Chapter 11**

BASIS AND CONFIRMING DEBTOR'S PLAN OF REORGANIZATION
UNDER CHAPTER 11 OF THE BANKRUPTCY CODE**

Pursuant to the Bankruptcy Court's Order entered January 9, 2025 (Docket No. 625, the "Disclosure Statement Order") conditionally approving the Debtor's Amended Disclosure Statement as Modified (Docket No. 623, the "Disclosure Statement"), approving, among other things, the transmission of the Solicitation Package and Notice of Non-Voting Status (each as defined in the Disclosure Statement Order), and fixing deadlines for voting on and objecting to the Plan (as defined below), the Bankruptcy Court conducted a hearing on February 24, 2025 (the

“Combined Hearing”) to consider final approval of the *Westlake Surgical, L.P. DBA The Hospital at Westlake Medical Center’s Amended Plan of Reorganization* (Docket No. 609, the “Plan”, as modified by Docket Nos. 645 and 679, attached hereto as Exhibit A)¹ filed by Westlake Surgical, L.P. d/b/a The Hospital at Westlake Medical Center, as debtor and debtor-in-possession in this case (the “Debtor”), and Westlake Principal Partners, LLC (“WPP” and, together with the Debtor, the “Plan Proponents”). The Bankruptcy Court has considered:

- (i) the sworn testimony of the witnesses of the Plan Proponents proffered and/or called at the Combined Hearing;
- (ii) the exhibits of Plan Proponents admitted into evidence at the Combined Hearing;
- (iii) the evidence in respect of the transmittal and service of the solicitation packages and the tabulation of the votes on the Plan, which was filed with the Bankruptcy Court at Docket Nos. 636, 649, 655 & 661 and admitted into evidence at the Combined Hearing;
- (iv) the Declaration of John Burlacu of Donlin, Recano, & Company, Inc. Regarding the Solicitation and Tabulation of Votes Cast on Westlake Surgical, L.P. DBA The Hospital at Westlake Medical Center’s Amended Plan of Reorganization [Docket No. 661-1] which was filed with the Bankruptcy Court at Docket No. 661-1, the proof of service of the service of the same filed at Docket No. 666 and admitted into evidence at the Combined Hearing; and
- (v) the arguments of counsel and other parties-in-interest presented at the Combined Hearing;
- (vi) any objections filed with the Bankruptcy Court or asserted at the Combined Hearing with respect to Confirmation of the Plan;
- (vii) the resolution and settlement of all of the objections to Confirmation of the Plan;
- (viii) the Plan Supplement, which was filed with the Bankruptcy Court at Docket No. 645, the proof of service of the service of the same filed at Docket No. 647 and admitted into evidence at the Combined Hearing; and
- (ix) the pleadings and other documents filed by the Debtor in support of the Plan,

¹ Capitalized terms used herein and not otherwise defined shall have the meanings ascribed to them in the Plan.

and has taken judicial notice of and considered the docket in this Chapter 11 Case, and is familiar with the Plan and other relevant factors affecting this Chapter 11 Case, and upon the record of the Combined Hearing, and after due deliberation thereon, and sufficient cause appearing therefor.

FINDINGS OF FACT AND CONCLUSIONS OF LAW

IT IS HEREBY FOUND, DETERMINED, AND CONCLUDED that:

A. Findings of Fact and Conclusions of Law. The findings of fact and conclusions of law set forth herein shall constitute findings of fact and conclusions of law in accordance with Federal Rule of Civil Procedure 52, made applicable in this Chapter 11 Case by Bankruptcy Rules 7052 and 9014(c). To the extent that any of the findings of fact constitute conclusions of law, they are adopted as such. To the extent that any of the conclusions of law constitute findings of fact, they are adopted as such.

Jurisdiction and Venue

B. Jurisdiction; Venue; Core Proceeding. The Bankruptcy Court has jurisdiction over this Chapter 11 Case pursuant to 28 U.S.C. § 1334. Venue in this Bankruptcy Court is proper under 28 U.S.C. § 1408. Approval of the Disclosure Statement and Confirmation of the Plan constitutes core proceedings under 28 U.S.C. § 157(b)(2), and this Bankruptcy Court has exclusive jurisdiction and full constitutional authority to enter final orders and determine whether the Disclosure Statement and Plan comply with the applicable provisions of the Bankruptcy Code and should be approved and confirmed, respectively.

C. Judicial Notice. The Bankruptcy Court takes judicial notice of the docket in this Chapter 11 Case maintained by the clerk of the Bankruptcy Court, including, without limitation, all pleadings and other documents filed, all orders entered, and evidence and arguments made,

proffered, and adduced at the hearings held before the Bankruptcy Court during the pendency of this Chapter 11 Case.

D. Retention of Jurisdiction. The Bankruptcy Court finds and concludes that the Bankruptcy Court's retention of jurisdiction as set forth herein and in the Plan comports with 28 U.S.C. §§ 157 and 1334. Consequently, the Court may properly retain jurisdiction over the matters set forth in Article XIII of the Plan.

Notice, Solicitation and Acceptance

E. Adequate Notice of Combined Hearing. The Bankruptcy Court finds and concludes that proper, timely, and adequate service and notice of the Disclosure Statement, Plan, Plan Supplement, Combined Hearing, and time for filing objections to the Disclosure Statement and Plan, together with all deadlines for voting to accept or reject the Plan, were provided to all holders of Claims and Equity Interests, was in compliance with the provisions of the Bankruptcy Code and Bankruptcy Rules, and no other or further notice is necessary or shall be required.

F. Adequate Information. The Disclosure Statement contains "adequate information" (as such term is defined in Bankruptcy Code § 1125(a) and used in Bankruptcy Code § 1126(b)(2)) with respect to the Debtor, the Plan, and the transactions contemplated therein.

G. Good Faith Solicitation (11 U.S.C. § 1125(e)). The Bankruptcy Court finds and concludes that the Plan Proponents, with the Committee's support, solicited acceptances of the Plan in good faith, in compliance with the Bankruptcy Code, and in accordance with the Disclosure Statement Order. The Plan Proponents and the Committee and each of their agents, members, managers, officers, employees, attorneys, and other professionals are deemed to have participated in good faith and in compliance with the applicable provisions of the Bankruptcy Code in the solicitation of the Plan, and each of them therefore is entitled to the protections afforded by

11 U.S.C. § 1125(e) and is not, and shall not be, on account of such issuance or solicitation, liable at any time for the violation of any law, rule, or regulation governing the solicitation of acceptances of the Plan or the distribution or dissemination of any information contained in the Plan, the Disclosure Statement, and any and all related documents. The Debtor has complied with the Disclosure Statement Order in all respects.

H. The Plan Proponents Are Permitted to File the Plan (11 U.S.C. § 1121). The Plan Proponents are permitted under Bankruptcy Code § 1121 to file the Plan. The exclusive period for the Debtor to file a plan under Bankruptcy Code § 1121(b) expired on July 8, 2024.

I. Voting. As evidenced by the *Declaration of John Burlacu of Donlin, Recano & Company, Inc. Regarding the Solicitation and Tabulation of Votes Cast on Westlake Surgical, L.P. dba the Hospital at Westlake Medical Center's Amended Plan of Reorganization* [Docket No. 661-1] votes to accept or reject the Plan have been solicited and tabulated fairly, in good faith, and in a manner consistent with the Bankruptcy Code, the Bankruptcy Rules and the Disclosure Statement Order.

Compliance with Bankruptcy Code § 1129

J. Plan Compliance with Bankruptcy Code (11 U.S.C. § 1129(a)(1)). In accordance with Bankruptcy Code § 1129(a)(1), the Bankruptcy Court finds and concludes that the Plan complies with the applicable provisions of the Bankruptcy Code:

(a) Compliance with 11 U.S.C. §§ 1122 and 1123(a). In accordance with Bankruptcy Code §§ 1122(a) and 1123(a), the Bankruptcy Court finds and concludes that the Plan: (a) classifies six classes of Claims and Equity Interests for the Debtor and that the Claims and Equity Interests allocated to each class are substantially similar to other Claims and Equity Interests, as applicable, in each such class, and such classes do not unfairly discriminate among

holders of Claims and Equity Interests; (b) specifies classes of Claims and Equity Interests that are not impaired under the Plan; (c) specifies the treatment of classes of Claims and Equity Interests that are impaired under the Plan; (d) provides the same treatment for each Claim or Equity Interests of a particular class, unless the holder of a particular Claim or Equity Interests agreed to less favorable treatment of its respective Claim or Equity Interests; (e) provides for adequate means for the Plan's implementation; (f) provides for the issuance of equity securities to WPP; (g) provides for the execution and effectuation of the Superpriority Exit Facility Documents; (h) provides that the Debtor shall be converted to a Texas limited liability company pursuant to, and in connection with, the Plan; and (i) contains provisions that are consistent with the interests of holders of Claims and Equity Interests and with public policy with respect to the manner of selection of any officer, director, or trustee under the Plan and any successor to such officer, director, or trustee. Based on the foregoing, the Plan satisfies the requirements of Bankruptcy Code §§ 1122(a) and 1123(a).

(b) Compliance with 11 U.S.C. § 1123(b) and (d). As permitted by Bankruptcy Code § 1123(b) and (d), the Plan: (a) impairs the rights of the holders of classes of certain Claims and Equity Interests (Classes 3, 4, 5, and 6); (b) does not impair the rights of the holders of all other classes of Claims (Classes 1 and 2); (c) provides for assumptions, assignments and rejections of all Executory Contracts and Unexpired Leases not assumed as of the Effective Date, and provides for the cure of any assumed or assumed and assigned Executory Contracts and Unexpired Leases; (d) provides for the settlement or adjustment of Claims or Equity Interests belonging to the Debtor or the Estate; (e) incorporates procedures for resolving disputed, contingent and unliquidated Claims and Equity Interests; (f) contains procedures for making distributions to Allowed Claims and establishing reserves for Claims that have not become Allowed Claims; (g) contains settlements and preserves certain Causes of Action; (h) releases

certain Claims and Causes of Action against specified parties; (i) enjoins parties from asserting Causes of Action; (j) exculpates the Exculpated Parties from certain Claims and Causes of Action; (k) modifies and allows all eCapital Claims, as memorialized by the Superpriority Exit Facility Documents; and (l) includes other appropriate provisions not inconsistent with the applicable provisions of the Bankruptcy Code. The relief provided in the Plan is fair and necessary for the orderly implementation of the Plan and the administration of the Estate. Based on the foregoing, the Plan satisfies the requirements of Bankruptcy Code § 1123(b) and (d).

K. Debtor's Compliance with Bankruptcy Code (11 U.S.C. § 1129(a)(2)). In accordance with Bankruptcy Code § 1129(a)(2), the Bankruptcy Court finds and concludes that the Plan Proponents have complied with the applicable provisions of the Bankruptcy Code. The Debtor is a proper debtor under Bankruptcy Code § 109. The Plan Proponent complied with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, and the Disclosure Statement Order in transmitting the Plan, the Disclosure Statement, the Ballots and all related documents and notices, and in soliciting and tabulating votes on the Plan.

L. Plan Proposed in Good Faith (11 U.S.C. § 1129(a)(3)). In accordance with Bankruptcy Code § 1129(a)(3), the Bankruptcy Court finds and concludes that the Plan Proponents have proposed the Plan in good faith and not by any means forbidden by law, and the Debtor and each of the constituents involved in negotiating the Plan, including WPP, eCapital, the Committee and each of their respective members, advisors and professionals, have acted, and are presently acting, in good faith in conjunction with all aspects of the Plan. All transactions contemplated by the Plan, including the Superpriority Exit Facility, were negotiated and consummated at arm's length, without collusion, and in good faith. In determining that the Plan has been proposed in good faith, the Bankruptcy Court has examined the totality of the circumstances surrounding the

formulation and solicitation of the Plan. The Debtor filed this Chapter 11 Case and proposed the Plan with legitimate and honest purposes including, among other things, (1) facilitating the efficient and economic resolution of all disputes between the Debtor and the other parties-in-interest concerning Claims, distributions, releases and payment of Allowed Claims and maximizing the recovery to holders of Allowed Claims, including those in Class 5 consisting of General Unsecured Claims, under the circumstances of this Chapter 11 Case. Furthermore, the Plan is in the best interests of the Debtor's Estate and holders of Claims and Equity Interests.

M. Payment for Services or Costs and Expenses (11 U.S.C. § 1129(a)(4)). In accordance with Bankruptcy Code § 1129(a)(4), the Bankruptcy Court finds and concludes that all payments made or to be made by the Debtor for services or for costs and expenses in, or in connection with, this Chapter 11 Case, or in connection with the Plan and incident to this Chapter 11 Case, have been approved by, or are subject to approval of, the Bankruptcy Court as reasonable, unless otherwise ordered by the Bankruptcy Court. The Bankruptcy Court retains jurisdiction to hear and determine all applications for Professional Fee Claims incurred on or before the Effective Date. All requests for payment or any other means of preserving and obtaining payment of Professional Fee Claims that have not been paid in the ordinary course, released or otherwise settled shall be filed with the Bankruptcy Court and served upon the Reorganized Debtor no later than forty-five (45) days after the Effective Date. Any requests for Allowance of Administrative Expense Claims shall be filed within forty-five (45) days after the Effective Date or shall be barred. Any requests for Allowance of post-petition fees or costs pursuant to 11 U.S.C. § 506(b) shall be filed within forty-five (45) days after the Effective Date or shall be barred.

N. Identity of Officers (11 U.S.C. § 1129(a)(5)). In accordance with Bankruptcy Code § 1129(a)(5), the Bankruptcy Court finds and concludes that the Debtor has disclosed the identity

and affiliations of the individuals who will continue as directors or officers for the Debtor. Specifically, the post-Effective Date management of the Debtor will be Jerry Jasper (Chief Administrative Officer), Mark Shen (Chief Transition Officer), and Farah Walters (Chief Financial Officer).²

O. Releases, Exculpations, and Injunctions. The releases, exculpations, and injunction provisions set forth in Section 8.03 of the Plan constitute good-faith compromises and settlements of the matters covered thereby. Such provisions: (a) are within the jurisdiction of the Court; (b) are an essential means of implementing the Plan pursuant to § 1123(a)(5) of the Bankruptcy Code; (c) are integral elements of the Plan and the resolution of the Chapter 11 Case, such that the failure to effect such provisions would seriously impair the Plan Proponent's ability to confirm the Plan; (d) confer material benefits on, and are in the best interests of, the Debtor, the Debtor's Estate, and holders of Claims and Equity Interests; (e) are supported by fair, reasonable and reciprocal consideration; (f) are important to the overall objectives of the Plan to finally resolve all Claims among or against the parties-in-interest in the Chapter 11 Case with respect to the Debtor; and (g) are consistent with §§ 105, 1123, 1129, and other applicable sections of the Bankruptcy Code.

(a) Debtor Release. Section 8.03(a) of the Plan describes certain releases granted by the Debtor (the "Debtor Release"). The Debtor has satisfied the business judgment standard with respect to the propriety of the Debtor Release. Such release is a necessary and integral element of the Plan and is fair, reasonable, and in the best interests of the Debtor, the Estate, and holders of Claims and Equity Interests. Also, the Debtor Release is: (a) in exchange

² The Bankruptcy Court finds and concludes that Bankruptcy Code § 1129(a)(6) does not apply to the Debtor or the Plan.

for the good and valuable consideration provided by the Released Parties; (b) a good-faith settlement and compromise of the Claims or Causes of Action released by the Debtor Release; (c) given, and made, after due notice and opportunity for hearing; and (d) a bar to the Debtor, the Reorganized Debtor, and the Estate asserting any Claim or Cause of Action released by the Debtor Release against the Released Parties.

(b) Appropriate Debtor Release. The Debtor Release appropriately offers protection to parties that participated in the Debtor's restructuring process. Each of the Released Parties made significant concessions and contributions to the Chapter 11 Case. The Debtor Release for the Debtor's current and former directors and officers is appropriate because the Debtor's directors and officers share an identity of interest with the Debtor, supported the Plan and this Chapter 11 Case, actively participated in meetings and negotiations leading up to and during this Chapter 11 Case, and have provided other valuable consideration to the Debtor to facilitate the Debtor's reorganization.

(c) Tailored Debtor Release. The scope of the Debtor Release is appropriately tailored under the facts and circumstances of the Chapter 11 Case. The Debtor Release is appropriate in light of, among other things, the value provided by the Released Parties to the Debtor's Estate and the critical nature of the Debtor Release to the Plan.

(d) Third-Party Release. Section 8.03(c) of the Plan describes certain consensual releases granted by the Releasing Parties (the "Third-Party Release"). The Third-Party Release is an integral part of the Plan. Like the Debtor Release, the Third-Party Release facilitated the DIP Facility, the Plan, and the Chapter 11 process generally. The Third-Party Release was a critical and integral component of the creditors' agreement to support the Plan and the DIP Facility.

