenses incurred during the preceding month (each a "Monthly Fee Statement"). Parties shall have 21 days following the filing of a Monthly Fee Statement to object to such Monthly Fee Statement (the "Objection Deadline"). At the expiration of the Objection Deadline, the Debtors shall promptly pay 80% of the fees and 100% of the expenses requested in the applicable Monthly Fee Statement to which no objection has been served.

9. The Interim Compensation Order also provides that, at three-month intervals beginning with the period ending on December 31, 2018, each retained professional shall file and

serve a request for interim approval and allowance of the compensation and reimbursement of expenses sought by such professional in its Monthly Fee Statements pursuant to section 331 of the Bankruptcy Code.

10. On March 2, 2019, the Court entered an order confirming the *Amended Joint Chapter 11 Plan of Westmoreland Coal Company and Certain of its Debtor Affiliates* [Docket No. 1561] (the “WLB Plan”). As made clear on the record at the confirmation hearing for the WLB Plan, the Committee supported the WLB Plan. The effective date of the WLB Plan occurred on March 15, 2019 [Docket No. 1608].

Compensation Request

11. Jefferies seeks the entry of an order, substantially in the form attached hereto as **Exhibit A** (the “Proposed Order”), (1) allowing and directing payment, on an interim basis with respect to all of the Debtors, of (a) compensation for professional services rendered by Jefferies to the Committee during the Interim Application Period in the aggregate amount of \$250,000.00, consisting of two full Monthly Fees of \$125,000.00 each for the months of January and February 2019, and (b) reimbursement of expenses incurred in connection with such services in the aggregate amount of \$17,575.63, for a total interim award of \$267,575.63, and (2) allowing and directing payment, on a final basis with respect to the WLB Debtors only, of (a) compensation for professional services rendered by Jefferies to the Committee during the Final Application Period in the aggregate amount of \$1,459,263.55, and (b) reimbursement of seventy percent (70%) of expenses incurred in connection with such services in the aggregate amount of \$56,421.67, for a total final award of \$1,515,685.22.

12. For the Interim Application Period, with respect to both the WLB Debtors and the WMLP Debtors, Jefferies filed one Consolidated Monthly Fee Statement, as summarized in the following table.

Date Submitted	Period Covered	Requested		Paid		Outstanding
		Fees	Expenses	Fees	Expenses	
4/15/19 [D.I. 1732]	1/1/19-2/28/19	\$250,000.00	\$17,575.63	<i>PENDING</i> ⁴	<i>PENDING</i>	\$267,575.63
Total		\$250,000.00	\$17,575.63	\$0.00	\$0.00	\$267,575.63

Pursuant to the Retention Order, the WLB Debtors are responsible for 70% (\$187,302.94) and the WMLP Debtors are responsible for 30% (\$80,272.69) of fees and expenses payable to Jefferies in the Interim Application Period.

13. For the convenience of the Court and all parties in interest, attached hereto as **Exhibit B** is a summary setting forth (a) the name of each Jefferies professional who provided services to the Committee during the Interim Application Period and the number of hours worked by such professional during the Interim Application Period and (b) the hours worked by Jefferies professionals in various task categories during the Interim Application Period. Detailed time records documenting the work performed by Jefferies professionals during the Interim Application Period are attached to the Consolidated Second Monthly Fee Statement [Docket No. 1732] as Exhibit A.

14. For the Final Application Period with respect to the WLB Debtors, Jefferies is entitled to payment of Monthly Fees and a Transaction Fee pursuant to the Retention Application and the Engagement Letter, as modified by the Retention Order. As shown by the table below, these fees total \$2,609,475.81:

⁴ The objection period for Jefferies' Consolidated Second Monthly Fee Statement will expire on May 6, 2019.

Monthly Fees ⁵	\$378,225.81
Transaction Fee ⁶	\$2,275,000.00
Crediting of Monthly Fees ⁷	(\$43,750.00)
Total Fees Earned	\$2,609,475.81

However, as noted above, Jefferies' fees payable by the WLB Debtors are effectively capped at \$1,459,263.55, and therefore Jefferies is only seeking payment of fees from the WLB Debtors in the amount of \$1,459,263.55.⁸

15. For the convenience of the Court and all parties in interest, attached hereto as **Exhibit C** is a summary setting forth (a) the name of each Jefferies professional who provided services to the Committee during the Final Application Period and the number of hours worked by such professional during the Final Application Period and (b) the hours worked by Jefferies professionals in various task categories during the Final Application Period. Detailed time records documenting the work performed by Jefferies professionals during the Final Application Period are attached to the Consolidated Monthly Fee Statements [Docket Nos. 1576 & 1732] as Exhibit A.