The Third-Party Release appropriately offers certain protections to parties who constructively participated in the Debtor's restructuring process by, among other things, supporting the Plan.

(e) Consensual Third-Party Release. The Third-Party Release is consensual as to all parties-in-interest, including all Releasing Parties, and such parties-in-interest were provided notice of the Chapter 11 proceedings, the Plan, the deadline to object to Confirmation of the Plan, and received the Confirmation Hearing Notice and the Non-Voting Status Notice, and were properly informed that the holders of Claims against or Interests in the Debtor that checked the "Opt-in" box on the applicable Ballot and returned it in advance of the Voting Deadline would be deemed to have expressly, unconditionally, generally, individually, and collectively consented to the release and discharge of all Claims and Causes of Action against the Debtor and the Released Parties. Additionally, the release provisions of the Plan were conspicuous, emphasized with boldface type in the Plan, the Disclosure Statement, the Ballots, and the Notices.

(f) Tailored Third-Party Release. The Third-Party Release provides finality for the Debtor and the Released Parties regarding the parties' respective obligations under the Plan. The Confirmation Hearing Notice sent to holders of Claims and Equity Interests and the Ballots sent to all holders of Claims entitled to vote on the Plan, in each case, unambiguously stated that the Plan contains the Third-Party Release. Such release is a necessary and integral element of the Plan and is fair, equitable, reasonable, and in the best interests of the Debtor, the Estate, and all holders of Claims and Equity Interests. Also, the Third-Party Release is: (a) specific in language and scope; (b) given in exchange for the good and valuable consideration provided by the Released Parties; (c) a good-faith settlement and compromise of the claims released by the Third-Party Release; (d) in the best interests of the Debtor and all holders of Claims and Equity Interests; (e) fair, equitable, and reasonable; (f) given and made after due notice and opportunity for hearing;

and (g) a bar to any of the Releasing Parties asserting any Claim or Cause of Action released pursuant to the Third-Party Release.

P. Best Interests of Creditors (11 U.S.C. § 1129(a)(7)). In accordance with Bankruptcy Code § 1129(a)(7), based on the liquidation analysis attached to the Disclosure Statement and agreed to by the Debtor, WPP, and eCapital as embodied in the Plan pursuant to which certain creditors shall receive distributions to which they would not be entitled in a Chapter 7 liquidation, the Bankruptcy Court finds and concludes that, with respect to impaired classes of Claims or Equity Interests (i.e., Classes 3, 4, 5, and 6), each holder of a Claim or Equity Interests has accepted the Plan or will receive or retain under the Plan, on account of such Claim or Equity Interests, property of a value, as of the Effective Date, that is not less than the amount that such holder would so receive or retain if the Debtor were liquidated under Chapter 7 of the Bankruptcy Code on such date.

Q. Acceptance or Rejection of Certain Classes (11 U.S.C. § 1129(a)(8)). In accordance with Bankruptcy Code § 1129(a)(8), the Bankruptcy Court finds and concludes that: (1) Classes 1 and 2 are not impaired under the Plan and are deemed to have accepted the Plan under Bankruptcy Code § 1126(f); (2) Classes 3, 4, and 5 are impaired classes that have accepted the Plan in accordance with Bankruptcy Code § 1126(c); and (3) Class 6, consisting of Equity Interests, is an impaired class deemed to have rejected the Plan in accordance with Bankruptcy Code § 1126(g). With respect to any class that has rejected the Plan, the Bankruptcy Court finds and concludes that, pursuant to Bankruptcy Code § 1129(b)(1) and (2), the Plan does not discriminate unfairly, and is fair and equitable because no holder junior to those in this class will receive or retain any property under the Plan. Likewise, no holder in Class 6 has filed an objection

to Confirmation of the Plan. Accordingly, the Plan can be confirmed under Bankruptcy Code § 1129(b) with respect to Class 6.

R. Treatment of Administrative and Priority Claims (11 U.S.C. § 1129(a)(9)). The Bankruptcy Court finds and concludes that the Plan's treatment of Claims of a kind specified in Bankruptcy Code §§ 507(a)(1) through (8) satisfies the requirements set forth in Bankruptcy Code § 1129(a)(9).

S. Acceptance by Impaired Class (11 U.S.C. § 1129(a)(10)). In accordance with Bankruptcy Code § 1129(a)(10), the Bankruptcy Court finds and concludes that at least one class of Claims that is impaired under the Plan has voted to accept the Plan, without including acceptances of the Plan by any insider.

T. Feasibility (11 U.S.C. § 1129(a)(11)). The Plan contemplates the reorganization of the Debtor's assets in accordance with the Plan. Confirmation of the plan is not likely to be followed by the liquidation, or the need for further financial reorganization. The Plan provides sufficient measures for the funding of distributions to be made under the Plan, as demonstrated by the testimony adduced at the Combined Hearing. The reorganization proposed by the Plan is feasible. Thus, the Plan satisfies the requirements of Bankruptcy Code § 1129(a)(11).

U. Payment of Fees (11 U.S.C. § 1129(a)(12)). In accordance with Bankruptcy Code § 1129(a)(12), the Bankruptcy Court finds and concludes that, to the extent that fees payable to the U.S. Trustee under 28 U.S.C. § 1930 have not been paid, the Plan provides for the payment of all such fees on the Effective Date and as they become due after the Effective Date.

V. Other Provisions of 11 U.S.C. § 1129(a). The Bankruptcy Court finds and concludes that the provisions of 11 U.S.C. §§ 1129(a)(13), (a)(14), (a)(15), and (a)(16) are not applicable to the Debtor.

W. No Unfair Discrimination; Fair and Equitable (11 U.S.C. § 1129(b)). The Debtor proved at the Combined Hearing that the Plan does not discriminate unfairly and is fair and equitable with respect to any class that has rejected the Plan, as required by Bankruptcy Code § 1129(b)(1). Upon Confirmation and the occurrence of the Effective Date, the Plan shall be binding upon the members of all classes.

X. Only One Plan (11 U.S.C. § 1129(c)). The Plan (including its prior filed versions) is the only plan filed in this Chapter 11 Case, and accordingly, the Bankruptcy Court finds and concludes that Bankruptcy Code § 1129(c) is inapplicable to this Chapter 11 Case.

Y. Principal Purpose of the Plan (11 U.S.C. § 1129(d)). The Bankruptcy Court finds and concludes that the principal purpose of the Plan is not the avoidance of taxes or the avoidance of the application of Section 5 of the Securities Act of 1933, and to the extent that an objection has been filed by a governmental unit asserting avoidance, all such objections have been overruled or otherwise resolved.³

Z. The Plan Should be Confirmed. Based on the foregoing, the Debtor, as the proponent of the Plan, has met its burden of proving the elements of Bankruptcy Code §§ 1122, 1123, and 1129.

Modifications to the Plan

AA. Plan Modifications. The Bankruptcy Court finds and concludes that all modifications made to the Plan after solicitation of votes on the Plan had commenced, as reflected in this Confirmation Order, as set forth on the record at the Combined Hearing, or as reflected in the Plan, satisfy the requirements of Bankruptcy Code § 1127(a) and Bankruptcy Rule 3019, are

³ The Bankruptcy Court finds and concludes that Bankruptcy Code § 1129(e) does not apply to the Debtor or the Plan.

not material or do not adversely affect the treatment and rights of the holders of any Claims or Equity Interests under the Plan who have not otherwise accepted such modifications. Accordingly, the Debtor has satisfied Bankruptcy Code § 1127(c) and Bankruptcy Rule 3019 with respect to the Plan, as modified, and holders of Claims or Equity Interests that have accepted or rejected the Plan (or are deemed to have accepted or rejected the Plan) are deemed to have accepted or rejected, as the case may be, the Plan as modified on the date of this Confirmation Order, pursuant to Bankruptcy Code § 1127(d) and Bankruptcy Rule 3019.

Exemptions

BB. Exemptions from Recording, Stamp, and Similar Taxes (11 U.S.C. § 1146(a)). The Bankruptcy Court finds and concludes that, in accordance with Bankruptcy Code § 1146(a), the issuance, transfer, or exchange of a security, or the making or delivery of an instrument of transfer, provided under the Plan, from the Debtor to the Reorganized Debtor or any other Person pursuant to the Plan, shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, or governmental assessment. The appropriate federal, state or local governmental officials or agents are directed to forego the collection of any such tax or governmental assessment and to accept for filing and recordation any of the instruments or other documents as set forth in the Plan without the payment of any such tax or governmental assessment.

Transactions Pursuant to the Plan

CC. Plan Settlements; Releases and Discharges. The Bankruptcy Court finds and concludes that, pursuant to Bankruptcy Rule 9019 and Section 1123 of the Bankruptcy Code, and in consideration of the distributions and other benefits provided under the Plan, including the Committee Settlement, the Professional Fee Settlement, and entry into the Superpriority Exit

Facility, the provisions of the Plan constitute a good-faith compromise and settlement of all impaired Claims against and Equity Interests in the Debtor. Such compromises and settlements represent sound exercises of the Debtor's business judgment, are in the best interests of the Debtor's Estate and holders of impaired Claims and Equity Interests, comply with § 1123 of the Bankruptcy Code, are made in exchange for fair, reasonable and reciprocal consideration, are within the range of possible litigation outcomes, are fair, equitable, reasonable, and are integral elements of the resolution of this Chapter 11 Case in accordance with the Plan.

DD. Release and Exculpation. The failure to effect the release and exculpation provisions of the Plan would impair the Debtor's ability to confirm and implement the Plan. Accordingly, the compromises and settlements embodied in the release and exculpation provisions described in Section 8.03 of the Plan are approved and incorporated by reference into and as an integral part of this Confirmation Order.

EE. Plan Provisions Valid and Binding. The Bankruptcy Court finds and concludes that, upon entry of this Confirmation Order, each term and provision of the Plan and the Plan Supplement are valid, binding, and enforceable pursuant to its terms.

FF. Plan Documents Valid and Binding. The Bankruptcy Court finds and concludes that the Plan and the Plan Supplement, and all other documents reasonably necessary to implement the Plan shall be, upon execution on or after the Effective Date, valid, binding, and enforceable agreements. The Bankruptcy Court further finds and concludes that the Plan and Plan Supplement, and all other documents reasonably necessary to implement the Plan are in the best interests of the Debtor and the Estate and have been negotiated in good faith and at arm's length.

GG. Executory Contracts and Unexpired Leases. The Bankruptcy Court finds and concludes that the Debtor has exercised reasonable business judgment in determining whether to assume or reject executory contracts and unexpired leases pursuant to Article VII of the Plan.

HH. Compliance with Bankruptcy Rule 3016. In accordance with Bankruptcy Rule 3016(a), the Bankruptcy Court finds and concludes that the Plan is dated and the entities that submitted it, and filed it, are identified. The filing of the Disclosure Statement satisfied Bankruptcy Rule 3016(b).

II. Compliance with Bankruptcy Rule 3017. In accordance with Bankruptcy Rule 3017, the Debtor has given notice of the Combined Hearing as required by the applicable provisions of Bankruptcy Rule 3017 and the Disclosure Statement Order. The materials transmitted and notice given by the Debtor to holders of Claims entitled to vote on the Plan and the materials transmitted by the Debtor to holders of Equity Interests and other parties-in-interest satisfy the applicable provisions of Bankruptcy Rules 3017(d)-(f) and the Disclosure Statement Order. Therefore, the requirements of Bankruptcy Rule 3017 have been satisfied.

JJ. Compliance with Bankruptcy Rule 3018. The solicitation of votes to accept or reject the Plan in accordance with the Disclosure Statement Order satisfies Bankruptcy Rule 3018.

KK. Approval of the Superpriority Exit Facility and the Superpriority Exit Facility Documents. The Superpriority Exit Facility Documents are an essential element of the Plan, are necessary for Confirmation and consummation of the Plan, and are critical to the overall success and feasibility of the Plan. The incurrence of indebtedness, provision of guarantees, and granting of collateral under the Superpriority Exit Facility Documents are in the best interests of the Debtor, its Estate, and all holders of Claims and Equity Interests, and are necessary and appropriate for consummation of the Plan and the operations of the Debtor. The incurrence of the obligations

under the Superpriority Exit Facility Documents is necessary for the consummation of the Plan and the operation of the Reorganized Debtor, and constitutes reasonably equivalent value and fair consideration. The Superpriority Exit Facility Documents were negotiated and shall be deemed to be negotiated at arm's length and in good faith, without the intent to hinder, delay, or defraud any creditor of the Debtor. The financial accommodations to be extended pursuant to the Superpriority Exit Facility Documents are being extended, and shall be deemed to have been extended, in good faith, for legitimate business purposes, and on reasonable terms. The Debtor has exercised reasonable business judgment in determining to enter into the Superpriority Exit Facility Credit Agreement and the other Superpriority Exit Facility Documents, and have provided sufficient and adequate notice of the material terms of the Superpriority Exit Facility Documents to all parties-in-interest in the Chapter 11 Case, including, but not limited to, through its filing of the form of Superpriority Exit Facility Credit Agreement as part of the Plan Supplement. The terms and conditions of the Superpriority Exit Facility Documents are fair and reasonable and reflect the Debtor's exercise of sound business judgment consistent with their fiduciary duties and are approved. The execution, delivery, or performance by the Debtor or the Reorganized Debtor, as applicable, of any of the Superpriority Exit Facility Documents and the compliance by the Debtor or the Reorganized Debtor, as applicable, with the terms thereof are authorized by, and will not conflict with, the terms of the Plan or this Confirmation Order. The Superpriority Exit Facility shall be deemed to have been entered into in good faith and for legitimate business purposes, is reasonable, shall not be subject to recharacterization or equitable subordination or avoidance for any purposes whatsoever, and shall not constitute preferential transfers or fraudulent conveyances or any other applicable non-bankruptcy law.

LL. Approval of Granting of Liens. The incurrence of indebtedness and granting of security interests in collateral to secure all of the obligations under the Superpriority Exit Facility Documents granted on the Debtor's and Reorganized Debtor's deposit accounts (and the funds therein), and all other assets of the Reorganized Debtor, are in the best interests of the Reorganized Debtor, the Debtor, its Estate, and all holders of Claims and Equity Interests, and are necessary and appropriate for consummation of the Plan and the operations of the Reorganized Debtor. The obligations under the Superpriority Exit Facility Documents shall be secured by a Lien and security interest against substantially all assets of the Reorganized Debtor, with same first priority established under the eCapital Debt Documents.

ORDER

Based on the foregoing Findings of Fact and Conclusions of Law, it is hereby **ORDERED**
AS FOLLOWS:

1. Disclosure Statement. The Disclosure Statement contains adequate information within the meaning of Bankruptcy Code § 1125 and is **APPROVED** on a final basis, and all objections, statements, and reservations of rights with respect to the Disclosure Statement are overruled.

2. Confirmation. The Plan, as attached to this Confirmation Order and with the modifications and clarifications embodied in this Confirmation Order, is hereby **CONFIRMED**, and all objections, statements, and reservations of rights with respect to the Plan are overruled on the merits to the extent not withdrawn before the Combined Hearing. The terms of this Confirmation Order are controlling if any inconsistency exists between the Plan and this Confirmation Order. The failure specifically to include or to refer to any particular article, section, or provision of the Plan, the Plan Supplement, or any related document in this Confirmation Order shall not diminish or impair the effectiveness of such article, section, or provision, it being the intent of the Bankruptcy Court that the Plan and any related documents be confirmed in their entirety.

3. Binding Effect. The Plan, its provisions and this Confirmation Order shall be, and hereby are, binding upon the Debtor and any creditor or equity security holder of the Debtor, whether or not the Claim or Equity Interests of such creditor or equity security holder is impaired under the Plan and whether or not such creditor or equity security holder has accepted the Plan.

4. Plan Classification Controlling. The terms of the Plan shall solely govern the classification of Claims and Equity Interests for purposes of distributions to be made thereunder. The classifications set forth on the Ballots tendered to or returned by the holders of Claims or Equity Interests in connection with voting on the Plan: (a) were set forth on the Ballots solely for purposes of voting to accept or reject the Plan; (b) do not necessarily represent, and in no event

shall be deemed to modify or otherwise affect, the actual classification of such Claims and Equity Interests under the Plan for distribution purposes; (c) may not be relied upon by any holder of a Claim or Equity Interests as representing the actual classification of such Claim or Equity Interests under the Plan for distribution purposes; and (d) shall not be binding on the Debtor or the Reorganized Debtor except for voting purposes.

5. Allowance of Claims. As provided in Article III of the Plan, no Claim is or shall be deemed Allowed until the later of the Claims Objection Deadline or the expiration of some other applicable period of limitation fixed by the Bankruptcy Code, Bankruptcy Rules, or Bankruptcy Court, unless otherwise ordered by a Final Order of the Bankruptcy Court or Allowed pursuant to the Plan. The deemed allowance of a Claim for voting purposes shall in no way limit the rights of any party to challenge any Claim in accordance with the Bankruptcy Code, Bankruptcy Rules, Plan, and this Confirmation Order.

6. Preservation of Causes of Action Not Expressly Released. Pursuant to Sections 8.02 and 8.03 of the Plan, except as otherwise provided in the Plan or in any contract, instrument, release, indenture or other agreement entered into in connection with the Plan, in accordance with Bankruptcy Code § 1123(b)(3), any Claims, Causes of Action, defenses and counterclaims that the Debtor may hold against any Person shall vest in the Reorganized Debtor, and the Reorganized Debtor, through its authorized agents or representatives, shall retain and may exclusively enforce any and all such Claims, Causes of Action, defenses and counterclaims.

7. Plan Distributions. The Reorganized Debtor shall make payments and distributions pursuant to the procedures established by Article III and Article VI of the Plan. Any payments or distributions to be made to claimants as required by the Plan shall be made only to the holders of Allowed Claims, in accordance with Section 3.09 of the Plan. The agreements to pay

Administrative Claims and Cure Amounts reflected in Exhibit F to the Plan are hereby approved, and payment pursuant to such agreements constitutes compliance with Bankruptcy Code § 1129(a)(9). WPP shall make the WPP Effective Date Contribution on the Effective Date as set forth in the Plan, and the Professional Fee Reserve and GUC Distribution Reserve shall be funded in the amounts and on the schedule set forth in Section 6.02 of the Plan. The provisions of Section 6.02 are approved in their entirety, binding upon the Reorganized Debtor and WPP, and, following any default under Section 6.02, any holder of a Professional Fee Claim or General Unsecured Claim may exercise remedies in accordance with Section 6.02.

8. Releases, Exculpation, Injunction.

(a) The terms and conditions of the releases set forth in Sections 8.03(a)-(c) of the Plan are approved as reasonable, fair and equitable, and in the best interests of the Debtor and the Estate, and are authorized in their entirety.

(b) The Third-Party Releases in Section 8.03(c) of the Plan are consensual. The consensual Third-Party Releases in Section 8.03(c) of the Plan are appropriate, afforded affected parties constitutional due process and a meaningful opportunity to opt-in to such Third-Party Releases, as provided by the Disclosure Statement Order. For the avoidance of doubt, to the extent any party-in-interest did not affirmatively opt-in to the Third-Party Release, the Third-Party Release shall not be binding upon such party-in-interest.

(c) The terms and conditions of the exculpation set forth in Section 8.03(d) of the Plan are approved as reasonable, fair and equitable, and in the best interests of the Debtor and the Estate, and are authorized in their entirety.

(d) The terms and conditions of the injunction set forth in Section 8.03(e) of the Plan are approved as reasonable, fair and equitable, and in the best interests of the Debtor and the Estate, and are authorized in their entirety.

9. Executory Contracts and Unexpired Leases. Pursuant to Article VII of the Plan, on the Effective Date, all Executory Contracts or Unexpired Leases will be deemed rejected by the applicable Reorganized Debtor in accordance with the provisions and requirements of §§ 365 and 1123 of the Bankruptcy Code, other than those that: (1) are identified on the Schedule of Assumed Executory Contracts and Unexpired Leases; (2) have been previously assumed or rejected by the Debtor pursuant to a Final Order; or (3) are, as of the Effective Date, the subject of (a) a motion to assume or reject that is pending or (b) an order of assumption or rejection by the Bankruptcy Court that is not yet a Final Order. Entry of this Confirmation Order shall constitute a Court order approving the rejection of such Executory Contracts or Unexpired Leases. The Cure Amount listed on Exhibit D to the Plan is conclusively determined to be the Cure Amount due in connection with each Assumed Executory Contract or Unexpired Lease.

10. Disputed, Contingent and Unliquidated Claims. Any Contested Claims shall be resolved in accordance with the procedures set forth in Section 3.07 of the Plan. No later than the Claims Objection Deadline, the Reorganized Debtor may file objections with the Bankruptcy Court and serve such objections on the creditors holding the Claims to which such objections are made. Nothing contained herein, however, shall limit the right of the Reorganized Debtor to object to Claims, if any, filed or amended after the Claims Objection Deadline. The Claims Objection Deadline may be extended by the Bankruptcy Court upon motion by the Debtor or Reorganized Debtor. For the avoidance of doubt, no Claim is or shall be deemed Allowed until the later of the Claims Objection Deadline or the expiration of some other applicable period of limitation fixed by

the Bankruptcy Code, Bankruptcy Rules, or Bankruptcy Court, unless otherwise ordered by a Final Order of the Bankruptcy Court or Allowed pursuant to the Plan.

11. U.S. Trustee Reporting and Payment of Fees. All fees payable pursuant to 28 U.S.C. § 1930(a) shall be paid in full in Cash by the Debtor (before the Effective Date) or the Reorganized Debtor (on and after the Effective Date) for each quarter (including any fraction therein) until the Chapter 11 Case is converted, dismissed, or a final decree is issued, whichever occurs first.

12. Continued Existence; Vesting of Assets. The Debtor shall continue to exist as the Reorganized Debtor after the Effective Date in accordance with the laws of its respective state or applicable jurisdiction of incorporation, formation, or organization and pursuant to its certificate of incorporation, bylaws, articles of formation, operating agreements, and other organizational documents in effect prior to the Effective Date, except to the extent such certificate of incorporation and bylaws are amended under the Plan, or as deemed necessary or appropriate by the Reorganized Debtor to effect the Plan. Except as otherwise provided herein and in the Superpriority Exit Facility and the Liens included therein, on the Effective Date, all property of the Debtor's Estate, including any property held or acquired by the Debtor under the Plan or otherwise, will vest in the Reorganized Debtor free and clear of all Liens, Claims, Equity Interests and encumbrances, in accordance with § 1141 of the Bankruptcy Code. The Debtor shall be converted to a Texas limited liability company pursuant to, and in connection with, the Plan. All parties are authorized, empowered and required to execute and accept all filings and other documents related to such conversion.

13. Cancellation of Equity Interests. Pursuant to Section 5.06 of the Plan, except as otherwise specifically provided in the Plan or this Confirmation Order, on the Effective Date, all

Equity Interests shall be deemed automatically cancelled and extinguished and shall be of no further force, and the obligations of the Debtor thereunder or in any way related thereto shall be discharged.

14. Plan Implementation. All implementing actions required or contemplated by the Plan are hereby authorized and approved in all respects. The Reorganized Debtor shall be authorized to take any action as may be necessary or appropriate to effectuate and further evidence the terms and conditions of the Plan, whether or not specifically referred to in the Plan or any exhibits or supplement thereto, without further order of the Court except as specifically required. From and after the Effective Date, the Reorganized Debtor may manage the affairs and property of the Reorganized Debtor in accordance with the Plan and the Plan Supplement, without supervision of or approval by the Bankruptcy Court, free and clear of any restrictions of the Bankruptcy Code or the Bankruptcy Rules, other than restrictions expressly imposed by the Plan or this Confirmation Order. The Reorganized Debtor and each of its officers are authorized, empowered and directed to execute all documents necessary or appropriate to effectuate the terms of the Plan to the fullest extent allowed under the Bankruptcy Code, including Bankruptcy Code § 1142(b).

15. Restructuring Transactions. The Debtor or Reorganized Debtor, as applicable, is authorized to take all actions set forth in the Plan, and enter into any transaction and take any reasonable actions as may be necessary or appropriate to effectuate the transactions reflected in Article VI of the Plan, subject in all respects to the terms set forth in the Plan, including, as applicable: (a) the execution and delivery of appropriate agreements or other documents of merger, amalgamation, consolidation, restructuring, conversion, disposition, transfer, arrangement, continuance, dissolution, sale, purchase, or liquidation containing terms that are

consistent with the terms of the Plan and that satisfy the applicable requirements of applicable law; (b) the execution and delivery of appropriate instruments of transfer, assignment, assumption, or delegation of any asset, property, right, liability, debt, or obligation on terms consistent with the terms of the Plan and having other terms for which the applicable entities agree; (c) the filing of appropriate certificates or articles of incorporation, reincorporation, merger, consolidation, conversion, amalgamation, arrangement, continuance, or dissolution pursuant to applicable state or provincial Law; and (d) all other actions that the Plan Proponents determine to be necessary or appropriate in connection with the consummation of the Plan, including, among other things, making filings or recordings that may be required by applicable law.

16. Term of Injunctions or Stay. Except as otherwise provided in the Plan or this Confirmation Order, all injunctions and the stay pursuant to Bankruptcy Code § 362 shall remain in full force and effect until the Effective Date. All injunctions or stays contained in the Plan or this Confirmation Order shall remain in full force and effect in accordance with their terms.

17. Discharge. The Plan and this Confirmation Order: (a) discharge the Debtor from any debt or Claim that arose before the Effective Date, and any debt or Claim of a kind specified in Bankruptcy Code §§ 502(g), 502(h), or 502(i), whether or not: (i) a Proof of the Claim based on such debt or Claim is filed or deemed filed under Bankruptcy Code § 501, (ii) such Claim is Allowed; or (iii) the holder of such Claim has accepted the Plan; and (b) terminates all rights and Equity Interests, except as otherwise provided by the Plan.

18. Permanent Injunction. From and after Confirmation, all holders of Claims against the Debtor are permanently restrained and enjoined (a) from commencing or continuing in any manner, any judicial, administrative, or other proceeding of any kind with respect to any such Claim against the Debtor, the Reorganized Debtor, or their assets; (b) from enforcing, attaching,

collecting, or recovering by any manner or means, any judgment, award, decree, or order against the Debtor, the Reorganized Debtor, or their assets with respect to any Claim; (c) from creating, perfecting, or enforcing any encumbrance or any kind against the Debtor, the Reorganized Debtor, or their assets with respect to any Claim; and (d) from asserting any setoff, right of subrogation, or recoupment of any kind against any obligation due to the Debtor or the Reorganized Debtor except as may be allowed under the Bankruptcy Code or in connection with the Plan.

19. Order Effective and Enforceable Immediately. Notwithstanding Bankruptcy Rules 6004(h), 6006(d) and 7062, this Confirmation Order shall be effective and enforceable immediately upon entry.

20. Notice of the Effective Date. On or before seven (7) days after occurrence of the Effective Date, the Reorganized Debtor shall file with the Bankruptcy Court and mail or cause to be mailed to all holders of Claims and Equity Interests a notice that informs such holders of: (i) entry of this Confirmation Order; (ii) the occurrence of the Effective Date; (iii) the deadline to file Administrative Claims and Professional Fee Claims and the bar date for filing Claims arising from the rejection of the Debtor's executory contracts and unexpired leases; and (iv) such other matters as the Debtor deems to be appropriate; provided, however, that failure to file such notice shall not affect the effectiveness of the Plan or the rights and substantive obligations of any Person hereunder. The notice described herein is adequate under the particular circumstances and no other or further notice is necessary.

21. Superpriority Exit Facility Documents. The entry into the Superpriority Exit Facility Documents and all transactions contemplated thereby and all actions to be taken, undertakings to be made, and obligations to be incurred by the Reorganized Debtor in connection therewith, including the payment of all fees, indemnities, costs, and expenses provided for therein,

are hereby approved. Subject to, and upon the occurrence of, the Effective Date, the Debtor and the Reorganized Debtor, as applicable, are authorized and directed in all respects, without further notice to any party, or further order or other approval of the Bankruptcy Court, or further act or action under applicable law, regulation, order, or rule, or the vote, consent, authorization or approval of any Person except as otherwise required by the Superpriority Exit Facility Documents, to (a) execute and deliver, or cause to be executed and delivered, the Superpriority Exit Facility Documents, and to perform their obligations thereunder, including, but not limited to, any documents related to the loans and other extensions of credit contemplated by the Superpriority Exit Facility Documents and any other documents executed in connection therewith, except as otherwise required by the Superpriority Exit Facility Documents; (b) grant Liens to secure such loans; (c) incur the indebtedness under the Superpriority Exit Facility Documents; and (d) perform all obligations under the Superpriority Exit Facility Documents and pay all fees, expenses, losses, damages, indemnities, and other amounts provided under the Superpriority Exit Facility Documents.

22. Superpriority Exit Facility Approved. The obligations of the Reorganized Debtor under the Superpriority Exit Facility Documents shall constitute legal, valid, binding and authorized obligations of the Reorganized Debtor, and the Superpriority Exit Facility Documents shall be enforceable in accordance with their terms. The Debtor's or the Reorganized Debtor's, as applicable, entry into the Superpriority Exit Facility Documents and the Superpriority Exit Facility Credit Agreement is approved in all respects by virtue of this Confirmation Order, in accordance with the Bankruptcy Code and applicable state law and without the need for further corporate action or any further action by holders or the Reorganized Debtor or directors of the Debtor or the Reorganized Debtor, and with like effect as if such actions had been taken by unanimous actions

thereof. The financial accommodations to be extended under the Superpriority Exit Facility Documents shall be deemed to have been extended in good faith for legitimate business purposes, and they are reasonable and shall not be subject to avoidance, recharacterization, or subordination (including equitable subordination) for any purpose whatsoever and shall not constitute preferential transfers, fraudulent conveyances, or other voidable transfers under the Bankruptcy Code or any other applicable non-bankruptcy law.

23. Superpriority Exit Facility Documents Liens. On the Effective Date, all of the Liens and security interests to be granted pursuant to the Plan or the Superpriority Exit Facility Documents shall be (a) deemed approved, (b) legal, valid, binding, and enforceable Liens on, and security interests in, the collateral granted thereunder in accordance with the terms of the Superpriority Exit Facility Documents and with the priorities established in respect thereof under applicable non-bankruptcy law, and (c) deemed perfected on the Effective Date.

24. Superpriority Exit Facility Liens Perfected. The Reorganized Debtor and Superpriority Exit Facility Lender under the Superpriority Exit Facility Documents are hereby authorized to make all filings and recordings, and to obtain all governmental approvals and consents to evidence, establish, continue, and perfect such Liens and other security interests under the provisions of the applicable state, provincial, federal, or other law that would be applicable in the absence of the Plan and this Confirmation Order (it being understood that the perfection of the Liens and security interests granted under the Superpriority Exit Facility Documents shall occur automatically by virtue of the entry of this Confirmation Order and the consummation of the Superpriority Exit Facility Credit Agreement, and any such filings, recordings, approvals, and consents shall not be necessary or required as a matter of law to perfect or continue the perfection of such Liens and other security interests), and shall thereafter cooperate to make all other filings

and recordings that otherwise would be necessary under applicable law to give notice of such Liens and other security interests to third parties.

25. Neither the execution and delivery by the Reorganized Debtor of any of the Superpriority Exit Facility Documents nor the performance by the Reorganized Debtor of its respective obligations thereunder constitutes a violation of or a default under any contract or agreement to which the Reorganized Debtor is a party, including those contracts or agreements assigned to the Reorganized Debtor or reinstated under the Plan.

26. Retention of Jurisdiction. Notwithstanding anything to the contrary in the Plan or this Confirmation Order, the Bankruptcy Court's retention of jurisdiction shall not govern the enforcement of the Superpriority Exit Facility Documents, or any rights or remedies related thereto, other than the effectiveness of the Debtor's entry into the Superpriority Exit Facility.

27. Perfection of Liens. On the Effective Date, all of the Liens and security interests to be granted or reinstated pursuant to the Plan or the Superpriority Exit Facility Documents (including as to the Debtor's and Reorganized Debtor's deposit accounts and the funds therein) (a) are hereby approved, (b) shall be legal, valid, binding, and enforceable Liens on, and security interests in, the collateral granted thereunder in accordance with the terms of the applicable documents, (c) shall not be subject to recharacterization or equitable subordination for any purposes whatsoever and shall not constitute preferential transfers or fraudulent conveyances under the Bankruptcy Code or any applicable non-bankruptcy law, and (d) shall be enforceable in accordance with their respective terms. The Reorganized Debtor and the Superpriority Exit Facility Lender under the Superpriority Exit Facility Documents are hereby authorized to make all filings and recordings, and to obtain all governmental approvals and consents to evidence, establish, continue, and perfect any and all Liens and other security interests under the provisions

of the applicable state, provincial, federal, or other law that would be applicable in the absence of the Plan and this Confirmation Order (it being understood that the perfection of the Liens and security interests granted under the applicable Plan Documents, including, without limitation, as to deposit accounts (and the funds therein), shall occur automatically (or be deemed perfected) by virtue of the entry of this Confirmation Order and the consummation of the applicable Plan Documents, and any such filings, recordings, approvals, and consents shall not be necessary or required as a matter of law to perfect or continue the perfection of such Liens and other security interests), and shall thereafter cooperate to make all other filings and recordings that otherwise would be necessary under applicable law to give notice of such Liens and other security interests to third parties.