Summary of Services

16. All services for which compensation is requested by Jefferies were performed during the Interim Application Period and the Final Application Period on behalf of the

5 Jefferies is entitled to 70% of one prorated Monthly Fee for the period from October 22, 2018 to and including October 31, 2018 in the amount of \$40,322.58 and four full Monthly Fees of \$125,000 each for the months of November and December 2018 and January and February 2019

6 Upon the consummation of a chapter 11 plan with respect to the WLB Debtors, Jefferies is entitled to 70% of a Restructuring Fee equal to \$3,250,000.00.

7 In accordance with the terms of the Engagement Letter and the Retention Order, Jefferies reduced the amount of the gross Restructuring Fee by a total of \$43,750.00 through crediting of 50% of the each Monthly Fee earned subsequent to three full Monthly Fees.

8 In the event that allowed fees payable by WLB Debtors to BRG are less than \$290,736.45, Jefferies reserves the right to seek full payment of its earned fees against the WLB Debtors up to \$1,750,000.00.

Committee. Importantly, Jefferies assessed, monitored and consulted on the sale process performed by the Debtors and conducted negotiations with the Debtors and other parties in interest regarding a settlement on behalf of the Committee for claims at both the WLB Debtors and the WMLP Debtors. Additionally, Jefferies conducted numerous in-depth analyses of potentially challenged transactions during the Committee's investigation of potential avoidance actions. A detailed description of these and other services Jefferies performed during these chapter 11 cases is set forth below:

- (a) **Due Diligence.** In order to understand and evaluate the business, strategy, prospects and assets of the Debtors significant due diligence. As part of its due diligence, Jefferies held numerous in-person and telephonic meetings with the Debtors' management, advisors to the Debtors, and other key stakeholders. In connection with its due diligence, Jefferies requested, reviewed and analyzed materials provided by the Debtors and their professionals regarding their operations, assets, financial performance, and employees. In addition to conducting due diligence on the assets, operations and liabilities, Jefferies conducted thorough research and analyses on the industries and competitors of the Debtors. Jefferies continually updated the Committee with various presentations regarding matters related to the Debtors' restructuring and developments in the relevant industries. Jefferies also reviewed and analyzed the various motions filed by the Debtors and other parties-in-interest. Jefferies' due diligence, the findings of which were communicated to the Committee, were essential to developing the Committee's understanding of the operations, assets, and financial performance of the Debtors.
- (b) **Committee Meetings.** Jefferies participated in numerous in-person and telephonic meetings with the Committee and its other advisors regarding issues relating to the Debtors' cases. Jefferies' professionals participated in such Committee meetings, as well as email correspondence, providing recommendations and advice with respect to a number of business and financial issues, as well as updates on ongoing discussions, activities and negotiations with the Debtors and other parties-in-interest. Such meetings provided a forum for the Committee members to exchange ideas and raise questions to Jefferies regarding matters of concern to unsecured creditors. The meetings also provided a forum for Jefferies to update the Committee on case developments and communicate the findings of its various due diligence activities and analyses including regular reviews of the Debtors' financial performance and outlook and restructuring alternatives. Jefferies' professionals also attended various bankruptcy court hearings relating to this case.
- (c) **DIP Financing and DIP Budget.** Jefferies assessed the need for the debtor in possession financing (the "DIP"). Among other things, Jefferies vetted all of the terms of the financing agreement and compared various metrics to the comparable

debtor in possession financings. Jefferies assessed the underlying assumptions of the Debtors' DIP budgets. Jefferies monitored and assessed the Debtors' performance against the DIP budget and required financial covenants.