28. Texas Health and Human Services Commission. Nothing in this Confirmation Order, the Plan, any amendments thereto, or related documents discharges, releases, precludes, or enjoins: (i) any liability to any governmental unit, as defined in § 101(27) of the Bankruptcy Code, (“Governmental Unit”) that is not a Claim (ii) any Claim of a Governmental Unit arising on or after the Confirmation Date; (iii) any liability to a Governmental Unit under police and regulatory statutes or regulations that any entity would be subject to as the owner or operator of property after the Confirmation Date; or (iv) any liability to a Governmental Unit on the part of any Person other than the Debtor. Nor shall anything in this Confirmation Order enjoin or otherwise bar a Governmental Unit from asserting or enforcing, outside this Court, any liability described in the preceding sentence.

29. Additionally, the State of Texas does not waive any claims, liabilities, rights, defenses or causes of action it may have under applicable non-bankruptcy law with respect to the applicable Medicare provider agreements (“Medicare Agreements”) or the applicable Medicaid

contracts (“Medicaid Contracts”), including, without limitation, all rights, claims, and defenses of and to setoff and recoupment under non-bankruptcy law with respect to the applicable Medicare Agreements or the applicable Medicaid Contracts and under § 553 of the Bankruptcy Code, and all such claims, liabilities, rights, defenses, and causes of action are preserved, and the State of Texas’s police and regulatory power against the Debtor, Reorganized Debtor, and any non-Debtor party are reserved, as are all rights and defenses the Debtor, the Reorganized Debtor, and any non-Debtor party may have with regard to such police and regulatory power.

30. Further, nothing in this Confirmation Order, the Plan, any amendments thereto, or related documents authorizes the transfer or assignment of any governmental (a) license, (b) permit, (c) registration, (d) authorization, or (e) approval, or the discontinuation of any obligation thereunder, without compliance with all applicable legal requirements and approvals under police or regulatory law. Nothing in this Confirmation Order shall relieve any entity from any obligation to address or comply with information requests or inquiries from any Governmental Unit. Nothing in this Confirmation Order shall affect any setoff or recoupment rights of any Governmental Unit. Nothing in this Confirmation Order divests any tribunal of any jurisdiction it may have under police or regulatory law to interpret this Confirmation Order or to adjudicate any defense asserted under this Confirmation Order. For the avoidance of doubt, the State of Texas and its agencies, including, but not limited to, the Texas Health and Human Services Commission, opts out of any and all releases provided in the Plan.

31. Landlord. For the avoidance of doubt, notwithstanding anything to the contrary in Plan or Plan Supplement, the Westlake Medical of Austin, LTD-Phase II (the “Landlord”) Cure Amount of \$1,346,607 (the “Landlord Cure Amount”) shall be cured by the Reorganized Debtor’s payment of \$50,000 every two weeks to the Landlord, beginning fourteen (14) days after the

Effective Date. The Landlord Cure Amount shall accrue interest at 6% per annum non-compounding and all cure payments made to the Landlord shall apply first to any accrued interest and then to any principal owing.

32. BCBS. Notwithstanding the foregoing or anything else in this Confirmation Order or the Plan to the contrary, the right of Blue Cross and Blue Shield of Texas, a Division of Health Care Service Corporation, a mutual legal reserve company (“BCBS”) to recoupment pursuant to any assumed Executory Contract shall not be impaired and neither this Confirmation Order nor the Plan or its attachments or exhibits are intended to determine or establish the amount of recoupment to which BCBS may be entitled as of the Confirmation Date or the Effective Date.

33. Texas Comptroller. Notwithstanding anything else to the contrary in the Plan or this Confirmation Order, the Texas Comptroller of Public Accounts (the “Texas Comptroller”) reserves the following rights: (1) any statutory or common law setoff rights in accordance with § 553 of the Bankruptcy Code; (2) any rights to pursue any non-Debtor third parties for tax debts or claims; (3) the payment of interest on the Texas Comptroller’s allowed administrative expense tax claims, if any; (4) to the extent that interest is payable with respect to any allowed administrative expense, priority, or secured tax claim of the Texas Comptroller, payment of the statutory rate of interest pursuant to Texas Tax Code § 111.060; and (5) the Texas Comptroller is not required to file a motion or application for payment of administrative expense claims pursuant to § 503(b)(1)(D) of the Bankruptcy Code.

34. Allowed priority tax claims owed to the Texas Comptroller shall be paid in full: (1) on the Effective Date; (2) in equal monthly installments of principal and interest no later than sixty (60) months of the Petition Date; or (3) as otherwise agreed to by the Texas Comptroller. The

Texas Comptroller's allowed priority tax claims shall accrue interest at the statutory rate of interest from the Effective Date until paid in full.

35. Should the Reorganized Debtor fail to make any payments as required in this Plan or this Confirmation Order, or remain current on post-petition and/or post-Confirmation ordinary course tax reporting and payment obligations, the Texas Comptroller shall provide written notice of that default to the Debtor and the Debtor's attorney advising of that default and providing the Reorganized Debtor with a period of twenty-one (21) days to cure the default. In the event the default is not cured within twenty-one (21) days, the Texas Comptroller may, without further order of this Court or notice to the Debtor, pursue all rights and remedies available under applicable Texas law to collect the full amount of all taxes, penalties, and interest owed.

36. Change of Ownership. Notwithstanding anything else in this Confirmation Order, this Confirmation Order shall constitute all approvals and consents required, if any, by the laws, rules, or regulations of any state, Governmental Unit or other governmental authority with respect to the implementation or consummation of the Plan, the Confirmation Order, Disclosure Statement, any documents, instruments, or agreements, and any amendments or modifications thereto, and any other acts referred to in, or contemplated by, this Confirmation Order, the Plan and the Disclosure Statement. Particularly, this Confirmation Order shall constitute any and all approvals and consents necessary to effectuate the change of ownership of the Debtor to WPP and, further, the Debtor's status a physician owned hospital shall not be impaired by the issuance of equity to WPP or any other transactions in the Plan.

37. Documents, Mortgages, and Instruments. Each federal, state, commonwealth, local, foreign, or other governmental agency is authorized to accept any and all documents,

mortgages, and instruments necessary or appropriate to effectuate, implement, or consummate the Plan and this Confirmation Order.

38. Corporate Action. As of the Effective Date, all actions contemplated by the Plan that require corporate action of the Debtor, including actions requiring a vote of the Debtor's board of directors or managing member(s), and execution of all documentation incident to the Plan shall be deemed to have been authorized, approved and, to the extent taken prior to the Effective Date, ratified in all respects without any requirement of further action by the Bankruptcy Court, members, officers, or directors of the Debtor, the Reorganized Debtor or any other Entity. The Reorganized Debtor, without any further action by the Bankruptcy Court or the Reorganized Debtor's officers or directors, is hereby authorized and directed to enter into, and take such actions as necessary to perform under, or otherwise effectuate, the Superpriority Exit Facility Documents, as well as any notes, documents or agreements in connection therewith, including, without limitation, any documents required in connection with the creation, continuation or perfection of Liens or other security interests in connection therewith.

39. Cardinal Health. On January 5, 2024, Cardinal Health 110, LLC ("Cardinal Health") filed proof of claim no. 168 in the total amount of \$348,287.80 (the "Cardinal Claim") which asserted, in pertinent part, that the Cardinal Claim is secured in the amount of \$6,859.25 on account of certain trade credits owed to the Debtor (the "Trade Credits") by Cardinal Health. Notwithstanding anything to the contrary in the Plan, the Confirmation Order, or the Plan Supplement, upon entry of the Confirmation Order, setoff of the Trade Credits against the Cardinal Claim is approved, and Cardinal Health is granted relief from the automatic stay for the express and limited purpose effectuating such setoff.

40. Order Nonseverable. The provisions of this Confirmation Order are nonseverable and mutually dependent.

41. Captions and Headings. Captions and headings herein are inserted for convenience of reference only and are not intended to be a part of, or to affect the interpretation of, this Confirmation Order.

42. Governing Law. Unless a rule of law or procedure is supplied by federal law (including the Bankruptcy Code and Bankruptcy Rules), the laws of the State of Texas, without giving effect to the principles of conflicts of law thereof, shall govern the construction and implementation of the Plan and any agreements, documents, and instruments executed in connection with the Plan (except as otherwise set forth in those agreements, in which case the governing law of each such agreement shall control), as well as corporate governance matters with respect to the Debtor.

43. Failure of Consummation. If this Confirmation Order is vacated or Effective Date fails to occur, the Plan shall be null and void in all respects and nothing contained in the Plan, the Disclosure Statement, or Plan Supplement shall: (a) constitute a waiver or release of any Claims, Interests, or Causes of Action by any Entity; (b) prejudice in any manner the rights of the Debtor, any holders of Claims or Equity Interests, or any other Entity; or (c) constitute an admission, acknowledgement, offer, or undertaking by the Debtor, any holders of Claims or Equity Interests, or any other Entity.

44. No release by eCapital of Arise Obligations. Notwithstanding anything to the contrary herein, including under the Third-Party Release or the Debtor Release, nothing herein or in the Plan or in any related document shall release any obligations owed by, or claims held against, (i) Arise Healthcare System, LLC, a Delaware limited liability company, (ii) Attila Arise Investors,

LLC, a Texas limited liability company, or (iii) Attila Texas Management, LLC, a Texas limited liability company or any successors thereof, to or by eCapital Healthcare Corp., a Delaware corporation, f/k/a CNH Finance Fund I, L.P., a Delaware limited partnership.

45. Substantial Consummation. The Plan shall be deemed to be substantially consummated, on the Effective Date, under § 1101(2) of the Bankruptcy Code, including for purposes of § 1127(b) of the Bankruptcy Code.

46. Final Order. This Confirmation Order is a final, appealable order, and the period within which an appeal must be filed shall commence upon the entry hereof.

47. Continuing Jurisdiction. The Court retains jurisdiction to interpret and enforce this Confirmation Order, the Plan, the Plan Supplement and any related documents.

ARTICLE II: OVERVIEW OF PLAN

2.01 Generally.

The Plan proposes to extinguish current Equity Interests and issue new equity to WPP. WPP's consideration for such equity comes in the form of the WPP Effective Date Contribution and the conversion to equity of the balance of the WPP DIP, discussed below.

The Plan additionally proposes that WestRise's Allowed Claim against the Debtor will be satisfied by the issuance to WestRise of Class II Units in WPP representing 14% of the total authorized units of WPP in exchange for the full and final satisfaction, settlement, release, and discharge of the Allowed WestRise Claim.

The Debtor's funding for the Plan comes from the sources described in Section 6.02.

2.02 Exhibits.

The Debtor's liquidation analysis is attached as Exhibit A to the Plan. The Debtor's financial projections are attached as Exhibit B to the Plan, and the Debtor's previous monthly operating reports are summarized for reference as Exhibit C. The Schedule of Assumed Executory Contracts and Unexpired Leases is attached as Exhibit D to the Plan, and discloses which Executory Contracts and Unexpired Leases will be assumed as of the Effective Date and any applicable Cure Amounts payable in connection with such assumption. Exhibit E to the Plan is a mutual, general release of all claims and causes of action arising before the Effective Date between the Debtor and Arise, effective as of the Effective Date. Exhibit F to the Plan contains a list and brief description of the operative terms of each Administrative Expense Payment Arrangement (as defined in Section 4.01).

2.03 Modifications.

The Debtor reserves the right to modify, supplement or amend this Plan and the Exhibits to this Plan prior to the Confirmation Date, in accordance with Article X of this Plan, the Bankruptcy Code, and the Bankruptcy Rules.

ARTICLE III: PROVISIONS APPLICABLE TO ALL CLAIMS

3.01 Treatment of Claims.

This Plan resolves all Claims against the Debtor and its property of whatever character, whether contingent or liquidated, or whether or not Allowed. The Plan is designed to ensure that, consistent with section 1129(a)(7) of the Bankruptcy Code, each Creditor will receive or retain under the Plan on account of its Claim no less than the amount such Creditor would so receive or retain in a liquidation of the Debtor pursuant to Chapter 7 of the Bankruptcy Code, as set forth in the Debtor's Liquidation Analysis attached as Exhibit A to this Plan.

3.02 Allowed Claims.

To receive a Distribution under the Plan, a Creditor must have an Allowed Claim.

3.03 Amount of Claims.

If the Debtor has listed a Claim in the Schedules and has not listed such Claim as disputed, contingent, or unliquidated, then the amount listed in the Schedules shall control, unless the Creditor filed a Proof of Claim in a different amount or a party in interest files a timely objection to the Claim listed in the Schedules. If a Creditor filed a Proof of Claim, then the amount stated in the Proof of Claim shall control, unless a party in interest files a timely objection to the Claim. If a party in interest files a timely objection to a Claim for which a Proof of Claim is filed, or to a Claim listed in the Schedules, then the amount determined by the Bankruptcy Court in a Final Order shall control. If a Claim has been listed in the Schedules as disputed, contingent, or unliquidated and the Creditor did not file a Proof of Claim by the applicable Bar Date, the Claim shall be deemed to be disallowed unless this Plan specifically provides otherwise.

3.04 Allowance of Post-Petition Interest, Fees, and Costs.

Unless otherwise provided in the Plan, a Claim shall not be entitled to post-petition interest, fees, or costs.

3.05 Filing of Administrative Claims.

Any requests for Allowance of Administrative Expense Claims shall be filed within forty-five (45) days after the Effective Date or shall be barred.

3.06 Filing of Requests for Post-Petition Fees or Costs.

Any requests for Allowance of post-petition fees or costs pursuant to 11 U.S.C. § 506(b) shall be filed within forty-five (45) days after the Effective Date or shall be barred.

3.07 Objections to Claims.

The Reorganized Debtor may object to any Administrative Expense Claim (other than a Professional Fee Claim, which is governed by Section 4.02), Priority Tax Claim, Other Priority Claim, Other Secured Claim, General Unsecured Claim, or Equity Interest any time prior to the Claims Objection Deadline. All Contested Claims shall be litigated to Final Order; provided, however, that the Reorganized Debtor may compromise and settle any Contested Claim, subject to the approval of the Bankruptcy Court.

3.08 Distributions Generally.

Distributions under this Plan shall be made by the Reorganized Debtor from the GUC Distribution Reserve or the Professional Fee Reserve, as applicable. The Reorganized Debtor shall maintain each such reserve in a segregated account held by the Reorganized Debtor in trust for the benefit of holders of General Unsecured Claims or Professional Fee Claims, as applicable. The Reorganized Debtor will use its best efforts to hold the GUC Distribution Reserve in an interest-bearing account.

3.09 Distributions on Contested Claims.

No Distributions under this Plan shall be made on account of a Contested Claim, unless and until such Claim becomes an Allowed Claim. When and if a Contested Claim becomes an Allowed Claim, the Reorganized Debtor shall, at the next scheduled Distribution under the Plan to the Class of Creditors into which the Claim is classified, pay the newly Allowed Claim a sum sufficient to bring that Claimant current as if it had been paid according to the Plan since the Effective Date. If a Claim is Disputed in whole or in part because the Debtor asserts either a right of offset against such Claim or recoupment against the holder of such Claim, then, if and to the extent the Claim giving rise to the offset or recoupment is Allowed by Final Order and the Debtor's right of offset or recoupment is also granted by Final Order, the Claim shall be reduced or eliminated and, if applicable, the holder of such Claim shall be required to pay any amount

outstanding to the Reorganized Debtor following such offset or recoupment, less the amount of the Allowed Claim. In addition, any party authorized by the Bankruptcy Code may request that the Bankruptcy Court estimate any contingent, Disputed, or unliquidated Claim pursuant to 11 U.S.C. § 502(c) prior to the Claims Objection Deadline.

3.10 Undeliverable Distributions. If any Distribution to a holder of an Allowed Claim is returned to the Reorganized Debtor as undeliverable, no further Distributions shall be made to such holder unless and until the Reorganized Debtor is notified in writing of such holder's then-current address or other necessary information for delivery, at which time such previously undeliverable Distribution shall be made to such holder within ninety (90) days of receipt of such holder's then-current address or other necessary information; provided, however, that any such undeliverable Distribution shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code at the expiration of 180 days after the date of the initial attempted Distribution. After such date, all unclaimed property or interests in property shall revert to the Reorganized Debtor automatically and without the need for any notice to or further order of the Bankruptcy Court (notwithstanding any applicable non-bankruptcy escheatment, abandoned, or unclaimed property laws to the contrary), and the right, title, and interest of any holder to such property or interest in property shall be discharged and forever barred; provided that Distributions made from the Professional Fee Reserve or GUC Distribution Reserve and returned as undeliverable shall revert to the Professional Fee Reserve or GUC Distribution Reserve, as applicable.

3.11 Non-Negotiated Distributions. If any Distribution to a holder of an Allowed Claim is not negotiated for a period of 180 days after the Distribution, then such Distribution shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code and re-vest in the Reorganized Debtor or re-vest in the Professional Fee Reserve or GUC Distribution Reserve if such Distribution was made from the Professional Fee Reserve or GUC Distribution Reserve. After such date, all non-negotiated property or interests in property shall revert to the Reorganized Debtor or the Professional Fee Reserve or GUC Distribution Reserve automatically and without the need for any notice to or further order of the Bankruptcy Court (notwithstanding any applicable non-bankruptcy escheatment, abandoned, or unclaimed property laws to the contrary), and the right, title, and interest of any holder to such property or interest in property shall be discharged and forever barred.

3.12 Satisfaction of Claims. Except as otherwise specifically provided in the Plan, the total Distributions to be made on account of an Allowed Claim under the Plan shall be in complete and final satisfaction, settlement, and discharge of and exchange for such Allowed Claim.

ARTICLE IV: UNCLASSIFIED CLAIMS

4.01 Administrative Expense Claims.

Each holder of an Allowed Administrative Expense Claim (other than Professional Fee Claims and Quarterly Fees) shall receive, on account of and in full and complete settlement, release and discharge of, and in exchange for, such Claim, payment of Cash in an amount equal to the unpaid portion of such Allowed Administrative Expense Claim, or such amounts and on other such terms as may be agreed to by the holders of such Claims, on or as soon as reasonably practicable after the later of: (a) the Effective Date; (b) the first Business Day after the date that is thirty (30)

calendar days after the date such Administrative Expense Claim becomes an Allowed Administrative Expense Claim; (c) such other date(s) as such holder and the Debtor or Reorganized Debtor shall have agreed; or (d) such other date ordered by the Bankruptcy Court; provided, however, that Allowed Administrative Expense Claims arising from the Debtor's operations during the Chapter 11 Case may be paid by the Debtor or Reorganized Debtor in the ordinary course of operations and in accordance with the terms and conditions of the particular agreements governing such obligations, course of dealing, course of operations, or customary practice between the Debtor and the holder of the Administrative Expense Claim, including any payment plan or arrangement agreed to between the Debtor or Reorganized Debtor, as applicable, on the one hand, and the holder of an Administrative Expense Claim and/or Cure Amount, on the other hand (each such payment plan or arrangement, an "**Administrative Expense Payment Arrangement**"). A list and brief description of the operative terms of each Administrative Expense Payment Arrangement is appended to the Plan as **Exhibit F**, which shall be included in the Plan Supplement. The Debtor shall also file a then-current version of **Exhibit F** no later than the date that is two (2) calendar days prior to the deadline to vote to accept or reject the Plan.¹ Notwithstanding anything to the contrary herein or in the Final eCapital DIP Order, no Claim on account of any diminution in the value of eCapital's interests in the Pre-Petition Collateral (including Cash Collateral) (as each such capitalized term is defined in the Final eCapital DIP Order) from and after the Petition Date shall be Allowed unless such Claim is Allowed by a Final Order of the Bankruptcy Court. For purposes of this Plan, Administrative Expense Claims do not include any Claim arising from the WPP DIP, which shall be converted to equity of the Debtor as provided in Article VI of the Plan.

All Quarterly Fees due and payable prior to the Effective Date shall be paid on or before the Effective Date. The Reorganized Debtor shall pay all such fees that arise after the Effective Date, but before the closing of the Chapter 11 Case, and shall comply with all applicable statutory reporting requirements.

4.02 Professional Fee Claims.

(a) Final Fee Applications.

All requests for payment of Professional Fee Claims for services rendered and reimbursement of expenses incurred prior to the Confirmation Date must be filed with the Bankruptcy Court no later than forty-five (45) days after the Effective Date. The Bankruptcy Court shall determine the Allowed amounts of such Professional Fee Claims after notice and a hearing in accordance with the procedures established by the Bankruptcy Court. The Reorganized Debtor shall make Pro Rata Distributions in Cash from the Professional Fee Reserve on account of Professional Fee Claims Allowed by the Bankruptcy Court, until such time as all Allowed Professional Fee Claims are satisfied in full in accordance with Section 6.02(b) below; provided, however, all Allowed Professional Fee Claims shall be satisfied in full by no later than the Professional Fee Payment Outside Date (as defined in Section 6.02(b)).

(b) Professional Fee Reserve.

¹ Pursuant to the Solicitation Procedures, to the extent the amount required to be paid pursuant to Exhibit F increases by more than 10% following the Voting Deadline, holders of eCapital Claims may amend their vote prior to confirmation.

The Debtor, Reorganized Debtor, and WPP, as applicable, shall fund the Professional Fee Reserve with Cash in accordance with Section 6.02 of this Plan. The Reorganized Debtor shall maintain the Professional Fee Reserve in trust solely for the Professionals. Such funds shall not be considered Property of the Estate or property of the Reorganized Debtor, and no Liens, Claims, Interests, charges, or other encumbrances or liabilities of any kind shall encumber the Professional Fee Reserve in any way. The Reorganized Debtor's obligations with respect to Allowed Professional Fee Claims shall not be limited by or deemed limited to the balance of funds held in the Professional Fee Reserve. As of the Professional Fee Payment Outside Date (as such may be extended as set forth in Section 6.02(b)), to the extent that the funds held in, and previously paid out of, the Professional Fee Reserve are insufficient to satisfy all Allowed Professional Fee Claims in full, each holder of an Allowed Professional Fee Claim shall have an Allowed Administrative Expense Claim for any deficiency. When all Allowed Professional Fee Claims have been paid in full, any remaining amount in the Professional Fee Reserve shall promptly be remitted to the GUC Distribution Reserve without any further action or order of the Bankruptcy Court.

(c) Professional Fee Claims Estimates.

Professionals shall reasonably estimate their unpaid Professional Fee Claims incurred in rendering services to the Debtor or the Estate before and as of the Effective Date, and shall deliver such estimate to the Debtor, WPP, and the Committee no later than five (5) Business Days before the Effective Date; provided, however, such estimate shall not be deemed to limit the amount of the fees and expenses that are the subject of the Professional's final application for payment of Professional Fee Claims. If a Professional does not provide an estimate, the Debtor or Reorganized Debtor shall estimate the unpaid and unbilled fees and expenses of such Professional.

(d) Post-Effective Date Fees and Expenses.

Upon the Effective Date, any requirement that Professionals comply with sections 327 through 331, 363, and 1103 of the Bankruptcy Code in seeking retention or compensation for services rendered after such date shall terminate, and the Debtor may, in its discretion, employ and pay any Professional in the ordinary course of business without any further notice to or action, order, or approval of the Bankruptcy Court.

4.03 Other Priority Claims.

Except to the extent that a holder of an Allowed Other Priority Claim agrees to less favorable treatment, each holder of an Allowed Other Priority Claim shall receive on account of and in full and complete settlement, release and discharge of, and in exchange for, such Allowed Other Priority Claim, at the sole option of the Debtor or Reorganized Debtor, as applicable: (1) Cash in an amount equal to such Allowed Other Priority Claim on or as soon as reasonably practicable after the later of (a) the Effective Date, to the extent such Claim is an Allowed Other Priority Claim on the Effective Date; (b) the first Business Day after the date that is thirty (30) calendar days after the date such Other Priority Claim becomes an Allowed Other Priority Claim; and (c) the date such Allowed Other Priority Claim is due and payable in the ordinary course as such obligation becomes due; provided, however, that the Debtor reserves the right to prepay all or a portion of any such amounts at any time without penalty or premium.

ARTICLE V: CLASSIFICATION AND TREATMENT OF CLAIMS AND INTERESTS

5.01 Class 1 – Priority Tax Claims.

Classification: Class 1 consists of Priority Tax Claims.

Treatment: Except to the extent that a holder of an Allowed Priority Tax Claim agrees to less favorable treatment of such Claim, in full and final satisfaction of such Allowed Priority Tax Claim, each such holder shall receive deferred cash payments of a value, as of the Effective Date of the Plan, equal to the Allowed amount of such Claim. Such payments shall be made in equal monthly payments commencing on the latter of: (i) the first Business Day following 60 days after the Effective Date; and (ii) the first Business Day following 60 days after such Priority Tax Claim becomes an Allowed Priority Tax Claim, and ending on September 1, 2028. The Debtor reserves the right to prepay all or a portion of any such amounts at any time without penalty or premium.

Voting: Class 1 is Unimpaired, and each holder of a Priority Tax Claim is conclusively presumed to have accepted the Plan pursuant to section 1126(f) of the Bankruptcy Code. Therefore, holders of Priority Tax Claims are not entitled to vote to accept or reject the Plan, and the votes of such holders will not be solicited with respect Priority Tax Claims.

5.02 Class 2 – Other Secured Claims.

Classification: Class 2 consists of Other Secured Claims. To the extent that Other Secured Claims are Secured by different collateral or different interests in the same collateral, such Claims shall be treated as separate subclasses of Class 2 for purposes of voting to accept or reject the Plan and receiving Distributions under the Plan.

Treatment: Except to the extent that a holder of an Allowed Other Secured Claim agrees to less favorable treatment of such Claim, in full and final satisfaction of such Allowed Other Secured Claim, each holder of an Allowed Other Secured Claim will receive, at the sole option of Reorganized Debtor: (i) Cash in an amount equal to the Allowed amount of such Claim, including the payment of any interest required to be paid under section 506(b) of the Bankruptcy Code, payable on or as soon as reasonably practicable after the last to occur of (x) the Effective Date, (y) the date on which such Other Secured Claim becomes an Allowed Other Secured Claim, and (z) the date on which the holder of such Allowed Other Secured Claim and the Debtor or Reorganized Debtor, as applicable, shall otherwise agree in writing; (ii) satisfaction of such Other Secured Claim in any other manner that renders the Allowed Other Secured Claim Unimpaired, including Reinstatement; or (iii) return of the applicable collateral on the Effective Date or as soon as reasonably practicable thereafter in satisfaction of the Allowed amount of such Other Secured Claim.

Voting: Class 2 is Unimpaired, and each holder of an Other Secured Claim is conclusively presumed to have accepted the Plan pursuant to section 1126(f) of the Bankruptcy Code. Therefore, holders of Other Secured Claims are not entitled to vote to accept or reject the Plan, and the votes of such holders will not be solicited with respect to Other Secured Claims.

5.03 Class 3 – eCapital Claims.

Classification: Class 3 consists of all eCapital Claims.

Allowance: On the Effective Date, all eCapital Claims shall be deemed fully Secured and Allowed pursuant to section 506(a) of the Bankruptcy Code, and not subject to any counterclaim, defense, offset, or reduction of any kind, in the amount of the DIP Obligations (as defined in the Final eCapital DIP Order, and including reasonable and documented attorneys' fees and expenses payable under the eCapital Final DIP Order) plus accrued but unpaid interest and fees (other than attorneys' fees) due under the eCapital Debt Documents, if any, as of the Effective Date. Because all eCapital Claims are deemed fully Secured, there are no unsecured eCapital Claims, and the holder(s) of such Claims do not have or hold any Class 5 Claims against the Debtor on account of any eCapital Claims.

Treatment: On the Effective Date: 1) eCapital's Claim pursuant to the eCapital Debt Documents (except attorneys' fees paid in accordance with clause 2 of this paragraph) shall be converted into the Superpriority Exit Facility as memorialized by the Superpriority Exit Facility Documents and Westlake's indebtedness to eCapital shall thereafter be treated in accordance with the Superpriority Exit Facility Documents; and 2) Westlake shall indefeasibly pay eCapital's reasonable and documented attorney's fees incurred prior to the Effective Date in accordance with the eCapital Debt Documents in full in Cash.

Voting: Class 3 is Impaired, and each holder of an Allowed eCapital Claim is entitled to vote to accept or reject the Plan.

5.04 Class 4 – WestRise Claims.

Classification: Class 4 consists of all WestRise Claims.

Allowance: On the Effective Date, all WestRise Claims shall be deemed fully Secured (as subordinated in the manner and to the extent set forth in that certain subordination agreement between WestRise and the Debtor for the benefit of eCapital dated as of August 27, 2020, as such agreement may have been amended or modified from time to time) and Allowed pursuant to section 506(a) of the Bankruptcy Code, and not subject to any counterclaim, defense, offset, or reduction of any kind. However, such Allowed WestRise Claim shall not include any accrued post-petition interest.

Treatment: In full and final satisfaction, settlement, release, and discharge of, and in exchange for an Allowed WestRise Claim, WPP shall cause holders of Allowed WestRise Claims to collectively receive Class II Units in WPP reflecting 14% of the total authorized units of WPP. Any accrued interest on Allowed WestRise Claims shall be discharged on the Effective Date.

Voting: Class 4 is Impaired, and each holder of an Allowed WestRise Claim is entitled to vote to accept or reject the Plan.

5.05 Class 5 – General Unsecured Claims.

Classification: Class 5 consists of all General Unsecured Claims.

Treatment: Except to the extent that a holder of an Allowed General Unsecured Claim agrees to less favorable treatment of such Claim, in exchange for full and final satisfaction, settlement, release, and discharge of, and in exchange for, such Allowed General Unsecured Claim, each holder of an Allowed General Unsecured Claim shall receive its Pro Rata share of the GUC Cash Pool up to the full amount of such Allowed General Unsecured Claim; provided that the Reorganized Debtor shall not be required to make Distributions to any holder of an Allowed General Unsecured Claim if such Distribution is less than \$50.00.

Voting: Class 5 is Impaired, and each holder of a General Unsecured Claim is entitled to vote to accept or reject the Plan.

5.06 Class 6 – Equity Interests.

Classification: Class 6 consists of all Equity Interests in the Debtor.

Treatment: On the Effective Date, Equity Interests in the Debtor shall be cancelled, and no holder of an Equity Interest shall be entitled to any recovery under the Plan in the holder's capacity as such.

Therefore, holders of Equity Interests are not entitled to vote to accept or reject the Plan, and the votes of such holders will not be solicited with respect to Equity Interests.

ARTICLE VI: IMPLEMENTATION OF THE PLAN

6.01 In General.

If the Plan is approved by the Bankruptcy Court, a Confirmation Order will be entered. The Debtor will continue to operate as a debtor-in-possession and discharge its duties under Chapter 11 until the Effective Date of the Plan.

6.02 Implementation of the Plan and Sources of Funds for the Plan.

The Debtor shall be converted to a Texas limited liability company pursuant to, and in connection with, the Plan. All parties are authorized, empowered and required to execute and accept all filings related to such conversion.

The Debtor's funding for the Plan comes from two sources.

First, the Debtor's prepetition and postpetition lender, eCapital, has agreed to provide post-emergence funding via the Superpriority Exit Facility, which will roll forward the current indebtedness into a similar instrument that provides the Debtor with working capital requirements post-emergence for up to \$6,500,000.

Second, WPP will provide the WPP Effective Date Contribution and the Post-Emergence Monthly Payments as set forth in this Section.

(a) WPP Effective Date Contribution.

As a condition precedent to the occurrence of the Effective Date (the satisfaction of which may not be waived by any party), WPP shall contribute to the Debtor or Reorganized Debtor, as applicable, the WPP Effective Date Contribution. In exchange for the WPP Effective Date Contribution and on account of the conversion of the WPP DIP into equity of the Reorganized Debtor, WPP will receive 100% of the equity of the Reorganized Debtor issued in connection with the Plan, subject to dilution pursuant to any post-emergence employee/physician equity compensation plans and/or physician equity purchase programs.

Notwithstanding any provision of the Plan to the contrary, on the Effective Date, the Debtor or Reorganized Debtor, as applicable, shall apply the WPP Effective Date Contribution as follows:

- (i) first, to the Allowed eCapital Claim in the amount of reasonable and documented attorneys' fees and expenses payable under the eCapital Final DIP Order as described under Section 5.03;
- (ii) second, \$1,883,000 shall be reserved to satisfy Allowed Administrative Expense Claims as follows:
 - A. \$500,000 shall be reserved to satisfy Allowed Administrative Expense Claims (including Cure Amounts but excluding (1) the Allowed eCapital Claim and (2) Allowed Professional Fee Claims) that are not the subject of an Administrative Expense Payment Arrangement; and
 - B. \$1,383,000 shall be remitted to the Professional Fee Reserve on the Effective Date for Pro Rata Distribution to holders of Allowed Professional Fee Claims;
- (iii) third, \$217,000 shall be reserved to satisfy Allowed Other Priority Claims; and
- (iv) fourth, \$300,000 shall be remitted to the GUC Distribution Reserve for Pro Rata Distribution to holders of Allowed General Unsecured Claims.