- (d) **Investigation Related Analyses.** Jefferies worked with the Committee Counsel to investigate potential avoidance actions on behalf of the Committee. Jefferies conducted an in-depth analysis of the potentially challenged transactions. Jefferies has reviewed voluminous discovery documents and other publicly available documents and SEC filings related to these transactions. Jefferies performed various independent financial analyses related to these transactions in order to inform the Committee and advise the Committee on formulating a position regarding the potential litigation against the Debtors and related parties.
- (e) **Business Plan and Financial Projections.** Jefferies reviewed and analyzed versions of the business plan and financial projections prepared by the Debtors' management and professionals, as well as the projections prepared by non-debtor related entities in the case. In coordination with the Committee's other advisors, Jefferies conducted due diligence and financial analyses of the underlying assumptions of the business plans and financial projections.
- (f) **General Corporate Finance.** Jefferies, along with other Committee professionals, analyzed the Debtors' business and financial performance. Jefferies also evaluated the Debtors' monthly operating reports, cash flow reports, and other financial information relevant to the Debtors' operations. Jefferies also responded to questions by the Committee regarding issues related to the Debtors' financial operations, potential restructuring strategy and general corporate finance matters.
- (g) **General Chapter 11 Administration.** Jefferies attended to various general and administrative tasks such as billing and related communications, as well as other day-to-day engagement requirements that do not fall into other project categories.
- (h) **Sales Process and Auctions.** Jefferies assessed and benchmarked the terms of the bidding procedures to ensure a fair and value maximizing transaction for the estate. Jefferies, along with the Committee's other advisors, monitored the sale process conducted by the Debtors. Jefferies conducted due diligence on the potential purchasers of the Debtors' assets and reviewed the supporting documents the potential purchasers provided. Jefferies also participated in the auctions as a consultation party.
- (i) **Plan and Settlement Negotiations.** Jefferies, along with the Committee's other advisors, conducted negotiations with the Debtors and other parties-in-interest regarding a settlement on behalf of the Committee for claims at both the WLB Debtors and the WMLP Debtors. Jefferies' professionals participated in negotiations, analyzed the economics of potential settlements, and provided input to drafts of the Plan and related documents. Jefferies also reviewed analyses and materials that were presented to the Committee regarding potential recoveries.

Actual and Necessary Disbursements By Jefferies

17. As set forth on **Exhibit D** and **Exhibit E** hereto, Jefferies incurred \$17,575.63 (\$12,302.94 of which is allocable to the WLB Debtors and \$5,272.69 of which is allocable to the WMLP Debtors), and \$70,602.38 (\$49,421.67 of which is allocable to the WLB Debtors and \$21,180.71 of which is allocable to the WMLP Debtors) of out-of-pocket expenses relating to its professional services during the Interim Application Period and Final Application Period, respectively. Additionally, Jefferies estimates that it has incurred \$10,000 in legal fees relating to its professional services in these chapter 11 cases from the period from March 1, 2019 through the filing of this Amended Interim and Final Application, \$7,000 of which is payable by the WLB Debtors.⁹ All reimbursable expenses were Jefferies' out-of-pocket costs paid to third parties related to this engagement, which costs are not incorporated into Jefferies' aggregate fees. Jefferies has maintained detailed records of actual and necessary expenses incurred. It should be noted that Jefferies has absorbed certain expenses customarily charged by other professionals in bankruptcy cases. For example, Jefferies does not allocate office telephonic charges by client and thus these costs are absorbed by Jefferies in its overhead and not charged to the Debtors' estates. Jefferies respectfully submits that the expenses for which it seeks allowance during the Interim Application Period and the Final Application Period are necessary and reasonable both in scope and amount. Detailed records documenting the out-of-pocket expenses incurred by Jefferies are attached to the Consolidated Monthly Fee Statements [Docket Nos. 1576 & 1732] as Exhibit B.

Notice

18. In accordance with the Interim Compensation Order and the Fee Examiner Order, Jefferies will provide notice of this Amended Interim and Final Application to each party that

has entered an appearance in these chapter 11 cases pursuant to Bankruptcy Rule 2002, including the Application Recipients (as defined in the Interim Compensation Order).

[Remainder of page intentionally left blank]

WHEREFORE, Jefferies respectfully requests entry of the Proposed Order, substantially in the form attached hereto as **Exhibit A**, (1) allowing and directing payment, on an interim basis with respect to all of the Debtors, of (a) compensation for professional services rendered by Jefferies to the Committee during the Interim Application Period in the aggregate amount of \$250,000.00, and (b) reimbursement of expenses incurred in connection with such services in the aggregate amount of \$17,575.63, for a total interim award of \$267,575.63 and (2) allowing and directing payment, on a final basis with respect to the WLB Debtors only, of (a) compensation earned by Jefferies during the Final Application Period in the amount of \$1,459,263.55, and (b) reimbursement of seventy percent (70%) of expenses incurred in connection with such services in the aggregate amount of \$56,421.67, for a total final award of \$1,515,685.22.