The Reorganized Debtor shall remit to the Professional Fee Reserve amounts reserved under clauses (ii)(A) and/or (iii) above, if any, that remain undistributed after all such Allowed Administrative Expense Claims and all such Allowed Other Priority Claims and have been satisfied in full.

The Debtor, WPP, the Committee, and eCapital have formulated the foregoing application of the WPP Effective Date Contribution in a manner that they anticipate will: (x) fully satisfy the Allowed eCapital Claim under clause (i), fully satisfy all Allowed Administrative Expense Claims

that are not the subject of the Administrative Expense Payment Arrangement under clause (ii)(A), and fully satisfy all Allowed Other Priority Claims under clause (iii); and (y) fully fund the amounts to be remitted to the Professional Fee Reserve and the GUC Distribution Reserve under clauses (ii)(B) and (iv), respectively.

(b) The Post-Emergence Monthly Payments.

1. Monthly Payments to Professional Fee Reserve.

Beginning on the first Business Day of the third calendar month after the Effective Date and continuing on the first Business Day of each calendar month thereafter, the Reorganized Debtor or WPP (together, the “**Payors**”) shall transfer to the Professional Fee Reserve Cash in an amount equal to the lesser of two hundred fifty thousand dollars and zero cents (\$250,000) and the Excess Average Liquidity (such monthly payments to the Professional Fee Reserve, the “**Post-Emergence Professional Fee Reserve Payments**” and, together with the monthly payments to the GUC Distribution Reserve described below, the “**Post-Emergence Monthly Payments**”). The Payors’ obligation to remit the Post-Emergence Professional Fee Reserve Payments to the Professional Fee Reserve shall be discharged upon the Payors’ having paid into such Professional Fee Reserve and distributed from the Professional Fee Reserve to each holder of an Allowed Professional Fee Claim an amount equal to such Allowed Claim (the “**GUC Distribution Trigger Date**”). If, at any time before the GUC Distribution Trigger Date, the Superpriority Exit Facility is repaid in full or replaced with one or more financing facilities secured by a first-priority security interest in all or substantially all of the Reorganized Debtor’s assets under which the maximum aggregate lending value is not calculated by reference to a borrowing base, the reference to “Excess Average Liquidity” in the definition of Post-Emergence Monthly Payments shall be stricken and the amount of each Post-Emergence Monthly Payment shall be \$250,000. To avoid doubt, the obligations the Reorganized Debtor and WPP to make payments to the Post-Emergence Professional Fee Reserve shall be unsecured and subject to the default and remedy provisions set forth in this section 6.02.

2. Monthly Payments to GUC Distribution Reserve.

Beginning on the first Business Day that is at least thirty (30) calendar days after the GUC Distribution Trigger Date and continuing on the same date of each month thereafter (or the next Business Day, if such date is not a Business Day), the Payors shall transfer Cash to the GUC Distribution Reserve in an amount equal to the lesser of two hundred thousand dollars and zero cents (\$200,000) and the Excess Average Liquidity. At any time the amount in the GUC Distribution Reserve exceeds \$100,000, the Reorganized Debtor shall make a Pro Rata Distribution to the holders to Allowed General Unsecured Claims of all amounts in the reserve (less any minimum amount required to be maintained in the account by the applicable depository institution); provided that the Reorganized Debtor shall not be required to make Distributions to any holder of an Allowed General Unsecured Claim if such Distribution is less than \$50.00. The Payors’ obligation to remit the Post-Emergence Monthly Payments to the GUC Distribution Reserve shall be discharged upon their having transferred to the GUC Distribution Reserve a total of \$1,200,000 and distributed such amounts, together with accrued interest, if any, Pro Rata to holders of Allowed General Unsecured Claims. If, at any time after the GUC Distribution Trigger Date but before the Payors have transferred \$1,200,000 to the GUC Distribution Reserve, the

Superpriority Exit Facility is repaid in full or replaced with one or more financing facilities secured by a first-priority security interest in all or substantially all of the Reorganized Debtor's assets under which the maximum aggregate lending value is not calculated by reference to a borrowing base, the reference to "Excess Average Liquidity" in the definition of Post-Emergence Monthly Payments shall be stricken, and the amount of each Post-Emergence Monthly Payment shall be \$200,000. To avoid doubt, the obligations of the Reorganized Debtor and WPP to make payments to the GUC Distribution Reserve shall be unsecured and subject to the default and remedy provisions set forth in this section 6.02.

3. Default; Remedies.

In the event the Payors fail to pay when due either \$250,000 to the Professional Fee Reserve or \$200,000 to the GUC Distribution Reserve, as applicable, then any holder of an unsatisfied Allowed Professional Fee Claim or unsatisfied Allowed General Unsecured Claim (such creditor, the "**Triggering Creditor**") may provide the Payors with written notice of a potential default and the Payors shall have five (5) business days after receipt of such notice to either: (a) cure such default; or (b) provide satisfactory written evidence to the Triggering Creditor that the payment remitted to the Professional Fee Reserve or the GUC Distribution Reserve, as applicable, was for a value equal to at least the Excess Average Liquidity for the applicable period of default. Satisfactory evidence of Excess Average Liquidity shall consist of at least: (i) copies of all Payor bank statements for the applicable default period; (ii) an accounting of all transfers that the Reorganized Debtor made in the applicable default period to any "affiliate" or "insider" (except for reasonable, regular payroll payments and reasonable expense reimbursements) as those terms are used in the Bankruptcy Code; (iii) copies of all Borrowing Base certificates submitted to eCapital (or successor lender) for the applicable default period; and (iv) a ledger indicating the Average Daily Revolver Balance (together, the "**Minimum Excess Average Liquidity Evidence**").

If the Payors elect to provide Minimum Excess Average Liquidity Evidence, then, upon receipt, such Triggering Creditor may file a motion requesting a hearing before the Bankruptcy Court to determine whether an event of default has occurred. In such event, Payors consent to such hearing being held on shortened notice.

Further, if the Payors elect to provide Minimum Excess Average Liquidity Evidence, then the Payors shall thereafter continue to provide Minimum Excess Average Liquidity Evidence on an ongoing monthly basis by the fifth (5th) calendar day of each subsequent month with such Minimum Excess Average Liquidity Evidence updated to reflect the Excess Average Liquidity for the calendar month preceding the month in which such evidence is required.

If the Payors elect to provide Minimum Excess Average Liquidity Evidence, then the difference between the applicable Post-Emergence Monthly Payment and the amount paid under the Excess Average Liquidity calculation shall accrue interest at a rate of eleven percent (11%) per annum until such difference is satisfied and such interest shall be payable to the Professional Fee Reserve or the GUC Distribution Reserve, as applicable.

Once triggered, the obligation to provide Minimum Excess Average Liquidity Evidence shall continue month-to-month until the earliest to occur of the following: (1) the Triggering

Creditor is paid in full; (2) the Triggering Creditor requesting such documentation notifies the Payors that such obligation is rescinded; or (3) six months of Minimum Excess Average Liquidity Evidence has been provided and the Triggering Creditor has not requested in writing that it continue.

Notwithstanding anything herein to the contrary, all Allowed Professional Fee Claims shall be satisfied in full by no later than December 31, 2026 (the "Professional Fee Payment Outside Date"); provided, however, that the Professional Fee Payment Outside Date shall automatically be extended to December 31, 2027 if: (a) as of December 31, 2026, Post-Emergence Professional Fee Reserve Payments totaling no less than 85% of all Allowed Professional Fee Claims shall have been remitted to the Professional Fee Reserve; or (b) during the period from January 1, 2026 to and including December 31, 2026, Post-Emergence Professional Fee Reserve Payments totaling no less than 45% of all Allowed Professional Fee Claims shall have been remitted to the Professional Fee Reserve.

In the event a court of competent jurisdiction, including the Bankruptcy Court, determines that an event of default has occurred on account of Payors' failure to make the Minimum Excess Average Liquidity payment, the Payors shall have a further five business days after such determination to pay the full amount of the Minimum Excess Average Liquidity payment. If Payors fail to pay such amount, each holder of an unsatisfied Allowed Professional Fee Claim or Allowed General Unsecured Claim may: (1) pursue any and all remedies available under applicable state or federal law (provided, however, that Texas law shall govern, and venue shall be proper only in either the District Court for Travis County, Texas or the Bankruptcy Court); and (2) assert a default interest rate of eighteen percent (18%) with such interest rate accruing as of the date of the default.

4. Obligations Joint and Several.

The obligations of the Payors to make the Post-Emergence Monthly Payments are joint and several.

(c) Superpriority Exit Facility

On the Effective Date, the Reorganized Debtor shall execute and deliver the Superpriority Exit Facility Credit Agreement and the other Superpriority Exit Facility Documents. Confirmation shall be deemed approval of the Superpriority Exit Facility (including transactions contemplated thereby, and all actions to be taken, undertakings to be made, and obligations to be incurred and fees paid by the Debtor or Reorganized Debtor in connection therewith). The Reorganized Debtor shall execute and deliver those documents necessary or appropriate to obtain the Superpriority Exit Facility, including the Superpriority Exit Facility Documents.

On the Effective Date, as applicable, all Liens and security interests granted pursuant to, or in connection with, the Superpriority Exit Facility Credit Agreement shall be deemed granted by the Reorganized Debtor pursuant to the Superpriority Exit Facility Credit Agreement, and all Liens and security interests granted pursuant to, or in connection with the Superpriority Exit Facility Credit Agreement (including any Liens and security interests granted on the Reorganized Debtors' assets) shall (i) be valid, binding, perfected, enforceable liens and security interests in the

property described in the Superpriority Exit Facility Credit Agreement and the other “Loan Documents” (as defined therein or any similar defined term), and (ii) not be enjoined or subject to discharge, impairment, release, avoidance, recharacterization, or subordination under any applicable law, the Plan or the Confirmation Order.

The Reorganized Debtor shall also execute, deliver, file, record and issue any other related notes, guarantees, deeds of trust, security documents or instruments (including UCC financing statements), amendments to the foregoing, or agreements in connection therewith, in each case, without (A) further notice to or action, order, or approval of the Bankruptcy Court or (B) further act or action under applicable law, regulation, order or rule or the vote, consent, authorization or approval of any Entity (it being understood that perfection shall occur automatically by virtue of the entry of the Confirmation Order without the need for any filings or recordings) and will thereafter cooperate to make all other filings and recordings that otherwise would be necessary under applicable Law to give notice of such liens and security interests to third parties.

6.03 Compromise and Settlement of Claims, Interests and Controversies.

Pursuant to section 1123(b)(3)(A) of the Bankruptcy Code and Bankruptcy Rule 9019, and in consideration for the distributions and other benefits provided under the Plan, as of the Effective Date, the provisions of the Plan, including the Committee Settlement and the Professional Fee Settlement set forth in Section 6.03(a) and 6.03(b), respectively, shall constitute good-faith compromises and settlements of Claims, Equity Interests, and controversies among the parties thereto relating to the contractual, legal, equitable and subordination rights that holders of Claims or Equity Interests may have with respect to any Claim or Equity Interest under the Plan or any Distribution to be made on account of an Allowed Claim. The Plan shall be deemed a motion, proposed by the Debtor and WPP (and joined by the parties to the Committee Settlement and the Professional Fee Settlement in respect thereof), and entry of the Confirmation Order shall constitute the Bankruptcy Court’s approval of the compromise and settlement of all such Claims, Equity Interests, and controversies among the parties thereto, as well as a finding by the Bankruptcy Court that such compromises and settlements are in the best interests of the Debtor, its Estate, and holders of Claims and Equity Interests, and is fair, equitable and reasonable under the circumstances. As a condition precedent to the occurrence of the Effective Date (the satisfaction of which may not be waived by any party), pursuant to the terms of the Committee Settlement and the Professional Fee Settlement, the GUC Distribution Reserve and the Professional Fee Reserve shall have been funded in the amounts specified in Sections 6.03(a)(ii) and Section 6.03(b)(ii), respectively.

(a) Committee Settlement.

The treatment provided for under the Plan for Allowed General Unsecured Claims reflects a proposed compromise and settlement by and among the Debtor, WPP, the Committee, eCapital and WestRise. The following constitute the principal provisions and conditions of the “**Committee Settlement**”:

(i) General Unsecured Claims shall be Allowed or Disallowed as set forth in Article III and receive the treatment afforded to such Claims in Section 5.05.

(ii) WPP shall remit \$300,000 to the GUC Distribution Reserve on the Effective Date for Pro Rata Distribution to holders of Allowed General Unsecured Claims.

(iii) WPP and the Debtor (on behalf of itself and the Reorganized Debtor) shall make the Post-Emergence Monthly Payments to the GUC Distribution Reserve as provided for in Section 6.02.

(iv) As of the Effective Date, the Debtor (on behalf of itself and the Reorganized Debtor) and its Estate, and any and all other entities who may purport to assert any Claims or Causes of Action, directly or derivatively, by, through, for, or because of the Debtor or its Estate, forever releases each holder of an Allowed General Unsecured Claim from any Avoidance Action.

(b) Professional Fee Settlement.

The treatment provided for under the Plan for Allowed Professional Fee Claims reflects a proposed compromise and settlement by and among the Debtor, WPP, the Committee, eCapital and WestRise. The following constitute the principal provisions and conditions of the “**Professional Fee Settlement**”:

(i) The Professionals shall comply with the requirements of Section 4.02, and the Bankruptcy Court shall determine the Allowed amount of all Professional Fee Claims, which Allowed Claims shall be satisfied from the Professional Fee Reserve.

(ii) WPP agrees to remit \$1,383,000 to the Professional Fee Reserve on the Effective Date (and any other reserves to the extent unused funds remain thereafter) for Pro Rata Distribution to holders of Allowed Professional Fee Claims.

(iii) To satisfy any and all Allowed Professional Fee Claims that exceed \$1,383,000 in the aggregate, WPP and the Debtor (on behalf of itself and the Reorganized Debtor) agree to make the Post-Emergence Professional Fee Reserve Payments as provided for in Section 6.02.

6.04 Authorization. The Reorganized Debtor shall be responsible for complying with the terms and provisions of the Plan as it may be modified as allowed by the Bankruptcy Code and Bankruptcy Rules. The Reorganized Debtor and each of its officers are authorized, empowered and directed to execute all documents necessary or appropriate to effectuate the terms of the Plan to the fullest extent allowed under the Bankruptcy Code, including Section 1142(b).

ARTICLE VII: EXECUTORY CONTRACTS AND UNEXPIRED LEASES

7.01 Assumption or Rejection of Executory Contracts and Unexpired Leases.

Exhibit D to this Plan lists the Debtor’s Assumed Executory Contracts and Unexpired Leases, and discloses which Executory Contracts and Unexpired Leases will be assumed and any applicable Cure Amounts (the “**Schedule of Assumed Executory Contracts and Unexpired Leases**”). The Schedule of Assumed Executory Contracts and Unexpired Leases may be amended or supplemented as provided herein.

On the Effective Date, except as otherwise provided herein, all Executory Contracts or Unexpired Leases will be deemed rejected by the applicable Reorganized Debtor in accordance with the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code, other than those that: (1) are identified on the Schedule of Assumed Executory Contracts and Unexpired Leases; (2) have been previously assumed or rejected by the Debtor pursuant to a Final Order; or (3) are, as of the Effective Date, the subject of (a) a motion to assume or reject that is pending or (b) an order of assumption or rejection by the Bankruptcy Court that is not yet a Final Order.

Entry of the Confirmation Order shall constitute an order of the Bankruptcy Court approving the assumptions, assumptions and assignments, or rejections of the Executory Contracts or Unexpired Leases (in each case, including any agreed modifications between the Debtor and the counterparty to such Executory Contract or Unexpired Lease, as applicable) as set forth in this Plan, or the Schedule of Assumed Executory Contracts and Unexpired Leases, pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Except as otherwise specifically set forth herein, in the Schedule of Assumed Executory Contracts and Unexpired Leases (as applicable), assumptions, assumptions and assignments, or rejections of Executory Contracts and Unexpired Leases pursuant to this Plan are effective as of the Effective Date (unless otherwise set forth herein). Each Executory Contract or Unexpired Lease assumed pursuant to this Plan or by Bankruptcy Court order but not assigned to a third-party before the Effective Date shall revest in and be fully enforceable by the Reorganized Debtor in accordance with its terms, including in accordance with any amendments executed by the Debtor and the counterparties to the applicable Executory Contract or Unexpired Lease during the Chapter 11 Case and effective upon assumption by the Debtor; *provided that*, prior to the Effective Date and in connection with such assumption, any such terms that are rendered unenforceable by the provisions of this Plan or the Bankruptcy Code shall remain unenforceable solely in connection therewith. Any motions to assume or reject, or any objections to Cure Amounts for any Executory Contracts or Unexpired Leases pending on the Confirmation Date shall be subject to approval by a Final Order on or after the Confirmation Date in accordance with any applicable terms herein unless otherwise settled by the Debtor and counterparties.

Unless otherwise agreed upon in writing by the parties to the applicable Executory Contract or Unexpired Lease, all objections to the assumption or rejection of any Executory Contract or Unexpired Lease, and any requests for payment of Cure Amounts that differ from the Cure Amounts paid or proposed to be paid by the Debtor or the Reorganized Debtor to a counterparty as set forth in the Schedule of Assumed Executory Contracts and Unexpired Leases, must be filed with the Bankruptcy Court on or before the date set by the Bankruptcy Court as the deadline to object to the Plan. Any such objections or requests that are not timely filed shall be disallowed and forever barred, estopped, and enjoined from assertion, and shall not be enforceable against the Reorganized Debtor, without the need for any objection by the Reorganized Debtor or any other party in interest or any further notice to or action, order, or approval of the Bankruptcy Court. Any counterparty to an Executory Contract or Unexpired Lease that fails to timely object to the proposed assumption or rejection of any Executory Contract or Unexpired Lease, or to the Debtor's proposed Cure Amount, will be deemed to have consented to such assumption, rejection, and/or Cure Amount, as applicable.

Notwithstanding anything to the contrary in this Plan, the Debtor or the Reorganized Debtor, as applicable, reserve the right to alter, amend, modify, or supplement the Schedule of Assumed Executory Contracts and Unexpired Leases at any time up to and including the Confirmation Date or any date the Bankruptcy Court rules on a disputed Cure Amount, and such assumption or rejection shall be effective as if it was made on the Effective Date, provided, the counterparty to any Executory Contracts or Unexpired Leases affected by such alteration, amendment, modification, or supplement will have 21 days from the service of such amended Schedule of Assumed Executory Contracts and Unexpired Leases to object to such alteration, amendment, modification, or supplement, and request an emergency hearing on the same. Any counterparty to an Executory Contract or Unexpired Lease that fails to timely object to such amended Schedule of Assumed Executory Contracts and Unexpired Leases, file such objection, and request an emergency hearing on the same will be deemed to have consented to such amendment.

Except as otherwise provided herein or agreed to by the Debtor and the applicable counterparty, each assumed Executory Contract or Unexpired Lease shall include all modifications, amendments, supplements, restatements, or other agreements related thereto, and all rights related thereto, if any, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, extensions, or escalators.

The transactions contemplated by this Plan shall not constitute a “change of control” or “assignment” (or terms with similar effect) under any Executory Contract or Unexpired Lease assumed or assumed and assigned pursuant to this Plan, or any other transaction, event, or matter that would (a) result in a violation, breach or default under such Executory Contract or Unexpired Lease, (b) increase, accelerate or otherwise alter any obligations, rights or liabilities of the Debtor or the Reorganized Debtor under such Executory Contract or Unexpired Lease, or (c) result in the creation or imposition of a Lien upon any property or asset of the Debtor or the Reorganized Debtor pursuant to the applicable Executory Contract or Unexpired Lease. Any consent or advance notice required under such Executory Contract or Unexpired Lease in connection with assumption or assumption and assignment thereof shall be deemed satisfied by Confirmation. To the extent that any provision in any Executory Contract or Unexpired Lease assumed or assumed and assigned pursuant to this Plan restricts or prevents, or purports to restrict or prevent, or is breached or deemed breached by, the assumption or assumption and assignment of such Executory Contract or Unexpired Lease (including any “change of control” provision), then such provision shall be deemed modified such that the transactions contemplated by this Plan shall not entitle the non-Debtor party or parties to such Executory Contract or Unexpired Lease to terminate such Executory Contract or Unexpired Lease or to exercise any other default-related rights with respect thereto.

Unless otherwise agreed upon in writing by the parties to the applicable Executory Contract or Unexpired Lease (including those listed on **Exhibit F**), on the Effective Date, the Debtor or the Reorganized Debtor, as applicable, shall, in accordance with the Schedule of Assumed Executory Contracts and Unexpired Leases and the Final Orders otherwise assuming Executory Contracts and Unexpired Leases, satisfy all Cure Amounts relating to Executory Contracts and Unexpired Leases that are being assumed under this Plan from the WPP Effective Date Contribution; *provided* that, (1) if the effective date of such assumption occurs prior to the Effective Date, such payment shall be made from the Debtor’s own assets on the effective date of such assumption or as soon as reasonably practicable thereafter and (2) to the extent the WPP Effective Date Contribution is not

sufficient to satisfy in full all Allowed Administrative Expense Claims, including Cure Amounts, that are not the subject of an agreement listed on **Exhibit F**, the Reorganized Debtor or WPP shall satisfy such deficiency from their other assets (*i.e.*, their assets other than the WPP Effective Date Contribution).

Nothing contained in this Plan or the Plan Supplement shall constitute an admission by the Debtor or any other party that any contract or lease is in fact an Executory Contract or Unexpired Lease or that the Reorganized Debtor has any liability thereunder.

7.02 Claims for Rejected Executory Contracts and Unexpired Leases.

Counterparties to rejected Executory Contracts and Unexpired Leases shall have 45 days from the Effective Date of the Plan to file a Proof of Claim arising out of such rejection. **Any Claims arising from the rejection of an Executory Contract or Unexpired Lease not filed with the Notice and Claims Agent within such time will be automatically disallowed, forever barred from assertion, and shall not be enforceable against the Debtor or the Reorganized Debtor, the Estate, or their property without the need for any objection by the Reorganized Debtor or further notice to, or action, order, or approval of the Bankruptcy Court or any other entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged, notwithstanding anything in the Proof of Claim to the contrary.**

7.03 Landlord Leases.

On the Effective Date, the Debtor shall assume the Landlord Leases, to the extent not already assumed by a Final Order of the Bankruptcy Court. The Debtor and Landlord agree that the Cure Amount payable in connection with the Debtor's assumption of the Landlord Leases is \$1,361,197.06. The Reorganized Debtor and the Landlord agree that the Reorganized Debtor shall pay this Cure Amount as follows: (1) fourteen (14) days after the Effective Date, the Reorganized Debtor shall pay the Landlord \$50,000; and (2) every fourteen (14) days thereafter, the Reorganized Debtor shall pay the Landlord \$50,000 (or such lesser amount, if less than \$50,000 remains payable to the Landlord to satisfy the Cure Amount in full) until the Cure Amount and applicable accrued interest are paid in full. The unpaid balance of the Cure Amount shall accrue interest at 6% per annum until paid in full. All rent due after the Effective Date shall be paid when due under the terms of the Landlord Leases. To avoid doubt, the obligations of the Debtor or Reorganized Debtor to make payments to the Landlord in accordance with this Section 7.03 shall be unsecured.

ARTICLE VIII: CAUSES OF ACTION

8.01 Potential Litigation.

Subject to Section 8.03 of this Plan, the Debtor or Reorganized Debtor, as applicable, explicitly preserves all Claims and Causes of Action and may pursue such Claims and Causes of Action after the Effective Date or may be enforced by way of setoff against Claims filed against the Estate. The Reorganized Debtor has sole discretion to prosecute any such litigation and to object to any Claims as it sees fit, subject to the terms of this Plan.

8.02 Preserved Litigation.

Unless a Cause of Action is expressly waived, relinquished, released, or compromised in the Plan, including through Section 8.03 of this Plan, or an order of the Bankruptcy Court, the Debtor or Reorganized Debtor, as applicable, expressly reserves such Cause of Action for later adjudication and, accordingly, no doctrine of *res judicata*, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), laches, or other preclusion doctrine will apply to such Cause of Action as a consequence of the confirmation, the Plan, the vesting of such Cause of Action in the Reorganized Debtor, any order of the Bankruptcy Court or this Chapter 11 Case. No Entity may rely on the absence of a specific reference in the Disclosure Statement and Plan to any Cause of Action against them as an indication that the Debtor or Reorganized Debtor, as applicable, will not pursue such Cause of Action against them. The Debtor or Reorganized Debtor, as applicable, instead expressly reserve all rights to prosecute any and all Causes of Action against any Entity, in accordance with the Plan.

Except as otherwise provided by this Plan, upon the Effective Date, the Causes of Action shall be deemed transferred to the Reorganized Debtor free and clear of all Claims and Equity Interests, in accordance with section 1141 of the Bankruptcy Code.

To the extent not already achieved by the preceding recitations, and without limitations to other Causes of Action, the Debtor specifically preserves the following:

All Causes of Action, including Avoidance Actions, related to any payments or other transfers to WestRise or any lender, creditor or investor or WestRise, to the extent such recipient is not a Released Party.

8.03 Releases, Exculpations and Injunction.

Notwithstanding anything in this Article or elsewhere in the Plan to the contrary, the following provisions shall apply to release and/or limit Causes of Action.

(a) Debtor Releases.

Except as otherwise expressly provided in the Plan, including the rights that remain in effect from and after the Effective Date to enforce the Plan and the Confirmation Order, as of the Effective Date, pursuant to section 1123(b) of the Bankruptcy Code, for good and valuable consideration, the adequacy of which is hereby confirmed, including the service of the Released Parties to facilitate and implement the reorganization of the Debtor and the settlements embodied in the Plan, including the Committee Settlement and the Professional Fee Settlement, as an integral component of the Plan, each Released Party is, and is deemed to be, hereby conclusively, absolutely, unconditionally, irrevocably, and forever released by the Debtor (on behalf of itself and the Reorganized Debtor) and its Estate, and any and all other entities who may purport to assert any Claims or Causes of Action, directly or derivatively, by, through, for, or because of the Debtor or its Estate, of and from any and all claims, interests, obligations, rights, suits, damages, causes of action, remedies, and liabilities whatsoever, including any derivative claims, asserted or assertable on behalf of the Debtor or its Estate, as applicable, whether known or unknown, foreseen

or unforeseen, matured or unmatured, existing or hereafter arising, contingent or noncontingent, in law, equity, contract, tort or otherwise, that the Debtor or its Estate or the Reorganized Debtor would have been legally entitled to assert in its own right (whether individually or collectively) or on behalf of the holder of any Claim against, or Equity Interest in, the Debtor, the Estate, or other entity, based on or relating to, or in any manner arising from, in whole or in part, from any act or omission in connection with, or transaction with the Debtor (including management, ownership, or operation thereof), the Debtor's in- or out-of-court restructuring efforts, intercompany transactions, the Chapter 11 Case, the formulation, preparation, dissemination, negotiation, filing, pursuit, performance, or consummation of the Chapter 11 Case (including any payments, distributions or transfers in connection therewith), the Plan and related documents, including the Plan Supplement, the Committee Settlement, the Professional Fee Settlement, the Disclosure Statement, or any contract, instrument, release, or other Plan document, agreement, or document created or entered into in connection with the Plan or the Disclosure Statement, the Chapter 11 Case, confirmation, or consummation, the administration and implementation of the Plan, including the distribution of property under the Plan or any other related agreement, any payments, distributions or transfers made by the Debtor during the Chapter 11 Case, any settlement or agreement in the Chapter 11 Case or upon the negotiations regarding or concerning any of the foregoing or any other act or omission, transaction, agreement, event, or other occurrence relating to the foregoing taking place on or before the Effective Date (including before the Petition Date). Notwithstanding anything to the contrary in the foregoing, this provision does not release any post-Effective Date obligations of any party or Entity under the Plan or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan.

Moreover, pursuant to section 1123(b) of the Bankruptcy Code, for good and valuable consideration, the adequacy of which is hereby confirmed, each holder of an Allowed General Unsecured Claim is, and is deemed to be, hereby conclusively, absolutely, unconditionally, irrevocably, and forever released by the Debtor (on behalf of itself and the Reorganized Debtor) and its Estate, and any and all other entities who may purport to assert any Claims or Causes of Action, directly or derivatively, by, through, for, or because of the Debtor or its Estate, from any Avoidance Action; *provided, however*, the foregoing Debtor Releases shall not release any Causes of Action, including Avoidance Actions, related to any payments or other transfers made to WestRise or any lender, creditor or investor of WestRise, to the extent such recipient is not a Released Party.

(b) Consideration for Debtor Releases.

In partial consideration of the Debtor Releases provided for under the Plan, as of the Effective Date, (i) all Proofs of Claim and Causes of Action asserted against the Debtor by the Released Parties (other than the WestRise Claims, which are entitled to the treatment set forth in Section 5.04, and the eCapital Claims, which are entitled to the treatment set forth in Section 5.03) shall be irrevocably deemed withdrawn, expunged and released, shall not receive any Distributions under the Plan and shall be discharged pursuant to the Plan; and (ii) the Debtor and Arise (which did not file a Proof of Claim) have entered into a mutual, general release of all Claims and Causes of Action between them to the extent such Claims or Causes of Action arose or are alleged to have arisen on or before the Effective Date, as appended as **Exhibit E** to this Plan and effective as of the Effective Date.

(c) Third-Party Releases.

As of the Effective Date, except for the rights that remain in effect from and after the Effective Date to enforce the Plan and the Confirmation Order, for good and valuable consideration, the adequacy of which is hereby confirmed, including the service of the Released Parties to facilitate and implement the reorganization of the Debtor and the settlements embodied in the Plan, including the Committee Settlement and the Professional Fee Settlement, as an integral component of the Plan, to the maximum extent permitted under applicable law, as such law may be extended subsequent to the Effective Date, each Releasing Party is deemed to have released and discharged each Released Party of and from any and all Claims and Causes of Action, whether known or unknown, including any derivative claims, asserted on behalf of the Debtor, that such Entity would have been legally entitled to assert (whether individually or collectively), based on or relating to, or in any manner arising from, in whole or in part, from any act or omission in connection with, or transaction with, the Debtor (including the management, ownership, or operation thereof), the Debtor's in- or out-of-court restructuring efforts, intercompany transactions, commencement and prosecution of the Chapter 11 Case, the formulation, preparation, dissemination, negotiation, or filing of the Disclosure Statement, the Plan (including, for the avoidance of doubt, the Plan Supplement and related documents), the Committee Settlement, the Professional Fee Settlement, and any contract, instrument, release, or other agreement or document created or entered into in connection with the Disclosure Statement or the Plan, the filing of the Chapter 11 Case, the pursuit of confirmation, the pursuit of consummation, the administration and implementation of the Plan, including the issuance or distribution of securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement, or upon any other related act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date. Notwithstanding anything contained herein to the contrary, the foregoing release does not release (i) any Lien or security interest granted to eCapital pursuant to, or in connection with, the Superpriority Exit Facility Documents or any Final Order; (ii) any obligations of any party under the Plan, or any document, instrument, or agreement that is executed to implement the Plan or that shall remain in effect after the Effective Date pursuant to the Plan; or (iii) any claims related to or arising from any act or omission that is determined by Final Order to have constituted actual fraud, willful misconduct, or gross negligence.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the releases described in this section, which includes by reference each of the related provisions and definitions contained in this Plan, and further, shall constitute its finding that each release described in this section is: (1) in exchange for the good and valuable consideration provided by the Released Parties, a good faith settlement and compromise of such Claims; (2) in the best interests of the Debtor and Creditors; (3) fair, equitable, and reasonable; (4) given and made after due notice and opportunity for hearing; and (5) a bar to any of the Releasing Parties asserting any Claim, Cause of Action, or liability released pursuant to this section against any of the Released Parties or their property.

(d) Exculpations.

To the fullest extent permissible under applicable law, no Exculpated Party shall have or incur, and each Exculpated Party is exculpated from any Claim or Cause of Action related to any act or omission in connection with, relating to, or arising out of, in whole or in part, the Chapter 11 Case, the Debtor, the Debtor's in- or out-of-court restructuring efforts, intercompany transactions, the formulation, preparation, dissemination, negotiation, filing, pursuit, performance, or consummation of the Chapter 11 Case (including any payments, distributions or transfers in connection therewith), the Plan, including the Committee Settlement and the Professional Fee Settlement, and Disclosure Statement, or any contract, instrument, release or other Plan document, agreement, or document created or entered into in connection with the Plan and Disclosure Statement, the Chapter 11 Case, confirmation, or consummation, the administration and implementation of the Plan, including the distribution of property under the Plan or any other related agreement, any payments, distributions or transfers made by the Debtor during the Chapter 11 Case, any settlement or agreement in the Chapter 11 Case or upon the negotiations regarding or concerning any of the foregoing or any other act or omission, transaction, agreement, event, or other occurrence relating to the foregoing taking place from the Petition Date through the Effective Date, except for Claims related to any act or omission that is determined in a Final Order to have constituted actual fraud, willful misconduct, or gross negligence, but in all respects such entities shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to the Plan. The Exculpated Parties have, and upon completion of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of votes and Distribution of consideration pursuant to the Plan and, therefore, are not, and on account of such Distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such Distributions made pursuant to the Plan.

Notwithstanding anything to the contrary in the Plan, to the fullest extent permitted by section 1125(e) of the Bankruptcy Code, neither the Debtor nor WPP shall have any liability on account of any solicitation of any acceptance or rejection of the Plan for any violation of any applicable law, rule, or regulation governing solicitation of acceptance or rejection of a plan.

(e) Injunction.

No party may assert a Cause of Action against the Debtor, the Committee, any member of the Committee, eCapital, or their respective financial advisors, attorneys, accountants, investment bankers, consultants, representatives, and other professionals, for any claim related to any act or omission in connection with, relating to, or arising out of, in whole or in part, the Chapter 11 Case, the Debtor, the Debtor's in- or out-of-court restructuring efforts, intercompany transactions, the formulation, preparation, dissemination, negotiation, filing, pursuit, performance, or consummation of the Chapter 11 Case (including any payments, distributions or transfers in connection therewith), the Plan (including, for the avoidance of doubt, the Plan Supplement and related documents), the Committee Settlement, the Professional Fee Settlement, and Disclosure Statement, or any contract, instrument, release or other Plan document, agreement, or document created or entered into in connection with the Plan and Disclosure Statement, the Chapter 11 Case, confirmation, or consummation, the administration and implementation of the Plan, including the distribution of property under the Plan or any other related agreement, any payments, distributions or transfers made by the Debtor during the Chapter 11 Case, any

settlement or agreement in the Chapter 11 Case or upon the negotiations regarding or concerning any of the foregoing or any other act or omission, transaction, agreement, event, or other occurrence relating to the foregoing taking place from the Petition Date through the Effective Date (except for claims related to any act or omission that is determined in a Final Order to have constituted actual fraud, willful misconduct, or gross negligence) without first seeking authority from the Bankruptcy Court. Any such request shall be made in writing with notice to all affected parties and shall include a proposed complaint setting forth any alleged claims and the detailed factual basis in support of such claims. Further, any such request shall include a proposed attorney fee reserve, subject to modification by the Bankruptcy Court, that will be deposited to the Bankruptcy Court's registry to indemnify the financial advisors, attorneys, accountants, investment bankers, consultants, representatives, or other professionals of both the Debtor and the Committee against costs associated with the successful defense of any Claim that is allowed to proceed. The Bankruptcy Court reserves jurisdiction to adjudicate any such Claims to the maximum extent provided by applicable law.

ARTICLE IX: EFFECT OF CONFIRMATION

9.01 Vesting of Property.

As of the Effective Date, the Reorganized Debtor shall be vested with all Property of the Estate, free and clear of all Liens, Claims and encumbrances except as expressly provided under the Plan. Subject to the releases contained in Section 8.03 of this Plan, such Property of the Estate shall include all Claims or Causes of Action arising in favor of the Debtor, under the Bankruptcy Code or any other applicable law; provided, however, that if after Confirmation the Chapter 11 Case is converted to a case under Chapter 7 of the Bankruptcy Code and there is an uncured default by the Reorganized Debtor under the Plan, all of such property and claims shall revert in the Estate upon such conversion.

9.02 Plan Binding.

Pursuant to 11 U.S.C. § 1141, the provisions of the confirmed Plan shall bind the Debtor, the Estate, the Reorganized Debtor, the Debtor's Creditors, and the holder of Equity Interests in the Debtor, and each of its and their respective successors and assigns, and all Entities that are affected in any manner by the Plan, regardless of whether or not the Claim or Equity Interest is impaired under the Plan and whether or not such Creditor or Equity Interest holder has accepted the Plan. Except as otherwise expressly provided in the Plan, all agreements, instruments and other documents filed in connection with the Plan shall be given full force and effect and shall bind all Entities referred to therein on and after the Effective Date, whether or not such agreements are actually issued, delivered or recorded on or after the Effective Date and whether or not such Entities have actually executed such agreement.

9.03 Reliance on Other Parties.

In connection with the Plan, the Debtor and its officers, representatives, attorneys, accountant, and agents may rely upon the opinions of counsel, certified public accountants, and

other experts or professionals employed by the Debtor, and such reasonable reliance shall presumptively establish good faith.

9.04 Discharge.

Confirmation of the Plan shall discharge the Debtor of all its pre-Confirmation debts.

9.05 Permanent Injunction.

Confirmation of the Plan shall result in the issuance of a permanent injunction against the commencement or continuation of any judicial, administrative, or other action or proceeding on account of any Claims against the Reorganized Debtor. From and after Confirmation, all holders of Claims against the Debtor are permanently restrained and enjoined (a) from commencing or continuing in any manner, any action or other proceeding of any kind with respect to any such Claim against the Debtor, the Reorganized Debtor, or their assets; (b) from enforcing, attaching, collecting, or recovering by any manner or means, any judgment, award, decree, or order against the Debtor, the Reorganized Debtor, or their assets with respect to any Claim; (c) from creating, perfecting, or enforcing any encumbrance or any kind against the Debtor, the Reorganized Debtor, or their assets with respect to any Claim; (d) from asserting any setoff, right of subrogation, or recoupment of any kind against any obligation due to the Debtor or the Reorganized Debtor except as may be allowed under the Bankruptcy Code or the Plan with respect to any Claim; and (e) from performing any act, in any manner, in any place whatsoever, that does not conform to or comply with the provisions of the Plan; *provided, however*, that each holder of a Contested Claim may continue to prosecute its proof of claim in the Bankruptcy Court and all holders of Claims shall be entitled to enforce their rights under the Plan and any agreements executed or delivered pursuant to or in connection with the Plan.

ARTICLE X: MODIFICATION OF THE PLAN

10.01 Post-Confirmation Amendment or Modification of the Plan.

Subject to the restrictions and requirements set forth in section 1127 of the Bankruptcy Code and Bankruptcy Rule 3019 (as well as those restrictions on modifications set forth in the Plan), the Debtor and WPP, as proponents of the Plan, reserve the right to modify this Plan without additional disclosure pursuant to section 1125 of the Bankruptcy Code prior to the Confirmation Date and seek Confirmation consistent with the Bankruptcy Code and, as appropriate, not re-solicit votes on such modified Plan. All amendments or modifications to the Plan must be reasonably acceptable to (a) eCapital to the extent they pertain to the treatment of the eCapital Claims, (b) the Committee to the extent they pertain to the treatment of General Unsecured Claims and (c) the Professionals to the extent they pertain to the treatment of Professional Fee Claims. After the Confirmation Date and before substantial consummation of the Plan, the Debtor may initiate proceedings in the Bankruptcy Court pursuant to section 1127(b) of the Bankruptcy Code to remedy any defect or omission or reconcile any inconsistencies in the Plan, the Plan Supplement, the Disclosure Statement, or the Confirmation Order, relating to such matters as may be necessary to carry out the purposes and intent of the Plan. After the Confirmation Date, but before the Effective Date, the Debtor may make appropriate technical amendments and modifications to the

Plan (including the Plan Supplement) without further order or approval of the Bankruptcy Court; provided, however, that such amendments and modifications shall not materially or adversely affect the treatment of holders of Claims or Interests. Notwithstanding anything to the contrary herein, the Debtor shall not modify Sections 6.02 or 8.03 of the Plan or any definition that corresponds to such sections without the prior written consent of the Committee; *provided, however*, that amendments or modifications to Section 6.02(c) shall require the consent of the Committee only to the extent such amendments or modifications adversely affect Creditors or Distributions under this Plan.

10.02 Deemed Acceptance or Rejection.

A holder of a Claim or Equity Interest that has accepted or rejected the Plan may be deemed to have accepted or rejected, as the case may be, the Plan as amended or modified, solely as set forth in 11 U.S.C. § 1127 and Bankruptcy Rule 3019.

10.03 Revocation or Withdrawal of the Plan.

The Debtor and WPP reserve the right to revoke or withdraw the Plan prior to the Effective Date. If the Plan has been revoked or withdrawn prior to the Effective Date, or if confirmation of the Plan or the occurrence of the Effective Date does not occur, then: (a) the Plan shall be null and void in all respects; (b) any settlement or compromise embodied in the Plan (including the fixing or limiting to an amount any Claim or Interest or Class of Claims or Interests), assumption of Executory Contracts or Unexpired Leases affected by the Plan, and any document or agreement executed pursuant to the Plan, shall be deemed null and void; and (c) nothing contained in the Plan shall (i) constitute a waiver or release of any Claim against, or any Equity Interest in, the Debtor or any other Entity; (ii) prejudice in any manner the rights of the Debtor or any other Entity; or (iii) constitute an admission of any sort by the Debtors or any other Entity.

ARTICLE XI: POST CONFIRMATION MATTERS

11.01 Application for Final Decree.

After the occurrence of the Claims Objection Deadline (subject to any extensions approved by an order of the Bankruptcy Court) and after the Chapter 11 Case has been fully administered (other than payment of Allowed Claims, which may occur after the Chapter 11 Case is closed), the Reorganized Debtor shall file with the Bankruptcy Court all documents required by Bankruptcy Rule 3022 and any applicable order of the Bankruptcy Court for issuance of a final decree and order closing the Chapter 11 Case. Any party-in-interest may move to reopen the Chapter 11 Case once closed.

11.02 U.S. Trustee.

(a) Fees.

The Reorganized Debtor shall continue to pay all fees incurred under 28 U.S.C. § 1930 until the Chapter 11 Case is closed. All outstanding U.S. Trustee fees shall be paid on the Effective Date.

(b) Reports.

The Reorganized Debtor shall file quarterly post-confirmation reports in the form prescribed by the United States Trustee until the Chapter 11 Case is closed.

ARTICLE XII: DEFAULT

12.01 Default by Debtor, Reorganized Debtor, or WPP.

In the event of a default by the Debtor, the Reorganized Debtor, or WPP under the Plan, Creditors may exercise any rights granted to them under documents executed to implement the Plan or any rights available to such Creditors under applicable non-bankruptcy law. The Plan may be enforced as a contract. Unless notice and an opportunity to cure was provided pursuant to another provision of this Plan (including Section 6.02 with respect to Post-Emergence Monthly Payments), any holder of an Allowed Claim that alleges a default shall give the Reorganized Debtor and WPP thirty (30) days' written notice and an opportunity to cure before exercising any rights available upon default against the Debtor, the Reorganized Debtor or WPP.

12.02 Conversion to Chapter 7.

Conversion of the Chapter 11 Case to a case under Chapter 7 of the Bankruptcy Code shall be an additional remedy for default. In the event of a conversion to Chapter 7, all property of the estate vested in the Reorganized Debtor pursuant to the Plan shall automatically revert in the Chapter 7 Estate upon conversion without need of a separate order.

ARTICLE XIII: RETENTION OF JURISDICTION

13.01 Jurisdiction over Matters.

Until the Chapter 11 Case is closed, the Bankruptcy Court shall retain jurisdiction to hear and determine all Claims against the Debtor arising prior to the Confirmation Date, to hear and determine all causes of action that exist in favor of the Debtor that arise prior to the Confirmation Date (subject to applicable case law limiting such jurisdiction), to hear and determine all matters relating the administration of what was the Debtor's Estate, to modify the Plan in accordance with the Bankruptcy Code, to assure performance by the Reorganized Debtor and WPP of their obligations under the Plan, to enforce and interpret the terms and conditions of the Plan and related documents, to hear and determine any contested matters arising on account of transactions contemplated by the Plan or relating to the period of administration of the Chapter 11 Case, to hear and determine all applications for compensation of Professionals and reimbursement of expenses under sections 328, 330, 331 or 503(b) of the Bankruptcy Code, to hear and resolve disputes concerning any reserves under the Plan or the administration thereof, and to make such other orders as are necessary or appropriate to effectuate the provisions of the Plan in accordance with § 1142

of the Bankruptcy Code, including interpretation and implementation of the Plan and entry of a final decree.

ARTICLE XIV: MISCELLANEOUS

14.01 Request for Relief under 11 U.S.C. § 1129(b) - “Cramdown”.

In the event any Impaired Class fails to accept the Plan in accordance with 11 U.S.C. § 1129(a), the Debtor reserves the right to, and does hereby, request the Court to confirm the Plan in accordance with 11 U.S.C. § 1129(b).

14.02 Entire Agreement.

The Plan, the Confirmation Order, the Disclosure Statement, and all other documents and instruments to effectuate the Plan constitute the entire agreement and understanding among WPP, the Debtor and its Creditors and Equity Interest holders relating to the subject matter hereof and supersede all prior discussions and documents.

14.03 Dissolution of Committee.

On the Effective Date, the Committee shall dissolve automatically and the members thereof shall be released and discharged from all rights and duties related to the Chapter 11 Case, except that the Committee shall be deemed to survive solely to the extent necessary to allow the Committee Professionals to (a) file, prosecute, review, and object to any Professional Fee Claims filed pursuant to Section 4.02 of this Plan, and (b) pursue any remedies authorized by Section 6.02 of this Plan following any failure by the Payors to make any Post-Emergence Monthly Payment to the Professional Fee Reserve or the GUC Distribution Reserve, as applicable. All reasonable fees and expenses incurred by the Committee Professionals successfully pursuing remedies under Section 6.02 shall be satisfied by the Payors; otherwise, following the Effective Date, the Reorganized Debtor shall no longer be responsible for paying any fees or expenses incurred by the Committee Professionals or members of the Committee.

14.04 Payments.

(a) Delivery.

Any payments or Distributions pursuant to the Plan or as may be ordered by the Bankruptcy Court, to the extent delivered by the United States mail shall be deemed made when deposited into the mail. Distributions and deliveries to holders of Allowed Claims shall be made at the addresses set forth on the Proofs of Claim filed by such holders (or at the last known addresses of such holders if no Proof of Claim is filed) unless the Claimant files with the Bankruptcy Court and serves the Debtor with a change of address. All Claims for undeliverable distributions shall be made within 180 days of the Reorganized Debtor attempting to make a Distribution to the applicable holder. After such 180-day period, all unclaimed property shall remain the property of the Reorganized Debtor and the claim of any holder with respect to such unclaimed property shall be discharged and forever barred.

(b) Voided Checks.

Checks issued by the Reorganized Debtor in respect of Allowed Claims shall be null and void if not cashed within ninety (90) days of the date of delivery thereof. Requests for reissuance of any check shall be made to the Debtor's attorney Charlie Shelton, at Hayward PLLC, 7600 Burnet Road, Ste. 530, Austin, Texas 78757 and by email to cshelton@haywardfirm.com, by the holder of the Allowed Claim to whom such check originally was issued. Any claim in respect of such a voided check must be made to the Debtor's attorney in writing within one-hundred eighty (180) days after the date of delivery of such check. After such date, all claims in respect of void checks shall be discharged and forever barred, and the amount of such checks shall be returned to the Debtor.

(c) Minimum Distributions.

The Reorganized Debtor shall not be required to make Distributions to any holder of an Allowed General Unsecured Claim if such Distribution is less than \$50.00.

14.05 Governing Law.

Unless a rule or law or procedure supplied by federal law (including the Bankruptcy Code and Bankruptcy Rules) is applicable, or a specific choice of law provision is provided by federal law, the internal laws of the State of Texas shall govern the construction and implementation of the Plan and any agreements, documents and instruments executed in connection with the Plan without regard to conflicts of law.

14.06 Non-Severability of Plan Provisions. If, before the entry of the Confirmation Order, any term or provision of the Plan is held by the Bankruptcy Court to be invalid, void, or unenforceable, the Bankruptcy Court, at the request of the Debtor, shall have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void, or unenforceable, and such term or provision shall then be applicable as altered or interpreted. Notwithstanding any such holding, alteration, or interpretation, the remainder of the terms and provisions of the Plan will remain in full force and effect and will in no way be affected, impaired or invalidated by such holding, alteration, or interpretation, as applicable. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing, is (1) valid and enforceable pursuant to its terms, (2) integral to the Plan and may not be deleted or modified without the consent of the Debtor or Reorganized Debtor (as the case may be), and (3) nonseverable and mutually dependent.

14.07. Consent to Jurisdiction. Upon default under the Plan, the Reorganized Debtor, WPP and the Committee, or any successor thereto, respectively, consent to the jurisdiction of the Bankruptcy Court, and agree that it shall be the preferred forum for all proceedings relating to any such default.
